SCHEDULE.

By-laws regarding the Tax on Vehicles and Animals.

1. In these by-laws—

“Chairman” means the Chairman of the Galle Municipal Council.
“Ordinance” means the Municipal Councils Ordinance, 1910.

2. The return required to be furnished under section 134 of the Ordinance by an owner or other person supposed to be liable to pay taxes in respect of animals or vehicles shall be made in a schedule which shall be supplied by the Council and shall be filled up and returned by the person to whom such schedule is addressed.

3. If any person, after having filled up and returned such schedule, shall acquire, keep, or use any vehicle or animal not mentioned in such schedule, he shall, within one month of acquiring any such vehicle or animal, notify the Chairman in writing of the fact of such acquisition and further furnish true and correct information in respect of every such vehicle or animal so acquired, kept, or used.

Whoever fails or neglects to notify the Chairman or to furnish such information as aforesaid shall be liable to a fine not exceeding twenty rupees.

4. Subject to the provisions of section 132 of the Ordinance, any person who has furnished the schedule referred to in by-law 2 shall without further notice be liable, in respect of vehicles or animals entered in such schedule, to pay the tax for the year succeeding that in which such schedule is furnished; and any person who has sent the written notice required by by-law 3 shall be liable to pay the tax on vehicles or animals referred to in such notice for the year in which such vehicles or animals were acquired by him or otherwise came into his possession.

5. Any person who, having furnished the schedule required by by-law 2 or the written notice required by by-law 3, claims to be exempt from the liability to pay any tax in respect of a vehicle or an animal which has been in his possession for less than 30 days in any year and is entered in or referred to in such schedule or notice, shall forthwith give notice in writing to the Chairman of his claim for such exemption specifying the grounds on which such claim is made.

Public Works Office, HAROLD P. G. YOUNG,
Colombo, July 24, 1929. for Director of Public Works.

TENDERS are invited for the purchase of the fuel within the boundaries of the demarcated coupe described in the annexed schedule.

2. Tenders should be in duplicate, sealed under one cover and addressed to the Conservator of Forests, Kandy.

3. Tenders should either be deposited in the tender box in the Office of the Conservator of Forests, Kandy, or be sent by the registered post.

4. Tenders should be marked "Tender for the Purchase of Fuel, Sabaragamuwa Division," in the left hand top corner of the envelope, and should reach the Office of the Conservator of Forests, Kandy, not later than midday on August 13, 1929.

5. The tenders are to be made upon forms which will be supplied on application at the Divisional Forest Office, Ratnapura. No tender will be considered unless it is on the recognized form. Alterations must be initialled, otherwise the tenders may be treated as informal and rejected.

6. A deposit of Rs. 25 will be required to be made at the Treasury or any Kachcheri and a receipt produced for same before any form of the tender is issued.

7. On execution of the agreement, the purchaser will be entitled on application to a refund of the sum of Rs. 25 deposited by him prior to tendering.

8. Offers should be made at a rate written both in words and figures. If tenderers intend removing any timber in the log they should offer a flat rate per cubic foot irrespective of species.

9. No tender will be considered unless the procedure laid down above has been strictly complied with. The Conservator of Forests reserves to himself the right, without question, of rejecting any or all tenders and of accepting any tender not necessarily the highest tender.

10. The successful tenderer will be required to execute a purchase agreement in respect of the coupe.

11. Before execution of the agreement, the purchaser will be required to deposit a sum of Rs. 250 as security for the efficient and punctual fulfilment of the agreement.

12. (a) After the security has been deposited and the agreement executed a proportionate area of the coupe will be demarcated to cover the security.

(b) The purchaser on felling the area demarcated shall remove all fuel and timber to a point outside the area, where it will be measured by a Forest Officer.

(c) Removal permits will be issued after the purchaser has paid at the tendered rate the full value of all timber and fuel stacked outside the area.

