5. The business of the Company shall be carried on by or under the management or direction of the Directors, and subject only to the control of General Meetings in accordance with these presents.

CAPITAL.

6. The nominal capital of the Company is Rupees Two hundred thousand (Rs. 200,000) divided into 1,000 shares of Rupees Two hundred (Rs. 200) each.

7. The Directors may, with the sanction of a special resolution of the Company in General Meeting, from time to time increase the capital by the creation of new shares of such amounts as shall or may be deemed expedient.

8. The new shares shall be issued upon such terms and conditions and with such rights and privileges annexed thereto as the General Meeting resolving on the creation thereof or any other General Meeting of the Company shall direct; and if no direction be given as the Directors shall determine, and in particular such shares may be issued with a preferential or qualified right to the dividends, and in the distribution of assets of the Company, and with a special or without any right of voting.

9. Subject to any direction to the contrary that may be given by the meeting that sanctions the increase of capital, all new shares shall be offered to the Shareholders in proportion to the existing shares held by them; and such offer shall be made by notice specifying the number of shares to which the Shareholder is entitled, and limiting a time within which the offer, if not accepted, will be deemed to be declined; and after the expiration of such time, or on the receipt of an intimation from the Shareholder to whom such notice is given that he declines to accept the shares offered, the same shall be disposed of in such manner as the Directors may determine.

10. Except so far as otherwise provided by the conditions of issue or by these presents, any capital raised by the creation of new shares shall be considered part of the original capital, and shall be subject to the provisions herein contained with reference to the payments of calls and instalments, transfer, and transmission, forfeiture, lien, surrender, and otherwise.

11. The Company may from time to time in General Meeting reduce its capital and may consolidate or subdivide any of its shares which have not been taken or agreed to be taken by any person. Paid-up capital may be returned upon the footing that the amount may be called up again or otherwise.

SHARES.

12. The shares of the Company may not be applied for, allotted, purchased, sold or registered in the name of a person who is not a member of The Orient Club at the date of such application, allotment, purchase, sale or registration.

13. The Company shall not be bound to recognize (even though having notice of) any contingent, future, partial or equitable interest in the nature of a trust or otherwise in any share, or any right in respect of any share, excepting absolute right thereto in the person from time to time registered as the holder thereof, and except also the right of any person under Clause 29.

14. Shares may not be registered in the joint name of two or more persons.

15. The certificates of shares shall be issued under the Seal of the Company and signed by two Directors and the Secretary, or in such other manner as the Directors shall prescribe.

16. Every Shareholder shall be entitled to one certificate for all the shares or to several certificates each for a part of such shares. Every certificate shall specify the number of the shares in respect of which it is issued, the class and the amount paid up thereon or credited thereto.

17. If a certificate be worn out or defaced, then, upon production thereof to the Directors, they may order the same to be cancelled, and may issue a fresh certificate in lieu thereof; and if any certificate be lost or destroyed, then, upon proof thereof to the satisfaction of the Directors, and on such indemnity as the Directors may deem adequate being given, a new certificate in lieu thereof shall be given to the person entitled to such lost or destroyed certificate.

18. A fee of fifty cents shall be paid to the Company for every certificate so issued in place of a certificate lost or destroyed.

TRANSFER OF SHARES.

19. Subject to the restriction of these Articles any Shareholder may transfer all or any of his shares but only to a member of the Orient Club, by auction of which 14 days' notice shall be given to the members. The instrument of transfer of any share shall be in writing, signed by both transferor and transferee, and the transferor shall be deemed to remain the holder of the share until the name of the transferee is entered in the register in respect thereof.

20. No transfer of shares shall be made to an infant or person of unsound mind.

21. Shares when transferable may be transferred by any usual common form of instrument of transfer.

22. The Company shall keep a book or books to be called "The Register of Transfers," in which shall be entered the particulars of every transfer or transmission of any share.

23. The Board may, at their own absolute and uncontrolled discretion, decline to register any transfer of shares by a Shareholder who is indebted to the Company, or upon whose shares the Company has a lien or otherwise; or in case of shares not fully paid up, or to any person not approved by them.

24. In no case shall a Shareholder or proposed transferee be entitled to require the Directors to state the reason of their refusal to register, but their declination shall be absolute.

25. Every instrument of transfer must be left at the office of the Company to be registered, accompanied by such evidence as the Directors may reasonably require to prove the title of the transferor or his right to transfer his shares, and a fee of Rupees Two and Fifty Cents (Rs. 2.50) or such other sum as the Directors shall from time to time determine must be paid, and thereupon the Directors, subject to the powers vested in them by Articles 27, 28, and 29, shall register the transferee as a Shareholder, and return the instrument of transfer.

26. The Directors may, by such means as they shall deem expedient, authorize the registration of transferees as Shareholders without the necessity of a meeting of the Directors for that purpose.

27. In no case shall the Directors be bound to inquire into the validity, legal effect, or genuineness of any instrument of transfer produced by a person claiming a transfer of any share in accordance with these Articles; and whether they abstain from so inquiring, or do so inquire and are misled, the transferor shall have no claim whatsoever upon the Company in respect of the share, except for the dividends previously declared in respect thereof, but only, if at all, upon the transferee.

28. The Transfer Books may be closed during the fourteen days immediately preceding each Ordinary General Meeting, including the First General Meeting, also when a dividend is declared, for the three days next ensuing the Meeting.

TRANSMISSION OF SHARES.

29. The executors or administrators of a deceased Shareholder, any committee of a lunatic Shareholder, or any assignee of a bankrupt Shareholder, or any other person becoming entitled to a share in any other way than by transfer shall be the only persons recognized by the Company as having any title to the shares of such Shareholder.

30. If any person who shall become entitled to any share under Clause 29 shall not, for any cause whatsoever, within twelve calendar months after the event of the happening of which his title shall accrue, sell such share to a member of the Orient Club, the Company shall sell such shares, either by auction or private contract among members of the Orient Club and give a receipt for the purchase money; and the purchaser shall be entitled to be registered in respect of such shares, and shall not be bound to inquire whether the events have happened which entitled the Company to sell the same, and the nett proceeds of such sale, after deducting all expenses and all moneys in respect of which the Company is entitled to a lien on the share so sold, shall be paid to the person entitled thereto.

31. No person shall exercise any rights of a Shareholder until his name shall have been entered in the Register of Shareholders, and he shall have paid all calls and other moneys for the time being payable on every share in the Company held by him.

SHARES (SURRENDER AND FORFEITURE).

32. The Directors may accept, in the name and for the benefit of the Company, and upon such terms and conditions as may be agreed, a surrender of shares of Shareholders who may be desirous of retiring from the Company.

33. If any Shareholder fails to pay any call or instalment on or before the day appointed for the payment of the same, the Directors may at any time thereafter, during such time as the call or instalment remains unpaid, serve a notice on such Shareholder requiring him to pay the same, together with any interest that may have accrued, and all expenses that may have been incurred by the Company by reason of such non-payment.

34. The notice shall name a day (not being less than one month from the date of the notice), and a place or places at which such call or instalment and such interest and expenses as aforesaid are to be paid. The notice shall also state that, in the event of non-payment at or before the time and at the place appointed, the shares in respect of which the call was made or instalment is payable will be liable to be forfeited.

35. If the requisition of such notice as aforesaid be not complied with, every or any share or shares in respect of which such notice has been given may, at any time thereafter, before payment of calls or instalments, interest, and expenses due in respect thereof, be declared forfeited by a resolution of the Board to that effect.

36. Any Shareholder whose shares have been so declared forfeited shall, notwithstanding, be liable to pay, and shall forthwith pay to the Company all calls, instalments, interest, and expenses owing upon or in respect of such shares at the time of the forfeiture, together with interest thereon from the time of forfeiture until payment, at nine per cent. per annum, and the Directors may enforce the payment thereof if they think fit.

37. Every share surrendered or so declared forfeited shall be deemed to be the property of the Company, and may be sold, re-allotted, or otherwise disposed of upon such terms and in such manner as the Board shall think fit.

38. The surrender or forfeiture of a share shall involve the extinction of all interest in, and also of all claims and demands against, the Company in respect of the shares and the proceeds thereof, and all other rights incident to the share, except only such of those rights (if any) as by these presents are expressly saved.

39. A certificate in writing under the hands of two of the Directors and of the Secretary, that a share has been duly surrendered or forfeited, stating the time when it was surrendered or forfeited, shall be conclusive evidence of the facts therein stated as against all persons who would have been entitled to the share, but for such surrender or forfeiture, and such certificate and the receipt of the Company for the price of such share shall constitute a good title to such share, and a certificate of proprietorship shall be delivered to any person who may purchase the same from the Company, and thereupon such purchaser shall be deemed the holder of such share, discharged from all calls due prior to such purchase; and he shall not be bound to see to the application of the purchase money, nor shall his title to such share be affected by any irregularity in the proceedings in reference to such forfeiture or sale.

40. The Directors may in their discretion remit or annul the forfeiture of any share within six months from the date thereof, upon the payment of all moneys due to the Company from the late holder or holders of such share or shares, and all expenses incurred in relation to such forfeiture, together with such further sum of money by way of redemption money for the deficit, as they shall think fit, not being less than nine per cent. of the amount of the sums wherein default in payment had been made, but no share *bona fide* sold or re-allotted, or otherwise disposed of under Article 37 hereof, shall be redeemable after sale or disposal.

41. The Company shall have a first charge or paramount lien upon all the shares of any holder for all moneys for the time being due to the Company by such holder, either in respect of such shares or of other shares held by such holder or otherwise, and whether due from any such holder individually including all calls, resolutions for which shall have been passed by the Directors, although the times appointed for the payment thereof shall not have arrived. And the Directors may decline to register any transfer of shares subject to such charge or lien.

42. Such charge or lien may be made available by a sale of all or any of the shares subject to it, provided that no such sale shall be made except under a resolution of the Directors, and until notice in writing shall have been given to the indebted Shareholder or his executors, or administrators, or the assignee or trustee in his bankruptcy, requiring him or them to pay the amount for the time being due to the Company, and default shall have been made for thirty days from such notice in paying the sum thereby required to be paid. Should the Shareholder over whose share the lien exists be abroad, sixty days' notice shall be allowed to him.

43. The nett proceeds of any such sale shall be applied in or towards satisfaction of such debts, liabilities, or engagements, and the residue (if any) paid to such Shareholder or his representatives.

44. A certificate in writing under the hands of two of the Directors and of the Secretary, that the power of sale given by Clause 42 has arisen, and is exercisable by the Company under these presents, shall be conclusive evidence of the facts therein stated.

45. Upon any such sale two of the Directors may execute a transfer of such share to the purchaser thereof, and such transfer, with the certificate last aforesaid, shall confer on the purchaser a complete title to such shares.

CALLS.

46. The Directors may from time to time make such calls as they think fit upon the holders of registered shares in respect of money unpaid thereon, and by the conditions of allotment made payable at fixed times, and each Shareholder shall pay the amount of every call so made on him to the persons and at the times and places appointed by the Directors, provided that two months' notice at least shall be given to the Shareholders of the time and place appointed for the payment of each call. If any Shareholder fail to pay any call due from him on the day appointed for payment thereof, he shall be liable to pay interest for the same at the rate of nine per cent. per annum from the day appointed for the payment thereof to the time of actual payment. Any such call may be made payable either in one sum or two or more instalments.

47. A call shall be deemed to have been made at the time when the resolution authorizing the call was passed at a Board Meeting of the Directors.

48. The Directors shall have power in their absolute discretion to give time to any one or more Shareholder or Shareholders, exclusive of the others, for payment of any call or part thereof on such terms as the Directors may determine. But no Shareholder shall be entitled to any such extension, except as a matter of grace or favour.

49. The Directors may at their discretion receive from any Shareholder willing to advance the same, and upon such terms as they think fit, all or any part of the amount of his shares beyond the sum actually called up, and, upon the moneys so paid in advance, or upon so much thereof from time to time and at any time thereafter, as exceeds the amount of the calls then made upon, and due in respect of, the shares on account of which such advances are made, the Board may pay or allow interest at such rate as the Shareholder and the Directors may agree upon, not exceeding, however, 6 per cent. per annum.

BORROWING POWERS.

50. The Directors may from time to time at their discretion borrow or raise from the Directors or other persons any sum or sums of money for the purposes of the Company, provided that the moneys so borrowed or raised and owing at any one time shall not, without the sanction of a General Meeting, exceed Rupees One hundred thousand (Rs. 100,000) at a rate of interest not exceeding 7 per cent; only with the sanction of a General Meeting the Board shall be entitled to borrow such further sum or sums and at such rate of interest as such meeting shall determine. A certificate under the hands of one Director and the Secretary or two Directors, to the effect that in taking any loan the Directors are not exceeding their borrowing powers, shall be sufficient and binding on the Company and all concerned.

51. For the purposes of securing the repayment of any such money so borrowed or raised, or for any other purpose, the Directors may create and issue any mortgage, debentures, debenture stocks, bonds, or obligations of the Company, charged upon all or any part of the undertaking, revenue, property, and rights of the Company, both present and future, including uncalled capital or unpaid calls, or by giving, accepting, or endorsing on behalf of the Company any promissory notes or bills of exchange. Any such securities may be issued, either at par or at a premium or discount, and may from time to time be varied or exchanged as the Directors may think fit, and may contain any special privileges as to redemption, surrender, drawings, or otherwise.

52. Every debenture or other instrument issued by the Company for securing the payment of money may be so framed that the moneys thereby secured shall be assignable free from any equities between the Company and the persons to whom the same may have been issued.

