15. *Shares held by two or more Persons not in Partnership.*—Shares may be registered in the names of two or more persons not in partnership.

16. *One of Joint-Holders other than a Firm may give Receipts; only one of Joint-Holders entitled to vote.*—Any one of the joint-holders of a share, other than a firm, may give effectual receipts for any dividend payable in respect of such share; but only one of such joint-holders shall be entitled to the right of voting and of appointing proxies and exercising the other rights and powers conferred on a sole Shareholder, and if the joint-holders cannot arrange amongst themselves as to who shall vote or appoint proxies and exercise such other rights and powers conferred on a sole Shareholder, the Shareholder whose name stands first on the register of shares in respect of such joint-holding shall vote or appoint proxies and exercise those rights and powers.

17. *Survivor of Joint-Holders, other than a Firm, only recognized.*—In case of the death of any one or more of the joint-holders, other than a firm, of any share, the survivor shall be the only person recognized by the Company as having any title to, or interest in, such share, but nothing herein contained shall release the estate of a deceased joint-holder from any liability in respect of any share jointly held by him.

18. *Liability of Joint-Holders.*—The joint-holders of a share shall be severally as well as jointly liable for the payment of all instalments and calls due in respect of such share.

19. *Trusts or any Interest in Share, other than that of registered Holder or of any Person under Article 38, not recognized.*—The Company shall not be bound to recognize (even though having notice of) any contingent, future, partial, or equitable interest in the nature of a trust or otherwise in any share, or any other right in respect of any share, except an absolute right thereto in the person from time to time registered as the holder thereof, and except also the right of any person under Article 38 to become a Shareholder in respect of any share.

INCREASE OF CAPITAL.

20. *Increase of Capital by Creation of New Shares.*—The Company in General Meeting may, by special resolution from time to time, increase the capital by creation of new shares of such amount per share and in the aggregate, and with such special, preferential, deferred, qualified, or other rights, privileges, or conditions attached thereto as such resolution shall direct.

21. *Issue of New Shares.*—The new shares shall be issued upon such terms and conditions and with such preferential, deferred, qualified, special, or other rights, privileges, or conditions attached thereto, as the special resolution creating the same or in default the Board shall direct; and in particular such shares may be issued with a preferential or qualified right to dividends and in the distribution of assets of the Company, and with a special or without any right of voting. The Directors shall have power to add to such new shares such an amount of premium as they may consider proper.

22. *How carried into effect.*—Subject to any direction to the contrary that may be given by the special resolution creating the increase of capital, all new shares may be dealt with as if they formed part of the original capital and shall be subject to the provisions herein contained with reference to the payment of calls and instalments, transfer, transmission, forfeiture, lien, surrender, and otherwise.

REDUCTION OF CAPITAL AND SUBDIVISION OR CONSOLIDATION OF SHARES.

23. *Reduction of Capital and Subdivision or Consolidation of Shares.*—The Company in General Meeting may, by special resolution, reduce the capital in such manner as such special resolution shall direct, and may, by special resolution, subdivide or consolidate the shares of the Company or any of them.

SHARE CERTIFICATES.

24. *Certificates how issued.*—Every Shareholder shall be entitled to one certificate for all the shares registered in his name, or to several certificates, each for one or more of such shares. Every certificate shall specify the distinctive number of the share in respect of which it is issued, and the amount paid thereon, provided that in the case of shares registered in the names of two or more persons other than a firm the Company shall not be bound to issue more than one certificate to all the joint-holders, and delivery of such certificate to any one of them shall be sufficient delivery to all.

25. *Certificates to be under Seal of Company.*—The certificates of shares shall be issued under the seal of the Company.

26. *Renewal of Certificate.*—If any certificate be worn out or defaced, then upon production thereof to the Directors, they may order the same to be cancelled, and may issue a new certificate in lieu thereof; and if any certificate be lost or destroyed, then upon proof thereof to the satisfaction of the Directors, and on such indemnity as the Directors deem adequate being given, a new certificate in lieu thereof shall be given to the person entitled to such lost or destroyed certificate. A sum of fifty cents, together with the amount of any costs and expenses which the Company has incurred in connection with the matter shall be payable for such new certificate.

TRANSFER OF SHARES.

27. *Transfer of Shares.*—Subject to the restriction of these Articles, any Shareholder may transfer all or any of his shares by instrument in writing.

