THE regulations contained in the Table C in the schedule annexed to "The Joint Stock Companies Ordinance, 1861," shall apply to this Company with the following additions and alterations :—

The Company may, by special resolution, alter and make provisions instead of, or in addition to, any of the regulations of the Company, whether contained and comprised in these Articles or not.

##### BUSINESS.

1. The Company may proceed to carry out the objects for which it is established, and to employ and apply its capital as soon after the registration of the Company as the Directors in their discretion shall think fit ; and if the whole of the shares shall not have been subscribed, applied for, or allotted, as soon as in the judgment of the Directors, a sufficient number of shares shall have been subscribed or applied for.

##### CAPITAL.

2. The nominal capital of the Company is One hundred thousand Rupees, divided into Ten thousand shares of Ten Rupees each.

3. The Directors may with the sanction of a special resolution of the Company reduce the capital or subdivide or consolidate the shares of the Company.

##### SHARES.

4. The shares, except when otherwise provided, shall be allotted at the discretion of and by the Directors, who may from time to time issue any unissued shares, and may add to such shares such an amount of premium as they consider proper. Provided that such unissued shares, except when otherwise provided shall first be offered by the Directors to the Shareholders as nearly as possible in proportion to the existing shares held by them, and such offer shall be made by writing specifying the number of shares to which the Shareholder is entitled, and limiting a time within which the offer, if not accepted, will be deemed to be declined, and after the expiration of such time, or on the receipt of an intimation from the Shareholder to whom such notice is given that he declines to accept the shares offered, the same shall be disposed of in such manner as the Directors may determine. Provided that the Directors may at their discretion allot such new shares or any portion of them to the vendor or vendors of any lands, property, rights, or privileges being acquired by the Company in payment of the whole or any part of the purchase price of any such lands, property, rights, or privileges, or as remuneration for work done for or services rendered to the Company, and that without offering the shares so allotted to the Shareholders.

5. Article 8 in Table C shall be read as :—Every Shareholder shall be entitled to a certificate or certificates under the common seal of the Company specifying the share or shares held by him and the amount paid thereon.

6. The certificate of shares registered in the names of two or more persons not a firm shall be delivered to the person first named on the register.

##### TRANSFER OF SHARES.

7. Subject to the restrictions contained in these Articles any Shareholder may transfer all or any of his shares by instrument in writing, and the first offer shall be made to the Company.

8. The Directors may, at their own absolute and uncontrolled discretion, decline to register any transfer of shares by a Shareholder who is indebted to the Company or upon whose shares the Company have a lien, or otherwise, or in case of shares not fully paid up, or to any person not approved of by them, and in no case shall a Shareholder or proposed transferee be entitled to require the Directors to state the reason of their refusal to register, but their declinature shall be absolute.

9. The Directors may, by such means as they shall deem expedient, authorize the registration of transferees as Shareholders without the necessity of any meeting of the Directors for that purpose.

10. Article 15 in Table C shall be read as :—Every instrument of transfer must be left at the office of the Company to be registered, accompanied by such evidence as the Directors may reasonably require to prove the title of the transferor, and a fee of cents fifty, or such other sum as the Directors shall from time to time determine, must be paid ; and thereupon the Directors, subject to the powers vested in them, shall register the transferee as a Shareholder and retain the instrument of transfer.

11. In no case shall the Directors be bound to inquire into the validity, legal effect, or genuineness of any instrument of transfer produced by a person claiming a transfer of any share in accordance with these Articles ; and whether they abstain from so inquiring, or do so inquire and are misled, the transferor shall have no claim whatsoever upon the Company in respect of the share, except for the dividends previously declared in respect thereof, but only, if at all, upon the transferee.

## SURRENDER AND FORFEITURE OF SHARES.

12. The Directors may accept, in the name and for the benefit of the Company, and upon such terms and conditions as may be agreed a surrender of the shares of Shareholders who may be desirous of retiring from the Company provided such acceptance is properly legalized.

13. The Company shall have a first charge or paramount lien upon all the shares of any holder or joint-holders for all moneys for the time being due to the Company by such holder or by all or any of such joint-holders respectively, either in respect of such shares or of other shares held by such holder or joint-holder, or in respect of any other debt, liability, or engagement whatsoever, and whether due from any such holder individually or jointly with others, including all calls which the Directors shall have resolved to make, although the times appointed for the payment thereof shall not have arrived; and where any share is held by more persons than one, the Company shall be entitled to the said charge or lien in respect of any money due to the Company from any of such persons.

