Provided that such unissued shares except when otherwise provided shall first be offered by the Directors to the Shareholders in proportion as nearly as possible to the existing shares held by them, and such offer shall be made by notice specifying the number of shares to which the Shareholder is entitled, and limiting a time within which the offer, if not accepted, will be deemed to be declined, and after the expiration of such time, or on the receipt of an intimation from the Shareholder to whom such notice is given that he declines to accept the shares offered, the same shall be disposed of in such manner as the Directors may determine. Provided that the Directors may at their discretion allot such new shares or any portion of them to the vendor or vendors of any estates or lands being acquired by the Company in payment of the whole or any part of the purchase price of any such estates or lands, or as remuneration for work done for or services rendered to the Company and that without offering the shares so allotted to the Shareholders.

11. In case of the increase of the capital of the Company by the creation of new shares, such new shares shall be issued upon such terms and conditions, and with such preferential, deferred, qualified, special, or other rights and privileges annexed thereto, as the General Meeting resolving on the creation thereof, or any other General Meeting of the Company shall direct, and, if no direction be given, as the Directors shall determine, and in particular such shares may be issued with a preferential or qualified right to the dividends, and in the distribution of the assets of the Company and with a special or without any right of voting.

16. In case of the death of any one or more of the joint-holders of any shares, the survivor or survivors shall be the only person or persons recognized by the Company as having any title to, or interest in, such shares.

17. The Company shall not be bound to recognize (even though having notice of) any contingent, future, partial, or equitable interest in the nature of a trust or otherwise in any share, or any other right in respect of any share, except any absolute right thereto in the person from time to time registered as the holder thereof, and except also the right of any person under clause 35 to become a Shareholder in respect of any share.

18. The joint-holders of a share shall be severally as well as jointly liable for the payment of all instalments and calls due in respect of such share.

But no Shareholder shall be entitled to any such extension except as a matter of grace or favour.

25. The Directors may at their discretion receive from any of the Shareholders willing to advance the same, and upon such terms as they think fit, all or any part of the moneys uncalled upon their respective shares beyond the sums actually called up; and upon the moneys so paid in advance, or upon so much thereof as from time to time and at any time thereafter exceeds the amount of the calls then made upon, and due in respect of the shares in respect of which such advances have been made, the Board may pay or allow interest at such rate as the Shareholders paying such sums in advance and the Directors may agree upon, not exceeding, however, eight per centum per annum.

#### TRANSFER OF SHARES.

26. Subject to the restrictions contained in these Articles, any Shareholder may transfer all or any of his shares by instrument in writing.

Every instrument of transfer must be left at the office of the Company to be registered, accompanied by the certificate for the shares to be transferred and by such evidence as the Directors may reasonably require to prove the title of the transferor, and a fee of Two Rupees and Fifty Cents or such other sum as the Directors shall from time to time determine, must be paid to the Company for the registration of every such transfer; upon payment thereof the Directors, subject to the powers vested in them by Article 29, shall register the transferee as a Shareholder and retain the instrument of transfer.

31. The Directors may, by such means as they shall deem expedient, authorize the registration of transferees as Shareholders, without the necessity of any meeting of the Directors for that purpose.

32. In no case shall the Directors be bound to inquire into the validity, legal effect, or genuineness of any instrument of transfer produced by a person claiming a transfer of any share in accordance with these Articles; and whether they abstain from so inquiring, or do so inquire and are misled, the transferor shall have no claim whatsoever upon the Company in respect of the share, except for the dividends previously declared in respect thereof, but only if at all, upon the transferee.

33. The Register of Transfers may be closed at such times and for such periods as the Directors may from time to time determine, provided always that it shall not be closed for more than twenty-one days in any year.

36. If any person who shall become entitled to be registered in respect of any share under clause 35, shall not, from any cause whatever, within twelve calendar months after the event on the happening of which his title shall accrue, be registered in respect of such share, or if in the case of the death of any Shareholder, no person shall within twelve calendar months after such death, be registered as a Shareholder in respect of the shares of such deceased Shareholder, the Company may sell such shares, either by public auction or private contract, and give a receipt for the purchase money; and the purchaser shall be entitled to be registered in respect of such shares, and shall not be bound to inquire whether the events have happened which entitled the Company to sell the same, and the nett proceeds of such sale, after deducting all expenses and all moneys in respect of which the Company is entitled to a lien on the shares so sold, shall be paid to the person entitled thereto.

#### SURRENDER AND FORFEITURE OF SHARES.

37. The Directors may accept, in the name and for the benefit of the Company, and upon such terms and conditions as may be agreed a surrender of the shares of Shareholders who may be desirous of retiring from the Company provided such acceptance is properly legalized.

38. If any Shareholder fails to pay any call or instalment on or before the day appointed for the payment of the same, the Directors may at any time thereafter, during such time as the call or instalment remains unpaid, serve a notice on such Shareholder requiring him to pay the same together with any interest that may have accrued, and all expenses that may have been incurred by the Company by reason of such non-payment.

The notice shall name a day (not being less than one month from the date of the notice) on, and a place or places at which such call or instalment and such interest and expenses as aforesaid are to be paid. The notice shall also state that, in the event of non-payment at or before the time and at the place appointed, the shares in respect of which the call was made or instalment is payable will be liable to be forfeited.

If the requisition of such notice as aforesaid be not complied with, every or any share or shares in respect of which such notice has been given may at any time thereafter, before payment of calls or instalments, with interest and expenses due in respect thereof, be declared forfeited by a resolution of the Board to that effect.

39. Any Shareholder whose shares have been so declared forfeited shall notwithstanding be liable to pay and shall forthwith pay to the Company all calls, instalments, premia, interest, and expenses owing upon or in respect of such shares at the time of the forfeiture, together with interest thereon from the time of forfeiture until payment at nine per centum per annum, and the Directors may enforce the payment thereof if they think fit.

40. Every share surrendered or so declared forfeited shall be deemed to be the property of the Company, and may be sold, re-allotted, or otherwise disposed of upon such terms and in such manner as the Board shall think fit.

The surrender or forfeiture of a share shall involve the extinction of all interest in, and also of all claims and demands against the Company in respect of the share and the proceeds thereof, and all other rights incident to the share, except only such of those rights (if any) as by these presents are expressly saved.

42. A certificate in writing under the hands of one of the Directors and of the Secretary or Secretaries that a share has been duly surrendered or forfeited, stating the time when it was surrendered or forfeited, shall be conclusive evidence of the facts therein stated as against all persons who would have been entitled to the share, but for such surrender or forfeiture, and such certificate and the receipt of the Company for the price of such share shall constitute a good title to such share and a certificate of proprietorship shall be delivered to any person who may purchase the same from the Company, and thereupon such purchaser shall be deemed the holder of such share, discharged from all calls due prior to such purchase; and he shall not be bound to see to the application of the purchase money, nor shall his title to such share be affected by any irregularity in the proceedings in reference to such forfeiture or sale.