GENERAL MEETINGS.

53. The First General Meeting shall be held at such time, not being more than twelve months after the registration of the Company, as the Directors may determine.

54. Subsequent General Meetings shall be held once in every year, at such time and place as may be prescribed by the Company in General Meeting; and, if no time or place is prescribed, at such time and place as may be determined by the Directors.

55. The General Meetings mentioned in Clauses 53 and 54 shall be called Ordinary General Meeting; all other meetings of the Company shall be called Extraordinary General Meetings.

56. The Directors may, whenever they think fit, convene an Extraordinary General Meeting, and shall do so upon a requisition being made in writing by one or more Shareholders holding in the aggregate not less than one-tenth of the issued capital.

57. Any requisition so made shall express the object of the meeting proposed to be called, shall be addressed to the Directors, shall be signed by the Shareholders making the same, and shall be sent to the registered office of the Company. Upon the receipt of such requisition the Directors shall forthwith proceed to convene an Extraordinary General Meeting to be held at such time and place as they shall determine. If they do not proceed to convene the same within seven days from the delivery of the requisition, the requisitionists may themselves convene an Extraordinary General Meeting to be held at such place and at such time as the Shareholders convening the meeting may themselves fix.

58. Seven days' notice at least of every General Meeting, Ordinary or Extraordinary, and by whomsoever convened, specifying the place, day, hour of meeting, and, save as hereinafter provided, the objects and business of the meeting shall be given to the Shareholders entitled to be present at such meeting in manner hereinafter mentioned; but an accidental omission to give such notice to any Shareholder shall not invalidate the proceedings at any General Meeting.

PROCEEDINGS AT GENERAL MEETING.

59. Every Ordinary General Meeting shall be competent, without special notice having been given of the purposes for which it is convened, or of the business to be transacted thereat, to receive and discuss any report and any accounts presented thereto by the Directors, and to pass resolutions in approval or disapproval thereof, and to declare dividends, and to elect Directors and Auditors retiring in rotation, and to fix the remuneration of the Auditors; and shall also be competent to enter upon, discuss, and transact any business whatever, of which special mention shall have been given in the notice or notices upon which the meeting was convened.

60. With the exceptions mentioned in the foregoing Articles as to the business which may be transacted at Ordinary General Meetings without notice, no General Meeting, Ordinary or Extraordinary, shall be competent to enter upon, discuss, or transact any business which has not been specially mentioned in the notice or notices upon which it was convened.

61. No business shall be transacted at any General Meeting, except the declaration of a dividend recommended by a report of the Directors or election of a Chairman, unless there shall be present in person at the commencement of the business twenty or more Shareholders entitled to vote.

62. If at the expiration of half an hour from the time appointed for the meeting the required number of Shareholders shall not be present at the meeting, the meeting, if convened by or upon the requisition of Shareholders, shall be dissolved; but in any other case it shall stand adjourned to the same day in the next week at the same time and place; and if at such adjourned meeting a quorum is not present, those Shareholders who are present shall be a quorum, and may transact the business for which the meeting was called.

63. The Chairman (if any) of the Directors shall be entitled to take the chair at every General Meeting, whether Ordinary or Extraordinary, or if there be no Chairman, or if at any meeting he shall not be present within fifteen minutes after the time appointed for holding such meeting, or if he shall refuse to take the chair, the Shareholders shall choose another Director as Chairman, and if no Directors be present, or if all the Directors present decline to take the chair, then the Shareholders present shall choose one of their number to be Chairman.

64. No business shall be discussed at any General Meeting, except the election of a Chairman, whilst the chair is vacant.

65. The Chairman, with the consent of the meeting, may adjourn any meeting from time to time and from place to place, but no business shall be transacted at any adjourned meeting other than the business left unfinished at the meeting from which the adjournment took place, unless due notice thereof shall be given.

66. Minutes of the proceedings of every General Meeting, whether Ordinary or Extraordinary, shall be entered in a book to be kept for that purpose, and shall when so entered be signed as soon as practicable by the Chairman of the same meeting, or by the Chairman of the succeeding meeting, and the same when so entered and signed shall be evidence of all such proceedings and of the proper election of the Chairman.

VOTING AT MEETINGS.

67. At any meeting every resolution shall be decided by the votes of the Shareholders present in person or by proxy, and in case there shall be an equality of votes, the Chairman at such meeting shall be entitled to give a casting vote in addition to the vote to which he may be entitled as a Shareholder; and unless a poll be immediately demanded in writing by at least two members present and entitled to vote, a declaration by the Chairman that a resolution has been carried, and an entry to the effect in the Minute Book of the Company, shall be sufficient evidence of the fact without proof of the number of votes recorded in favour of or against such resolution.

68. If a poll be duly demanded, the same shall be taken in such a manner and at such time and place as the Chairman shall direct, and the result of the poll shall be deemed to be the resolution of the meeting at which the poll was demanded. The demand of a poll shall not prevent the continuance of a meeting for the transaction of any business other than the question on which a poll has been demanded.

69. If at any meeting a poll be demanded by notice in writing, signed by two Shareholders present at the meeting and entitled to vote, which notice shall be delivered during the meeting to the Chairman, the meeting shall, if necessary, be adjourned, and the poll shall be taken at such time and place and in such manner as the Chairman shall direct, and in such case every Shareholder shall have the number of votes to which he may be entitled as hereinafter provided; and in case at any such poll there shall be an equality of votes, the Chairman of the meeting at which such poll shall have been demanded shall be entitled to a casting vote in addition to any votes to which he may be entitled as a Shareholder and proxy, and the result of such poll shall be deemed to be the resolution of the Company in such meeting.

70. No poll shall be demanded on the election of a Chairman of the meeting or on any question of adjournment.

71. On a show of hands every Shareholder shall have one vote only. In case of a poll every Shareholder shall have one vote for every share.

72. Votes may be given either personally or by proxy. The instrument appointing a proxy shall be in print or in writing, and shall be under the hand of the appointer. No person shall be appointed a proxy who is not a member of the Company and qualified to vote. Any Shareholder residing in foreign parts may deposit in the office of the Company an instrument of proxy (properly stamped for this purpose) valid for all meetings whatever during such absence and until revocation.

73. The instrument appointing a proxy shall be deposited at the registered office of the Company not less than twenty-four hours before the time for holding the meeting at which the person named in such instrument proposes to vote, but no instrument appointing a proxy shall be valid after the expiration of twelve months from the date of its execution, except that it may be used on the adjournment of the meeting for which it was originally intended to be given, and except that any member absent abroad may deposit an instrument of proxy in the office as provided by Clause 72.

74. A vote given in accordance with the terms of an instrument of proxy shall be valid notwithstanding the previous death of the principal or revocation of the appointment, unless notice in writing of the death or revocation shall have been received at the office of the Company twenty-four hours at least before the meeting.

75. No Shareholder shall be entitled to be present or vote on any question, either personally or by proxy, for another Shareholder at any General Meeting or upon a poll, or be reckoned in a quorum whilst any call or other sum shall be due and payable to the Company in respect of any shares of such Shareholder.

76. Any instrument appointing a proxy shall be, as nearly as circumstances will admit, in the following form:—

The Orient Club Company, Limited.

I, _____, of _____, appoint _____, of _____ (a Shareholder in the Company) as my proxy, to represent me and to vote for me and on my behalf at the Ordinary (or Extraordinary, as the case may be) General Meeting of the Company to be held on the _____ day of _____, One thousand Nine hundred and _____, and at any adjournment thereof, and at every poll which may be taken in consequence thereof.

As witness my hand this _____ day of _____, One thousand Nine hundred and _____.

Signed in the presence of _____.

77. No objection shall be made to the validity of any vote (whether given personally or by proxy) except at the meeting or poll at which such vote shall be tendered, and every vote (whether given personally or by proxy) to which no objection shall be made at such meeting or poll shall be deemed valid for all purposes of such meeting or poll whatsoever.

78. No Shareholder shall be prevented from voting by reason of his being personally interested in the result of the voting.

79. Every Shareholder not disqualified by the preceding articles, who has been duly registered shall be entitled to be present and to speak and vote at all meetings.

PREFERENCE SHARES AND MEETINGS OF CLASSES OF SHAREHOLDERS.

80. Any shares from time to time to be issued or created may from time to time be issued with any such guarantee or any such right of preference, whether in respect of dividend or of repayment of capital or both, or any such other privilege or advantage over any shares previously issued or then about to be issued other than shares issued with a preference or at such a premium, or with such deferred rights as compared with any other shares previously issued or then about to be issued, or subject to any such conditions or provisions, or with any such right of voting, and generally on such terms as the Company may from time to time determine in General Meeting.

81. If at any time by the issue of preference shares or otherwise the capital is divided into shares of different classes, then the holders of any class of shares may, by an extraordinary resolution passed at a meeting of such holders, consent on behalf of all the holders of shares of the class to the issue or creation of any shares ranking equally therewith, or having any priority thereto, or to the abandonment of any preference or priority, or of any accrued dividend or the reduction for any time or permanently of the dividends payable thereon, or to any scheme for the reduction of the Company's capital affecting the class of shares, and such resolution shall be binding upon all the holders of shares of the class, provided that this article shall not be read as implying the necessity for such consent in any case in which but for this article the object of the resolution could have been effected without it.

82. Any meeting for the purpose of the last preceding clause shall be convened and conducted in all respects as nearly as possible in the same way as an Extraordinary General Meeting of the Company, provided that no member not being a Director shall be entitled to notice thereof, or to attend thereat, unless he be a holder of shares of the class intended to be affected by the resolution, and that no vote shall be given except in respect of a share of that class, and that at any such meeting a poll may be demanded in writing by any two members personally present and entitled to vote at the meeting.

DIRECTORS.

83. Unless otherwise determined by a General Meeting, the number of Directors shall never be less than three or more than eight. In the event of the number of Directors in Ceylon ever being reduced to less than three, such remaining Director or Directors shall immediately cause to be convened an Extraordinary General Meeting of the Shareholders for the purpose of filling up the vacancies; but, in the event of a quorum of Shareholders not attending such meeting, the remaining Director or Directors shall appoint a Director or Directors to the vacancy or vacancies. Any Director or Directors so appointed shall hold office until the next Ordinary General Meeting of the Company. Until such appointment the remaining Director or Directors shall not act, except for the purpose of appointing another or others, and, if necessary, enabling him to be placed on the register of Shareholders.

84. The qualification of a Director shall be his holding in his own right one share. A first Director may act before acquiring his qualification, but shall in any case acquire the same within three months from his appointment.

85. The first Directors shall be Albert Ernest de Silva, Sir Hilarion Marcus Fernando, Richard Lionel Pereira, and Sir Gualterus Stewart Schneider, who shall hold office till the first Annual General Meeting. Any of the said Directors may resign his office prior to the said Annual General Meeting, and such vacancy may be filled up under Clause 89 hereof.

86. One or more of the Directors may be appointed by the Directors to act as Managing Director or Managing Directors of the Company, for such time and on such terms as the Directors may determine or fix by agreement with the person or persons appointed to the office, and they may from time to time revoke such appointment and appoint another or other Managing Director or Managing Directors, and the Directors may delegate to the Managing Director or Managing Directors all or any duties and powers that might devolve on any Manager of the Company.

87. The General Meeting at which Directors retire or ought to retire by rotation shall appoint successors to them, and in default thereof such successors may be appointed at a subsequent General Meeting.

88. The Board shall have power at any time and from time to time before the First Ordinary Meeting to supply any vacancies in their number arising from death, resignation, or otherwise.

89. Any casual vacancy occurring in the number of Directors may be filled up by the Directors, but any person so chosen shall retain his office so long only as the vacating Director would have retained the same if no vacancy had occurred.

90. At the Ordinary General Meeting in the first year and at the Ordinary General Meeting in every subsequent year two of the Directors for the time being shall retire from office as provided in Clause 91.

91. The Directors to retire from office at the Ordinary General Meeting in the first year shall, unless the Directors otherwise arrange among themselves, be determined by ballot; in every subsequent year the Directors to retire shall be those who have been longest in office, but a Managing Director shall not, while he holds such office, be subject to retire by rotation.

92. Retiring Directors shall be eligible for re-election.

93. In case any question shall arise as to which of the Directors who have been the same time in office shall retire, the same shall be decided by the Directors by ballot.

94. The Company in General Meeting may from time to time increase or reduce the number of Directors and alter their qualifications, and may also determine in what rotation such increased or reduced number shall go out of office.

95. If at any meeting at which an election of a Director ought to take place, the place of the retiring Director is not filled up, the retiring Director may continue in office until the First Ordinary Meeting in the next year, and so on from meeting to meeting, until his place is filled up, unless it shall be determined at such meeting to reduce the number of Directors.

96. A Director may at any time give notice in writing of his intention to resign by delivering such notice to the Secretary, or by leaving the same at the office, or by tendering his written resignation at a meeting of the Directors, and on the acceptance of his resignation by the Directors, but not before, his office shall become vacant.

97. The office of Director shall be vacated (a) if he accepts or holds any office or place of profit (other than Managing Director, Proctor, or Secretary) under the Company; (b) if he becomes bankrupt or insolvent, or suspends payment or files a petition for the liquidation of his affairs, or compounds with his creditors; (c) if by reason of mental or bodily infirmity he becomes incapable of acting; (d) if he ceases to be a member of the Orient Club; (e) if he ceases to hold the required number of shares to qualify him for the office; (f) if by notice in writing to the Company he resigns his office; (g) if he ceases ordinarily to reside in Ceylon or be absent from Ceylon for a period of six consecutive months, or by the election of a successor under Clause 83.

