The following revised regulations for the awards of the Government University Scholarships, in and after 1929, are notified for general information :—

1. Four scholarships of the annual value of £300, tenable for two years, together with an outfit allowance of £50 and a second class passage to the British Isles, will be awarded annually until further notice to students of the University College for the purpose of prosecuting their studies at a University in the United Kingdom on conditions prescribed in the succeeding regulations.

2. The scholarships will be awarded on the results of the Final Honours Examinations of the London University as follows :—

- (a) One scholarship to the candidate recommended by the authorities of the University of London as the most meritorious candidate of those who have appeared for the B.A. Honours Examination in an Arts subject (excluding Oriental Languages and Mathematics) ;
- (b) One scholarship to the candidate recommended by the authorities of the University of London as the most meritorious candidate of those who have appeared for the B.A. Honours Examination in Oriental Languages ;
- (c) One scholarship to the candidate recommended by the authorities of the University of London as the most meritorious candidate of those who have appeared for the B.Sc. Special Examination in a Science subject (excluding Mathematics) ;
- (d) One scholarship to the candidate recommended by the authorities of the University of London as the most meritorious of those who have appeared for the B.Sc. Special Examination or the B.A. Honours Examination in Mathematics. [Candidates for this scholarship must, on each occasion on which they compete for the scholarship, take Part I. of the Examination in accordance with the regulations of the University of London. Part II. is optional for the scholarship, and, if it is taken by a candidate, the authorities of the University may in making their recommendation consider the work of the candidate as a whole in both the Parts.]

3. A candidate to be eligible for one of these scholarships—

- (i.) must have been registered as a student of the University College for not less than two years ;
- (ii.) must have been resident in the Island for five years next before the examination ;
- (iii.) must not have completed his twenty-second year before the first day of the month fixed for the examination, provided, however, that until further notice this rule be not enforced in the case of candidates for the scholarship in Oriental Languages ;
- (iv.) must pass the examination on which the scholarship is awarded with 1st or 2nd Class Honours ;
- (v.) must produce medical evidence of physical fitness to undergo a course of study abroad ;
- (vi.) must have stated in his form of application to appear for one of the examinations specified in (2) above that he is a candidate for a scholarship.

4. These scholarships are awarded subject to the following further conditions, viz. :—

- (a) That the holder shall enter, as an internal student, one of the Universities of the United Kingdom or such other place as shall be approved by His Excellency the Governor, and shall there prosecute his studies in the subject offered by him in competition for the scholarship or in an allied subject approved for the purpose of his scholarship by the University College Council ;
- (b) That the course of the study approved by the Council shall not be changed without the approval of the Council ;
- (c) That the holder shall transmit quarterly to the Director of Colonial Scholars a certificate signed by the College tutor or other responsible authority stating that he continues to pursue his studies with diligence, and that his general conduct is satisfactory.

5. Students of the University College may compete a second time for these scholarships, if still under age, provided that they continue their studies at the University College, or provided that they register themselves as members of the College at the beginning of the Academic Year in which the examination falls, the fee for such registration being Rs. 10.

6. A proper certificate of birth must accompany the application, a certificate of baptism will be accepted instead, provided that baptism took place within four months of the date of the candidate's birth.

7. The duration of the Government University Scholarship may be extended to a further period of one year in cases where a scholarship holder engages in a course of study which lasts more than two years, provided that he has shown marked promise and ability during the first two years of his tenure of the scholarship. Every scholar will forfeit his scholarship who, not being disabled by illness or prevented by any other cause which the Director of Colonial Scholars may consider sufficient, fails to comply with the rules here set forth. A scholarship may be terminated at any time if a scholar fails in health or conduct.

8. On the expiration of the scholarship the scholar will be provided with a free second class passage to Ceylon. If a scholarship is forfeited, or if it be resigned before completion of its term, or if the holder of it, on completion of its term, declines to return to Ceylon when instructed to do so, the scholar will lose his claim to a free passage back to Ceylon. If a scholarship is terminated owing to illhealth the scholar will be provided with a free second class passage to Ceylon.

9. Notwithstanding the preceding regulation a scholar will, with the permission of the Secretary of State for the Colonies or His Excellency the Governor, be allowed to postpone his return for two years after the expiration of the scholarship, and to remain in Europe for a further period not exceeding three years, on the distinct understanding that such permission will be given only to enable the scholar to pursue a course of studies or to acquire professional qualifications likely to be of benefit to the Colony on his eventual return. In such cases the scholar will be provided with his passage back to Ceylon on the expiration of the two years or the permitted period of extended stay in Europe.

10. The medical expenses of University Scholars will be paid by Government in cases recommended by the Director of Colonial Scholars, but the total sum which will be paid for any one scholar on this account is limited to £50.

11. The parent or guardian of every University Scholar will be required to execute a bond for an amount of not less than Rs. 1,000, to be utilized to meet medical expenses in excess of £50 which are considered to be necessary by the Director of Colonial Scholars. The Secretary of State may at any time order the return to Ceylon of any University Scholar on the recommendation of the medical advisers to the Colonial Office.

## NOTICES CALLING FOR TENDERS.

TENDERS are hereby invited for the supply of 2,300 tons of selected Indian first class squares Bangkok or Rangoon teak, averaging 40 to 50 cubic feet, with sides not less than 12 inches and length not less than 15 feet. About 10 per cent. of the logs must be heavy enough to cut sound panels 24 inches wide for carriages. It must be clearly stated on tender whether the price quoted is for "Bangkok" or "Rangoon" teak.

Alternative tenders are also invited for the supply of 2,000 tons of selected Indian first class squares Rangoon teak, averaging 40 to 50 cubic feet with sides of not less than 10 inches and length not less than 15 feet. About 10 per cent. of the logs must be heavy enough to cut sound panels 24 inches wide for carriages.

2. The teak must be sound in every respect, free from knots, shakes, and bee holes.

3. Every teak log supplied should be marked with a band of red paint about 2 or 3 inches in width at a few inches inwards from each end, and the consecutive specification numbers should be stamped on each teak log in large figures by means of a steel stamp.

4. Firms or persons desiring to tender must do so through their agents in Ceylon.

5. A deposit of Rs. 100 in favour of the Hon. the Treasurer of Ceylon will be required to be made at the General Treasury, Colombo, or at any Kachcheri, and a receipt produced for the same before any form of tender is issued. Applications for tender forms must be made at the Office of the Railway Storekeeper. Applicants must satisfy the General Manager that they are in a position to execute the contract in a satisfactory manner, documentary, or other evidence being produced for the purpose, if called for.

6. Applications from outside Ceylon accompanied by a draft on a Colombo Bank in favour of the Hon. the Treasurer of Ceylon will be considered on intimation being received from the Bank that such a draft has been placed to the credit of the Government.

7. Tenders must be in duplicate, and be accompanied by a letter signed by two responsible persons, whose addresses must be given, engaging to become security for the due fulfilment of the contract. The documents must be sealed under one cover marked "Tender for supply of Teak to the Ceylon Government Railway" in the left hand top corner of the envelope, and be addressed to the Hon. the Controller

of Revenue, Colombo, and must either be deposited in the tender box in the Office of the Controller of Revenue, or be sent through the post to reach the Office of the Controller of Revenue not later than midday on Tuesday, June 12, 1928.

8. Tenders from tenderers not resident in the Colony will not receive consideration unless submitted by a duly constituted agent resident in the Colony specially empowered to tender for the same and to execute a valid contract in that behalf and to fulfil all the terms of the contract. In the case of local firms tendering as agents of firms outside Ceylon, the "duly constituted" agents should hold a power of attorney from their principals to enable them to enter into a contract, should their tender be accepted.

9. No tender will be considered unless it is on the prescribed form, and in respect of it each and every condition above laid down has been strictly fulfilled. All alterations or erasures should bear the initials of the tenderers.

10. The Government of Ceylon reserves to itself the rights, without question, of rejecting any or all tenders, and the right of accepting or rejecting any portion of a tender.

11. Security to the extent of Rs. 3,500 in cash or fixed deposit will be required to be furnished for the due fulfilment of the contract.

12. Should any successful tenderer decline to enter into the contract and bond, or fail to furnish the required security within 21 days of receiving notice in writing that his tender has been accepted, the deposit of Rs. 100 will be forfeited to the Crown, and the defaulter will render himself liable to be included in the list of defaulting contractors precluded from having any concern in a Government contract. All other deposits will be returned upon signature of the contract.

13. The contractors shall not assign or transfer the contract, or any interest therein, without the permission of the General Manager of the Railway.

14. The tenderers shall specify their prices in rupees and cents at per ton of 50 cubic feet for delivery over ship's side in Colombo Harbour, free of all freight and charges, and the teak shall be at the risk of the contractors until it is so delivered.

15. The teak is to be delivered in Colombo Harbour in the following approximate quantities, and at the following approximate dates, viz. :—

650 tons in October, 1928 ; 500 tons in January, 1929 ;  
650 tons in April, 1929 ; 500 tons in October, 1929.

16. Should the contractor fail to complete delivery by the specified date he shall be liable to a deduction as damages of 10 per cent. of the value of the teak not then delivered.

17. Should the contractor at any time during the execution of the contract find that he will be unable to deliver the teak or any portion of it within the period named, he shall at once give notice accordingly to the General Manager of the Railway, who shall have an absolute discretion either to grant an extension of time or to determine the contract and recover damages as provided hereinafter in condition 20.

18. If any teak delivered shall be objected to by the Mechanical Engineer or the Engineer of Way and Works as not being of the size or quality contracted for as laid down in clauses 1 and 2 of this notice, the General Manager of the Railway shall be at liberty to deduct from the price such sums as he may consider justifiable by reason of such inferior size or quality, or he may reject such teak. Whenever any teak is so rejected, the contractors shall, at their own cost and expense, remove the rejected teak, and pending removal the teak shall remain and be at the risk of the contractors, and the contractors shall, in addition to any other penalty, be liable to refund to the General Manager the cost incurred in landing such teak, and the cost so incurred, when certified under the hand of the General Manager, shall be deemed final and conclusive.

19. If the contractors at any time fail to supply the teak at the time and in the quantities specified in clause 15 of this notice, or should any teak be rejected, the General Manager shall be at liberty to purchase elsewhere, at whatever price he may deem fit, such quantity of teak as the contractor may have failed to supply or as may have been rejected, and should the teak so purchased cost more than the contract price, the contractor shall be liable to pay to the General Manager the full amount of the excess cost, together with all expenses attending the purchase and procuring of the same.

20. Should the contractors fail to supply teak in the quantities and at the time agreed upon or should they supply teak inferior in quality, or should they commit a breach of any of the covenants of the contract, the General Manager shall be at liberty by notice in writing, to forthwith determine the contract, and thereupon the contractors will be liable to pay to the General Manager all costs and expenses incurred by failure to supply teak or by the supplying of teak of inferior size and quality, or by the breach of any other covenants of the contract, and shall in addition be liable to forfeit the sum of Rs. 3,500 deposited by them as security, and which said sum of Rs. 3,500 shall be paid and forfeited as liquidated damages and not by way of a penalty and shall not be deemed to include the costs and expenses hereinbefore referred to.

21. The General Manager of the Railway may deduct from sums payable to the contractors all sums payable to the Ceylon Government by the contractors under their contract, or such sums may be recovered by action at law.

22. No contract shall be entered into with any person whose name is on the list of Crown defaulting contractors, either individually or jointly with any other person, nor shall the contractor employ any person whose name is on the list of Crown defaulting contractors, or any other person to whom the General Manager, for reasons which appear to him sufficient, objects after giving due notice of his objection in writing.

23. If any difference or dispute shall arise between the parties of this contract as to the true intent and meaning of any of the conditions herein contained, either party may forthwith give the other notice in writing of the existence of such difference or dispute, and such difference or dispute shall be referred to arbitration of a person mutually agreed upon. The award of the arbitrator shall be final, conclusive, and binding on both parties. The losing party shall bear the cost of the arbitration.

7. The Directors may also with the sanction of a special resolution of the Company reduce the capital or subdivide or consolidate the shares of the Company.

#### SHARES.

8. The Company may issue the balance capital whenever the Directors shall think fit, and may make arrangements on the issue of shares for a difference between the holders of such shares in the amount of calls to be paid, and the time of payment of such calls.

9. If by the conditions of allotment of any share the whole or part of the amount thereof shall be payable by instalments, every such instalment shall, when due, be paid to the Company by the holder of the shares.

10. The shares, except when otherwise provided, shall be allotted at the discretion of and by the Directors, who may from time to time issue any unissued shares, and may add to such shares such an amount of premium as they consider proper. Provided that such unissued shares, except when otherwise provided, shall first be offered by the Directors to the Shareholders in proportion as nearly as possible to the existing shares held by them, and such offer shall be made by notice specifying the number of shares to which the Shareholder is entitled, and limiting a time within which the offer, if not accepted, will be deemed to be declined, and after the expiration of such time, or on the receipt of an intimation from the Shareholder to whom such notice is given that he declines to accept the shares offered, the same shall be disposed of in such manner as the Directors may determine. Provided that the Directors may at their discretion allot such new shares or any portion of them to the vendor or vendors of any estates or lands being acquired by the Company in payment of the whole or any part of the purchase price of any such estates or lands, or as remuneration for work done for or services rendered to the Company, and that without offering the shares so allotted to the Shareholders.

11. In case of the increase of the capital of the Company by the creation of new shares, such new shares shall be issued upon such terms and conditions, and with such preferential, deferred, qualified, special, or other rights and privileges annexed thereto, as the General Meeting resolving on the creation thereof, or any other General Meeting of the Company shall direct, and, if no direction be given, as the Directors shall determine, and in particular such shares may be issued with a preferential or qualified right to the dividends, and in the distribution of the assets of the Company, and with a special or without any right of voting.

Subject to any direction to the contrary that may be given by the meeting that sanctions the increase of capital, all new shares shall be offered to the Shareholders in proportion as nearly as possible to the existing shares held by them, and such offer shall be made by notice specifying the number of shares to which the Shareholder is entitled and limiting a time within which the offer, if not accepted, will be deemed to be declined, and after the expiration of such time, or on the receipt of an intimation from the Shareholder to whom such notice is given that he declines to accept the shares offered, the same shall be disposed of in such manner as the Directors may determine. Provided that the Directors may, at their discretion, allot such new shares or any portion of them to the vendor or vendors of any estates or lands being acquired by the Company in payment of the whole or any part of the purchase price of any such estates or lands, and that without offering the shares so allotted to the Shareholders.

