The Local Option Rules, 1928 (Excise Notification No. 146 published in *Gazette* No. 7,478 of August 14, 1925, as amended by Excise Notification No. 180 published in *Gazette* No. 7,661 of August 31, 1928), are further amended as follows:—

18. *The hours of polling shall be, in all areas from 8 a.m. to 12 noon and from 1 p.m. to 6 p.m. But the Government Agent or presiding officer shall have power to postpone the poll if, in his opinion, the inclemency of the weather justifies such postponement.*

Provided that in any particular case the Governor in Council may otherwise determine, and provided also that after 75 per cent. of the number of persons in the final list have voted, the Government Agent or presiding officer may, with the consent of the agents present, which consent shall be recorded in writing and signed by such agents, declare the poll closed at any earlier hour.

2. The following is inserted as new Rule 18A:—

18A. *At noon, the presiding officer shall so seal the ballot box as to make it impossible to introduce a ballot paper into the box without breaking the seal. The agents of the parties shall be allowed, if they so desire, to attach their seal in addition to that of the presiding officer.*

The voter on receiving his ballot paper shall proceed to the booth and there register his vote by marking, or deciding not to mark, his paper, as the case may be; and then proceed to place the folded ballot paper in the ballot box in the presence of the presiding officer or an officer appointed by the Government Agent to assist him. The presiding officer or such other officer as aforesaid, on the application of any voter who states that he is unable to read, shall explain the method of voting to the voter and shall then direct him to the polling booth to mark his own paper. J. D. SARGENT,
Conservator of Forests.

Office of the Conservator of Forests,
Kandy, February 20, 1930.

WRITTEN offers are invited for the purchase of all timber and firewood, standing or fallen, within the boundaries of the demarcated coupes described in the annexed schedule.

2. Offers should be made by letter, under sealed and registered cover, addressed to the Divisional Forest Officer, North-Western Division, Kurunegala, and posted to reach the Office of the Divisional Forest Officer, Kurunegala, not later than midday on March 31, 1930, the envelope being marked on the left hand top corner "Offer for the Purchase of Timber and Firewood, North-Western Division," and signed by the tenderer. Alterations must be initialled, otherwise the offers may be treated as informal and rejected.

3. A deposit of Rs. 20 for each of the coupes is required and should be forwarded with the offer by a money order in favour of the Divisional Forest Officer, Kurunegala.

4. The tenderers should satisfy themselves by inspection before tendering as to the acreage and contents of the demarcated coupes referred to in the annexed schedule, as the figures given therein are estimated only and their correctness is in no way guaranteed. The boundaries of each coupe will be pointed out by the local Forest Ranger.

5. The successful tenderer will be required to execute a purchase agreement in respect of each coupe. A copy of this agreement can be seen at the Office of the Divisional Forest Officer, Kurunegala.

6. Before execution of the agreement the purchaser will be required to pay the full purchase amount.

7. After payment of the purchase price, deposit of the security, and execution of the agreement, the purchaser will be entitled on application to refund of his tender deposit. Should the successful tenderer fail to carry out the requirements of clauses 5 and 6 of this notice, within 14 days of receiving notice in writing from the Divisional Forest Officer, that his tender has been accepted, the Rs. 20 deposited for each coupe will be forfeited to the Crown. The successful tenderer will be entitled to a refund of the amount deposited by him on application to the Divisional Forest Officer concerned.

8. Tenderers should make offers, written both in words and figures, for the timber and firewood contained in each of the coupes.

9. No tender will be considered unless the procedure laid down has strictly been complied with. The Conservator of Forests reserves to himself the right, without question, of rejecting any or all tenders, and of accepting any portion of a tender.

10. The special rules for felling, conversion, and removal which the agreement will require to be observed are specified in the special conditions advertised below. Nothing of these special conditions shall render the purchaser in any way exempt from liability under the Forest Ordinance of 1907, should he be responsible for the commission of Forest Offence outside the boundaries of his purchased coupe or coupes.

11. The security to be deposited is between Rs. 50 and Rs. 200 according to the discretion of the Divisional Forest Officer.

12. Should any offer be accepted and should the successful tenderer after due notification decline or fail to pay any sum or sums stipulated for and to enter into the necessary contract within the time allowed, or in reasonable time, he will be held pecuniarily liable for any resultant loss to Government. Offers are made and received on this distinct understanding. The Conservator of Forests reserves the discretionary power to waive the terms of this clause in any decree as he may consider the circumstances justify.

13. For any further information application should be made to the Divisional Forest Officer, Kurunegala.

Special Conditions.

On payment of the full purchase amount the purchaser will be entitled to fell and remove on or before February 15, 1931, in the manner specified below, all the firewood and timber contained in the purchased coupe or coupes. Any firewood or timber not removed by the expiry date shall *ipso facto* revert to the Crown.

(2) The purchaser shall agree to commence felling along the full length of the southern boundary of each coupe and to progress this felling line in the direction of the northern boundary, always keeping it parallel to the southern boundary along which felling commences.

(3) Should the purchaser fell or remove timber trees in excess of the quantity specified in special condition 2, nothing in the agreement shall exempt him from being liable for illicit felling and removal under the Forest Ordinance, No. 16 of 1907.

(4) The purchaser will be required to spread the branch-wood and other remnant material evenly over the ground covered by the coupes mentioned in Schedules A, B, C, D, E, J, K, P, and Q, respectively, and hand over the area weeded and cleaned in a state fit for planting to the satisfaction of the Divisional Forest Officer, North-Western Division, on or before February 28, 1931.

(5) The purchaser of the coupe or coupes must obtain removal permits or timber cart notes for all material to be removed from the coupe.

(6) The purchaser shall agree that for each and every infringement of the above conditions he shall become liable to a fine not exceeding Rs. 100, to be imposed by the Divisional Forest Officer in writing at his discretion, and to be recovered from the purchaser's security money.

(7) The purchaser shall agree that, in the event of security money having become exhausted, it shall be within the discretion of the Divisional Forest Officer either (a) to accept a further security deposit amounting to 10 per cent. of the full tendered purchase price, or (b) to cancel the agreement and to refund to the purchaser such balance of the paid purchase money, if any as remains after deducting the value of firewood removed by the purchaser on the date of such cancellation. For the purpose of this clause the value of each removed cubic yard of firewood shall be reckoned at full royalty rates.

(8) The purchaser shall have the right of appeal to the Conservator of Forests in the event of enforcement of any of the penalties specified in these conditions, and the purchaser shall agree to accept the Conservator's decision as final and binding.

(9) The purchaser shall be required to cut all material in the coupes by three distinct operations as follows:—

Operation 1.

All herbaceous and undergrowth other than tree growth and creepers shall be cut out. This operation shall commence along the full length of one boundary of each coupe and proceed in a straight line to the opposite boundary of that coupe. The whole area of each coupe must thus be covered, including those portions, if any, which contain no tree growth.

