- (2) To the payment off of the capital paid up on all the remaining shares, and any dividend on the said shares up to the date of winding up, in accordance with the Articles of Association.
- (3) To the division among the Shareholders, other than the holders of the Cumulative Preference Shares aforewritten, in proportion to the number of shares held by each of them, of any balance remaining after payment of capital and dividend as provided in sub-sections (1) and (2) hereof.

8. The rights for the time being attached to the said Preference Shares may be modified or dealt with in the manner mentioned in clauses 56 and 163 of the accompanying Articles of Association, but not otherwise, and these clauses shall be deemed to be incorporated herein, and have effect accordingly.

2. The Company may proceed to carry out the objects for which it is established, and to employ and apply its capital as soon after the registration of the Company as the Directors in their discretion shall think fit; and if the whole of the shares shall not have been subscribed, applied for, or allotted as soon as in the judgment of the Directors, a sufficient number of shares shall have been subscribed or applied for.

3. The Company shall forthwith enter into an agreement with Edward Becket Creasy in terms of the draft which has for the purpose of identification been signed by W. K. S. Hughes and the Directors shall carry the same into effect with or without modification as they shall think fit.

#### CAPITAL.

4. The nominal capital of the Company is One Million Rupees (Rs. 1,000,000) divided into 2,000 Cumulative Preference Shares of One hundred Rupees (Rs. 100) each and 8,000 ordinary shares of One hundred Rupees (Rs. 100) each.

5. The Directors may, with the sanction of a special resolution of the Company in General Meeting, increase the capital of the Company by the creation of new shares of such amounts per share and in the aggregate and with such special, preferential, deferred, qualified, or other rights, privileges, or conditions attached thereto as such resolution shall direct, provided however that such new shares shall have no preferential rights over the 2,000 Cumulative Preference Shares above referred to.

6. Except so far as otherwise provided by the conditions of issue or by these presents, any capital raised by the creation of new shares shall be considered part of the original capital, and shall be subject to the same provisions in all respects with reference to the payments of allotment money, calls and instalments, transfer, transmission, forfeiture, lien, surrender, and otherwise, as if it had formed part of the original capital.

7. The Directors may also with the sanction of a special resolution of the Company reduce the capital or subdivide or consolidate the shares of the Company.

#### SHARES.

8. The Company may issue the balance capital whenever the Directors shall think fit, and may make arrangements on the issue of shares for a difference between the holders of such shares in the amount of calls to be paid, and the time of payment of such calls.

9. If by the conditions of allotment of any share the whole or part of the amount thereof shall be payable by instalments, every such instalment shall, when due, be paid to the Company by the holder of the shares.

10. The shares, except when otherwise provided, shall be allotted at the discretion of and by the Directors, who may from time to time issue any unissued shares, and may add to such shares such an amount of premium as they consider proper. Provided that such unissued shares except when otherwise provided shall first be offered by the Directors to the Shareholders in proportion to the existing shares held by them, and such offer shall be made by notice specifying the number of shares to which the Shareholder is entitled, and limiting a time within which the offer, if not accepted, will be deemed to be declined, and after the expiration of such time, or on the receipt of an intimation from the Shareholder to whom such notice is given that he declines to accept the shares offered, the same shall be disposed of in such manner as the Directors may determine. Provided that the Directors may at their discretion allot such new shares or any portion of them to the vendor or vendors of lands, property, rights, or privileges being acquired by the Company in payment of the whole or any part of the purchase price of any such lands, property, rights, or privileges, or as remuneration for work done for or services rendered to the Company and that without offering the shares so allotted to the Shareholders.

11. In case of the increase of the capital of the Company by the creation of new shares, such new shares shall be issued upon such terms and conditions, and with such preferential, deferred, qualified, special, or other rights and privileges annexed thereto, as the General Meeting resolving on the creation thereof, or any other General Meeting of the Company, shall direct, and if no direction be given, as the Directors shall determine, and in particular such shares may be issued with a preferential or qualified right to the dividends, and in the distribution of the assets of the Company, and with a special or without any right of voting, provided however that such new shares shall have no preferential rights over the 2,000 Cumulative Preference Shares above referred to.

Subject to any direction to the contrary that may be given by the meeting that sanctions the increase of capital, all new shares shall be offered to the Shareholders in proportion to the existing shares held by them, and such offer shall be made by notice specifying the number of shares to which the Shareholder is entitled, and limiting a time within which the offer, if not accepted, will be deemed to be declined, and after the expiration of such time, or on the receipt of an intimation from the Shareholder to whom such notice is given that he declines to accept the shares offered, the same shall be disposed of in such manner as the Directors may determine. Provided that the Directors may, at their discretion, allot such new shares or any portion of them to the vendor or vendors of any lands, property, rights, or privileges being acquired by the Company in payment of the whole or any part of the purchase price of any such lands, property, rights, or privileges and that without offering the shares so allotted to the Shareholders.