16. In case of the death of any one or more of the joint-holders of any shares, the survivor or survivors shall be the only person or persons recognized by the Company as having any title to, or interest in, such shares.

17. The Company shall not be bound to recognize (even though having notice of) any contingent, future, partial, or equitable interest in the nature of a trust or otherwise in any share, or any other right in respect of any share, except any absolute right thereto in the person from time to time registered as the holder thereof, and except also the right of any person under clause 35 to become a Shareholder in respect of any share.

18. The joint-holders of a share shall be severally as well as jointly liable for the payment of all instalments and calls due in respect of such share.

19. Every Shareholder shall be entitled to a certificate or certificates under the common seal of the Company, specifying the share or shares, held by him and the amount paid thereon, provided that in the case of shares registered in the names of two or more persons, the Company shall not be bound to issue more than one certificate to all the joint-holders, and delivery of such certificate to any one of them shall be sufficient delivery to all.

20. If any certificate be worn out or defaced, then, upon production thereof to the Directors, they may order the same to be cancelled, and may issue a new certificate in lieu thereof; and if any certificate be lost or destroyed, then, upon proof thereof to the satisfaction of the Directors, and on such indemnity as the Directors deem adequate being given, a new certificate in lieu thereof may be given to the person entitled to such lost or destroyed certificate. A sum of fifty cents shall be payable for such new certificate.

#### CALLS.

21. The Directors may from time to time make such calls as they think fit upon the Shareholders in respect of all moneys unpaid on their shares, and not by the conditions of allotment made payable at fixed times, provided that three months' notice at least shall be given to the Shareholders of the time and place appointed for payment of each call; and each Shareholder shall pay the amount of every call so made to the persons and at the time and place appointed by the Directors.

22. If any Shareholder fail to pay the amount of any call due by him on or before the day appointed for payment thereof, he shall be liable to pay interest on the same at the rate of nine per centum per annum from the day appointed for the payment thereof to the time of actual payment.

23. A call shall be deemed to have been made at the time when the resolution of the Directors authorizing such call was passed.

24. The Directors shall have power in their absolute discretion to give time to any one or more Shareholder or Shareholders, exclusive of the others, for payment of any call or part thereof on such terms as the Directors may determine. But no Shareholder shall be entitled to any such extension except as a matter of grace or favour.

25. The Directors may at their discretion receive from any of the Shareholders willing to advance the same, and upon such terms as they think fit, all or any part of the moneys uncalled upon their respective shares beyond the sums actually called up; and upon the moneys so paid in advance, or upon so much thereof as from time to time and at any time thereafter exceeds the amount of the calls then made upon, and due in respect of the shares in respect of which such advances have been made, the Board may pay or allow interest at such rate as the Shareholders paying such sums in advance and the Directors may agree upon, not exceeding, however, eight per centum per annum.

#### TRANSFER OF SHARES.

26. Subject to the restrictions contained in these Articles, any Shareholder may transfer all or any of his shares by instrument in writing.

27. No transfer of shares shall be made to an infant or person of unsound mind.

28. The Company shall keep a book or books, to be called "The Register of Transfers," in which shall be entered the particulars of every transfer or transmission of any share.

29. The Board may, at their own absolute and uncontrolled discretion, decline to register any transfer of shares by a Shareholder who is indebted to the Company, or upon whose shares the Company have a lien, or otherwise; or in case of shares not fully paid up, to any person not approved of by them; and in no case shall a Shareholder or proposed transferee be entitled to require the Directors to state the reason of their refusal to register, but their declinature shall be absolute.

30. Every instrument of transfer must be left at the office of the Company to be registered, accompanied by the certificate for the shares to be transferred, and by such evidence as the Directors may reasonably require to prove the title of the transferor, and a fee of Two Rupees and Fifty cents or such other sum as the Directors shall from time to time determine, must be paid to the Company for the registration of every such transfer; upon payment thereof the Directors, subject to the powers vested in them by Article 29, shall register the transferee as a Shareholder and retain the instrument of transfer.

31. The Directors may, by such means as they shall deem expedient, authorize the registration of transferees as Shareholders, without the necessity of any meeting of the Directors for that purpose.

32. In no case shall the Directors be bound to inquire into the validity, legal effect, or genuineness of any instrument of transfer produced by a person claiming a transfer of any share in accordance with these Articles; and whether they abstain from so inquiring, or do so inquire and are misled, the transferor shall have no claim whatsoever upon the Company in respect of the share, except for the dividends previously declared in respect thereof, but only, if at all, upon the transferee.

33. The Register of Transfers may be closed at such times and for such periods as the Directors may from time to time determine, provided always that it shall not be closed for more than twenty-one days in any year.

#### TRANSMISSION OF SHARES.

34. The executors, or administrators, or the heirs of a deceased Shareholder (not being one of several joint holders) shall be the only persons recognized by the Company, as having any title to the shares of such Shareholder.

35. Any guardian of any infant Shareholder, or any committee of a lunatic Shareholder, or any person becoming entitled to shares in consequence of the death, bankruptcy, or liquidation of any Shareholder, or in any other way than by transfer, shall, upon producing such evidence that he sustains the character in respect of which he proposes to act under this clause, or of his title, as the Directors think sufficient, be forthwith entitled, subject to the provisions herein contained, to be registered as a Shareholder in respect of such shares; or may, subject to the regulations as to transfers hereinbefore contained, transfer the same to some other person.

36. If any person who shall become entitled to be registered in respect of any share under clause 35, shall not, from any cause whatever within twelve calendar months after the event on the happening of which his title shall accrue, be registered in respect of such share, or if in the case of the death of any Shareholder, no person shall within twelve calendar months after such death, be registered as a Shareholder in respect of the shares of such deceased Shareholder, the Company may sell such shares, either by public auction or private contract, and give a receipt for the purchase money; and the purchaser shall be entitled to be registered in respect of such shares, and shall not be bound to inquire whether the events have happened which entitled the Company to sell the same, and the nett proceeds of such sale, after deducting all expenses and all moneys in respect of which the Company is entitled to a lien on the shares so sold, shall be paid to the person entitled thereto.

#### SURRENDER AND FORFEITURE OF SHARES.

37. The Directors may accept, in the name and for the benefit of the Company, and upon such terms and conditions as may be agreed a surrender of the shares of Shareholders who may be desirous of retiring from the Company, provided such acceptance is properly legalized.

38. If any Shareholder fails to pay any call or instalment on or before the day appointed for the payment of the same, the Directors may at any time thereafter, during such time as the call or instalment remains unpaid, serve a notice on such Shareholder requiring him to pay the same together with any interest that may have accrued, and all expenses that may have been incurred by the Company by reason of such non-payment.

The notice shall name a day (not being less than one month from the date of the notice) on, and a place or places at, which such call or instalment and such interest and expenses as aforesaid are to be paid. The notice shall also state that, in the event of non-payment at or before the time and at the place appointed, the shares in respect of which the call was made or instalment is payable will be liable to be forfeited.

If the requisition of such notice as aforesaid be not complied with, every or any share or shares in respect of which such notice has been given may at any time thereafter, before payment of calls or instalments, with interest and expenses due in respect thereof, be declared forfeited by a resolution of the Board to that effect.

39. Any Shareholder whose shares have been so declared forfeited shall notwithstanding be liable to pay, and shall forthwith pay to the Company all calls, instalments, premia, interest, and expenses owing upon or in respect of such shares at the time of the forfeiture, together with interest thereon from the time of forfeiture until payment at nine per centum per annum, and the Directors may enforce the payment thereof if they think fit.

40. Every share surrendered or so declared forfeited shall be deemed to be the property of the Company, and may be sold, re-allotted, or otherwise disposed of upon such terms and in such manner as the Board shall think fit.

41. The surrender or forfeiture of a share shall involve the extinction of all interest in, and also of all claims and demands against, the Company in respect of the share and the proceeds thereof, and all other rights incident to the share, except only such of those rights (if any) as by these presents are expressly saved.

42. A certificate in writing under the hands of one of the Directors and of the Secretary or Secretaries that a share has been duly surrendered or forfeited, stating the time when it was surrendered or forfeited, shall be conclusive evidence of the facts therein stated as against all persons who would have been entitled to the share but for such surrender or forfeiture, and such certificate and the receipt of the Company for the price of such share shall constitute a good title

to such share, and a certificate of proprietorship shall be delivered to any person, who may purchase the same from the Company, and thereupon such purchaser shall be deemed the holder of such share, discharged from all calls due prior to such purchase; and he shall not be bound to see to the application of the purchase money, nor shall his title to such share be affected by any irregularity in the proceedings in reference to such forfeiture or sale.

43. The Directors may in their discretion remit or annul the forfeiture of any share within six months from the date thereof upon the payment of all moneys due to the Company from the late holder or holders of such share or shares, and all expenses incurred in relation to such forfeiture, together with such further sum of money by way of redemption money for the deficit as they shall think fit, not being less than nine per centum per annum on the amount of the sums wherein default in payment had been made, but no share *bona fide* sold or re-allotted, or otherwise disposed of under Article 40 hereof, shall be redeemable after sale or disposal.

44. The Company shall have a first charge or paramount lien upon all the shares of any holder or joint-holders for all moneys for the time being due to the Company by such holder or by all or any of such joint-holders respectively, either in respect of such shares or of other shares held by such holder or joint-holders or in respect of any other debt, liability, or engagement whatsoever, and whether due from any such holder individually or jointly with others, including all calls which the Directors shall have resolved to make, although the times appointed for the payment thereof shall not have arrived; and where any share is held by more persons than one, the Company shall be entitled to the said charge or lien in respect of any money due to the Company from any of such persons. And the Directors may decline to register any transfer of shares subject to such charge or lien.

45. Such charge or lien may be made available by a sale of all or any of the shares subject to it, provided that no such sale shall be made except under a resolution of the Directors, and until notice in writing shall have been given to the indebted Shareholder or his executors or administrators, or the assignee or trustee in his bankruptcy, requiring him or them to pay the amount for the time being due to the Company, and default shall have been made for twenty-eight days from such notice in paying the sum thereby required to be paid. Should the Shareholder over whose share the lien exists be in England or elsewhere abroad, sixty days' notice shall be allowed him.

46. The nett proceeds of any such sale shall be applied in or towards satisfaction of such debts, liabilities, or engagements, and the residue (if any) paid to such Shareholder or his representatives.

47. A certificate in writing under the hands of one of the Directors and of the Secretary that the power of sale given by clause 45 has arisen and is exercisable by the Company under these presents, shall be conclusive evidence of the facts therein stated.

48. Upon any such sale two of the Directors may execute a transfer of such share to the purchaser thereof, and such transfer, with the certificate last aforesaid, shall confer on the purchaser a complete title to such share.

#### PREFERENCE SHARES.

49. Any shares from time to time to be issued or created may from time to time be issued with any such right or preference, whether in respect of dividend or of repayment of capital, or both, or any such other special privilege or advantage over any shares previously issued or then about to be issued (other than shares issued with a preference), or at such a premium, or with such deferred rights as compared with any shares previously issued or then about to be issued, or subject to any such conditions or provisions, and with any such right or without any right of voting, and generally on such terms as the Company may from time to time by special resolution determine, provided that no such shares shall have any preference over the 10,000 cumulative preference shares above referred to.

50. If at any time by the issue of preference shares or otherwise the capital is divided into shares of different classes, then the holders of any class of shares may by an extraordinary resolution passed at a meeting of such holders, consent, on behalf of all the holders of shares of the class, to the issue or creation of any shares ranking equally therewith, or having any priority thereto, or to the abandonment of any preference or priority, or of any accrued dividend, or the reduction for any time or permanently of the dividends payable thereon, or to any scheme for the reduction of the Company's capital affecting the class of shares, and such resolution shall be binding upon all the holders of shares of the class, provided that this Article shall not be read as implying the necessity for such consent in any case in which, but for this Article the object of the resolution could have been effected without it.

51. Any meeting for the purpose of the last preceding clause shall be convened and conducted in all respects as nearly as possible in the same way as an Extraordinary General Meeting of the Company, provided that no member, not being a Director, shall be entitled to notice thereof or to attend thereat, unless he be a holder of shares of the class intended to be affected by the resolution, and that no vote shall be given except in respect of a share of that class, and that at any such meeting a poll may be demanded in writing by any members personally present and entitled to vote at the meeting.

#### BORROWING POWERS.

52. The Directors shall have power to procure from time to time, in the usual course of business, such temporary advances on the produce in hand, or in the future to be obtained, from the Company's estates, as they may find necessary or expedient for the purpose of defraying the expenses of working the Company's estates, or of erecting, maintaining, improving, or extending buildings, machinery, or plantations, or otherwise. Also from time to time at their discretion to borrow or raise from the Directors or other persons any sum or sums of money for the purposes of the Company, provided that the money so borrowed or raised and owing at any one time shall not, without the sanction of a General Meeting, exceed Rupees One hundred thousand (Rs. 100,000) and the Directors shall have power without the sanction of a General Meeting to borrow up to Rupees Three hundred and Fifty thousand carrying interest at the rate of 6½ per cent. per annum on the formation of the Company provided such loan is secured by debentures issued before the 31st day of December, 1928, and for the purpose of securing the repayment of such money so borrowed the Directors may exercise the powers given them in the 54th article.

53. With the sanction of a General Meeting, the Board shall be entitled to borrow such further sum or sums and at such rate of interest as such meeting shall determine. A certificate under the hands of one Director and the Secretary, or of two Directors, to the effect that in taking any loan the Directors are not exceeding their borrowing powers, shall be sufficient and binding on the Company and all concerned, and shall be conclusive evidence thereof in all questions between the Company and its creditors.

54. For the purpose of securing the repayment of any such money so borrowed or raised, or for any other purposes, the Directors may grant, create, execute, and issue any mortgages, cash credits, debentures, debenture stock, bonds, or obligations of the Company, charged upon all or any part of the undertaking, revenue, lands, property, rights, and assets of the Company both present and future, including uncalled capital or unpaid calls, or may make, accept, or endorse on behalf of the Company any promissory notes or bills of exchange.