43. The Directors may in their discretion remit or annul the forfeiture of any share within six months from the date thereof upon the payment of all moneys due to the Company from the late holder or holders of such share or shares, and all expenses incurred in relation to such forfeiture, together with such further sum of money by way of redemption money for the deficit as they shall think fit, not being less than nine per centum per annum on the amount of the sums wherein default in payment had been made, but no share *bona fide* sold or re-allotted, or otherwise disposed of under Article 40 hereof, shall be redeemable after sale or disposal.

44. The Company shall have a first charge or paramount lien upon all the shares of any holder or joint-holders for all moneys for the time being due to the Company by such holder or by all or any of such joint-holders respectively, either in respect of such shares or of other shares held by such holder or joint-holders or in respect of any other debt, liability, or engagement whatsoever and whether due from any such holder individually or jointly with others, including all calls which the Directors shall have resolved to make, although the times appointed for the payment thereof shall not have arrived; and where any share is held by more persons than one, the Company shall be entitled to the said charge or lien in respect of any money due to the Company from any of such persons. And the Directors may decline to register any transfer of shares subject to such charge or lien.

45. Such charge or lien may be made available by a sale of all, or any of the shares subject to it, provided that no such sale shall be made except under a resolution of the Directors, and until notice, in writing shall have been given to the indebted Shareholder or his executors or administrators, or the assignee or trustee in his bankruptcy, requiring him or them to pay the amount for the time being due to the Company, and default shall have been made for twenty-eight days from such notice in paying the sum thereby required to be paid. Should the Shareholder over whose share the lien exists be in England or elsewhere abroad, sixty days' notice shall be allowed him.

46. The nett proceeds of any such sale shall be applied in or towards satisfaction of such debts, liabilities, or engagements, and the residue (if any) paid to such Shareholder or his representatives.

47. A certificate in writing under the hands of one of the Directors and of the Secretary that the power of sale given by clause 45 has arisen, and is exercisable by the Company under these presents, shall be conclusive evidence of the facts therein stated.

48. Upon any such sale two of the Directors may execute a transfer of such share to the purchaser thereof, and such transfer, with the certificate last aforesaid, shall confer on the purchaser a complete title to such share.

#### PREFERENCE SHARES.

49. Any shares from time to time to be issued or created may from time to time be issued with any such right or preference, whether in respect of dividend or of repayment of capital, or both, or any such other special privilege or advantage over any shares previously issued or them about to be issued (other than shares issued with a preference), or at such a premium, or with such deferred rights as compared with any shares previously issued or then about to be issued, or subject to any such conditions or provisions, and with any such right or without any right of voting, and generally on such terms as the Company may from time to time by special resolution determine.

50. If at any time by the issue of preference shares or otherwise the capital is divided into shares of different classes, then the holders of any class of shares may by an extraordinary resolution passed at a meeting of such holders, consent, on behalf of all the holders of shares of the class, to the issue or creation of any shares ranking equally therewith, or having any priority thereto, or to the abandonment of any preference or priority, or of any accrued dividend, or the reduction for any time or permanently of the dividends payable thereon, or to any scheme for the reduction of the Company's capital affecting the class of shares; and such resolution shall be binding upon all the holders of shares of the class, provided that this Article shall not be read as implying the necessity for such consent in any case in which but for this Article the object of the resolutions could have been effected without it.

51. Any meeting for the purpose of the last preceding clause shall be convened and conducted in all respects as nearly as possible in the same way as an Extraordinary General Meeting of the Company, provided that no member not being a Director, shall be entitled to notice thereof or to attend thereat, unless he be a holder of shares of the class intended to be affected by the resolution, and that no vote shall be given except in respect of a share of that class, and that at any such meeting a poll may be demanded in writing by any members personally present and entitled to vote at the meeting.

#### BORROWING POWERS.

52. The Directors shall have power to procure from time to time, in the usual course of business, such temporary advances on the produce in hand, or in the future to be obtained from the Company's estates, as they may find necessary or expedient for the purpose of defraying the expenses of working the Company's estates, or of erecting, maintaining, improving, or extending buildings, machinery, or plantations, or otherwise. Also from time to time at their discretion

to borrow or raise from the Directors or other persons any sum or sums of money for the purposes of the Company, provided that the money so borrowed or raised and owing at any one time shall not, without the sanction of a General Meeting, exceed Rupees Fifty thousand (Rs. 50,000).

53. With the sanction of a General Meeting, the Board shall be entitled to borrow such further sum, or sums and at such rate of interest as such meeting shall determine. A certificate under the hands of one Director and the Secretary, or of two Directors, to the effect that in taking any loan the Directors are not exceeding their borrowing powers, shall be sufficient and binding on the Company and all concerned, and shall be conclusive evidence thereof in all questions between the Company and its creditors.

54. For the purpose of securing the repayment of any such money so borrowed or raised, or for any other purposes, the Directors may grant, create, execute, and issue any mortgages, cash credits, debentures, debenture stock, bonds, or obligations of the Company, charged upon all or any part of the undertaking, revenue, lands, property, rights, and assets of the Company both present and future, including uncalled capital or unpaid calls, or may make, accept, or endorse on behalf of the Company any promissory notes or bills of exchange.

55. Any such securities may be issued either at par or at a premium or discount, and may from time to time be cancelled, discharged, varied, or exchanged as the Directors may think fit, and may contain special privileges as to redemption, surrender, drawings, allotment of shares, or otherwise.

56. Every debenture or other instrument issued by the Company for securing the payment of money may be so framed that the moneys thereby secured shall be assignable free from any equities between the Company and the person to whom the same may be issued.

#### GENERAL MEETINGS.

57. The First General Meeting shall be held at such time not being more than twelve months after the incorporation of the Company and at such place as the Directors may determine.

58. Subsequent General Meetings shall be held once in every year, at such time and place as may be prescribed by the Company in General Meeting, and if no time or place is so prescribed then at such place and at such time as soon after the first day in each year as may be determined by the Directors.

59. The General Meetings mentioned in the last preceding clause shall be called Ordinary General Meetings; other meetings of the Company shall be called Extraordinary General Meetings.

60. The Directors may, whenever they think fit, call an Extraordinary General Meeting of the Company, and the Directors shall do so upon a requisition made in writing by not less than one-eighth of the number of Shareholders of the Company for the time being, or by any Shareholder or Shareholders holding in the aggregate one-eighth part of the shares of the Company for the time being subscribed for.