28. *No Transfer to Minor or Person of Unsound Mind.*—No transfer of shares shall be made to a minor or person of unsound mind.

29. *Register of Transfers.*—The Company shall keep a book or books, to be called "The Register of Transfers," in which shall be entered the particulars of every transfer or transmission of any share.

30. *Instrument of Transfer.*—The instrument of transfer of any share shall be signed both by the transferor and transferee, and the transferor shall be deemed to remain the holder of such share until the name of the transferee is entered in the register in respect thereof.

31. *Board may decline to Register Transfers.*—The Board may, at their own absolute and uncontrolled discretion, decline to register any transfer of shares by a Shareholder who is indebted to the Company, or upon whose shares the Company has a lien or otherwise; or to any person not approved by them.

32. *Not Bound to state Reason.*—In no case shall a Shareholder or proposed transferee be entitled to require the Directors to state reason of their refusal to register, but their refusal shall be absolute.

33. *Registration of Transfer.*—Every instrument of transfer must be left at the office of the Company to be registered, accompanied by such evidence as the Directors may reasonably require to prove the title of the transferor, and a fee of Rs. 2.50, or such other sum as the Directors shall from time to time determine, must be paid; and thereupon the Directors, subject to the powers vested in them by Articles 31, 32, and 34, shall register the transferee as a Shareholder and retain the instrument of transfer.

34. *Directors may authorize Registration of Transferees.*—The Directors may, by such means as they shall deem expedient, authorize the registration of transferees as Shareholders without the necessity of any meeting of the Directors for that purpose.

35. *Directors not bound to inquire as to Validity of Transfer.*—In no case shall the Directors be bound to inquire into the validity, legal effect, or genuineness of any instrument of transfer produced by a person claiming a transfer of any share in accordance with these Articles; and whether they abstain from so inquiring, or do so inquire and are misled, the transferor shall have no claim whatsoever upon the Company in respect of the share, except for the dividends previously declared in respect thereof, but, if at all, upon the transferee only.

36. *Transfer Books when to be closed.*—The Transfer Books may be closed during the fourteen days immediately preceding each Ordinary General Meeting, including the First Ordinary General Meeting; also, when a dividend is declared, for the three days next ensuing the meeting; also at such other times as the Directors may decide, not exceeding in the whole twenty-one days in any one year.

TRANSMISSION OF SHARES.

37. *Title to Shares of deceased Holder.*—Subject and without prejudice to the provisions of Article 17 hereof the executors, or administrators, or the heirs of a deceased Shareholder shall be the only persons recognized by the Company, as having any title to the shares of such Shareholder.

38. *Registration of Persons entitled to Shares otherwise than by Transfer.*—Any curator of any minor Shareholder, any committee of a lunatic Shareholder, or any person becoming entitled to shares in consequence of the death, bankruptcy, or liquidation of any Shareholder, or the marriage of any female Shareholder, or in any other way than by transfer, shall, upon producing such evidence that he sustains the character in respect of which he proposes to act under this Article, or of his title, as may from time to time be required by the Directors and with the consent of the Directors (which they shall not be under any obligation to give) be registered as a Shareholder in respect of such shares on payment of a fee of Rs. 2.50; or may subject to the regulations as to transfers hereinbefore contained, transfer the same to some other person.

39. *Failing such Registration, Shares may be sold by the Company.*—If any person who shall become entitled to be registered in respect of any share under Article 38, shall not, from any cause whatever within twelve calendar months after the event on the happening of which his title shall accrue, be registered in respect of such share, or if, in the case of the death of any Shareholder, no person, shall, within twelve calendar months after such death, be registered as a Shareholder in respect of the shares of such deceased Shareholder, the Company may sell the same either by public auction or private contract, and give a receipt for the purchase money; and the purchaser shall be entitled to be registered in respect of such share, and shall not be bound to inquire whether the events have happened which entitled the Company to sell the same; the nett proceeds of such sale, after deducting all expenses and all moneys in respect of which the Company is entitled to a lien on the shares so sold shall be paid to the person entitled thereto.