Operation 2.

All saplings and poles which are under 24 inches in girth shall be felled within 6 inches of the ground. This operation shall commence from and proceed to the same boundaries as in operation 1.

Operation 3.

All trees whether utilizable or otherwise and unless marked for retention as standards which are over 24 inches in girth shall be felled within 12 inches of the ground. This operation shall commence from and proceed to the same boundaries as in operation 1.

Should the successful tenderer decline or fail to carry out the requirements of clauses 9 and 10 of the notice within 14 days of receiving notice in writing from the Divisional Forest Officer, that his tender has been accepted, the Rs. 20 deposited will be forfeited to the Crown.

12. Tenderers should make offers written both in words and in figures for the standing trees and firewood in the area described.

13. No tender will be considered unless in respect of it the procedure and conditions laid down above have been strictly complied with. The Conservator of Forests reserves to himself the right, without question, of rejecting any or all tenders, and of accepting any portion of a tender.

14. The special conditions for felling, conversion, and removal which the agreement will provide for are specified below. Nothing in the special conditions shall render the purchaser in any way exempt from liability under the Forest Ordinance No. 16 of 1907, should he be responsible for the commission of a forest offence outside the boundaries of his purchase coupe.

SPECIAL CONDITIONS.

(1) On payment of the full purchase amount the purchaser will be entitled to fell and remove on or before May 31, 1931, in the manner specified below all standing trees and firewood contained in the purchase coupe. Any material not removed before the expiry date shall *ipso facto* revert to the Crown.

(2) If the purchaser desires to pay by instalments, payment of a first instalment of 40 per cent. of the full purchase amount tendered, shall entitle him to fell, and remove one-third of the yield in the coupe. Payment of 70 per cent. of the full purchase amount by means of a second instalment of 30 per cent. shall entitle the purchaser to fell and remove not more than two-thirds of the total yield.

(3) Should the purchaser fail to pay the second and final instalment when due, it shall be within the discretion of the Divisional Forest Officer to cancel the agreement as from the date of such default. Any unremoved material will revert to the Crown as from the date of such cancellation, and the purchaser will forfeit all claims thereto. Postponement of the instalment payments or extension of the felling dates will not be granted except in the most exceptional circumstances and subject to a penalty at the discretion of the Divisional Forest Officer.

(4) The purchaser shall either exercise such personal supervision as will ensure the conditions of this agreement being efficiently executed or employ an efficient supervisor.

(5) A general removal permit will be issued by the Rangé Forest Officer Hatton authorizing the purchaser to remove the material in one-third, two-thirds or in the whole coupe according to the purchase amount paid, in such daily quantities as will be specified in cart notes which must accompany each and every cart in transit.

(6) The Beat Forest Officer will measure up the wood which is ready for removal and issue the necessary cart notes.

(7) The purchaser shall have the right of appeal to the Conservator of Forests in the event of the enforcement of any of the penalties specified in the conditions, and the purchaser shall agree to accept the Conservator's decision as final and binding.

(8) Should any tender or offer be accepted, and should the successful tenderer after due notification decline or fail to pay any sum or sums stipulated for and to enter into the necessary contract within the time allowed, or in reasonable time, he will be held pecuniarily liable for any resultant loss to Government. Tenders and offers are made and received on this distinct understanding. The Conservator of Forests reserves the discretionary power to waive the terms of this clause in any degree as he may consider the circumstances justify.

CAPITAL.

4. The nominal capital of the Company is Five hundred thousand Rupees (Rs. 500,000) divided into Fifty Thousand shares of Ten Rupees (Rs. 10) each.

5. The Directors may, with the sanction of a special resolution of the Company in General Meeting, increase the capital of the Company by the creation of new shares of such amount per share and in the aggregate, and with such special, preferential, deferred, qualified or other rights, privileges, or conditions attached thereto as such resolution shall direct.

6. Except so far as otherwise provided by the conditions of issue or by these presents, any capital raised by the creation of new shares shall be considered part of the original capital and shall be subject to the same provisions in all respects with reference to the payments of allotment money, calls, and instalments, transfer, transmission, forfeiture, lien, surrender, and otherwise, as if it had formed part of the original capital.

7. The Directors may also with the sanction of a special resolution of the Company reduce the capital or subdivide or consolidate the shares of the Company.

SHARES.

8. The Company may issue the balance capital whenever the Directors shall think fit, and may make arrangements on the issue of shares for a difference between the holders of such shares in the amount of calls to be paid, and the time of payment of such calls.

9. If by the conditions of allotment of any share the whole or part of the amount thereof shall be payable by instalments, every such instalment shall, when due, be paid to the Company by the *Registered-Holder* of the shares.

10. The shares, except when otherwise provided, shall be allotted at the discretion of and by the Directors, who may from time to time issue any unissued shares, and may add to such shares such an amount of premium as they consider proper. Provided that such unissued shares, except when otherwise provided, shall first be offered by the Directors to the Shareholders in proportion to the existing shares held by them, and such offer shall be made by notice specifying the number of shares to which the Shareholder is entitled, and limiting a time within which the offer, if not accepted, will be deemed to be declined, and after the expiration of such time, or on the receipt of an intimation from the Shareholder to whom such notice is given that he declines to accept the shares offered, the same shall be disposed of in such manner as the Directors may determine, provided that the Directors may at their discretion allot such new shares or any portion of them to the vendor or vendors of any lands, premises, articles, or goods being acquired by the Company in payment of the whole or any part of the purchase price of the same, or as remuneration for work done or for services rendered to the Company, and that without offering the shares so allotted to the Shareholders.

11. In case of the increase of the capital of the Company by the creation of new shares, such new shares shall be issued upon such terms and conditions, and with such preferential, deferred, qualified, special, or other rights and privileges annexed thereto, as the General Meeting resolving on the creation thereof, or any other General Meeting of the Company, shall direct, and, if no direction be given, as the Directors shall determine, and in particular such shares may be issued with a preferential or qualified right to the dividends, and in the distribution of the assets of the Company, and with a special or without any right of voting.

Subject to any direction to the contrary that may be given by the meeting that sanctions the increase of capital, all new shares shall be offered to the Shareholders in proportion to the existing shares held by them, and such offer shall be made by notice specifying the number of shares to which the Shareholder is entitled, and limiting a time within which the offer, if not accepted, will be deemed to be declined, and after the expiration of such time, or on the receipt of an intimation from the Shareholder to whom such notice is given that he declines to accept the shares offered, the same shall

be disposed of in such manner as the Directors may determine. Provided that the Directors may, at their discretion, allot such new shares or any portion of them to the vendor or vendors of any lands, premises, articles, or goods being acquired by the Company in payment of the whole or any part of the purchase price of the same, and that without offering the shares so allotted to the Shareholders.