55. Any such securities may be issued either at par or at a premium or discount, and may from time to time be cancelled, discharged, varied, or exchanged as the Directors may think fit, and may contain special privileges as to redemption, surrender, drawings, allotment of shares, or otherwise.

56. Every debenture or other instrument issued by the Company for securing the payment of money may be so framed that the moneys thereby secured shall be assignable free from any equities between the Company and the person to whom the same may be issued.

## GENERAL MEETINGS.

57. The First General Meeting shall be held at such time not being more than twelve months after the incorporation of the Company, and at such place as the Directors may determine.

58. Subsequent General Meetings shall be held once in every year, at such time and place as may be prescribed by the Company in General Meeting, and if no time or place is so prescribed, then at such place and at such time as soon after the first day in each year as may be determined by the Directors.

59. The General Meetings mentioned in the last preceding clause shall be called Ordinary General Meetings; all other meetings of the Company shall be called Extraordinary General Meetings.

60. The Directors may, whenever they think fit, call an Extraordinary General Meeting of the Company, and the Directors shall do so upon a requisition made in writing by not less than one-eighth of the number of Shareholders of the Company for the time being, or by any Shareholder or Shareholders holding in the aggregate one-eighth part of the shares of the Company for the time being subscribed for.

61. Any requisition so made shall express the object of the meeting proposed to be called, shall be addressed to the Directors, and shall be sent to the registered office of the Company.

Upon the receipt of such requisition, the Directors shall forthwith proceed to convene an Extraordinary General Meeting, to be held at such time and place as they shall determine. If they do not proceed to convene the same within seven days from the delivery of the requisition, the requisitionists may themselves convene an Extraordinary General Meeting, to be held at such place and such time as the Shareholders convening the meeting may themselves fix.

62. Any Shareholder may, on giving not less than five days' previous notice of any resolution, submit the same to a meeting.

63. Such notice shall be given by leaving a copy of the resolution at the registered office of the Company.

64. Seven days' notice at least of every General Meeting, Ordinary or Extraordinary, and by whomsoever convened, specifying the place, date, hour of meeting, and the objects and business of the meeting, shall be given by advertisement in the *Ceylon Government Gazette* or in such other manner (if any) as may be prescribed by the Company in General Meeting. Where it is proposed to pass a special resolution the two meetings may be convened by one and the same notice, and it is to be no objection to such notice that it only convenes the second meeting contingently upon the resolution being passed by the requisite majority at the first meeting.

64 (a) The accidental omission to give notice of any meeting to or the non-receipt of such notice by any of the Shareholders shall not invalidate any resolution passed at any such meeting.

65. Every Ordinary General Meeting shall be competent, without special notice having been given of the purposes for which it is convened, or of the business to be transacted thereat, to receive and discuss any report and any accounts presented thereto by the Directors, and to pass resolutions in approval or disapproval thereof, and to declare dividends, and to elect Directors and Auditors in place of those retiring by rotation, and to fix the remuneration of the Auditors; and shall also be competent to enter upon, discuss, and transact any business whatsoever of which special mention shall have been given in the notice or notices upon which the meeting was convened.

66. With the exceptions mentioned in the foregoing Articles as to the business which may be transacted at Ordinary General Meetings without notice, no General Meeting, Ordinary or Extraordinary, shall be competent to enter upon, discuss, or transact any business which has not been specially mentioned in the notice or notices upon which it was convened except resolutions submitted under Article 62.

67. No business shall be transacted at any General Meeting, except the declaration of a dividend recommended by a report of the Directors or election of a Chairman, unless there shall be present or represented at the commencement of the business three or more Shareholders entitled to vote.

68. If at the expiration of half an hour from the time appointed for the meeting the required number of Shareholders shall not be present at the meeting, the meeting, if convened by or upon the requisition of Shareholders, shall be dissolved, but in any other case it shall stand adjourned to the same day in the next week at the same time and place; and if at such adjourned meeting a quorum is not present, those Shareholders who are present shall be a quorum, and may transact the business for which the meeting was called.

69. The Chairman (if any) of the Directors shall be entitled to take the Chair at every General Meeting, whether Ordinary or Extraordinary; or if there be no Chairman, or if at any meeting he shall not be present at the time appointed for holding such meeting, or if he shall refuse to take the Chair, the Shareholders shall choose another Director as Chairman; and if no Director be present, or if all the Directors present decline to take the Chair, then the Shareholders present shall choose one of their number to be Chairman.

70. No business shall be discussed at any General Meeting, except the election of a Chairman, whilst the Chair is vacant.

71. The Chairman may, with the consent of the meeting, adjourn any meeting from time to time and from place to place, but no business shall be transacted at any adjourned meeting other than the business left unfinished at the meeting from which the adjournment took place, unless due notice thereof shall be given.

## VOTING AT MEETINGS.

72. At any meeting every resolution shall be decided by a show of hands, and in case there shall be an equality of votes, the Chairman at such meeting shall be entitled to give a casting vote in addition to the vote to which he may be entitled as a Shareholder; and unless a poll be immediately demanded by some Shareholder, or in the case of a special resolution by five Shareholders, present and entitled to vote, a declaration by the Chairman that a resolution has been carried, and an entry to that effect in the Minute Book of the Company, shall be sufficient evidence of the fact without proof of the number or proportion of votes recorded in favour of or against such resolution. The power of demanding a poll conferred by this clause may be exercised by the proxy or attorney of any Shareholder duly appointed in that behalf.

73. If at any meeting a poll be demanded by some Shareholder present, his proxy or attorney, or in case of a special resolution by five Shareholders, their proxies or attorneys at the meeting and entitled to vote, the meeting shall if necessary, be adjourned, and the poll shall be taken at such time and place and in such manner as the Chairman shall direct, and in such case every Shareholder shall have the number of votes to which he may be entitled as hereinafter provided; and in case at any such poll there shall be an equality of votes, the Chairman of the meeting at which such poll shall have been demanded shall be entitled to a casting vote in addition to any votes to which he may be entitled as a Shareholder or proxy or attorney, and the result of such poll shall be deemed to be the resolution of the Company in such meeting.

74. The demand of a poll shall not prevent the continuance of a meeting for the transaction of business other than the question on which a poll has been demanded.

75. No poll shall be demanded on the election of a Chairman of the meeting or on any question of adjournment.

76. On a show of hands every Shareholder present in person shall have one vote. Where a Shareholder is present by an attorney who is not a Shareholder such attorney shall be entitled to vote for such Shareholder on a show of hands. In case of a poll every Shareholder shall have one vote for every share held by him up to ten and to an additional vote for every ten shares beyond the first ten.

77. The parent or guardian or curator of an infant Shareholder, the committee or other legal guardian or curator of any lunatic Shareholder, the husband of any female Shareholder not entitled to her shares as separate estate, and the executor or administrator of any deceased Shareholder, or any one of such persons as aforesaid, if more than one, shall not be entitled to vote in the place of such infant, lunatic, female, or deceased Shareholder, unless such person shall have been registered as a Shareholder.

78. Votes may be given either personally or by proxy or by attorney.

79. No Shareholder shall be entitled to be present or to vote either personally or by proxy or by attorney at any meeting, unless all calls due from him on his shares have been paid, and no Shareholder, other than the trustee or assignee of a bankrupt or representative of a deceased Shareholder, shall be entitled to be present or to vote at any meeting held after the expiration of three months from the registration of the Company, in respect of any share which he has acquired by transfer, unless he has been registered as the holder of the share in respect of which he claims to vote at least one month previous to the time of holding the meeting at which he proposes to vote.

80. No person shall be entitled to hold a proxy who is not a Shareholder in the Company, but this rule shall not apply to a power of attorney.

81. The instrument appointing a proxy shall be printed or written and shall be signed by the appointor (whether a Shareholder or his attorney) or if such appointor be a company or corporation, it shall be under the common seal of such company or corporation.

82. The instrument appointing a proxy shall be deposited at the registered office of the Company not less than forty-eight hours before the time appointed for holding the meeting at which the person named in such instrument proposes to vote.

The instrument appointing a proxy may be in the following form :—

*The Agra Elbedde Tea Company, Limited.*

The Directors may, if they think fit, determine on and declare an interim dividend to be paid, or pay a bonus to the Shareholders on account, and in anticipation of the dividend for the then current year provided the Directors are satisfied that the nett profits of the Company will be sufficient to justify such interim dividend or bonus.

139. The Directors may, before recommending any dividend or bonus set aside out of the profits of the Company such a sum as they think proper as a reserve fund, and may invest the same in such securities as they may select, or place the same on fixed deposit in any bank or banks, and may from time to time deal with and vary such investment and apply such reserve fund or such portion thereof as they think fit, to meet contingencies or for special dividends or for equalizing dividends, or for working the business of the Company, or for repairing, maintaining, or extending the buildings and premises of the Company, or for the repair or renewal or extension of the property or plant of the Company or any part thereof, or for any other purposes connected with the interest of the Company that they may from time to time deem expedient without being bound to keep the same separate from the other assets.

140. Any General Meeting declaring a dividend or bonus may resolve that such dividend or bonus be paid wholly or in part by means of drafts or cheques on London or by the distribution of specific assets, and in particular of paid-up shares, debentures, or debenture stock of the Company, or paid-up shares, debentures, or debenture stock of any other company or in any one or more of such ways; any General Meeting may resolve that any moneys, investments, or other assets forming part of the undivided profits of the Company standing to the credit of the reserve fund or in the hands of the Company and available for dividend (or representing premiums received on the issue of shares and standing to the credit of the share premium account) be capitalized and distributed amongst the Shareholders in accordance with their rights on the footing that they become entitled thereto as capital and that all or any part of such capitalized fund be applied on behalf of the Shareholders in paying up in full any unissued shares of the Company and that such unissued shares so fully paid be distributed accordingly amongst the Shareholders in the proportion in which they are entitled to receive dividends and shall be accepted by them in full satisfaction of their interest in the said capitalized sum. For the purpose of giving effect to any resolution under this or the last preceding Article the Directors may settle any difficulty which may arise in regard to the distribution as they think expedient, and in particular may issue fractional certificates, and may fix the value for distribution of any specific assets, and may determine that cash payments shall be made to any members upon the footing of the value so fixed or that fractions of less value than Rs. 10 may be disregarded in order to adjust the rights of all parties, and may vest any such cash or specific assets in trustees upon such trusts for the persons entitled to the dividend or capitalized fund as may seem expedient to the Directors.

141. No unpaid dividend or bonus shall ever bear interest against the Company.

142. No Shareholder shall be entitled to receive payment of any dividend or bonus in respect of his share or shares whilst any moneys may be due or owing from him (whether alone or jointly with any other person) to the Company in respect of such share or shares, or otherwise howsoever.

143. The Directors may deduct from the dividend or bonus payable to any Shareholder all such sums of money as may be due from him (whether alone or jointly with any other person) to the Company, and notwithstanding the fact that such sums or any of them are not payable until after the date when such dividend or bonus is payable.

144. Notice of any dividend that has been declared, or of any bonus to be paid, shall be given to each Shareholder entitled thereto, and any dividend or bonus unclaimed by any Shareholder for three years after notice thereof is given may be forfeited by the Directors for the benefit of the Company, and, if the Directors think fit, may be applied in augmentation of the reserve fund.

145. Every dividend or bonus payable in respect of any share held by a firm may be paid to, and an effectual receipt given by, any partner of such firm or agent duly authorized to sign the name of the firm.

149. A notice may be served by the Company upon any Shareholder, either personally or by being sent through the post in a prepaid letter addressed to such Shareholder at his registered address or place of abode, and any notice so served shall be deemed to be well served notwithstanding that the Shareholder to whom such notice is addressed be dead, unless his executors, or administrators shall have given to the Directors, or to the Agent or Secretary or Agents or Secretaries of the Company, their own or some other address in Ceylon to which notice may be sent.

150. All notices directed to be given to Shareholders shall, with respect to any share to which persons are jointly entitled, other than a firm, be given to whichever of such persons is named first in the Register of Shareholders, and notice so given shall be sufficient notice to all the holders of such shares.

## BUSINESS.

2. The Company may proceed to carry out the objects for which it is established, and to employ and apply its capital as soon after the registration of the Company as the Directors in their discretion shall think fit; and if the whole of the shares shall not have been subscribed, applied for, or allotted as soon as in the judgment of the Directors, a sufficient number of shares shall have been subscribed or applied for.

3. The business of the Company shall be carried on by, or under the management or direction of, the Directors, and subject only to the control of General Meetings, in accordance with these presents. The Company being established on the basis that it shall acquire Bambragalla and Cabroosa Ella estates, it shall be no objection that the vendors are in a fiduciary position to the Company or that there is no independent Board of Directors nor shall any claim be made on any of the vendors on any such ground. Every Member of the Company present or future shall be deemed to have joined the Company on this basis.

## CAPITAL.

4. The nominal capital of the Company is Five hundred thousand Rupees (Rs. 500,000), divided into 50,000 shares of Ten Rupees (Rs. 10) each.

5. The Directors may, with the sanction of a special resolution of the Company in General Meeting, increase the capital of the Company by the creation of new shares of such amounts per share and in the aggregate and with such special, preferential, deferred, qualified, or other rights, privileges, or conditions attached thereto as such resolution shall direct.

6. Except so far as otherwise provided by the conditions of issue or by these presents, any capital raised by the creation of new shares shall be considered part of the original capital, and shall be subject to the same provisions in all respects with reference to the payments of allotment money, calls, and instalments, transfer, transmission, forfeiture, lien, surrender, and otherwise, as if it had formed part of the original capital.

7. The Directors may also with the sanction of a special resolution of the Company reduce the capital or subdivide or consolidate the shares of the Company.

## SHARES.

8. The Company may issue the balance capital whenever the Directors shall think fit and may make arrangements on the issue of shares for a difference between the holders of such shares in the amount of calls to be paid, and the time of payment of such calls.

9. If by the conditions of allotment of any share the whole or part of the amount thereof shall be payable by instalments, every such instalment shall, when due, be paid to the Company by the holder of the shares.