40. *Curator of Minor, &c., when not entitled to vote.*—The curator of a minor Shareholder, the committee or other legal guardian of any lunatic Shareholder, the husband of any female Shareholder not entitled to her shares as separate estate, and the executor or administrator or heir of any deceased Shareholder, shall not be entitled to receive notice of or to attend or vote at meetings of the Company or save as aforesaid, and save as regards the receipt of such dividends as the Board shall not elect to retain, to exercise any of the rights and privileges of a Shareholder, unless and until he shall have been registered as the holder of the shares.

SURRENDER AND FORFEITURE OF SHARES.

41. *The Directors may accept Surrender of Shares.*—The Directors may accept, in the name and for the benefit of the Company, and upon such terms and conditions as may be agreed upon a surrender of the shares of Shareholders who may be desirous of retiring from the Company.

42. *If Call or Instalment not paid, Notice to be given to Shareholder.*—If any Shareholder fails to pay any call or instalment on or before the day appointed for the payment of the same, the Directors may at any time thereafter, during such time as the call or instalment remains unpaid, serve a notice on such Shareholder requiring him to pay the same, together with any interest that may have accrued, at the rate of nine per cent. per annum, and all expenses that may have been incurred by the Company by reason of such non-payment.

43. *Terms of Notice.*—The notice shall name a day (not being less than two months from the date of the notice) on and a place or places at which such call or instalment and such interest and expenses as aforesaid are to be paid; the notice shall also state that, in the event of non-payment at or before the time and at the place appointed, the shares in respect of which the call was made or instalment is payable will be liable to be forfeited.

44. *In default of Payment, Shares to be forfeited.*—If the requisition of such notice as aforesaid be not complied with every or any share or shares in respect of which such notice has been given may at any time thereafter, before payment of calls or instalments, with interest, and expenses due in respect thereof, be declared forfeited by a resolution of the Board to that effect.

45. *Shareholder still liable to pay Money owing at Time of Forfeiture.*—Any Shareholder whose shares have been so declared forfeited shall, notwithstanding, be liable to pay and shall forthwith pay to the Company all calls, instalments, interests, and expenses, owing upon or in respect of such shares at the time of forfeiture, together with interest thereon at nine per cent. per annum from the time of forfeiture until payment and the Directors may enforce the payment thereof if they think fit.

46. *Surrendered or forfeited Shares to be the Property of the Company, and may be sold, &c.*—Every share surrendered or so declared forfeited shall be deemed to be the property of the Company, and may be sold, reallocated, or otherwise disposed of, upon such terms and in such manner as the Board shall think fit.

47. *Effect of Surrender or Forfeiture.*—The surrender or forfeiture of a share shall involve the extinction of all interest in, and also of all claims and demands against, the Company in respect of the share and the proceeds thereof, and all other rights incident to the share, except only such of those rights (if any) as by these presents are expressly saved.

48. *Certificates of Surrender or Forfeiture.*—A certificate in writing under the hands of two of the Directors and of the Agent or Secretary or Agents or Secretaries that a share has been duly surrendered or forfeited, stating the time when it was surrendered or forfeited shall be conclusive evidence of the facts therein stated as against all persons who would have been entitled to the shares but for such surrender or forfeiture; such certificate and the receipt of the Company for the price of such share shall constitute a good title to such share, and a certificate of proprietorship shall be delivered to any person who may purchase the same from the Company; such purchaser thereupon shall be deemed the holder of such share, discharged from all calls due prior to such purchase, and he shall not be bound to see to the application of the purchase money nor shall his title to such share be affected by any irregularity in the proceedings in reference to such forfeiture or sale.

49. *Forfeiture may be remitted.*—The Directors may in their discretion remit or annul the forfeiture of any share within six months from the date thereof upon the payment of all moneys due to the Company from the late holder or holders of such share or shares, and all expenses incurred in relation to such forfeiture, together with such further sum of money by way of redemption money for the deficit, as they shall think fit, not being less than nine per cent. per annum on the amount of the sums wherein default in payment had been made, but no share *bona fide* sold or reallocated, or otherwise disposed of under Article 46 hereof, shall be redeemable after sale or disposal.

50. *Company's Lien on Shares.*—The Company shall have a first and paramount lien upon all the shares registered in the name of each Shareholder (whether solely or jointly with others) and upon the proceeds of sale thereof, for his debts, liabilities, and engagements, solely or jointly with any other person, to or with the Company, whether the period for the payment, fulfilment, or discharge thereof shall have actually arrived or not, and no equitable interest in any share shall be created except upon the footing and condition that Article 19 hereof is to have full effect, and such lien shall extend to all dividends from time to time declared in respect of such shares and to all moneys paid in advance of calls thereon. Unless otherwise agreed, the registration of a transfer of shares shall operate as a waiver of the Company's lien (if any) on such shares.

