(3) Letter No. M 41/26 of August 19, 1929, from the Hon. the Colonial Secretary intimating that Government is fully alive to the necessity of reconstructing the Kandy Hospital, but that no provision can be made for this work in the present financial situation.—Read.

6. Pursuant to notice, Mr. de Silva asked—(a) Has the Council given permission for the erection of latrines in the King's Pavilion premises? (b) If not, why have steps not been taken to stop the construction of latrines in this place without the sanction of the Council? (c) Is the Council aware that the construction of these latrines is injurious to the health of the residents in and around the place? (d) If these latrines are being built without the sanction of the Council, why is it that steps have not been taken to prosecute those responsible for the construction of these latrines?

The Chairman replied as follows:—(a) No. (b) I understand that Government is under no legal obligation to submit plans of proposed buildings to local authorities. In the present case the District Engineer showed me the plans when this question arose and the Provincial Engineer has given instructions as an act of courtesy, for all plans of proposed buildings to be submitted to the Chairman for perusal. (c) I have visited these latrines and do not agree that they are

injurious to the health of the neighbouring residents, and the Medical Officer of Health agrees with me. They replace less sanitary latrines which have been demolished. I understand that the latrines will be screened by a live fence and I have no doubt that this will be done. This will remove any possible objections from the owners of neighbouring houses from which the building could be seen. (d) In view of what has been said in reply to (b) above, I do not think that the question of a prosecution arises.

7. Pursuant to notice, Ratwatte Adigar moved—That two additional stalls be built at the Mahaiyawa meat market for the sale of mutton and fish.—Mr. de Silva seconded. It was agreed to ask the Superintendent of Municipal Works to furnish an estimate for the construction of three additional stalls.

MUNICIPALITY OF GALLE.

Minutes of Proceedings of a General Meeting of the Municipal Council of Galle held in the Municipal Office on Saturday, October 12, 1929, at 9 a.m., pursuant to Notice dated October 7, 1929.

Present : Mr. M. M. Wedderburn, Chairman ; the Hon. Mr. H. M. Macan Markar, M.L.C. ; Mr. D. W. Subasinghe ; the Hon. Mr. C. E. de Vos, M.L.C. ; Mr. J. E. Perera ; Mr. D. I. Durham ; Mr. C. L. Wickramasinghe ; Mr. F. W. Sproule ; and Mr. S. H. Dahanayake.

1. The Minutes of the General Meeting of September 14, 1929, a copy thereof having been furnished to each member, were taken as read and confirmed.

2. Mr. S. H. Dahanayake presented a petition from C. S. Abdul Cader, relating to the contract for the supply of road metal.

3. Pursuant to notice, Mr. S. H. Dahanayake moved—(1) That immediate steps be taken to obtain the services of a qualified doctor for the Health Department of the Municipal Council, preferably one already employed in the Sanitation Department. Mr. C. L. Wickramasinghe seconded.

In reply to the Chairman's inquiry, the mover and seconder stated that the intention is to employ a whole-time officer on the retirement of the present Medical Officer, in June, 1930.

The motion was put to the meeting and carried.

(2) That it is the opinion of this Council that the minimum rate of Rs. 5 levied for electric lights should be abolished and that the consumer be charged only for the current consumed. The Hon. Mr. C. E. de Vos formally seconded, and suggested to the mover that the Electricity Special Committee be asked to consider whether the minimum charge of Rs. 5 per mensem should be abolished, the consumer being charged only for the current consumed.

The mover agreed that the matter be referred to the Special Committee, and withdrew the motion with the permission of Council.

The following extracts from the Minutes of the Standing Committees were laid before the Council :—

4.—*Extracts from the Minutes of the Standing Committee on Markets and Sanitation of October 5, 1929.*

(2) To consider the plague situation.—Resolved to report to Council that the Sanitary Department should be asked to consider the voluntary evacuation of the bazaar into a temporary market, or any other proposal which will enable the Department to deal with rat infection and, at the same time, avoid dislocation of trade which is caused by the present system ; the alternative being the acceptance of plague being endemic, and stopping the present measures.