98. The Company may, by a special resolution, remove any Director before the expiration of the period of his office, and may, by an ordinary resolution, appoint another person in his stead, and the Director so appointed shall hold office only during such time as the Director in whose place he is appointed would have held the same if he had not been removed.

99. Every Director or officer and his heirs, executors, and administrators shall be indemnified by the Company from all losses and expenses incurred by him respectively in or about the discharge of his respective duties, except such as happen from his respective wilful acts or defaults, and no Director or officer, nor the heirs, executors, or administrators of any Directors or officer shall be liable for any other Director or officer, or for joining in any receipt or other act of conformity, or for any loss or expense happening to the Company by the insufficiency or deficiency of title to any property acquired for or on behalf of the Company, or for the insufficiency or deficiency of any security in or upon which any of the moneys of the Company shall be invested, or for any loss or damage arising from the bankruptcy, insolvency, or tortious act of any person with whom any moneys, securities, or effects shall be deposited, or for any other loss, damage, or misfortune whatsoever which shall happen in the execution of the duties of his respective office or in relation thereto, unless the same happen through his own wilful act or default.

100. No contribution shall be required from any present or past Director or Manager, exceeding the amount, if any, unpaid on the shares in respect of which he is liable as a present or past Shareholder.

POWERS OF DIRECTORS.

101. The Directors shall have power to carry into effect the acquisition of the present Orient Club and the lease purchase or acquisition of any other lands, buildings, or property.

102. The business of the Company shall be managed by the Directors, either by themselves or through the Managing Director, or by a Committee of Management or by an Agent or Agents, Secretary or Secretaries of the Company, in such manner as the Directors shall determine, and the Directors may pay out of the funds of the Company all costs and expenses as well preliminary as otherwise paid or incurred in and about the formation and the registration of the Company, and in connecting with the placing of the shares of the Company. The Directors may purchase or take on lease any land or buildings for the purposes of the Company, and may sell, lease, or let any portion thereof, and may enter into any arrangement or contract for building.

103. The Directors shall carry on the business of the Company in such manner as they may think most expedient, and in addition to the powers and authorities by any Ordinance or these presents expressly conferred on them, they may exercise all such powers, give all such consents, make all such arrangements, appoint all such agents, managers, secretaries, treasurers, accountants, and other officers, clerks, assistants, artisans, and workers, and generally do all such acts and things as are or shall be by any Ordinance and by these presents directed and authorized to be exercised or done by the Company in General Meeting, subject nevertheless to the provisions of any such Ordinance, and of these presents, and to such regulations and provisions (if any) as may from time to time be prescribed by the Company in General Meeting, but no regulation made by the Company in General Meeting shall invalidate any prior act of the Board which would have been valid if such regulation had not been made.

The generality of the powers conferred by any clause in these presents on the Directors shall not be taken to be limited by any clause conferring any special or expressed power.

104. The Directors shall have power to make, and may make, such regulations for the management of the business and property of the Company as they may from time to time think proper, and for that purpose may appoint such managers, agents, secretaries, officers, clerks, and servants for such period or periods, and with such remuneration and at such salaries and upon such terms and conditions as they may consider advisable, and may pay the expenses occasioned thereby out of the funds of the Company, and may from time to time remove or suspend all or any of the managers, agents, officers, clerks, or servants for such reasons as they may think proper and advisable and without assigning any cause.

105. The Directors shall have power to open from time to time on behalf of the Company any account or accounts with such bank or banks as they may select or appoint, and also by such signature as they may appoint to draw, accept, make, endorse, and sign cheques, bills of exchange, and promissory notes, bills of lading, receipts, contracts, and agreements and other documents on behalf and for the purpose of the Company, also proxy or proxies to any proctor or proctors.

106. The Directors shall have power to appoint a proctor or proctors, solicitor or solicitors, attorney or attorneys to assist in carrying on or protecting the business of the Company, on such terms, as they may consider proper, and from time to time to revoke such appointment.

107. It shall be lawful for the Directors, if authorized so to do by a special resolution of the Shareholders in General Meeting, to arrange terms for the amalgamation of the Company with any other company or companies or individual or individuals for the sale or disposal of the business, property, lands, and effects of the Company or any part or parts, share or shares thereof, respectively, or the assignment of the whole or any part or parts of its leasehold interests in any property or properties, land or lands, or the sub-lease of the whole or any part or parts thereof to any company or companies or person or persons, upon such terms and in such manner as the Directors shall think fit, and the Directors

shall have power to do all such things as may be necessary for carrying such amalgamation, sale, or other disposition into effect so far as a resolution of the Company is not by law necessary for such purpose; and in case any terms so arranged by the Directors include or make necessary the dissolution of the Company, the Company shall be dissolved to that end.

108. The Directors shall also have power to appoint an agent or secretary, or agents or secretaries, and to enter into agreement, in connection therewith, also to appoint whatsoever other officers they may consider necessary to assist in carrying on the business of the Company, and from time to time to revoke such appointments. They shall from time to time determine as they shall see fit the duties of the agent or secretary, or agents or secretaries, and of the managing director and other officers, and may delegate to him or them all or any of the powers hereby made exercisable by the Directors, except those relating to shares and any others as to which special provisions inconsistent with such delegation are herein contained, and they shall have power to fix the remuneration of such agent or secretary, or agents or secretaries, and managing directors or other officers. They shall not, however, be entitled to delegate any powers of borrowing or charging the property of the Company to any agent of the Company or other person except by instrument in writing, which shall specially state the extent to which such powers may be used by the person or persons to whom they are so delegated, and the conditions under which they may be so used, and such limitations and conditions shall be an essential part of the powers so delegated, and compliance therewith shall be a condition precedent to the exercise of these powers. The Directors shall have the power to bring or defend any action, suit, prosecution, or other legal proceedings in the name of the Company.

109. The Directors shall exercise in the name and on behalf of the Company all such powers of the Company as are not expressly required to be exercised by the Company in General Meeting.

PROCEEDINGS OF DIRECTORS.

111. A Director may, and the Secretary at the request of any Director shall, at any time summon a meeting of Directors.

112. The Board may elect a Chairman and Deputy Chairman of their meeting and determine the period for which they are to hold office, and all meetings of Directors shall be presided over by the Chairman, if one has been elected and is present, or in his absence by the Deputy Chairman, but if the offices of Chairman and Deputy Chairman be vacant, or if at any meeting of Directors the Chairman and Deputy Chairman be not present at the time appointed for holding the same, then and in that case the Directors shall choose one of their number to be Chairman of such meeting.

113. Any question which shall arise at any meeting of the Directors shall be decided by a majority of votes, and in case of equality of votes the Chairman thereof shall have a casting vote in addition to his vote as a Director.

114. The Board may delegate any of their powers to Committees consisting of such member or members of their body as the Board may think fit, and they may from time to time revoke and discharge any such Committee, either wholly or in part, and either as to persons or purposes, but every Committee so formed shall, in exercise of the powers delegated to it, conform to all such regulations as may be prescribed by the Board.

115. The acts of the Board and of any Committee appointed by the Board shall, notwithstanding any vacancy in the Board or Committee, or defect in the appointment of any Director or of any member of the Committee, be as valid as if no such vacancy or defect had existed, and as if every person had been duly appointed, provided the same be done before the discovery of the defect.

116. The meetings and proceedings of such Committees shall be governed by the provisions herein contained for regulating the meetings and proceedings of Directors, so far as the same are applicable thereto, and be not superseded by the express terms of the appointment of such Committees respectively or any regulations imposed by the Board.

117. A resolution in writing signed by all the Directors shall be as valid and effectual as if it had been at a meeting of the Directors duly called and constituted.

118. The Directors shall cause minutes to be made in books to be provided for the purpose of the following matters, *vide licet* :—

- (a) Of all appointments of officers and committees made by the Directors.
- (b) Of the names of the Directors present at each meeting of the Directors, and of the members of the Committee appointed by the Board present at each meeting of the Committee.
- (c) Of the proceedings of all General Meetings.
- (d) Of the proceedings of all meetings of the Directors and of the Committees appointed by the Board.

119. All such minutes shall be signed by the person or one of the persons who shall have presided as Chairman at the General Meeting, the Board Meeting, or Committee Meeting at which the business minuted shall have been transacted, or by the person or one of the persons who shall preside as Chairman at the next ensuing General Meeting, or Board Meeting, or Committee Meeting, respectively, and all minutes purporting to have been signed by the Chairman of any such General Meeting, Board Meeting, or Committee Meeting, respectively, shall, for all purposes whatsoever, be *prima facie* evidence of the actual and regular passing of the resolutions, and the actual and regular transaction of occurrences of the proceedings and other matters purporting to be so recorded, and of the regularity of the meeting at which the same shall appear to have taken place, and of the Chairmanship and signature of the person appearing to have signed as Chairman.

120. The Directors shall be at liberty to carry on the business of the Company as soon as they shall think fit, notwithstanding the whole capital may not have been subscribed for or taken.

COMMON SEAL.

121. The Directors shall provide a common seal of the Company, and shall provide for the safe custody thereof, and it shall never be used except by the authority of the Directors previously given and in the presence of two Directors at the least, who shall sign every instrument to which the seal is affixed, and every such instrument shall be countersigned by the Secretary or some other person appointed by the Directors. Any instrument sealed with the seal of the Company and signed by two Directors as aforesaid shall be presumed to be duly executed.

ACCOUNTS.

122. The Directors shall cause true accounts to be kept of the paid-up capital for the time being of the Company, and of all sums of money received and expended by the Company, and of the matters in respect of which such receipts and expenditure take place, and of the assets, credits, and liabilities of the Company, and generally of all its commercial

financial and other affairs, transactions and engagements, and of all other matters necessary for showing the true financial state and condition of the Company, and the accounts shall be kept in such books and in such a manner at the registered office of the Company as the Directors think fit.

123. The Directors shall from time to time determine whether, and to what extent, and at what times and places, and under what conditions and regulations, the accounts and books of the Company or of any of them shall be open to the inspection of the Shareholders, and no Shareholder shall have any right of inspecting any account or book or document of the Company, except as conferred by the Statutes or authorized by the Directors or by a resolution of the Company in General Meeting.

124. At the Ordinary General Meeting in every year the Directors shall lay before the Company a statement of the income and expenditure, and a balance sheet containing a summary of the property and liabilities of the Company made up to the end of the previous year.

125. Every such statement shall be accompanied by a report of the Directors as to the state and condition of the Company, and as to the amount which they recommend to be paid out of the profits by way of dividend or bonus to the Shareholders, and the statement, report, and balance sheet shall be signed by the Directors.

126. A printed copy of such balance sheet shall, at least seven days previous to such meeting, be delivered at, or posted to, the registered address of every Shareholder.

DIVIDENDS, BONUS, AND RESERVE FUNDS.

127. The Company may in General Meeting, from time to time, declare a dividend to be paid to the Shareholders in proportion to their shares; but no dividend shall be payable except out of net profits. No larger dividend shall be declared than is recommended by the Directors and shall not exceed 6 per cent. per annum. The Company in General Meeting may however declare a smaller dividend.

128. The Directors may, if they think fit, determine on and declare an interim dividend to be paid to the Shareholders on account and in anticipation of the dividend of the then current year.

129. Previously to the Directors recommending any dividend they may set aside out of the profits of the Company such a sum as they think proper as reserve fund, and shall invest the same in such securities as they shall think fit, or place the same in fixed deposit in any bank or banks.

130. The Directors may from time to time apply such portion as they think fit of the reserve fund to meet contingencies, or for equalizing dividends, or for working the business of the Company, or for repairing or maintaining or extending the buildings and premises, or for the repair or renewal or extension of the property, equipment or plant connected with the business of the Company or any part thereof, or for any other purpose of the Company which they may from time to time deem expedient.

131. No unpaid interest or dividend shall ever bear interest against the Company.

132. No Shareholder shall be entitled to receive payment of any dividend in respect of his share or shares whilst any moneys may be due or owing from him (whether alone or jointly with any other person) to the Company in respect of such share or shares, or otherwise howsoever.

133. The Directors may deduct from the dividend payable to any Shareholder all sums of money due from him (whether alone or jointly with any other person) to the Company, and notwithstanding such sums shall not be payable until after the date when such dividend is payable.

134. Notice of all interest or dividends to become payable shall be given to each Shareholder entitled thereto, and all interests or dividends unclaimed by any Shareholder for three years after notice thereof is given may be forfeited by a resolution of the Board of Directors for the benefit of the Company, and, if the Directors think fit, may be applied in augmentation of the reserve fund.

135. The Company shall not be responsible for the loss of any cheque, dividend warrant, or post office order which shall be sent by post in respect of dividends.

AUDIT.

136. The accounts of the Company shall once at least in every year be examined and the correctness of each balance sheet ascertained by one or more Auditor or Auditors.

137. The number of Auditors, the person or persons to fill the office of Auditor or Auditors, and the remuneration of the Auditor or Auditors, and his or their term of office may from time to time be determined and varied by the Company in General Meeting.

138. Subject to the last Article, the Directors may appoint the first Auditor or Auditors to audit the accounts of the Company until the First Ordinary General Meeting, when he or they shall retire, but shall be eligible for re-election, and the Directors may fix his or their remuneration.

139. The Auditor or Auditors for the time being shall retire at the First Ordinary General Meeting in every year, but shall be eligible for re-election. If on the retirement of an Auditor as aforesaid no person shall be appointed his successor by the Ordinary General Meeting at which his retirement shall take place he shall be considered as re-elected for another year although no resolution to that effect shall be passed or proposed. If any casual vacancy should occur in the office of Auditor the Directors shall forthwith fill up the same.

