LAND DEVELOPMENT NOTICES.

Trincomalee District.

NOTICE is hereby given that the area of Crown land shown in the annexed sketch, approximately 36,000 acres in extent, is available for development in economic products.

2. Government is prepared to consider applications for the lease of large blocks of land within this area. The granting on approved conditions to persons taking up land on lease of options to take on lease one or more further blocks at later dates will also be considered, and applications for such options should accompany applications for land for immediate lease. Proposals are invited from Capitalists or Companies interested in the development of this area. Such proposals and applications will be considered up to the end of March, 1929, but Government reserves the right to extend this date by a publication in the *Government Gazette*.

3. A rough plan or map showing the approximate location on the mile to the inch Topo map or the 16 chain sheet, and the extent of the land applied for for lease or option of future lease should accompany applications. Applicants should be prepared to deposit survey fees at Rs. 3 per acre for the blocks applied for for immediate lease, when called on to do so.

4. Applicants are advised not to apply for immediate lease of an area greater than they are prepared to clear and plant within the first five years. It is also suggested that they should give, if possible, with regard to the area for the option of the lease of which they apply, a rough programme of development showing the lease of what areas approximately they propose to take up each year and the total period required to develop the whole area.

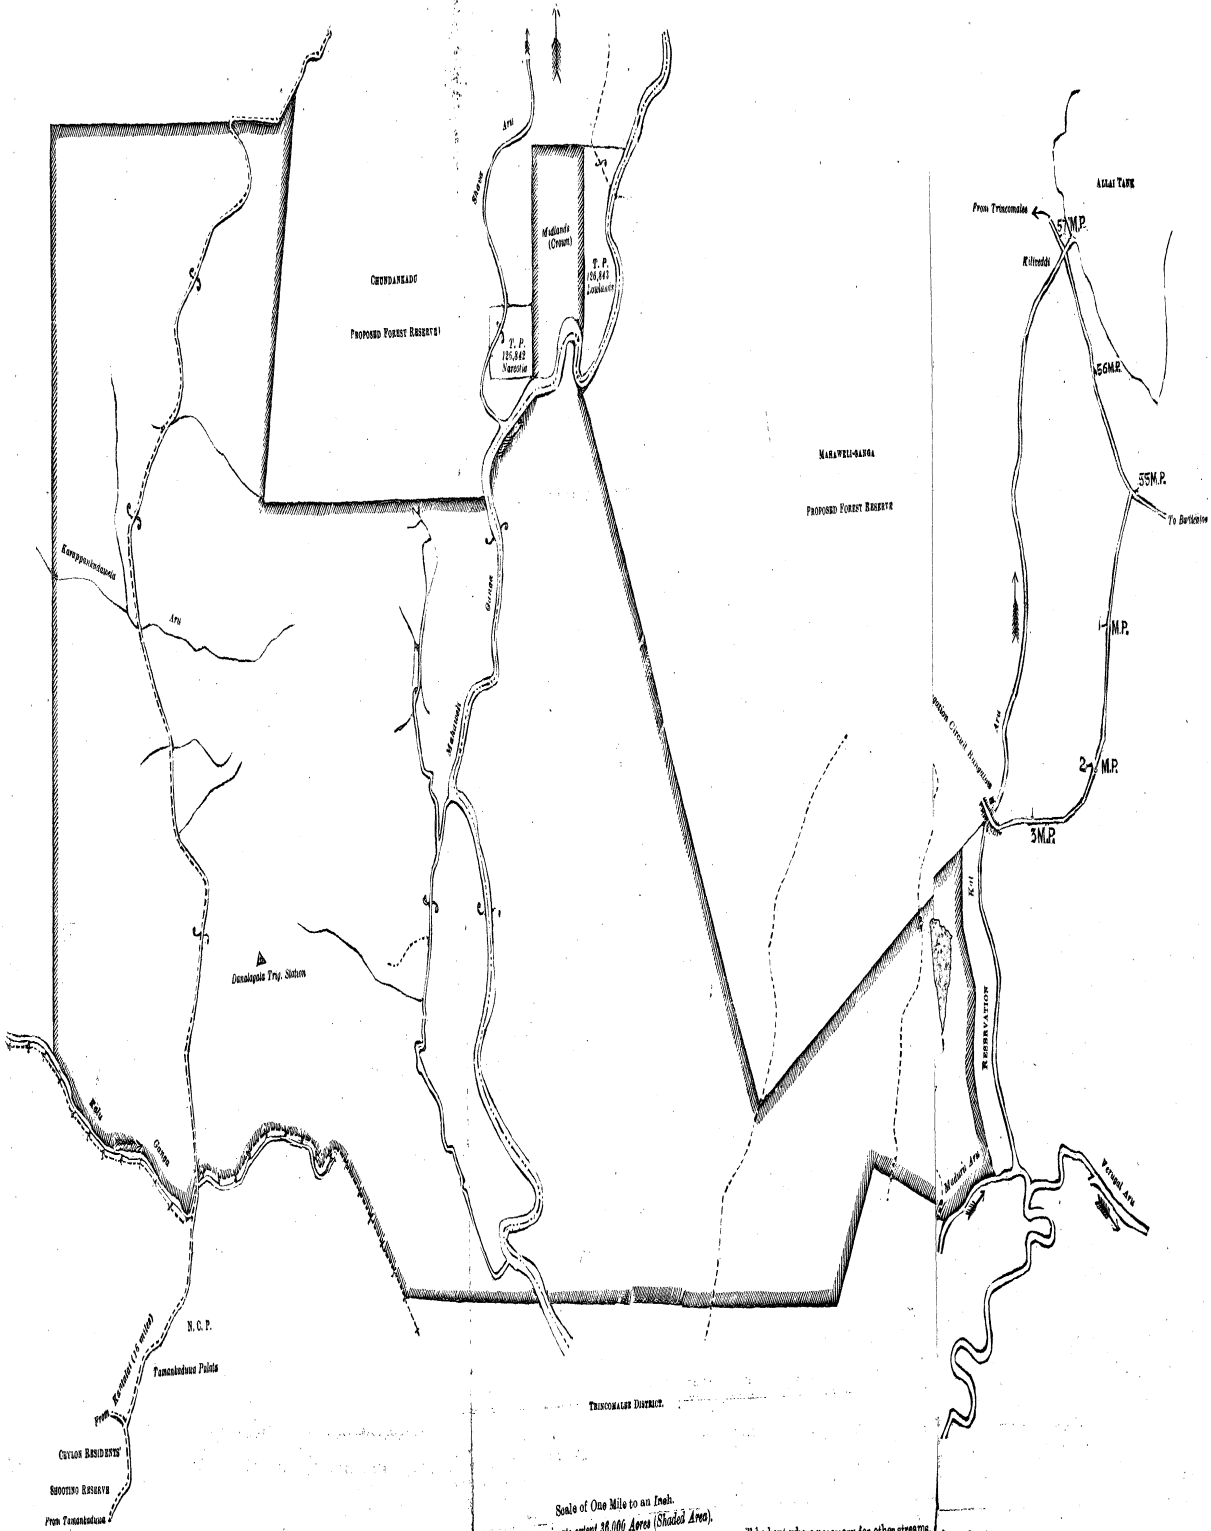

5. Leases will be granted for a period of 99 years and upon the usual terms as regards premium and rent, for the calculation of which the value of large blocks of land will be taken at Rs. 16 per acre. Timber not removed by the Forest Department will be valued *in situ* and sold to the lessee.

6. Competition for leases in this area will in the first instance be limited to persons who have applied under this notice, but Government does not bind itself to accept any application.

7. All applications should be addressed to the Additional Controller of Revenue.

C. V. BRAYNE,
Additional Controller of Revenue.