15. Any one of the joint-holders of a share, other than a firm, may give effectual receipts for any dividends payable in respect of such share; but only one of such joint-shareholders shall be entitled to the right of voting and of giving proxies and exercising the other rights and powers conferred on a sole Shareholder, and if the joint-holders cannot arrange amongst themselves as to who shall vote or give proxies and exercise such other rights and powers conferred on a sole Shareholder, the Shareholder whose name stands first on the register of shares, shall vote or give proxies and exercise those rights and powers; provided, however, that in the event of such first registered Shareholder being absent from the Island, the first registered Shareholder then resident in Ceylon shall vote or give proxies and exercise all such rights and powers as aforesaid.

16. In case of the death of any one or more of the joint-holders of any shares, the survivor or survivors shall be the only person or persons recognized by the Company as having any title to, or interest in, such shares.

17. The Company shall not be bound to recognize (even though having notice of) any contingent, future, partial, or equitable interest in the nature of a trust or otherwise in any share, or any other right in respect of any share, except any absolute right thereto in the person from time to time registered as the holder thereof, and except also the right of any person under Article 41 to become a Shareholder in respect of any share.

18. The joint-holders of a share shall be severally as well as jointly liable for the payment of all instalments and calls due in respect of such share.

19. Every Shareholder shall be entitled to a certificate or certificates under the common seal of the Company, specifying the share or shares, held by him and the amount paid thereon, provided that in case of shares registered in the names of two or more persons the Company shall not be bound to issue more than one certificate to all the joint-holders and delivery of such certificate to any one of them shall be sufficient delivery to all.

20. If any certificate be worn out or defaced, then, upon production thereof to the Directors they may order the same to be cancelled, and may issue a new certificate in lieu thereof; and if any certificate be lost or destroyed, then, upon proof thereof to the satisfaction of the Directors, and on such indemnity as the Directors deem adequate being given, a new certificate in lieu thereof may be given to the person entitled to such lost or destroyed certificate. A sum of fifty cents shall be payable for such new certificate.

#### CALLS.

21. The Directors may from time to time make such calls as they think fit upon the Shareholders in respect of all moneys unpaid on their shares, and not by the conditions of allotment made payable at fixed times, provided that three months' notice at least shall be given to the Shareholders of the time and place appointed for payment of each call; and each Shareholder shall pay the amount of every call so made to the persons and at the time and place appointed by the Directors.

22. If any Shareholder fails to pay the amount of any call due by him on or before the day appointed for payment thereof, he shall be liable to pay interest on the same at the rate of nine per centum per annum from the day appointed for the payment thereof to the time of actual payment.

23. A call shall be deemed to have been made at the time when the resolution of the Directors authorizing such call was passed.

24. The Directors shall have power in their absolute discretion to give time to any one or more Shareholder or Shareholders, exclusive of the others, for payment of any call or part thereof on such terms as the Directors may determine. But no Shareholder shall be entitled to any such extension except as a matter of grace or favour.

25. The Directors may at their discretion receive from any of the Shareholders willing to advance the same, and upon such terms as they think fit, all or any part of the moneys uncalled upon their respective shares beyond the sums actually called up; and upon the moneys so paid in advance, or upon so much thereof as from time to time and at any time thereafter exceeds the amount of the calls then made upon, and due in respect of the shares in respect of which such advances have been made, the Board may pay or allow interest at such rate as the Shareholders paying such sums in advance and the Directors may agree upon, not exceeding, however, eight per centum per annum.

#### TRANSFER OF SHARES.

26. A share may be transferred by a member or other person entitled to transfer to any member selected by the transferor; but save as aforesaid and save as provided by clause 31 or 33 thereof, no share shall be transferred to a person who is not a member so long as any member (or any person selected by the Directors as one whom it is desirable in the interests of the Company to admit to membership) is willing to purchase the same at the fair value.

27. Except where the transfer is made pursuant to clause 31 or 33 hereof, the person proposing to transfer any shares (hereinafter called the "proposing transferor") shall give notice in writing (hereinafter called a "transfer notice") to the Company that he desires to transfer the same. Such notice shall specify the sum he fixes as the fair value, and shall constitute the Company his agent for the sale of the share to any member of the Company (or person selected as aforesaid) at the price so fixed, or, at the option of the purchaser, at the fair value to be fixed by the auditor in accordance with these Articles. A transfer notice may include several shares, and in such case shall operate as if it were a separate notice in respect of each. A transfer notice shall not be revocable except with the sanction of the Directors.

28. If the Company shall, within the space of twenty-eight days after being served with a transfer notice, find a member (or person selected as aforesaid) willing to purchase the share (hereinafter called "the purchasing member"), and shall give notice thereof to the proposing transferor, he shall be bound, upon payment of the fair value, to transfer the share to the purchasing member.

29. In case any difference arises between the proposing transferor and the purchasing member as to the fair value of a share, the Auditor shall, on the application of either party, certify in writing the sum which, in his opinion, is the fair value, and such sum shall be deemed to be the fair value, and in so certifying the Auditor shall be considered to be acting as an expert, and not as an arbitrator.

30. If in any case the proposing transferor, after having become bound as aforesaid, makes default in transferring the share the Company may receive the purchase-money, and shall thereupon cause the name of the purchasing member to be entered in the register as the holder of the share, and shall hold the purchase-money in trust for the proposing transferor. The receipt of the Company for the purchase-money shall be a good discharge to the purchasing member, and after his name has been entered in the register in purported exercise of the aforesaid power, the validity of the proceedings shall not be questioned by any person.

