By His Excellency's command,

Colonial Secretary's Office, F. G. TYRRELL,
Colombo, August 7, 1929. Acting Colonial Secretary.

Objects and Reasons.

THIS Bill provides for the institution in Ceylon of a system of Post Office Cash Certificates, similar to the system of Cash Certificates and National Savings Certificates in force in India and the United Kingdom respectively. It is hoped that by the institution of this system, the small investor may be encouraged to practise thrift, since it will provide a safe investment on a small scale.

2. The Bill is put forward now to be passed, but there will be an interval before it is brought into operation in order that an officer of the Government may visit India in the meantime and ascertain and gain experience of the details of the Indian system and its working. Regulations will also have to be made in order that the system may be brought into operation here.

3. So far as it is possible to anticipate events, it is proposed that there shall be different denominations of cash certificates, varying from Rs. 10 to Rs. 1,000, and that these shall be issued in each case at a purchase price of 20 per cent. less than the specified denomination, *e.g.*, a Rs. 10 certificate will be issued on payment of Rs. 8, and so on. If surrendered for payment before the end of one year from the date of its issue, the surrender value of a certificate will be the amount which was paid for it. From the end of the first year until the end of the fifth year from the issue, the surrender value will increase (in three-monthly periods) and at the end of the fifth year will reach the specified denomination of the certificate.

4. By clause 3 (1) of the Bill, cash certificates may be issued on the direction of the Governor when authorized by a resolution of Legislative Council.

5. Under clauses 7 and 8 all moneys paid for cash certificates will be paid into a Cash Certificates Fund, and the Colonial Treasurer as trustee of the Fund may, after reserving a portion of the Fund for meeting current demands for surrender values, invest the remainder in certain specified investments. The portion so reserved may be insufficient at any time, but the demands must nevertheless be met, and it is therefore provided in clause 3 (2) that a new issue of cash certificates may be directed by the Governor for that purpose.

6. In order to protect the purchasers of cash certificates, clause 4 provides that the surrender values of certificates are charged upon the general revenue of the Colony, and clause 5 requires the name of the purchaser, the purchase price, and the surrender values of every certificate to be written or printed thereon at the time of issue.

7. Clause 6 gives the Governor in Council power to make regulations for the details of the system, which cannot be settled at the present time as explained above, and may require alteration from time to time.

8. The purposes for which the Cash Certificates Fund may be used are set out in clause 8. They include loans, investments, and deposits of various kinds. It is possible that there will be some slight loss in the working of the system, but it is anticipated that a judicious use of the investments authorized by this clause will reduce the loss to a minimum, against which may be set the social benefit to be derived from the promotion of thrift.

9. An annual statement of account will be prepared showing the working of the system and will be published in the Gazette after audit (clause 10).

MINUTE.

The following Draft of a proposed Ordinance is published for general information :—

An Ordinance to amend the Municipal Councils Ordinance, 1910.

No. 6 of 1910,
III. 3.

BE it enacted by the Governor of Ceylon, by and with the advice and consent of the Legislative Council thereof, as follows :—

1 This Ordinance may be cited as the Municipal Councils Amendment Ordinance, 1929.

Short title.

2 Sub-section (2) of section 109 of the principal Ordinance is hereby repealed and the following sub-section is substituted therefor :—

Amendment of section 109 (2) of the principal Ordinance.

(2) Such by-laws may provide penalties for the contravention thereof as follows :—

- (a) in the case of a first offence, a fine not exceeding two hundred and fifty rupees ; and
- (b) in the case of a second or subsequent offence, a fine of the like amount or imprisonment of either description for any term not exceeding six months, or both such fine and imprisonment ; and
- (c) in the case of a continuing offence, an additional fine not exceeding twenty-five rupees for every day during which the offence is continued after conviction or written notice from the Chairman of such contravention.

3 Section 146 of the principal Ordinance is hereby amended as follows :—

Amendment of section 146 of the principal Ordinance.