51. *Lien how made available.*—Such charge or lien may be made available by a sale of all or any of the shares subject to it, provided that no such sale shall be made except under a resolution of the Directors, and until notice in writing shall have been given to the indebted Shareholder or his executors or administrators or heirs, or the assignee or trustee in his bankruptcy requiring him or them to pay the amount for the time being due to the Company, and default shall have been made for twenty-eight days from such notice in paying the sum thereby required to be paid. Should the Shareholder ever whose share the lien exists be in England or elsewhere abroad, sixty days' notice shall be allowed him.

52. *Proceeds how applied.*—The nett proceeds of any such sale as aforesaid under the provisions of Articles 46 and 51 hereof shall be applied in or towards satisfaction of such debts, liabilities, or engagements, and the residue (if any) shall be paid to the Shareholder or the person (if any) entitled by transmission to the shares or who would be so entitled but for such sale.

53. *Certificate of Sale.*—A certificate in writing under the hands of two of the Directors and of the agent or secretary or agents or secretaries that the power of sale given by Article 51 has arisen, and is exercisable by the Company under these presents, shall be conclusive evidence of the facts therein stated.

54. *Transfer on Sale how executed.*—Upon any such sale two of the Directors may execute a transfer of such share to the purchaser thereof, and such transfer, with the certificate last aforesaid, shall confer on the purchaser a complete title to such shares.

55. *Modification of Rights and Consent thereto.*—If at any time by the issue of preference shares or otherwise the capital is divided into shares of different classes—

- (1) The holders of any class of shares by an extraordinary resolution passed at a meeting of such holders may consent, on behalf of all the holders of shares of the class, to the issue or creation of any shares ranking equally therewith, or having any priority thereto, or the abandonment of any preference or priority, or of any accrued dividend, or the reduction for any time or permanently of the dividends payable thereon, or to any scheme for the reduction of the Company's capital affecting the class of shares.
- (2) All or any of the rights, privileges, and conditions attached to each class may be commuted, abrogated, abandoned, added to, or otherwise modified by a special resolution of the Company in General Meeting, provided the holders of any class of shares, affected by any such commutation, abrogation, abandonment, addition, or other modification of such rights, privileges, and conditions, consent thereto on behalf of all the holders of shares of the class, by an extraordinary resolution passed at a meeting of such holders.

Any extraordinary resolution passed under the provisions of this Article shall be binding upon all the holders of shares of the class, provided that this Article shall not be read as implying the necessity for such consent as aforesaid in any case in which but for this Article the object of the resolution could have been effected without it.

56. *Meeting affecting a Particular Class of Shares.*—Any meeting for the purpose of the last preceding Article shall be convened and conducted in all respects as nearly as possible in the same way as an Extraordinary General Meeting of the Company; provided that no Shareholder, not being a Director, shall be entitled to notice thereof or to attend

thereat, unless he be a holder of shares of the class intended to be affected by the resolution, and that no vote shall be given except in respect of a share of that class, and that at any such meeting a poll may be demanded by the Chairman or in writing by any Shareholder personally present and entitled to vote at the meeting. A Director although not a holder of shares of the class affected may act as proxy at any such meeting.

CALLS.

57. *Directors may make Calls.*—The Directors may from time to time make such calls as they think fit upon the registered holders of shares, in respect of moneys unpaid thereon, and not by the conditions of allotment made payable at fixed times; and each Shareholder shall pay the amount of every call so made on him to the persons and at the times and places appointed by the Directors, provided that two months' notice at least shall be given to the Shareholders of the time and place appointed for payment of each call.

58. *Calls, Time when made.*—A call shall be deemed to have been made at the time when the resolution authorizing the call was passed at a Board Meeting of the Directors or was signed in terms of Article 128.

59. *Extension of Time for Payment of Call.*—The Directors shall have power in their absolute discretion to give time to any one or more Shareholder or Shareholders, exclusive of the others, for payment of any call or part thereof on such terms as the Directors may determine. But no Shareholder shall be entitled to any such extension except as a matter of grace or favour.

