6. A deposit of Rs. 25 will be required to be made either at the Treasury or any Kachcheri, and a receipt produced for same before any form of the tender is issued.

7. Tenderers should satisfy themselves by inspection before tendering as to the acreage and contents of the coupe as the figures given in the annexed schedule are estimated only and their correctness is in no way guaranteed. The boundaries of the coupe will be pointed out by the Range Forest Officer, Ratnapura.

8. The successful tenderer will be required to execute a purchase agreement, and all tenderers should read and initial a copy of this agreement at the Office of the Divisional Forest Officer, Sabaragamuwa Division, Ratnapura, at the time of obtaining tender forms.

9. Before execution of the agreement, the purchaser will be required (a) to pay either the full purchase amount or, if paying by instalments, 40 per cent. thereof, (b) to deposit as security for efficient and punctual fulfilment of the agreement Rs. 150. If paying by instalments, the balance 60 per cent. of the full purchase price shall be paid by the purchaser in two equal instalments in accordance with clauses 3 and 4 of the special conditions set out below in this notice.

10. After payment of the first instalment of the purchase price, deposit of the security and execution of the agreement, the purchaser will be entitled on application to a refund of the sum of Rs. 25 deposited by him prior to tendering.

11. Tenderers should make offers, written both in words and figures, for the timber and firewood contained in the coupe described in the annexed schedule.

12. No tender will be considered unless the procedure laid down above has been strictly complied with. The Conservator of Forests reserves to himself the right, without question, of rejecting any or all tenders and of accepting any tender not necessarily the highest tender.

13. The special rules for felling, conversion, and removal which the agreement will require to be observed are specified in the special conditions given below. Nothing in these special conditions shall render the purchaser in any way exempt from liability for punishment under the Forest Ordinance of 1907, should he or any of the workmen in his employment be responsible for the commission of a forest offence outside the boundaries of his purchased coupe.

#### SPECIAL CONDITIONS.

(1) On payment of the full purchase amount the purchaser shall be entitled to fell and remove on or before August 1, 1929, in the manner specified below, all the timber and firewood contained in the purchased coupe. No extension of the time limit fixed for felling and removal will under any circumstances be granted, and all timber and firewood not removed by the date of expiry of agreement, *i.e.*, August 1, 1929, shall *ipso facto* revert to the Crown.

(2) The purchaser shall further agree that should any timber be left standing or lying felled within the coupe on the date of expiry, the expenses incurred by Government for their removal be defrayed from the amount deposited by him as security under clause (b) in paragraph 9 above.

(3) If the purchaser desires to pay by instalments payment of a first instalment of 40 per cent. of the full purchase price of the coupe, shall entitle him to fell and remove all the trees in an area not exceeding one-third of the total area of the coupe. Payment of 70 per cent. of the full purchase price by means of a second instalment of 30 per cent. shall entitle the purchaser to fell and remove all the trees in an area not exceeding two-thirds of the total area of the coupe.

(4) If paying by instalments, the purchaser shall pay the second instalment, or in all 70 per cent. of the full purchase price, within four months, and the third and final instalment within seven months of the date of execution of the agreement. Should the purchaser fail to pay either instalment when due, it shall be within the discretion of the Divisional Forest Officer to cancel the agreement as from the date of such default, and to declare same to be null and void. Any unremoved or unfelled timber or firewood shall revert to the Crown as from the date of such cancellation, and the purchaser shall have no claim thereto. On no account shall any postponement of the instalment payments or extension of the felling dates be granted.

(5) The purchaser shall agree to commence felling along the full length of one boundary of the coupe previously pointed out to him by the Range Forest Officer, Ratnapura. He shall further agree to progress the felling in a direction parallel to the boundary along which the felling has been commenced in the manner prescribed under clauses (a) and (b) below:—

(a) All tree seedlings and saplings which are under 3 inches in diameter shall be cut out flush with the ground.

(b) All saplings and trees over 3 inches in diameter shall be felled within 6 inches of the ground.

(6) The purchaser will be required to spread the branch wood evenly over the coupe immediately after conversion so as to leave no bare patches liable to soil erosion.

(7) Should the purchaser fell or remove trees or firewood from any area of the coupe he has not paid for, or from any area of forest outside the demarcated boundaries of his coupe, nothing in the agreement shall exempt him from liability to punishment for illicit felling and removal, under the provisions of Forest Ordinance, No. 16 of 1907, and of the rules framed thereunder. For the purpose of this condition it shall be presumed that the purchaser has previous to entering into the agreement satisfied himself as to the position of the lines and pillars demarcating his coupe, and that the purchaser has further agreed that he shall not in the event of any dispute put forward a plea of ignorance of the limits or extent of his coupe.

(8) The purchaser or his agent or any of his employees shall not damage any boundary pillars or block up the boundaries. Should the lines become blocked or the pillars thrown down due to unavoidable circumstances such lines should be at once recleared or such pillar replaced.

(9) The purchaser shall not for the purpose of removing timber from his own coupe enter into any other area of forest not paid for by him except with the permission of the Range Forest Officer, and along paths permitted by him.

(10) The purchaser shall further agree to compensate the Crown for any damage to produce caused by himself, his employees, his animals, his machinery or his material, in transit over any area of forest not paid for by him at rates to be assessed by the Divisional Forest Officer, Ratnapura.

(11) If no objection exists in the opinion of the Divisional Forest Officer, the purchaser will further be permitted to erect wireshoots for the transport of materials always, provided that he pays full royalty values for the forest produce outside his own coupe damaged during such erection or in using such shoot. The permission in writing of the Divisional Forest Officer, Ratnapura, must be obtained before erection of any and every wireshoot.

(12) A general removal permit will be issued by the Divisional Forest Officer authorizing the purchaser to remove the timber and firewood felled in one-third of the area of the coupe according to the purchase amount paid, *vide* conditions (1) and (3), in such daily quantities as will be specified in cart notes which must accompany each and every cart load in transit.

(13) The purchaser shall agree that for each and every infringement of the above conditions he shall become liable to a fine of an amount not exceeding Rs. 50 to be imposed in writing by and at the discretion of the Divisional Forest Officer, Ratnapura, and this fine will be recovered from the tenderer's security deposit.