31. If the Company shall not, within the space of twenty-eight days after being served with a transfer notice, find a member (or person selected as aforesaid) willing to purchase the shares and give notice in manner aforesaid, the proposing transferor shall at any time within three calendar months afterwards be at liberty, subject to clause 34 hereof, to sell and transfer the shares (or those not placed) to any person and at any price.

32. The Company in General Meeting may make and from time to time vary rules as to the mode in which any shares specified in any transfer notice shall be offered to the members, and as to their rights in regard to the purchase thereof, and in particular may give any member or class of members a preferential right to purchase the same. Until otherwise determined, every such share shall be offered to the members in such order as shall be determined by lots drawn in regard thereto, and the lots shall be drawn in such manner as the Directors think fit.

33. Any share may be transferred by a member to any child or other issue, father, mother, wife, or husband of member, and any share of a deceased member may be transferred by his executors or administrators to any child, or other issue, father, mother, widow, or widower of such deceased member (to whom such deceased member may have specifically bequeathed the same), and shares standing in the name of the trustees of the will of any deceased member may be transferred upon any change of trustees to the trustees for the time being of such will (and the restrictions in clause 26 hereof shall not apply to any transfer authorized by this clause).

34. The Directors may refuse to register any transfer of a share, (a) where the Company has a lien on the share; or (b) where the Directors are not of opinion that it is desirable to admit the proposed transferee to membership. But paragraph (b) of this clause shall not apply (where the proposed transferee is already a member (holding more than ten shares), nor to a transfer made pursuant to clause 33 hereof.

35. The Company shall keep a book or books, to be called "The Register of Transfers," in which shall be entered the particulars of every transfer or transmission of any share.

36. Every instrument of transfer must be left at the office of the Company to be registered accompanied by the certificate for the shares to be transferred and by such evidence as the Directors may reasonably require to prove the title of the transferor, and a fee of Two Rupees and fifty cents or such other sum as the Directors shall from time to time determine, must be paid to the Company for the registration of every such transfer; upon payment thereof the Directors, subject to the powers vested in them by Article 26, shall register the transferee as a Shareholder and retain the instrument of transfer.

37. The Directors may, by such means as they shall deem expedient, authorize the registration of transferees as Shareholders, without the necessity of any meeting of the Directors for that purpose.

38. In no case shall the Directors be bound to inquire into the validity, legal effect, or genuineness of any instrument of transfer produced by a person claiming a transfer of any share in accordance with these Articles; and whether they abstain from so inquiring, or do so inquire and are misled, the transferor shall have no claim whatsoever upon the Company in respect of the share, except for the dividends previously declared in respect thereof, but only if at all, upon the transferee.

39. The register of transfers may be closed at such times and for such periods as the Directors may from time to time determine, provided always that it shall not be closed for more than twenty-one days in any year.

#### TRANSMISSION OF SHARES.

40. The executors, or administrators, or the heirs of a deceased sole Shareholder shall be the only persons recognized by the Company, as having any title to the shares of such Shareholder.

41. Any guardian of any infant Shareholder, or any committee of a lunatic Shareholder or any person becoming entitled to shares in consequence of the death, bankruptcy, or liquidation of any Shareholder, or in any other way than by transfer, shall, upon producing such evidence that he sustains the character in respect of which he proposes to act under this Article, or of his title, as the Directors think sufficient, may with the consent of the Directors (which they shall not be under any obligation to give) be registered as a Shareholder in respect of such shares; or may, subject to the regulations as to transfers hereinbefore contained, transfer such shares.

42. A person becoming entitled to a share by reason of the death, bankruptcy, or insolvency of the holder shall be entitled to the same dividends and other advantages to which he would be entitled if he were the registered holder of the share, except that he shall not before being registered as a Member in respect of the share, be entitled in respect of it to exercise any right conferred by membership in relation to meetings of the Company.

43. The Directors may accept, in the name and for the benefit of the Company, and upon such terms and conditions as may be agreed a surrender of the shares of Shareholders who may be desirous of retiring from the Company provided such acceptance is properly legalized.

44. If any Shareholder fails to pay any call or instalment on or before the day appointed for the payment of the same, the Directors may at any time hereafter, during such time as the call or instalment remains unpaid, serve a notice on such Shareholder requiring him to pay the same together with any interest that may have accrued, and all expenses that may have been incurred by the Company by reason of such non-payment.

The notice shall name a day (not being less than one month from the date of the notice) on, and a place or places at, which such call or instalment and such interest and expenses as aforesaid are to be paid. The notice shall also state that, in the event of non-payment at or before the time and at the place appointed, the shares in respect of which the call was made or instalment is payable will be liable to be forfeited.

If the requisition of such notice as aforesaid be not complied with every or any share or shares in respect of which such notice has been given may at any time thereafter, before payment of calls or instalments, with interest and expenses due in respect thereof, be declared forfeited by a resolution of the Board to that effect.

45. Any Shareholder whose shares have been so declared forfeited shall notwithstanding be liable to pay and shall forthwith pay to the Company all calls, instalments, premium, interest, and expenses owing upon or in respect of such shares at the time of the forfeiture, together with interest thereon from the time of forfeiture until payment at nine per centum per annum, and the Directors may enforce the payment thereof if they think fit.