61. Any requisition so made shall express the object of the meeting proposed to be called, shall be addressed to the Directors, and shall be sent to the registered office of the Company.

Upon the receipt of such requisition, the Directors shall forthwith proceed to convene an Extraordinary General Meeting, to be held at such time and place as they shall determine. If they do not proceed to convene the same within seven days from the delivery of the requisition, the requisitionists may themselves convene an Extraordinary General Meeting, to be held at such place and such time as the Shareholders convening the meeting may themselves fix.

62. Any Shareholder may, on giving not less than five days' previous notice of any resolution, submit the same to a meeting.

63. Such notice shall be given by leaving a copy of the resolution at the registered office of the Company.

64. Seven days' notice at least of every General Meeting, Ordinary or Extraordinary, and by whomsoever convened, specifying the place, date, hour of meeting, and the objects and business of the meeting, shall be given by advertisement in the *Ceylon Government Gazette*, or in such other manner (if any) as may be prescribed by the Company in General Meeting. Where it is proposed to pass a special resolution the two meetings may be convened by one and the same notice, and it is to be no objection to such notice that it only convenes the 2nd meeting contingently upon the resolution being passed by the requisite majority at the 1st meeting.

64(a). The accidental omission to give notice of any meeting to or the non-receipt of such notice by any of the Shareholders shall not invalidate any resolution passed at any such meeting.

65. Every Ordinary General Meeting shall be competent, without special notice having been given of the purposes for which it is convened, or of the business to be transacted thereat, to receive and discuss any report and any accounts presented thereto by the Directors, and to pass resolutions in approval or disapproval thereof, and to declare dividends, and to elect Directors and Auditors in place of those retiring by rotation, and to fix the remuneration of the Auditors; and shall also be competent to enter upon, discuss, and transact any business whatsoever of which special mention shall have been given in the notice or notices upon which the meeting was convened.

66. With the exceptions mentioned in the foregoing Articles as to the business which may be transacted at Ordinary General Meetings without notice, no General Meeting, Ordinary or Extraordinary, shall be competent to enter upon, discuss, or transact any business which has not been specially mentioned in the notice or notices upon which it was convened except resolutions submitted under Article 62.

67. No business shall be transacted at any General Meeting, except the declaration of a dividend recommended by a report of the Directors or election of a Chairman, unless there shall be present or represented at the commencement of the business three or more Shareholders entitled to vote.

68. If at the expiration of half an hour from the time appointed for the meeting the required number of Shareholders shall not be present at the meeting, the meeting if convened by or upon the requisition of Shareholders, shall be dissolved, but in any other case it shall stand adjourned to the same day in the next week at the same time and place; and if at such adjourned meeting a quorum is not present, those Shareholders who are present shall be a quorum, and may transact the business for which the meeting was called.

69. The Chairman (if any) of the Directors shall be entitled to take the Chair at every General Meeting whether Ordinary or Extraordinary; or if there be no Chairman, or if at any meeting, he shall not be present at the time appointed for holding such meeting, or if he shall refuse to take the Chair, the Shareholders shall choose another Director as Chairman; and if no Director be present, or if all the Directors present decline to take the Chair, then the Shareholders present shall choose one of their number to be Chairman.

70. No business shall be discussed at any General Meeting, except the election of a Chairman, whilst the Chair is vacant.

71. The Chairman may, with the consent of the meeting, adjourn any meeting from time to time and from place to place, but no business shall be transacted at any adjourned meeting other than the business left unfinished at the meeting from which the adjournment took place unless due notice thereof shall be given.

#### VOTING AT MEETINGS.

72. At any meeting every resolution shall be decided by a show of hands, and in case thereof shall be an equality of votes, the Chairman at such meetings shall be entitled to give a casting vote in addition to the vote to which he may be entitled as a Shareholder; and unless a poll be immediately demanded by some Shareholder, or in the case of a special

resolution by five Shareholders, present and entitled to vote, a declaration by the Chairman that a resolution has been carried, and an entry to that effect in the Minute Book of the Company, shall be sufficient evidence of the fact without proof of the number or proportion of votes recorded in favour of or against such resolution. The power of demanding a poll conferred by this clause may be exercised by the proxy or attorney of any Shareholder duly appointed in that behalf.

73. If at any meeting a poll be demanded by some Shareholder present, his proxy or attorney, or in the case of a special resolution by five Shareholders, their proxies or attorneys at the meeting and entitled to vote, the meeting shall, if necessary, be adjourned, and the poll shall be taken at such time and place and in such manner as the Chairman shall direct, and in such case every Shareholder shall have the number of votes to which he may be entitled as hereinafter provided; and in case at any such poll there shall be an equality of votes, the Chairman of the meeting at which such poll shall have been demanded shall be entitled to a casting vote in addition to any votes to which he may be entitled as a Shareholder or proxy or attorney, and the result of such poll shall be deemed to be the resolution of the Company in such meeting.

74. The demand of a poll shall not prevent the continuance of a meeting for the transaction of business other than the question on which a poll has been demanded.

75. No poll shall be demanded on the election of a Chairman of the meeting or on any question of adjournment.

76. On a show of hands every Shareholder present in person shall have one vote. Where a Shareholder is present by an attorney who is not a Shareholder such attorney shall be entitled to vote for such Shareholder on a show of hands. In case of a poll every Shareholder shall have one vote for every share held by him.

77. The parent or guardian or curator of an infant Shareholder, the committee or other legal guardian or curator of any lunatic Shareholder, the husband of any female Shareholder not entitled to her shares as separate estate, and the executor or administrator of any deceased Shareholder, or any one of such persons as aforesaid, if more than one, shall not be entitled to vote in the place of such infant, lunatic, female, or deceased Shareholder, unless such person shall have been registered as a Shareholder.

78. Votes may be given either personally or by proxy or by attorney.

79. No Shareholder shall be entitled to be present or to vote either personally or by proxy or attorney at any meeting unless all calls due from him on his shares have been paid, and no Shareholder, other than trustee or assignee of a bankrupt or representative of a deceased Shareholder, shall be entitled to be present or to vote at any meeting held after the expiration of three months from the registration of the Company, in respect of any share which he has acquired by transfer, unless he has been registered as the holder of the share in respect of which he claims to vote at least one month previous to the time of holding the meeting at which he proposes to vote.

80. No person shall be entitled to hold a proxy who is not a Shareholder in the Company, but this rule shall not apply to a power of attorney.

81. The instrument appointing a proxy shall be printed or written and shall be signed by the appointor (whether a Shareholder or his attorney) or if such appointor be a company or corporation, it shall be under the common seal of such company or corporation.

