Nothing in these special conditions shall render the purchaser in any way exempt from liability for punishment, under the Forest Ordinance of 1907, should he or any of the workmen in his employ be responsible for the commission of a forest offence outside the boundaries of his purchased coupe or coupes.

SPECIAL CONDITIONS.

(1) On payment of the full purchase amount the purchaser shall be entitled to fell and remove on or before June 30, 1930, in the manner specified below, all the timber and firewood contained in the purchased coupe or coupes. (13) The purchaser shall also agree that in the event of security money having become exhausted owing to imposition of fine, it shall be within the discretion of the Divisional Forest Officer either (a) to accept a further security deposit amounting to 5 per cent. of the full purchase price, or (b) to cancel the agreement and to refund to the purchaser such balance of the paid up purchase money if any, as may remain after deducting the value of all timber and firewood removed by the purchaser on the date of such cancellation and such amount as may be needed to carry out any of the provisions of special conditions (4) and (7) which the purchaser may not at the time of such cancellation have fulfilled. For the purpose of this clause the value of each cubic foot of timber and cubic yard of fuel removed shall be fixed at full royalty rates.

1. The timber will be put up in lots to suit buyers at a rate per cubic foot, and no advance of less than 25 cents per cubic foot will be accepted.
2. The highest bid will be accepted, subject to the approval or disapproval of the Conservator of Forests. The highest bidder will be required by the officer conducting the sale to sign the sale book kept for the purpose directly a lot has been knocked down to him.
3. Payment of 25 per cent. of the successful bid to be made at time of sale, if so required.
4. Depot measurements must be accepted, but previous to date of auction any prospective bidder is at liberty to check the measurements recorded in the notice and to represent any difference promptly.

6. Should any person to whom a lot is knocked down refuse to take it over at the full price bid, or refuse or fail to sign the sale book and pay 25 per cent. of his bid when so required, or refuse or fail to pay the full purchase amount or balance thereof, as the case may be, and to remove the timber within the time specified in clause 5 above, the lot will again be put up for auction, and the original purchaser or bidder will be held liable for any loss to Government owing to a lower price being realized at the resale, while if an enhanced price is realized at such resale, he shall, however, have no claim to the profit, which shall accrue to Government.

Conservator of Forests.

Office of the Conservator of Forests,
Kandy, August 3, 1929.

Sale of Ebony,

AN auction sale of the under-mentioned ebony will be held at the Central Timber Depôt, Kew road, Slave Island, Colombo, on Saturday, September 7, 1929, at 10 A.M., subject to the following conditions:—

- The timber will be put up in lots to suit buyers at a rate per lot, and no advance of less than Re. 1 per lot will be accepted.
- The highest bid will be accepted, subject to the approval or disapproval of the Conservator of Forests. The highest bidder will be required by the officer conducting the sale to sign the sale book kept for the purpose directly a lot has been knocked own to him.
- Payment of 25 per cent. of the successful bid to be made at time of sale, if so required.
- Buyers will be allowed to have the logs weighed at the depôt premises, if so required, the cost of reweighing to be borne by such buyers. If any difference is found between the depôt weight and the weight ascertained after reweighing, a certificate will be issued by this department showing the actual weight at the time of reweighing, provided the buyers require such certificate for export purposes. But no allowance will be made for any shortage when making payment, the logs being sold by auction at a rate per lot and not per ton.
- No timber shall be removed before payment of the full price bid, and all timber sold must be removed from the depôt within ten days of date of notification of acceptance by the Conservator of Forests of such bid, and will be at the risk of the purchasers until removed.
- Should any person to whom a lot is knocked down refuse to take it over at the full price bid, or refuse or fail to sign the sale book and pay 25 per cent. of his bid when so required, or refuse or fail to pay the full purchase amount or balance thereof, as the case may be, and to remove the timber within the time specified in clause 5 above, the lot will again be put up for auction; and the original purchaser or bidder will be held liable for any loss to Government owing to a lower price being realized at the resale, while, if an enhanced price is realized at such resale, he shall, however, have no claim to the profit which shall accrue to Government.
- Agents bidding for others will be required to produce a written authority from the firm or persons for whom they bid. Such authority will be retained by the Assistant Conservator of Forests, and will hold good only at the particular sale at which it is produced.
- The description of the logs appearing in the remarks column of the following list is entered merely for the guidance of the intending purchasers, who, as usual, should satisfy themselves as to its correctness before purchasing the logs.

THE Legislative Council of Ceylon having granted me leave to introduce a Bill to amend certain Ordinances dealing with the Church of England in Ceylon, I shall after one month from this date move the first reading of the said Bill; a statement of its general nature and objects is appended hereto:—

It is sought to attain this object mainly by the repeal of a small portion of Ordinance No. 6 of 1885 in which express mention is made of the legal connection between the Church of England in Ceylon and the Church of England in England.