46. Every share surrendered or so declared forfeited shall be deemed to be the property of the Company, and may be sold, re-allotted, or otherwise disposed of upon such terms and in such manner as the Board shall think fit.

47. The surrender or forfeiture of a share shall involve the extinction of all interest in, and also of all claims and demands against the Company in respect of the share and the proceeds thereof and all other rights incident to the share, except only such of those rights (if any) as by these presents are expressly saved.

48. A certificate in writing under the hands of one of the Directors and of the Secretary or Secretaries that a share has been duly surrendered, or forfeited, stating the time when it was surrendered or forfeited, shall be conclusive evidence of the facts therein stated as against all persons who would have been entitled to the share, but for such surrender or forfeiture, and such certificate and the receipt of the Company for the price of such share shall constitute a good title to such share and a certificate of proprietorship shall be delivered to any person who may purchase the same from the Company, and thereupon such purchaser shall be deemed the holder of such share, discharged from all calls due prior to such purchase; and he shall not be bound to see to the application of the purchase money, nor shall his title to such share be affected by any irregularity in the proceedings in reference to such forfeiture or sale.

49. The Directors may in their discretion remit or annul the forfeiture of any share within six months from the date thereof upon the payment of all moneys due to the Company from the late holder or holders of such share or shares, and all expenses incurred in relation to such forfeiture, together with such further sum of money by way of redemption money for the deficit as they shall think fit, not being less than nine per centum per annum on the amount of the sums wherein default in payment had been made, but no share *bona fide* sold or re-allotted, or otherwise disposed of under Article 46 hereof, shall be redeemable after sale or disposal.

50. The Company shall have a first charge or paramount lien upon all the shares of any holder or joint-holders for all moneys for the time being due to the Company by such holder or by all or any of such joint-holders respectively, either in respect of such shares or of other shares held by such holder or joint-holders or in respect of any other debt, liability, or engagement whatsoever and whether due from any such holder individually or jointly with others, including all calls which the Directors shall have resolved to make, although the times appointed for the payment thereof shall not have arrived; and where any share is held by more persons than one, the Company shall be entitled to the said charge or lien in respect of any money due to the Company from any of such persons. And the Directors may decline to register any transfer of shares subject to such charge or lien.

51. Such charge or lien may be made available by a sale of all or any of the shares subject to it, provided that no such sale shall be made except under a resolution of the Directors, and until notice in writing shall have been given to the indebted Shareholder or his executors or administrators, or the assignee or trustee in his bankruptcy, requiring him or them to pay the amount for the time being due to the Company, and default shall have been made for twenty-eight days from such notice in paying the sum thereby required to be paid. Should the Shareholder over whose share the lien exists be in England or elsewhere abroad, sixty days' notice shall be allowed him.

52. The nett proceeds of any such sale shall be applied in or towards satisfaction of such debts, liabilities, or engagements, and the residue (if any) paid to such Shareholder or his representatives.

53. A certificate in writing under the hands of one of the Directors and of the Secretary that the power of sale given by Article 51 has arisen and is exercisable by the Company under these presents, shall be conclusive evidence of the facts therein stated.

54. Upon any such sale two of the Directors may execute a transfer of such share to the purchaser thereof, and such transfer, with the certificate last aforesaid, shall confer on the purchaser a complete title to such share.

#### PREFERENCE SHARES.

55. Any shares from time to time to be issued or created may from time to time be issued with any such right or preference, whether in respect of dividend or of repayment of capital, or both, or any such other special privilege or advantage over any shares previously issued or then about to be issued (other than shares issued with a preference), or at such a premium, or with such deferred rights as compared with any shares previously issued or then about to be issued, or subject to any such conditions or provisions, and with any such right or without any right of voting, and generally on such terms as the Company may from time to time by special resolution determine, provided that no such shares shall have any preference over the 2,000 Cumulative Preference Shares above referred to.

56. If at any time by the issue of preference shares or otherwise the capital is divided into shares of different classes, then the holders of any class of shares may by an extraordinary resolution passed at a meeting of such holders, consent, on behalf of all the holders of shares of the class, to the issue or creation of any shares ranking equally therewith, or having any priority thereto, or to the abandonment of any preference or priority, or of any accrued dividend or the reduction for any time or permanently of the dividends payable thereon, or to any scheme for the reduction of the Company's capital affecting the class of shares; and such resolution shall be binding upon all the holders of shares of the class, provided that this Article shall not be read as implying the necessity for such consent in any case in which, but for this Article the object of the resolution could have been effected without it.

57. Any meeting for the purpose of the last preceding clause shall be convened and conducted in all respects as nearly as possible in the same way as an Extraordinary General Meeting of the Company, provided that no member, not being a Director, shall be entitled to notice thereof or to attend thereat, unless he be a holder of shares of the class intended to be affected by the resolution, and that no vote shall be given except in respect of a share of that class, and that at any such meeting a poll may be demanded in writing by any members personally present and entitled to vote at such meeting.