82. The instrument appointing a proxy shall be deposited at the registered office of the Company not less than forty-eight hours before the time appointed for holding the meeting at which the person named in such instrument proposes to vote.

The instrument appointing a proxy may be in the following form:—

*Ceylon Theatres, Limited.*

I, \_\_\_\_\_ of \_\_\_\_\_, appoint \_\_\_\_\_, of \_\_\_\_\_, as my proxy, to represent me and to vote for me and on my behalf at the Ordinary (or Extraordinary, as the case may be) General Meeting of the Company to be held on the \_\_\_\_\_ day of \_\_\_\_\_, One thousand nine hundred and \_\_\_\_\_, and at any adjournment thereof, and at every poll which may be taken in consequence thereof.

As witness my hand this \_\_\_\_\_ day of \_\_\_\_\_, One thousand nine hundred and \_\_\_\_\_.

83. No objection shall be made to the validity of any vote (whether given personally or by proxy or by attorney) except at the meeting or poll at which such votes shall be tendered, and every vote (whether given personally or by proxy or by attorney) to which no objection shall be made at such meeting or poll shall be deemed valid for all purposes of such meeting or poll whatsoever.

84. No Shareholder shall be prevented from voting by reason of his being personally interested in the result of the voting.

**DIRECTORS.**

85. The number of Directors shall never be less than two or more than six, but this clause shall be construed as being directory only, and the continuing Directors or Director may act notwithstanding any number of vacancies.

The qualification of a Director shall be his holding in his own right at least fifty ordinary shares in the Company upon which all calls for the time being have been paid, and this qualification shall apply as well to the first Directors as to all future Directors.

86. As remuneration for their services the Directors shall be entitled to appropriate a sum not exceeding Three thousand Rupees annually to be divided between them in such manner as they may determine, but the Company in General Meeting may at any time alter the amount of such remuneration for the future, and such remuneration shall not be considered as including any remuneration granted for special or extra services hereinafter referred to, nor any extra remuneration to the Managing Directors of the Company.

87. The first Directors shall be Messrs. A. Gardiner, A. L. Tambiyah, and E. V. R. Samarawickreme, all of Colombo. The first Directors shall hold office till the First Ordinary General Meeting of the Company, when they shall retire, but shall be eligible for re-election.

88. One or more of the Directors may be appointed by the Directors to act as Secretary, Manager, Managing Director, and (or) Agent, Visiting Agent, or Superintendent, for such time and on such terms as the Directors may determine or may fix by agreement with the person or persons appointed to the office, and they may from time to time revoke such appointment and appoint another or other Secretary, Manager, Managing Director, and (or) Agent, Visiting Agent, or Superintendent. The said A. Gardiner shall be the first Managing Director and shall hold office for a period of three years, and shall be paid such salary and also receive such allowances as the Directors shall decide to allow him.

The Directors may confer on the Managing Director or Managing Directors all or any duties and powers that might be conferred on any Manager of the Company.

If any Director shall be called upon to perform any extra services, the Directors may arrange with such Director for such special remuneration for such services, either by way of salary, commission, or the payment of a lump sum of money, as they shall think fit.

#### ROTATION OF DIRECTORS.

89. A Managing Director shall not, while he continues to hold that office, be subject to retirement by rotation and he shall not be taken into account in determining the rotation or retirement of Directors, but he shall be subject to the provisions of any contract between him and the Company, be subject to the same provisions as to resignation and removal as the other Directors of the Company, and if he cease to hold the office of Director from any cause he shall *ipso facto* and immediately cease to be a Managing Director.

90. At the First Ordinary General Meeting of the Company all the Directors shall retire from office, and at the First Ordinary General Meeting in every subsequent year one of the Directors for the time being shall retire from office as provided in clause 91.

91. The Director to retire from office at the Second Ordinary General Meeting shall, unless the Directors otherwise arrange among themselves, be determined by ballot; in every subsequent year the Directors to retire shall be those who have been longest in office.

92. In case any question shall arise as to which of the Directors who have been the same time in office shall retire, the same shall be decided by the Directors by ballot.

93. Retiring Directors shall be eligible for re-election.

94. The Ordinary General Meeting at which Directors retire or ought to retire by rotation, shall appoint successors to them, and in default thereof such successors may be appointed at a subsequent Ordinary General Meeting.

95. Any casual vacancy occurring in the number of Directors or provisional Directors arising from death, resignation, or otherwise, may be filled up by the Directors, but any person appointed to fill such vacancy shall retain his office so long only as the vacating Director would have retained the same if no vacancy had occurred.

96. A General Meeting may from time to time increase or reduce the number of Directors and may also determine in what rotation such increase or reduced number is to go out of office.

97. If at any meeting at which an election of a Director ought to take place the place of a retiring Director is not filled up, the retiring Director may continue in office until the First Ordinary General Meeting in the next year, and so on from meeting to meeting, until his place is filled up, unless it shall be determined at such meeting to reduce the number of Directors.

98. A Director may at any time give notice in writing of his intention to resign by delivering such notice to the Secretary or by leaving the same at the registered office of the Company, or by tendering his written resignation at a meeting of the Directors, and on the acceptance of his resignation by the Directors, but not before, his office shall become vacant.

99. The Company may, by a special resolution, remove any Director before the expiration of his period of office, and may, by an ordinary resolution, appoint another person in his stead. The Director so appointed shall hold office only during such time as the Director in whose place he is appointed would have held the same if he had not been removed.

100. Every Director or officer of the Company, and his heirs, executors, and administrators shall be indemnified by the Company from all losses and expenses incurred by him in or about the discharge of his duties, except such as happen from his wilful acts or defaults and no Director or officer shall nor shall the heirs, executors, or administrators of any Director or officer, be liable for the acts or defaults of any other Director or officer, or for any loss or expenses happening to the Company by the insufficiency or deficiency of title to any property acquired for or on behalf of the Company, or for the insufficiency or deficiency of any security in or upon which any of the moneys of the Company shall be invested, or for any loss or damage arising from the bankruptcy, insolvency, or tortuous act of any person with whom any moneys, securities, or effects shall be deposited, or for any other loss, damage, or misfortune whatsoever which shall happen in the execution of the duties of his office or in relation thereto unless the same happen through his own wilful act or default.

101. No contribution shall be required from any present or past Director or Manager, exceeding the amount, if any, unpaid on the shares in respect of which he is liable as a present or past Shareholder.

