No useful purpose will be served by inviting the attention of the General Manager to the resolution. (2) Permission was given for the slaughter of one deer, and the sale of the flesh in the meat market. (3) The Superintendent, Electricity Department, reports that as a result of the fall of branches on the overhead mains the fuse controlling the Dangedera line failed on four occasions, and, on one phase of the Mahamodera section there were two interruptions. A total failure occurred from 5.17 A.M. to 5.20 A.M. on June 12, when the engine came to a stop owing to the fuel pipe becoming air-locked. (4) A connecting rod was bent, and a piston and liner damaged whilst one of the engines was being started, when it was still in charge of the contractors. The repairs have been made by the contractors, who have asked that the Council should bear the cost, which they estimate at Rs. 2,237. The matter has been referred to the Director of Electrical Undertakings, and will be brought before the Council when his report is received.

3. The following question having been received after the prescribed date stood in the name of Mr. S. H. Dahanayake, for submission with the permission of the Council:—In view of the communication of His Excellency the Governor addressed to the Colombo Municipal Council in connection with the Municipal reforms, &c., will the Chairman be pleased to communicate with Government to ascertain whether the Government proposes to extend the life of this Council, and if so whether the Government will be pleased to consider the opinion of this Council on the subject? The permission of the Council having been granted, Mr. S. H. Dahanayake asked the question.

The Chairman replied:—I am not aware of the communication referred to in the question. If the Council should pass a resolution that Government be communicated with on the subject of the extension of office of the Councillors, it will be forwarded in due course.

5. Pursuant to notice, Mr. S. H. Dahanayake moved—(1) That this Council do urge upon the Government the immediate need of widening the trunk road from the Kaluwella Junction to the Esplanade, and its duplication on the land side up to the Moragoda-ela bridge. Mr. J. E. Perera seconded. The Hon. Mr. C. E. de Vos supported. Mr. D. W. Subasinghe spoke to the motion, and suggested that the words "or suitable alternative route" be added at the end of the motion.

The mover agreed to the addition, and the motion was put to the meeting, and carried.

(2) That this Council requests the General Manager of Railways to reconstruct the culvert across the Keppu-ela opposite Salman Fernando's bathing rooms. Mr. D. W. Subasinghe seconded.—Carried.

(3) That this Council is of opinion that the staff of the Health Department should be strengthened by the immediate appointment of at least two Public Health Nurses.

Mr. Dahanayake asked leave of Council to postpone the motion to a later meeting, as the presence of the Provincial Surgeon at the discussion is desirable. The leave of Council having been granted, the motion was postponed.

(Mr. F. W. Sproule left the meeting at this stage.)

6. The Chairman made the following statement regarding a case of plague in the town:—A man named Kiriwardelage Daniel of 247, Dangedera road, died of suspected plague at the Civil hospital at 8.30 p.m. on the 10th instant. He was employed in the shop of M. D. Edwin near the motor bus stand. As far as can be ascertained the deceased has not recently left Galle, or been to any place where he could have been infected. No dead rats have been found in the town recently, and an average of some 20 rats have been examined daily. Since the 11th instant an intensive rat campaign has been carried out in this area. Eight rats have so far been trapped and examined, but no trace of plague infection has been found. Seven contacts have been removed to the Segregation Camp. The infected house and the shop have been vacated and thoroughly disinfected.

7. To consider tenders for building a drain along Dangedera road:—The Hon. Mr. C. E. de Vos moved that Council do go into Committee to consider the tenders. Mr. D. W. Subasinghe seconded.—Carried.

Galle, August 10, 1929.

M. M. WEDDERBURN,
Chairman.

Minutes of Proceedings of a Special Meeting of the Municipal Council of Galle, held in the Municipal Office on Tuesday, July 23, 1929, at 4 p.m., pursuant to notice dated July 20, 1929.

Present :—Mr. M. M. Wedderburn, Chairman ; Mr. D. W. Subasinghe ; Mr. J. E. Perera ; Mr. D. I. Durham ; Mr. C. L. Wickramasinghe ; Mr. F. W. Sproule ; Mr. S. H. Dahanayake ; and Dr. L. C. Wijesinghe.

Dr. Chellappah, Senior Medical Officer of Health, was present at the Chairman's request.