(14) The purchaser shall also agree that in the event of security money having become exhausted owing to imposition of fines, it shall be within the discretion of the Divisional Forest Officer either (a) to accept a further security deposit amounting to 5 per cent. of the full purchase price, or (b) to cancel the agreement and to refund to the purchaser such balance of the paid up purchase money, if any, as may remain after deducting the value of all timber and firewood removed by the purchaser on the date of such cancellation. For the purpose of this clause the value of each cubic foot of timber and cubic yard of fuel removed shall be fixed at full royalty rates.

(15) The purchaser shall have the right of appeal to the Conservator of Forests in the event of any of the enforcement of any of the above penalties specified in the above conditions, and the purchaser shall agree to accept the Conservator of Forests' decision as final and binding.

Provided that such unissued shares except when otherwise provided shall first be offered by the Directors to the Shareholders in proportion as nearly as possible to the existing shares held by them, and such offer shall be made by notice specifying the number of shares to which the Shareholder is entitled, and limiting a time within which the offer, if not accepted, will be deemed to be declined, and after the expiration of such time, or on the receipt of an intimation from the Shareholder to whom such notice is given that he declines to accept the shares offered, the same shall be disposed of in such manner as the Directors may determine. Provided that the Directors may at their discretion allot such new shares or any portion of them to the vendor or vendors of any houses, bungalows, flats, hotels, warehouses, stores, shops, offices, cinemas, clubs, restaurants, theatres, or other buildings, estate or estates, land or lands, or other property or properties, business or businesses, undertaking or undertakings acquired by the Company in payment of the whole or any part of

the purchase price of any such houses, bungalows, flats, hotels, warehouses, stores, offices, shops, cinemas, clubs, restaurants, theatres, or other buildings, estate or estates, land or lands, or other property or properties, business or businesses, undertaking or undertakings, or as remuneration for work done for, or services rendered to, the Company and that without offering the shares so allotted to the Shareholders.

11. In case of the increase of the capital of the Company by the creation of new shares, such new shares shall be issued upon such terms and conditions, and with such preferential, deferred, qualified, special, or other rights and privileges annexed thereto, as the General Meeting resolving on the creation thereof, or any other General Meeting of the Company, shall direct, and if no direction be given, as the Directors shall determine, and in particular such shares may be issued with a preferential or qualified right to the dividends and in the distribution of the assets of the Company, and with a special or without any right of voting.

Subject to any direction to the contrary that may be given by the meeting that sanctions the increase of capital, all new shares shall be offered to the Shareholders in proportion as nearly as possible to the existing shares held by them, and such offer shall be made by notice specifying the number of shares to which the Shareholder is entitled, and limiting a time within which the offer, if not accepted, will be deemed to be declined, and after the expiration of such time, or on the receipt of an intimation from the Shareholder to whom such notice is given that he declines to accept the shares offered, the same shall be disposed of in such manner as the Directors may determine. Provided that the Directors may, at their discretion, allot such new shares or any portion of them to the vendor or vendors of any houses, bungalows, flats, hotels, warehouses, stores, shops, offices, cinemas, clubs, restaurants, theatres, or other buildings, estate or estates, land or lands, or other property or properties, business or businesses, undertaking or undertakings acquired by the Company in payment of the whole or any part of the purchase price of any such houses, bungalows, flats, hotels, warehouses, stores, shops, offices, cinemas, clubs, restaurants, theatres, or other buildings, estate or estates, land or lands, or other property or properties, business or businesses, undertaking or undertakings, and that without offering the shares so allotted to the Shareholders.

12. Every person taking any share in the Company shall testify his acceptance thereof by writing under his hand in such form as the Company may from time to time direct.

13. Shares may be registered in the name of a firm or partnership and any partner of a firm or agent duly authorized to sign the name of the firm shall be entitled to vote and to give proxies in respect of shares registered in the name of the firm.

14. Shares may be registered in the names of two or more persons jointly.

15. Any one of the joint-holders of a share, other than a firm, may give effectual receipts for any dividends payable in respect of such share; but only one of such joint-Shareholders shall be entitled to the right of voting and of giving proxies and exercising the other rights and powers conferred on a sole Shareholder, and if the joint-holders cannot arrange amongst themselves as to who shall vote or give proxies and exercise such other rights and powers conferred on a sole Shareholder, the Shareholder whose name stands first on the register of shares shall vote or give proxies and exercise those rights and powers; provided, however, that in the event of such first registered Shareholder being absent from the Island, the first registered Shareholder then resident in Ceylon shall vote or give proxies and exercise all such rights and powers as aforesaid.

16. In case of the death of any one or more of the joint-holders of any shares, the survivor or survivors shall be the only person or persons recognized by the Company as having any title to, or interest in, such shares.

17. The Company shall not be bound to recognize (even though having notice of) any contingent, future, partial, or equitable interest in the nature of a trust or otherwise in any share, or any other right in respect of any share, except an absolute right thereto in the person from time to time registered as the holder thereof, and except also the right of any person under clause 35 hereof to become a Shareholder in respect to any share.

18. The joint-holders of a share shall be severally as well as jointly liable for the payment of all instalments and calls due in respect of such share.

19. Every Shareholder shall be entitled to a certificate or certificates under the common seal of the Company, specifying the share or shares held by him and the amount paid thereon, provided that in the case of shares registered in the names of two or more persons the Company shall not be bound to issue more than one certificate to all the joint-holders and delivery of such certificate to any one of them shall be sufficient delivery to all.

20. If any certificate be worn out or defaced, then upon production thereof to the Directors he may order the same to be cancelled, and may issue a new certificate in lieu thereof; and if any certificate be lost or destroyed, then, upon proof thereof to the satisfaction of the Directors and on such indemnity as the Directors deem adequate being given, a new certificate in lieu thereof may be given to the person entitled to such lost or destroyed certificate. A sum of fifty cents shall be payable for such new certificate.