#### EMPLOYEES' SHARES.

58. The Directors may remunerate any employee of the Company by means of a share of the profits of the Company, or by remuneration varying with the profits earned or the dividends declared, or with the output or turnover of the Company and such remuneration may be in addition to the ordinary remuneration of such employee, and may be either in cash or by way of allotment of shares fully or partly paid as the Directors think fit. And the Directors may establish such schemes for remuneration of employees in manner aforesaid as the Directors may in their absolute discretion think fit; and the Directors may from time to time vary any such schemes and may attach to any shares allotted to employees such special rights, privileges, conditions, or restrictions as they think fit, provided always that any shares which shall be issued to any employee of the Company by way of remuneration or share of profits as aforesaid shall be called "employee shares," and shall be subject to the provisions hereinafter contained relating to employee shares:—

(a) Each of the employees' shares shall, whilst it is held by an employee of the Company, rank for dividend as if it were an ordinary share of Rs. 100 fully paid up (and whilst not held by an employee of the Company it shall not carry the right to any dividend).

(b) An employees' share shall not confer the right to vote, or to attend at general meetings.

(c) An employees' share shall not be transferable except as provided by paragraph (d) of this clause.

(d) Whenever an employees' share is allotted, or, pursuant to this clause, is transferred to any employee of the Company, such employee shall be entitled to retain and hold the same so long as he remains an employee of the Company; and if by death, resignation, withdrawal, dismissal, or otherwise, he cease to be an employee of the Company, he or his executors or administrators shall be bound, upon the request in writing of the Directors, to transfer such share to such person as the Directors may nominate; and, if such person is not an employee of the Company, such person shall at any time, on the request of the Directors, transfer such share to any employee of the Company.

(e) If any person who ought, in conformity with the last preceding paragraph of this clause, to transfer any shares makes default in transferring the same, the Directors may, by writing under the common seal, appoint any person to make the transfer on behalf of the person in default, and a transfer by such appointee shall be as effective as if it were duly executed by the person so in default. A certificate under the common seal that such power of appointment has arisen shall be conclusive for all purposes.

(f) In this article "employee of the Company" means and includes any foreman, clerk, or storekeeper, but the term does not include Directors or auditors.

#### BORROWING POWERS.

59. The Directors shall have power from time to time at their discretion to borrow or raise from the Directors or other persons any sum or sums of money for the purposes of the Company, provided that the money so borrowed or raised and owing at any one time shall not, without the sanction of a General Meeting, exceed Rupees Two hundred and Fifty thousand (Rs. 250,000).

60. With the sanction of a General Meeting, the Board shall be entitled to borrow such further sum or sums and at such rate of interest as such meeting shall determine. A certificate under the hands of one Director and the Secretary, or of two Directors, to the effect that in taking any loan the Directors are not exceeding their borrowing powers shall be sufficient and binding on the Company and all concerned, and shall be conclusive evidence thereof in all questions between the Company and its creditors.

61. For the purpose of securing the repayment of any such money so borrowed or raised, or for any other purposes, the Directors may grant, create, execute, and issue any mortgages, cash credits, debentures, debenture stock, bonds, or obligations of the Company, charged upon all or any part of the undertaking, revenue, lands, property, rights, and assets of the Company both present and future, including uncalled capital or unpaid calls, or may make, accept, or endorse on behalf of the Company any promissory notes or bills of exchange.

62. Any such securities may be issued either at par or at a premium or discount, and may from time to time be cancelled, discharged, varied, or exchanged as the Directors may think fit, and may contain special privileges as to redemption, surrender, drawings, allotments of shares, or otherwise.

63. Every debenture or other instrument issued by the Company for securing the payment of money may be so framed that the moneys thereby secured shall be assignable free from any equities between the Company and the person to whom the same may be issued.

#### GENERAL MEETINGS.

64. The First General Meeting shall be held at such time not being more than twelve months after the incorporation of the Company and at such place as the Directors may determine.

65. Subsequent General Meetings shall be held once in every year, at such time and place as may be prescribed by the Company in General Meeting, and if no time or place is so prescribed then at such place and at such time as soon after the first day in each year as may be determined by the Directors.

66. The General Meetings mentioned in the last preceding clause shall be called Ordinary General Meetings ; all other Meetings of the Company shall be called Extraordinary General Meetings.

67. The Directors may, whenever they think fit, call an Extraordinary General Meeting of the Company, and the Directors shall do so upon a requisition made in writing by not less than one-eighth of the number of Shareholders of the Company for the time being, or by any Shareholder or Shareholders holding in the aggregate one-eighth part of the shares of the Company for the time being subscribed for.

68. Any requisition so made shall express the object of the meeting proposed to be called, shall be addressed to the Directors, and shall be sent to the registered office of the Company.

Upon the receipt of such requisition, the Directors shall forthwith proceed to convene an Extraordinary General Meeting, to be held at such time and place as they shall determine. If they do not proceed to convene the same within seven days from the delivery of the requisition, the requisitionists may themselves convene an Extraordinary General Meeting, to be held at such place and such time as the Shareholders convening the meeting may themselves fix.

69. Any Shareholder may, on giving not less than five days' previous notice of any resolution, submit the same to a meeting.

