LAND DEVELOPMENT NOTICES.

No. 2, Ratnapura District—Madalagama Village, A.

NOTICE is hereby given that an extent of Crown land of about 724 acres shown in the annexed sketch is available for development in economic products. The land is believed to be suitable for rubber and tea. It is situated 20 miles away from Ratnapura along Ratnapura-Niwitigala-Madalagama road. Government is prepared to consider applications for land within this area upon the ordinary 99 years' agricultural lease (Form G. A. C. 27A). A scheme of survey into blocks of suitable sizes will be decided on after applications have been received. Applicants should state the number of acres they desire to take on lease. A deposit at the rate of Rs. 3 per acre of the area so applied for should accompany each application. The deposit will be refunded if a lease is not offered to an applicant or will be taken as part of the premium if he purchases a lease.

Access is provided for by the Niwitigala-Madalagama cart road from which a trace at such a slope as will allow the construction of a cart road will be surveyed through Crown land to the blocks to be alienated.

It is proposed to restrict competition in the first instance to persons who have applied and deposited fees under this notice. Government does not, however, bind itself to accept any application and reserves the right at the sale of the lease to restrict bidding for lots of under a certain size to certain classes of persons and to decide the number of blocks that may be taken up by any one applicant.

Applications for land under this notice should be addressed to the Government Agent, Sabaragamuwa, and will be received up to the end of October, 1929.

Further information regarding this land may be obtained on application at the Ratnapura Kacheheri, where a plan of the land may be inspected.

Plans of the land on the 16-chain scale may be purchased from the Surveyor-General for Re. 1 each.
