7. Each tender must be accompanied by a letter signed by two responsible persons, whose addresses must be given, engaging to become security for the due fulfilment of the contract.

8. Sufficient sureties will be required to join in a bond for the due fulfilment of the contract. The amount of the bond and all other information can be ascertained on application to the office referred to in section 5. A further security in cash of not less than 5 per cent., or more than 10 per cent., at the discretion of the Conservator of Forests, of the value of the contract will or may be required of the contractor when entering into the bond.

9. Separate rates for posts, poles (vallais), and poles (pachchus) must be quoted both in words and figures.

10. No tender will be considered unless in respect of it all the conditions above laid down have been strictly fulfilled.

11. The Government reserves to itself the right, without question, of rejecting any or all the tenders, and of accepting any portion of a tender, not necessarily the lowest tender.

12. The contractor's obligations and rights under this contract shall not be assigned or otherwise transferred or sublet without the consent and authority of the Conservator of Forests previously obtained in writing.

13. No contract shall be entered into with any person whose name is on the list of Crown defaulting contractors, either individually or jointly with any other person, nor shall the contractor employ any person whose name is on the list of Crown defaulting contractors, or any other person to whom the Conservator of Forests, for reasons which appear to him sufficient, objects after giving due notice of his objection in writing.

14. Tenderers before tendering should inspect the area of operation as shown in the schedule.

15. For further information and for inspection of the draft contracts, application should be made to the divisional Forest Officer, Northern Division, Jaffna.

16. Tenderers, who have not previously held Government contracts, when applying for tender forms, should furnish the officer issuing the forms with a written statement giving their full names and permanent addresses, stating in which district or districts they own landed property or other interests. The extent of landed property, and the nature and extent of other interests should also be given.

In the case of persons who have carried out contracts with the Forest Department, but not in the division or district concerned in the notice calling for tenders, they should state in which division or district or divisions or districts they held contracts.

In the case of persons who have carried out Government contracts with departments other than the Forest Department, the name of such department and the district in which the service was rendered should be stated.

SPECIAL CONDITIONS.

(a) Any tree pointed out by a Forest Officer as one to be felled for posts, &c., shall, without question, be felled, and any tree pointed out or marked by a Forest Officer as not to be felled shall not be felled or injured.

(b) Posts, &c., must be cut six inches from the ground with saw. Felling must proceed steadily and systematically in one direction straight across the area.

(c) The posts, poles (vallais), and poles (pachchus) so cut, are to be transported to Paranthan Railway Station, loaded into Railway trucks, unloaded at the Jaffna Depot and delivered neatly stacked as the Depot Keeper may direct. Distance of transport from the forest to the Paranthan Railway Station is about 4 miles by forest track and 6 miles by Public Works Department metal road.

(d) The work shall commence as soon as the contract is signed, and the minimum monthly delivery at the Jaffna Depot shall be 700 posts, 350 poles (vallais) and 1,750 poles (pachchus). Final delivery to be made on or before September 30, 1930, when any balance remaining out of the total quantity shall be delivered.

(e) For failure to deliver the monthly supply as specified, the contractor is liable to be fined at the rate of Rs. 10 for every 100 posts, poles (vallais), and poles (pachchus) delivered short.

(f) Rejected posts, poles (vallais), and poles (pachchus) will not be paid for and they will lapse to Government. The contractor shall have no claim in respect of any material sold as rejections.

(g) The contractor will be responsible for the safety of posts, &c., cut in the forest, stacked on Railway line and in transit until delivered to the Depot Keeper, Jaffna.

(h) The contractor may be required at times to increase supplies should the Depot requirements necessitate, and at times also to decrease supplies, but the average output shall be as described in the schedule.

(i) Arrangements with the Railway Department will be made by the Forest Department for the conveyance of posts, &c., to the Jaffna Depot. The running of Railway specials is in no way guaranteed, and no liability for delays, irregular service, or alteration in arrangement of the specials due to the Railway requirements, will be incurred either by the Railway or the Forest Department. But the contractor will be liable for any demurrage charges for rolling stock delayed in loading or unloading, and shall also pay cost of any damage to railway waggons. The contractor shall further be held liable if waggons are not properly loaded, and he shall pay the necessary compensation for such short-loading.

(j) Nothing in this contract shall preclude the Divisional Forest Officer from taking action in accordance with the provisions of the Forest Ordinance (No. 16 of 1907), against the contractor for felling or allowing his coolies to fell any tree within or outside his area of contract which should not be felled in accordance with the conditions of the said contract or without the necessary permit prescribed by the said Ordinance.

(k) Payments may be made by the Divisional Forest Officer, Northern Division, Jaffna, on production of receipts from the Depot Keeper, Jaffna, showing the number of posts, poles (vallais), and poles (pachchus) accepted by him.

Sale of Timber.

WRITTEN offers are invited for the purchase of timber, firewood, &c., described in the annexed schedule.

2. Offer should be made subject to the following conditions by letter, preferably under sealed and registered cover, addressed to the Divisional Forest Officers concerned and posted or handed over personally not later than midday on Thursday, March 13, 1930, the envelope being marked on the left hand top corner "Offer for Purchase of Timber, &c.," and signed by tenderer.

3. Lump sums offers should be made for each item in the schedule and be written both in words and figures. Offers may be made for more than one item in the same letter, but should be quoted for each item separately.

4. In the case of offers which in the aggregate exceed Rs. 20, tenderers may remit Rs. 5 either with their offers or within two days of their offers to the Divisional Forest Officer of the Division concerned. This sum will be returned if their offers are rejected. The purchaser will be given credit for the amount in the final payment for the timber. Where the *bona fides* of any tenderer are in the opinion of the Divisional Forest Officer or the Conservator of Forests doubtful, his tender may not be entertained unless the required money deposit is made, if and when demanded by the Divisional Forest Officer.

5. The species, measurements, cubic contents, &c., of the material appearing in the schedule are to be regarded as only approximate, and intending tenderers are presumed to have inspected the timber before they make their offers and they should bring to the notice of the Divisional Forest Officer any serious discrepancies which they may notice. They should also satisfy themselves by personal inspection as to the condition of the timber they offer for.

6. Any tenderer whose offer is accepted shall, within three days of notification of acceptance of his offer, pay the full purchase amount in the case of offers aggregating to Rs. 20 and as follows in the case of offers exceeding Rs. 25 in the aggregate :—

Over Rs. 20 up to Rs. 100, 50 per cent. ; and over Rs. 100, 25 per cent. ; the balance being paid within a fortnight of the previous payment. In the event of failure to complete the purchase, all amounts previously paid shall be forfeited and the timber, &c., revert to the Crown, and be liable for resale at the risk of the original purchaser.

Should any successful tenderer decline or fail to pay any sum or sums as above stipulated for, he shall further be pecuniarily liable for any resultant loss to Government.

The Conservator of Forests reserves however the discretionary power to enforce, modify, or waive any of the provisions in this clause to such extent as he may consider the circumstances justify.

7. The Conservator of Forests reserves to himself the right, without question, of rejecting any or all offers and of accepting any offer.

8. All material shall be removed by purchaser within one month of completion of purchase when a permit for removal will be issued. Extension of time will not be granted except under exceptional circumstances.

9. All material purchased shall be at the risk of the purchaser until its removal by him on a permit.

10. The buyer, his agent, or his representative shall be liable for punishment under the Forest Ordinance for commission of any Forest Offence in the course of completing the transaction.

11. Any purchaser violating the conditions of purchase shall be liable to a fine not exceeding 25 per cent. of purchase amount, and to be included in the list of persons to whom no permits will be issued.