#### DISQUALIFICATION OF DIRECTORS.

102. The office of Director shall be vacated—

- (a) If he accepts or holds any office or place of profit under the Company other than Manager, Managing Director, Visiting Agent, Superintendent, Agent, or Secretary of the Company, or Trustee for Debenture Holders.
- (b) If he becomes bankrupt or insolvent, or suspends payment or files a petition for the liquidation of his affairs, or compounds with his creditors.
- (c) If by reason of mental or bodily infirmity he becomes incapable of acting.
- (d) If he ceases to hold the required number of shares to qualify him for the office.
- (e) If he resigns his office under the provisions of clause 98.
- (f) If he ceases to have his ordinary place of residence in Ceylon or is absent from Ceylon for a period of three consecutive months without leave from the Board.

No Director shall be disqualified from holding office by reason of entering into any contract with or doing any work for the Company or by reason of his being a member of any corporation, company, or firm which has entered into any contract with, or done any work for the Company, or by reason of his being agent, or secretary, or solicitor, or broker or being a member of a firm who are agents or secretaries, solicitors, or brokers of the Company; nevertheless he shall disclose to the Directors his interest in any contract work or business in which he may be personally interested, and shall not vote in respect of any matters connected with any such contract work or business.

#### POWERS OF DIRECTORS.

103. The Directors shall have power to carry into effect the acquisition of the said Leo Langdon & Co. and the lease purchase, or acquisition of any other lands, estates or property they may think fit, or any share or shares thereof.

104. The business of the Company shall be managed by the Directors either by themselves or through a Managing Director or with the assistance of an agent or agents, and secretary or secretaries of the Company to be appointed by the Directors for such a period and on such terms as they shall determine, and the Directors shall pay out of the funds of the Company all costs and expenses, as well preliminary as otherwise, paid or incurred in and about the formation and the registration of the Company, and in and about the valuation, purchase, lease, or acquisition of the said estates and lands, and the opening, clearing, planting, and cultivation thereof, and otherwise in or about the working and business of the Company.

105. The Directors shall have power to make, and may make such rules or regulations for the management of the business and property of the Company as they may from time to time think proper, and shall carry on the business of the Company in such manner as they may think most expedient; and, in addition to the powers and authorities by any Ordinance or by these presents expressly conferred on them, they may exercise all such powers, give all such consents, make all such arrangements, appoint all such agents, managers, secretaries, treasurers, accountants, and other officers, superintendents, assistants, clerks, artisans, labourers, and other servants, for such period or periods and with such remuneration and at such salaries, and upon such terms and conditions as they may consider advisable, and may pay the expenses occasioned thereby out of the funds of the Company, and may from time to time remove or suspend all or any of the managers, agents, treasurers, accountants, officers, clerks, or servants of the Company for such reasons as they may think proper and advisable, and without assigning any cause for so doing.

106. The Directors shall exercise in the name and on behalf of the Company all such powers of the Company as are not expressly required to be exercised by the Company in General Meeting, and shall generally do all such acts and things as are or shall be by any Ordinance and by these presents directed and authorized to be exercised, given, made, or done by the Company, and are not by any Ordinance or by these presents required to be exercised or done by the Company in General Meeting, subject, nevertheless, to the provisions of any such Ordinances and of these presents and to such regulations and provisions (if any) as may from time to time be prescribed by the Company in General Meeting; but no regulations made by the Company in General Meeting shall invalidate any prior act of the Board which would have been valid if such regulation had not been made.

The generality of the powers conferred by any clause in these presents on the Directors shall not be taken to be limited by any clause conferring any special or expressed power.

107. The Directors shall have power to appoint a proctor or proctors, solicitor or solicitors, attorney or attorneys to assist in carrying on or protecting the business of the Company, on such terms as they may consider proper, and from time to time to revoke such appointment.

108. The Directors shall have power to open from time to time on behalf of the Company any account or accounts with such bank or banks as they may select or appoint, and also by such signatures as they may appoint to draw, accept, make, endorse, sign, and execute cheques, bills of exchange, and promissory notes, bills of lading, receipts, contracts, and agreements, bonds, mortgages, proxies to any proctor or proctors, and other documents, on behalf of, and to further the interests of the Company.

109. The seal of the Company shall not be affixed to any instrument except in the presence of two or more of the Directors, or of one Director and the Secretary or Secretaries, who shall attest the sealing thereof; such attestation on the part of the Secretaries, in the event of a firm or registered company being the Secretaries, being signified by a partner or duly authorized manager, director, secretary, attorney, or agent of the said firm or company signing for and on behalf of the said firm or company as such Secretaries.

110. It shall be lawful for the Directors, if authorized so to do by an extraordinary resolution of the Shareholders of the Company in General Meeting, to arrange terms for the amalgamation of the Company with any other company or companies, or individual or individuals, or for the sale or disposal of the business, estates, and effects of the Company, or any part or parts, share or shares thereof, respectively, to any company or companies, or person or persons, upon such terms and in such manner as the Directors shall think fit, and the Directors shall have power to do all such things as may be necessary for carrying such amalgamation, sale, or other disposition into effect so far as a resolution or special resolution of the Company is not by law necessary for such purpose; and in case any terms so arranged by the Directors include or make necessary the dissolution of the Company, the Company shall be dissolved to that end.

111. In furtherance and not in limitation of, and without prejudice to, the general powers conferred or implied in the last preceding clause, and of the other powers conferred by these presents, it is hereby expressly declared that the Directors shall have the powers following (that is to say):—

- (a) To institute, conduct, defend, compromise, settle, or abandon any action, suit, prosecution, or other legal proceedings on behalf of the Company, and also to compound and allow time for payment or satisfaction of any debts due to or from the Company, and any claims or demands made by or against the Company.

The Directors may allow to any person or company to whom any powers may be so delegated such remuneration as they in their absolute discretion shall think fit.

#### PROCEEDINGS OF DIRECTORS.

112. The Directors may meet for the despatch of business, adjourn, and otherwise regulate their meetings at such places and times, and in such manner as they may think fit, and determine the quorum necessary for the transaction of business. Until otherwise determined, two Directors shall be a quorum.

113. A Director may at any time summon a meeting of Directors.

114. The Board may elect a Chairman of their meetings and determine the period for which he is to hold office, and all meetings of the Directors shall be presided over by the Chairman, if one has been elected and if present, but if there be a vacancy in the office of Chairman, or if at any meeting of Directors the Chairman be not present at the time appointed for holding the same, then, and in that case the Directors present shall choose one of their number to be Chairman of such meetings.

115. Any question which shall arise at any meeting of the Directors shall be decided by a majority of votes, and in case of an equality of votes the Chairman thereat shall have a casting vote in addition to his vote as a Director.

116. The Board may delegate any of their powers to committees consisting of such member or members of their body as the Board think fit, and they may from time to time revoke and discharge any such committee, either wholly or in part and either as to persons or purposes, but every committee so formed shall, in exercise of the powers delegated to it, conform to all such regulations as may be prescribed by the Board. All acts done by any such committee, in conformity with such regulations and in the fulfilment of the purposes of their appointment, but not otherwise, shall have the like force and effect as if done by the Board.