60. *Interest on Unpaid Calls.*—If the sum payable in respect of any call or instalment is not paid on or before the day appointed for the payment thereof, the holder for the time being of the share in respect of which the call shall have been made, or the instalments shall have been due, shall pay interest for the same at the rate of nine per centum per annum from the day appointed for the payment thereof to the time of the actual payment, but the Directors may, when they think fit, remit altogether or in part any sum becoming payable for interest under this Article.

Any sum whether payable on account of the amount of the share or by way of premium which by the terms of allotment of a share is made payable upon allotment or at any fixed date, and any instalment of a call or premium shall, for all purposes of these presents, be deemed to be a call duly made and payable on the date fixed for payment, and in case of non-payment the provisions of these presents as to payment of interest and expenses, forfeiture, and the like, and all other the relevant provisions of these presents, shall apply as if such sum, premium, or instalment were a call duly made and notified as hereby provided.

61. *Payments in Anticipation of Calls.*—The Directors may at their discretion receive from any Shareholder willing to advance the same, and upon such terms as they think fit, all or any part of the amount due upon the shares held by him beyond the sum actually called up.

BORROWING POWERS.

62. *Power to borrow.*—The Directors shall have power from time to time, at their discretion to borrow or raise from the Directors or other persons any sum or sums of money for the purposes of the Company, at such rate of interest and on such terms as the Directors think fit, but so that the amount at any one time owing in respect of principal moneys so borrowed or raised shall not, without the sanction of a General Meeting, exceed the sum of Three million Rupees (Rs. 3,000,000). The Directors shall, with the sanction of a General Meeting, be entitled to borrow or raise such further sum or sums, and at such rate of interest as such meeting shall determine. The Directors may, for the purpose of securing the repayment of any such principal sum or sums of moneys so borrowed or raised and interest, create and issue any mortgages, debentures, mortgage debentures, debenture stock, bonds, or obligations of the Company, charged upon all or any part of the undertaking, revenue, property, and rights, or assets of the Company (both present and future), including uncalled capital or unpaid calls, or give, accept, or endorse on behalf of the Company any promissory notes or bills of exchange. Any such securities may be issued either at par or at a premium or discount, and may from time to time be cancelled or discharged, varied, or exchanged as the Directors may think fit, and may contain any special privileges as to redemption, surrender, drawings, allotment of shares, or otherwise. Every debenture or other instrument issued by the Company for securing the payment of money may be so framed that the moneys thereby secured shall be assignable free from any equities between the Company and the person to whom the same may be issued. A declaration under the Company's seal contained in or endorsed upon any of the documents mentioned in this Article and subscribed by two or more of the Directors, or by one Director and the agent or secretary or agents or secretaries, to the effect that the Directors have power to borrow the amount which such document may represent, shall be conclusive evidence thereof in all questions between the Company and its creditors, and no such document containing such declaration shall, as regards the creditor, be void on the ground of its being granted in excess of the aforesaid borrowing power, unless it shall be proved that such creditor was aware that it was so granted.

MEETINGS.

63. *First General Meeting.*—The First General Meeting of the Company shall be held at such time, not being more than twelve months after the registration of the Company, and at such place as the Directors may determine.

64. *Subsequent General Meetings.*—Subsequent General Meetings shall be held once in every year at such time and place as may be prescribed by the Company in General Meeting, and if no time or place is prescribed, at such time and place as may be determined by the Directors.

65. *Ordinary and Extraordinary General Meetings.*—The General Meetings mentioned in the two last preceding clauses shall be called Ordinary General Meetings; all other meetings of the Company shall be called Extraordinary General Meetings.