14. Such charge or lien may be made available by a sale of all or any of the shares subject to it, provided that no such sale shall be made except under a resolution of the Directors, and until notice in writing shall have been given to the indebted Shareholder or his executors or administrators, or the assignee or trustee in his bankruptcy, requiring him or them to pay the amount for the time being due to the Company, and default shall have been made for twenty-eight days from such notice in paying the sum thereby required to be paid. Should the Shareholder over whose share the lien exists be in England or elsewhere abroad, sixty days' notice shall be allowed him.

15. The nett proceeds of any such sale shall be applied in or towards satisfaction of such debts, liabilities, or engagements, and the residue (if any) paid to such Shareholder or his representatives.

17. Upon any such sale two of the Directors may execute a transfer of such share to the purchaser thereof, and such transfer, with the certificate last aforesaid, shall confer on the purchaser a complete title to such share.

18. With the sanction of a General Meeting, the Directors shall be entitled to borrow such sum or sums of money and at such rate of interest as such meeting shall determine. A certificate under the hands of one Director and the Secretary or of two Directors, to the effect that in taking any loan the Directors are not exceeding their borrowing powers, shall be sufficient and binding on the Company and all concerned, and shall be conclusive evidence thereof in all questions between the Company and its creditors.

19. For the purpose of securing the repayment of any such money so borrowed or raised or for any other purposes, the Directors may grant, create, execute, and issue any mortgages, cash credits, debentures, debenture stock, bonds, or obligations of the Company, charged upon all or any part of the undertaking, revenue, lands, property, rights, and assets of the Company both present and future, including uncalled capital or unpaid calls or may make, accept, or endorse on behalf of the Company any promissory notes or bills of exchange.

## Sale of Ebony.

AN auction sale of the under-mentioned ebony will be held at the Central Timber Depot, Kew road, Slave Island, Colombo, on Saturday, August 25, 1928, at 10 A.M., subject to the following conditions:—

1. The timber will be put up in lots to suit buyers at a rate per lot, and no advance of less than Re.1 per lot will be accepted.

2. The highest bid will be accepted, subject to the approval or disapproval of the Conservator of Forests. The highest bidder will be required by the officer conducting the sale to sign the sale book kept for the purpose directly a lot has been knocked down to him.

3. Payment of 25 per cent. of the successful bid to be made at time of sale, if so required.

4. Buyers will be allowed to have the logs weighed at the depot premises, if so required, the cost of reweighing to be borne by such buyers. If any difference is found between the depot weight and the weight ascertained after reweighing, a certificate will be issued by this Department showing the actual weight at the time of reweighing provided the buyers require such certificate for export purposes. But no allowance will be made for any shortage when making payment, the logs being sold by auction at a rate per lot and not per ton.

5. No timber shall be removed before payment of the full price bid, and all timber sold must be removed from the depot within ten days of date of notification of acceptance by the Conservator of Forests of such bid, and will be at the risk of the purchasers until removed.

6. Should any person to whom a lot is knocked down refuse to take it over at the full price bid, or refuse or fail to sign the sale book and pay 25 per cent. of his bid when so required, or refuse or fail to pay the full purchase amount or balance thereof, as the case may be, and to remove the timber within the time specified in clause 5 above, the lot will again be put up for auction, and the original purchaser or bidder will be held liable for any loss to Government owing to a lower price being realized at the resale, while, if an enhanced price is realized at such resale, he shall, however, have no claim to the profit, which shall accrue to Government.

7. Agents bidding for others will be required to produce a written authority from the firm or persons for whom they bid, such authority will be retained by the Assistant Conservator of Forests, and will hold good only at the particular sale at which it is produced.

8. The description of the logs appearing in the remarks column of the following list is entered merely for the guidance of the intending purchasers, who, as usual, should satisfy themselves as to its correctness before purchasing the logs.

**TENDERS** are hereby invited for the privilege of selling fermented toddy by retail in the areas specified in the schedule hereof for the period of twelve months from October 1, 1928, to September 30, 1928.