10. The shares, except when otherwise provided, shall be allotted at the discretion of and by the Directors, who may from time to time issue any unissued shares, and may add to such shares such an amount of premium as they consider proper. Provided that such unissued shares, except when otherwise provided, shall first be offered by the Directors to the Shareholders in proportion as nearly as possible to the existing shares held by them, and such offer shall be made by notice specifying the number of shares to which the Shareholder is entitled, and limiting a time within which the offer, if not accepted, will be deemed to be declined, and after the expiration of such time, or on the receipt of an intimation from the Shareholder to whom such notice is given that he declines to accept the shares offered, the same shall be disposed of in such manner as the Directors may determine. Provided that the Directors may at their discretion allot such new shares or any portion of them to the vendor or vendors of any estates or lands being acquired by the Company in payment of the whole or any part of the purchase price of any such estates or lands, or as remuneration for work done for or services rendered to the Company and that without offering the shares so allotted to the Shareholders.

11. In case of the increase of the capital of the Company by the creation of new shares, such new shares shall be issued upon such terms and conditions, and with such preferential, deferred, qualified, special, or other rights and privileges annexed thereto, as the General Meeting resolving on the creation thereof, or any other General Meeting of the Company shall direct, and if no direction be given, as the Directors shall determine, and in particular such shares may be issued with a preferential or qualified right to the dividends, and in the distribution of the assets of the Company, and with a special or without any right of voting.

Subject to any direction to the contrary that may be given by the meeting that sanctions the increase of capital, all new shares shall be offered to the Shareholders in proportion as nearly as possible to the existing shares held by them, and such offer shall be made by notice specifying the number of shares to which the Shareholder is entitled and limiting a time within which the offer, if not accepted, will be deemed to be declined, and after the expiration of such time, or on the receipt of an intimation from the Shareholder to whom such notice is given that he declines to accept the shares offered, the same shall be disposed of in such manner as the Directors may determine. Provided that the Directors may, at their discretion, allot such new shares or any portion of them to the vendor or vendors of any estates, or lands being acquired by the Company in payment of the whole or any part of the purchase price of any such estates or lands, and that without offering the shares so allotted to the Shareholders.

12. Every person taking any share in the Company shall testify his acceptance thereof by writing under his hand in such form as the Company may from time to time direct.

13. Shares may be registered in the name of a firm or partnership and any partner of the firm or agent duly authorized to sign the name of the firm shall be entitled to vote and to give proxies in respect of shares registered in the name of the firm.

14. Shares may be registered in the names of two or more persons jointly.

15. Any one of the joint-holders of a share, other than a firm, may give effectual receipts for any dividends payable in respect of such share; but only one of such joint-Shareholders shall be entitled to the right of voting and of giving proxies and exercising the other rights and powers conferred on a sole Shareholder, and if the joint-holders cannot arrange amongst themselves as to who shall vote or give proxies and exercise such other rights and powers conferred on a sole Shareholder, the Shareholder whose name stands first on the register of shares shall vote or give proxies and exercise those rights and powers; provided, however, that in the event of such first registered Shareholder being absent from the Island, the first registered Shareholder then resident in Ceylon shall vote or give proxies and exercise all such rights and powers as aforesaid.

16. In case of the death of any one or more of the joint-holders of any shares, the survivor or survivors shall be the only person or persons recognized by the Company as having any title to, or interest in, such shares.

17. The Company shall not be bound to recognize (even though having notice of) any contingent, future, partial, or equitable interest in the nature of a trust or otherwise in any share, or any other right in respect of any share, except any absolute right thereto in the person from time to time registered as the holder thereof, and except also the right of any person under clause 35 to become a Shareholder in respect of any share.

18. The joint-holders of a share shall be severally as well as jointly liable for the payment of all instalments and calls due in respect of such share.

19. Every Shareholder shall be entitled to a certificate or certificates under the common seal of the Company, specifying the share or shares, held by him and the amount paid thereon, provided that in the case of shares registered in the names of two or more persons the Company shall not be bound to issue more than one certificate to all the joint-holders and delivery of such certificate to any one of them shall be sufficient delivery to all.

20. If any certificate be worn out or defaced, then, upon production thereof to the Directors, they may order the same to be cancelled, and may issue a new certificate in lieu thereof; and if any certificate be lost or destroyed, then, upon proof thereof to the satisfaction of the Directors, and on such indemnity as the Directors deem adequate being given, a new certificate in lieu thereof may be given to the person entitled to such lost or destroyed certificate. A sum of fifty cents shall be payable for such new certificate.

#### CALLS.

21. The Directors may from time to time make such calls as they think fit upon the Shareholders in respect of all moneys unpaid on their shares, and not by the conditions of allotment made payable at fixed times, provided that three months' notice at least shall be given to the Shareholders of the time and place appointed for payment of each call; and each Shareholder shall pay the amount of every call so made to the persons and at the time and place appointed by the Directors.

22. If any Shareholder fail to pay the amount of any call due by him on or before the day appointed for payment thereof, he shall be liable to pay interest on the same at the rate of nine per centum per annum from the day appointed for the payment thereof to the time of actual payment.

23. A call shall be deemed to have been made at the time when the resolution of the Directors authorizing such call was passed.

24. The Directors shall have power in their absolute discretion to give time to any one or more Shareholder or Shareholders, exclusive of the others, for payment of any call or part thereof on such terms as the Directors may determine. But no Shareholder shall be entitled to any such extension except as a matter of grace or favour.

25. The Directors may at their discretion receive from any of the Shareholders willing to advance the same, and upon such terms as they think fit, all or any part of the moneys uncalled upon their respective shares beyond the sums actually called up; and upon the moneys so paid in advance, or upon so much thereof as from time to time and at any time thereafter exceeds the amount of the calls then made upon, and due in respect of the shares in respect of which such advances have been made, the Board may pay or allow interest at such rate as the Shareholders paying such sums in advance and the Directors may agree upon, not exceeding, however, eight per centum per annum.

#### TRANSFER OF SHARES.

26. Subject to the restrictions contained in these Articles, any Shareholder may transfer all or any of his shares by instrument in writing.

27. No transfer of shares shall be made to an infant or person of unsound mind.

28. The Company shall keep a book or books, to be called "The Register of Transfers," in which shall be entered the particulars of every transfer or transmission of any share.

29. The Board may, at their own absolute and uncontrolled discretion, decline to register any transfer of shares by a Shareholder who is indebted to the Company or upon whose shares the Company have a lien, or otherwise; or in case of shares not fully paid up to any person not approved of by them, and in no case shall a Shareholder or proposed transferee be entitled to require the Directors to state the reason of their refusal to register, but their declinature shall be absolute.

30. Every instrument of transfer must be left at the office of the Company to be registered, accompanied by the certificate for the shares to be transferred and by such evidence as the Directors may reasonably require to prove the title of the transferor, and a fee of two rupees and fifty cents or such other sum as the Directors shall from time to time

determine, must be paid to the Company for the registration of every such transfer; upon payment thereof the Directors, subject to the powers vested in them by Article 29, shall register the transferee as a Shareholder and retain the instrument of transfer.

31. The Directors may, by such means as they shall deem expedient, authorize the registration of transferees as Shareholders, without the necessity of any meeting of the Directors for that purpose.

32. In no case shall the Directors be bound to inquire into the validity, legal effect, or genuineness of any instrument of transfer produced by a person claiming a transfer of any share in accordance with these Articles, and whether they abstain from so inquiring or do so inquire and are misled, the transferor shall have no claim whatsoever upon the Company in respect of the share except for the dividends previously declared in respect thereof, but only if at all upon the transferee.

33. The register of transfers may be closed at such times and for such periods as the Directors may from time to time determine, provided always that it shall not be closed for more than twenty-one days in any year.

#### TRANSMISSION OF SHARES.

34. The executors, or administrators, or the heirs of a deceased Shareholder (not being one of several joint-holders) shall be the only persons recognized by the Company, as having any title to the shares of such Shareholder.

35. Any guardian of any infant Shareholder, or any committee of a lunatic Shareholder or any person becoming entitled to shares in consequence of the death, bankruptcy, or liquidation of any Shareholder, or in any other way than by transfer, shall, upon producing such evidence that he sustains the character in respect of which he proposes to act under this clause, or of his title, as the Directors think sufficient, be forthwith entitled, subject to the provisions herein contained, to be registered as a Shareholder in respect of such shares; or may, subject to the regulations as to transfers hereinbefore contained, transfer the same to some other person.

36. If any person who shall become entitled to be registered in respect of any share under clause 35, shall not, from any cause whatever, within twelve calendar months after the event on the happening of which his title shall accrue, be registered in respect of such share, or if in the case of the death of any Shareholder, no person shall within twelve calendar months after such death, be registered as a Shareholder in respect of the shares of such deceased Shareholder, the Company may sell such shares, either by public auction or private contract, and give a receipt for the purchase money; and the purchaser shall be entitled to be registered in respect of such shares, and shall not be bound to inquire whether the events have happened which entitled the Company to sell the same, and the nett proceeds of such sale, after deducting all expenses and all moneys in respect of which the Company is entitled to a lien on the shares so sold, shall be paid to the person entitled thereto.

#### SURRENDER AND FORFEITURE OF SHARES.

37. The Directors may accept, in the name and for the benefit of the Company, and upon such terms and conditions as may be agreed, a surrender of the shares of Shareholders who may be desirous of retiring from the Company, provided such acceptance is properly legalized.

38. If any Shareholder fails to pay any call or instalment on or before the day appointed for the payment of the same, the Directors may at any time thereafter, during such time as the call or instalment remains unpaid, serve a notice on such Shareholder requiring him to pay the same together with any interest that may have accrued, and all expenses that may have been incurred by the Company by reason of such non-payment.

The notice shall name a day (not being less than one month from the date of the notice) on, and a place or places at, which such call or instalment and such interest and expenses as aforesaid are to be paid. The notice shall also state that, in the event of non-payment at or before the time and at the place appointed, the shares in respect of which the call was made or instalment is payable will be liable to be forfeited.

If the requisition of such notice as aforesaid be not complied with, every or any share or shares in respect of which such notice has been given may at any time thereafter, before payment of calls or instalments, with interest and expenses due in respect thereof, be declared forfeited by a resolution of the Board to that effect.

39. Any Shareholder whose shares have been so declared forfeited shall notwithstanding be liable to pay, and shall forthwith pay to the Company all calls, instalments, premia, interest, and expenses owing upon or in respect of such shares at the time of the forfeiture, together with interest thereon from the time of forfeiture until payment at nine per centum per annum, and the Directors may enforce the payment thereof if they think fit.

40. Every share surrendered or so declared forfeited shall be deemed to be the property of the Company, and may be sold, re-allotted, or otherwise disposed of upon such terms and in such manner as the Board shall think fit.

41. The surrender or forfeiture of a share shall involve the extinction of all interest in, and also of all claims and demands against the Company in respect of the share and the proceeds thereof, and all other rights incident to the share, except only such of those rights (if any) as by these presents are expressly saved.

42. A certificate in writing under the hands of one of the Directors and of the Secretary or Secretaries that a share has been duly surrendered or forfeited, stating the time when it was surrendered or forfeited, shall be conclusive evidence of the facts therein stated as against all persons who would have been entitled to the share, but for such surrender or forfeiture, and such certificate and the receipt of the Company for the price of such share shall constitute a good title to such share and a certificate of proprietorship shall be delivered to any person who may purchase the same from the Company, and thereupon such purchaser shall be deemed the holder of such share, discharged from all calls due prior to such purchase; and he shall not be bound to see to the application of the purchase money, nor shall his title to such share be affected by any irregularity in the proceedings in reference to such forfeiture or sale.

43. The Directors may in their discretion remit or annul the forfeiture of any share within six months from the date thereof upon the payment of all moneys due to the Company from the late holder or holders of such share or shares, and all expenses incurred in relation to such forfeiture, together with such further sum of money by way of redemption money for the deficit as they shall think fit, not being less than nine per centum per annum on the amount of the sums wherein default in payment had been made, but no share *bona fide* sold or re-allotted, or otherwise disposed of under Article 40 hereof, shall be redeemable after sale or disposal.

44. The Company shall have a first charge or paramount lien upon all the shares of any holder or joint-holders for all moneys for the time being due to the Company by such holder or by all or any of such joint-holders respectively, either in respect of such shares or of other shares held by such holder or joint-holders or in respect of any other debt, liability, or engagement whatsoever, and whether due from any such holder individually or jointly with others, including all calls which the Directors shall have resolved to make, although the times appointed for the payment thereof shall not have arrived; and where any share is held by more persons than one, the Company shall be entitled to the said charge or lien in respect of any money due to the Company from any of such persons. And the Directors may decline to register any transfer of shares subject to such charge or lien.

45. Such charge or lien may be made available by a sale of all or any of the shares subject to it, provided that no such sale shall be made except under a resolution of the Directors, and until notice in writing shall have been given to the indebted Shareholder or his executors or administrators, or the assignee or trustee in his bankruptcy, requiring him or them to pay the amount for the time being due to the Company, and default shall have been made for twenty-eight days from such notice in paying the sum thereby required to be paid. Should the Shareholder over whose share the lien exists be in England or elsewhere abroad, sixty days' notice shall be allowed him.

46. The nett proceeds of any such sale shall be applied in or towards satisfaction of such debts, liabilities, or engagements, and the residue (if any) paid to such Shareholder or his representatives.

47. A certificate in writing under the hands of one of the Directors and of the Secretary that the power of sale given by clause 45 has arisen and is exercisable by the Company under these presents, shall be conclusive evidence of the facts therein stated.

48. Upon any such sale two of the Directors may execute a transfer of such share to the purchaser thereof, and such transfer, with the certificate last aforesaid, shall confer on the purchaser a complete title to such share.

#### PREFERENCE SHARES.

49. Any shares from time to time to be issued or created may from time to time be issued with any such right or preference, whether in respect of dividend or of repayment of capital, or both, or any such other special privilege or advantage over any shares previously issued or then about to be issued (other than shares issued with a preference), or at such a premium or with such deferred rights as compared with any shares previously issued or then about to be issued, or subject to any such conditions or provisions, and with any such right or without any right of voting, and generally on such terms as the Company may from time to time by special resolution determine.