140. Every Auditor shall be supplied with a copy of the balance sheet intended to be laid before the next Ordinary General Meeting, and it shall be his duty to examine the same with accounts and vouchers relating thereto and to report thereon to the meeting, generally or specially, as he may think fit.

141. All accounts, books, and documents whatsoever of the Company shall at all times be open to the Auditors for the purpose of audit.

NOTICES.

142. Notices from the Company may be authenticated by the signature (printed or written) of the Agent or Secretary, Agents or Secretaries, or other persons appointed by the Board to do so.

143. Every Shareholder shall furnish the Company with an address in Ceylon, which shall be deemed to be his place of abode and shall be registered as such in the books of the Company.

144. A notice may be served by the Company upon the Shareholder, either personally or by sending it through the post in a prepaid letter addressed to such Shareholder, at his registered address or place of abode; and any notice so served shall be deemed to be well served for all purposes, notwithstanding that the Shareholder to whom such notice is addressed be dead, unless and until his executors or administrators shall have given to the Directors, or to the Agent or Secretary, or Agents or Secretaries of the Company, their own or some other address.

145. Any notice if served by post shall be deemed to have been served on the day on which the letter containing the same would in ordinary course of post have been delivered at his address; and in proving such service it shall be sufficient to prove that the letter containing the notice was properly addressed and put into a post office or post box; and the entry in the Company's books of the leaving or sending by post of any notice at or to such address shall be sufficient evidence thereof, and no further evidence shall be necessary.

146. Every Shareholder residing out of Ceylon shall name and register in the books of the Company an address within Ceylon at which all notices shall be served upon him, and all notices served at such an address shall be deemed to be well served. If he shall not have named and registered such an address, he shall not be entitled to any notices.

147. Where a given number of days' notice, or a notice extending over any other period is required to be given, the day of service shall not, but the day upon which such notice will expire shall be included in such number of days or other period. All notices required to be given by advertisement shall be published in the *Ceylon Government Gazette*.

ARBITRATION.

148. Whenever any question or other matter whatsoever arises in dispute between the Company and any other person or company, the same may be referred by the Directors to arbitration pursuant to and so as with regard to the mode and consequence of the reference and in all other respects to conform to the provisions in that behalf contained in the Civil Procedure Code, 1889, and the Arbitration Ordinance, 1866, or any then subsisting statutory modification thereof.

EVIDENCE.

149. On the trial or hearing of any action or suit brought or instituted by the Company against any Shareholder or his representatives to recover any debt or money claimed to be due to the Company in respect of his shares, it shall be sufficient to prove that the name of the defendant is or was, when the claim arose, on the register of Shareholders of the Company as a holder of the number of shares in respect of which such claim is made, and that the amount claimed is not entered as paid in the books of the Company, and it shall not be necessary to prove the registration of the Company, nor the appointment of the Directors who made any call, nor that a quorum of Directors was present at the Board at which any call was made, nor that the meeting at which any call was made was duly convened or constituted, nor any other matter whatsoever, but the proof of the matters aforesaid shall be conclusive evidence of the debt.

DISTRIBUTION OF ASSETS ON WINDING UP.

150. 151. If the Company shall be wound up and there shall be any surplus assets after payment of all debts and satisfaction of all liabilities of the Company, such surplus assets shall be applied, first, in repaying to the holders of the preference shares (if any), the amounts that may be due to them, whether by way of capital only or by way of capital and dividend or arrears of dividend or otherwise in accordance with the rights, privileges, and conditions attached hereto, and the balance in repaying to the holders of the ordinary shares the amounts paid up or reckoned as paid up on the shares which are held by them respectively at the commencement of the winding up, unless the conditions attached to the preference shares expressly entitle such shares to participate in such surplus assets.

152. If the Company shall be wound up the liquidator, whether voluntary or official, may, with the sanction of an extraordinary resolution, divide among the contributories in specie any part of the assets of the Company, and may, with their sanction, vest any part of the assets of the Company in trustees upon such trusts for the benefit of the contributories as the liquidator, with like sanction, shall think fit, and if thought expedient any such division may be otherwise than in accordance with the legal rights of the Shareholders of the Company, and in particular any class may be given preferential or special rights or may be excluded altogether or in part, and the liquidator shall be entitled to sell all or any of the assets of the Company in consideration of or in exchange for shares (ordinary, fully paid, or part paid, or preference) in the purchasing Company; but in case any division otherwise than in accordance with the legal rights of the contributories shall be determined on or any sale made of any or all of the assets of the Company in exchange for shares in the purchasing Company, either ordinary, fully paid, or part paid, or preference, any contributory who would be prejudiced thereby shall have a right to dissent as if such determination were a special resolution passed pursuant to section 192 of the Companies (Consolidation) Act of 1908 in England; but for the purposes of an arbitration as in sub-section (6) of the said section, provided the provisions of the Ceylon Arbitration Ordinance, 1866, and of the Civil Procedure Code, 1889, shall apply in place of the English and Scottish Acts referred to in the said sub-section (6) of section 192 of the aforewritten Companies (Consolidation) Act, and the said section 192, save as herein excepted, shall be deemed to be part and parcel of these present Articles.

BUSINESS.

2. The Company may proceed to carry out the objects for which it is established, and to employ and apply its capital as soon after the registration of the Company as the Directors in their discretion shall think fit; and if the whole of the shares shall not have been subscribed, applied for, or allotted as soon as in the judgment of the Directors, a sufficient number of shares shall have been subscribed or applied for.

3. The business of the Company shall be carried on by, or under the management or direction of, the Directors, and subject only to the control of General Meetings, in accordance with these presents. The Company being established on the basis that it shall acquire Greenwood estate, it shall be no objection that the vendors are in a fiduciary position to the Company or that there is no independent Board of Directors, nor shall any claim be made on any of the vendors on any such ground. Every member of the Company present or future shall be deemed to have joined the Company on this basis.

CAPITAL.

4. The nominal capital of the Company is One million Rupees (Rs. 1,000,000) divided into 100,000 shares of Ten Rupees (Rs. 10) each.

5. The Directors may, with the sanction of a special resolution of the Company in General Meeting, increase the capital of the Company by the creation of new shares of such amounts per share and in the aggregate and with such special, preferential, deferred, qualified, or other rights, privileges, or conditions attached thereto as such resolution shall direct.

6. Except so far as otherwise provided by the conditions of issue or by these presents, any capital raised by the creation of new shares shall be considered part of the original capital, and shall be subject to the same provisions in all respects with reference to the payments of allotment money, calls and instalments, transfer, transmission, forfeiture, lien, surrender, and otherwise, as if it had formed part of the original capital.

7. The Directors may also with the sanction of a special resolution of the Company reduce the capital or subdivide or consolidate the shares of the Company.

SHARES.

8. The Company may issue the balance capital whenever the Directors shall think fit, and may make arrangements on the issue of shares for a difference between the holders of such shares in the amount of calls to be paid and the time of payment of such calls.

9. If by the conditions of allotment of any share the whole or part of the amount thereof shall be payable by instalments, every such instalment shall, when due, be paid to the Company by the holder of the shares.

10. The shares, except when otherwise provided, shall be allotted at the discretion of and by the Directors, who may from time to time issue any unissued shares, and may add to such shares such an amount of premium as they consider proper. Provided that such unissued shares except when otherwise provided shall first be offered by the Directors to the Shareholders in proportion as nearly as possible to the existing shares held by them, and such offer shall be made by notice specifying the number of shares to which the Shareholder is entitled, and limiting a time within which the offer, if not accepted, will be deemed to be declined, and after the expiration of such time, or on the receipt of an intimation from the Shareholder to whom such notice is given that he declines to accept the shares offered, the same shall be disposed of in such manner as the Directors may determine. Provided that the Directors may at their discretion allot such new shares or any portion of them to the vendor or vendors of any estates or lands being acquired by the Company in payment of the whole or any part of the purchase price of any such estates or lands, as remuneration for work done for or services rendered to the Company, and that without offering the shares so allotted to the Shareholders.

11. In case of the increase of the capital of the Company by the creation of new shares, such new shares shall be issued upon such terms and conditions, and with such preferential, deferred, qualified, special, or other rights, and privileges annexed thereto, as the special resolution creating the same, or any other General Meeting of the Company, shall direct, and if no direction be given, as the Directors shall determine, and in particular such shares may be issued with a preferential or qualified right to the dividends, and in the distribution of the assets of the Company, and with a special or without any right of voting.

Subject to any direction to the contrary that may be given by the special resolution creating the increase of capital or any other General Meeting of the Company, all new shares shall be offered to the Shareholders in proportion as nearly as possible to the existing shares held by them, and such offer shall be made by notice specifying the number of shares to which the Shareholder is entitled and limiting a time within which the offer, if not accepted, will be deemed to be declined, and after the expiration of such time, or on the receipt of an intimation from the Shareholder to whom such notice is given that he declines to accept the shares offered, the same shall be disposed of in such manner as the Directors may determine. Provided that the Directors may, at their discretion, allot such new shares or any portion of them to the vendor or vendors of any estates or lands being acquired by the Company in payment of the whole or any part of the purchase price of any such estates or lands, and that without offering the shares so allotted to the Shareholders.

12. Every person taking any share in the Company shall testify his acceptance thereof by writing under his hand in such form as the Company may from time to time direct.

13. Shares may be registered in the name of a firm or partnership and any partner of the firm or agent duly authorized to sign the name of the firm shall be entitled to vote and to give proxies in respect of shares registered in the name of the firm.

14. Shares may be registered in the names of two or more persons jointly.

15. Any one of the joint-holders of a share, other than a firm, may give effectual receipts or any dividends payable in respect of such share; but only one of such joint-Shareholders shall be entitled to the right of voting and of giving proxies and exercising the other rights and powers conferred on a sole Shareholder, and if the joint-holders cannot arrange amongst themselves as to who shall vote or give proxies and exercise such other rights and powers conferred on a sole Shareholder, the Shareholder whose name stands first on the register of shares, shall vote or give proxies and exercise those rights and powers, provided, however, that in the event of such first registered Shareholder being absent from the Island, the first registered Shareholder then resident in Ceylon shall vote or give proxies and exercise all such right and powers as aforesaid.

16. In case of the death of any one or more of the joint-holders of any shares, the survivor or survivors shall be the only person or persons recognized by the Company as having any title to, or interest in, such shares.

17. The Company shall not be bound to recognize (even though having notice of) any contingent, future, partial, or equitable interest in the nature of a trust or otherwise in any share, or any other right in respect of any share, except any absolute right thereto in the person from time to time registered as the holder thereof, and except also the right of any person under clause 35 to become a Shareholder in respect of any share.

18. The joint-holders of a share shall be severally as well as jointly liable for the payment of all instalments and calls due in respect of such share.

19. Every Shareholder shall be entitled to a certificate or certificates under the common seal of the Company, specifying the share or shares, held by him and the amount paid thereon, provided that in the case of shares registered in the names of two or more persons the Company shall not be bound to issue more than one certificate to all the joint-holders, and delivery of such certificate to any one of them shall be sufficient delivery to all.

20. If any certificate be worn out or defaced, then, upon production thereof to the Directors, they may order the same to be cancelled, and may issue a new certificate in lieu thereof; and if any certificate be lost or destroyed, then, upon proof thereof to the satisfaction of the Directors and on such indemnity as the Directors deem adequate being given, a new certificate in lieu thereof may be given to the person entitled to such lost or destroyed certificate. A sum of fifty cents shall be payable for such new certificate.

20A. The funds of the Company shall not be applied in loans upon the security of the Company's own shares.

CALLS.

21. The Directors may from time to time make such calls as they think fit upon the Shareholders in respect of all moneys unpaid on their shares, and not by the conditions of allotment made payable at fixed times, provided that two months' notice at least shall be given to the Shareholders of the time and place appointed for payment of each call, and each Shareholder shall pay the amount of every call so made to the persons and at the time and place appointed by the Directors.

22. If any Shareholder fail to pay the amount of any call due by him on or before the day appointed for payment thereof, he shall be liable to pay interest on the same at the rate of nine per centum per annum from the day appointed for the payment thereof to the time of actual payment.

23. A call shall be deemed to have been made at the time when the resolution of the Directors authorizing such call was passed.

24. The Directors shall have power in their absolute discretion to give time to any one or more Shareholder or Shareholders, exclusive of the others, for payment of any call or part thereof on such terms as the Directors may determine. But no Shareholder shall be entitled to any such extension except as a matter of grace or favour.

25. The Directors may at their discretion receive from any of the Shareholders willing to advance the same, and upon such terms as they think fit, all or any part of the moneys uncalled upon their respective shares beyond the sums actually called up; and upon the moneys so paid in advance, or upon so much thereof as from time to time and at any time thereafter exceeds the amount of the calls then made upon, and due in respect of the shares in respect of which such advances have been made, the Board may pay or allow interest at such rate as the Shareholders paying such sums in advance and the Directors may agree upon, not exceeding, however, eight per centum per annum. Money paid by any Shareholder in advance of calls shall not for the purpose of voting or dividend be reckoned part of the amount, for the time being paid upon his shares.

TRANSFER OF SHARES.

26. Subject to the restriction contained in these Articles, any Shareholder may transfer all or any of his shares by instrument in writing.

27. No transfer of shares shall be made to an infant or person of unsound mind.

28. The Company shall keep a book or books, to be called "The Register of Transfers," in which shall be entered the particulars of every transfer or transmission of any share.