117. The meetings and proceedings of such committees shall be governed by the provisions herein contained for regulating the meetings and proceedings of Directors, so far as the same are applicable thereto, and are not superseded by the express terms of the appointment of such committee respectively, or any regulation imposed by the Board.

118. The acts of the Board or of any committees appointed by the Board shall, notwithstanding any vacancy in the Board or committee, or defect in the appointment or qualification of any Director or of any member of the committee, be as valid as if no such vacancy or defect had existed, and as if such person had been duly appointed or qualified, provided the same be done before the discovery of the vacancy or defect.

119. A resolution in writing signed by all the Directors for the time being in Ceylon shall be as valid and effectual as if it had been passed at a meeting of the Directors duly called and constituted.

The accounts shall be kept in such books and in such a manner at the registered office of the Company, as the Directors think fit.

123. The Directors shall from time to time determine whether, and to what extent, and at what times and places, and under what conditions or regulations, the accounts and books of the Company or of any of them shall be open to the inspection of the Shareholders, and no Shareholder shall have any right of inspecting any account or book or document of the Company except as conferred by Ordinance or authorized by the Directors or by a resolution of the Company in General Meeting.

124. At the Ordinary General Meeting in every year the Directors shall lay before the Company a statement of the income and expenditure of the Company for the previous financial year, and a balance sheet containing a summary of the property and liabilities of the Company made up to the end of the same period.

125. The statement so made shall show, arranged under the most convenient heads, the amount of gross income, distinguishing the several sources from which it has been derived and the amount of gross expenditure, distinguishing the expense of the establishment, salaries, and other heads of expenditure. Every item of expenditure fairly chargeable against the year's income shall be brought into account, so that a just balance of profit and loss may be laid before the meeting, and in cases where any item of expenditure which may in fairness be distributed over several years has been incurred in any one year the whole amount of such item shall be stated with the addition of the reasons why only a portion of such expenditure is charged against the income of the year.

126. The balance sheet shall contain a summary of the property and liabilities of the Company arranged under the heads appearing in the form annexed to the table referred to in Schedule C to "Joint Stock Companies Ordinance, 1861," or as near thereto as circumstances admit.

127. Every such statement shall be accompanied by a report as to the state and condition of the Company and as to the amount which the Directors recommend should be paid out of the profits by way of dividend or bonus to the Shareholders.

128. A printed copy of such balance sheet shall, at least seven days previous to such meeting, be delivered at, or posted to, the registered address of every Shareholder.

129. The accounts of the Company shall from time to time be examined, and the correctness of the balance sheet ascertained by one or more Auditor or Auditors.

#### AUDIT.

130. No person shall be eligible as an Auditor who is interested otherwise than as a Shareholder in any transaction of the Company, but it shall not be a necessary qualification for an Auditor that he be a Shareholder of the Company, and no Director or officer of the Company shall, during the continuance in office, be eligible as an Auditor.

131. The Directors shall appoint the first Auditor or Auditors of the Company and fix his or their remuneration. He or they shall hold office till the First General Meeting of the Company. All subsequent appointments shall, except as is hereinafter mentioned, be made at the Ordinary General Meeting of the Company in each year by the Shareholders present thereat, and the Auditor or Auditors appointed at such meeting shall hold office only until the First Ordinary General Meeting after his or their appointment or until otherwise ordered by a General Meeting.

132. The remuneration of the Auditors other than the first shall be fixed by the Company in General Meeting, and this remuneration may from time to time be varied by a General Meeting.

133. Retiring Auditors shall be eligible for re-election.

134. If any vacancy that may occur in the office of Auditor, is not supplied at the Ordinary General Meeting, or if any casual vacancy shall occur in the office of Auditor, the Directors shall fill up the vacancy by the appointment of a person or persons who shall hold office until the next Ordinary General Meeting after his or their appointment.

135. Every Auditor shall be supplied with a copy of the balance sheet intended to be laid before the next Ordinary General Meeting, after his appointment, and it shall be his duty to examine the same with the accounts and vouchers relating thereto and to report thereon to the meeting, generally, or specially, as he may think fit.

136. The Auditor or Auditors for the time being shall have a list delivered to him or them of all books kept by the Company, and he or they shall at all reasonable hours in the day time have access to all accounts, books, and documents whatsoever of the Company for the purpose of audit.

#### DIVIDENDS, BONUS, AND RESERVE FUND.

137. The Directors may, with the sanction of the Company in General Meeting, from time to time, declare a dividend to be paid, and (or) pay a bonus to the Shareholders in proportion to the amount paid on their shares, but no dividend or bonus shall be payable except out of nett profits.

138. The Directors may, if they think fit, determine on and declare an interim dividend to be paid, or pay a bonus to the Shareholders on account, and in anticipation of the dividend for the then current year provided the Directors are satisfied that the nett profits of the Company will be sufficient to justify such interim dividend or bonus.

139. The Directors may, before recommending any dividend or bonus, set aside out of the profits of the Company such a sum as they think proper as a reserve fund and may invest the same in such securities as they may select, or place the same on fixed deposit in any bank or banks, and may from time to time deal with and vary such investment and apply such reserve fund or such portion thereof as they think fit, to meet contingencies or for special dividends or for equalizing dividends, or for working the business of the Company, or for repairing, maintaining, or extending the buildings and premises of the Company, or for the repair or renewal or extension of the property or plant of the Company or any part thereof, or for any other purposes connected with the interest of the Company that they may from time deem expedient without being bound to keep the same separate from the other assets.

140. Any General Meeting declaring a dividend or bonus may resolve that such dividend or bonus be paid wholly, or in part by means of drafts or cheques on London, or by the distribution of specific assets, and in particular of paid-up shares, debentures, or debenture stock of the Company, or paid-up shares, debentures, or debenture stock of any other company, or in any one or more of such ways, any General Meeting may resolve that any moneys, investments, or other assets forming part of the undivided profits of the Company standing to the credit of the reserve fund or in the hands of the Company and available for dividend (or representing premiums, received on the issue of shares and standing to the credit of the share premium account) be capitalized and distributed amongst the Shareholders in accordance with their rights on the footing that they become entitled thereto as capital and that all or any part of such capitalized fund be applied on behalf of the Shareholders in paying up in full any unissued shares of the Company and that such unissued shares so fully paid be distributed accordingly amongst the Shareholders in the proportion in which they are entitled to receive dividends and shall be accepted by them in full satisfaction of their interests in the said capitalized sum. For the purpose of giving effect to any resolution under this or the last preceding article the Directors may settle any difficulty which may arise in regard to the distribution as they think expedient, and in particular may issue fractional certificates, and may fix the value for distribution of any specific assets, and may determine that cash payments shall be made to any members upon the footing of the value so fixed or that fractions of less value than Rs. 10 may be disregarded in order to adjust the rights of all parties, and may vest any such cash or specific assets in trustees, upon such trusts for the persons entitled to the dividend or capitalized fund as may seem expedient to the Directors.

