DRAFT ORDINANCE.

K 730/28

MINUTE.

The following Draft of a proposed Ordinance is published for general information :—

An Ordinance to amend the Village Communities Ordinance, No. 9 of 1924.

BE it enacted by the Governor of Ceylon, by and with the advice and consent of the Legislative Council thereof, as follows :—

Short title.

1 This Ordinance may be cited as the Village Communities Second Amendment Ordinance, 1929.

Amendment of section 22 (1) of the principal Ordinance.

2 Section 22 (1) of the principal Ordinance is hereby amended as follows :—

- (1) by the substitution of the words " within three months before " for the words " within three months of " in the first and second lines thereof ; and
- (2) by the addition of the following proviso at the end thereof :—

Provided that if, by reason of the inaccessibility of any subdivision, such meeting cannot conveniently be held, within the said period of three months, the Governor may, by notification in the *Government Gazette*, enlarge the said period, in the case of any such subdivision, from three months to six months.

By His Excellency's command,
Colonial Secretary's Office, F. G. TYRRELL,
Colombo, July 15, 1929. Acting Colonial Secretary.

Objects and Reasons.

THIS Bill has been suggested by the difficulties experienced in holding the meeting for the election of the village committee in the Island of Delft within the period now prescribed. Owing to the uncertainties of the weather and the unreliability of the method of transport, it is not possible to fix a day within three months of the expiry of office of the old committee on which the Government Agent will be able to be present in the Island to preside at the election. The amendment will enable the Government Agent to hold the meeting during one of his annual visits in February when weather conditions are most dependable.

2. The opportunity has been taken to remove an ambiguity which exists in the expression " within three months of the date " in section 22 (1) of the principal Ordinance. On a strict interpretation, these words could be taken to mean within three months before or after the date in question, but as it is obvious that the election should precede the expiry of office of an existing committee, the word " before " has been substituted for the word " of " in this expression.