29. The Board may, at their own absolute and uncontrolled discretion, decline to register any transfer of shares by a Shareholder who is indebted to the Company, or upon whose shares the Company have a lien; or in case of shares not fully paid up to any person not approved of by them; and in no case shall a Shareholder or proposed transferee be entitled to require the Directors to state the reason of their refusal to register, but their declination shall be absolute.

30. Every instrument of transfer must be left at the office of the Company to be registered accompanied by the certificate for the shares to be transferred and by such evidence as the Directors may reasonably require to prove the title of the transferor, and a fee of Two rupees and Fifty cents or such other sum as the Directors shall from time to time determine, must be paid to the Company for the registration of every such transfer; upon payment thereof the Directors, subject to the powers vested in them by Article 29, shall register the transferee as a Shareholder and retain the instrument of transfer.

31. The Directors may, by such means as they shall deem expedient, authorize the registration of transferees as Shareholders, without the necessity of any meeting of the Directors for that purpose.

32. In no case shall the Directors be bound to inquire into the validity, legal effect, or genuineness of any instrument of transfer produced by a person claiming a transfer of any share in accordance with these Articles; and whether they abstain from so inquiring, or do so inquire and are misled, the transferor shall have no claim whatsoever upon the Company in respect of the share, except for the dividends previously declared in respect thereof, but only if at all, upon the transferee.

33. The Register of Transfers may be closed at such times and for such periods as the Directors may from time to time determine, provided always that it shall not be closed for more than twenty-one days in any year.

TRANSMISSION OF SHARES.

34. The executors, or administrators, or the heirs of a deceased Shareholder (not being one of several joint-holders) shall be the only persons recognized by the Company, as having any title to the shares of such Shareholder.

35. Any guardian of any infant Shareholder, or any committee of a lunatic Shareholder, or any person becoming entitled to shares in consequence of the death, bankruptcy, or liquidation of any Shareholder, or in any other way than by transfer, shall, upon producing such evidence that he sustains the character in respect of which he proposes to act under this clause, or of his title, as the Directors think sufficient, be forthwith entitled, subject to the provisions herein contained, to be registered as a Shareholder in respect of such shares; or may, subject to the regulations as to transfers hereinbefore contained, transfer the same to some other person.

36. If any person who shall become entitled to be registered in respect of any share under clause 35, shall not, from any cause whatever, within twelve calendar months after the event on the happening of which his title shall accrue, be registered in respect of such share, or if in the case of the death of any Shareholder, no person shall within twelve calendar months after such death, be registered as a Shareholder in respect of the shares of such deceased Shareholder, the Company may sell such shares, either by public auction or private contract, and give a receipt for the purchase money; and the purchaser shall be entitled to be registered in respect of such shares, and shall not be bound to inquire whether the events have happened which entitled the Company to sell the same, and the nett proceeds of such sale, after deducting all expenses and all moneys in respect of which the Company is entitled to a lien on the shares so sold, shall be paid to the person entitled thereto.

SURRENDER AND FORFEITURE OF SHARES.

37. The Directors may accept, in the name and for the benefit of the Company, and upon such terms and conditions as may be agreed a surrender of the shares of Shareholders who may be desirous of retiring from the Company, provided such acceptance is properly legalized.

38. If any Shareholder fails to pay any call or instalment on or before the day appointed for the payment of the same, the Directors may at any time thereafter, during such time as the call or instalment remains unpaid, serve a notice on such Shareholder or on the person entitled by reason of his death or bankruptcy to his shares requiring him to pay the same together with any interest that may have accrued, and all expenses that may have been incurred by the Company by reason of such non-payment.

The notice shall name a day (not being less than two months from the date of the notice) on, and a place or places at, which such call or instalment and such interest and expenses as aforesaid are to be paid. The notice shall also state that, in the event of non-payment at or before the time and at the place appointed, the shares in respect of which the call was made or instalment is payable will be liable to be forfeited.

If the requisition of such notice as aforesaid be not complied with, every or any share or shares in respect of which such notice has been given may at any time thereafter, before payment of calls or instalments, with interest and expenses due in respect thereof, be declared forfeited by a resolution of the Board to that effect.

39. Any Shareholder whose shares have been so declared forfeited shall notwithstanding be liable to pay and shall forthwith pay to the Company all calls, instalments, premia, interests, and expenses owing upon or in respect of such shares at the time of the forfeiture, together with interest thereon from the time of forfeiture until payment at nine per centum per annum, and the Directors may enforce the payment thereof if they think fit.

40. Every share surrendered or so declared forfeited shall be deemed to be the property of the Company, and may be sold, re-allotted, or otherwise disposed of upon such terms and in such manner as the Board shall think fit.

41. The surrender or forfeiture of a share shall involve the extinction of all interest in including all dividends declared in respect of the forfeited shares and not actually paid before the forfeiture and also of all claims and demands against the Company in respect of the share and the proceeds thereof, and all other rights incident to the share, except only such of those rights (if any) as by these presents are expressly saved.

42. A certificate in writing under the hands of one of the Directors and of the Secretary or Secretaries that a share has been duly surrendered, or forfeited, stating the time when it was surrendered or forfeited, shall be conclusive evidence of the facts therein stated as against all persons who would have been entitled to the share, but for such surrender or forfeiture, and such certificate and the receipt of the Company for the price of such share shall constitute a good title to such share, and a certificate of proprietorship shall be delivered to any person who may purchase the same from the Company, and thereupon such purchaser shall be deemed the holder of such share, discharged from all calls due prior to such purchase; and he shall not be bound to see to the application of the purchase money, nor shall his title to such share be affected by any irregularity in the proceedings in reference to such forfeiture or sale.

43. The Directors may in their discretion remit or annul the forfeiture of any share within six months from the date thereof upon the payment of all moneys due to the Company from the late holder or holders of such share or shares, and all expenses incurred in relation to such forfeiture, together with such further sum of money by way of redemption money for the deficit as they shall think fit, not being less than nine per centum per annum on the amount of the sums wherein default in payment had been made, but no share *bona fide* sold or re-allotted, or otherwise disposed of under Article 40 hereof, shall be redeemable after sale or disposal.

44. The Company shall have a first charge or paramount lien upon all the shares of any holder or joint-holders for all moneys for the time being due to the Company by such holder or by all or any of such joint-holders respectively, either in respect of such shares or of other shares held by such holder or joint-holders or in respect of any other debt, liability, or engagement whatsoever and whether due from any such holder individually or jointly with others, including all calls which the Directors shall have resolved to make, although the times appointed for the payment thereof shall not have arrived; and where any share is held by more persons than one the Company shall be entitled to the said charge or lien in respect of any money due to the Company from any of such persons. And the Directors may decline to register any transfer of shares subject to such charge or lien.

45. Such charge or lien may be made available by a sale of all or any of the shares subject to it, provided that no such sale shall be made except under a resolution of the Directors, and until notice in writing shall have been given to the indebted Shareholder or his executors or administrators, or the assignee or trustee in his bankruptcy, requiring him or them to pay the amount for the time being due to the Company, and default shall have been made for twenty-eight days from such notice in paying the sum thereby required to be paid. Should the Shareholder over whose share the lien exists be in England or elsewhere abroad, sixty days' notice shall be allowed him.

46. The nett proceeds of any such sale shall be applied in or towards satisfaction of such debts, liabilities, or engagements, and the residue (if any) paid to such Shareholder or his representatives.

47. A certificate in writing under the hands of one of the Directors and of the Secretary that the power of sale given by clause 45 has arisen and is exercisable by the Company under these presents, shall be conclusive evidence of the facts therein stated.

48. Upon any such sale two of the Directors may execute a transfer of such share to the purchaser thereof, and such transfer, with the certificate last aforesaid, shall confer on the purchaser a complete title to such share.

49. The remedy for any Shareholder for any irregularity in any forfeiture of a share or in the enforcing of a lien, or alleged lien on any share, shall be in damages only, and against the Company exclusively, and the Register shall be conclusive evidence of title to a share, as against any person claiming as a former holder of a share, which the Directors shall have purported to forfeit, cancel, or dispose of under these regulations.

PREFERENCE SHARES.

50. Any shares from time to time to be issued or created may from time to time be issued with any such right or preference, whether in respect of dividend or of repayment of capital, or both, or any such other special privilege or advantage over any shares previously issued or then about to be issued (other than shares issued with a preference); or at such a premium, or with such deferred rights as compared with any shares previously issued or then about to be issued, or subject to any such conditions or provisions, and with any such right or without any right of voting, and generally on such terms as the Company may from time to time by special resolution determine.

51. If at any time by the issue of preference shares or otherwise the capital is divided into shares of different classes, then the holders of any class of shares may by an extraordinary resolution passed at a meeting of such holders, consent, on behalf of all the holders of shares of the class, to the issue or creation of any shares ranking equally therewith, or having any priority thereto, or to the abandonment of any preference or priority, or of any accrued dividend or the reduction for any time or permanently of the dividends payable thereon, or to any scheme for the reduction of the Company's capital affecting the class of shares; and such resolution shall be binding upon all the holders of shares of the class, provided that this Article shall not be read as implying the necessity for such consent in any case in which but for this Article the object of the resolutions could have been effected without it.

52. Any meeting for the purpose of the last preceding clause shall be convened and conducted in all respects as nearly as possible in the same way as an Extraordinary General Meeting of the Company, provided that no member not being a Director shall be entitled to notice thereof or to attend thereat, unless he be a holder of shares of the class intended to be affected by the resolution, and that no vote shall be given except in respect of a share of that class, and that at any such meeting a poll may be demanded in writing by any members personally present and entitled to vote at the meeting.

BORROWING POWERS.

53. The Directors shall have power to procure from time to time, in the usual course of business, such temporary advances on the produce in hand, or in the future to be obtained from the Company's estates, as they may find necessary or expedient for the purpose of defraying the expenses of working the Company's estates, or of erecting, maintaining, improving, or extending buildings, machinery, or plantations, or otherwise, for the purposes of the Company, provided that the money so borrowed or raised and owing at any one time shall not, without the sanction of a General Meeting, exceed Rupees One hundred thousand (Rs. 100,000).

54. With the sanction of a General Meeting the Board shall be entitled to borrow such further sum or sums and at such rate of interest as such meeting shall determine. A certificate under the hands of one Director and the Secretary, or of two Directors, to the effect that in taking any loan the Directors are not exceeding their borrowing powers, shall be sufficient and binding on the Company and all concerned, and shall be conclusive evidence thereof in all questions between the Company and its creditors.

55. For the purpose of securing the repayment of any such money so borrowed or raised, or for any other purposes, the Directors may, with the sanction of a General Meeting, grant, create, execute, and issue any mortgages, cash credits, debentures, debenture stock, bonds, or obligations of the Company, charged upon all or any part of the undertaking, revenue, lands, property, rights, and assets of the Company, both present and future, including uncalled capital or unpaid calls, or may in their sole discretion make, accept, or endorse on behalf of the Company any promissory notes or bills of exchange.

56. Any such securities may be issued either at par or at a premium or discount, and may from time to time be cancelled, discharged, varied, or exchanged as the Directors may think fit, and may contain special privileges as to redemption, surrender, drawings, allotment of shares, or otherwise.

57. Every debenture or other instrument issued by the Company for securing the payment of money may be so framed that the money thereby secured shall be assignable free from any equities between the Company and the person to whom the same may be issued.

GENERAL MEETINGS.

58. The First General Meeting shall be held at such time not being more than twelve months after the incorporation of the Company, and at such place as the Directors may determine.

59. Subsequent General Meetings shall be held once in every calendar year, and not more than fifteen months after the holding of the last preceding General Meeting, at such time and place as may be prescribed by the Company in General Meeting, and if no time or place is so prescribed then at such place and at such time as soon after the first day in each year as may be determined by the Directors.

60. The General Meetings mentioned in the last preceding clause shall be called Ordinary General Meetings; all other Meetings of the Company shall be called Extraordinary General Meetings.

61. The Directors may, whenever they think fit, call an Extraordinary General Meeting of the Company, and the Directors shall do so upon a requisition made in writing by not less than one-seventh of the number of Shareholders of the Company for the time being, or by any Shareholder or Shareholders holding in the aggregate one-seventh part of the shares of the Company for the time being subscribed for.

62. Any requisition so made shall express the object of the meeting proposed to be called and must be signed by the requisitionists, shall be addressed to the Directors, and shall be sent to the registered office of the Company.

Upon the receipt of such requisition, the Directors shall forthwith proceed to convene an Extraordinary General Meeting, to be held at such time and place as they shall determine. If they do not proceed to convene the same within seven days from the delivery of the requisition, the requisitionists may themselves convene an Extraordinary General Meeting, to be held at such place and such time as the Shareholders convening the meeting may themselves fix.

If at any such meeting a resolution requiring confirmation at another meeting is passed, the Directors shall forthwith convene a further Extraordinary Meeting for the purpose of considering the resolution, and if thought fit, of confirming it as a Special Resolution, and if the Directors do not convene the Meeting, within seven days from the passing of the first resolution, the requisitionists or any other member or members holding capital to the amounts aforesaid may themselves convene the meeting.

63. Any Shareholder may, on giving not less than five days' previous notice of any resolution, submit the same to a meeting.

64. Such notice shall be given by leaving a copy of the resolution at the registered office of the Company.

65. Seven days' notice at least of every General Meeting, Ordinary or Extraordinary, and by whomsoever convened, specifying the place, date, hour of meeting, and the objects and business of the meeting, shall be given either by advertisement in the *Ceylon Government Gazette*, or by notice sent by post or in such other manner (if any) as may be prescribed by the Company in General Meeting. Where it is proposed to pass a special resolution the two meetings may be convened by one and the same notice, and it is to be no objection to such notice that it only convenes the second meeting contingently upon the resolution being passed by the requisite majority at the first meeting.