The conditions on which the exclusive privilege of selling fermented toddy by retail within the under-mentioned areas from October 1, 1928, to September 30, 1929, is sold, are, in addition to the general conditions applicable to all Excise licences, and to those which will be published in the *Government Gazette* in due course, as follows:—

1. The Government Agent shall have power, in his discretion, to refuse to accept any bid or tender, subject to which power the highest bidder or tenderer shall be the grantee of the privilege, and shall conform to and perform all the conditions under which the privilege is sold.

1A. (i.) A deposit of Rs. 50 should accompany the tender. Should any successful tenderer fail to fulfil the condition No. 2 (a) his deposit will be forfeited. Subject to the above rule, all deposits will be returned upon the completion of the sale.

(ii.) No person is permitted to send in more than one tender for any one tavern.

2. (a) *The grantee shall, immediately on being declared the grantee, sign the conditions of sale and pay to the Government Agent a sum equivalent to two months' rent of the privilege as a security deposit, which amount shall be liable to forfeiture, in whole or in part at the discretion of the Government Agent, for breach of any of the conditions; and such forfeiture shall be in addition to any other penalty prescribed by the conditions for such breach. The grantee shall within fourteen days of the sale of the privilege above described enter into a bond with the Government Agent in form Excise T 23 for the full amount for which he has purchased the said privilege, and he shall specially hypothecate by such bond the said security deposit.*

(b) *If the highest bid or tender under condition 1 exceeds the sum of Rs. 2,000, the grantee shall at the same time execute, if so required by the Government Agent, in the form sanctioned by law, a power of attorney to confess judgment in any action which may be instituted against him for the recovery of any moneys due in respect of this privilege, and shall also furnish to the Government Agent within fifteen days of the date of execution of such power of attorney, a duly certified copy thereof for filing in the District Court under section 32 of the Civil Procedure Code.*

(c) *The grantee shall, on signing the conditions of sale, elect, and under his hand signify a post office to which all notices and processes whatever in connection with the above said privilege shall be addressed under registered post; and all such notices or processes as aforesaid so addressed to the post office so elected and posted in due course shall be considered as good and effectual to all intents and purposes as if the same were served personally.*

3. The grantee shall pay to the Government Agent the purchase money or rent in twelve equal monthly instalments, and also any duty, fee, cost price, or other sum due to the Government from him. The first instalment of the purchase money or rent shall be considered due and payable on 30th September, 1928, and the remainder on the last day of each succeeding month. Interest at the rate of 9 per cent. per annum shall be payable on all arrears.

4. No payment of any sum due by the grantee to the Crown shall be considered as duly made unless the grantee shall produce a Kacheheri receipt therefor; and no money which, for his own convenience, the grantee may think fit to leave in the hands of the shroff or any other officer of the Kacheheri shall be considered as money paid under this contract.

5. If an instalment or part of the instalment of the purchase money or rent, or any duty, fee, cost price, or other sum due to the Government from the grantee remains unpaid after the same shall have become due and payable, the Government Agent shall have power, after fifteen days' notice to the grantee of his intention to do so, without further process of law, to cancel the licence or licences issued to the grantee, and to resell the privilege at the risk and loss of the grantee. The notice referred to may be given in such manner as the Government Agent may direct.

6. The grantee shall, at least ten days before the date on which his privilege to sell fermented toddy commences to run furnish to the Superintendent or Assistant Superintendent of Excise an application on the prescribed form showing the numbers and situations of the trees which he proposes to tap for the supply of fermented toddy for sale at each tavern and the situations and numbers of collecting stations for toddy which he proposes to establish, and no tree shall be tapped or toddy drawn for this purpose except under cover of a licence setting forth the numbers and situations of the trees, the name of the drawer, the name of the owner or possessor of the trees so applied for, and the tavern for which the fermented toddy is intended. The Superintendent of Excise or Assistant Superintendent of Excise shall have power, subject to appeal to the Excise Commissioner, to refuse any application to tap trees for any tavern if such application is in his opinion open to serious objection.

