"THE EXCISE ORDINANCE, NO. 8 OF 1912."

X 35/29

Excise Notification No. 186.

IT is hereby notified that His Excellency the Governor has, under the provisions of section 24 of "The Excise Ordinance, No. 8 of 1912," been pleased to direct that the following shall be the general conditions applicable to all Excise licences on and after April 12, 1929, from which date the general conditions applicable to all Excise licences appearing in Excise Notification No. 179 dated July 10, 1928, will be cancelled.

Colonial Secretary's Office,
Colombo, April 12, 1929.

By His Excellency's command,
F. G. TYRRELL,
Acting Colonial Secretary.

General Conditions applicable to all Excise Licences.

1. Sales at taverns (whether country liquor or foreign liquor) must be conducted in a suitable building of which the whole or part must be set aside for exclusive use as a tavern. If there are means of communication between the tavern and an adjoining dwelling house, they must be kept permanently closed. In the case of all taverns there shall be no possible means of ingress or egress except by the front door. In the case of taverns in Municipalities, Local Board towns, or towns brought under the operation of the Small Towns Sanitary Ordinance, No. 18 of 1892, and of "The Local Government Ordinance, No. 11 of 1920," the tavern premises shall have no doors except into the main street. The interior of the tavern shall be sufficiently lighted by day and by night, and the tavern shall not be used as a place of residence, save by the vendor or a caretaker.*

No alterations or additions shall be made to any tavern building, nor shall any wall, fence, or other enclosure be erected without the approval of the Government Agent.

2. A signboard must be affixed to the front of each licensed distillery, brewery, wholesale warehouse, arrack renter's storehouse, bottling warehouse, or tavern (including beer and porter), showing the number and nature of the licence, the name of the licensee, and, in the case of country liquor taverns, the current rate of sale. These particulars must be legibly painted in English or the local vernacular. The licensee and a printed copy of these conditions must be hung up in a conspicuous place within all licensed premises. In the case of taverns, the licence must show the names of the salesmen.

3. (1) The possession upon any licensed premises of any liquor or intoxicating drug, except that to which the licence relates, or of any essence or substance used or capable of being used for colouring or flavouring liquor, is prohibited, provided that this shall not apply to harmless substances kept or used in distilleries to flavour or colour liquor, if such are approved by the Excise Commissioner.

(2) All liquor and intoxicating drugs sold or kept for sale shall be of good quality and unadulterated. Nothing shall be added to them, either to increase their intoxicating power or for any other purpose, provided that this shall not apply to harmless substances kept or used in distilleries to flavour or colour liquor, if such are approved by the Excise Commissioner.

(3) No licensee or renter and his tavern-keeper shall sell any liquor at a price higher than the current rate appearing on the signboard.

4. All officers authorized to inspect licensed premises (*vide* condition 21 *infra*) are authorized to detain any liquor or intoxicating drug reasonably suspected to be unfit for consumption or use, or which they may believe to have been tampered with, and all licensees shall give all such officers all such facilities and assistance as they may require for the exercise of their powers.

5. The names of all persons proposed to be employed in godowns, warehouses, taverns or bars shall be furnished to the Assistant Commissioner of Excise, who will grant a permit authorizing the employment of such proposed persons as are approved by him, and the permit shall be exhibited in the licensed premises in which they are employed. Persons not so authorized shall not be employed. It shall be competent for the Assistant Commissioner of Excise at any time to revoke the authority.

5. (a) The sale or transport of liquor or intoxicating drugs by the following persons *and the employment of such persons for the sale of the same are prohibited* :—

- (i.) Those suffering from leprosy or any infectious or contagious disease.
- (ii.) Those under the age of sixteen.

6. The rules regarding the hours of opening and closing places licensed for the sale of liquor are as follows :—

(1) *Toddy Taverns.*—Toddy taverns shall remain open between the hours of 8 A.M. and 6.30 P.M., and shall be kept closed at all other hours, provided that the Government Agent may, after consulting the Advisory Committee, restrict the hours during which any particular tavern shall remain open by fixing a later hour of opening, or an earlier hour of closing. The Government Agent may, after consulting the Advisory Committee, fix the opening hour of toddy taverns as early as 7 A.M., where local circumstances are found to require it, and may, in towns and, for special reasons, outside towns, extend the hour of closing any tavern therein situated to such hour as he may fix, not being later than the closing hour of arrack taverns in the same area, and shall enter such hours of opening and closing in the licence. No sale shall take place between the time at which the tavern is required to be closed at night and the time fixed for opening.