66. Every Ordinary General Meeting shall be competent, without special notice having been given of the purposes for which it is convened, or of the business to be transacted thereat, to receive and discuss any report and any accounts presented thereto by the Directors, and to pass resolutions in approval or disapproval thereof, and to declare dividends, and to elect Directors and Auditors in place of those retiring by rotation, and to fix the remuneration of the Auditors; and shall also be competent to enter upon, discuss, and transact any business whatsoever of which special mention shall have been given in the notice or notices upon which the meeting was convened.

67. With the exceptions mentioned in the foregoing Articles as to the business which may be transacted at Ordinary General Meetings without notice, no General Meeting, Ordinary or Extraordinary, shall be competent to enter upon, discuss, or transact any business which has not been specially mentioned in the notice or notices upon which it was convened, except resolutions submitted under Article 63.

68. No business shall be transacted at any General Meeting, except the declaration of a dividend recommended by a report of the Directors or election of a Chairman, unless there shall be present or represented at the commencement of the business two or more Shareholders entitled to vote, or persons holding proxies or powers of attorney from Shareholders entitled to vote.

69. If at the expiration of half an hour from the time appointed for the meeting the required number of Shareholders shall not be present at the meeting, the meeting, if convened by or upon the requisition of Shareholders, shall be dissolved, but in any other case it shall stand adjourned to the same day in the next week at the same time and place; and if at such adjourned meeting a quorum is not present, those Shareholders who are present shall be a quorum, and may transact the business for which the meeting was called.

70. The Chairman (if any) of the Directors shall be entitled to take the Chair at every General Meeting, whether Ordinary or Extraordinary; or if there be no Chairman, or if at any meeting, he shall not be present at the time appointed for holding such meeting, or if he shall refuse to take the Chair, the Shareholders shall choose another Director as Chairman; and if no Director be present, or if all the Directors present decline to take the Chair, then the Shareholders present shall choose one of their number to be Chairman.

71. No business shall be discussed at any General Meeting, except the election of a Chairman, whilst the Chair is vacant.

72. The Chairman may, with the consent of the meeting, adjourn any meeting from time to time and from place to place, but no business shall be transacted at any adjourned meeting other than the business left unfinished at the meeting from which the adjournment took place unless due notice thereof shall be given.

VOTING AT MEETINGS.

73. At any meeting every resolution shall be decided by a show of hands, and in case there shall be an equality of votes, the Chairman at such meeting shall be entitled to give a casting vote in addition to the vote to which he may be entitled as a Shareholder; and unless a poll be immediately demanded by some Shareholder or in the case of a special resolution by five Shareholders, present and entitled to vote, a declaration by the Chairman that a resolution has been carried, and an entry to that effect in the Minute Book of the Company, shall be sufficient evidence of the fact without proof of the number or proportion of votes recorded in favour of or against such resolution. The power of demanding a poll conferred by this clause may be exercised by the proxy or attorney of any Shareholder duly appointed in that behalf.

74. If at any meeting a poll be demanded by some Shareholder present, his proxy or attorney, or in the case of a special resolution by five Shareholders, their proxies or attorneys at the meeting and entitled to vote, the meeting shall, if necessary be adjourned, and the poll shall be taken at such time and place and in such manner as the Chairman shall direct, and in such case every Shareholder shall have the number of votes to which he may be entitled as hereinafter provided; and in case at any such poll there shall be an equality of votes, the Chairman of the meeting at which such poll shall have been demanded shall be entitled to a casting vote in addition to any votes to which he may be entitled as a Shareholder or proxy or attorney, and the result of such poll shall be deemed to be the resolution of the Company in such meeting.

75. The demand of a poll shall not prevent the continuance of a meeting for the transaction of business other than the question on which a poll has been demanded.

76. No poll shall be demanded on the election of a Chairman of the meeting or on any question of adjournment.

77. On a show of hands every Shareholder present in person shall have one vote. Where a Shareholder is present by an attorney who is not a Shareholder, such attorney shall be entitled to vote for such Shareholder on a show of hands. In case of a poll every Shareholder shall have one vote for every share held by him.

78. The parent or guardian or curator of an infant Shareholder, the committee or other legal guardian or curator of any lunatic Shareholder, the husband of any female Shareholder not entitled to her shares as separate estate, and the executor or administrator of any deceased Shareholder, or any one of such persons as aforesaid, if more than one, shall not be entitled to vote in the place of such infant, lunatic, female, or deceased Shareholder, unless such person shall have been registered as a Shareholder. Provided however, that the curator appointed by the District Court of Colombo in case No. 1 875c is entitled to vote in place of the infant, Pamela Isabel Jameson Torrie, in whose name certain shares have been placed by order of the said Court, as if he was registered as a Shareholder.

79. Votes may be given either personally or by proxy or by attorney.

80. No Shareholder shall be entitled to be present or to vote either personally or by proxy or attorney at any meeting, unless all calls due from him on his shares have been paid.

81. No person shall be entitled to hold a proxy who is not a Shareholder in the Company, but this rule shall not apply to a power of attorney.

82. The instrument appointing a proxy shall be printed or written and shall be signed by the appointor (whether a Shareholder or his attorney), or if such appointor be a company or corporation, it shall be under the common seal of such company or corporation.

83. The instrument appointing a proxy shall be deposited at the registered office of the Company not less than forty-eight hours before the time appointed for holding the meeting at which the person named in such instrument proposes to vote.

The instrument appointing a proxy may be in the following form:—

The Greenwood Estate Company, Limited.

I, _____ of _____, appoint _____, of _____ as my proxy to represent me and to vote for me and on my behalf at the Ordinary or Extraordinary (as the case may be) General Meeting of the Company to be held on the _____ day of _____, One thousand Nine hundred and _____, and at any adjournment thereof, and at every poll which may be taken in consequence thereof.

As witness my hand this _____ day of _____, One thousand Nine hundred and _____.

84. No objection shall be made to the validity of any vote (whether given personally or by proxy or by attorney), except at the meeting or poll at which such votes shall be tendered, and every vote (whether given personally or by proxy or by attorney) to which no objection shall be made at such meeting or poll shall be deemed valid for all purposes of such meeting or poll whatsoever.

85. No Shareholder shall be prevented from voting by reason of his being personally interested in the result of the voting.

DIRECTORS.

86. The number of Directors shall never be less than three or more than five; but this clause shall be construed as being directory only, and the continuing Directors being not less than two may act notwithstanding any number of vacancies.

The qualification of a Director shall be his holding in his own right at least Two hundred and Fifty fully or partly paid shares in the Company upon which all calls for the time being have been paid, and this qualification shall apply as well to the first Directors as to all future Directors.

87. As remuneration for their services the Directors shall be entitled to appropriate a sum not exceeding Two hundred and Fifty rupees annually for each Director, but the Company in General Meeting may at any time alter the amount of such remuneration for the future, and such remuneration shall not be considered as including any remuneration granted for special or extra services hereinafter referred to, nor any extra remuneration to the Managing Directors of the Company; and all travelling, hotel, or other expenses shall be repaid to the Directors.

88. The first Directors shall be Messrs. Herbert George Parton Maddocks, Walter Edward Keell, both of Colombo, and Maitland Shives Milne of Nuwara Eliya. The first Directors shall hold office till the First Ordinary General Meeting of the Company, when they shall retire, but shall be eligible for re-election.

89. One or more of the Directors may be appointed by the Directors to act as Secretary, Manager, Managing Director; and (or) Agent, Visiting Agent, or Superintendent; for such time and on such terms as the Directors may determine, or may fix by agreement with the person or persons appointed to the office, and they may from time to time revoke such appointment and appoint another or other Secretary, Manager, Managing Director; and (or) Agent, Visiting Agent, or Superintendent.

The Directors may confer on the Managing Director or Managing Directors all or any duties and powers that might be conferred on any Manager of the Company.

ROTATION OF DIRECTORS.

90. At the First Ordinary General Meeting of the Company all the Directors shall retire from office, and at the First Ordinary General Meeting in every subsequent year one of the Directors for the time being shall retire from office as provided in clause 91.

91. Until all the first Directors have retired, the Director to retire from office at the Second Ordinary General Meeting shall, unless the Directors otherwise arrange among themselves, be determined by ballot; in every subsequent year the Director to retire shall be the one who has been longest in office.

92. In case any question shall arise as to which of the Directors who have been the same time in office shall retire, the same shall be decided by the Directors by ballot.

93. Retiring Directors shall be eligible for re-election.

94. The Ordinary General Meeting at which Directors retire or ought to retire by rotation shall appoint successors to them, and in default thereof such successors may be appointed at a subsequent General Meeting.

95. Any casual vacancy occurring in the number of Directors or provisional Directors arising from death, resignation, or otherwise, may be filled up by the Directors, but any person appointed to fill such vacancy shall retain his office only until the next Ordinary General Meeting of the Company after his appointment by the Directors, and shall then be eligible for re-election. The Directors may act notwithstanding any vacancy in their body, but so that, if the number falls below the minimum above fixed, the Directors shall not, except for the purpose of filling vacancies or of convening a General Meeting, act so long as their number is below the minimum.

96. A General Meeting may from time to time increase or reduce the number of Directors, and may also determine in what rotation such increased or reduced number is to go out of office.

97. If at any meeting at which an election of a Director ought to take place, the place of a retiring Director is not filled up, the retiring Director may continue in office until the First Ordinary General Meeting in the next year, and so on from meeting to meeting until his place is filled up, unless it shall be determined at such meeting to reduce the number of Directors.

98. A Director may at any time give notice in writing of his intention to resign by delivering such notice to the Secretary or by leaving the same at the registered office of the Company, or by tendering his written resignation at a meeting of the Directors, and on the acceptance of his resignation by the Directors, but not before his office shall become vacant.

99. The Company may, by extraordinary resolution, remove any Director before the expiration of his period of office, and may, by an ordinary resolution, appoint another person in his stead. The Director so appointed shall hold office only during such time as the Director in whose place he is appointed would have held the same if he had not been removed.

100. No member, not being a retiring Director, shall, unless recommended by the Directors for election, be eligible for election as a Director at any General Meeting, unless such member or some other member intending to propose him has left at least five clear days before the meeting at the office a notice in writing under his hand signifying his candidature for office or the intention of such member to propose him. Such notice prior to any vote being taken thereon may be withdrawn at any time by the member giving the same.

101. If the Directors or any Director shall perform, at the request of the Board, extra or special services in connection with the business of the Company, they or he shall be remunerated either by a fixed sum or by a percentage of profits or otherwise as may be recommended by the Board and approved by the Company in General Meeting, and such remuneration may be either in addition to or in substitution for the remuneration of the Directors or Director as provided by these Articles.

102. Every Director or officer of the Company, and his heirs, executors, and administrators shall be indemnified by the Company from all losses and expenses incurred by him in or about the discharge of his duties, except such as happen from his wilful acts or defaults; and no Director or officer shall, nor shall the heirs, executors, or administrators of any Director or officer be liable for the acts or defaults of any other Director or officer, or for any loss or expenses happening to the Company by the insufficiency or deficiency of title to any property acquired for or on behalf of the Company, or for the insufficiency or deficiency of any security in or upon which any of the moneys of the Company shall be invested, or for any loss or damage arising from the bankruptcy, insolvency, or tortuous act of any person with whom any moneys, securities, or effects shall be deposited, or for any other loss, damage, or misfortune whatsoever which shall happen in the execution of the duties of his office or in relation thereto unless the same happen through his own wilful act or default.

103. No contribution shall be required from any present or past Director or Manager, exceeding the amount, if any, unpaid on the shares in respect of which he is liable as a present or past Shareholder.

DISQUALIFICATION OF DIRECTORS.

104. The office of Director shall be vacated—

- (a) If he accepts or holds any office or place of profit under the Company other than Manager, Managing Director, Visiting Agent, Superintendent, Agent, or Secretary of the Company, or trustee for debenture holders.
- (b) If he becomes bankrupt or insolvent, or suspends payment or files a petition for the liquidation of his affairs, or compounds with his creditors.
- (c) If by reason of mental or bodily infirmity he becomes incapable of acting.
- (d) If he ceases to hold the required number of shares to qualify him for the office.
- (e) If he resigns his office under the provisions of clause 98.
- (f) If he ceases to ordinarily reside in Ceylon, or is absent from Ceylon for a period of six consecutive months.

No Director shall be disqualified from holding office by reason of entering into any contract with or doing any work for the Company, or by reason of his being a member of any corporation, company, or firm which has entered into any contract with, or done any work for the Company, or by reason of his being agent, or secretary, or solicitor, or broker or being a member of a firm who are agents, or secretaries, solicitors or brokers of the Company, nor shall any contract or arrangement entered into by or on behalf of the Company in which any Director shall be in any way interested be avoided, nor shall any Director be liable to account to the Company for any profit arising from any such office or place of profit so realized by any such contract or arrangement by reason only of such Director holding that office or of the fiduciary relation thereby established, nevertheless, he shall disclose to the Directors his interest in any contract work or business in which he may be personally interested, and shall not vote in respect of any matters connected with any such contract, work, or business, and if he do so vote, his vote shall not be counted, but this prohibition may at any time or times be suspended or relaxed to any extent by a General Meeting; and such prohibition shall not apply to any contract by or on behalf of the Company to give to the Directors or to any of them any security for advances or by way of indemnity. A general notice that a Director is a member of any specified firm or company and is to be regarded as interested in all transactions with that firm or company shall be a sufficient disclosure under this clause as regards such Director and the said transactions; and after such general notice it shall not be necessary for such Director to give a separate notice relating to any particular transaction with that firm or company.