13. The special rules for felling, conversion, and removal which the agreement will require to be observed are specified in the conditions below. Nothing in these conditions shall render the purchaser in any way exempt from liability for punishment under the Forest Ordinance of 1907, should he or any of the workmen in his employ be responsible for the commission of a forest offence outside the boundaries of the coupe or of any compartment of the coupe as the case may be. For this purpose, the purchaser should ascertain beforehand the limits of the coupe or any compartment of the coupe in which he is authorized to fell under clause 12. In the event of any dispute no plea of ignorance of the boundaries will absolve him from being punished as mentioned before.

14. The felling and removal of the fuel in the coupe should be completed on or before May 31, 1930. No extension of time will be allowed under any circumstances. All the material in the coupe not removed by this date shall be assessed by the Divisional Forest Officer and its value deducted from the security.

All material in the coupe should as far as possible be utilized. If the purchaser fails to do so he will be requested to pay at the tendered rate for material lying in the area which, in the opinion of the Divisional Forest Officer could have been utilized. The value of such material will be deducted from the security.

15. The purchaser shall commence felling along the full length of one boundary of the coupe previously pointed out by the Range Forest Officer, Ratnapura, and shall progress in a direction parallel to the boundary along which the felling has been commenced in the manner prescribed below:—

- (a) All tree seedlings and saplings which are under 3 inches in diameter shall be cut out flush with the ground.
- (b) All saplings and trees over 3 inches in diameter shall be felled within 6 inches of the ground.
- (c) The firewood shall be billeted into lengths of 3 feet.

16. If the purchaser fails to pay the value of the material of each compartment of the coupe within a week of the date of completion of felling and removal in terms of clause 12, it shall be within the discretion of the Divisional Forest Officer to cancel the agreement as from the date of such default and to forfeit the security. Any unremoved or unfelled material within the coupe shall unconditionally revert to the Crown as from the date of such cancellation of the agreement.

17. The purchaser shall strictly confine all transport of the fuel removed from the coupe to paths along which such transport has been authorized by the Range Forest Officer, Ratnapura, either within the coupe or the forest of which the coupe forms a part. All damages caused to produce not paid for shall be compensated at rates assessed by the Divisional Forest Officer.

18. If no objection exists in the opinion of the Divisional Forest Officer, the purchaser shall be permitted to erect wire shoots for the transport of materials always, provided he pays full royalty value for the forest produce outside the coupe or compartment of the coupe in which he is felling damaged during such erection and in using such shoot. The permission of the Divisional Forest Officer should be obtained before erection of any wire shoot.

19. The purchaser further agrees that for each and every infringement of the above conditions, he shall becomeliable to a fine not exceeding Rs. 50 to be imposed in writing by and at the discretion of the Divisional Forest Officer and this fine shall be recoverable from his security.

20. The purchaser shall also agree that any deficit in the full amount of the security caused by fines imposed on him shall at once be made good, otherwise a proportionate deduction will be made in the extent of each compartment of the coupe he may at that time fell or become entitled to fell next under clause 12. If the security becomes so decreased as to cause only a small area of the coupe to be taken over for felling and thus hamper the maximum rate at which exploitation is expected to proceed so that the work in the whole coupe may be completed before the prescribed date, it shall be within the discretion of the Divisional Forest Officer to demand a replacement of the deficit in the security or to cancel the agreement and forfeit the balance of the security. The cancellation of the agreement shall be made after 7 days of such demand in writing.

21. The purchaser shall have the right of appeal to the Conservator of Forests in the event of any of the enforcement of any of the penalties specified in the above conditions and the purchaser shall agree to accept the Conservator of Forests' decision as final and binding.

1. The regulation contained in the table marked "C" in the schedule in the Company's Ordinance, No. 4 of 1861 (hereinafter called Table "C") shall apply to the Company and be deemed to be incorporated herewith except so far as they are herein expressly or by implication modified or excluded or declared not to apply and in the construction of these presents words importing the masculine gender only shall include the feminine gender, and the words importing the singular number only shall include the plural number and *vice versa*, and words importing persons shall include corporations.

2. Regulation 24 of Table "C" is expressly excluded and the following regulation substituted therefor, namely :—
"subsequent general meeting shall be held at least once in every year at such time and place as may be determined by the Directors."