#### CALLS.

21. The Directors may from time to time make such calls as they think fit upon the Shareholders in respect of all moneys unpaid on their shares, and not by the conditions of allotment made payable at fixed times, provided that two months' notice at least shall be given to the Shareholders of the time and place appointed for payment of each call; and each Shareholder shall pay the amount so made to the persons and at the time and place appointed by the Directors.

22. If any Shareholder fail to pay the amount of any call due by him on or before the day appointed for the payment thereof he shall be liable to pay interest on the same at the rate of nine per centum per annum from the day appointed for the payment thereof to the time of actual payment.

23. A call shall be deemed to have been made at the time when the resolution of the Directors authorizing such call was passed.

24. The Directors shall have power in their absolute discretion to give time to any one or more Shareholder or Shareholders exclusive of the others, for payment of any call or part thereof on such terms as the Directors may determine. But no Shareholder shall be entitled to any such extension except as a matter of grace or favour.

25. The Directors may at their discretion receive from any of the Shareholders willing to advance the same, and upon such terms as they think fit, all or any part of the moneys uncalled upon their respective shares beyond the sums actually called up; and upon the moneys so paid in advance, or upon so much thereof as from time to time and at any time thereafter exceeds the amount of the calls then made upon, and due in respect of the shares in respect of which such advances have been made, the Board may pay or allow interest at such rate as the Shareholders paying such sums in advance and the Directors may agree upon, not exceeding, however, eight per centum per annum.

#### TRANSFER OF SHARES.

26. Subject to the restrictions contained in these Articles, any Shareholder may transfer all or any of his shares by instrument in writing.

27. No transfer of shares shall be made to a person of unsound mind.

28. The Company shall keep a book or books to be called "The Register of Transfers," in which shall be entered the particulars of every transfer or transmission of any share.

29. The Board may, at their own absolute and uncontrolled discretion, decline to register any transfer of shares by a Shareholder to any person not approved of by them; and in no case shall a Shareholder or proposed transferee be entitled to require the Directors to state the reason of their refusal to register, but their declinature shall be absolute.

30. Every instrument of transfer must be left at the office of the Company to be registered, accompanied by the certificate for the shares to be transferred and by such evidence as the Directors may reasonably require to prove the title of the transferor, and a fee of two rupees and fifty cents or such other sum as the Directors shall from time to time determine, must be paid to the Company for the registration of every such transfer; upon payment thereof the Directors, subject to the powers vested in them by Article 29, shall register the transferee as a Shareholder and retain the instrument of transfer.

31. The Directors may, by such means as they shall deem expedient, authorize the registration of transferees as Shareholders, without the necessity of any meeting of the Directors for that purpose.

32. In no case shall the Directors be bound to inquire into the validity, legal effect, or genuineness of any instrument of transfer produced by a person claiming a transfer of any share in accordance with these Articles; and whether they abstain from so inquiring, or do so inquire and are misled, the transferor shall have no claim whatsoever upon the Company in respect of the share, but only if at all, upon the transferee.

33. The Register of Transfers may be closed at such time and for such periods as the Directors may from time to time determine, provided always that it shall not be closed for more than twenty-one days in any year.

#### TRANSMISSION OF SHARES.

34. The executors or administrators, or the heirs of a deceased Shareholder, not being one of several joint-holders, shall be the only persons recognized by the Company as having any title to the shares of such Shareholder.

35. Any guardian or curator of any infant Shareholder, or the manager of the estate of a lunatic Shareholder, or any person becoming entitled to shares in consequence of the death, bankruptcy, or liquidation of any Shareholder, or in any other way than by transfer, may, with the consent of the Directors, upon producing such evidence that he sustains the character in respect of which he proposes to act under this clause, or of his title, as the Directors think sufficient, and subject to the provisions herein contained, be registered as a Shareholder in respect of such shares; or may, subject to the regulations as to transfers hereinbefore contained, transfer the same to some other person.

36. If any person who shall become entitled to be registered in respect of any share under clause 35, shall not, from any cause whatever, within thirty-six calendar months after the event on the happening of which his title shall accrue, be registered in respect of such share, or if, in the case of the death of any Shareholder, no person shall, within thirty-six calendar months after such death, be registered as a Shareholder in respect of the shares of such deceased Shareholder, the Company may sell such shares either by public auction or private contract but only among the Shareholders.

#### SURRENDER AND FORFEITURE OF SHARES.

37. The Directors may accept, in the name and for the benefit of the Company, and upon such terms and conditions as may be agreed, a surrender of the shares of Shareholders who may be desirous of retiring from the Company provided such acceptance is properly legalized.

38. If any Shareholder fails to pay any call or instalment on or before the day appointed for the payment of the same, the Directors may at any time thereafter, during such time as the call or instalment remains unpaid, serve a notice on such Shareholder requiring him to pay the same together with any interest that may have accrued and all expenses that may have been incurred by the Company by reason of such non-payment.

The notice shall name a day (not being less than one month from the date of the notice) on, and a place or places at which such call or instalment and such interest and expenses as aforesaid are to be paid. The notice shall also state that, in the event of non-payment at or before the time and at the place appointed, the shares in respect of which the call was made or instalment is payable will be liable to be forfeited.

If the requisition of such notice as aforesaid be not complied with, every or any share or shares in respect of which such notice has been given may at any time thereafter, before payment of calls or instalments, with interest, and expenses due in respect thereof, be declared forfeited by a resolution of the Board to that effect.

39. Any Shareholder whose shares have been so declared forfeited shall, notwithstanding, be liable to pay and shall forthwith pay to the Company all calls, instalments, premia, interest, and expenses owing upon or in respect of such shares at the time of the forfeiture, together with interest thereon from the time of forfeiture until payment at nine per centum per annum, and the Directors may enforce the payment thereof if they think fit.

40. Every share surrendered or so declared forfeited shall be deemed to be the property of the Company, and may be sold, re-allotted, or otherwise disposed of upon such terms and in such manner as the Board shall think fit.

41. The surrender or forfeiture of a share shall involve the extinction of all interest in and also of all claims and demands against the Company in respect of the share and the proceeds thereof and all other rights incident to the share, except only such of those rights (if any) as by these presents are expressly saved.