14. Shares may be registered in the names of two or more persons jointly.

15. Any one of the joint-holders of a share, other than a firm, may give effectual receipts for any dividends payable in respect of such share; but only one of such joint Shareholders shall be entitled to the right of voting and of giving proxies and exercising the other rights and powers conferred on a sole Shareholder, and if the joint-holders cannot arrange amongst themselves as to who shall vote or give proxies and exercise such other rights and powers conferred on a sole Shareholder, the Shareholder whose name stands first on the register of shares shall vote or give proxies and exercise those rights and powers; provided, however, that in the event of such first registered Shareholder being absent from the Island, the first registered Shareholder then resident in Ceylon shall vote or give proxies and exercise all such rights and powers as aforesaid.

16. In case of the death of any one or more of the joint-holders of any shares, the survivor or survivors shall be the only person or persons recognized by the Company as having any title to, or interest in, such shares.

17. The Company shall not be bound to recognize (even though having notice of) any contingent, future, partial, or equitable interest in the nature of a trust or otherwise in any share, or any other right in respect of any share, except an absolute right thereto in the person from time to time registered as the holder thereof, and except also the right of any person under clause 36 to become a Shareholder in respect of any share.

18. The joint-holders of a share shall be severally as well as jointly liable for the payment of all instalments and calls due in respect of such share.

19. Every Shareholder shall be entitled to a certificate or certificates under the common seal of the Company, specifying the share or shares held by him and the amount paid thereon.

20. If any certificate be worn out or defaced, then, upon production thereof to the Directors, they may order the same to be cancelled, and may issue a new certificate in lieu thereof; and if any certificate be lost or destroyed, then, upon proof thereof to the satisfaction of the Directors, and on such indemnity as the Directors deem adequate being given, a new certificate in lieu thereof may be given to the person entitled to such lost or destroyed certificate. A sum of fifty cents shall be payable for such new certificate.

21. The certificate of shares registered in the names of two or more persons not a firm shall be delivered to the person first-named on the register.

CALLS.

22. The Directors may from time to time make such calls as they think fit upon the Shareholders in respect of all moneys unpaid on their shares, and not by the conditions of allotment made payable at fixed times, provided that three months' notice at least shall be given to the Shareholders of the time and place appointed for payment of each call; and each Shareholder shall pay the amount of every call so made to the persons and at the time and place appointed by the Directors.

23. If any Shareholder fail to pay the amount of any call due by him on or before the day appointed for payment thereof, he shall be liable to pay interest on the same at the rate of nine per centum per annum from the day appointed for the payment thereof to the time of actual payment.

24. A call shall be deemed to have been made at the time when the resolution of the Directors authorizing such call was passed.

25. The Directors shall have power in their absolute discretion to give time to any one or more Shareholder or Shareholders, exclusive of the others, for payment of any call or part thereof on such terms as the Directors may determine. But no Shareholder shall be entitled to any such extension except as a matter of grace or favour.

26. The Directors may at their discretion receive from any of the Shareholders willing to advance the same, and upon such terms as they think fit, all or any part of the moneys uncalled upon their respective shares beyond the sums actually called up; and upon the moneys so paid in advance, or upon so much thereof as from time to time and at any time thereafter exceeds the amount of the calls then made upon, and due in respect of the shares in respect of which such advances have been made, the Board may pay or allow interest at such rate as the Shareholders paying such sums in advance, and the Directors may agree upon, not exceeding, however, eight per centum per annum.

TRANSFER OF SHARES.

27. Subject to the restrictions contained in these Articles, any Shareholder may transfer all or any of his shares by instrument in writing.

28. No transfer of shares shall be made to a minor or person of unsound mind.

29. The Company shall keep a book or books to be called "The Register of Transfers," in which shall be entered the particulars of every transfer or transmission of any share.

30. The Board may, at their own absolute and uncontrolled discretion, decline to register any transfer of shares by a Shareholder who is indebted to the Company, or upon whose shares the Company have a lien, or otherwise; or in case of shares not fully paid up, to any person not approved of by them, and in no case shall a Shareholder or proposed transferee be entitled to require the Directors to state the reason of their refusal to register, but their declinature shall be absolute.

31. Every instrument of transfer must be left at the office of the Company to be registered, accompanied by the certificate for the shares to be transferred and by such evidence as the Directors may reasonably require to prove the title of the transferor, and a fee of Two Rupees and Fifty cents or such other sum as the Directors shall from time to time determine, must be paid to the Company for the registration of every such transfer; upon payment thereof the Directors, subject to the powers vested in them by Article 30, shall register the transferee as a Shareholder and retain the instrument of transfer.

32. The Directors may, by such means as they shall deem expedient, authorize the registration of transferees as Shareholders without the necessity of any meeting of Directors for that purpose.

33. In no case shall the Directors be bound to inquire into the validity, legal effect, or genuineness of any instrument of transfer produced by a person claiming a transfer of any share in accordance with these Articles; and whether they abstain from so inquiring, or do so inquire and are misled, the transferor shall have no claim whatsoever upon the Company in respect of the share, except for the dividends previously declared in respect thereof, but only, if at all, upon the transferee.

34. The Register of Transfers may be closed at such times and for such periods as the Directors may from time to time determine, provided always that it shall not be closed for more than twenty-one days in any year.

TRANSMISSION OF SHARES.

35. The executors, or administrators, or the heirs of a deceased Shareholder (other than one of several joint Shareholders) shall be the only persons recognized by the Company, as having any title to the shares of such Shareholder.

36. Any guardian of any minor Shareholder, or any committee or manager of a lunatic Shareholder or any person becoming entitled to shares in consequence of the death, bankruptcy, or liquidation of any Shareholder, or in any other way than by transfer, shall, upon producing such evidence that he sustains the character in respect of which he proposes to act under this clause, or of his title, as the Directors think sufficient, be forthwith entitled, subject to the provisions herein contained, to be registered as a Shareholder in respect of such shares; or may, subject to the regulations as to transfers hereinbefore contained, transfer the same to some other person.

37. If any person who shall become entitled to be registered in respect of any share under clause 36, shall not, from any cause whatever, within twelve calendar months after the event on the happening of which his title shall accrue, be registered in respect of such share, or if in the case of the death of any Shareholder, no person shall, within twelve calendar months after such death, be registered as a Shareholder, in respect of the shares of such deceased Shareholder; the Company may sell such shares, either by public auction or private contract, and give a receipt for the purchase money; and the purchaser shall be entitled to be registered in respect of such shares, and shall not be bound to inquire whether the events, have happened which entitled the Company to sell the same, and the nett proceeds of such sale, after deducting all expenses and all moneys in respect of which the Company is entitled to a lien on the shares so sold, shall be paid to the person entitled thereto.

SURRENDER AND FORFEITURE OF SHARES.

