## MUNICIPAL COUNCIL NOTICES.

Minutes of Proceedings of a General Meeting of the Municipal Council of Colombo held in the Town Hall on Wednesday, February 6, 1929, at 3 p.m.

The Council met this day at 3 P.M., pursuant to notice dated January 30, 1929.

*Present* :—Mr. H. E. Newnham, M.A., C.C.S., Chairman; the Hon. Mr. N. H. M. Abdul Cader, M.L.C.; Dr. E. V. Ratnam; Mr. W. E. V. de Rooy; Dr. E. A. Coorey; Mr. G. W. Dodds; Mr. T. G. Jayewardene, V.D., J.P.; Mr. N. R. Blande; Mr. A. H. G. Dawson; Lieut.-Col. C. D. Myles, O.B.E., M.B., R.A.M.C.; Mr. M. L. M. Reyal; Dr. S. Muttiah; Mr. S. W. R. Dias Bandaranaike; Mr. T. C. Dyball; Mr. J. S. Collett; Dr. R. G. Jayetileke; and Mr. F. Dadabhoy, J.P.

1. The Minutes of the General Meeting of January 16, 1929, having been previously printed and copies thereof having been sent to each Member of Council, were taken as read.

Resolved that the Minutes of the General Meeting of January 16, 1929, be confirmed.

2. Pursuant to notice, Mr. M. L. M. Reyal presented a petition from the traders who are tenants of the Municipal boutiques in Gasworks street and moved that it be placed before the appropriate Standing Committee or Committees for consideration and report. Mr. T. G. Jayewardene seconded.—Carried.

3. Pursuant to notice, Mr. T. G. Jayewardene presented a petition from Mr. S. M. L. Cader Saibo of 120, Messenger street and others, and requested that the Chairman should look into the matter and deal with it in any manner he deems best.

4. Pursuant to notice, Mr. T. G. Jayewardene asked the Chairman the following question:—Will the Chairman be pleased to make a statement in regard to the long continued prevalence of rinderpest in this city giving the number of cases reported each month from March, 1928? Is there any possibility of it being stamped out in the near future?

The Chairman replied as follows:—(1) There were no cases of rinderpest in the city or the quarantine station during 1927. In 1928, the first case in the city occurred in March at a dairy in Skinner's road South. Almost simultaneously there was an outbreak in the quarantine station. (2) The infection undoubtedly originated from imported cattle, but it is curious that the first 6 cases at the Quarantine Station on March 2 were cattle that had been imported in the previous October and December, and had been at the station for two or more months before they developed the disease. (3) As it happened the main enclosure of the Quarantine Station had been closed to all discharges, except for slaughter, since February 25, owing to a suspected case of foot-and-mouth disease, which however had proved negative. The closure continued until the outbreak there was over. (4) Sick cattle are removed by ambulance to the hospitals. Contacts are segregated and inoculated. The infected areas are proclaimed and patrolled by Police guards provided with printed instructions to prevent the removal of contacts. The guards are supervised by overseers and by the Veterinary Inspectors. (5) None the less the infection spread, and the number of cases each month is shown in the annexed statement. (6) The spread of the infection is undoubtedly due to concealment of contacts. If an animal shows signs of disease the owners of all other cattle in the vicinity remove them elsewhere before the owner of the sick animal reports the case or before it is discovered by the staff. Similarly there have been cases in which sick animals have been concealed, removed, or abandoned on the road side. Carcasses of diseased animals have been found thrown into a canal or river, or cut up and put into the sewers or thrown into a garden. In such circumstances the infection must spread. (7) Everything possible is being done to stamp out the outbreak, but the Chairman cannot predict when success will be attained. (8) Re-infection comes from India, and as pointed out in the Report of the Government Rinderpest Committee of November, 1924, the way to stop it is to prohibit importation or to make the system of quarantine efficient. Government on October 29, 1928, informed the Chairman that it had decided to prohibit the importation of slaughter cattle and to restrict the importation of other cattle from April 1, 1929. This should prevent re-infection. (9) The Veterinary Surgeon observed in a recent scientific journal a description of a new method of immunization practised with success in the Philippines. At his request the City Microbiologist has prepared an experimental batch of the necessary vaccine which is now under test on 9 animals with 3 controls. If the experiment is successful a new and encouraging method of dealing with the problem will be established:—

*Statement referred to*.—1928: March, 34; April, 9; May, 90; June, 120; July, 133; August, 247; September, 274; October, 185; November, 326; December, 391. Total, 1,809. 1929: January, 622 (up to January 29, 1929).

5. Pursuant to notice, Dr. S. Muttiah asked the Chairman the following question:—Will the Chairman be good enough to ask the Police to inform the Council how many accidents have been caused by tramcars from Wednesday, January 23 to 31?

The Chairman replied as follows:—The Superintendent of Police, Colombo, informs me that the number of accidents was 13.

5. (1) Mr. T. G. Jayewardene moved, in accordance with the provisions of section 11 (h) of Chapter II. of the Municipal by-laws, the following resolution:—That a Special Committee consisting of (1) Chairman, (2) the Hon. ### MUNICIPALITY OF GALLE.

#### Minutes of Proceedings of a General Meeting of the Municipal Council of Galle held in the Municipal Office on Saturday, February 9, 1929, at 9 a.m., pursuant to Notice dated February 4, 1929.