42. A certificate in writing under the hands of one of the Directors and of the Secretary or Secretaries that a share has been duly surrendered or forfeited, stating the time when it was surrendered or forfeited shall be conclusive evidence of the facts therein stated against all persons who would have been entitled to the share but for such surrender or forfeiture, and such certificate and the receipt of the Company for the price of such share shall constitute a good title to such share, and a certificate of proprietorship shall be delivered to any person who may purchase the same from the Company, and thereupon such purchaser shall be deemed the holder of such share, discharged from all calls due prior to such purchase and he shall not be bound to see to the application of the purchase money, nor shall his title to such share be affected by any irregularity in the proceedings in reference to such forfeiture or sale.

43. The Directors may in their discretion remit or annul the forfeiture of any share within six months from the date thereof upon the payment of all moneys due to the Company from the late holder or holders of such share or shares, and all expenses incurred in relation to such forfeiture, together with such further sum of money by way of redemption money for the deficit as they shall think fit, not being less than nine per centum per annum on the amount of the sum wherein default in payment had been made, but no share *bona fide* sold or re-allotted or otherwise disposed of under Article 40 hereof, shall be redeemable after sale or disposal.

44. The Company shall have a first charge or paramount lien upon all the shares of any holder or joint-holders for all monies for the time being due to the Company by such holder or by all or any of such joint-holders respectively, either in respect of such shares or of other shares held by such holder or joint-holders or in respect of any other debt, liability, or engagement whatsoever and whether due from any such holder individually or jointly with others, including all calls which the Directors shall have resolved to make, although the times appointed for the payment thereof shall not have arrived; and where any share is held by more persons than one, the Company shall be entitled to the said charge or lien in respect of any money due to the Company from any of such persons; and the Directors may decline to register any transfer of shares subject to such charge or lien.

45. Such charge or lien may be made available by a sale of all or any of the shares subject to it, provided that no such sale may be made except under a resolution of the Directors, and until notice in writing shall have been given to the indebted Shareholder or his executors or administrators, or the assignee or trustee in his bankruptcy, requiring him or them to pay the amount for the time being due to the Company, and default shall have been made for twenty-eight days from such notice in paying the sum thereby required to be paid. Should the Shareholder over whose share the lien exists be in England, India, or elsewhere abroad, sixty days' notice shall be allowed him.

46. The nett proceeds of such sale shall be applied in or towards satisfaction of such debts, liabilities, or engagements and the residue (if any) paid to such Shareholder or his representatives.

47. A certificate in writing under the hands of one of the Directors and of the Secretary that the power of sale given by clause 45 has arisen and is exercisable by the Company under these presents, shall be conclusive evidence of the facts therein stated.

48. Upon any such sale two of the Directors may execute a transfer of such share to the purchaser thereof, and such transfer, with the certificate last aforesaid, shall confer on the purchaser a complete title to such share.

#### PREFERENCE SHARES.

49. Any shares from time to time to be issued or created may from time to time be issued with any such right of preference, whether in respect of dividend or of repayment of capital, or both, or any such other special privilege or advantage over any shares previously issued or then about to be issued (other than shares issued with a preference), or at such a premium, or with such deferred rights as compared with any shares previously issued or then about to be issued, or subject to any such conditions or provisions, and with any such right or without any right of voting and generally on such terms as the Company may from time to time by special resolution determine.

50. If at any time by the issue of preference shares or otherwise the capital is divided into shares of different classes then the holders of any class of shares may, by an extraordinary resolution passed at a meeting of such holders, consent, on behalf of all the holders of shares of the class, to the issue or creation of any shares ranking equally therewith or having any priority thereto or to the abandonment of any preference or priority, or of any accrued dividend, or the reduction for any time or permanently of the dividends payable thereon, or to any scheme for the reduction of the Company's capital affecting the class of shares; and such resolution shall be binding upon all the holders of shares of the class, provided that this Article shall not be read as implying the necessity for such consent in any case in which but for this Article the object of the resolution could have been effected without it.

51. Any meeting for the purpose of the last preceding clause shall be convened and conducted in all respects as nearly as possible in the same way as an Extraordinary General Meeting of the Company, provided that no member not being a Director, shall be entitled to notice thereof or to attend thereat, unless he be a holder of shares of the class intended to be affected by the resolution, and that no vote shall be given except in respect of a share of that class, and that at any such meeting a poll may be demanded in writing by any members personally present and entitled to vote at the meeting.

#### BORROWING POWERS.

52. The Directors shall have power to procure from time to time, in the usual course of business, such temporary advances as they may find necessary or expedient for the purposes of defraying the expenses of working the Company's buildings, properties, lands, or estates, or of erecting, maintaining, improving, or extending buildings, machinery, or plantations, or otherwise. Also from time to time at their discretion to borrow or raise from the Directors or other persons any sum or sums of money for the purpose of the Company, provided that the money so borrowed or raised and owing at any one time shall not without the sanction of a General Meeting exceed Rupees Three hundred thousand (Rs. 300,000).

53. With the sanction of a General Meeting, the Board shall be entitled to borrow such further sum or sums and at such rate of interest as such meeting shall determine. A certificate under the hands of one Director and the Secretary or of two Directors, to the effect that in taking any loan the Directors are not exceeding their borrowing powers, shall be sufficient and binding on the Company and all concerned, and shall be conclusive evidence thereof in all questions between the Company and its creditors.

54. For the purpose of securing the repayment of any such money so borrowed or raised, or for any other purposes the Directors may grant, create, execute, and issue any mortgages, cash, credits, debentures, debenture stocks, bonds, or obligations of the Company, charged upon all or any part of the undertaking, revenue, land, property, rights, and assets of the Company, both present and future, including uncalled capital or unpaid calls, or may make, accept, or endorse on behalf of the Company any promissory notes or bills of exchange.

55. Any such securities may be issued either at par or at a premium or discount, and may from time to time be cancelled, discharged, varied, or exchanged as the Directors may think fit, and may contain special privileges as to redemption, surrender, drawings, allotment of shares, or otherwise.