38. The Directors may accept, in the name and for the benefit of the Company, and upon such terms and conditions as may be agreed, a surrender of the shares of Shareholders who may be desirous of retiring from the Company provided such acceptance is properly legalized.

39. If any Shareholder fails to pay any call or instalment on or before the day appointed for the payment of the same, the Directors may at any time thereafter, during such time as the call or instalment remains unpaid, serve a notice on such Shareholder requiring him to pay the same together with any interest that may have accrued, and all expenses that may have been incurred by the Company by reason of such non-payment.

The notice shall name a day (not being less than one month from the date of the notice) on, and a place or places at, which such call or instalment and such interest and expenses as aforesaid are to be paid. The notice shall also state that in the event of non-payment at or before the time and at the place appointed, the shares in respect of which the call was made or instalment is payable will be liable to be forfeited.

If the requisition of such notice as aforesaid be not complied with, every or any share or shares in respect of which such notice has been given may at any time thereafter, before payment of calls or instalments, with interest and expenses due in respect thereof, be declared forfeited by a resolution of the Board to that effect.

40. Any Shareholder whose shares have been so declared forfeited, shall notwithstanding be liable to pay and shall forthwith pay to the Company all calls, instalments, premia, interest, and expenses owing upon or in respect of such shares at the time of the forfeiture, together with interest thereon from the time of forfeiture until payment at nine per centum per annum, and the Directors may enforce the payment thereof if they think fit.

41. Every share surrendered or so declared forfeited shall be deemed to be the property of the Company, and may be sold, re-allotted, or otherwise disposed of upon such terms and in such manner as the Board shall think fit.

42. The surrender or forfeiture of a share shall involve the extinction of all interest in, and also of all claims and demands against, the Company in respect of the share and the proceeds thereof, and all other rights incident to the share, except only such of those rights (if any) as by these presents are expressly saved.

43. A certificate in writing under the hands of one of the Directors and of the Secretary or Secretaries that a share has been duly surrendered or forfeited, stating the time when it was surrendered or forfeited, shall be conclusive evidence of the facts therein stated as against all persons who would have been entitled to the share, but for such surrender or forfeiture, and such certificate and the receipt of the Company for the price of such share shall constitute a good title to such share, and a certificate of proprietorship shall be delivered to any person who may purchase the same from the Company, and thereupon such purchaser shall be deemed the holder of such share, discharged from all calls due prior to such purchase; and he shall not be bound to see to the application of the purchase money, nor shall his title to such share be effected by any irregularity in the proceedings in reference to such forfeiture or sale.

44. The Directors may in their discretion remit or annul the forfeiture of any share within six months from the date thereof upon the payment of all moneys due to the Company from the late holder or holders of such share or shares, and all expenses incurred in relation to such forfeiture, together with such further sum of money by way of redemption money for the deficit as they shall think fit, not being less than nine per centum per annum on the amount of the sums wherein default in payment had been made, but no share *bona fide* sold or re-allotted, or otherwise disposed of under Article 41 hereof, shall be redeemable after sale or disposal.

45. The Company shall have a first charge or paramount lien upon all the shares of any holder or joint-holders for all moneys for the time being due to the Company by such holder, or by all or any of such joint-holders respectively, either in respect of such shares or of other shares held by such holder or joint-holders, or in respect of any other debt, liability, or engagement whatsoever and whether due from any such holder individually or jointly with others, including all calls which the Directors shall have resolved to make, although the times appointed for the payment thereof shall not have arrived; and where any share is held by more persons than one, the Company shall be entitled to the said charge or lien in respect of any money due to the Company from any of such persons. And the Directors may decline to register any transfer of shares subject to such charge or lien.

46. Such charge or lien may be made available by a sale of all or any of the shares subject to it, provided that no such sale shall be made except under a resolution of the Directors, and until notice in writing shall have been given to the indebted Shareholder or his executors or administrators, or the assignee or trustee in his bankruptcy, requiring him or them to pay the amount for the time being due to the Company, and default shall have been made for twenty-eight days from such notice in paying the sum thereby required to be paid. Should the Shareholder over whose share the lien exists be in England or elsewhere abroad, sixty days' notice shall be allowed him.

47. The nett proceeds of any such sale shall be applied in or towards satisfaction of such debts, liabilities, or engagements, and the residue (if any) paid to such Shareholder or his representatives.

48. A certificate in writing under the hands of one of the Directors and of the Secretary or Secretaries that the power of sale given by Article 46 has arisen and is exercisable by the Company under these presents shall be conclusive evidence of the facts therein stated.

49. Upon any such sale two of the Directors may execute a transfer of such share to the purchaser thereof, and such transfer, with the certificate last aforesaid, shall confer on the purchaser a complete title to such share.

PREFERENCE SHARES.

50. Any shares from time to time to be issued or created may from time to time be issued with any such right or preference, whether in respect of dividend or of repayment of capital, or both, or any such other special privilege or advantage over any shares previously issued or then about to be issued with a preference or at such a premium, or with such

deferred rights as compared with any shares previously issued or then about to be issued, or subject to any such conditions or provisions and with any such right or without any right of voting, and generally on such terms as the Company, may from time to time, by special resolution determine.

51. If at any time by the issue of preference shares or otherwise the capital is divided into shares of different classes, then the holders of any class of shares may, by an extraordinary resolution passed at a meeting of such holders, consent, on behalf of all the holders of shares of the class, to the issue or creation of any shares ranking equally therewith, or having any priority thereto, or to the abandonment of any preference or priority, or of any accrued dividend, or the reduction for any time or permanently of the dividends payable thereon, or to any scheme for the reduction of the Company's capital affecting the class of shares; and such resolution shall be binding upon all the holders of shares of the class, provided that this Article shall not be read as implying the necessity for such consent in any case in which but for this Article the object of the resolutions could have been effected without it.

52. Any meeting for the purpose of the last preceding clause shall be convened and conducted in all respects as nearly as possible in the same way as an Extraordinary General Meeting of the Company, provided that no member not being a Director shall be entitled to notice thereof or to attend thereat, unless he be a holder of shares of the class intended to be affected by the resolution, and that no vote shall be given except in respect of a share of that class, and that at any such meeting a poll may be demanded in writing by any member personally present and entitled to vote at such meeting.

BORROWING POWERS.

53. The Directors shall have power to procure from time to time, in the usual course of business, such temporary advances on the produce in hand, or in the future to be obtained, from the Company's properties as they may find necessary or expedient for the purpose of defraying the expenses of working the Company's properties, or of erecting, maintaining, improving, or extending buildings, machinery, plantations, or otherwise. Also from time to time at their discretion to borrow or raise from Directors or other persons any sum or sums of money for the purposes of the Company, provided that the money so borrowed or raised and owing at any one time shall not, without the sanction of a General Meeting exceed Rupees Fifty-thousand (Rs. 50,000).