(2) *Arrack Taverns.*—Arrack taverns shall remain open between the hours of 8 A.M. and 6.30 P.M., and shall be kept closed at all other hours. The Government Agent may, after consulting the Advisory Committee, either extend the hour of closing of any such taverns in towns and, for special reasons, outside towns, to such hour as he may fix, not being later than the closing hour of such taverns in April, 1917, and in no case later than 9 P.M. The hours during which a tavern may remain open shall be entered in the licence. No sale shall take place except during such hours.

(3) *Places licensed for the Sale of Foreign Liquor.*—The hours for opening and closing will be noted on the licence by the Government Agent, provided, however, that in cases for which Excise Notification No. 76 published in the *Ceylon Government Gazette* No. 6,953 of June 28, 1918, has prescribed hours, such prescription of hours shall hold good. No sale of liquor shall take place between the hour at which the premises are required to be closed and the hour fixed for opening. Taverns (including places licensed for the sale of beer and porter only) and bars shall remain closed between the hours fixed for closing and the hour fixed for opening. The closing hour of foreign liquor taverns (including places licensed for the sale of beer and porter only) shall not be later than the closing hour of arrack taverns in the same area.

* In taverns which are clearly of a superior character private bars may be sparingly allowed by the Government Agent under a special licence to be granted by him, free of fee; provided that the interior of the bar is wholly visible from the doorway, and that the entrance to it is either through the main door of the shop, or through a separate door clearly labelled or provided with a proper signboard to show its nature.

The licensing authority may in special cases authorize licensed premises, other than taverns and places licensed for the sale of beer and porter, to be kept open to such later hour as may be fixed by him, provided that no liquor shall be sold between the hours of closing and opening appearing in the liquor licence.

(4) *General.*—The Government Agent may, after consulting the Advisory Committee, restrict the hours of business of all licensed premises by directing that any particular place licensed for the sale of liquor shall be kept closed for certain hours between the opening and closing hour whether fixed under sub-sections (1), (2), (3) of this General Condition or prescribed by Excise Notification No. 76 published in Government Gazette No. 6,953 of June 28, 1918.

7. No drunkenness, disorder, or gaming shall be permitted in taverns and other licensed premises. Every person licensed to sell liquor and every keeper of any licensed premises shall refuse to admit to, and shall turn out of, the premises in respect of which the licence is granted any person who is drunk, violent, quarrelsome, or disorderly, and any person whose presence on the premises would subject him to a penalty under any Ordinance for the time being in force.

8. No robbers, thieves, habitual criminals, or disorderly or riotous persons or reputed prostitutes shall be harboured in any licensed premises. Intimation of their resort thereto shall be given to the nearest Magistrate or Police Officer by the licensee.

9. No person shall be harboured in any licensed premises between the hours of closing and opening such premises, and no constable shall be harboured in such premises during his time of duty.

10. Taverns situated on or adjacent to the line of march must be closed, if the Government Agent so orders, while a regiment or detachment of European or Ceylonese soldiers is passing, or is encamped in the vicinity; and if the Government Agent so orders, any licensed premises must be temporarily closed in times of religious excitement, or when a disturbance exists or is apprehended. Every Excise licensee shall of his own motion close his licensed premises when there is a riot or disturbance in the neighbourhood.

10. (a) The Government Agent may order, at his discretion, the closure of all or any licensed premises on days of polling.

11. The right is reserved to the Government Agent to grant "Occasional licences" for the sale of liquor on the occurrence of fairs, festivals, &c. Such licences shall ordinarily be granted to the tavern-keepers who usually supply the locality, or to the representative of the renter. Their period shall not exceed ten days, and the fees to be paid therefor shall be fixed at the discretion of the officer issuing the licences.

12. No liquor shall be sold or given—

(a) Except at licensed premises specially approved by the Naval Commander-in-Chief or Senior Naval Officer or the Officer Commanding the Troops in the Colony or the Officer Commanding the Station or Camp, and then only in respect to such liquors as shall be approved by the same authority in consultation with the Excise authorities and specified in the licence—

- (1) To sailors in the Royal Navy, soldiers, and the members of their families; or
- (2) To any other person living in barracks.