66. *When Extraordinary General Meeting to be called.*—The Directors may, whenever they think fit, call an Extraordinary General Meeting, and the Directors shall, upon a requisition made in writing by not less than one-seventh of the number of Shareholders holding not less than one-seventh of the issued capital and entitled to vote, forthwith proceed to convene an Extraordinary General Meeting of the Company, and in the case of such requisition the following provisions shall have effect:—

- (1) Any requisition so made shall express the object of the meeting proposed to be called, shall be addressed to the Directors, and deposited at the office, and may consist of several documents in like form each signed by one or more of the requisitionists. Upon the receipt of such requisition the Directors shall forthwith proceed to convene an Extraordinary General Meeting, to be held at such time and place as they shall determine. If they do not proceed to convene the same within seven days from the deposit of the requisition, the requisitionists may themselves convene an Extraordinary General Meeting, to be held at such place and at such time as the requisitionists convening the meeting may themselves fix, but any meeting so convened shall not be held after three months from the date of such deposit.
- (2) If at any such meeting a resolution requiring confirmation at another meeting is passed, the Board shall forthwith convene a further Extraordinary General Meeting for the purpose of considering the resolution, and, if thought fit, of confirming it as a special resolution; and if the Board do not convene the meeting within seven days from the date of the passing of the first resolution, the requisitionists, or a majority of them in value, may themselves convene the meeting.

67. Any General Meeting (whether Ordinary or Extraordinary) convened by the Directors, unless the time thereof shall have been fixed by the Company in General Meeting, or unless such General Meeting be convened in pursuance of such requisition as is in Article 66 hereof mentioned may be postponed by the Directors by notice in writing, and the meeting shall subject to any further postponement or adjournment, be held at the postponed date for the purpose of transacting the business covered by the original notice.

68. *Notice of Resolution.*—Any Shareholder may, on giving not less than two months' previous notice of any resolution, submit the same to a meeting. Such notice shall be given by depositing a copy of the resolution at the office.

69. *Two Months' Notice of Meeting to be given.*—Two months' notice at least of every General Meeting, Ordinary or Extraordinary, and by whomsoever convened, specifying the place, date, hour of meeting, and the objects and business of the meeting, shall be given either by advertisement in the *Ceylon Government Gazette* or by notice sent by post, or otherwise served as hereinafter provided, but an accidental omission to give such notice to any Shareholder shall not invalidate the proceedings at any General Meeting; provided, however, that holders of preference shares or shares of any particular class shall not be entitled to notice of any meeting at which by the conditions or provisions attached to such preference shares or shares of such particular class they shall not be entitled to attend or vote.

70. *Two Meetings convened by one Notice.*—Where it is proposed to pass a special resolution the two meetings may be convened by one and the same notice, and it is to be no objection to such notice that it only convenes the second meeting contingently on the resolution being passed by the requisite majority at the first meeting.

71. *Business requiring and not requiring Notification.*—Every Ordinary General Meeting shall be competent, without special notice having been given of the purposes for which it is convened, or of the business to be transacted thereat, to receive and consider the profit and loss account (if any), the balance sheet of the Company, the reports of the Directors and Auditors, to elect Directors, Auditors, and other officers in place of those retiring, to fix the remuneration of the Directors and Auditors, to sanction and declare dividends, and to transact any business which under these presents ought to be transacted at an Ordinary General Meeting, and shall also be competent to enter upon, discuss, and transact any business whatever of which special mention shall have been made in the notice or notices upon which the meeting was convened.

72. *Notice of other Business to be given.*—With the exceptions mentioned in the foregoing Articles as to the business which may be transacted at Ordinary General Meetings without notice, no General Meeting, Ordinary or Extraordinary, shall be competent to enter upon, discuss, or transact any business which has not been specially mentioned in the notice or notices upon which it was convened.

73. *Quorum to be present.*—No business shall be transacted at any General Meeting, unless there shall be present in person at the commencement of the business two or more persons, being Shareholders entitled to vote, or persons being proxies or attorneys of Shareholders entitled to vote.

74. *If a Quorum not present, Meeting to be dissolved or adjourned; adjourned Meeting to transact Business.*—If at the expiration of half an hour from the time appointed for the meeting the required number of persons shall not be present at the meeting, the meeting, if convened by or upon the requisition of Shareholders shall be dissolved, but in any other case it shall stand adjourned to the same day in the next week at the same time and place and no notice of such adjournment shall be given.

75. *Chairman of Directors or a Director to be Chairman of General Meeting; in case of their Absence or Refusal, a Shareholder may act.*—The Chairman (if any) of the Directors shall be entitled to take the Chair at every General Meeting, whether Ordinary or Extraordinary; but if there be no Chairman, or if at any meeting he shall not be present within fifteen minutes after the time appointed for holding such meeting, or if he shall refuse to take the Chair, the Shareholders shall choose another Director as Chairman; and if no Director be present, or if all the Directors present decline to take the Chair, then the Shareholders present shall choose one of their number to be Chairman.