56. Every debenture or other instrument issued by the Company for securing the payment of money may be so framed that the moneys thereby secured shall be assignable free from any equities between the Company and the person to whom the same may be issued.

#### GENERAL MEETINGS.

57. The First General Meeting shall be held at such time not being more than twelve months after the incorporation of the Company and at such place as the Directors may determine.

58. Subsequent General Meetings shall be held once in every year, at such time and place as may be prescribed by the Company in General Meeting, and if no time or place is so prescribed then at such place and at such time as soon after the first day in each year as may be determined by the Directors.

59. The General Meetings mentioned in the last preceding clause shall be called Ordinary General Meetings; all other meetings of the Company shall be called Extraordinary General Meetings.

60. The Directors may, whenever they think fit, call an Extraordinary General Meeting of the Company, and the Directors shall do so upon a requisition made in writing by not less than one-fourth of the number of Shareholders of the Company for the time being, or by any Shareholder or Shareholders holding in the aggregate one-fourth part of the shares of the Company for the time being subscribed for.

61. Any requisition so made shall express the object of the meeting proposed to be called, shall be addressed to the Directors, and shall be sent by registered post to the registered office of the Company.

Upon the receipt of such requisition, the Directors shall forthwith proceed to convene an Extraordinary General Meeting to be held at such time and place as they shall determine. If they do not proceed to convene the same within fourteen days from the delivery of the requisition, the requisitionists may themselves convene an Extraordinary General Meeting, to be held at such time and such place as the Shareholders convening the meeting may themselves fix.

62. Any Shareholder may, on giving not less than fifteen days' previous notice of any resolution, submit the same to a meeting.

63. Such notice shall be given by leaving a copy of the resolution at the registered office of the Company.

64. Seven days' notice at least of every General Meeting, Ordinary or Extraordinary, and by whomsoever convened specifying the place, date, hour of meeting, and the objects and business of the meeting, shall be given by advertisement in the *Government Gazette* or by notice sent by post or in such other manner (if any) as may be prescribed by the Company in General Meeting. Where it is proposed to pass a special resolution the two meetings may be convened by one and the same notice, and it is to be no objection to such notice that it only convenes the second meeting contingently upon the resolution being passed by the requisite majority at the first meeting.

65. Every Ordinary General Meeting shall be competent, without special notice having been given of the purposes for which it is convened, or of the business to be transacted thereat, to receive and discuss any report and any accounts presented thereto by the Directors, and to pass resolutions in approval or disapproval thereof, and to declare dividends,

and to elect Directors and Auditors in place of those retiring, and to fix the remuneration of the Auditors; and shall also be competent to enter upon, discuss, and transact any business whatsoever of which special mention shall have been given in the notice or notices upon which it was convened.

66. With the exceptions mentioned in the foregoing Articles as to the business which may be transacted at Ordinary General Meetings, without notice, no General Meeting, Ordinary or Extraordinary, shall be competent to enter upon, discuss, or transact any business which has not been specially mentioned in the notice or notices upon which it was convened.

67. No business shall be transacted at any General Meeting, except the declaration of a dividend recommended by a report of the Directors or election of a Chairman, unless there shall be present or represented at the commencement of the business two or more Shareholders entitled to vote.

68. If at the expiration of half an hour from the time appointed for the meeting the required number of Shareholders shall not be present at the meeting, the meeting if convened by or upon the requisition of Shareholders, shall be dissolved, but in any other case it shall stand adjourned to the same day in the next week at the same time and place; and if at such adjourned meeting a quorum is not present, the Shareholders who are present shall be a quorum, and may transact the business for which the meeting was called.

69. The Chairman (if any) of the Directors shall be entitled to take the Chair at every General Meeting, whether Ordinary or Extraordinary; or if there be no Chairman, or if at any meeting he shall not be present at the time appointed for holding such meeting, or if he shall refuse to take the Chair, the Shareholders shall choose another Director as Chairman; and if no Director be present, or if all the Directors present decline to take the Chair, then the Shareholders present shall choose one of their number to be Chairman.

70. No business shall be discussed at any General Meeting, except the election of a Chairman, whilst the Chair is vacant.

71. The Chairman may, with the consent of the meeting, adjourn any meeting from time to time and from place to place, but no business shall be transacted at any adjourned meeting other than the business left unfinished at the meeting from which the adjournment took place unless due notice thereof shall be given.

72. Minutes of the proceedings of every General Meeting, whether Ordinary or Extraordinary, shall be entered in a book to be kept for that purpose, and shall when so entered be signed as soon as practicable by the Chairman of the same meeting, or by the Chairman of the succeeding meeting, and the same when so entered and signed shall be evidence of all such proceedings and of the proper election of the Chairman.

#### VOTING AT MEETINGS.

73. At any meeting every resolution shall be decided by a show of hands, and in case there shall be an equality of votes, the Chairman at such meeting shall be entitled to give a casting vote in addition to the vote to which he may be entitled as a Shareholder, and unless a poll be immediately demanded by some Shareholder, or in the case of a special resolution by five Shareholders present and entitled to vote, a declaration by the Chairman that a resolution has been carried, and an entry to that effect in the Minute Book of the Company, shall be sufficient evidence of the fact without proof of the number or proportion of votes recorded in favour of or against such resolution. The power of demanding a poll conferred by this clause may be exercised by the proxy or attorney of any Shareholder duly appointed in that behalf.

74. If at any meeting a poll be demanded by some Shareholder present, his proxy or attorney or in the case of a special resolution by five Shareholders, their proxies or attorneys at the meeting and entitled to vote, the meeting shall, if necessary, be adjourned, and the poll shall be taken at such time and place and in such manner as the Chairman shall direct, and in such case every Shareholder shall have the number of votes to which he may be entitled as hereinafter provided, and in case at any such poll there shall be an equality of votes, the Chairman of the meeting at which such poll shall have been demanded shall be entitled to a casting vote in addition to any votes to which he may be entitled as a Shareholder or proxy or attorney, and the result of such poll shall be deemed to be the resolution of the Company in such meeting.

75. The demand of a poll shall not prevent the continuance of a meeting for the transaction of business other than the question on which a poll has been demanded.