50. If at any time by the issue of preference shares or otherwise the capital is divided into shares of different classes, then the holders of any class of shares may by an extraordinary resolution passed at a meeting of such holders, consent, on behalf of all the holders of shares of the class, to the issue or creation of any shares ranking equally therewith, or having any priority thereto, or to the abandonment of any preference or priority, or of any accrued dividend, or the reduction for any time or permanently of the dividends payable thereon, or to any scheme for the reduction of the Company's capital affecting the class of shares; and such resolution shall be binding upon all the holders of shares of the class, provided that this Article shall not be read as implying the necessity for such consent in any case in which but for this Article the object of the resolutions could have been effected without it.

51. Any meeting for the purpose of the last preceding clause shall be convened and conducted in all respects as nearly as possible in the same way as an Extraordinary General Meeting of the Company, provided that no member not being a Director, shall be entitled to notice thereof or to attend thereat, unless he be a holder of shares of the class intended to be affected by the resolution, and that no vote shall be given except in respect of a share of that class, and that at any such meeting a poll may be demanded in writing by any members personally present and entitled to vote at the meeting.

#### BORROWING POWERS.

52. The Directors shall have power to procure from time to time, in the usual course of business, such temporary advances on the produce in hand, or in the future to be obtained from the Company's estates, as they may find necessary or expedient for the purpose of defraying the expenses of working the Company's estates, or of erecting, maintaining, improving, or extending buildings, machinery, or plantations, or otherwise. Also from time to time at their discretion to borrow or raise from the Directors or other persons any sum or sums of money for the purposes of the Company, provided that the money so borrowed or raised and owing at any one time shall not, without the sanction of a General Meeting, exceed Rupees Fifty thousand (Rs. 50,000). Nevertheless no lender or other person dealing with the Company shall be concerned to see or inquire whether this limit is observed. And the Directors shall have power without the sanction of a General Meeting to borrow up to Rupees One hundred thousand (Rs. 100,000) carrying interest at the rate of 7 per cent. per annum on the formation of the Company, provided such loan is secured by a debenture mortgage to be executed within one year of the issue of the certificate of incorporation of the Company and for the purpose of securing the repayment of such money so borrowed the Directors may exercise the powers given them in the 54th article and the debentures can be issued from time to time as and when required.

53. With the sanction of a General Meeting, the Board shall be entitled to borrow such further sum or sums and at such rate of interest as such meeting shall determine. A certificate under the hands of one Director and the Secretary, or of two Directors, to the effect that in taking any loan the Directors are not exceeding their borrowing powers, shall be sufficient and binding on the Company and all concerned, and shall be conclusive evidence thereof in all questions between the Company and its creditors.

54. For the purpose of securing the repayment of any such money so borrowed or raised, or for any other purposes, the Directors may grant, create, execute, and issue any mortgages, cash credits, debentures, debenture stock, bonds, or obligations of the Company, charged upon all or any part of the undertaking, revenue, lands, property, rights, and assets of the Company, both present and future, including uncalled capital or unpaid calls, or may make, accept, or endorse on behalf of the Company any promissory notes or bills of exchange.

55. Any such securities may be issued either at par or at a premium or discount, and may from time to time be cancelled, discharged, varied, or exchanged as the Directors may think fit, and may contain special privileges as to redemption, surrender, drawings, allotment of shares, or otherwise.

56. Every debenture or other instrument issued by the Company for securing the payment of money may be so framed that the moneys thereby secured shall be assignable free from any equities between the Company and the person to whom the same may be issued.

#### GENERAL MEETINGS.

57. The First General Meeting shall be held at such time not being more than twelve months after the incorporation of the Company and at such place as the Directors may determine.

58. Subsequent General Meetings shall be held once in every year, at such time and place as may be prescribed by the Company in General Meeting, and if no time or place is so prescribed, then at such place and at such time as soon after the first day in each year as may be determined by the Directors.

59. The General Meetings mentioned in the last preceding clause shall be called Ordinary General Meetings; all other meetings of the Company shall be called Extraordinary General Meetings.

60. The Directors may, whenever they think fit, call an Extraordinary General Meeting of the Company, and the Directors shall do so upon a requisition made in writing by not less than one-eighth of the number of Shareholders of the Company for the time being, or by any Shareholder or Shareholders holding in the aggregate one-eighth part of the shares of the Company for the time being subscribed for.

61. Any requisition so made shall express the object of the meeting proposed to be called, shall be addressed to the Directors, and shall be sent to the registered office of the Company.

Upon the receipt of such requisition, the Directors shall forthwith proceed to convene an Extraordinary General Meeting, to be held at such time and place as they shall determine. If they do not proceed to convene the same within seven days from the delivery of the requisition, the requisitionists may themselves convene an Extraordinary General Meeting, to be held at such place and such time as the Shareholders convening the meeting may themselves fix.

62. Any Shareholder may, on giving not less than five days' previous notice of any resolution, submit the same to a meeting.

63. Such notice shall be given by leaving a copy of the resolution at the registered office of the Company.

64. Seven days' notice at least of every General Meeting, Ordinary or Extraordinary, and by whomsoever convened specifying the place, date, hour of meeting, and the objects and business of the meeting, shall be given by advertisement in the *Ceylon Government Gazette*, or in such other manner (if any) as may be prescribed by the Company in General Meeting. Where it is proposed to pass a special resolution the two meetings may be convened by one and the same notice, and it is to be no objection to such notice that it only convenes the second meeting contingently upon the resolution being passed by the requisite majority at the first meeting.

64(a). The accidental omission to give notice of any meeting to or the non-receipt of such notice by any of the Shareholders shall not invalidate any resolution passed at any such meeting.

65. Every Ordinary General Meeting shall be competent, without special notice having been given of the purposes for which it is convened, or of the business to be transacted thereat, to receive and discuss any report and any accounts presented thereto by the Directors, and to pass resolutions in approval or disapproval thereof, and to declare dividends, and to elect Directors and Auditors in place of those retiring by rotation, and to fix the remuneration of the Auditors; and shall also be competent to enter upon, discuss, and transact any business whatsoever of which special mention shall have been given in the notice or notices upon which the meeting was convened.

66. With the exceptions mentioned in the foregoing Articles as to the business which may be transacted at Ordinary General Meetings without notice, no General Meeting, Ordinary or Extraordinary, shall be competent to enter upon, discuss, or transact any business which has not been specially mentioned in the notice or notices upon which it was convened except resolutions submitted under Article 62.

67. No business shall be transacted at any General Meeting, except the declaration of a dividend recommended by a report of the Directors or election of a Chairman, unless there shall be present or represented at the commencement of the business three or more Shareholders entitled to vote.

68. If at the expiration of half an hour from the time appointed for the meeting the required number of Shareholders shall not be present at the meeting, the meeting, if convened by or upon the requisition of Shareholders, shall be dissolved, but in any other case it shall stand adjourned to the same day in the next week at the same time and place; and if at such adjourned meeting a quorum is not present, those Shareholders who are present shall be a quorum, and may transact the business for which the meeting was called.

69. The Chairman (if any) of the Directors shall be entitled to take the Chair at every General Meeting, whether Ordinary or Extraordinary; or if there be no Chairman, or if at any meeting he shall not be present at the time appointed for holding such meeting, or if he shall refuse to take the Chair, the Shareholders shall choose another Director as Chairman; and if no Director be present, or if all the Directors present decline to take the Chair, then the Shareholders present shall choose one of their number to be Chairman.

70. No business shall be discussed at any General Meeting, except the election of a Chairman, whilst the Chair is vacant.

71. The Chairman may, with the consent of the meeting, adjourn any meeting from time to time and from place to place, but no business shall be transacted at any adjourned meeting other than the business left unfinished at the meeting from which the adjournment took place unless due notice thereof shall be given.

#### VOTING AT MEETINGS.

72. At any meeting every resolution shall be decided by a show of hands, and in case there shall be an equality of votes, the Chairman at such meeting shall be entitled to give a casting vote in addition to the vote to which he may be entitled as a Shareholder; and unless a poll be immediately demanded by some Shareholder, or in the case of a special resolution by five Shareholders, present and entitled to vote, a declaration by the Chairman that a resolution has been carried, and an entry to that effect in the Minute Book of the Company, shall be sufficient evidence of the fact without proof of the number or proportion of votes recorded in favour of or against such resolution. The power of demanding a poll conferred by this clause may be exercised by the proxy or attorney of any Shareholder duly appointed in that behalf.

73. If at any meeting a poll be demanded by some Shareholder present, his proxy or attorney, or in the case of a special resolution by five Shareholders, their proxies or attorneys at the meeting and entitled to vote, the meeting shall, if necessary, be adjourned, and the poll shall be taken at such time and place and in such manner as the Chairman shall direct, and in such case every Shareholder shall have the number of votes to which he may be entitled as hereinafter provided; and in case at any such poll there shall be an equality of votes, the Chairman of the meeting at which such poll shall have been demanded shall be entitled to a casting vote in addition to any votes to which he may be entitled as a Shareholder or proxy or attorney, and the result of such poll shall be deemed to be the resolution of the Company in such meeting.

74. The demand of a poll shall not prevent the continuance of a meeting for the transaction of business other than the question on which a poll has been demanded.

75. No poll shall be demanded on the election of a Chairman of the meeting or on any question of adjournment.

76. On a show of hands every Shareholder present in person shall have one vote. Where a Shareholder is present by an attorney who is not a Shareholder, such attorney shall be entitled to vote for such Shareholder on a show of hands. In case of a poll every Shareholder shall have one vote for every share held by him.

77. The parent or guardian or curator of an infant Shareholder, the committee or other legal guardian or curator of any lunatic Shareholder, the husband of any female Shareholder not entitled to her shares as separate estate, and the executor or administrator of any deceased Shareholder, or any one of such persons as aforesaid, if more than one, shall not be entitled to vote in the place of such infant, lunatic, female, or deceased Shareholder, unless such person shall have been registered as a Shareholder.

78. Votes may be given either personally or by proxy or by attorney.

79. No Shareholder shall be entitled to be present or to vote either personally or by proxy or attorney at any meeting unless all calls due from him on his shares have been paid, and no Shareholder, other than the trustee or assignee

of a bankrupt or representative of a deceased Shareholder, shall be entitled to be present or to vote at any meeting held after the expiration of three months from the registration of the Company, in respect of any share which he has acquired by transfer, unless he has been registered as the holder of the share in respect of which he claims to vote at least one month previous to the time of holding the meeting at which he proposes to vote.

80. No person shall be entitled to hold a proxy who is not a Shareholder in the Company, but this rule shall not apply to a power of attorney.

81. The instrument appointing a proxy shall be printed or written and shall be signed by the appointor (whether a Shareholder or his attorney) or if such appointor be a company or corporation, it shall be under the common seal of such company or corporation.

82. The instrument appointing a proxy shall be deposited at the registered office of the Company not less than forty-eight hours before the time appointed for holding the meeting at which the person named in such instrument proposes to vote.

The instrument appointing a proxy may be in the following form :—

*The Bambragalla Tea Company, Limited.*

I, \_\_\_\_\_, of \_\_\_\_\_, appoint \_\_\_\_\_, of \_\_\_\_\_ as my proxy, to represent me and to vote for me and on my behalf at the Ordinary (or Extraordinary, as the case may be) General Meeting of the Company to be held on the \_\_\_\_\_ day of \_\_\_\_\_, One thousand Nine hundred and \_\_\_\_\_, and at any adjournment thereof, and at every poll which may be taken in consequence thereof.

As witness my hand this \_\_\_\_\_ day of \_\_\_\_\_, One thousand Nine hundred and \_\_\_\_\_.

83. No objection shall be made to the validity of any vote (whether given personally or by proxy or by attorney) except at the meeting or poll at which such votes shall be tendered, and every vote (whether given personally or by proxy or by attorney) to which no objection shall be made at such meeting or poll shall be deemed valid for all purposes of such meeting or poll whatsoever.

84. No Shareholder shall be prevented from voting by reason of his being personally interested in the result of the voting.

**DIRECTORS.**

85. The number of Directors shall never be less than two or more than three. In the event of the number of Directors in Ceylon ever being reduced to less than two the remaining Director or the Secretary, subject, however, to Article 88c shall immediately cause to be convened an Extraordinary General Meeting of the Shareholders for the purpose of filling up one or more of the vacancies, but in the event of a quorum not attending such meeting the remaining Director or the Secretary shall appoint a Director or Directors to fill one or more of the vacancies. Any Director so appointed shall hold office until the next Ordinary General Meeting of the Company. Until such appointment the remaining Director shall not act except for the purpose of appointing another or others and, if necessary, for enabling him or them to be placed on the register of Shareholders.

86. The qualification of a Director shall be his holding shares in the Company whether fully paid up or partly paid up to the total nominal value of at least Rupees Two hundred and fifty (Rs. 250), and upon which in the case of partly paid up shares all calls for the time being shall have been paid and this qualification shall apply as well to the first Directors as all future Directors. As remuneration for their services the Directors shall be entitled to appropriate a sum not exceeding Rupees Five hundred (Rs. 500) annually to be divided between them in such manner as they may determine, but the Company in General Meeting may at any time alter the amount of such remuneration for the future, and such remuneration shall not be considered any remuneration for special or extra services hereinafter referred to nor any extra remuneration to the Managing Directors of the Company.

87. William Watt Addison Phillips of Mousakande estate, William Roland Matthew of Colombo shall be the first Directors of the Company.

88A. So long as the widow, children, sons-in-law, grand-children, or nephews of the late William John Frederick Currie of Chelsea, in the County of Middlesex, England, or any one or more of them hold in the aggregate shares in the Company to the total nominal value of Rs. 75,000 the said relations of the late William John Frederick Currie shall have the right of nominating one of the Directors of the Company, and until the First Ordinary Meeting of the Company the said William Roland Matthew shall, for the purpose of this Article, be regarded as the Director nominated by the said relations.

88B. So long as the relations of the late William John Frederick Currie have the right to nominate a Director under the last preceding Article, the remaining Shareholders shall have the right of nominating one Director of the Company.

88C. If either of the Directors nominated under either Article 88A or 88B resigns or is unable to act such resigning or retiring Director shall have the right to nominate a Shareholder to act in his place, and such new Director shall hold office until the next Ordinary General Meeting, but if no nomination is made the vacancy can be filled by the remaining Directors, provided there are not less than two such remaining Directors, and if there are not two such remaining Directors, then the vacancy can be dealt with under Article 85.