3. The following new regulations shall be added after regulation 10 of Table "C" under the Heading "Transfer of Shares," namely :—

TRANSFER OF SHARES.

(10 A) A share may be transferred by a member or other person entitled to transfer to any member selected by the transferor, but save as aforesaid and save as provided by regulation (10 F) hereof, no share shall be transferred to a person who is not a member so long as any member (or person selected by the Directors as one whom it is desirable in the interests of the Company to admit to membership) is willing to purchase the same at the fair value.

(10 B) Except where the transfer is made pursuant to regulation (10 F) hereof, the person proposing to transfer any shares (hereinafter called the proposing transferor) shall give notice in writing (hereinafter called a transfer notice), to the Company that he desires to transfer the same. Such notice shall specify the sum he fixes as the fair value, and shall constitute the Company his agent for the sale of the share to any member of the Company (or person selected as aforesaid) at the price so fixed, or, at the option of the purchaser, at the fair value to be fixed by the Auditor in accordance with these regulations. A transfer notice may include several shares, and in such case shall operate as if it were a separate notice in respect of each. A transfer notice shall not be revocable except with the sanction of the Directors.

(10 C) If the Company, within the space of twenty-eight days after being served with a transfer notice, find a member (or person selected as aforesaid) willing to purchase the share (hereinafter called the purchasing member), and shall give notice thereof to the proposing transferor, he shall be bound, upon payment of the fair value, to transfer the share to the purchasing member.

(10 D) In case any difference arises between the proposing transferor and the purchasing member as to the fair value of the share, the Auditor shall, on the application of either party, certify in writing the sum which, in his opinion, is the fair value, and such sum shall be deemed to be the fair value, and in so certifying the Auditor shall be considered to be acting as an expert, and not as an arbitrator.

(10 E) If in any case the proposing transferor, after having become bound as aforesaid makes default in transferring the share the Company may receive the purchase money, and shall thereupon cause the name of the purchasing member to be entered in the register as the holder of the share, and shall hold the purchase money in trust for the proposing transferor. The receipt of the Company for the purchase money shall be a good discharge to the purchasing member, and after his name has been entered in the register in purported exercise of the aforesaid power the validity of the proceedings shall not be questioned by any person.

(10 F) If the Company shall not within the space of twenty-eight days after being served with a transfer notice find a member (or person selected as aforesaid) willing to purchase the shares and give notice in manner aforesaid, the proposing transferor shall at any time within three calendar months afterwards be at liberty to sell and transfer the shares (or those not placed) to any person at any price.

(10 G) The Company in General Meeting may make and from time to time vary rules as to the mode in which any shares specified in any transfer notice shall be ordered to the members, and as to their rights in regard to the purchase thereof, and in particular may give any member or class of members a preferential right to purchase the same. Until otherwise determined every such share shall be offered to the members in such order as shall be determined by lots drawn in regard thereto, and the lots shall be drawn in such manner as the Directors think fit.

MUNICIPAL COUNCIL NOTICES.

MUNICIPALITY OF COLOMBO.

Minutes of Proceedings of a General Meeting of the Municipal Council of Colombo held at the Town Hall on Wednesday, June 12, 1929, at 3 p.m.

The Council met this day at 3 P.M. pursuant to notice dated June 5, 1929.

Present :—Mr. H. E. Newham, V.D., M.A., C.C.S., Chairman; the Hon. Mr. N. H. M. Abdul Cader, M.L.C.; Mr. R. L. Pereira, K.C.; the Hon. Mr. C. H. Z. Fernando, M.L.C.; Dr. E. A. Coorey; Mr. T. G. Jayewardene, V.D., J.P.; Mr. N. R. Blande; Mr. A. H. G. Dawson; Lieut.-Col. C. D. Myles, O.B.E., M.B., R.A.M.C.; Mr. M. L. M. Reyal; Dr. S. Muttiah; M. S. W. R. Dias Bandaranaike; Mr. J. S. Collett; Dr. V. van Langenberg, V.D.; Mr. F. Dadabhoy, J.P.; Mr. W. J. Thornhill; Mr. A. H. Morgan; and Mr. H. J. Hutchings.