(b) Whilst on duty to any—

- (1) Member of the Police Force or Officer of the Excise Department; or
- (2) Railway servant; or

(c) To a woman for consumption within the premises of a tavern.

(d) In any circumstances to any—

- (1) Person under sixteen years of age; or
- (2) Insane person; or
- (3) Person known or believed to be intoxicated.

13. No privilege of manufacture, supply, or sale, or any interest therein shall be sold, transferred, or sub-rented without the Government Agent's previous permission; nor, if the Government Agent so orders, shall any agent be appointed for the management of any such privilege without his previous approval.

14. Taverns must be kept open, unless their temporary closure is authorized under condition 10 *supra*, and such supply of liquor as the Government Agent may consider sufficient to meet local requirements must be maintained therein. Taverns not opened by dates to be fixed by the Government Agent shall be liable to be resold at the risk of the licensees.

15. No liquor shall be sold in taverns except for cash. All licensees shall, subject to any special condition limiting the quantity that may be sold, be bound to supply liquor on demand and on tender of cash to any person entitled to demand it.

16. No liquor or intoxicating drug shall be sold either below the minimum or above the maximum prices fixed for sale of the same in accordance with the law for the time being in force.

17. No liquor or intoxicating drug in excess of the quantity prescribed for possession without a licence shall be permitted to be removed by any person at any one time from any licensed premises without a valid permit; nor shall liquor or intoxicating drugs be sold at godowns or warehouse in quantities less than the minima prescribed.

18. True accounts of transactions shall be maintained from day to day in ink in forms approved by the Excise Commissioner, and shall be kept in the licensed premises. Such accounts shall be correctly and promptly totalled at the end of each month. The accounts and passes shall be in printed books, which may be obtained from any Kachcheri on payment of cost price, or on production of receipts for the payment of the cost price into a Government Treasury. Passes for liquor or intoxicating drugs received and the counterfoils of passes issued must be carefully filed in the licensed premises.

The signing of blank passes for subsequent issue is prohibited. The counterfoils of passes and, in the case of foreign liquor licences, the invoices for all receipts of liquor shall be preserved by the licensee for one year after the period covered by the licence, and shall be produced when called for by an officer not below the rank of Inspector of the Excise Department.

The licensee shall, within three days of the expiry of the licence by surrender, cancellation, lapse of time, or any other cause, deliver to the Assistant Superintendent of the Circle in which the licensed premises were situated, all books of accounts kept under the provisions of this condition as well as the inspection notebook mentioned in General Condition No. 22.

19. Such returns and information as may be required by the Excise Commissioner or by the Government Agent from time to time shall be furnished by holders of licences.

20. When any weights, measures, or instruments have been prescribed for use in any licensed premises, only such weights, measures, and instruments as have been prescribed shall be possessed or used on such premises, and they shall be tested and stamped by the stamping establishment of the district, if the Government Agent shall so direct. The possession or use of weights or measures that are incorrect on any licensed premises will render the licensee liable to punishment.

21. The officers authorized to inspect licensed premises are—

- (1) Any officer of the Revenue Department of rank not lower than a Ratamahatmaya, Mudaliyar, Muhandiram, or officer of like rank;
- (2) Any officer of the Excise Department of rank not lower than Inspector; and
- (3) Any person appointed under section 7 (c) to perform the acts and duties mentioned in sections 32, 34, and 45 (a). (*Vide* Excise Notification No. 68.)

These officers are empowered to enter and examine the premises, to test weights and measures in use, and the liquor and intoxicating drugs in the possession of the licensees, to remove samples of the same, free of charge, after duly sealing them in presence of the licensees for purposes of chemical analysis where there is reason to test quality or strength, and to call for and check the accounts kept in the licensed premises, and to do any other acts which may be necessary to carry out the duty of ensuring the observance, by the licensee of the provisions of the Excise Ordinance and of the conditions attaching to the licence. In regard to taverns (including premises licensed for the sale of beer and porter only) such officers are further empowered to examine any private documents or books within the premises, and, if any offence is disclosed thereby to seize and remove such documents or books. All licensees shall give to all such officers all such facilities and assistance as they may require for the exercise of their powers. Nothing in this condition shall be interpreted as depriving Police Officers of any powers vested in them by law, and no claim shall lie for compensation for the value of such samples.