76. No poll shall be demanded on the election of a Chairman of the meeting or on any question of adjournment.

77. On a show of hands every Shareholder present in person shall have one vote. When a Shareholder is present by an attorney who is not a Shareholder such attorney shall be entitled to vote for such Shareholder on a show of hands. In case of a poll every Shareholder shall have one vote for every share held by him.

78. The parent or guardian or curator of an infant Shareholder, the manager of the estate or other legal guardian or curator of any lunatic Shareholder, the husband of any female Shareholder not entitled to her shares as separate estate, and the executor or administrator of any deceased Shareholder, or any one of such persons as aforesaid, if more than one, shall not be entitled to vote in the place of such infant, lunatic, female, or deceased Shareholder, unless such persons shall have been registered as a Shareholder.

79. Votes may be given either personally or by proxy or by attorney.

80. No Shareholder shall be entitled to be present or to vote either personally or by proxy or attorney at any meeting unless all calls due from him on his shares have been paid, and no Shareholder other than the trustee or assignee of a bankrupt or representative of a deceased Shareholder shall be entitled to be present or to vote at any meeting held after the expiration of three months from the registration of the Company in respect of any share which he has acquired by transfer, unless he has been registered as the holder of the share in respect of which he claims to vote at least three months previous to the time of holding the meeting at which he proposes to vote.

81. No person shall be entitled to hold a proxy who is not a Shareholder in the Company, but this rule shall not apply to a power of attorney.

82. The instrument appointing a proxy shall be printed or written and shall be signed by the appointor (whether a Shareholder or his attorney) or if such appointor be a company or corporation, it shall be under the common seal of such company or corporation.

83. The instrument appointing a proxy or attorney shall be deposited at the registered office of the Company not less than forty-eight hours before the time appointed for the holding of the meeting at which the person named in such instrument proposes to vote.

The instrument appointing a proxy may be in the following form:—

*Colombo Buildings, Limited.*

I, \_\_\_\_\_ of \_\_\_\_\_, appoint \_\_\_\_\_, of \_\_\_\_\_ as my proxy to represent me and to vote for me and on my behalf at the Ordinary (or Extraordinary, as the case may be) General Meeting of the Company to be held on the \_\_\_\_\_ day of \_\_\_\_\_, One thousand Nine hundred and \_\_\_\_\_, and at any adjournment thereof, and at every poll which may be taken in consequence thereof.

As witness my hand, this \_\_\_\_\_ day of \_\_\_\_\_, One thousand Nine hundred and \_\_\_\_\_.

84. No objection shall be made to the validity of any vote (whether given personally or by proxy or by attorney), except at the meeting or poll at which such votes shall be tendered, and every vote (whether given personally or by proxy or by attorney) to which no objection shall have been made at such meeting or poll shall be deemed valid for all purposes of such meeting or poll whatsoever.

85. No Shareholder shall be prevented from voting by reason of his being interested in the result of the voting.

#### DIRECTORS.

86. The number of Directors shall never be less than two or more than six, but this clause shall be construed as being directory only, and the continuing Directors or Director may act notwithstanding any number of vacancies.

The qualification of a Director shall be his holding in his own right at least one hundred fully or partly paid shares in the Company upon which all calls for the time being have been paid, and this qualification shall apply as well to the first Directors as to all future Directors.

87. As remuneration for their services the Directors shall be entitled to appropriate a sum not exceeding One thousand Rupees (Rs. 1,000), annually to be divided between them in such manner as they may determine, but the Company in General Meeting may at any time alter the amount of such remuneration for the future, and such remuneration shall not be considered as including any remuneration granted for special or extra services hereinafter referred to, nor any extra remuneration to the Managing Directors of the Company.

88. The first Directors shall be Adamaly Mohamedbhoj (also known as E. G. Adamaly), Hassenally Esufaly, Fazalabas Goolamhusein, John William Oldfield, and Charles Stewart Burns. The first Directors shall hold office till the First Ordinary General Meeting of the Company, when they shall retire, but shall be eligible for re-election.

89. One or more of the Directors may be appointed by the Directors to act as Secretary, Manager, Managing Director, and (or) Agent, Visiting Agent, or Superintendent for such time and on such terms as the Directors may determine or may fix by agreement with the person or persons appointed to the office, and they may from time to time revoke such appointment and appoint another or other Secretary, Manager, Managing Director, and (or) Agent, Visiting Agent, or Superintendent.

90. The Directors may confer on the Managing Director or Managing Directors all or any duties and powers that might be conferred on any Manager of the Company.

If any Director shall be called upon to perform any extra services, the Directors may arrange with such Directors for such special remuneration for such services, either by way of salary, commission, or the payment of a lump sum of money, as they shall think fit.

91. At the First Ordinary General Meeting of the Company all the Directors shall retire from office, and at the First Ordinary General Meeting in every subsequent year one of the Directors for the time being shall retire from office as provided in clause 92.

92. The Director to retire from office at the Second Ordinary General Meeting shall, unless the Directors arrange among themselves, be determined by ballot; in every subsequent year the Directors to retire shall be those who have been longest in office.

93. In case any question shall arise as to which of the Directors who have been the same time in office shall retire, the same shall be decided by the Directors by ballot.

94. Retiring Directors shall be eligible for re-election.

95. The Ordinary General Meeting at which Directors retire or ought to retire by rotation, shall appoint successors to them, and in default thereof such successors may be appointed at a subsequent Ordinary General Meeting.

96. Any casual vacancy occurring in the number of Directors or provisional Directors arising from death, resignation, or otherwise may be filled up by the Directors, but any person appointed to fill such vacancy shall retain his office so long only as the vacating Director would have retained the same if no vacancy had occurred.

97. A General Meeting may from time to time increase or reduce the number of Directors and may also determine in what rotation such increase or reduced number is to go out of office.

98. The statement so made shall show, arranged under the most convenient heads, the amount of gross income distinguishing the several sources, from which it has been derived and the amount of gross expenditure. Every item of expenditure fairly chargeable against the year's income shall be brought into account, so that a just balance of profit and loss may be laid before the meeting.