54. With the sanction of a General Meeting, the Board shall be entitled to borrow such further sum or sums, and at such rate of interest as such meeting shall determine. A certificate under the hands of two Directors and the Secretary or Secretaries, or of three Directors, to the effect that in taking any loan the Directors are not exceeding their borrowing powers, shall be sufficient and binding on the Company and all concerned, and shall be conclusive evidence thereof in all questions between the Company and its creditors.

55. For the purpose of securing the repayment of any such money so borrowed or raised for any other purposes, Directors may grant, create, execute, and issue any mortgages, cash credits, debentures, debenture stock, bonds, or obligations of the Company, charged upon all or any part of the undertaking, revenue, lands, property, rights, and assets of the Company, both present and future, including uncalled capital or unpaid calls, or may make, accept, or endorse on behalf of the Company any promissory notes or bills of exchange.

56. Any such securities may be issued either at par or at a premium or discount, and may from time to time be cancelled, discharged, varied, or exchanged as the Directors may think fit, and may contain special privileges as to redemption, surrender, drawings, allotment of shares, or otherwise.

57. Every debenture or other instrument issued by the Company for securing the payment of money may be so framed that the moneys thereby secured shall be assignable free from any equities between the Company and the person to whom the same may be issued.

GENERAL MEETINGS.

58. The First General Meeting shall be held at such time not being more than twelve months after the incorporation of the Company, and at such place as the Directors may determine.

59. Subsequent General Meetings shall be held once in every year, at such time and place as may be prescribed by the Company in General Meeting, and if no time or place is so prescribed then at such place and at such time as soon after the first day in each year as may be determined by the Directors.

60. The General Meetings mentioned in the last preceding clause shall be called Ordinary General Meetings; all other meetings of the Company shall be called Extraordinary General Meetings.

61. The Directors may, whenever they think fit, call an Extraordinary General Meeting of the Company, and the Directors shall do so upon a requisition made in writing by not less than one-sixth of the number of Shareholders of the Company for the time being, or by any Shareholder or Shareholders holding in the aggregate one-eighth part of the shares of the Company for the time being subscribed for.

62. Any requisition so made shall express the object of the meeting proposed to be called, shall be addressed to the Directors, and shall be sent to the registered office of the Company.

Upon the receipt of such requisition, the Directors shall forthwith proceed to convene an Extraordinary General Meeting, to be held at such time and place as they shall determine. If they do not proceed to convene the same within seven days from the delivery of the requisition, the requisitionists may themselves convene an Extraordinary General Meeting, to be held at such place and at such time as the Shareholders convening the meeting may themselves fix.

63. Any Shareholder may, on giving not less than five days' previous notice of any resolution, submit the same to a meeting.

64. Such notice shall be given by leaving a copy of the resolution at the registered office of the Company.

65. Seven days' notice at least of every General Meeting, Ordinary or Extraordinary, and by whomsoever convened, specifying the place, date, hour of meeting, and the object and business of the meeting, shall be given by advertisement in the *Ceylon Government Gazette*, or in such other manner (if any) as may be prescribed by the Company in General Meeting. Where it is proposed to pass a special resolution the two meetings may be convened by one and the same notice and it is to be no objection to such notice that it only convenes the second meeting contingently upon the resolution being passed by the requisite majority at the first meeting.

66. Every Ordinary General Meeting shall be competent, without special notice having been given of the purposes for which it is convened, or of the business to be transacted thereat, to receive and discuss any report and any accounts presented thereto by the Directors, and to pass resolutions in approval or disapproval thereof, and to declare dividends, and to elect Directors and Auditors in place of those retiring by rotation, and to fix the remuneration of the Auditors and shall also be competent to enter upon, discuss, and transact any business whatsoever of which special mention shall have been given in the notice or notices upon which the meeting was convened.

67. With the exceptions mentioned in the foregoing Articles as to the business which may be transacted at Ordinary General Meetings without notice, no General Meeting, Ordinary or Extraordinary, shall be competent to enter upon, discuss, or transact any business which has not been specially mentioned in the notice or notices upon which it was convened.

68. No business shall be transacted at any General Meeting, except the declaration of a dividend recommended by a report of the Directors or election of a Chairman, unless there shall be present or represented at the commencement of the business two or more Shareholders entitled to vote.

69. If at the expiration of half an hour from the time appointed for the meeting the required number of Shareholders shall not be present at the meeting, the meeting, if convened by or upon the requisition of Shareholders shall be dissolved, but in any other case it shall stand adjourned to the same day in the next week at the same time and place; and if at such adjourned meeting a quorum is not present, those Shareholders who are present shall be a quorum, and may transact the business for which the meeting was called.

70. The Chairman (if any) of the Directors shall be entitled to take the Chair at every General Meeting, whether Ordinary or Extraordinary; or if there be no Chairman, or if at any meeting he shall not be present at the time appointed for holding such meeting, or if he shall refuse to take the Chair, the Shareholders shall choose another Director as Chairman; and if no Director be present, or if all the Directors present decline to take the Chair, then the Shareholders present shall choose one of their number to be Chairman.

71. No business shall be discussed at any General Meeting, except the election of a Chairman, whilst the Chair is vacant.

72. The Chairman may, with the consent of the meeting, adjourn any meeting from time to time and from place to place, but no business shall be transacted at any adjourned meeting other than the business left unfinished at the meeting from which the adjournment took place, unless due notice thereof shall be given.

73. Minutes of the proceedings of every General Meeting, whether Ordinary or Extraordinary, shall be entered in a book to be kept for that purpose, and shall when so entered be signed as soon as practicable by the Chairman of the same meeting, or by the Chairman of the succeeding meeting, and the same when so entered and signed shall be evidence of all such proceedings and of the proper election of the Chairman.

VOTING AT MEETINGS.

74. At any meeting every resolution shall be decided by a show of hands, and in case there shall be an equality of votes, the Chairman at such meeting shall be entitled to give a casting vote in addition to the vote to which he may be entitled as a Shareholder; and unless a poll be immediately demanded by some Shareholder, or in the case of a special resolution by five Shareholders, present and entitled to vote, a declaration by the Chairman that a resolution has been carried, and an entry to that effect in Minute Book of the Company, shall be sufficient evidence of the fact without proof of the number or proportion of votes recorded in favour of or against such resolution. 33. *Directors may authorize Registration of Transferees.*—The Directors may, by such means as they shall deem expedient, authorize the registration of transferees as Shareholders without the necessity of any meeting of the Directors for that purpose.

34. *Directors not bound to inquire as to Validity of Transfer.*—In no case shall the Directors be bound to inquire into the validity, legal effect, or genuineness of any instrument of transfer produced by a person claiming a transfer of any share in accordance with these articles; and whether they abstain from so inquiring or do so inquire and are misled the transferor shall have no claim whatsoever upon the Company in respect of the share, except for the dividends previously declared in respect thereof, but, if at all, upon the transferee only.