22. An inspection notebook with the pages numbered consecutively shall be kept by the licensee in the licensed premises for the entry in it by Inspecting Officers of their remarks, and be handed over to the Superintendent or Assistant Superintendent of Excise, or any officer authorized by him to receive it, on a receipt being given therefor.

23. Licensees are bound to report to the Government Agent all instances which come to their knowledge of persons employed by them in the manufacture, transport, or sale of liquor and intoxicating drugs committing breaches of the Excise laws, and to comply with the Government Agent's orders respecting the continued employment of such persons. No persons who have been convicted under the Ceylon Penal Code or under "The Excise Ordinance, No. 8 of 1912," shall be employed in the transport or sale of liquor and intoxicating drugs without the Government Agent's previous permission.

24. Pecuniary dealings of any kind whatever by licensees with officials of the Excise Department are absolutely prohibited.

25. All licensed premises, and all vessels, measures, and other articles used for the storage or sale of liquor therein, shall be kept scrupulously clean.

26. All licensees shall be bound by any additional general rules that may be prescribed under the Excise law, and if so required by the Government Agent or any officer authorized by him, to deliver up their licences for amendment or for the issue of fresh ones.

27. The possession (save under and in accordance with the law applicable to unlicensed persons) or sale by any licensee of any excisable article elsewhere than at the premises to which his licence refers is prohibited.

28. In no case shall an arrack or toddy renter or a licensee of a foreign liquor tavern, either personally or by an agent, transport from his tavern any quantity of liquor that may have been sold without a special permit from the Government Agent or Assistant Government Agent.

29. All vessels at arrack renters' storehouse, arrack taverns, toddy taverns, and beer and porter shops used for storing or for transport of liquor shall have their correct capacities marked in terms of gallons, and be provided with accurate dip-rods to ascertain the correct quantities they hold.

Dip-rods for casks and other receptacles, shall be kept in the licensed premises and renters shall provide duplicate keys of each cask, which shall remain in the custody of the Assistant Superintendent of Excise.

Conservator of Forests.

Office of the Conservator of Forests,
Kandy, April 5, 1929.

Sale of Ebony.

AN auction sale of the under-mentioned ebony will be held at the Central Timber Depot, Kew road, Slave Island, Colombo, on Saturday, May 4, 1929, at 10 A.M., subject to the following conditions:—

- The timber will be put up in lots to suit buyers at a rate per lot, and no advance of less than Re. 1 per lot will be accepted.
- The highest bid will be accepted, subject to the approval or disapproval of the Conservator of Forests. The highest bidder will be required by the officer conducting the sale to sign the sale book kept for the purpose directly a lot has been knocked down to him.
- Payment of 25 per cent. of the successful bid to be made at time of sale, if so required.
- Buyers will be allowed to have the logs weighed at the depot premises, if so required, the cost of reweighing to be borne by such buyers. If any difference is found between the depot weight and the weight ascertained after reweighing, a certificate will be issued by this department showing the actual weight at the time of reweighing, provided the buyers require such certificate for export purposes. But no allowance will be made for any shortage when making payment, the logs being sold by auction at a rate per lot and not per ton.
- No timber shall be removed before payment of the full price bid, and all timber sold must be removed from the depot within ten days of date of notification of acceptance by the Conservator of Forests of such bid, and will be at the risk of the purchasers until removed.

6. Should any person to whom a lot is knocked down refuse to take it over at the full price bid, or refuse or fail to sign the sale book and pay 25 per cent. of his bid when so required, or refuse or fail to pay the full purchase amount or balance thereof, as the case may be, and to remove the timber within the time specified in clause 5 above, the lot will again be put up for auction; and the original purchaser or bidder will be held liable for any loss to Government owing to a lower price being realized at the resale, while, if an enhanced price is realized at such resale, he shall, however, have no claim to the profit which shall accrue to Government.

7. Agents bidding for others will be required to produce a written authority from the firm or persons for whom they bid. Such authority will be retained by the Assistant Conservator of Forests, and will hold good only at the particular sale at which it is produced.

8. The description of the logs appearing in the remarks column of the following list is entered merely for the guidance of the intending purchasers, who, as usual, should satisfy themselves as to its correctness before purchasing the logs.