128. The balance sheet shall contain a summary of the property and liabilities of the Company arranged under the heads appearing in the form annexed to the table referred to in Schedule C to "The Joint Stock Companies Ordinance, 1861," or as near thereto as circumstances admit.

129. Every such statement shall be accompanied by a report as to the state and condition of the Company and as to the amount, if any, which the Directors recommend should be paid out of the profits by way of dividend or bonus to the Shareholders.

137. Every Auditor shall be supplied with a copy of the balance sheet intended to be laid before the next Ordinary General Meeting after his appointment, and it shall be his duty to examine the same with the accounts and vouchers relating thereto and to report thereon to the meeting, generally or specially, as he may think fit.

140. The Directors may, if they think fit, determine on and declare an interim dividend to be paid, or pay a bonus to the Shareholders provided that the Directors are satisfied that the nett profits of the Company will be sufficient to justify such interim dividend or bonus.

141. The Directors may, before recommending any dividend or bonus, set aside out of the profits of the Company such sums as they think proper as a reserve fund and may invest the same in such securities as they may select, or place the same on fixed deposit in any bank or banks, and may from time to time deal with and vary such investment and apply such reserve fund or such portion thereof, as they think fit, to meet contingencies or for special dividends or for equalizing dividends, or for working the business of the Company, or for repairing, maintaining, or extending the buildings and premises of the Company or for the repair or renewal or extension of the property or plant of the Company or any part thereof, or for any other purpose connected with the interests of the Company that they may from time to time deem expedient without being bound to keep the same separate from the other assets.

142. Any General Meeting may direct payment of any dividend or bonus declared at such meeting or of any interim dividends or bonuses which may subsequently be declared by the Directors, wholly or in part by means of drafts or cheques on London, or by the distribution of specific assets and in particular of paid-up shares, debentures, or debenture stock of the Company, or of any other company or in any other form or specie, or in any one or more of such ways and the Directors shall give effect to such direction and when any difficulty arises in regard to the distribution they may settle the same as they think expedient and in particular may issue fractional certificates and may fix the value for distribution of such specific assets or any part thereof, and may determine that cash payments shall be made to any Shareholder upon the footing of the value so fixed in order to adjust the rights of all parties and may vest any such specific assets in trustees upon such trusts for the persons entitled to the dividend or bonus as may seem expedient to the Directors.

143. The Company in General Meeting may from time to time determine that any money, investments, or other assets representing or forming part of its undivided profits, including those standing to the credit of any reserve fund or in the hands of the Company and available for dividend or representing premiums on any issue of shares or loan capital or of any profits arising from the sale of property in excess of the value at which such property stands in the capital account or arising from any other operation creating an excess of assets on capital account and carried to reserve shall be capitalized and may resolve that the same be set free for the purpose of distribution among the Shareholders according to their rights and interests on the footing that they became entitled thereto as capital and that all or any part of such capital fund be applied in paying up (in full or in part) any unissued shares of the Company or any debentures, debenture stocks, bonds, or other obligations of the Company, and that the said shares, debentures, debenture stock, bonds, or other obligations fully or partly-paid up the distributed among the Shareholders as aforesaid, and be accepted by them in full satisfaction of their interest in the capitalized sum. For the purpose of giving effect to any resolution under this Article the Directors may settle any difficulty which may arise in regard to the distribution as they think expedient, and in particular may issue fractional certificates and may fix the value for distribution of any specific assets, and may determine that fractions of less value than Rs. 10 may be disregarded or paid in cash in order to adjust the rights of all parties, and may vest any such specific assets or cash in trustees upon such trusts for the persons entitled to the capitalized fund as may seem expedient to the Directors. Provided that no such distribution shall be made, unless recommended by the Directors.

144. No unpaid dividend or bonus shall ever bear interest against the Company.

The Directors may deduct from the dividend or bonus payable to any Shareholder all such sums of money as may be due from him (whether alone or jointly with any other person) to the Company, and notwithstanding the fact that such sums or any of them are not payable until after the date when such dividend or bonus is payable.

147. Any dividend or bonus unclaimed by any Shareholder for three years after having been declared may be forfeited by the Directors for the benefit of the Company, and, if the Directors think fit, may be applied in augmentation of the Reserve Fund.

148. Every dividend or bonus payable in respect of any share held by a firm may be paid to and an effectual receipt given by any partner of such firm or agent duly authorized to sign the name of the firm.

152. A notice may be served by the Company upon any Shareholder, either personally or by being sent through the post in a pre-paid letter addressed to such Shareholder at his registered address or place of abode, and any notice so served shall be deemed to be well served notwithstanding that the Shareholder to whom such notice is addressed be dead, unless his executors or administrators shall have given to the Directors, or to the Agent or Secretary, or Agents or Secretaries of the Company, their own or some other address in Ceylon to which notice may be sent.

153. All notices required to be given by advertisement shall be published in the *Ceylon Government Gazette*.

## SALES OF TOLL AND OTHER RENTS.

#### Halpatota Ferry Rent, 1928-29.

NOTICE is hereby given that the Government Agent for the Southern Province will receive sealed tenders for the purchase of the under-mentioned Toll Rent of the Southern Province, for one year from October 1, 1928, or till opening of the bridge which is now under construction whichever is the earlier.

2. The tenders which must be in sealed envelopes, superscribed "Tenders for Toll Rents," will be received at the Galle Kachcheri, until 2 P.M. on Friday, September 21, 1928, when they will be opened, and all persons making tender will be required to be present, or to satisfy the Government Agent by some duly accredited agents that the tender is *bona fide*. The Government Agent reserves to himself the right of rejecting any or all tenders and of selling the rent by public auction on the same day if no satisfactory tender is received.

3. Tenders are invited to tender for the amount of rent they are prepared to pay per month.

4. The person whose tender is selected by the Government Agent, for submission to the Hon. the Controller of Revenue, will be required to deposit at once one month's rent in cash in advance; and should the tender be accepted by the Controller of Revenue, to furnish approved security for four months' rent, or in cash for three months' rent, within thirty days of the date of the receipt by him of the notification of the acceptance of his offer.