The Chairman stated that this meeting was called on the written requisition of four Councillors, under section 84 of Ordinance No. 6 of 1910, to consider the plague situation. The Hon. Messrs. H. M. Macan Markar and C. E. de Vos informed him that they were unable to attend the meeting. The former had not expressed his views ; but the latter expressed himself in favour of handing over control to the Sanitary Department.

The first case of plague occurred at Walgama, near Matara. The patient, Jayan, went there from Dangedera on July 2, and died on the 5th. The case was reported as pneumonia ; but later, when further cases were reported, examination proved them to be pneumonic plague. Ten other cases occurred there, and all but one have been fatal.

The first case at Galle occurred on the 10th. The patient Daniel died at the Civil Hospital. He worked at a shop in Pettigalawatta, close by to Jayan's house. On the 13th Janehamy, a Buddhist "Upasaka," died at Dangedera. The cause of death was diagnosed as pneumonia ; but a bacteriological examination proved that it was a case of plague. On the 19th two cases of bubonic plague occurred at Naimana, near Matara. One was fatal. Both cases were from Dangedera.

The total number of cases to date is 15, with 13 deaths. On the 13th two infected dead rats were found near the public latrine at Pettigalawatta ; and on the 18th one infected dead rat, wrapped in sacking, was found on the sea shore. Two suspicious rats found in the infected area on the 22nd were sent for bacteriological examination. On the 20th the area was declared to be a "diseased locality" on the advice of the Director of Medical and Sanitary Services. The area has been evacuated, and the residents taken to the Segregation Camp.

The Chairman moved that Council should go into Committee to consider whether the Sanitary Department should be asked to take over the control of plague measures. It was agreed to.

Council in Committee.

The Chairman moved in Committee that the Sanitary Department be asked to take over the control of plague measures immediately ; and stated that the Director of Medical and Sanitary Services had reported to Government that the Department will not be responsible for carrying out anti-plague measures unless full control is handed over to it.

Dr. Chellappah informed the meeting that the situation is grave ; and, as those presently engaged in carrying out anti-plague measures have not had sufficient experience of the work, he advised the Council to hand over the control to the Sanitary Department.

Dr. L. C. Wijesinghe in supporting the motion referred to the case of Kandy, where three outbreaks occurred owing to insufficient measures being taken at the start.

Mr. D. W. Subasinghe and Mr. J. E. Perera opposed the motion, as they did not consider the situation so serious as to justify handing over control to the Sanitary Department.

Mr. D. I. Durham moved, as an amendment, that the Council do postpone for the moment handing over the control of plague measures to the Sanitary Department, reserving to itself the right to do so at any time if found necessary. Mr. C. L. Wickramasinghe seconded.

The amendment was put to the meeting and declared lost by 4 votes to 5 (including the Chairman's casting vote). The motion was then put to the meeting and carried by the Chairman's casting vote—5 to 4.

Council resumed.

On Council resuming the Chairman moved that the resolution of the Council in Committee be adopted, viz., that the Sanitary Department be asked to take over the control of plague measures immediately. Mr. F. W. Sproule seconded.

Mr. D. I. Durham moved, as an amendment, that the Council do postpone for the moment handing over the control of plague measures to the Sanitary Department, reserving to itself the right to do so at any time if found necessary. Mr. C. L. Wickramasinghe seconded.

Mr. D. W. Subasinghe supported the amendment, and presented a petition from the merchants and traders of the Bazaar.

Mr. J. E. Perera supported the amendment, and Mr. S. H. Dahanayake opposed it.

The amendment was put to the meeting and declared lost by 4 votes to 5 (including the Chairman's casting vote).

The Council divided as follows :—

For the Amendment.—Mr. C. L. Wickramasinghe, Mr. D. I. Durham, Mr. J. E. Perera, and Mr. D. W. Subasinghe.

Against.—Dr. L. C. Wijesinghe, Mr. S. H. Dahanayake, Mr. F. W. Sproule, and the Chairman.

The motion was then put to the meeting and carried by 5 votes (including the Chairman's casting vote) to 4.

Mr. J. E. Perera moved a vote of thanks to Dr. Chellappah. Mr. D. W. Subasinghe seconded.—Carried.
