#### *Objects and Reasons.*

THE object of the Bill is to authorize the raising of loans.

2. Clause 2 (a) authorizes a loan or loans not exceeding thirty-eight million eight hundred and forty thousand rupees for purposes specified in the Schedule. Clause 8 provides for repayment to the general revenue of the Colony of sums already expended from revenue on these purposes. The sum to be refunded in respect of expenditure prior to October 1, 1929, is limited to a maximum of twenty-five million rupees, and there is provision for the refund of expenditure actually incurred between that date and the date when the loan funds become available.

3. All the objects of expenditure indicated in the Schedule have been approved by the Legislative Council in connection with the Annual Estimates of the Colony.

4. Clause 2 (b) provides for the raising of a loan or loans not exceeding forty-two million rupees, in addition to the sum authorized by clause 2 (a), but this further sum can only be raised with the prior consent of the Secretary of State and the Legislative Council. The objects for which this additional sum is provided include the completion of the Hydro-Electric Scheme, development of the Government's Electrical Undertakings, the construction of the Tangalla Railway Extension, and other works of development not yet sanctioned.

5. The Bill provides for the transfer of funds from one purpose to another, subject to the approval of the Secretary of State and the Legislative Council.

6. It is provided in clause 4 that the loan may be raised either in accordance with existing laws regulating the issue of loans in the form of stock or debentures issued in Ceylon or in England or by any other method approved by the Secretary of State and the Legislative Council. This last provision has been included to meet the possibility that it may be found desirable to issue part of the loan in the form of Bonds or Promissory Notes of a short currency.

7. Provision is also made for anticipating the issue of the whole or a part of the loan by the issue of Colonial Treasury Bills either in Ceylon or in England.