1. The Minutes of the General Meeting of May 8, 1929, having been previously printed and copies thereof having been sent to each Member of Council, were taken as read.

Resolved that the Minutes of the General Meeting of May 8, 1929, be confirmed.

2. Pursuant to notice, Dr. S. Muttiah presented a petition from the bus owners of Slave Island for a separate stand for three buses on the Lotus road.

3. Pursuant to notice, Dr. E. A. Coorey presented a petition from some of the Muslim residents of Wellawatta Ward with regard to permission to erect a school.

4. Pursuant to notice, Mr. T. G. Jayewardene asked the Chairman the following questions :—(1) With reference to the statement in the report of the Special Committee regarding the rinderpest, that the Veterinary Department had gradually drifted into chaos, which began even before the last rinderpest outbreak, will the Chairman be pleased to say why timely action was not taken to prevent this? (2) As great inconvenience and loss is now caused to householders and contractors owing to the delay experienced in getting drainage works inspected and passed by officers of this Council, will the Chairman be pleased to place before the Works and Finance Committees proposals to remedy matters? (3) As, from reports in the public press, plague appears to be on the increase in this city, will the Chairman be pleased to submit a statement of the number of cases this year giving date of occurrence, and locality, and also compare this year's situation with those of 1928 and 1927. (4) Will the Chairman be pleased to (a) invite the opinion of the Medical Officer of Health on the present lay out of the Kochchikade Slum Scheme, and (b) place before the Works and Finance Committees at their next meeting proposals for the construction of the buildings?

The Chairman replied as follows :—(1) Such action as was possible has been consistently taken for at least the last 4½ years. So long, however, as by Ordinance, the Chairman has not the effective control of officers whose salaries exceed Rs. 100 a month, it is impossible for him to prevent the occurrence or indeed the recurrence of such lapses. (2) Investigation does not confirm the allegation of great inconvenience and loss due to delay in inspection, and four of the largest contractors, on being questioned, state that they have no complaint to make or suggestions to offer on this point. As a matter of routine the work is inspected within 2 days of the contractor giving notice that any portion of it is ready for inspection, although the contractor is expected to give 7 days' notice. There have been a few very rare occasions when the inspection could not be carried out for 4 days owing to sickness or leave. The drainage of about 100 premises is completed each month and complaints are singularly few. Investigation almost always proves that any delay was due to the contractor and not to the department. The facts and figures will be placed before the Committees. (3) The statement asked for is tabled. The number of cases in the first 5 months of 1927, 1928, and 1929 was 64, 27, and 30. There has, therefore, been no great increase this year. Eight cases have occurred in the Pettah Ward, 7 in Mutwal, and 5 in St. Paul's. The Pettah and St. Paul's are the chief grain centres of the city. Until it is possible to improve or evacuate the rat-ridden private grain shops little positive improvements can be expected. (4) (a) Yes. (b) It is not clear what proposals are meant. All necessary proposals will be put before the Committees in time for construction to begin when the land is available.

5. Pursuant to notice, Dr. S. Muttiah asked the Chairman the following questions :—(1) Will the Chairman direct the attention of the responsible authorities to the unsatisfactory condition of the sheet of water extending from near the New Colombo Ice Co., to a little beyond Slave Island Station and behind Christ Church, Galle Face? (2) Will the Chairman see that necessary action is taken to restore this portion of the canal to a sanitary condition? (3) What is the delay in erecting the much needed shed on Newham Playground when it was stated that work was nearly being started several months ago?

The Chairman replied as follows :—(1) Yes: the authority responsible for the pollution of the lake is the Colombo Municipal Council on whose behalf the Chairman has had his attention directed to the unsatisfactory condition of the water during frequent inspections on, and once in, it. (2) The problem has for many years received the attention of the Council's officers. Definite improvement can only be effected by the connection of the foul drainage of all adjoining properties with the sewers and the provision of silt traps for the rainwater drains. Both these expedients have been adopted with greatly increased speed in recent years, but very much still remains to be done. (3) The Chairman sees that in May last year it was intended to put up a shed constructed of old materials and he is informed that the proposal did not materialize, as it was felt that the playground merited a more permanent structure. It is proposed to include a vote for Rs. 1,200 for this purpose in the next year's Budget.

