10. The auxiliary language in Section A or Section C will be tested by means of translation from the language. The following languages may be offered:—French, German, Italian, Spanish, Portuguese, Dutch, Norwegian, Swedish, Danish, Russian, Latin, Ancient Greek.

No candidate may offer any language or General Anthropology or Special Anthropology twice in the examination.

No candidate may offer in Sections A and C together two languages of the group Italian, Spanish, Portuguese, or two of the group Norwegian, Swedish, Danish.

Only a candidate who takes two modern languages in Section B may offer Latin or Ancient Greek as an auxiliary language.

There will be no laboratory test as part of the examination.

13. From the marks assigned to candidates in each subject such deduction will be made as the Civil Service Commissioners may deem necessary in order to secure that no credit be allowed for merely superficial knowledge.

14. Moreover, if a candidate's handwriting is not easily legible, a further deduction will, on that account, be made from the total marks otherwise accruing to him.†

15. A list of the competitors shall be made out in order of their proficiency as disclosed by the aggregate marks finally awarded to each competitor, and in that order so many competitors, up to the determined number of appointments, as are found by the Civil Service Commissioners to be qualified by examination, shall be designated to be selected candidates for the Indian Civil Service, provided that they appear to be duly qualified in other respects.

Should any selected candidate become disqualified, the Secretary of State for India will determine whether the vacancy thus created shall be filled or not. In the former case the candidate next in order of merit, and in other respects duly qualified, shall be deemed to be a selected candidate.

16. Application for permission to attend an examination must be made in the handwriting of the candidate, at such time and in such manner as may be fixed by the Civil Service Commissioners.

Each candidate will offer for examination the vernacular shown in column 2 against his province in the following table unless he is already familiar with it or with a language closely allied to it. A probationer assigned to Madras who is familiar with one only of the vernaculars named will offer the other :—

Sub-section 2. A candidate who is not required by sub-section (1) to offer a vernacular named in column 2 will offer the vernacular named in column 3 against his province if any such vernacular is named unless he is already familiar with the vernacular there named or with a closely allied one.

Sub-section 3. A candidate who is not required under the preceding sub-sections to offer a vernacular will offer history instead. A one-year probationer will offer British History; a two-year probationer will offer British History for the Intermediate Examination and European History for the Final Examination.

Any question as to the interpretation and application of this regulation will be decided by the Civil Service Commissioners.

(8) The ordinary session of the Final Examination for the testing of riding will take place in advance of the rest of the Final Examination, and a special session will when necessary be held at a later date for the benefit of any candidate who may have failed at the ordinary session.

Candidates who at the ordinary session satisfy the Commissioners that they are sufficiently at home in the saddle for the efficient performance of all duties required of members of the Indian Civil Service will be awarded marks ranging between 101 and 200 according to the degree of proficiency displayed.

Candidates who at the ordinary session fall short of this adequate proficiency but show such minimum proficiency as is evidence that with a moderate amount of practice they can attain full proficiency, will receive marks ranging between 1 and 100; they will be allowed to proceed to India and will on their arrival there be subjected to such further tests in riding as may be prescribed by their Local Government.*

If a candidate is absent from or fails to show minimum proficiency at the ordinary session he will be given a further opportunity of examination at a special session. If he then attains adequate proficiency he will not be subjected to further tests in India. If he attains minimum proficiency he will be allowed to proceed to India under the same condition as if he had attained minimum proficiency at the ordinary session. No credit in marks will be given for any performance at a special session.

Probationers may also be examined in riding at such time or times as the Commissioners may appoint during the course of the probationary period.

(9) Such deductions as the Civil Service Commissioners may consider necessary will be made from the marks assigned to candidates at the Intermediate and Final Examinations in order to secure that no credit is allowed for merely superficial knowledge.

(10) The Civil Service Commissioners will prepare lists of the candidates in order of merit; the order for the one-year probationers being based on the sum of the marks obtained by the candidates at the Open Competitive and Final Examinations, the order for the two-year probationers being based on the sum of the marks obtained by the candidates at the Intermediate and Final Examinations.

(11) The selected candidates whose performance in the compulsory subjects† of the Final Examination is such as to satisfy the Civil Service Commissioners, and who have also satisfied the Commissioners of their eligibility in respect of nationality, age, health, character, and conduct during the period of probation, shall be certified by the Commissioners to be entitled to be appointed to the Indian Civil Service, provided that they shall comply with the regulations in force, at the time, for that service.

(12) If any candidate is prevented by sickness or any other adequate cause from attending the Final Examination, the Commissioners may, with the concurrence of the Secretary of State for India in Council, allow him to appear at the Final Examination to be held in the following year, or at a special examination. A selected candidate absent for such adequate cause from the Intermediate Examination may, under similar conditions, be allowed to appear at the Intermediate Examination a year later or at a special examination, or may be excused the Intermediate Examination and allowed to appear for the Final Examination in regular course.

Any candidate who at the Intermediate Examination shall appear to have wilfully neglected his studies, or to be physically incapacitated for pursuing the prescribed course of training, will be liable to have his name removed from the list of selected candidates.

(13) A selected candidate who wishes to pursue, in addition to the course prescribed above, an extra course of study, such as reading for a degree or for the examination for admission to the Bar, must first obtain the permission of the High Commissioner for India. If permission is accorded, it will be subject to review at any time.

(i.) Selected candidates will be allotted to the various provinces upon a consideration of all the circumstances, including their own wishes; but the requirements of the public service will rank before every other consideration.

(ii.) * Such candidates will receive no increase to their initial pay until they have passed the further tests in question to the satisfaction of their Local Government.