70. Such notice shall be given by leaving a copy of the resolution at the registered office of the Company.

71. Seven days' notice at least of every General Meeting, Ordinary or Extraordinary, and by whomsoever convened, specifying the place, date, hour of meeting, and the objects and business of the meeting, shall be given by notice sent by post or otherwise served as hereinafter provided but so that a General Meeting may, with the consent in writing of all the Shareholders for the time being, be convened on a shorter notice than seven days or without written notice, notice of an adjourned meeting shall not be requisite in any case. Where it is proposed to pass a special resolution the two meetings may be convened by one and the same notice and it is to be no objection to such notice that it only convenes the second meeting contingently upon the resolution being passed by the requisite majority at the first meeting.

72. The accidental omission to give notice of any meeting to or the non-receipt of such notice by any of the Shareholders shall not invalidate any resolution passed at such meeting.

73. Every Ordinary General Meeting shall be competent, without special notice, having been given of the purposes for which it is convened, or of the business to be transacted thereat, to receive and discuss any report and any accounts presented thereto by the Directors, and to pass resolutions in approval or disapproval thereof, and to declare dividends, and to elect Directors and Auditors in place of those retiring by rotation, and to fix the remuneration of the Auditors ; and shall also be competent to enter upon, discuss, and transact any business whatsoever of which special mention shall have been given in the notice or notices upon which the meeting was convened.

74. With the exceptions mentioned in the foregoing Articles as to the business which may be transacted at Ordinary General Meetings without notice, no General Meeting, Ordinary or Extraordinary, shall be competent to enter upon, discuss, or transact any business which has not been specially mentioned in the notice or notices upon which it was convened except resolutions submitted under Article 69.

75. No business shall be transacted at any General Meeting, except the declaration of a dividend recommended by a report of the Directors or election of a Chairman, unless there shall be present or represented at the commencement of the business three or more Shareholders entitled to vote.

76. If at the expiration of half an hour from the time appointed for the meeting the required number of Shareholders shall not be present at the meeting, the meeting, if convened by or upon the requisition of Shareholders, shall be dissolved, but in any other case it shall stand adjourned to the same day in the next week at the same time and place ; and if at such adjourned meeting a quorum is not present, those Shareholders who are present shall be a quorum, and may transact the business for which the meeting was called.

77. The Chairman (if any) of the Directors shall be entitled to take the Chair at every General Meeting, whether Ordinary or Extraordinary ; or if there be no Chairman, or if at any meeting, he shall not be present at the time appointed for holding such meeting, or if he shall refuse to take the Chair, the Shareholders shall choose another Director as Chairman ; and if no Directors be present, or if all the Directors present decline to take the Chair, then the Shareholders present shall choose one of their number to be Chairman.

78. No business shall be discussed at any General Meeting, except the election of a Chairman, whilst the Chair is vacant.

79. The Chairman may with the consent of the meeting, adjourn any meeting from time to time and from place to place, but no business shall be transacted at any adjourned meeting other than the business left unfinished at the meeting from which the adjournment took place unless due notice thereof shall be given.

#### VOTING AT MEETINGS.

80. At any meeting every resolution shall be decided by a show of hands and in case there shall be an equality of votes, the Chairman at such meeting shall be entitled to give a casting vote in addition to the vote to which he may be entitled as a Shareholder ; and unless a poll be immediately demanded by some Shareholder, present and entitled to vote, a declaration by the Chairman that a resolution has been carried, and an entry to that effect in the Minute Book of the Company, shall be sufficient evidence of the fact without proof of the number or proportion of votes recorded in favour of or against such resolution. The power of demanding a poll conferred by this clause may be exercised by the proxy or attorney of any Shareholder duly appointed in that behalf.

81. If at any meeting a poll be demanded by some Shareholder present, his proxy or attorney at the meeting and entitled to vote, the meeting shall, if necessary, be adjourned, and the poll shall be taken at such time and place and in such manner as the Chairman shall direct, and in such case every Shareholder shall have the number of votes to which he may be entitled as hereinafter provided ; and in case at any such poll there shall be an equality of votes, the Chairman of the meeting at which such poll shall have been demanded shall be entitled to a casting vote in addition to any votes to which he may be entitled as a Shareholder or proxy or attorney, and the result of such poll shall be deemed to be the resolution of the Company in such meeting.

82. The demand of a poll shall not prevent the continuance of a meeting for the transaction of business other than the question on which a poll has been demanded.

83. No poll shall be demanded on the election of a Chairman of the meeting or on any question of adjournment.

84. On a show of hands every Shareholder present in person shall have one vote. Where a Shareholder is present by an attorney who is not a Shareholder such attorney shall be entitled to vote for such Shareholder on a show of hands. In case of a poll every Shareholder shall have one vote for every share held by him.

85. The parent or guardian or curator of an infant Shareholder, the committee or other legal guardian or curator of any lunatic Shareholder, the husband of any female Shareholder not entitled to her shares as separate estate, and the executor or administrator of any deceased Shareholder, or any one of such persons as aforesaid, if more than one, shall not be entitled to vote in the place of such infant, lunatic, female, or deceased Shareholder, unless such person shall have been registered as a Shareholder.

86. Votes may be given either personally or by proxy or by attorney.

87. No Shareholder shall be entitled to be present or to vote either personally or by proxy or attorney at any meeting unless all calls due from him on his shares have been paid, and no Shareholder, other than the trustee or assignee of a bankrupt or representative of a deceased Shareholder, shall be entitled to be present or to vote at any meeting held after the expiration of three months from the registration of the Company, in respect of any share which he has acquired by transfer, unless he has been registered as the holder of the share in respect of which he claims to vote at least three months previous to the time of holding the meeting at which he proposes to vote.