5. If security be given in cash, the amount deposited on the day of sale shall be allowed to count as part of the three months' rent which the purchaser has to deposit as security,

if, however, security be given in land, the cash deposit shall be retained as security additional to the landed property mortgaged with the Government Agent, and shall be hypothecated with it.

6. He will further be required to deposit money to pay the fees of the Crown Counsel for examining and giving his opinion on the title deeds of the properties tendered by him as security, and for examining and settling the security bond and the expenses of appraising the properties and of registering the security bond.

7. All title deeds tendered as security should be accompanied by a certificate obtained from the Registrar of Lands, that the lands to which they relate are unencumbered. This certificate must be obtained at the cost of the party offering the security.

8. He will be required to exhibit a red light on both sides of the toll bar, visible at a distance of 100 yards.

9. It is further notified that all omnibuses and lorries are excluded from the vehicular traffic allowed to use the ferry.

10. Conditions of sale may be seen on application at the Kachcheri and any other information obtained on application to the Government Agent.

Municipal Office,  
Kandy, September 3, 1928.

R. H. WHITEHORN,  
Chairman.

**MUNICIPALITY OF GALLE.****Minutes of Proceedings of a General Meeting of the Municipal Council of Galle, held in the Municipal Office on Saturday, July 14, 1928, at 9 a.m., pursuant to Notice dated July 9, 1928.**

*Present* :—Mr. L. W. C. Schrader, Chairman; Hon. Mr. H. M. Macan Markar, M.L.C.; Mr. D. W. Subasinghe; Mr. C. E. de Vos; Mr. J. E. Perera; Mr. C. L. Wickremasinghe; Mr. F. W. Sproule; Mr. S. H. Dahanayake; and Dr. T. de Kretser.

1. The Minutes of the General Meeting of June 9, 1928, a copy thereof having been furnished to each Member, were taken as read and confirmed.

2. Pursuant to notice, Mr. C. L. Wickremasinghe asked the following questions :—

(1) (a) How many cases of persons suffering from enteric fever have been reported during the months of April, May, and June? (b) What are the areas from which such cases have been reported?

(2) Have any steps been taken to acquire the land along Richmond Hill road for the purpose of widening the road?

The Chairman replied as follows :—(1) The following cases of enteric fever have been reported to the Medical Officer of Health :—

In April one case at Kumbalwella (Ward 5).

In May eight cases, of which five were at Kumbalwella (Ward 5), and one each at Pokunegodawatta (Ward 4), Weliwatta (Ward 2), and Kutugoda (Ward 3). In June nineteen cases, of which eight were at Kumbalwella (Ward 5), two each at Galawadugoda (Ward 5), and Makuluwa (Ward 3), one each at Kalegane, Dadalla, Bope (Ward 5), Kumbalwella, Kitulampitiya, Elliott road (Ward 4), and Minuwangoda (Ward 2).

(2) Yes. The Government Agent has been requested to acquire the land. A report from him on the subject is to be considered to-day by the Standing Committee on Municipal Works.

In reply to a supplemental question by Mr. C. L. Wickremasinghe, whether enteric fever was abating, the Chairman said that no cases had been reported in July.

In reply to Mr. S. H. Dahanayake's question the Chairman said he did not think the outbreak of enteric fever was due to milk supply.

3. Pursuant to notice, Mr. S. H. Dahanayake asked the following questions :—(1) Will the Chairman be pleased to inform the Council the number of tenements in each of the Wards separately ? (2) Is the Chairman aware of the fact gravel piled up on Richmond Hill road, Havelock place, Kandewatta road, and several other roads have not been used during the past year and are now practically washed away ?

The Chairman replied as follows :—(1) If by "tenements" the Member means dwelling-houses, the preparation of the statement will take some time as an officer is not available for the purpose at present. If he means all rated properties, the number could be furnished from the registers without delay. Mr. Dahanayake stated that he meant all rated properties. (2) I am not aware of this. The Superintendent of Works informs me that the gravel piled last year on Richmond Hill road and Kandewatta road was used; and that no gravel was supplied for Havelock place. The gravel now on the roads was piled this year.

4. Pursuant to notice, Mr. C. L. Wickremasinghe moved that immediate steps be taken to repair the Pavilion on the esplanade by placing a railing at the entrance to the second floor.

The Chairman informed the mover that the matter had received attention.

Mr. Wickremasinghe, with the leave of the Council, withdrew the motion.

5. Pursuant to notice, Mr. S. H. Dahanayake moved :—(1) A Committee of this Council be appointed to revise the salaries of the officers employed under the Municipal Council, and to report in time to include any such revision in the Budget for next year.

The motion was not seconded.

(2) The Superintendent of Works be requested to submit estimates :—(a) For repairs to the drain on the Western side of Jail road. With the leave of the Council the motion was withdrawn, pending the report of the Superintendent of Works. (b) For building a drain connecting the newly built drain through the Kaluwella tennis court and the drain on the south of Templar road.

Hon. Mr. H. M. Macan Markar seconded.

Mr. C. L. Wickremasinghe moved as an amendment, that the Superintendent of Works be asked for a report and a sketch. Mr. D. W. Subasinghe seconded the amendment.

Mr. J. E. Perera spoke against the motion, and the mover replied.

The amendment was put to the meeting and carried by 6 votes to 2. The motion was declared lost.

(c) For covering up the new drain running through Kaluwella tennis court. Mr. C. L. Wickremasinghe seconded. The Chairman and Dr. T. de Kretser spoke against the motion.

The motion was put to the meeting and declared lost, two voting for the motion and six against.

(3) It is the opinion of this Council that the amended plan of Alia Marikar Zainul Abdeen to build stores be considered by the Works Committee.

With the leave of the Council the motion was withdrawn.

(4) This Council is of opinion that lights be provided for Park road in Kaluwella and Fish Market road in the Bazaar. Mr. D. W. Subasinghe seconded.

The Chairman moved as an amendment that the subject of the motion be referred to the Special Committee on Electric Lighting. Hon. Mr. H. M. Macan Markar seconded.