POWERS OF DIRECTORS.

105. The Directors shall have power to carry into effect the acquisition of the said Greenwood Estate, and with the sanction of a General Meeting the lease, purchase, or acquisition of any other lands, estate, or property they may think fit, or any share or shares thereof.

106. The business of the Company shall be managed by the Directors either by themselves or through a Managing Director, or with the assistance of an agent or agents, and secretary or secretaries of the Company to be appointed by the Directors for such a period and on such terms as they shall determine, and the Directors shall pay out of the funds of the Company all costs and expenses, as well preliminary as otherwise, paid or incurred in and about the formation and the registration of the Company, and in and about the valuation, purchase, lease, or acquisition of the said estates and lands, and the opening, clearing, planting, and cultivation thereof, and otherwise in or about the working and business of the Company.

107. The Directors shall have power from time to time at their discretion to set apart out of the funds of the Company annually before the declaration of a dividend such sums of money as they may think fit to form a reserve fund to meet liabilities and contingencies of the Company, and the moneys so set apart shall not be applicable for any other purpose than for the meeting or liabilities and contingencies of the Company, unless otherwise determined by the Directors, and if they so determine they shall have power at their discretion to apply the same or such portion thereof to meet capital expenditure, or to pay or equalize dividends in any year or for such other purpose as the Directors think fit for the benefit of the Company.

110. The Directors shall have power with the sanction of a General Meeting to make gifts or grant bonuses to persons in the employment of the Company and to provide for a superannuation or pension fund for the Company's employees and to pay into the account of such fund sums out of the funds of the Company as they shall deem expedient annually before the declaration of a dividend, and the money so set apart shall not be applicable to any other purpose, unless otherwise determined by a special resolution of the Shareholders of the Company.

The seal of the Company shall not be affixed to any instrument except in the presence of two or more of the Directors, or of one Director and the Secretary or Secretaries, who shall attest the sealing thereof; such attestation on the part of the secretaries, in the event of a firm or registered company being the secretaries, being signified by a partner or duly authorized manager, director, secretary, attorney, or agent of the said firm or company signing for and on behalf of the said firm or company as such secretaries.

114. It shall be lawful for the Directors, if authorized so to do by a special resolution of the Shareholders of the Company in General Meeting, to arrange terms for the amalgamation of the Company with any other company or companies, or individual or individuals, or for the sale or disposal of the business, estates and effects of the Company, or any part or parts, share or shares thereof, respectively, to any company or companies, or person or persons, upon such terms and in such manner as the Directors shall think fit, and the Directors shall have power to do all such things as may be necessary for carrying such amalgamation, sale, or other disposition into effect so far as a resolution or special resolution of the Company is not by law necessary for such purpose; and in case any terms so arranged by the Directors include or make necessary the dissolution of the Company, the Company shall be dissolved to that end.

115. In furtherance and not in limitation of, and without prejudice to, the general powers conferred or implied in the last preceding clause, and of the other powers conferred by these presents, it is hereby expressly declared that the Directors shall have the powers following (that is to say) :—

- (a) To institute, conduct, defend, compromise, settle, or abandon any action, suit prosecution, or other legal proceedings on behalf of the Company, and also to compound and allow time for payment or satisfaction of any debts due to or from the Company, and any claims or demands made by or against the Company.

- (e) To invest any of the moneys standing to the credit of the funds of the Company or any other moneys of the Company which the Directors may consider not to be immediately required for the purposes thereof, upon such securities and in such manner as they may think fit, and so that they shall not be restricted to such securities as are permissible to trustees, without special powers, and from time to time to vary or release such investments.
- (f) To delegate to any one or more of the Directors of the Company for the time being, or any other person or company for the time being, residing or carrying on business in Ceylon, or elsewhere, all or any of the powers or functions given to or exercisable by the Directors; and to confer such powers for such time and to be exercised for such objects and purposes, and upon such terms and conditions, and with such restrictions as the Directors may think expedient, and to confer such powers either collaterally with or to the exclusion of, and in substitution for, all or any of the powers of the Directors in that behalf, and from time to time to revoke, withdraw, alter, or vary all or any of such powers. The Directors may allow to any person or company to whom any powers may be so delegated such remuneration as they in their absolute discretion shall think fit.

- (g) Upon any Director, Manager, or other officer or servant of the Company retiring from his office or duties, to grant him in consideration of his services to the Company such sum of money, pension, or annuity as they may think fit, but in the case of a director such grant shall be subject to ratification by a General Meeting, and shall only become operative on such ratification being obtained.
- (h) From time to time, to provide for the management of the affairs of the Company abroad in such manner as they think fit, and to establish any local boards or agencies for managing any of the affairs of the Company abroad, and to appoint any persons to be members of such local board or any managers or agents, and to fix their remuneration.

Until otherwise determined, two Directors shall be a quorum.

118. The Board may elect a Chairman of their meetings and determine the period for which he is to hold office, and all meetings of the Directors shall be presided over by the Chairman if one has been elected and if present, but if there be a vacancy in the office of Chairman, or if at any meeting of Directors the Chairman be not present at the time appointed for holding the same, then and in that case the Directors present shall choose one of their number to be Chairman of such meeting.

119. Any question which shall arise at any meeting of the Directors shall be decided by a majority of votes, and, in case of an equality of votes the Chairman thereof shall have a casting vote in addition to his vote as a Director.

120. The Board may delegate any of their powers to committees consisting of such member or members of their body as the Board think fit, and they may from time to time revoke and discharge any such committee, either wholly or in part and either as to persons or purposes, but every committee so formed shall, in exercise of the powers delegated to it conform to all such regulations as may be prescribed by the Board. All acts done by any such committee, in conformity with such regulations and in the fulfilment of the purposes of their appointment, but not otherwise, shall have the like force and effect as if done by the Board.

121. The Meetings and proceedings of such committees shall be governed by the provisions herein contained for regulating the meetings and proceedings of Directors, so far as the same are applicable thereto, and are not superseded by the express terms of the appointment of such committee respectively, or any regulation imposed by the Board.

122. The acts of the Board or of any committees appointed by the Board shall, notwithstanding any vacancy in the Board or committee, or defect in the appointment or qualification of any Director or of any member of the committee, be as valid as if no such vacancy or defect had existed, and as if such person had been duly appointed or qualified, provided the same be done before the discovery of the vacancy or defect.

123. A resolution in writing signed by all the Directors for the time being in Ceylon shall be as valid and effectual as if it had been passed at a meeting of the Directors duly called and constituted.

124. The Directors shall cause minutes to be made in a book or books to be provided for the purpose—

- (1) Of all appointments (a) of officers and (b) committees made by the Directors.

- (5) Of all resolutions and proceedings of all General Meetings of the Company.
- (6) Of all resolutions and proceedings of all meetings of the Directors.
- (7) Of all resolutions and proceedings of all meetings of committees appointed by the Board.

125. All such minutes shall be signed by the person who shall have presided as Chairman at the General Meeting, the Board Meeting, or Committee Meeting at which the business minuted shall have been transacted, or by the person who shall preside as Chairman at the next ensuing General Meeting, or Board Meeting, or Committee Meeting, as the case may be; and all minutes purporting to have been signed by any Chairman of any General Meeting, Board Meeting, or Committee Meeting, respectively, shall, for all purposes whatsoever, be *prima facie* evidence of the actual and regular passing of the resolutions, and the actual and regular transaction or occurrence of the proceedings and other matters purporting to be so recorded, and of the regularity of the meeting at which the same shall appear to have taken place, and of the Chairmanship and signature of the person appearing to have signed as Chairman, and of the date on which such meeting was held.

ACCOUNTS.

126. The Agent or Secretary, or the Agents or Secretaries, for the time being, or, if there be no Agent or Secretary, or Agents or Secretaries, the Directors shall cause true accounts to be kept of the paid-up capital for the time being of the Company, and of all sums of money received and expended by the Company, and of the matters in respect of which such sums were received and expended, and of the assets, credits, and liabilities of the Company, and generally of all its commercial, financial, and other affairs, transactions, and engagements, and of all other matters necessary for showing the true financial state and condition of the Company. The accounts shall be kept in such books and in such a manner at the registered office of the Company, as the Directors think fit.

127. The Directors shall from time to time determine whether, and to what extent, and at what times and places, and under what conditions or regulations, the accounts and books of the Company or of any of them shall be open to the inspection of the Shareholders, and no Shareholder shall have any right of inspecting any account or book or document of the Company except as conferred by Ordinance or authorized by the Directors or by a resolution of the Company in General Meeting.

128. At the Ordinary General Meeting in every year the Directors shall lay before the Company a statement of the income, and expenditure of the Company for the previous financial year, and a balance sheet containing a summary of the property and liabilities of the Company made up to the end of the same period.

129. The statement so made shall show, arranged under the most convenient heads, the amount of gross income, distinguishing the several sources from which it has been derived and the amount of gross expenditure, distinguishing the expense of the establishment, salaries, and other heads of expenditure. Every item of expenditure fairly chargeable against the year's income shall be brought into account, so that a just balance of profit and loss may be laid before the meeting, and in cases where any item of expenditure which may in fairness be distributed over several years has been incurred in any one year, the whole amount of such item shall be stated with the addition of the reasons why only a portion of such expenditure is charged against the income of the year.

130. The balance sheet shall contain a summary of the property and liabilities of the Company arranged under the heads appearing in the form annexed to the table referred to in schedule C to "The Joint Stock Companies' Ordinance, 1861," or as near thereto as circumstances admit.

131. Every such statement shall be accompanied by a report as to the state and condition of the Company and as to the amount which the Directors recommend should be paid out of the profits by way of dividend or bonus to the Shareholders.

132. A printed copy of such balance sheet shall, at least seven days previous to such meeting, be delivered at, or posted to, the registered address of every Shareholder.

133. The accounts of the Company shall from time to time be examined, and the correctness of the balance sheet ascertained, by one or more Auditor or Auditors.

AUDIT.

134. No person shall be eligible as an Auditor who is interested otherwise than as Shareholder in any transaction of the Company, but it shall not be a necessary qualification for an Auditor that he be a Shareholder of the Company, and no Director of the Company shall, during the continuance in office, be eligible as an Auditor.

135. The Directors shall appoint the first Auditor or Auditors of the Company and fix his or their remuneration. He or they shall hold office till the First General Meeting of the Company. All subsequent appointments shall, except as is hereinafter mentioned, be made at the Ordinary General Meeting of the Company in each year by the Shareholders present thereat, and the Auditor or Auditors appointed at such Meeting shall hold office only until the First Ordinary General Meeting after his or their appointment or until otherwise ordered by a General Meeting.

136. The remuneration of the Auditors other than the first shall be fixed by the Company in General Meeting, and this remuneration may from time to time be varied by a General Meeting.

137. Retiring Auditors shall be eligible for re-election.

138. If any vacancy that may occur in the office of Auditor, is not supplied at the Ordinary General Meeting, or if any casual vacancy shall occur in the office of Auditor, the Directors shall fill up the vacancy by the appointment of a person or persons who shall hold office until the next Ordinary General Meeting after his or their appointment.

139. Every Auditor shall be supplied with a copy of the balance sheet intended to be laid before the next Ordinary General Meeting, after his appointment, and it shall be his duty to examine the same with the accounts and vouchers relating thereto, and to report thereon to the meeting, generally or specially, as he may think fit.

140. The Auditor or Auditors for the time being shall have a list delivered to him or them of all books kept by the Company, and he or they shall at all reasonable hours in the daytime have access to all accounts, books, and documents whatsoever of the Company for the purpose of audit.

DIVIDENDS, BONUS, AND RESERVE FUND.

141. Where any asset is bought by the Company as from a past date (whether such date be before or after the incorporation of the Company) upon the terms that the Company shall as from that date take the profits and bear the losses thereof, such profits or losses, as the case may be, shall, at the discretion of the Directors, be credited or debited wholly or in part to revenue account, and in that case the amount so credited or debited shall, for the purpose of ascertaining the fund available for dividend, be treated as a profit or loss arising from the business of the Company.

142. The Directors may, with the sanction of the Company in General Meeting, from time to time, declare a dividend to be paid, and (or) pay a bonus to the Shareholders in proportion to the amount paid on their shares, but no dividend or bonus shall be payable except out of nett profits, and no larger dividend or bonus shall be paid than is recommended by the Directors.

143. The Directors may, if they think fit, determine on and declare interim dividends to be paid, or pay a bonus to the Shareholders, provided the Directors are satisfied that the nett profits of the Company will be sufficient to justify such interim dividend or bonus, and that notwithstanding that the accounts for the previous six months have not been made up.

144. The Directors may, before recommending any dividend or bonus, set aside out of the profits of the Company such a sum as they think proper as a reserve fund and may invest the same in such securities as they may select, or place the same on fixed deposit in any bank or banks, and may from time to time deal with and vary such investment and apply such reserve fund or such portion thereof as they think fit, to meet contingencies or for special dividends or for equalizing dividends, or for working the business of the Company, or for repairing, maintaining, or extending the buildings and premises of the Company, or for the repair or renewal or extension of the property or plant of the Company or any part thereof, or for any other purposes connected with the interest of the Company that they may from time to time deem expedient without being bound to keep the same separate from the other assets.