76. *Business confined to Election of Chairman while Chair vacant.*—No business shall be discussed at any General Meeting except the election of a Chairman whilst the Chair is vacant.

77. *Chairman with Consent may adjourn Meeting.*—The Chairman with the consent of the meeting may adjourn any meeting from time to time and from place to place, but no business shall be transacted at any adjourned meeting other than the business left unfinished at the meeting from which the adjournment took place, unless due notice shall be given.

78. *Minutes of General Meetings.*—Minutes of the proceedings of every General Meeting, whether Ordinary or Extraordinary, shall be entered in a book to be kept for that purpose, and shall when so entered be signed as soon as practicable by the Chairman of the same meeting, or by the Chairman of the succeeding meeting, and the same when so entered and signed shall be evidence of all such proceedings and of the proper election of the Chairman.

VOTING AT MEETINGS.

79. *Votes.*—At any meeting every resolution shall in the first instance be decided by a show of hands. In case there shall be an equality of votes, the Chairman at such meeting shall be entitled to give a casting vote in addition to the votes to which he may be entitled as a Shareholder and unless a poll be immediately demanded by the Chairman or in writing by some Shareholder present at the meeting and entitled to vote, a declaration by the Chairman that a resolution has been carried, and an entry to that effect in the Minute Book of the Company, shall be sufficient evidence of the fact without proof of the number of votes recorded in favour of or against such resolution.

80. *Poll.*—If a poll be duly demanded, the same shall be taken in such manner, and at such time and place as the Chairman shall direct, and the result of the poll shall be deemed to be the resolution of the meeting at which the poll was demanded. The demand for a poll shall not prevent the continuance of a meeting for the transaction of any business other than the question on which a poll has been demanded. The demand for a poll may be withdrawn.

85. *Poll how taken.*—If at any meeting a poll be demanded by the Chairman or by a notice in writing signed by some Shareholder present at the meeting and entitled to vote, which notice shall be delivered during the meeting to the Chairman, the meeting shall if necessary be adjourned and the poll shall be taken at such time and in such manner as the Chairman shall direct; and in such case every Shareholder shall have the number of votes to which he may be entitled as hereinafter provided, and in case at any such poll there shall be an equality of votes, the Chairman of the meeting at which such poll shall have been taken shall be entitled to a casting vote in addition to any votes to which he may be entitled as a Shareholder and proxy and attorney, and the result of such poll shall be deemed to be the resolution of the Company in such meeting.

82. *No Poll on Election of Chairman or on Question of Adjournment.*—No poll shall be demanded on the election of a Chairman of the meeting or on any question of adjournment.

83. *Voting in Person or by Proxy or Attorney.*—Votes may be given either personally or by proxy or by attorney duly authorized.

84. *Number of Votes to which Shareholder entitled.*—On a show of hands every Shareholder who is present in person shall have one vote and on a poll every Shareholder who is present in person or by proxy or by attorney shall have one vote for every share held by him.

85. *Non-Shareholder not to be appointed Proxy; but Attorney though not Shareholder may vote.*—No person shall be appointed a proxy who is not a Shareholder of the Company, but the attorney of a Shareholder, even though not himself a Shareholder of the Company, may represent and vote for his principal at any meeting of the Company, or of any class of Shareholders of the Company.

86. *No Shareholder in Arrear to exercise Rights and no Shareholder in Arrear or not registered at least Three Months previous to the Meeting to vote.*—No person shall exercise any rights of a Shareholder until his name shall have been entered in the register of Shareholders, and he shall have paid all calls and other moneys for the time being payable on every share in the Company held by him and no Shareholder shall be entitled to vote or speak at any General Meeting unless all calls due from him on his shares, or any of them, shall have been paid; and no Shareholder other than the curator of a minor Shareholder, the committee of a lunatic Shareholder, or the person becoming entitled to shares in consequence of the death, bankruptcy, or liquidation of any Shareholder, or the marriage of any female Shareholder shall be entitled to vote or speak at any meeting held after the expiration of three months from the registration of the Company, in respect of or as the holder of any share which he has acquired by transfer, unless he has been at least three months previously to the time of holding the meeting at which he proposes to vote or speak, duly registered as the holder of the share in respect of which he claims to vote or speak.