- (1) by the substitution of the words " under the provisions of section 144 " for the words " under the provisions of this Ordinance " in the second line thereof ; and
- (2) by the substitution of the words " the form contained in Schedule H " for the words " the form H contained in the schedule to this Ordinance " in the third and fourth lines thereof.

4 Section 147 of the principal Ordinance is hereby amended by the renumbering of the section as section 147 (1), and by the addition of the following sub-sections at the end thereof :—

Amendment of section 147 of the principal Ordinance.

(2) Any surplus accruing from any such sale and conveyance (whether made and executed before or after enactment of this sub-section) after deducting the amounts and costs specified in sub-section (4) shall be restored to the owner or the person entitled to the land or property at the time when it was purchased by the Council, or to the successor in title of such owner or person, on demand for the same being made within six years from the date of the sale and conveyance.

(3) If no demand is made within the said six years, the Chairman shall pay such surplus to the credit of the Municipal fund, and no person shall thereafter be entitled to demand or receive the same.

(4) The amounts and costs which may be deducted under sub-section (2) are as follows :—

- (a) the amount of the rates or taxes, if any, remaining unpaid in respect of the period prior to the seizure and sale of the land or property, including costs on the issue of the warrant ;

- (b) the amount of the rates or taxes which would have been due and payable at the date of such sale and conveyance, if the land or property had not been seized and sold, together with an additional ten per cent. of such amount; and
- (c) the costs incurred by the Council in connection with the seizure, purchase, surveying, vesting, maintenance, improvement, and the sale and conveyance of the land or property.

Amendment of section 239 of the principal Ordinance.

5 Section 239 of the principal Ordinance is hereby amended by the repeal of all the words in the last three lines thereof, and by the substitution of the following words therefor:—

“notwithstanding that such fine or penalty exceeds the limits of his ordinary powers of jurisdiction”.

By His Excellency's command,
Colonial Secretary's Office, F. G. TYRRELL,
Colombo, August 14, 1929. Acting Colonial Secretary.

Objects and Reasons.

THE object of clause 2 of this Bill is to increase the penalty for contravention of Municipal by-laws which may be provided in the by-laws themselves from Rs. 50 to Rs. 250 and to permit the making of by-laws authorizing an additional penalty of imprisonment in the case of second or subsequent offences against by-laws. The present maximum penalty of Rs. 50 is considered insufficient to deal with certain offences created by by-laws, e.g., the adulteration of milk.

2. Clause 3 makes two minor corrections in section 146 of the principal Ordinance.

The words “under the provisions of this Ordinance” in line 2 of the section require the procedure set out in that section to be applied in all cases where the Council purchases land or immovable property under the Ordinance, and would cover purchases of land, e.g., under sections 75 (j) and 150. Schedule H shows clearly that this was not intended, and the words referred to above have therefore been amended so as to read “under the provisions of section 144”.

The words “the form H contained in the Schedule to this Ordinance” are also inaccurate, and have been altered to “the form contained in Schedule H”.

3. The amendments effected by clause 4 of the Bill are made with the object of requiring a Municipal Council when property has been seized for non-payment of rates or taxes and subsequently purchased by the Council, vested in it, and finally sold, to restore to the owner of the property any surplus that accrues from the sale after deducting certain amounts and costs. There is no power to do this at present, and the proceeds of such sales are normally paid into the Municipal Fund. It is considered that, in view of the fact that section 140 authorizes restoration of the surplus to the owner in cases where the property is purchased in the first place by a private person, a similar provision should be made when the Council is the first purchaser and subsequently sells it to others. Clause 4 also provides that if no demand for the surplus is made within six years from the sale, the surplus shall be paid into the Municipal Fund. The new provisions will also apply to sales which have been executed before the passing into law of the Bill.

4. Clause 5 of the Bill makes a small amendment in section 239 of the principal Ordinance, with the object of making it clear that a Magistrate or Municipal Magistrate may inflict the full fine or penalty authorized by the Ordinance or by by-laws, notwithstanding that such fine or penalty exceeds his ordinary jurisdiction.