145. Any General Meeting may direct payment of any dividend or bonus declared at such meeting or of any interim dividends or bonuses which may subsequently be declared by the Directors, wholly or in part, by means of drafts or cheques on London, or by the distribution of specific assets, and in particular of paid-up shares, debentures, or debenture stock of the Company, or of any other company or in any other form of specie, or in any one or more of such ways and the Directors shall give effect to such direction, and when any difficulty arises in regard to the distribution they may settle the same as they think expedient, and in particular may issue fractional certificates and may fix the value for distribution of such specific assets, or any part thereof, and may determine that cash payments shall be made to any Shareholder upon the footing of the value so fixed in order to adjust the rights of all parties and may vest any such specific assets in trustees upon such trusts for the persons entitled to the dividend or bonus as may seem expedient to the Directors.

146. The Directors may, with the sanction of the Company in General Meeting, from time to time, apply such portion of the reserve fund or any other fund representing undivided profits of the Company as the General Meeting sanctioning such application may direct in or towards payment of a bonus in accordance with their rights to the Shareholders or to members of any class of Shareholders, and may with the like sanction satisfy such bonus or any part thereof by the issue and allotment in accordance with their rights to the Shareholders or to the members of any class of Shareholders, of shares in the Company to be issued and allotted in accordance with their rights to the Shareholders, or the members of any class of Shareholders, in such proportions and upon such terms in all respects as the General Meeting sanctioning the same may direct.

147. No unpaid dividend or bonus shall ever bear interest against the Company.

148. No Shareholder shall be entitled to receive payment of any dividend or bonus in respect of his share or shares whilst any moneys may be due or owing from him (whether alone or jointly with any other person) to the Company in respect of such share or shares, or otherwise howsoever.

149. The Directors may deduct from the dividend or bonus payable to any Shareholder all such sums of money as may be due from him (whether alone or jointly with any other persons) to the Company, and notwithstanding the fact that such sums or any of them are not payable until after the date when such dividend or bonus is payable.

150. Notice of any dividend that has been declared, or of any bonus to be paid, shall be given to each Shareholder entitled thereto, and any dividend or bonus unclaimed by any Shareholder for three years after notice thereof is given may be forfeited by the Directors for the benefit of the Company, and, if the Directors think fit, may be applied in augmentation of the reserve fund.

151. Every dividend or bonus payable in respect of any share held by a firm may be paid to, and an effectual receipt given by, any partner of such firm or agent duly authorized to sign the name of the firm.

152. Every dividend or bonus payable in respect of any share held by several persons jointly, other than a firm, may be paid to, and an effectual receipt given by, any one of such persons.

NOTICES.

153. Notices from the Company may be authenticated by the signature (printed or written) of the Agent or Secretary, Agents or Secretaries, or persons appointed by the Board to authenticate the same; except in the case of a meeting convened by requisitionists on any Shareholder in accordance with these articles in which case the notice may be signed by the requisitionists or any other Shareholder convening the same.

154. Every Shareholder shall give an address in Ceylon which shall be deemed to be his place of abode, and shall be registered as such in the books of Company.

155. A notice may be served by the Company upon any Shareholder, either personally or by being sent through the post in a prepaid letter addressed to such Shareholder at his registered address or place of abode, and any notice so served shall be deemed to be well served notwithstanding that the Shareholder to whom such notice is addressed be dead, unless his executors or administrators shall have given to the Directors, or to the Agent or Secretary, or Agents or Secretaries of the Company, their own or some other address in Ceylon to which notice may be sent.

156. All notices directed to be given to Shareholders shall, with respect to any share to which persons are jointly entitled, other than a firm, be given to whichever of such persons is named first in the Register of Shareholders, and notice so given shall be sufficient to all the holders of such shares.

157. Any notice, if served by post shall be deemed to have been served on the date of posting and in proving such service it shall be sufficient to prove that the letter containing the notice was properly addressed and put into a post office or post box, and the entry in the Company's books of the leaving or sending by post of any notice at or to such address shall be sufficient evidence thereof, and no further evidence shall be necessary.

158. Any Shareholder who fails to give and register an address in Ceylon as provided in Article No. 154 shall not be entitled to be given any notices.

All notices required to be given by advertisement shall be published in the *Ceylon Government Gazette*.

EVIDENCE

159. On the trial or hearing of any action or suit brought or instituted by the Company against any Shareholder or his representatives to recover any debt or money claimed to be due to the Company, in respect of his shares, it shall be sufficient to prove that the name of the defendant is or was, when the claim arose, on the Register of Shareholders of the Company as a holder of the number of shares in respect of which such claim is made, and that the amount claimed is not entered as paid in the books of the Company; and it shall not be necessary to prove the registration of the Company, nor the appointment of the Directors who made any call, nor that a quorum of Directors was present at the the Board at which any call was made, nor that the meeting at which any call was made was duly convened or constituted, nor any other matter whatsoever, but the proof aforesaid shall be conclusive evidence of the debt.

PROVISIONS RELATIVE TO WINDING UP OR DISSOLUTION OF THE COMPANY.

161. If the Company shall be wound up, whether voluntarily or otherwise, the liquidator or liquidators may, with the sanction of a special resolution of the Company, divide among the contributories in specie any part of the assets of the Company, and may with the like sanction vest any part of the assets of the Company in trustees upon such trusts for the benefit of the contributories as the liquidator or liquidators with the like sanction shall think fit, and if thought expedient any such division may be otherwise than in accordance with the legal rights of the members of the Company and in particular any class may be given preferential or special rights or may be excluded altogether or in part and the liquidator or liquidators shall be entitled to sell all or any of the assets of the Company in consideration of or in exchange for shares, ordinary, fully paid, part paid, or preference, in the purchasing company, but in case any division otherwise than in accordance with the legal rights of the contributories shall be determined on or any sale made of any or all of the assets of the Company in exchange for shares in the purchasing company either ordinary, fully paid, or part paid or preference, any contributory who would be prejudiced thereby, shall have a right to dissent as if such determination were a special resolution passed pursuant to the section 192 of the Companies (Consolidation) Act of 1908 in England, but for the purposes of an arbitration as in the sub-section (6) of the said section provided the provisions of the Ceylon Arbitration Ordinance, 1866, and of the Ceylon Ordinance No. 2 of 1889, shall apply in place of the English and Scotch Acts referred to in the said sub-section (6) of section 192 of the aforesaid Companies (Consolidation) Act, and the said section 192, save as herein excepted, shall be deemed to be part and parcel of these present Articles.

THE following Specifications have been accepted :—

No. 2,374 of February 28, 1929 (Date applied for under Section 48 of the Ordinance, January 26, 1927).

Diffusing apparatus for spreading, on roadways, aqueous or plastic materials.

Abstract.—A casing attached to a vehicle is divided into two chambers; a vertical shaft extending into both chambers is driven by toothed wheels in the upper chamber from a shaft which in turn is driven from the wheel of the vehicle. The lower chamber has an inlet duct for the material to be spread and an outlet with diverging walls, the material being spread by the centrifugal force of the rotating member.

The claims are :—

1. Apparatus for spreading or distributing materials for the maintenance of roadways, comprising a duct to which the material to be distributed is delivered, said duct having walls diverging towards the outlet thereof, a shaft located in the duct and adapted to be rotated relatively thereto, to which is secured a distributing member located within the portion of the duct having divergent walls adapted by its rotation to spread or distribute the material under centrifugal action.
2. Apparatus for spreading or distributing materials for the maintenance of roadways, as claimed in claim 1, comprising a body or casing divided into two chambers, one of which contains a speed-increasing means associated with a vertical shaft extending into the second chamber to which the material to be spread is supplied and having secured to it a member adapted by its rotation to distribute the said material.
3. Apparatus for spreading or distributing materials for the maintenance of roadways, as claimed in claim 1, or 2, in association with a vertical adapted to contain the material to be sprayed, characterized in this that a transverse driving shaft connected with the distributing means is provided and that on the ends of the said shaft sprockets are mounted connected by chains to sprockets associated with rollers mounted on arms adapted through the intermediary of means within reach of the driver of the vehicle to be moved in order to bring the rollers into and out of contact with the road wheels of the vehicle.
4. Apparatus for spreading or distributing materials for the maintenance of roadways, substantially as hereinbefore describe and as illustrated in and by the accompanying drawings.

A new and improved method for the suspension of unsmoked sheets or strips or pieces of rubber during the process of smoking them.

Abstract.—One edge of a sheet of rubber has a wooden strip clipped on either side of it so that the sheet can be suspended vertically.

The claims are:—

1. A new and improved method of suspending rubber or other article to be smoked characterized in that the article to be smoked is suspended in a vertical position in a single fall, throughout its entire length. The suspension is effected either, by the article being held along one edge or side or end, between two slips of wood or other material, which are held in position by means of any suitable holder, fastener, clip, screw, bolt, or by other suitable or effective device article or contrivance; or by the article being suspended in the manner characterizing this invention, by any other device or means whatsoever or howsoever.

2. A clip or suspender of the type described and illustrated above, characterized in that the sheet or strip or piece or article of rubber to be smoked is suspended in a vertical position in a single fall, throughout its entire length, by being held along one side or edge or end of it between two slips (made of wood or other material) of suitable length, breadth and thickness. The material is thus held in vertical suspension, between the two slips, by two holders or fasteners, one fixed towards each end of the slip, and consisting, each, of a strip of brass or other material fastened to one of the two slips of the slip and folded over the other slip of the clip so as to grip the two slips of the clip together, and capable of moving in circular rotation with the screw, nail or other device which holds the metal fastener to the slip of the clip to which it is attached acting as a centre-pin or pivot, upon which the fastener or holder can revolve through a sufficient angle as to, either, release the other slip of the clip and permit of the material being removed from the clip, either at the conclusion of the process of smoking, or at any other time, as and when desired; or, so as to permit of the holder or fastener being slipped over the other slip of the clip, with the material sandwiched in between, and thus hold the material in position during the process of smoking.

Improvements in or relating to television or like systems and apparatus.

Abstract.—To maintain synchronism between transmitter and receiver in television apparatus, a distinctive signal is transmitted and when the receiver is out of phase this signal operates a correcting device on the speed.

The distinctive signal is obtained by the contrast of the picture signal with one which is weak compared therewith.

As an example, if the receiver is adjusted to run a little faster than the transmitter, the transmitter may have a wheel with slots attached to it, with a lamp on one side and a photosensitive cell on the other; a series of signals through this cell are obtained in synchronism with the transmitter. A commutator on the receiver may be arranged so that the signals cause a current to flow just at the moment the commutator makes contact, if the machines are in synchronism. This current may operate a relay which can be adapted to control the speed of the driving mechanism.

The claims are:—

1. In a television system or the like, the method of maintaining synchronism between a transmitter and a receiver which consists in transmitting a distinctive signal, receiving it on the circuit of the receiver, coupling the receiver circuit by a synchronizing switch to a correcting device in such manner that when the receiver is out of phase the signal operates the correcting device but when the receiver is in phase the signal is not applied to the correcting device.

Improved method for the extraction of tea aroma.

Abstract.—The comminuted leaves are extracted at room temperature in for example a Soxhlet extractor with a solvent such as petroleum ether or chloroform. The extract, after removal of the solvent is treated with 80 per cent. alcohol, filtered and the solvent removed from the filtrate. The residue is next treated with petroleum ether and the residue from this solution is the tea aroma body.

The claims are:—

1. A process for extracting the tea aroma from the tea plant, mate or tea surrogates, characterized in that the tea aroma is durably combined in a high concentration to a paste like body (tea aroma body).

2. Method of carrying out the process according to claim 1, characterized in that the aroma substances are extracted from the constituents of the tea plants by a solvent (petroleum ether, pentane, chloroform, sulphuric ether, fat, oil, wax, paraffins and the like), so that a dark green aroma paste is produced whereupon chlorophyll and fat and wax like constituents and caffeine are removed therefrom.

3. Method of carrying out the process according to claim 1 and 2, characterized in that the dark green aroma paste is dissolved in 70 to 80 per cent. alcohol, whereby a portion of the chlorophyll and the fat and wax like constituents remain undissolved, the alcohol being driven from the alcoholic aroma solution, whereupon there remains a light paste still containing chlorophyll from which the pure aroma body is extracted for example by petroleum ether, so that after distilling off the petroleum ether there remains the pure tea aroma body as a yellow green to gold yellow paste.

4. Method of carrying out the process according to claim 1 and 2, characterized in that the tannic acid is extracted from the residues of the tea plant remaining after the extraction of the aroma, in that the residue is digested with water and then the decantation after neutralization of the tannic acid by a base is evaporated to dryness in vacuo (tannic acid extract).

5. Process for the production of edible substances having the odour and taste of tea, characterized in that the tea aroma body according to claims 1, 2 and 3 and the tannic acid extract according to claim 4 and caffeine are mixed in suitable quantities.

6. Process for the production of edible substances having the odour and taste of tea, characterized in that with the pure tea aroma body, for example dissolved in petroleum ether, there is mixed a suitable resin, which is as tasteless as possible and also the tannic acid extract and caffeine whereupon the solvent (petroleum ether) is driven off.

7. Process for the production of edible substances having the odour and taste of tea according to claims 1 to 5, characterized in that the tea aroma is deposited on the surface of the particles of the tannic acid extract and are there in stable combination by adhesion so that such particles of tannic acid extract provided with the tea aroma can be mixed with usual edible substances (sweets, chewing gum, tablets, sugar, milk and the like) as aroma carriers for the tea paste.

8. A process for the extraction of the tea aroma from the tea plant, mate or tea surrogates, substantially as described.