35. *Transfer Books when to be closed.*—The Transfer Books may be closed during the fourteen days immediately preceding each Ordinary General Meeting, including the First Ordinary General Meeting; also, when a dividend is declared, for the three days next ensuing the meeting; also at such other times as the Directors may decide, not exceeding in the whole twenty-one days in any one year.

38. *Failing such Registration, Shares may be sold by the Company.*—If any person who shall become entitled to be registered in respect of any share under Article 36, shall not, from any cause whatever within twelve calendar months after the event on the happening of which his title shall accrue, be registered in respect of such share, or if, in the case of the death of any Shareholder, no person shall, within twelve calendar months after such death, be registered as a Shareholder in respect of the shares of such deceased Shareholder, the Company may sell the same either by public auction or private contract, and give a receipt for the purchase money; and the purchaser shall be entitled to be registered in respect of such share, and shall not be bound to inquire whether the events have happened which entitled the Company to sell the same; the net proceeds of such sale, after deducting all expenses and all moneys in respect of which the Company is entitled to a lien on the shares so sold shall be paid to the person entitled thereto.

39. *Curator of Minor, &c., when not entitled to vote.*—The curator of a minor Shareholder, the committee or other legal guardian of any lunatic Shareholder, the husband of any female Shareholder not entitled to her shares as separate estate, and the executor or administrator or heir of any deceased Shareholder, shall not be entitled to receive notice of or to attend or vote at meetings of the Company or save as aforesaid, and save as regards the receipt of such dividends as the Board shall not elect to retain, to exercise any of the rights and privileges of a Shareholder, unless and until he shall have been registered as the holder of the shares.

SURRENDER AND FORFEITURE OF SHARES.

40. *The Directors may accept Surrender of Shares.*—The Directors may accept, in the name and for the benefit of the Company, and upon such terms and conditions as may be agreed upon a surrender of the shares of Shareholders who may be desirous of retiring from the Company.

41. *If Call or Instalment not paid, Notice to be given to Shareholder.*—If any Shareholder fails to pay any call or instalment on or before the day appointed for the payment of the same, the Directors may at any time thereafter, during such time as the call or instalment remains unpaid, serve a notice on such Shareholder or his executors or administrators or heirs, or the trustee or assignee in his bankruptcy, requiring him to pay the same, together with any interest that may have accrued, at the rate of 9 per cent. per annum, and all expenses that may have been incurred by the Company by reason of such non-payment.

42. *Terms of Notice.*—The notice shall name a day (not being less than one month from the date of the notice) on and a place or places at which such call or instalment and such interest and expenses as aforesaid are to be paid; the notice shall also state that, in the event of non-payment at or before the time and at the place appointed, the shares in respect of which the call was made or instalment is payable will be liable to be forfeited.

43. *In Default of Payment, Shares to be forfeited.*—If the requisition of such notice as aforesaid be not complied with, every or any share or shares in respect of which such notice has been given may at any time thereafter, before payment of calls or instalments, with interest, and expenses due in respect thereof, be declared forfeited by a resolution of the Board to that effect.

44. *Shareholder still liable to pay Money owing at Time of Forfeiture.*—Any Shareholder whose shares have been so declared forfeited shall, notwithstanding, be liable to pay and shall forthwith pay to the Company, all calls, instalments, interest, and expenses owing upon or in respect of such shares at the time of the forfeiture, together with interest thereon at 9 per cent. per annum from the time of forfeiture until payment and the Directors may enforce the payment thereof if they think fit.

45. *Surrendered or forfeited Shares to be the Property of the Company, and may be sold, &c.*—Every share surrendered or so declared forfeited shall be deemed to be the property of the Company, and may be sold, re-allotted, or otherwise disposed of upon such terms and in such manner as the Board shall think fit.

46. *Effect of Surrender or Forfeiture.*—The surrender or forfeiture of a share shall involve the extinction of all interest in, and also of all claims and demands against, the Company in respect of the share and the proceeds thereof, and all other rights incident to the share, except only such of those rights (if any) as by these presents are expressly saved.

47. *Certificates of Surrender or Forfeiture.*—A certificate in writing under the hands of two of the Directors and of the agents and/or secretaries that a share has been duly surrendered or forfeited, stating the time when it was surrendered or forfeited shall be conclusive evidence if the facts therein stated as against all persons who would have been entitled to the share but for such surrender or forfeiture; such certificate and the receipt of the Company for the price of such share shall constitute a good title to such share, and a certificate of proprietorship shall be delivered to any person who may purchase the same from the Company; such purchaser thereupon shall be deemed the holder of such share, discharged from all calls due prior to such purchase, and he shall not be bound to see to the application of the purchase money nor shall his title to such share be affected by any irregularity in the proceedings in reference to such forfeiture or sale.

48. *Forfeiture may be remitted.*—The Directors may in their discretion remit or annul the forfeiture of any share within six months from the date thereof upon the payment of all moneys due to the Company from the late holder or holders of such share or shares, and all expenses incurred in relation to such forfeiture, together with such further sum of money by way of redemption money for the deficit, as they shall think fit, not being less than 9 per cent. per annum on the amount of the sums wherein default in payment had been made, but no share *bona fide* sold or re-allotted, or otherwise disposed of under Article 45 hereof shall be redeemable after sale or disposal.

49. *Company's Lien on Shares.*—The Company shall have a first and paramount lien upon all the shares registered in the name of each Shareholder (whether solely or jointly with others), and upon the proceeds of sale thereof for his debts, liabilities, and engagements, solely or jointly with any other person to or with the Company, whether the period for the payment, fulfilment, or discharge thereof shall have actually arrived or not, and no equitable interest, in any share shall be created except upon the footing and condition that Article 19 hereof is to have full effect, and such lien shall extend to all dividends from time to time declared in respect of such shares and to all moneys paid in advance of calls thereon. Unless otherwise agreed, the registration of a transfer of shares shall operate as a waiver of the Company's lien (if any) on such shares.

50. *Lien how made available and Proceeds how applied.*—For the purpose of enforcing such lien the Board may sell the shares subject thereto in such manner as they think fit, but no sale shall be made until such time as the moneys are presently payable, and notice in writing stating the amount due, and giving notice of intention to sell in default shall have been served on such Shareholder or the person (if any) entitled by transmission to the shares and default shall have been made for seven clear days after such notice. The nett proceeds of any such sale shall be applied in or towards satisfaction of the debts, liabilities, and engagements aforesaid, and the residue (if any) shall be paid to the Shareholder or the person (if any) entitled by transmission to the shares or who would be so entitled but for such sale. Should the Shareholder over whose share the lien exists be in England or elsewhere abroad, sixty days' notice shall be allowed him.