88D. So long as the relations of the late William John Frederick Currie have the right to nominate a Director under the Article 88A, the Shareholders in General Meeting shall have the right to appoint a Director. Any Director appointed under this Article shall hold the office for the period of time resolved on by the Shareholders at the time appointment is made, or if no such period of time has been resolved on then until the Third Ordinary General Meeting held after the meeting at which the appointment was made.

89. One or more of the Directors may be appointed by the Directors to act as Secretary, Manager, Managing Director, and (or) Agent, Visiting Agent, or Superintendent for such time and on such terms as the Directors may determine or may fix by agreement with the person or persons appointed to the office, and they may from time to time revoke such appointment and appoint another or other Secretary, Manager, Managing Director, and (or) Agent, Visiting Agent, or Superintendent.

The Directors may confer on the Managing Director or Managing Directors all or any duties and powers that might be conferred on any Manager of the Company.

If any Director shall be called upon to perform any extra services, the Directors may arrange with such Director for such special remuneration for such services, either by way of salary, commission, or the payment of a lump sum of money, as they shall think fit.

90. At the First Ordinary General Meeting of the Company all the Directors shall retire from office.

## ROTATION OF DIRECTORS.

91. If at any time hereafter the relations of the late William John Frederick Currie cease to hold the number of shares required by Article 88A, then at the First Ordinary General Meeting thereafter and in every subsequent year at the First Ordinary General Meeting held in each year one of the Directors for the time being shall retire from office as provided in Article 92.

92. The Director to retire shall be the one who has been longest in office, and in case any question shall arise as to which of the Directors who have been the same time in office shall retire, unless the Directors otherwise arrange among themselves, the Director to retire from office shall be determined by ballot, provided, however, that this Article is to be subject to Article 88.

93. Retiring Directors shall be eligible for re-election. The Ordinary General Meeting at which Directors retire or ought to retire by rotation shall appoint successors to them, and in default thereof such successors may be appointed at a subsequent Ordinary General Meeting.

94. Subject to Articles 85 to 88, any casual vacancy occurring in the number of Directors or provisional Directors arising from death, resignation, or otherwise may be filled up by the Directors, but any person appointed to fill such vacancy shall retain his office so long only as the vacating Director would have retained the same if no vacancy had occurred.

95. A General Meeting may from time to time increase or reduce the number of Directors and may also determine in what rotation such increase or reduced number is to go out of office.

96. If at any meeting at which an election of a Director ought to take place the place of a retiring Director is not filled up, the retiring Director may continue in office until the First Ordinary General Meeting in the next year, and so on from meeting to meeting until his place is filled up, unless it shall be determined at such meeting to reduce the number of Directors.

97. A Director may at any time give notice in writing of his intention to resign by delivering such notice to the Secretary, or by leaving the same at the registered office of the Company, or by tendering his written resignation at a meeting of the Directors, and on the acceptance of his resignation by the Directors, but not before his office shall become vacant.

98. The Company may, by a special resolution, remove any Director before the expiration of his period of office, and may, by an ordinary resolution, appoint another person in his stead. The Director so appointed shall hold office only during such time as the Director in whose place he is appointed would have held the same if he had not been removed.

99. Every Director or officer of the Company, and his heirs, executors, and administrators shall be indemnified by the Company from all losses and expenses incurred by him in or about the discharge of his duties, except such as happen from his wilful acts or defaults; and no Director or officer shall, nor shall the heirs, executors, or administrators of any Director or officer, be liable for the acts or defaults of any other Director or officer, or for any loss or expenses happening to the Company by the insufficiency or deficiency of title to any property acquired for or on behalf of the Company, or for the insufficiency or deficiency of any security in or upon which any of the moneys of the Company shall be invested, or for any loss or damage arising from the bankruptcy, insolvency, or tortious act of any person with whom any moneys, securities, or effects shall be deposited, or for any other loss, damage, or misfortune whatsoever which shall happen in the execution of the duties of his office or in relation thereto unless the same happen through his own wilful act or default.

100. No contribution shall be required from any present or past Director or Manager, exceeding the amount, if any, unpaid on the shares in respect of which he is liable as a present or past Shareholder.

No Director shall be disqualified from holding office by reason of entering into any contract with, or doing any work for the Company, or by reason of his being a member of any corporation, company, or firm which has entered into any contract with, or done any work for the Company, or by reason of his being agent, or secretary, or solicitor, or broker or being a member of a firm who are agents or secretaries, solicitors, or brokers of the Company; nevertheless, he shall disclose to the Directors his interest in any contract, work, or business in which he may be personally interested, and shall not vote in respect of any matters connected with any such contract, work, or business.

## POWERS OF DIRECTORS.

105. The Directors shall exercise in the name and on behalf of the Company all such powers of the Company as are not expressly required to be exercised by the Company in General Meeting, and shall generally do all such acts and things as are or shall be by any Ordinance and by these presents directed and authorized to be exercised, given, made, or done by the Company, and are not by any Ordinance or by these presents required to be exercised or done by the Company in General Meeting, subject, nevertheless, to the provisions of any such Ordinances and of these presents and to such regulations and provisions (if any) as may from time to time be prescribed by the Company in General Meeting; but no regulations made by the Company in General Meeting shall invalidate any prior act of the Board which would have been valid if such regulation had not been made.

It shall be lawful for the Directors, if authorized so to do by a extraordinary resolution of the Shareholders of the Company in General Meeting to arrange terms for the amalgamation of the Company with any other company or companies, or individual or individuals, or for the sale or disposal of the business, estates, and effects of the Company, or any part or parts, share or shares thereof, respectively, to any company or companies, or person or persons upon such terms and in such manner as the Directors shall think fit, and the Directors shall have power to do all such things as may be necessary for carrying such amalgamation, sale, or other disposition into effect so far as a resolution or special resolution of the Company is not by law necessary for such purpose, and in case any terms so arranged by the Directors include or make necessary the dissolution of the Company, the Company shall be dissolved to that end.

110. In furtherance and not in limitation of, and without prejudice, to the general powers conferred or implied in the last preceding clause, and of the other powers conferred by these presents, it is hereby expressly declared that the Directors shall have the powers following (that is to say):—

All acts done by any such committee, in conformity with such regulations and in the fulfilment of the purposes of their appointment, but not otherwise, shall have the like force and effect as if done by the Board.

The accounts shall be kept in such books and in such a manner at the registered office of the Company, as the Directors think fit.

123. The Directors shall from time to time determine whether, and to what extent, and at what times and places, and under what conditions or regulations, the accounts and books of the Company or of any of them shall be open to the inspection of the Shareholders, and no Shareholder shall have any right of inspecting any account or book or document of the Company, except as conferred by Ordinance or authorized by the Directors or by a resolution of the Company in General Meeting.

124. At the Ordinary General Meeting in every year the Directors shall lay before the Company a statement of the income and expenditure of the Company for the previous financial year, and a balance sheet containing a summary of the property and liabilities of the Company made up to the end of the same period.

125. The statement so made shall show, arranged under the most convenient heads, the amount of gross income, distinguishing the several sources from which it has been derived, and the amount of gross expenditure, distinguishing the expense of the establishment, salaries, and other heads of expenditure. Every item of expenditure fairly chargeable against the year's income shall be brought into account, so that a just balance of profit and loss may be laid before the meeting, and in cases where any item of expenditure which may in fairness be distributed over several years has been incurred in any one year the whole amount of such item shall be stated with the addition of the reasons why only a portion of such expenditure is charged against the income of the year.

126. The balance sheet shall contain a summary of the property and liabilities of the Company arranged under the heads appearing in the form annexed to the table referred to in Schedule C to "The Joint Stock Companies Ordinance, 1861," or as near thereto as circumstances admit.

128. A printed copy of such balance sheet shall, at least seven days previous to such meeting, be delivered at, or posted to, the registered address of every Shareholder.

129. The accounts of the Company shall from time to time be examined, and the correctness of the balance sheet ascertained, by one or more Auditor or Auditors.

No person shall be eligible as an Auditor who is interested otherwise than as a Shareholder in any transaction of the Company, but it shall not be a necessary qualification for an Auditor that he be a Shareholder of the Company, and no Director or officer of the Company shall during the continuance in office be eligible as an Auditor.

131. The Directors shall appoint the first Auditor or Auditors of the Company and fix his or their remuneration. He or they shall hold office till the First General Meeting of the Company. All subsequent appointments shall, except as hereinafter mentioned, be made at the Ordinary General Meeting of the Company in each year by the Shareholders present thereat, and the Auditor or Auditors appointed at such meeting shall hold office only until the First Ordinary General Meeting after his or their appointment or until otherwise ordered by a General Meeting.

133. Retiring Auditors shall be eligible for re-election.

134. If any vacancy that may occur in the office of Auditor is not supplied at the Ordinary General Meeting or if any casual vacancy shall occur in the office of Auditor, the Directors shall fill up the vacancy by the appointment of a person or persons who shall hold office until the next Ordinary General Meeting after his or their appointment.

135. Every Auditor shall be supplied with a copy of the balance sheet intended to be laid before the next Ordinary General Meeting, after his appointment, and it shall be his duty to examine the same with the accounts and vouchers relating thereto and to report thereon to the meeting, generally, or specially, as he may think fit.

136. The Auditor or Auditors for the time being shall have a list delivered to him or them of all books kept by the Company, and he or they shall at all reasonable hours in the daytime have access to all accounts, books, and documents whatsoever of the Company for the purpose of audit.

## DIVIDENDS, BONUS, AND RESERVE FUND.

137. The Directors may, with the sanction of the Company in General Meeting, from time to time, declare a dividend to be paid, and (or) pay a bonus to the Shareholders in proportion to the amount paid on their shares, but no dividend or bonus shall be payable except out of nett profits.

138. The Directors may, if they think fit, determine on and declare an interim dividend to be paid, or pay a bonus to the Shareholders on account and in anticipation of the dividend for the then current year, provided the Directors are satisfied that the nett profits of the Company will be sufficient to justify such interim dividend or bonus.

139. The Directors may, before recommending any dividend or bonus, set aside out of the profits of the Company such a sum as they think proper as a reserve fund and may invest the same in such securities as they may select, or place the same on fixed deposit in any bank or banks, and may from time to time deal with and vary such investment and apply such reserve fund or such portion thereof as they think fit, to meet contingencies or for special dividends or for equalizing dividends, or for working the business of the Company, or for repairing, maintaining, or extending the buildings and premises of the Company, or for the repair or renewal or extension of the property or plant of the Company or any part thereof, or for any other purposes connected with the interest of the Company that they may from time to time deem expedient without being bound to keep the same separate from the other assets.

140. Any General Meeting declaring a dividend or bonus may resolve that such dividend or bonus be paid wholly or in part by means of drafts or cheques on London or by the distribution of specific assets, and in particular of paid-up shares, debentures, or debenture stock of the Company, or paid-up shares, debentures, or debenture stock of any other Company, or in any one or more of such ways; any General Meeting may resolve that any moneys, investments, or other assets forming part of the undivided profits of the Company standing to the credit of the reserve fund or in the hands of the Company and available for dividend (or representing premiums received on the issue of shares and standing to the credit of the share premium account) be capitalized and distributed amongst the Shareholders in accordance with their rights on the footing that they become entitled thereto as capital and that all or any part of such capitalized fund be applied on behalf of the Shareholders in paying up in full any unissued shares of the Company and that such unissued shares so fully paid be distributed accordingly amongst the Shareholders in the proportion in which they are entitled to receive dividends and shall be accepted by them in full satisfaction of their interest in the said capitalized sum. For the purpose of giving effect to any resolution under this or the last preceding Article the Directors may settle any difficulty which may arise in regard to the distribution as they think expedient, and in particular may issue fractional certificates, and may fix the value for distribution of any specific assets, and may determine that cash payments shall be made to any members upon the footing of the value so fixed or that fractions of less value than Rs. 10 may be disregarded in order to adjust the rights of all parties, and may vest any such cash or specific assets in trustees upon such trusts for the persons entitled to the dividend or capitalized fund as may seem expedient to the Directors.

141. No unpaid dividend or bonus shall ever bear interest against the Company.

142. No Shareholder shall be entitled to receive payment of any dividend or bonus in respect of his share or shares whilst any moneys may be due or owing from him (whether alone or jointly with any other person) to the Company in respect of such share or shares, or otherwise howsoever.

143. The Directors may deduct from the dividend or bonus payable to any Shareholder all such sums of money as may be due from him (whether alone or jointly with any other person) to the Company, and notwithstanding the fact that such sums or any of them are not payable until after the date when such dividend or bonus is payable.

144. Notice of any dividend that has been declared or of any bonus to be paid, shall be given to each Shareholder entitled thereto, and any dividend or bonus unclaimed by any Shareholder for three years after notice thereof is given may be forfeited by the Directors for the benefit of the Company, and, if the Directors think fit, may be applied in augmentation of the reserve fund.

145. Every dividend or bonus payable in respect of any share held by a firm may be paid to, and an effectual receipt given by, any partner of such firm or agent duly authorized to sign the name of the firm.

146. Every dividend or bonus payable in respect of any share held by several persons jointly, other than a firm, may be paid to, and an effectual receipt given by, any one of such persons.

148. Every Shareholder shall give an address in Ceylon which shall be deemed to be his place of abode, and shall be registered as such in the books of the Company.

149. Any notice may be served by the Company upon any Shareholder, either personally or by being sent through the post in a prepaid letter addressed to such Shareholder at his registered address or place of abode, and any notice so served shall be deemed to be well served notwithstanding that the Shareholder to whom such notice is addressed be dead, unless his executors or administrators shall have given to the Directors, or to the Agent or Secretary or Agents or Secretaries of the Company, their own or some other address in Ceylon to which notice may be sent.

150. All notices directed to be given to Shareholders shall, with respect to any share to which persons are jointly entitled, other than a firm, be given to whichever of such persons is named first in the Register of Shareholders, and notice so given shall be sufficient notice to all the holders of such shares.

151. Any notice, if served by post shall be deemed to have been served on the day on which the letter containing the same would in ordinary course of post have been delivered at its address, and in proving such service it shall be sufficient to prove that the letter containing the notice was properly addressed and put into a post office or post box, and the entry in the Company's books of the leaving or sending by post of any notice at or to such address shall be sufficient evidence thereof, and no further evidence shall be necessary.