† The compulsory subjects include riding, and a candidate who fails at the end of the period of probation to satisfy the Civil Service Commissioners that he has reached the minimum standard of proficiency in riding will be liable to have his name removed from the list of selected candidates.

appropriate authority at the University or College at which he is pursuing his probationary course. The appropriate authorities are :—

Oxford	..	The Indian Civil Service Delegacy
Cambridge	..	The Board of Indian Civil Service Studies
London	..	The Director of the School of Oriental Studies
Trinity College, Dublin	..	The Registrar of the Indian and Home Civil Service School

(iii.) An allowance of £300 a year, or, in the case of selected candidates possessing an Indian domicile, an allowance of £350 a year will be given to any candidate who passes his probation at one of the Universities or other Institutions that have been approved for the purpose by the Secretary of State for India in Council.

In the case of selected candidates on probation for one year, the allowance will be payable in five equal instalments, the first after the agreement prescribed in Announcement (iv.) has been executed, the second, third, and fourth on December 24th, March 25th, and June 25th, respectively, and the fifth after signature of covenant on appointment to the service.

In the case of selected candidates on probation for two years, the allowance will be payable in nine approximately equal instalments, the first on September 29th or as soon thereafter as the agreement has been executed, the second on December 24th, the third to the eighth at quarterly intervals from that date, and the ninth after signature of covenant on appointment to the service.

Each selected candidate should intimate to the Secretary to the High Commissioner for India, Education Department, the address to which it is desired that the first instalment should be sent.

The payment of the various instalments of the allowance except the first instalment and the final instalment, and, in the case of the two-year probationers, the instalment payable at the end of the first year of probation, will be conditional on the receipt by the High Commissioner for India, through the authorities of the approved institution, of a certificate that the candidate had fulfilled up to date the requirements of the authorities and shown satisfactory progress.

If an Indian Government Scholar becomes a selected candidate for the Indian Civil Service, his scholarship stipend shall cease to be paid with effect from the 1st October of the year in which he becomes a selected candidate.

The whole probation must ordinarily be passed at the same Institution. Migration will not be permitted except for special reasons approved by the Secretary of State.

N.B.—The Secretary of State for India gives notice that the amount of the allowances will be reconsidered in 1930, with a view to a possible reduction with effect from the first instalment payable to candidates selected in that year.

(iv.) Each candidate will be required before receiving the first instalment of his allowance to execute an agreement binding himself and one surety jointly and severally to refund all moneys he may have received from the Secretary of State for India in the event of—

- (1) His failure to pass the Final Examination within the time prescribed by the regulations, and to satisfy the Civil Service Commissioners of his fitness for admission to the Indian Civil Service, or
- (2) His subsequent failure to execute the usual covenant, and to proceed to India, as and when he shall be directed by the Secretary of State for India.

(v.) All candidates obtaining certificates will be also required to enter into covenants, by which, amongst other things, they will bind themselves to make such payments as under the rules and regulations for the time being in force they may be required to make for the pensions of their families. The stamps payable on these covenants amount to £1.

(vi.) A First Class passage to India will be engaged for selected candidates with a view to their proceeding to India after they have signed their covenants.

Selected candidates who desire to make their own arrangements for proceeding to India must first satisfy the High Commissioner for India that they have good reasons for wishing to do so and that the arrangements which they propose to make are suitable. They will then, on production to the High Commissioner for India of evidence that they have engaged a passage, be granted an allowance not exceeding £65* or the actual cost of the passage by the route selected, whichever is less.

(vii.) Candidates appointed to the Indian Civil Service after undergoing one year's probation will be senior to those appointed in the same year after undergoing two years' probation. The seniority of candidates of each class *inter se* will be determined by the order in which their names appear on the lists referred to in clause (10) of the regulations.

(viii.) A candidate who fails to satisfy the Civil Service Commissioners at the Final Examination held in any year will be definitely rejected unless the Secretary of State in Council shall, after reference to the Civil Service Commissioners, allow him to sit for re-examination in the subject or subjects in which he failed. In general a candidate who is allowed re-examination will be required to forfeit the whole or part of the final instalment of his allowance, but if it appears to the Secretary of State in Council, after reference to the Civil Service Commissioners, that his failure to pass the examination was due to circumstances wholly exceptional and beyond his control, such forfeit of his allowance will not be required.

(ix.) "Overseas pay" will not be admissible to Indian members of the Indian Civil Service selected at Open Competitive Examinations held in London in 1925 and subsequent years.

Sale of Ebony.

AN auction sale of the under-mentioned ebony will be held at the Central Timber Depôt, Kew road, Slave Island, Colombo, on Saturday, November 9, 1929, at 10 A.M., subject to the following conditions:—

1. The timber will be put up in lots to suit buyers at a rate per lot, and no advance of less than Re. 1 per lot will be accepted.
2. The highest bid will be accepted, subject to the approval or disapproval of the Conservator of Forests. The highest bidder will be required by the officer conducting the sale to sign the sale book kept for the purpose directly a lot has been knocked down to him.
3. Payment of 25 per cent. of the successful bid to be made at time of sale, if so required.
4. Buyers will be allowed to have the logs weighed at the depôt premises, if so required, the cost of reweighing to be borne by such buyers. If any difference is found between the depôt weight and the weight ascertained after reweighing, a certificate will be issued by this department showing the actual weight at the time of reweighing, provided the buyers require such certificate for export purposes. But no allowance will be made for any shortage when making payment, the logs being sold by auction at a rate per lot and not per ton.