51. *Certificate of Sale.*—A certificate in writing under the hands of two of the Directors and of the agents and/or secretaries that the power of sale given by Article 45 has arisen, and is exercisable by the Company under these presents, shall be conclusive evidence of the facts therein stated.

52. *Transfer on Sale how executed.*—Upon any such sale two of the Directors may execute a transfer of such share to the purchaser thereof, and such transfer, with the certificate last aforesaid, shall confer on the purchaser a complete title to such share.

PREFERENCE SHARES.

53. *Preference and Deferred Shares.*—Any shares from time to time to be issued or created may from time to time be issued with any such right of preference, whether in respect of dividend or of payment of capital, or both, or any such other special privilege or advantage over any shares previously issued or then about to be issued (other than shares issued with a preference), or with such deferred rights as compared with any shares previously issued or then about to be issued, or subject to any such conditions or provisions, and with any such right or without any right of voting, and generally on such terms as the Company may, from time to time, by special resolution, determine.

54. *Modification of Rights and Consent thereto.*—If at any time by the issue of preference shares or otherwise the capital is divided into shares of different classes—

- (1) the holders of any class of shares by an extraordinary resolution passed at a meeting of such holders may consent, on behalf of all the holders of shares of the class, to the issue or creation of any shares ranking equally therewith, or having any priority thereto, or the abandonment of any preference or priority, or of any accrued dividend, or the reduction for any time or permanently of the dividends payable thereon, or to any scheme for the reduction of the Company's capital affecting the class of shares.
- (2) all or any of the rights, privileges, and conditions attached to each class may be commuted, abrogated, abandoned, added to, or otherwise modified by a special resolution of the Company in General Meeting, provided the holders of any class of shares, affected by any such commutation, abrogation, abandonment, addition, or other modification of such rights, privileges, and conditions, consent thereto, on behalf of all the holders of shares of the class, by an extraordinary resolution passed at a meeting of such holders.

Any extraordinary resolution passed under the provisions of this article shall be binding upon all the holders of shares of the class, provided that this article shall not be read as implying the necessity for such consent as aforesaid in any case in which but for this article the object of the resolution could have been effected without it.

55. *Meeting affecting a particular Class of Shares.*—Any meeting for the purpose of the last preceding article shall be convened and conducted in all respects as nearly as possible in the same way as an Extraordinary General Meeting of the Company; provided that no Shareholder, not being a Director, shall be entitled to notice thereof or to attend thereat, unless he be a holder of shares of the class intended to be affected by the resolution, and that no vote shall be given except in respect of a share of that class, and that at any such meeting a poll may be demanded by the Chairman or in writing by any Shareholder personally present and entitled to vote at the meeting. A Director although not a holder of shares of the class affected may act as proxy at any such meeting.

CALLS.

56. *Directors may make Calls.*—The Directors may from time to time make such calls as they think fit upon the registered holders of shares, in respect of moneys unpaid thereon, and not by the conditions of allotment made payable at fixed times; and each Shareholder shall pay the amount of every call so made on him to the persons and at the times and places appointed by the Directors, provided that two months' notice at least shall be given to the Shareholders of the time and place appointed for payment of each call.

57. *Calls, Time when made.*—A call shall be deemed to have been made at the time when the resolution authorizing the call was passed at a Board meeting of the Directors or was signed in terms of Article 128.

58. *Extension of Time for Payment of Call.*—The Directors shall have power in their absolute discretion to give time to any one or more Shareholder or Shareholders, exclusive of the others, for payment of any call or part thereof, on such terms as the Directors may determine. But no Shareholder shall be entitled to any such extension except as a matter of grace or favour.

59. *Interest on Unpaid Call.*—If the sum payable in respect of any call or instalment is not paid on or before the day appointed for the payment thereof, the holder for the time being of the share in respect of which the call shall have been made, or the instalment shall have been due, shall pay interest for the same at the rate of 9 per centum per annum from the day appointed for the payment thereof to the time of the actual payment, but the Directors may, when they think fit, remit altogether or in part any sum becoming payable for interest under this article. Any sum whether payable on account of the amount of the share or by way of premium which by the terms of allotment of a share is made payable upon allotment or at any fixed date, and any instalment of a call or premium shall, for all purposes of these presents, be deemed to be a call duly made and payable on the date fixed for payment, and in case of non-payment the provisions of these presents as to payment of interest and expenses, forfeiture, lien, and the like, and all other the relevant provisions of these presents, shall apply as if such sum, premium, or instalment were a call duly made and notified as hereby provided.

60. *Payment in anticipation of Calls.*—The Directors may at their discretion receive from any Shareholder willing to advance the same, and upon such terms as they think fit, all or any part of the amount due upon the shares held by him beyond the sum actually called up.

BORROWING POWERS.

61. *Power to borrow.*—The Directors shall have power to procure from time to time, in the usual course of business such temporary advances on the produce in hand, or in the future to be obtained, from the Company's estates, as they may find necessary or expedient for the purpose of defraying the expenses of working the Company's estates, or of erecting, maintaining, improving, or extending buildings, machinery, or plantations, or otherwise. Also from time to time at their discretion to borrow or raise from the Directors or other persons any sum or sums of money for the purposes of the Company, at such rate of interest and on such terms as the Directors think fit, but so that the amount at any one time owing in respect of principal moneys so borrowed or raised shall not, without the sanction of a General Meeting exceed the sum of One hundred thousand Rupees (Rs. 100,000). The Directors shall, with the sanction of a General Meeting, be entitled to borrow or raise such further sum or sums, and at such rate of interest as such meeting shall determine. The Directors may, for the purpose of securing the repayment of any such principal sum or sums of money so borrowed or raised, and interest, create and issue any mortgages, debentures, mortgage debentures, debenture stock, bonds, or obligations of the Company, charged upon all or any part of the undertaking, revenue, property, and rights or assets of the Company (both present and future), including uncalled capital or unpaid calls, or give, accept, or endorse on behalf of the Company any promissory notes or bills of exchange. Provided that before the Directors execute any mortgage, issue any debentures, or create any debenture stock they shall obtain the sanction thereto of the Company in General Meeting whether ordinary or extraordinary, notice of the intention to obtain such sanction at such meeting having been duly given. Any such securities may be issued either at par or at a premium or discount, and may from time to time be cancelled or discharged, varied, or exchanged as the Directors may think fit, and may contain any special privileges as to redemption, surrender, drawings, allotment of shares, or otherwise. Every debenture or other instrument issued by the Company for securing the payment of money may be so framed that the moneys thereby secured shall be assignable free from any equities between the Company and the person to whom the same may be issued. A declaration under the Company's seal contained in or endorsed upon any of the documents mentioned in this article, and subscribed by two or more of the Directors, or by one Director and the agent and/or secretaries, to the effect that the Directors have power to borrow the amount which such document may represent, shall be conclusive evidence thereof in all questions between the Company and its creditors, and no such document containing such declaration shall, as regards the creditor, be void on the ground of its being granted in excess of the aforesaid borrowing power, unless it shall be proved that such creditor was aware that it was so granted.