141. No unpaid dividend or bonus shall ever bear interest against the Company.

142. No Shareholder shall be entitled to receive payment of any dividend or bonus in respect of his share or shares whilst any moneys may be due or owing from him (whether alone or jointly with any other person) to the Company in respect of such share or shares, or otherwise howsoever.

143. The Directors may deduct from the dividend or bonus payable to any Shareholder all such sums of money as may be due from him (whether alone or jointly with any other person) to the Company, and notwithstanding the fact that such sums or any of them are not payable until after the date when such dividend or bonus is payable.

144. Notice of any dividend that has been declared, or of any bonus to be paid, shall be given to each Shareholder entitled thereto, and any dividend or bonus unclaimed by any Shareholder for three years after notice thereof is given may be forfeited by the Directors for the benefit of the Company, and, if the Directors think fit, may be applied in augmentation of the Reserve Fund.

145. Every dividend or bonus payable in respect of any share held by a firm may be paid to, and an effectual receipt given by, any partner of such firm or agent duly authorized to sign the name of the firm.

146. Every dividend or bonus payable in respect of any share held by several persons jointly, other than a firm, may be paid to, and an effectual receipt given by, any one of such persons.

147. Notices from the Company may be authenticated by the signature (printed or written) of the Agent or Secretary, Agents or Secretaries, or persons appointed by the Board to authenticate the same.

148. Every Shareholder shall give an address in Ceylon which shall be deemed to be his place of abode, and shall be registered as such in the books of the Company.

149. A notice may be served by the Company upon any Shareholder, either personally or by being sent through the post in a prepaid letter addressed to such Shareholder at his registered address or place of abode, and any notice so served shall be deemed to be well served notwithstanding that the Shareholder, to whom such notice is addressed be dead, unless his executors, or administrators shall have given to the Directors, or to the Agent or Secretary, or Agents or Secretaries of the Company, their own or some other address in Ceylon to which notice may be sent.

150. All notices directed to be given to Shareholders shall, with respect to any share to which persons are jointly entitled, other than a firm, be given to whichever of such persons is named first in the Register of Shareholders, and notice so given shall be sufficient notice to all the holders of such shares.

151. Any notice, if served by post shall be deemed to have been served on the day on which the letter containing the same would in ordinary course of post have been delivered at its address, and in proving such service it shall be sufficient to prove that the letter containing the notice was properly addressed and put into a post office or post box, and the entry in the Company's books of the leaving or sending by post of any notice at or to such address shall be sufficient evidence thereof, and no further evidence shall be necessary.

152. Any Shareholder who fails to give and register an address in Ceylon as provided in Article No. 148, shall not be entitled to be given any notices.

All notices required to be given by advertisement shall be published in the *Ceylon Government Gazette*.

## EVIDENCE.

153. On the trial or hearing of any action or suit brought or instituted by the Company against any Shareholder or his representatives to recover any debt or money claimed to be due to the Company in respect of his shares, it shall be sufficient to prove that the name of the defendant is or was, when the claim arose, on the Register of Shareholders of the Company as a holder of the number of shares in respect of which such claim is made, and that the amount claimed is not entered as paid in the books of the Company; and it shall not be necessary to prove the registration of the Company, nor the appointment of the Directors who made any call, nor that a quorum of Directors was present at the Board at which any call was made, nor that a meeting at which any call was made was duly convened or constituted, nor any other matter whatsoever, but the proof aforesaid shall be conclusive evidence of the debt.

## MUNICIPAL COUNCIL NOTICES.

## MUNICIPALITY OF COLOMBO.

## Minutes of Proceedings of a General Meeting of the Municipal Council of Colombo held in the Town Hall on Wednesday, August 8, 1928, at 3 p.m.

The Council met this day at 3 P.M. pursuant to notice dated August 1, 1928.

*Present* :—Mr. H. E. Newnham, M.A., C.C.S., Chairman; the Hon. Mr. N. H. M. Abdul Cader, M.L.C.; Dr. E. V. Ratnam; the Hon. Mr. C. H. Z. Fernando, M.L.C.; Mr. W. E. V. de Rooy; Dr. E. A. Coorey; Mr. G. W. Dodds; Mr. T. G. Jayewardene, V.D., J.P.; Mr. N. R. Blande; Lieut.-Col. C. D. Myles, O.B.E., M.B., R.A.M.C.; Mr. M. L. M. Royal; Dr. S. Muttiah; Mr. S. W. R. Dias Bandaranaike; Mr. T. C. Dyball; Dr. R. G. Jayetilleke; and Mr. F. Dadabhoy, J.P.

1. The minutes of the General Meeting of July 4, 1928, having been previously printed and copies thereof having been sent to each Member of Council, were taken as read.

Resolved that the Minutes of the General Meeting of July 4, 1928, be confirmed.

2. Pursuant to notice, Dr. S. Muttiah presented a petition from cattle and buffalo dealers and moved that it be submitted to the Sanitation, Works, and Finance Committees for consideration and report.

The Chairman in seconding the motion gave particulars regarding the cattle mart and quarantine station.

The motion was put to the meeting and carried.

3. Pursuant to notice, Mr. T. G. Jayewardene asked the Chairman the following questions :—(1) With reference to the reply to my question at the last Meeting of Council, *re* employment of a Town Planner, that a new appointment was not considered necessary as it appeared to Government that the Technical Officers of the Municipality would be able to do this work, will the Chairman be pleased to say if this was made on the face of his letter of December 10, 1924, to the Colonial Secretary *re* housing of working classes in Colombo, in which he stated that "the Council's first need is a Town Planning Officer, one who is no mere theorist, but has already had wide experience of such work in actual practice, and who can advise on the law, draw up schemes, prepare plans and estimates, and work out the financial details of his proposals? The Council has at present no such officers available, the existing staff being overburdened. Is the Chairman still of this opinion? If not, why? (2) With reference to the answer to the question in October, 1922, *re* assessment of undeveloped land suitable for building, that the final drafting of an amending Ordinance by the Attorney-General was nearing completion, will the Chairman be pleased to inquire from Government the reason for the delay in having this amending Ordinance passed? Will it be correct to say that the want of this amendment to the Ordinance has caused the Council a loss of about one million rupees during the last five years? If not, what will the Chairman estimate the loss at? (3) Will the Chairman be pleased to inquire from the Inspector-General of Police if the constables on point duty at the dangerous junctions of (a) Flower road and Green Path, (b) Turret road, Union place, Regent street, Ward place, and Alexandra place, have been permanently removed. If not, why have they been recently absent from these junctions?

