DRAFT ORDINANCE.

M 24/27

MINUTE.

The following Draft of a proposed Ordinance is published for general information :—

No. 26 of 1927.

An Ordinance to amend the Medical Ordinance, 1927.

BE it enacted by the Governor of Ceylon, by and with the advice and consent of the Legislative Council thereof, as follows :—

Short title.

1 This Ordinance may be cited as the Medical Amendment Ordinance, 1929.

Amendment of section 8 of the principal Ordinance.

2 Section 8 of the principal Ordinance is hereby amended by the substitution of the word "regulations" for the word "rules" in the fourth line thereof.

Amendment of section 10 of the principal Ordinance.

3 Section 10 of the principal Ordinance is hereby amended by the addition of the following paragraph at the end of sub-section (1) thereof :—

(k) A medical practitioner, nominated as aforesaid, who is neither a lecturer in the University College or the Ceylon Medical College, nor an officer in the service of the Government.

Amendment of section 12 of the principal Ordinance.

4 Section 12 of the principal Ordinance is hereby amended by the substitution of the word "regulations" for the word "rules" in the first line thereof.

Amendment of section 38 of the principal Ordinance.

5 Section 38 of the principal Ordinance is hereby amended by the addition of the words "in the course of his practice" at the end thereof.

Amendment of section 57 (1) (b) of the principal Ordinance.

6 Section 57 (1) (b) of the principal Ordinance is hereby amended by the deletion of the words "for gain" in the first line thereof.

Amendment of section 59 of the principal Ordinance.

7 Section 59 of the principal Ordinance is hereby amended by the deletion of the words "assistant, or associate," in the fourth and fifth lines thereof.

Insertion of new section 61A in the principal Ordinance.

8 The following section is hereby inserted in the principal Ordinance immediately after section 61 thereof :—

Restriction on practice by unqualified persons.

61 A No person, not being a pharmacist, shall practise for gain or profess to practise or publish his name as practising pharmacy.

By His Excellency's command.

Colonial Secretary's Office,
Colombo, September 24, 1929.F. G. TYRRELL,
Acting Colonial Secretary.*Objects and Reasons.*

CLAUSES 2 and 4 of this Bill correct an inaccuracy in sections 8 and 12 of the Medical Ordinance, 1927, where the word "rules" has been used instead of the word "regulations". There is no power to make rules in the Ordinance, but section 16 and other sections confer a power to make regulations only.

2. Clause 3 gives effect to a suggestion made by certain members of the Select Committee on the Medical Ordinance, 1927, viz., that the Council of the Ceylon Medical College should include one medical practitioner who is not a lecturer, nor in the service of the Government, in order to associate a private medical practitioner with the work of the Council.

3. Clause 5 adds certain words to section 38 of the principal Ordinance which will entitle a medical practitioner to recover charges for medicines and surgical appliances supplied by him in the course of his practice only. This amendment brings the section into line with sections 42 and 43 which relate to the practice of medicine and recovery of charges by vedaralas, Government apothecaries, and estate dispensers. It is considered that medical practitioners should not practise pharmacy for gain except in the course of their practice as medical practitioners.

4. Clause 6 amends section 57 (1) (b) of the Ordinance which now implies that a woman who is not a midwife or a medical practitioner may attend a woman in child-birth *for gain*, if she does so under the direction of a medical practitioner or in case of emergency. This provision would permit an easy means of defeating the general prohibition contained in the section against the practice of midwifery *for gain* by unqualified persons, and the words "for gain" have therefore been deleted.

5. Clause 7 effects a small amendment in section 59 of the Ordinance, the words "assistant, or associate" being deleted. It appears that this class of person is not now registered under the Pharmacy Acts and there is no object in referring to it.

6. Clause 8 deals with section 61 of the Ordinance. This section at present makes unlawful the assumption or use of a title, &c., implying qualifications in pharmacy, but does not penalize the person who actually practises pharmacy for gain without being a pharmacist, so long as he does not assume or use the title, &c. A new section 61A has therefore been added definitely prohibiting such practice by persons who are not pharmacists.

- (b) such poison is kept in one or other of the following ways, namely :—
 - (i) in a bottle or vessel tied over, capped, locked, or otherwise secured in a manner different from that in which bottles or vessels containing other articles are secured in the same warehouse, shop, or dispensary ; or
 - (ii) in a bottle or vessel rendered distinguishable by touch from the bottles or vessels in which other articles are kept in the same warehouse, shop, or dispensary ; or
 - (iii) in a bottle, vessel, box, or package in a room or cupboard set apart for the storage of poisons.

22 (1) No person shall sell any arsenic which is not before the sale mixed with soot or indigo in the proportion of not less than one ounce of soot or half an ounce of indigo to one pound of the arsenic, and so in proportion for any greater or less quantity.

23 Regulations may be made restricting and regulating the possession and transport of poisons by persons being wholesale druggists or holding the licence of a local authority issued under this chapter, and prescribing the quantities of poisons which may be kept by any such persons and the descriptions of poisons which may be kept and sold, and the precautions to be taken, by persons holding such licence.

24 (1) Any medical practitioner serving in the Department of the Medical and Sanitary Services, or any Collector of Customs, or any Superintendent or Assistant Superintendent of Police, or any person authorized in writing by any such medical practitioner, collector, superintendent, or assistant superintendent, may purchase a sample of any drug or poison for analysis by an authorized analyst.

(2) The person purchasing the sample shall forthwith notify to the seller, or his agent selling the article, his intention to have the same analyzed by an authorized analyst, and shall divide the article into two parts to be then and there separated and cause each part to be marked and sealed or fastened up in such manner as its nature will permit, and shall deliver one of such parts to the seller or his agent, and the other, if he deems it right to have the article analyzed, to an authorized analyst. The seller of any such article so sold may affix his own private seal to the sample so obtained in such a manner as not to interfere with the seal affixed by the authorized person.

(3) If two or more articles, purporting to be of the same nature, size, or weight, and quality, are purchased for analysis,—

(a) the purchaser, instead of dividing each article into two parts, may, if he thinks fit, cause, as near as may be, half the number of such articles to be separated, fastened up, marked, sealed, and delivered to the seller or his agent and cause, as near as may be, half the number of such articles to be separated, fastened up, marked, sealed, and delivered to an authorized analyst for analysis ;

(b) the authorized analyst, if any such article singly is too small to be conveniently analyzed as a separate sample, may mix together two or more of such articles and analyze them as a single sample.

(4) No pharmacist keeping open shop for the sale or dispensing of drugs shall refuse to sell for analysis under the foregoing provisions of this section any drug or poison exposed or kept for sale or apparently intended for use in dispensing medicines.

(5) In any proceedings under this Ordinance, the production of a certificate signed by an authorized analyst with regard to any sample procured for analysis under this section shall be *prima facie* evidence of the facts therein stated, and no proof need be given of the signature or appointment of the person signing the certificate.

(6) In this section "authorized analyst" means the Government Analyst, an Assistant Government Analyst, and any other person authorized by the Governor by notice in the Gazette to act as such.

Prohibits import, possession, &c., of resin, bhang, hashish, and ganja.

29 Nothing in this chapter shall affect the lawful import, export, supply, manufacture, use, or possession of galenical preparations (extract and tincture) of the hemp plant under Chapter V, or of hemp rope or cordage, or of hemp fibre suitable for manufacture into rope or cordage.