The Chairman made the following statement relating to plague between September 14 and October 11 :—

Human Plague.—The diagnosis of plague as the cause of the death of Sopy Nona's infant child at the Segregation Camp on September 1, has been confirmed ; but in the case of the mother, who died at the Infectious Diseases Hospital on September 5, the diagnosis has not been confirmed.

A suspected case of plague was found on the 7th instant at No. 77, Galle-Matara road. The patient has been removed to the Infectious Diseases Hospital and there are hopes of his recovery.

The total number of human cases to date is 8, with 7 deaths.

Rat Plague.—Two dead rats found on September 21 and 22 at No. 146, Fish Market street ; one dead rat on September 23 at No. 152, Fish Market Cross street, and one dead rat at No. 32A, Galle-Matara road, on September 29, have been reported as being positive for plague.

Two dead rats found on the 5th instant in a parcel at Watareka have been traced to No. 76, Galle-Matara road. The microscopic examination was positive, but the report from the Bacteriological Institute was that the specimen was too decomposed.

On the 6th instant an infected rat was found in this boutique. It adjoins No. 77 referred to above.

Infected Area.—The fish market area, excluding the fish market, was declared a diseased locality on September 30 and on October 7, the new area (Pettigalawatta) was declared. Both areas have been evacuated.

The Chairman moved that the Council do approve the recommendation of the Standing Committee, and that the Chairman be authorized to spend up to Rs. 15,000 in erecting temporary boutiques on the smaller esplanade, to be let to shopkeepers whose shops have been closed. Mr. J. E. Perera supported.

Mr. D. W. Subasinghe moved as an amendment—that in view of the fact that the larger portion of the town has already been cleaned up ; that the cases of plague—both human and rat—have been so few and far between ; that in view also of the incalculable loss and damage done to the traders and the general public, and the utter disorganization of business ; and also in view of the fact that the benefits accruing to the public are not in proportion to the loss caused to the people and the expense involved, the control of plague measures entrusted by this Council to the Sanitary Department be withdrawn as from the end of the current month, or soon thereafter not exceeding a fortnight. The Hon. Mr. H. M. Macan Markar seconded.

The Hon. Mr. C. E. de Vos, Mr. C. L. Wickramasinghe, the Chairman, and Mr. S. H. Dahanayake spoke.

Mr. D. W. Subasinghe rose to a point of order, when Mr. Dahanayake was speaking.

The Chairman ruled out of order any remarks which might apply to any member of the Council.

Mr. D. W. Subasinghe replied.

Mr. D. I. Durham asked that warehouse accommodation be provided for rice imported by the bigger traders.

The amendment was put to the meeting and lost by 5 votes to 3.

The motion was then put to the meeting and carried.

5.—*Extracts from the Minutes of the Standing Committee on Finance and Assessment of August 24, 1929.*

(4) To consider an application from the Municipal Inspectors for free treatment in a paying ward of the hospital, in case of illness.—Recommended that in the case of Municipal Inspectors the Council should pay the entrance fee and the cost of treatment, not exceeding Rs. 4 per diem, in a paying ward of the hospital, upon the Chairman being satisfied that the case is one needing hospital treatment.

Resolved that—(1) The Committee is in favour of replacing the engine of one 55 k.w. Campbell set by a 100 h.p. National engine at an estimated cost, including the coupling of the existing water tank, of Rs. 25,000, the dismantled engine being stored and used for spares for the other Campbell engine and, later, of replacing the second Campbell set. (2) The Chairman should, if possible, obtain the opinion of the Director of Electrical Undertakings on the recommendation of the Committee before submitting it to the Council, and inquire whether the Director of Electrical Undertakings is in a position to take over from the Council one or both Campbell sets, and if so, what price he would be proposed to pay for them.

Resolution of Council, September 14, 1929.

Resolved that the matter be deferred until the next meeting.

Resolved that the Council, before deciding whether the Campbell engine should be replaced, should call for tenders for an engine to replace the Campbell engine; and thereafter consult the Director of Electrical Undertakings.