The Chairman replied as follows :—(1) The reply to both parts of this question is "Yes." (2) This amendment awaits the general amendment of the Ordinance dealing with the constitution of the Council. The Chairman cannot make any reliable estimate of the loss due to the delay. (3) On inquiry I am informed :—(a) It is not covered owing to lack of men and the fact that it is not a dangerous junction now that the road has been widened. (b) Owing to the fact that more men are put on night duty and only the minimum number detailed for day duty, it has not been possible to cover this point when men report sick, attend court, or have to be sent on other essential duty. In future every endeavour will be made to cover this point regularly from 7 A.M. to 10 P.M.

4. Pursuant to notice, Dr. E. V. Ratnam asked the Chairman the following questions :—(1) Will the Chairman be pleased to state what progress has been made with the question of the reform of the constitution of the Colombo Municipal Council since the Conference which the members of this Council had with His Excellency the Governor on the subject on October 8, 1927? (2) Whether any action has been taken to improve the quality of the river water which was considered to be dangerously polluted by the sewage effluent from the treatment works at Madampitiya? (3) If so, what improvement has he to report, and is the improvement of such extent as to enable the Council to remove the prohibition against the use of water in the area which was declared to be infected? (4) If not, when and what action is proposed to be taken?

The Chairman replied as follows :—(1) It is understood that the greater part of the amending Ordinance has been drafted and that the remainder will be completed when further decisions have been taken in the light of the report of the Special Commission on the Colonial Constitution. (2), (3), and (4) The City Microbiologist is making inquiries as to possible means of securing better purification of the sewage effluent. It should, however, be borne in mind that the sewage effluent is by no means the only source of the pollution of the Kelani river. The prohibition of the use of the water, therefore, cannot yet be safely removed and it is doubtful whether it can ever be safely removed.

5. Mr. T. G. Jayewardene asked the permission of the Council to alter the following motion of which he had given notice :—That when the work of widening the Colombo-Galle road is resumed, the sections of the road about 100 yards on either side of the junctions of the Station roads at Bambalapitiya and Wellawatta be taken in hand first, to read as follows :—Now the work of widening the Colombo-Galle road has been resumed, the sections of the road, about 100 yards on either side of the junctions of the Station roads at Bambalapitiya and Wellawatta, be taken in hand immediately after the completion of the work on the sections for which preparations have already been made. The Hon. Mr. N. H. M. Abdul Cader seconded *pro forma*.

The Chairman stated that the Council was carrying out the work on behalf of the Colonial Government and any change of policy required the sanction of the Colonial Government. He had ascertained from the Director of Public Works that the widening should be from north to south, but he was prepared to consider a modification.

Dr. E. A. Coorey and the Hon. Mr. C. H. Z. Fernando opposed the motion.

Mr. T. G. Jayewardene replied. The motion was put to the meeting and lost.

The Hon. Mr. N. H. M. Abdul Cader moved that the Council do go into Committee to consider items Nos. 6 to 12 (inclusive) on the agenda. Dr. E. V. Ratnam seconded.—Carried.

#### Resolution.

Resolved that the recommendations of the Standing Committee with regard to the above items be adopted.

#### Extract from the Minutes of the Four Standing Committees (meeting together) of July 30, 1928.

(2) To consider:—(a) The resignation tendered by Mr. J. M. Blizard, Drainage Engineer, as from September 30, 1928; (b) A report of the Municipal Engineer; (c) A Memorandum of the Chairman.—Recommended that the Council appoint a Special Committee to revise the present Salaries Scheme and to report to the Council at its meeting in September.

The Committees agreed that they would be prepared to pass the suggestion in the scheme, as submitted by the Chairman, with regard to the granting of passages in accordance with the Government Scheme, in General Orders 1399.

*Resolution.*

With regard to the above item, Dr. E. V. Ratnam and Mr. S. W. R. Dias Bandaranaike opposed the recommendation. Mr. T. G. Jayewardene gave his reasons for his support of the recommendation in Committee.

Mr. N. R. Blande and Mr. M. L. M. Reyal spoke to the motion.

The Hon. Mr. C. H. Z. Fernando moved the acceptance of the recommendation with the deletion of the words "and to report to the Council at its meeting in September."

The Hon. Mr. N. H. M. Abdul Cader seconded.

The Chairman replied emphasizing the fact that Mr. Blizard's resignation was a *bona fide* resignation and not by way of holding out a threat or bargaining with the Council. The suggestion that his emoluments should be increased came from the Committees, whose recommendation did not come up as a panic measure, but was made after exhaustive discussion. He definitely stated that the staff of the Council, both higher and subordinate, had been underpaid for some time and, in proof of this assertion, quoted instances of the loss of the services of valuable officers who had either retired or sought employment elsewhere. He pointed out the loss which would be entailed if Mr. Blizard was allowed to go after his 18 years' experience. He stressed the difficulties at present attending the recruiting of qualified officers, both higher and subordinate, and the responsibility which would lie on the Council for any breakdown, which might result from an inexperienced or insufficient staff, if it did not provide the ratepayers of the city with adequate staff to carry out the essential services.

Mr. S. W. R. Dias Bandaranaike and Dr. E. V. Ratnam replied to the Chairman.

The motion reading as follows:—"That the Council appoint a Special Committee to revise the present Salaries Scheme," was put to the meeting and carried.

It was decided, after some discussion, that the Special Committee should consist of the Members of the Four Stand Committees with Mr. M. L. M. Reyal.

*Extract from the Minutes of the Special Committee re Maintenance of Private Roads of July 30, 1928.*

(2) To consider a memorandum of the Chairman dated July 3, 1928, regarding the liability incurred by the Council in the matter of street lines when it takes over private streets.

(b) To avoid the liability of paying compensation for setting back buildings, under section 18 (4) of Ordinance No. 19 of 1915, recommended that the Council cancel the private street lines laid down for all streets which existed before 1915.

*Resolution.*

Resolved that the above recommendation of the Special Committee be adopted.

The Hon. Mr. N. H. M. Abdul Cader moved that the Council do resume and that the resolutions of Council in Committee, as amended, be adopted. Dr. E. V. Ratnam seconded.—Carried.

The Chairman formally moved in Council that the resolutions of Council in Committee, and the recommendations of the various Committees, subject to any amendments of such recommendations by the Council in Committee be adopted. The Hon. Mr. N. H. M. Abdul Cader seconded.—Carried.
