LAND DEVELOPMENT NOTICES.

LAND Development Notice No. 1, Ratnapura District, dealing with land in Marapona village, published in *Government Gazette* No. 7,698 of March 8, 1929, is hereby cancelled, and the following fresh notice in a slightly amended form is substituted for it. Any application already received by the Government Agent under the cancelled notice will be treated as having been given under the new notice and need not be renewed by the applicant:—

No. 1, Ratnapura District.—Marapona Village.

NOTICE is hereby given that an extent of Crown land of about 490 acres shown in the annexed sketch is available for development in economic products. The land is believed to be suitable for rubber, tea, coconut, lime, orange, papaw, and pineapple. It is situated 4 miles away from Ratnapura along Ratnapura-Dela road.

Government is prepared to consider applications for land within this area upon the ordinary 99 years' agricultural lease (Form G. A. C. 27A). A scheme of survey into blocks of suitable sizes will be decided on after applications have been received. Applicants should state the number of acres they desire to take on lease. A deposit at the rate of Rs. 3 per acre of the area so applied for should accompany each application. This deposit will be refunded if a lease is not offered to an applicant or will be taken as part of the premium if he purchases a lease.

It is proposed to restrict competition in the first instance to persons who have applied and deposited fees under this notice. Government does not, however, bind itself to accept any application and reserves the right at the sale of the lease to restrict bidding for lots of under a certain size to certain classes of persons and to decide the number of blocks that may be taken up by any one applicant.

Applications for land under this notice should be addressed to the Government Agent, Sabaragamuwa, and will be received up to the end of July, 1929.

Further information regarding this land may be obtained on application at the Ratnapura Kachcheri, where a plan of the land may be inspected.

Plans of the land on the 16-chain scale may be purchased from the Surveyor-General for Re. 1 each.