152. Any Shareholder who fails to give and register an address in Ceylon as provided in Article No. 148 shall not be entitled to be given any notices.

All notices required to be given by advertisement, shall be published in the *Ceylon Government Gazette*.

#### EVIDENCE.

153. On the trial or hearing of any action or suit brought or instituted by the Company against any Shareholder or his representatives to recover any debt or money claimed to be due to the Company in respect of his shares, it shall be sufficient to prove that the name of the defendant is or was, when the claim arose, on the Register of Shareholders of the Company as a holder of the number of shares in respect of which such claim is made, and that the amount claimed is not entered as paid in the books of the Company; and it shall not be necessary to prove the registration of the Company, nor the appointment of the Directors who made any call, nor that a quorum of Directors was present at the Board at which any call was made, nor that the meeting at which any call was made was duly convened or constituted, nor any other matter whatsoever, but the proof aforesaid shall be conclusive evidence of the debt.

## MUNICIPAL COUNCIL NOTICES.

## MUNICIPALITY OF COLOMBO.

Minutes of Proceedings of a General Meeting of the Municipal Council of Colombo held in the Town Hall on Wednesday, April 4, 1928, at 3 p.m.

The Council met this day at 3 P.M. pursuant to notice dated March 28, 1928.

*Present* :—Mr. W. T. Stace, C.C.S., Chairman; the Hon. Mr. N. H. M. Abdul Cader, M.L.C.; Dr. E. V. Ratnam; Mr. G. Adamjee Lukmanjee; Mr. A. H. F. Clarke; Dr. E. A. Coorey; Mr. G. W. Dodds; Mr. T. G. Jayewardene, V.D.; J.P.; Mr. M. L. M. Reyal; Dr. S. Muttiah; Mr. S. W. R. Dias Bandaranaike; Dr. V. van Langenberg, V.D.; Mr. C. R. Lundie; Mr. T. C. Dyball; and Mr. J. S. Collett.

1. The Minutes of the General Meeting of March 7, 1928, having been previously printed and copies thereof having been sent to each Member of Council, were taken as read.

Resolved that the Minutes of the General Meeting of March 7, 1928, be confirmed.

2. Pursuant to notice, Dr. E. A. Coorey asked the Chairman the following questions :—Will the Chairman be pleased to state—

A.—With reference to the work of collecting revenue in the Treasurer's Department—(1) What the branches of the Department concerned with collecting of revenue are? (2) What the duties of the 16 clerks of the Rates Branch are? (3) What the duties of the five Division I. checking clerks in the Rates Branch are? (4) What period of service these checking clerks count? Is it correct to say that they vary from 15 to about 22 years? (5) What are the duties of the First Clerk of the Rates Branch? Is it correct to say that he counts about 18 years' service and holds a special class appointment (A Class)? (6) Whether this clerk has been found competent to do his work or has been inefficient? (7) What are the duties of the First Clerk of the Licensing and Revenue Branch? Is it correct to say that he counts about 21 years' service and that he holds a special class appointment (B Class)? (8) Whether he has been found competent to do his work or has been found inefficient? (9) Of the 11 Internal Audit clerks, whether any are detailed for duty in the Rates Branch and the Licensing and Revenue Branch. If so, how many? (10) Is the work of these two branches audited by Government Audit as well? (11) Whether it is correct to state that the work of the 16 clerks in the Rates Branch are checked by the five checking clerks, then by the First Clerk, again by the Internal Audit and also by the Government Audit? (12) Whether it is correct to state that the work of the 13 clerks in the Licensing and Revenue Branch is checked by the First Clerk of this branch, by the Internal Audit and also by the Government Audit? (13) Whether it is correct to state that out of a total estimated revenue of Rs. 7,111,400 for 1928, a sum of about Rs. 2,760,000 represents practically block revenue, being made up of judicial fines, Rs. 95,000, contribution by Government in lieu of bridges, &c., Rs. 142,000, sale of water, Rs. 941,000, and refund by Government on account of trunk roads, Rs. 1,582,000; leaving a balance of about Rs. 4,351,400 to be actually collected by the Treasurer's Department and that of this balance the estimated revenue from consolidated rates alone is Rs. 3,450,000?

B.—With reference to expenditure work of the Treasurer's Department—(1) Whether it is correct to state that out an total estimated expenditure of Rs. 7,393,705 a sum of Rs. 861,944 represents non-effective charges, being payments made in block more or less? (2) Whether in the non-effective charges is included a sum of about Rs. 85,223 paid to Government for auditing of Council's accounts in addition to expenses incurred in connection with Internal Audit? (3) Whether it is correct to state that out of the total estimated expenditure for the year, a sum of about Rs. 1,384,116 represents the amount spent in salaries and allowances and about Rs. 256,586 on wages of overseers, and if not, what the correct figures are? (4) Whether, therefore, the total amount of expenditure on salaries and allowances, and wages of overseers, and of non-effective charges is about Rs. 2,502,642? (5) Whether the pay sheets of the different departments are not prepared by the departments concerned and abstracts only sent to the Treasurer's Department? (6) Whether in the circumstances the Accountants in the Treasurer's Department have to deal in detail with regard to expenditure of only about Rs. 4,891,063, and, if not, what the correct figures are? (7) Of the sum of Rs. 4,891,063 or corrected figures what amount covers the expenditure on Stores Account?

C.—(1) What the duties and responsibilities of the Municipal Treasurer, Assistant Municipal Treasurer, and the two Accountants are? (2) The nature of the supervision exercised by each of these officers? (3) What the qualifications in accountancy of these officers are? (4) Whether the two Accountants are jointly concerned with the work of collecting revenue, if not, which officer is entrusted with this work? (5) In view of the elaborate arrangements made for proper working of this branch, what particular work is done by the Accountant concerned or both Accountants in connection with the collection of revenue? (6) If any overpayment or underaccounting is made by the clerk in charge of a particular work in these branches, which officer has to make good the money in case it cannot be recovered from the rate-payer, and which officer will be censured or warned?

The Chairman replied as follows :—A.—(1) The whole Department may be regarded as concerned, directly or indirectly, with the collection of revenue. The branches more directly concerned with it are the Rates Branch, the Revenue Branch, and the Accounts Branch. (2) There are 22, not 16, clerks, sanctioned for the Rate Branch. Their duties are to do all clerical work in connection with the collection of rates and certain other items of miscellaneous clerical work. Detailed lists of duties can be supplied to the Member if desired. (3) The checking of the work of the Rates Clerks and Rate Collectors, and the checking and balancing of warrants. (4) The periods of service vary as stated in the question. (5) To distribute the work in the branch, to attend to correspondence, to see that the clerks of the branch carry out their duties, together with any other miscellaneous duties he may from time to time be called upon to perform. He counts 18 years' service and is in the Special A Class. (6) He has been found competent. (7) To distribute the work in the branch, to attend to correspondence, and to see that the clerks of the branch carry out their duties, together with any other miscellaneous duties which he may from time to time be called upon to perform. He counts 21 years' service and is in Special Class B. (8) He has been found competent. (9) None in the Rates Branch. Two in the Revenue Branch. (10) Yes. But the Government Audit covers other ground, and does not overlap with the work done by Internal Audit (11) No. (12) No. (13) The statement is incorrect in several particulars.

B.—(1) A sum of Rs. 861,940 is described in the budget for 1928 as "Non-Effective Charges." (2) No. The correct amount is Rs. 16,000. (3) The amount to be spent in salaries and allowances is Rs. 1,387,236, the amount on wages of overseers and coolies is Rs. 268,904. (4) The total amount of sanctioned expenditure on salaries and allowances, on wages of overseers and coolies, and on non-effective charges is Rs. 2,518,880. (5) The pay sheets are prepared by the departments concerned, and a voucher for the total of each pay sheet is presented to the Treasurer for payment. It is pointed out that salaries as distinct from wages, are not entered on pay sheets, but are paid by the Treasurer. (6) There

is no item of expenditure which has not its own details to be dealt with by the Treasurer and his staff. The inference which the question seeks to draw is therefore not admitted. (7) The question is not clearly understood, but if the figure required is the total amount of expenditure on purchase of stores, the figure for 1928 is not available, but the figure for 1927 was Rs. 1,221,099.

C.—(1) The duties and responsibilities of the Municipal Treasurer are to advise the Chairman and the Council on financial questions and to control and administer the department of which he is the head. The duties and responsibilities of the Assistant Municipal Treasurer are to assist the Municipal Treasurer in the work of the Department, and to act for the Municipal Treasurer when necessary. The duties and responsibilities of the two Accountants are to supervise the Revenue, Rates, and Account Branches, and to assist the Treasurer in any other matters from time to time deemed necessary. (2) The nature of the supervision required from these officers is whatever supervision may appear necessary to control and administer the department effectively. (3) The professional qualifications of the Municipal Treasurer are those of a Fellow of the Institute of Municipal Treasurers and Accountants and a Member of the Society of Incorporated Accountants and Auditors. He has had a long experience with several local authorities. The qualifications of the Assistant Municipal Treasurer and the two Accountants are those—including experience and knowledge in accounting and office routine—which satisfied the Council and led to their selection by the Council from among other candidates and to their appointment to their respective posts. (4) No. Only one Accountant is concerned with the supervision of the work of collecting revenue. (5) If the question refers to the Revenue Branch, the list of duties of the Accountant referred to is somewhat lengthy. A list can be supplied to the Member, if he so desires. (6) It is impossible to answer this question in general terms. Each case has to be dealt with on its own merits.

3. Pursuant to notice, Mr. T. G. Jayewardene asked the Chairman the following question:—Will the Chairman be pleased to state why the expenditure in the Engineer's Department for the twelve months ending December, 1927, was only Rs. 4,042,234·10 when the total provision for the same period was Rs. 5,374,628·25.

The Chairman replied as follows:—It is not possible for the Municipal Engineer's Department to spend the whole of the money voted for a particular year during that year. For many varying reasons, a work often cannot begin as soon as money is voted and cannot be completed during the year in which it has been voted. Examples are the following: The Council voted Rs. 300,000 for a Refuse Destructor in the middle of 1927. Thereafter the question of site had to be settled, specifications had to be drawn, and schemes called for from England with the result that it was impossible to spend any of this money in 1927. Again the sum of Rs. 5,374,628·25 quoted in the question includes Rs. 68,000 on account of the Kochchikade Slum Scheme. None of this money could be spent because the necessary legal powers were not obtained till late in the year. It will be seen that it is impossible to give a complete list of all the reasons which may prevent the immediate spending of money voted. Expenditure necessarily lags behind votes. There is, therefore, no reason to consider that the expenditure of this Department is smaller than it ought to be, and it will be noticed that it is expanding yearly as the Councils revenue expands. Thus in 1925 the expenditure under the heading of this Department was approximately Rs. 2,780,000, in 1926 it was approximately Rs. 3,730,000 and in 1927 it was approximately Rs. 4,040,000.

4. Pursuant to notice, Dr. E. A. Coorey moved:—That this Council do take over the work of draining, lighting, construction of, and supplying water mains to the private lanes in the city that existed before the Housing Ordinance of 1915 came into operation, and that a sum of at least Rs. 50,000 be voted every year for this purpose. The Hon. Mr. N. H. M. Abdul Cader seconded.

Mr. T. G. Jayewardene spoke to the motion.

Mr. S. W. R. Dias Bandaranaike moved, as an amendment, that the question of the taking over by the Council of private roads be deferred until the report of the Standing Committees that are now considering the question has been framed; that the Members for Wellawatta and San Sebastian Wards be added to the Committees for this purpose, and that the motion of the Member for the Wellawatta Ward be referred to these Committees for consideration. Mr. T. G. Jayewardene seconded.

The amendment was put to the meeting and carried.

5. The Council proceeded to elect a Member in place of Mr. R. L. Pereira, K.C., for the Standing Committee on Law and General Subjects, voting by ballot.

The Chairman declared that the Hon. Mr. C. H. Z. Fernando had been duly elected.

6. To appoint a Member in place of Mr. R. L. Pereira, K.C., for the following Special Committees:—(a) The Special Committee regarding the Housing and Town Improvement; (b) the Public Library Committee.

(a) Dr. S. Muttiah proposed that Dr. V. van Langenberg be appointed. Mr. M. L. M. Reyal seconded.—Carried.

(b) Dr. E. A. Coorey proposed that Dr. S. Muttiah be appointed. Mr. T. G. Jayewardene seconded.—Carried.

The Hon. Mr. N. H. M. Abdul Cader moved that the Council do go into Committee to consider items Nos. 7 to 13 (inclusive) on the Agenda. Dr. E. V. Ratnam seconded.—Carried.

The following extracts from the Minutes of the Standing and Special Committees named were then laid before the Council in Committee:—

*Extract from the Minutes of the Standing Committee on Sanitation and Markets of February 20, 1928.*

(2) To consider the proposed draft by-laws regarding eating-houses, as amended by the Medical Officer of Health.—Recommended that the by-laws, as amended (as per annexure A), be approved.

#### *Resolution.*

Resolved that the recommendation of the Standing Committee with regard to the above item be adopted.

*Extracts from the Minutes of the Standing Committee on Sanitation and Markets of March 20, 1928.*

(2) To consider memoranda of the Chairman dated December 19, 1927, and February 20, 1928, on the draft by-laws regarding the milk supply in the city.—Recommended that the by-laws as contained in annexure B attached to the Minutes of this Committee be adopted by the Council.

(4) To consider section 4 of the list of duties of the Assistant Medical Officer of Health (C. W.) with a view to requiring her to attend each Municipal Dispensary once a week instead of once a fortnight.—Resolved that the Committee adheres to its previous recommendation and recommend that rule 4 should stand as it is. The Committee's reasons are briefly as follows:—

Although a weekly visit is in itself most desirable, there is at present no staff to carry it out, one lady doctor being insufficient. These visits occupy on the average 3 hours of the time of the lady doctor during the morning. If each dispensary is visited once a week, this means three hours a day employed upon such visits, practically every day of the week.

It is felt that the more important work at the centre will seriously suffer by such an arrangement.

It is also pointed out that the accommodation at several of the dispensaries is so bad that the value of ante-natal work done there is greatly reduced, and that the Council should at present concentrate upon the perfection of the work at the centre.