*Present* :—Mr. L. W. C. Schröder, Chairman; Mr. D. W. Subasinghe; the Hon. Mr. C. E. de Vos, M.L.C.; Mr. J. E. Perera; Mr. D. I. Durham; Mr. C. L. Wickramasinghe; Mr. F. W. Spröule; Mr. S. H. Dahanayake; and Dr. T. de Kretser.

1. The Minutes of the General Meeting of January 12, 1929, a copy thereof having been furnished to each member, were taken as read and confirmed.

2. The Chairman brought to the notice of the Council that Mr. D. I. Durham, having failed to attend three consecutive General Meetings had, *ipso facto*, ceased to be a Councillor. He moved that in terms of section 30 of the Municipal Councils Ordinance, 1910, the Council do restore him to his office. Mr. J. E. Perera seconded.—Carried.

Mr. Durham thanked the Council for restoring him to his office as a Councillor.

3. Pursuant to notice, Mr. S. H. Dahanayake asked :—What is the usual procedure adopted by this Council when a petition is addressed to the Chairman and members of the Council?

The Chairman replied :—When, in the opinion of the Chairman, such letters require the consideration of the Council, they are submitted to the Council. Otherwise the Chairman deals with them.

4. In the absence of Mr. C. L. Wickramasinghe the following questions standing in his name were asked by Mr. J. E. Perera :—(1) What was the amount of the tender of Mr. Hapugalla for laying the new water main? (2) What is the difference between the amount of his tender and the tender that has been accepted?

The Chairman replied as follows :—(1) Mr. Hapugalla's tender was Rs. 159,045. (2) The difference between his tender and the accepted tender is Rs. 48,186.

5. In the absence of Mr. D. W. Subasinghe the following questions standing in his name were asked by Mr. J. E. Perera :—(1) Was a tender received at the office from Mr. D. H. Hapugalla in connection with the notice calling for tenders to lay the new main from Hiyare? (2) If so, when did it reach this office, and why was it not submitted with other tenders for consideration by the Council at its last meeting? (3) If such a tender was received in time but was not submitted by an oversight or for any other reason, does not the Chairman consider it fair to call for tenders again so that the tenders be reconsidered?

The Chairman replied as follows :—(1) Yes. (2) The tender was received in time; but it was misplaced and lost sight of, and was not submitted for consideration with other tenders. (3) I do not consider it necessary to call for fresh tenders because Mr. Hapugalla's tender is Rs. 48,186 higher than the accepted tender.

6. Pursuant to notice, Mr. J. E. Perera asked the following questions :—(1) How many times did the electric lights fail in the Galle bazaar and the Galupladda area during the month of January? (2) What is the cause of such failure? (3) Does the Council charge the cost of replacing a fuse to the consumer when the same is replaced in a street standard from which his service is connected?

The Chairman replied as follows :—(1) and (2) The lights in the Galle bazaar and Galupladda failed on the following occasions during the month of January last :—(1) On the 9th from 6.17 P.M. to 6.25 P.M., owing to a valve cotter pin on No. 2 engine being sheared off. (2) On the 27th from 7.45 P.M. to 7.47 P.M., owing to an accident to a man near Kachchiwatte Temple. (3) On the 29th at 6.40 P.M. momentarily, owing to a short circuit on Dangedara line. (3) Yes; but only when the cause of the interruption is some defect in the consumer's premises.

7. Pursuant to notice, Mr. S. H. Dahanayake moved that this Council do recommend to His Excellency the Governor the desirability of establishing a Health Unit for the town of Galle. Hon. Mr. C. E. de Vos seconded, for the sake of a discussion, but wanted details.

Dr. T. de Kretser moved as an amendment that the question of establishing a Health Unit be referred to the Standing Committee on Sanitation for report. Mr. C. L. Wickramasinghe seconded the amendment, but was not sure that a Health Unit could be established in a Municipal town.

The Chairman and Mr. D. W. Subasinghe spoke against the motion and the amendment.

Mr. J. E. Perera spoke against the motion.

The mover replied. He was willing to withdraw the motion, and to agree to the amendment.

The amendment, which now became the substantive motion, was put to the meeting and carried by 5 votes to 4.

8. Pursuant to notice, Mr. J. E. Perera moved that the cost of replacing a fuse in a street electric lighting standard which connects a private service be not charged to the consumer in the future. Mr. D. W. Subasinghe seconded, and Hon. Mr. C. E. de Vos was in sympathy.

The Chairman moved as an amendment that the question be referred to the Special Committee on Electric Lighting for consideration and report. Mr. S. H. Dahanayake seconded the amendment. The mover agreed to the amendment, which was put to the meeting and carried.

9. With the leave of the Council Mr. C. L. Wickramasinghe presented a petition from the Bope Sucharitawardene Samitiya, asking that a road be opened from Pedurugewella junction through Kovillawatta and Bope to the Bope Cross road near the bridge.

The Chairman said he had received a similar petition, and had communicated with the Secretary of the Samitiya

10. To sanction, under rule 6 of the Municipal Leave Regulations, excess leave granted to the following officers :— (1) Mr. W. W. Ranasinghe, 7 days in 1927 on half pay, and 5 days in excess of 36 days in 1928 on full pay, and 50 days on half pay; (2) Mr. A. Arndt, 2 days in excess of 36 days in 1928; (3) M. O. A.