6A. (i.) *When transport is by lorry, cart, or railway the toddy renter must establish collecting stations on the main road in places approved by the Circle Officer.*

(ii.) *The renter must maintain an Account Book in form Excise "D 20" at each collecting station showing the amount received from each tapper.*

(iii.) *The renter must show in T 22 Register kept in the tavern the amount received from each collecting station designated by number and name.*

(iv.) *The renter must cause the morning yield of all trees to be lowered before 8.30 a.m. and the afternoon yield to be lowered before 4.30 p.m. daily, and removed to the proper collecting station at once. He must not allow toddy to be kept in any place except the collecting station after 10 a.m. and 5.30 p.m. respectively.*

(v.) *The renter must have all the morning toddy at the collecting stations delivered at the tavern before 11 a.m. and all the afternoon toddy before 6 p.m.*

(vi.) *All accounts at the collecting stations and taverns shall be maintained in either English, Sinhalese, or Tamil.*

7. No tree shall be tapped or toddy drawn therefrom for the supply of fermented toddy for sale at a tavern, unless such tree shall first have been marked for this purpose in a manner prescribed by the Excise Commissioner; nor shall toddy be transported to the tavern except under cover of a pass granted by the Superintendent of Excise or the Assistant Superintendent of Excise. Such pass shall set forth the name of the person who transports the toddy, and shall be issued to the grantee, who shall hand it to the person who transports the toddy. *Separate passes must be issued for transport by pingo carriers from the tree tops to the collecting station, and by cart, lorry, or other vehicle from the collecting station to the tavern.*

(a) Any renter wishing to make vinegar from toddy shall obtain a vinegar licence from the Government Agent. Provided that the Government Agent may issue licences to non-renters on terms and subject to conditions duly approved by Government.

(b) The holder of a vinegar licence shall store such vinegar in premises approved by the Government Agent, and shall keep a true account of all toddy converted into vinegar and of all sales of vinegar in the form prescribed by the Excise Commissioner.

(c) Such vinegar store shall be opened at the request of any Excise Officer not below the rank of Inspector, and the renter must produce the accounts therein maintained whenever called upon.

8. The grantee, if he taps the trees and draws the toddy himself, or if he delegates the work to another person such person shall, at the time of tapping the trees or drawing the toddy, invariably carry the licence on his person, and shall produce it forthwith on the demand of any Excise Officer or Village Headman.

9. The grantee shall have no concern or interest, direct or indirect, in the sale of arrack, or in the purchase of any privilege for the sale of arrack, within the area of his rent.

10. Except under the written authority of the Assistant Commissioner of Excise, no toddy, except toddy drawn from trees licensed and marked for a particular tavern, shall be kept, offered for sale, or sold in that tavern.

11. The minimum selling price of toddy per gallon shall be for Northern and Eastern Provinces 54 cents, for the distillery area 60 cents, and for other provinces 96 cents, and in proportion for any smaller quantity.

12. The Government Agent shall not be bound to find a site for any tavern in the event of the grantee not being able to procure a site. No tavern shall be opened at any place except with the approval of the Government Agent.

13. The purchaser shall, within ten days from the date on which the privilege commences to run, or within such extended time as the Government Agent may grant, apply to the Government Agent and obtain licence or licences for the sale by retail of fermented toddy at the taverns within the area covered by the privilege.

14. (a) The grantee shall have no claim to a remission if the Government Agent or his Assistant shall find it necessary to order the taverns upon any road to be closed for a limited period during the march of troops, or upon the plea of losses arising from any cause whatever.

(b) On days of polling concerning taverns the Government Agent or his Assistant shall order the closure of all taverns in the area in which polls are held, and the grantee shall have no claim to a remission on this account.

15. (a) No bids will be accepted from any person who is a habitual criminal as defined by Ordinance No. 32 of 1914.

(b) The purchaser shall, whenever called upon to do so by the Government Agent, satisfy him that he is not a habitual criminal within the meaning of the said Ordinance.

16. The tavern within the area of the exclusive privilege granted under the foregoing conditions shall open at 7 A.M., and close at 6.30 P.M., and no toddy shall be sold at such tavern between the hour of closing and that of opening.

17. The renter may not employ as tavern keeper, manager, tope manager, or collecting station manager any habitual criminal or notorious illicit seller, and must forthwith cease to employ any person who is not approved by the Assistant Superintendent of Excise or from whom approval is at any time withdrawn.

18. In the case of taverns where "Off" sales are prohibited no toddy shall be sold under this exclusive privilege for the purpose of removal from the tavern, and no toddy sold in the tavern shall be removed from it except under cover of a special permit granted by the Government Agent.

19. Rents will be sold by tender on the following date at the Kandy Kachcheri:—