87. *Proxy to be Printed or in Writing.*—The instrument appointing a proxy shall be printed or written, and shall be signed by the appointor, or by the attorney of the appointor duly authorized in writing by the appointor, or if such appointor be a corporation, it shall be under the common seal of such corporation or under the hand of some official of the corporation duly authorized in writing.

The Directors may divide the reserve fund into such special funds as they think fit, with full power to employ the assets constituting the reserve fund in the business of the Company, and that without being bound to keep the same separate from the other assets, and the Directors may also carry forward any profits which they may deem not prudent to divide.

143. *Application thereof.*—The Directors may from time to time apply such portions as they think fit of the reserve fund to meet contingencies, or for the payment of accumulated dividends due on preference shares or for equalizing dividends, or for working the business of the Company or for any other purposes of the Company which they may from time to time deem expedient.

144. *Capitalization of Reserve.*—The Company in General Meeting may at any time and from time to time pass a resolution that any sum not required for the payment or provision of any fixed preferential dividend and (a) for the time being standing to the credit of any reserve fund or reserve account of the Company including premiums received on the issue of any shares, debentures, debenture stock, or other obligations of the Company or any sum arising from any operation creating an excess of assets on capital account, or (b) being undivided nett profits in the hands of the Company, be capitalized, and that such sum be set free for distribution and be appropriated as capital to and amongst the ordinary Shareholders in the shares and proportions in which they would have been entitled thereto if the same had been distributed by way of dividend on the ordinary shares and in such manner as the resolution may direct, and such resolution shall be effective provided that such powers shall not be exercised unless recommended by the Board, and the Directors shall, in accordance with such resolution, apply such sum in paying up in full (or, with the consent of all the ordinary Shareholders, in part) any unissued shares, debentures, debenture stock, or other obligations of the Company on behalf of the ordinary Shareholders aforesaid, and appropriate such shares, debentures, debenture stock, or other obligations and distribute the same credited as fully paid up (or, as the case may be, partly paid up) amongst such Shareholders in the proportions aforesaid in satisfaction of their shares and interests in the said capitalized sum, or shall apply such sum or any part thereof on behalf of the Shareholders aforesaid in paying up the whole or part of any uncalled balance which shall for the time being be unpaid in respect of any issued ordinary shares held by such Shareholders or otherwise deal with such sum as directed by such resolution. Where any difficulty arises in respect of any such distribution the Directors may settle the

same as they think expedient, and in particular they may issue fractional certificates, fix the value for distribution of any shares or debentures or other obligations, make cash payments to any Shareholders on the footing of the value so fixed in order to adjust rights, and vest any such shares, debentures, debentures stock, or other obligations in trustees upon such trusts for the persons, entitled to share in the appropriation and distribution as may seem just and expedient to the Directors.

145. *Unpaid Interest or Dividend not to bear Interest.*—No unpaid interest or dividend shall ever bear interest against the Company.

146. *No Shareholder to receive Dividend while Debt due to Company.*—No Shareholder shall be entitled to receive payment of any dividend in respect of his share or shares whilst any moneys may be due or owing from him (whether alone or jointly with any other person) to the Company in respect of such share or shares, or otherwise howsoever.

148. *Dividends may be paid by Cheque or Warrant and sent through the Post.*—Unless otherwise directed any dividend may be paid by cheque or warrant sent through the post to the registered address of the Shareholder entitled, or, in the case of joint-holders, to the registered address of that one whose name stands first on the register in respect of the joint-holding; but the Company shall not be liable or responsible for the loss of any such cheque or dividend warrant sent through the post.

149. *Notice of Dividend: Forfeiture of Unclaimed Dividends.*—Notice of all dividends to become payable shall be given to each Shareholder entitled thereto: and all dividends unclaimed by any Shareholder for three years after notice thereof is given may be forfeited by a resolution of the Board of Directors for the benefit of the Company, and, if the Directors think fit, may be applied in augmentation of the reserve fund. For the purposes of this Article any cheques or warrants which may be issued for dividends and may not be presented at the Company's bankers for payment within three years shall rank as unclaimed dividends.

150. *Shares held by a Firm.*—Every dividend payable in respect of any share held by a firm may be paid to, and an effectual receipt given by, any partner of such firm or agent duly authorized to sign the name of the firm.