88. No person shall be entitled to hold a proxy who is not a Shareholder in the Company, but this rule shall not apply to a power of attorney.

89. The instrument appointing a proxy shall be printed or written and shall be signed by the appointor (whether a Shareholder or his attorney) or if such appointor be a company or corporation, it shall be under the common seal of such company or corporation.

90. The instrument appointing a proxy shall be deposited at the registered office of the Company not less than forty-eight hours before the time appointed for holding the meeting at which the person named in such instrument proposes to vote.

The instrument appointing a proxy may be in the following form :—

*E. B. Creasy & Company, Limited.*

I \_\_\_\_\_ of \_\_\_\_\_, appoint \_\_\_\_\_, of \_\_\_\_\_ as my proxy, to represent me and to vote for me and on my behalf at the Ordinary (or Extraordinary, as the case may be) General Meeting of the Company to be held on the \_\_\_\_\_ day of \_\_\_\_\_, One thousand Nine hundred and \_\_\_\_\_, and at any adjournment thereof, and at every poll which may be taken in consequence thereof.

As witness my hand this \_\_\_\_\_ day of \_\_\_\_\_, One thousand Nine hundred and \_\_\_\_\_.

91. No objection shall be made to the validity of any vote (whether given personally or by proxy or by attorney) except at the meeting or poll at which such votes shall be tendered, and every vote (whether given personally or by proxy or by attorney) to which no objection shall be made at such meeting or poll shall be deemed valid for all purposes of such meeting or poll whatsoever.

92. No Shareholder shall be prevented from voting by reason of his being personally interested in the result of the voting.

96. A life Director shall, subject to the provisions of Article 110, have power to appoint any member of the Company or any other person to be an alternate Director during his absence from Ceylon and such appointment shall have effect and such appointee while he holds office shall be entitled to Notice of Meetings of Directors and to attend and vote thereat accordingly and generally to exercise all the rights and functions of such absent Director subject to any limitations or restrictions in the instrument appointing him, but he shall not require any qualification and he shall *ipso facto* vacate office if and when his appointor returns to Ceylon or vacates office as a life Director. Any appointment under this Article shall be effected by an instrument in writing under the hand of the appointor and any appointment so effected can be cancelled by the appointor by an instrument in writing under his hand and such alternate Director shall vacate office as soon as notice in writing of the execution of such instrument of cancellation shall be received at the office of the Company. Such alternate Director may be one of the ordinary Directors of the Company in which case he shall be entitled to vote in both capacities but one person holding the office of ordinary Director and alternate Director shall not be a quorum under Article 120.

An alternate Director shall in the absence of a direction to the contrary in the instrument appointing him be entitled to receive notice of and to vote at General Meetings of the Company on behalf of his appointor and generally to represent his appointor in the same manner as if he had been appointed a general proxy under the provisions of those Articles.

97. One or more of the Directors may be appointed by the Directors to act as Secretary, Manager or Managing Director, or Managing Directors, and (or) Agent, or Agents of the Company, Visiting Agent or Superintendent, for such time and on such terms as the Directors may determine or may fix by agreement with the person or persons appointed to the office, and they may from time to time revoke such appointment and appoint another or other Secretary, Manager, Managing Director or Managing Directors, and (or) Agent, or Agents of the Company, Visiting Agent or Superintendent.

The Directors may confer on the Managing Director or Managing Directors all or any duties and powers that might be conferred on any Manager of the Company.

100. In case any question shall arise as to which of the ordinary Directors who have been the same time in office shall retire, the same shall be decided by the Directors by ballot.

101. Retiring Directors shall be eligible for re-election.

102. The Ordinary General Meeting at which ordinary Directors retire or ought to retire by rotation, shall appoint successors to them, and in default thereof such successors may be appointed at a subsequent Ordinary General Meeting.

103. Any casual vacancy occurring in the number of ordinary Directors or provisional Directors arising from death, resignation, or otherwise, may be filled up by the life Director, but any person appointed to fill such vacancy shall retain his office so long only as the vacating Director would have retained the same if no vacancy had occurred.

104. A General Meeting may from time to time with the consent of the life Director increase or reduce the number of Directors, and may also, determine in what rotation such increase or reduced number is to go out of office.

105. If at any meeting at which an election of an ordinary Director ought to take place the place of a retiring Director is not filled up, the retiring Director may continue in office until the First Ordinary General Meeting in the next year, and so on from meeting to meeting until his place is filled up, unless it shall be determined at such meeting to reduce the number of Directors.

107. The Company may, by a special resolution, remove any Director before the expiration of his period of office and may, by an ordinary resolution, appoint another person in his stead. The accounts shall be kept in such books and in such a manner at the registered office of the Company as the Directors think fit.

131. The Directors shall from time to time determine whether, and to what extent, and at what times and places, and under what conditions or regulations, the accounts and books of the Company or of any of them shall be open to the inspection of the Shareholders, and no Shareholder shall have any right of inspecting any account or book or document of the Company except as conferred by Ordinance or authorized by the Directors or by a resolution of the Company in General Meeting.