(5) To consider a memorandum of the Chairman dated March 13, 1928, regarding the proposed by-law re removal of rubbish from within the Municipal limits to any place outside Municipal limits.—Recommended that the Chairman of the Sanitary Board be informed that the Council agrees to the by-law suggested by him being passed by the Sanitary Board on the understanding that the Chairman of this Council will be consulted before any permits are issued.

#### Resolutions.

With regard to item No. 2, it was resolved that the matter be considered in connection with the recommendation of item No. 9 of the extracts from the minutes of the Standing Committee on Law and General Subjects of March 24, 1928.

With regard to item No. 4, Dr. E. V. Ratnam moved, as an amendment, that this matter be deferred to the next meeting and that meanwhile the Medical Officer of Health be called upon to report—(1) Why the accommodation at our dispensaries is so bad as to greatly reduce the value of ante-natal work done there. (2) Whether there is so much of this kind of work as to occupy three hours a day of the Assistant Medical Officer of Health (Child Welfare) and, lastly, what more important work at the Child Welfare Centre will suffer in the time which the Assistant Medical Officer of Health (Child Welfare) will have to devote to ante-natal work at the dispensaries. The Hon. Mr. N. H. M. Abdul Cader seconded.—Carried.

Resolved that the recommendation of the Standing Committee with regard to the remaining item be adopted.

#### Extract from the Minutes of the Standing Committee on Municipal Works March 20, 1928.

(2) To consider—(a) A petition forwarded through Mr. N. R. Blande, M.M.C., from the occupiers of offices in Baillie street, requesting that rickshaws with occupants and push bicycles be allowed to proceed in either direction in Baillie street. (b) Reports of the Superintendent of Police and the Municipal Engineer. (c) A memorandum thereon of the Chairman.—Recommended that the following by-law be passed:—(1) In the by-law made under section 18 (2) (g) of Ordinance No. 4 of 1916, and published in the *Government Gazette* No. 7,553 of October 29, 1926, the words "Baillie street towards York street" are hereby deleted. (2) All vehicular traffic, except rickshaws while actually carrying passengers, when proceeding along Baillie street within the Municipality of Colombo, shall proceed and when halted shall halt only facing the directions towards York street.

#### Resolution.

With regard to above item, it was resolved that the matter be considered in connection with the recommendation of item No. 2 of the extracts from the minutes of the Standing Committee on Law and General Subjects of March 24, 1928.

#### Extracts from the Minutes of the Standing Committees on Municipal Works and Finance (meeting together) of March 21, 1928.

(2) To consider the following question of Dr. S. Muttiah, M.M.C., in Council on March 7, 1928:—Will the Chairman take early steps to appoint a paid lady instructress for the girls' playground at Rifle garden as at Mutwal. Will the Chairman also make estimates for a supply of necessary playground equipment suitable to girls for this playground.—Recommended—(a) That a lady instructress be employed at Rs. 50 per mensem. (b) That swings be provided at a cost not exceeding Rs. 500. (c) That supplemental provision of Rs. 950 be made.

(4) To consider the question of Mr. S. W. R. Dias Bandaranaike, M.M.C., in Council on February 1, 1928:—(1) With regard to the suggestion made by me some time ago of providing an overhead cover for the convenience of tram car passengers at Maradana bridge, in view of the fact that the Standing Committees, while acknowledging the eminent desirability of the scheme, are not prepared to recommend the expenditure of the sum required by the Council, will the Chairman be good enough to accept from me, as a donation to the Council, the sum of Rs. 1,500, which is the amount required for the purpose, and set the work in hand?—Recommended that the offer of Mr. S. W. R. Dias Bandaranaike be accepted with thanks.

(5) To consider a plan and detailed estimate of Rs. 11,555 from the Municipal Engineer for re-grading and surfacing of side drains in Barnes place.

Note.—Council on December 14, 1927, resolved that estimate for the construction of a rain water drain in Barnes place be prepared, and a sum of Rs. 10,000 is provided under vote I-112, improvement of surface water drains.—Recommended and that supplemental provision of Rs. 1,555 be made.

(6) To consider a memorandum of the Municipal Engineer dated March 6, 1928, with regard to confirmation of the appointment of Mr. J. A. V. Rodrigo, who was appointed by Council on February 9, 1927, a Grade II. Engineer on probation for one year.—Recommended that Mr. J. A. V. Rodrigo be confirmed.

(7) To consider—(a) The tenders received for quarrying at Biyagama.—(a) Considered. (b) The recommendation of the Municipal Engineer that the tender of Mr. A. Nadarajah be accepted for six months from April 1, 1928.—(b) Recommended.

10. To consider—(a) The tenders received for the supply of milla logs.—(a) Considered. (b) A report of the Municipal Treasurer stating that the Municipal Engineer recommends the acceptance of the offer of the Forest Department of 400 (four hundred) cubic feet at Rs. 3 per cubic foot.

Note.—The cost will be Rs. 1,200, which will be met from Advance Account, Purchase of Stores, and debited to sanctioned estimates as and when the material is used.—(b) Recommended.

11. To consider—(a) The tenders received for the supply of 75 tons teak squares.—(a) Considered. (b) A memorandum of the Municipal Engineer stating that the Municipal Engineer recommends the acceptance of Messrs. ## TODDY RENT SALE CONDITIONS, 1928-29.

*(Applicable to Northern and Eastern Provinces only.)*

**T**HE following conditions on which the Toddy Rents for the period from July 1, 1928, to June 30, 1929, of the Northern and Eastern Provinces, will be sold, have been approved by His Excellency the Governor under section 18 of "The Excise Ordinance, No. 8 of 1912," and are hereby published for general information:—

*Toddy Rent Sale Conditions applicable to Toddy Taverns in respect of which "Off" Sales are prohibited.*

Stamp of 50 cents.

The conditions on which the exclusive privilege of selling fermented toddy by retail within the \_\_\_\_\_, from \_\_\_\_\_, 192—, to \_\_\_\_\_, 192—, is sold are, in addition to the general conditions applicable to all Excise licences, and to those which will be published in the *Government Gazette* in due course, as follows:—

1. The Government Agent shall have power, in his discretion, to refuse to accept any bid or tender, subject to which power the highest bidder or tenderer shall be the grantee of the privilege, and shall conform to and perform all the conditions under which the privilege is sold.

1A. Where toddy rents are sold by tender the Government Agent may, if he considers it necessary, direct that a deposit of a sum not exceeding Rs. 50 should accompany the tender. Such deposits will be refunded after the sale is concluded.

2. (a) The grantee shall, immediately on being declared the grantee, sign the conditions of sale and pay to the Government Agent a sum equivalent to two months' rent of the privilege as a security deposit, which amount shall be liable to forfeiture, in whole or in part, at the discretion of the Government Agent, for breach of any of the conditions; and such forfeiture shall be in addition to any other penalty prescribed by the conditions for such breach. The grantee shall within fourteen days of the sale of the privilege above described enter into a bond with the Government Agent in form Excise T 23 for the full amount for which he has purchased the said privilege and he shall specially hypothecate by such bond the said security deposit.

(b) If the highest bid or tender under condition 1 exceeds the sum of Rs. 2,000, the grantee shall at the same time execute, if so required by the Government Agent, in the form sanctioned by law, a power of attorney to confess judgment in any action which may be instituted against him for the recovery of any moneys due in respect of this privilege, and shall also furnish to the Government Agent within fifteen days of the date of execution of such power of attorney, a duly certified copy thereof for filing in the District Court under section 32 of the Civil Procedure Code.

(c) The grantee shall, on signing the conditions of sale, elect, and under his hand signify, a post office to which all notices and processes whatever in connection with the above said privilege shall be addressed under registered post; and all such notices or processes as aforesaid so addressed to the post office so elected and posted in due course shall be considered as good and effectual to all intents and purposes as if the same were served personally.

3. The grantee shall pay to the Government Agent the purchase money or rent in \_\_\_\_\_ equal monthly instalments, and also any duty, fee, cost price, or other sum due to the Government from him. The first instalment of the purchase money or rent shall be considered due and payable on \_\_\_\_\_, 192—, and the remainder on the last day of each succeeding month. Interest at the rate of 9 per cent. per annum shall be payable on all arrears.

4. No payment of any sum due by the grantee to the Crown shall be considered as duly made unless the grantee shall produce a Kachcheri receipt therefor; and no money which, for his own convenience, the grantee may think fit to leave in the hands of the Shroff or any other officer of the Kachcheri shall be considered as money paid under this contract.

5. If an instalment or part of the instalment of the purchase money or rent, or any duty, fee, cost price, or other sum due to the Government from the grantee remains unpaid after the same shall have become due and payable, the Government Agent shall have power, after fifteen days' notice to the grantee of his intention to do so, without further process of law, to cancel the licence or licences issued to the grantee, and to resell the privilege at the risk and loss of the grantee. The notice referred to may be given in such manner as the Government Agent may direct.

6. The grantee shall, on receipt of the licence to sell, furnish to the Superintendent or Assistant Superintendent of Excise an application on the prescribed form showing the numbers and situations of the trees which he proposes to tap for the supply of fermented toddy for sale at each tavern and the situations and numbers of collecting stations for toddy which he proposes to establish, and no tree shall be tapped or toddy drawn for this purpose except under cover of a licence setting forth the numbers and situations of the trees, the name of the drawer, the name of the owner or possessor of the trees so applied for, and the tavern for which the fermented toddy is intended. The Superintendent of Excise or Assistant Superintendent of Excise shall have power, subject to appeal to the Excise Commissioner, to refuse any application to tap trees for any tavern if such application is in his opinion open to serious objection.

6A. (i.) When transport is by lorry or cart the toddy renter must establish collecting stations on the main road in places approved by the Circle Officer.

(ii.) The renter must maintain an Account Book in form Excise "D 20" at each collecting station showing the amount received from each tapper.

(iii.) The renter must show in T 22 Register kept in the tavern the amount received from each collecting station designated by number and name.

(iv.) The renter must cause the morning yield of all trees to be lowered before 7.30 a.m., and removed to the proper collecting station at once. He must not allow toddy to be kept in any place except the collecting station after 10 a.m.

(v.) The renter must remove all the morning toddy at the collecting stations before 11 a.m. to the tavern and all the afternoon toddy before 6 p.m.

7. No tree shall be tapped or toddy drawn therefrom for the supply of fermented toddy for sale at a tavern unless such tree shall first have been marked for this purpose in a manner prescribed by the Excise Commissioner, nor shall toddy be transported to the tavern except under cover of a pass granted by the Superintendent of Excise or the Assistant Superintendent of Excise. Such pass shall set forth the name of the person who transports the toddy, and shall be issued to the grantee, who shall hand it to the person who transports the toddy. Separate passes must be issued for transport by pingo carriers from the tree topes to the collecting station, and by cart, lorry, or other vehicle from the collecting station to the tavern.

(a) Any renter wishing to make vinegar from toddy shall obtain a vinegar licence from the Government Agent. Provided that the Government Agent may issue licences to non-renters on terms and subject to conditions duly approved by Government.

(b) The holder of a vinegar licence shall store such vinegar in premises approved by the Government Agent, and shall keep a true account of all toddy converted into vinegar and of all sales of vinegar in the form prescribed by the Excise Commissioner.

(c) Such vinegar store shall be opened at the request of any Excise Officer not below the rank of Inspector, and the renter must produce the accounts therein maintained whenever called upon.

8. The grantee, if he taps the trees and draws the toddy himself, or if he delegates the work to another person, such person shall at the time of tapping the trees or drawing the toddy invariably carry the licence on his person and shall produce it forthwith on the demand of any Excise Officer or Village Headman.

9. The grantee shall have no concern or interest direct or indirect in the sale of arrack or in the purchase of any privilege for the sale of arrack within the area of his rent.

10. Except under the written authority of the Assistant Commissioner of Excise, no toddy, except toddy drawn from trees licensed and marked for a particular tavern, shall be kept, offered for sale, or sold in that tavern.

11. The minimum selling price of toddy per gallon shall be for the Northern and Eastern Provinces 54 cents, and for other Provinces 96 cents, and in proportion for any smaller quantity.

12. The Government Agent shall not be bound to find a site for any tavern in the event of the grantee not being able to procure a site. No tavern shall be opened at any place except with the approval of the Government Agent.

13. The purchaser shall, within ten days from the date on which the privilege commences to run, or within such extended time as the Government Agent may grant, apply to the Government Agent and obtain licence or licences for the sale by retail of fermented toddy at the taverns within the area covered by the privilege.

14. (a) The grantee shall have no claim to a remission if the Government Agent or his Assistant shall find it necessary to order the taverns upon any road to be closed for a limited period during the march of troops, or upon the plea of losses arising from any cause whatever.

(b) On days of polling concerning taverns the Government Agent or his Assistant shall order the closure of all taverns in the area in which polls are held, and the grantee shall have no claim to a remission on this account.

15. (a) No bids will be accepted from any person who is a habitual criminal as defined by Ordinance No. 32 of 1914.

(b) The purchaser shall, whenever called upon to do so by the Government Agent, satisfy him that he is not a habitual criminal within the meaning of the said Ordinance.

16. The tavern within the area of the exclusive privilege granted under the foregoing conditions shall open at \_\_\_\_\_ A.M., and close at \_\_\_\_\_ P.M., and no toddy shall be sold at such tavern between the hour of closing and that of opening.

17. The renter may not employ as tave n-keeper, Manager, Tave Manager, or Collecting Station Manager, any habitual criminal or notorious illicit seller and must forthwith cease to employ any person who is not approved by the Assistant Superintendent of Excise or from whom approval is at any time withdrawn.

18. No toddy shall be sold under this exclusive privilege for the purpose of removal from the tavern, and no toddy sold in the tavern shall be removed from it except under cover of a special permit granted by the Government Agent.

At the sale held this day of the privilege above described \_\_\_\_\_ became the grantee of the said privilege in consideration of the payment of Rupees \_\_\_\_\_, as a fee therefor, and the said grantee, having paid to the Government Agent the sum of Rupees \_\_\_\_\_ by way of security deposit under clause 2 of these conditions, hereby agrees to complete the purchase according to the above conditions, and the Government Agent hereby acknowledges the receipt of the said deposit.
