DRAFT ORDINANCES.

MINUTE.

The following Draft of a proposed Ordinance is published for general information :—

I. 415. **An Ordinance to amend Ordinance No. 10 of 1902, intituled “ An Ordinance to further amend the Laws relating to Public Thoroughfares in this Colony ”.**

BE it enacted by the Governor of Ceylon, by and with the advice and consent of the Legislative Council thereof, as follows :—

Short title.

1 This Ordinance may be cited as the Road Amendment Ordinance, 1929.

Amendment of section 8 of the principal Ordinance.

2 Section 8 of the principal Ordinance is hereby amended as follows :—

(1) by the renumbering of the section as sub-section (1) thereof, and by the repeal of the words “ which shall be paid by such committee from the moneys received by them in commutation of labour due under the said Ordinance,” in the fifth, sixth, and seventh lines thereof ; and

(2) by the addition of the following sub-section at the end thereof :—

(2) Such salary and remuneration shall be paid out of the funds at the disposal of such committee, and any such salary or remuneration paid out of the said funds prior to the enactment of this sub-section shall be deemed to have been lawfully paid.

Amendment of section 9 of the principal Ordinance.

3 Section 9 of the principal Ordinance is hereby amended as follows :—

(1) by the renumbering of the said section as sub-section (1) thereof, and by the repeal of the following words at the end thereof :—

“ The Provincial Committee shall, subject to such rules, pay such pensions and gratuities from the moneys received by them in commutation of labour due under the said Ordinance ” ; and

(2) by the addition of the following sub-sections at the end thereof :—

(2) It shall be lawful, and shall be deemed always to have been lawful, whether before or after the enactment of this sub-section, by such rules to prescribe that a deduction not exceeding two per cent. per annum shall be made from the salary of every such officer or servant holding a pensionable appointment, as a contribution towards the payment of such pensions and gratuities, and that the sums so deducted shall be credited to the revenue of the committee by whom the salary is payable, and that such pensions and gratuities shall be paid from the said revenue as part of the ordinary expenditure of the committee.

(3) All pensions and gratuities paid in accordance with any such rules, whether before or after the enactment of this sub-section, shall be deemed to have been lawfully paid.

By His Excellency's command,

Colonial Secretary's Office,
Colombo, June 26, 1929.

F. G. TYRRELL,
Acting Colonial Secretary.

Objects and Reasons.

CERTAIN rules made under section 9 of Ordinance No. 10 of 1902 provide for the deduction of 2 per cent. from the salaries of pensionable Road Committee officers as contribution to the pension fund, and for the crediting of sums so deducted to the revenue of the Road Committee concerned, pensions being paid from the revenue of the Committee as part of its ordinary expenditure.

2. The legality of this deduction has now been questioned, it being suggested that the rules which authorize it are *ultra vires* of the Ordinance under which they are made. The deduction has continued for a period of years, and this Bill is now introduced in order to settle any doubt as to the validity of the deduction, and to provide for its continuance in the future.

3. Clause 3 of the Bill therefore adds two new sub-sections to section 9 of Ordinance No. 10 of 1902, the effect of which will be to validate and authorize the making of such rules as have been already made, and the payment of past and future pensions and gratuities out of the revenue of the Committee. The portion of section 9, which provides for the payment of pensions, &c., from moneys received by the Committee in commutation of labour has been repealed, since no such moneys are now received by them.

4. Clause 2 of the Bill, for the same reason, (a) replaces the provision in section 8 of the principal Ordinance that salaries are to be paid out of moneys received in commutation of labour by a provision that payment is to be made out of the funds at the disposal of the Committee, and (b) validates all past payments of salary made out of those funds.

The following Draft of a proposed Ordinance is published for general information :—

An Ordinance to amend the Cemeteries and Burials Ordinance, 1899.

No. 9 of 1899,
II. 501.

BE it enacted by the Governor of Ceylon, by and with the advice and consent of the Legislative Council thereof, as follows :—

1 This Ordinance may be cited as the Cemeteries and Burials Amendment Ordinance, 1929.

Short title.

2 Section 40 of the principal Ordinance is hereby amended by the insertion of the following words between the word "authority," and the word "at" in the fifteenth line thereof :—

Amendment of section 40 of the principal Ordinance.

"or, where the proper authority is a Municipality, District Council, or Board, for the Chairman of such proper authority,"

By His Excellency's command,

Colonial Secretary's Office,
Colombo, June 20, 1929.

F. G. TYRRELL,
Acting Colonial Secretary.

Objects and Reasons.

By section 40 of the Cemeteries and Burials Ordinance, 1899, a burial or cremation in a place other than a general cemetery or a burial ground may be permitted only by a "proper authority" within the meaning of section 4 of that Ordinance. When the "proper authority" is a Municipality, District Council, Local Board, Sanitary Board, or Board of Improvement, it is seldom possible to summon the members and secure their permission in time for the burial or cremation. The present amendment meets this difficulty by allowing the Chairman of such a "proper authority" to give the necessary permission.