6. Mr. M. L. M. Reyal, who had arrived late, with the permission of the Chairman, presented the petition, of which he had given notice, from residents of the St. Sebastian Ward, praying for a full time Instructor to be appointed to the Price Park playground.

7. Pursuant to notice, Mr. T. G. Jayewardene moved :—This Council requests the Chairman not to make any part acquisition of the land required for the Kochchikade Slum Scheme, until he is satisfied after due inquiry that the whole area could be acquired for the sum of Rs. 750,000 (the figure given by him in his revised estimate), and also not to commence work on the buildings till the acquisition of the whole area is completed.

In moving the motion, Mr. T. G. Jayewardene emphasized that its object was not to upset the scheme as passed by the Council, but merely aimed at keeping the work within the estimate. The Hon. Mr. N. H. M. Abdul Cader seconded, *pro forma*.

The Chairman and the Hon. Mr. C. H. Z. Fernando spoke in opposition to the motion which, after further discussion was put to the meeting and lost.

8. Pursuant to notice, Dr. E. A. Coorey moved:—That this Council do resolve that when street lines in private lanes before 1915 were cancelled, it was not the intention of the Council to see that all applications for any additions or alterations whatsoever to an existing building in such lanes be turned down unless the applicant agrees to throw into the street in question, without compensation, such land as might be deemed necessary for bringing up the width of the street to the required standard and that, therefore, this Council do request the Chairman to refer all such applications to the Housing and Town Improvement Committee. The Hon. Mr. N. H. M. Abdul Cader seconded.

The Chairman explained the law on the subject.

Mr. T. G. Jayewardene moved, as an amendment, that the matter be referred to the Housing and Town Improvement Committee. Dr. E. A. Coorey agreed and seconded the amendment which was put to the meeting and carried.

The Hon. Mr. N. H. M. Abdul Cader moved that the Council do go into Committee to consider items Nos 9 to 15 (inclusive) on the agenda. The Hon. Mr. C. H. Z. Fernando seconded.—Carried.

The following extracts from the Minutes of the Standing and the Special Committees named were then laid before the Council in Committee:—

Resolutions.

With regard to item No. 3, Mr. S. W. R. Dias Bandaranaike moved that the request of the higher staff for emoluments be deferred till the Council is able to revise all the salaries of the higher staff when the Government Report on the revision of the salaries of their higher staff is available. Mr. R. L. Pereira seconded.

The Chairman pointed out that it would be impossible for the Committee to frame a report within a month and that under a previous decision they ought to wait until the Legislative Council's decision was known as to the salaries of the Government subordinate staff. As this would take some time the consideration of the salaries of the higher staff would by then be due.

A discussion ensued in which Mr. S. W. R. Dias Bandaranaike, Dr. E. A. Coorey, Mr. M. L. M. Reyal, Mr. T. G. Jayewardene, and the Hon. Mr. C. H. Z. Fernando took part.

The Hon. Mr. C. H. Z. Fernando supported the motion.

The motion was put to the meeting and carried.

With regard to item No. 4 (corresponding to item No. 7 of the extracts from the minutes of the Standing Committee on Sanitation and Markets of April 22, 1929), it was resolved that the matter be referred back to the Committees.

Resolved that the recommendations of the Standing Committee with regard to the remaining items be adopted.

The Hon. Mr. N. H. M. Abdul Cader moved that the Council do resume. The Hon. Mr. C. H. Z. Fernando seconded.—Carried.

The Chairman formally moved in Council that the resolutions of Council in Committee, and the recommendations of the various Committees, subject to any amendments of such recommendations by the Council in Committee be adopted. The Hon. Mr. N. H. M. Abdul Cader seconded.—Carried.