149. No unpaid dividend or bonus shall ever bear interest against the Company.
150. No Shareholder shall be entitled to receive payment of any dividend or bonus in respect of his share or shares whilst any moneys may be due or owing from him (whether alone or jointly with any other person) to the Company in respect of such share or shares, or otherwise howsoever.

## MUNICIPALITY OF GALLE.

## Minutes of Proceedings of a General Meeting of the Municipal Council of Galle, held in the Municipal Office, on Saturday, May 11, 1929, at 9 a.m., pursuant to Notice dated May 6, 1929.

*Present* :—Mr. M. M. Wedderburn, Chairman; Mr. D. W. Subasinghe; the Hon. Mr. C. E. de Vos, M.L.C.; Mr. J. E. Perera; Mr. D. I. Durham; Mr. C. L. Wickramasinghe; Mr. F. W. Sproule; Mr. S. H. Dahanayake; and Dr. L. C. Wijesinghe.

1. The Minutes of the General Meeting of April 20, 1929, a copy thereof having been furnished to each Member, were taken as read and confirmed.

2. Mr. D. W. Subasinghe presented a petition from the stall-holders of the Green market, and suggested that it should be considered by the Standing Committee on Markets and Sanitation.

The petition was referred to the Standing Committee on Markets and Sanitation for consideration.

3. Pursuant to notice, Mr. D. W. Subasinghe asked the following questions :—(1) Has the necessary land been acquired for the removal of the blind corners at Cripps road and Morris road? (2) If not, what is the cause of the delay, and will the Chairman be pleased to acquire the land and have the blind corners removed as early as possible as they are a serious menace to public safety?

The Chairman replied as follows :—(1) The acquisition of the lands has not been completed. The application for acquisition has been forwarded to Government. (2) The Railway authorities claim portions of the land at Cripps road. I am in communication with them on the subject. The improvements will be carried out when the acquisition has been completed.

4. Pursuant to notice, Mr. S. H. Dahanayake moved—(1) It is the opinion of this Council that a permanent tender board be established. Mr. C. L. Wickramasinghe seconded.

Mr. D. W. Subasinghe moved, as an amendment—That all tenders called for by this Council be received only by the Chairman, and entered in a register specially kept for that purpose, with date and time of receipt; and that all tenders be opened and considered only at a meeting of the Council. The Hon. Mr. C. E. de Vos seconded.

Mr. F. W. Sproule suggested that a tender box be provided, the key of which should be kept by the Chairman.

The Chairman explained that only about four tenders, including local tenders, were received last year, and one this year. The Standing Committee considered them, and made their recommendation to the Council. He thought it unnecessary to have a tender board; and suggested that the word "Secretary" should be substituted for "Chairman" in the amendment.

The mover of the amendment accepted the Chairman's suggestion as to the alteration.

With the leave of the Council, Mr. S. H. Dahanayake withdrew his motion, and the amendment became the substantive motion.

Mr. J. E. Perera moved as an amendment—That tenders be opened by the Chairman after the due date and submitted to the Council. Mr. F. W. Sproule seconded.

The amendment was put to the meeting, and lost by 4 votes to 5.

The motion was then put to the meeting, and carried by 5 votes to 4.

(2) This Council is of opinion that the next vacancy in the Health Department, as Sanitary Inspector, be filled by a trained person.

With the leave of the Council the mover substituted the word "appointment" for "vacancy."

The motion was not seconded.

(3) This Council is of opinion that the allegations made against the Inspector of Ward No. 1 by the Audit be referred to the Criminal Investigation Department for suitable action.

The motion was not seconded.

5. The following motion stood in the name of Mr. D. W. Subasinghe:—(1) That the Superintendent of Works be directed to find out in the neighbourhood of the Courts and Kacheheri a suitable site to erect a public latrine for the exclusive use of females, and also to report on the probable cost of erecting such a latrine.

Mr. S. H. Dahanayake raised a point of order on the ground that the subject of the motion came before the Council on December 10, 1927, and was referred to the Standing Committee on Markets and Sanitation for report.

With the leave of the Council, Mr. Subasinghe withdrew the motion.

Pursuant to notice, Mr. D. W. Subasinghe moved—(2) That in view of the inadequacy of room on the esplanade for public recreation, and of the fact that a portion of the esplanade has been rendered practically useless by the Public Works Department road running over it, the attention of Government be invited to the desirability of closing the Public Works Department road from the railway bridge up to the old Police Station, and of taking over and widening and improving in its place the road along Clutha House and running it over the Police compound as far as the Galle-Matara road.

The motion was not seconded.

6. Report of the Special Committee regarding the Infectious Diseases Hospital and the Segregation Camp.

The Chairman moved—That Council is in favour of improving the Infectious Diseases Hospital and the Segregation Camp on the lines suggested in the report of the Special Committee, and that the report be considered in Committee with the estimates for 1930.

Mr. D. W. Subasinghe spoke against the motion. He said it was not desirable to postpone the consideration of the report, and that steps should be taken to carry out the recommendations of the Special Committee. He moved as an amendment—that the report be adopted, and early steps taken to carry out the recommendations of the Special Committee; and that Council do inquire what financial assistance Government is prepared to give. Mr. J. E. Perera seconded.