- (1) Any requisition so made shall express the object of the meeting proposed to be called, shall be addressed to the Directors, and deposited at the office and may consist of several documents in like form each signed by one or more of the requisitionists. 69. *Two Meetings convened by One Notice.*—Where it is proposed to pass a special resolution the two meetings may be convened by one and the same notice, and it is to be no objection to such notice that it only convenes the second meeting contingently on the resolution being passed by the requisite majority at the first meeting.

70. *Business requiring and not requiring Notification.*—Every Ordinary General Meeting shall be competent, without special notice having been given of the purposes for which it is convened, or of the business to be transacted thereat, to receive and consider the profit and loss account (if any), the balance sheet of the Company, the reports of the Directors and Auditors, to elect Directors, Auditors, and other officers in place of those retiring, to fix the remuneration of

129 (a) *Division of Profits.*—Subject to the rights of holders of shares issued upon special conditions and to any arrangement that may be made by the Company to the contrary and subject as to shares not fully paid up to any special arrangement made as regards money paid in advance of calls and subject to the provisions of these presents the profits of the Company shall be divisible among the Shareholders in proportion to the capital paid or credited as paid on the shares held by them respectively.

129 (b) *Declaration of Dividend.*—The Company in General Meeting may declare a dividend to be paid to the Shareholders according to their rights and interests in the profits and may fix the time for payment. Provided always that if shares shall have been issued during the course of a financial year the holder thereof shall subject to any arrangement made by the Directors to the contrary only be entitled to have paid to him in respect of dividend on such shares a proportionate part of the dividend for such financial year calculated on the proportionate part of the year from the date on which such shares were allotted treating such dividend as earned rateably over the whole year. The Directors may divide the reserve fund into such special funds as they think fit, with full power to employ the assets constituting the reserve fund in the business of the Company, and that without being bound to keep the same separate from the other assets, and the Directors may also carry forward any profits which they may deem it not prudent to divide.

131 (b) *Application thereof.*—The Directors may from time to time apply such portions as they think fit of the reserve fund to meet contingencies, or for the payment of accumulated dividends due on preference shares or for equalizing dividends or for special dividends or for working the business of the Company or for repairing or maintaining or extending the buildings and premises or for the repair, renewal, improvement, or extension of the property or plant connected with the business of the Company or any part thereof or for any other purpose of the Company which they may from time to time deem expedient.

Where any difficulty arises in respect of any such distribution the Directors may settle the same as they think expedient and in particular they may issue fractional certificates, fix the value for distribution of any shares, debentures, debenture stock, or other obligations, make cash payments to any Shareholders on the footing of the value so fixed in order to adjust rights and vest any such shares, debentures, debenture stock, or other obligations in trustees upon such trusts for the persons entitled to share in the appropriation and distribution as may seem just and expedient to the Directors.

MUNICIPALITY OF GALLE.

Minutes of Proceedings of a General Meeting of the Municipal Council of Galle held in the Municipal Office on Saturday, January 11, 1930, at 9 a.m., pursuant to Notice dated January 6, 1930.

Present :—Mr. M. M. Wedderburn, Chairman; Mr. D. W. Subasinghe; the Hon. Mr. C. E. de Vos, M.L.C.; Mr. J. E. Perera; Mr. D. I. Durham; Mr. C. L. Wickremasinghe; Mr. F. W. Sproule; Dr. L. C. Wijesinha; and Mr. T. Amarasuriya.

The Chairman made the following statement for the period December 14, 1929, to January 10, 1930 :—

“ No further cases of human or rat plague have occurred. The evacuated buildings are being reoccupied for any purpose including storage of grain on their being reconditioned in accordance with the recommendations of the Medical Officer of Health in Charge of plague measures.

“ The Sanitary Department handed over control of plague measures on December 31. The Council's Medical Officer is continuing rat destruction and supervising the improvements to the buildings.”

1. The Minutes of the General Meeting and the Special Meeting of December 14, 1929, a copy thereof having been furnished to each member, were taken as read and confirmed.

2. Pursuant to notice, Mr. D. W. Subasinghe asked—(1) Has the Sanitary Department left? If so, has the Department submitted for the information of this Council a report giving a connected account of the work done by the Department, and suggesting improvements to the Sanitary condition of the plague-infected area in particular and the town in general?

(2) How many house-holders in the plague area have been called upon to (a) demolish their houses, (b) reconstruct them, and (c) to carry out structural alterations to them?

(3) Will not compliance with such notice entail very heavy expenditure and irreparable loss and damage, and is it not true that some of the owners have not the means and are too poor to comply with such orders?

(4) Have any houses been demolished already? If so how many? And will the owners be allowed to rebuild on the old sites without leaving off a space of eight feet?

The Chairman replied as follows :—(1) The Sanitary Department handed over the control of plague measures on December 31. The Medical Officer has forwarded his recommendations for the improvement of buildings in the plague area, his final report has not yet been received.

(2) The Medical Officer's recommendations include the following (a) demolition, 11 buildings; (b) reconstruction, 66 buildings; (c) structural alterations, 71 buildings. Demolition of insanitary back rooms, verandahs, &c., has been recommended, as part of the scheme of improvements, in the case of 39 premises.

(3) The answer to this question is an expression of an opinion. All protests by owners that the improvements required are unnecessary are being considered carefully.

(4) No house has been demolished by the Sanitary Department. Thirteen houses have been broken down and rebuilt on the old sites by the owners.

3. Pursuant to notice, Mr. D. W. Subasinghe moved—(1) That, as [there seems to prevail a good deal of bitterness and dissatisfaction over notices served on householders in the plague-stricken area calling upon them to demolish, reconstruct, and otherwise repair and improve their houses, a special committee be appointed to investigate such cases and report to this Council whether such demolitions, reconstructions, and structural alterations are absolutely necessary, and whether any of the cases deserve the payment of compensation, if so, how many and how much. Mr. T. Amarasuriya seconded.

The Hon. Mr. C. E. de Vos was in sympathy with the motion.

The Chairman explained what had been done, he had inspected a large number of buildings with the Medical Officer, but had not the time to inspect them all. Several persons had co-operated and carried out the improvements. Where the owners object he will inspect and, if necessary, refer to Council. He suggested that the motion should be amended by substituting the words “ the Standing Committees on Finance and Municipal Works, sitting together, should investigate ” for the words “ a special Committee be appointed to investigate.”

Mr. C. L. Wickremasinghe suggested the deletion of the words—“ if so, how many and how much ” at the end of the motion.

The mover and the seconder having agreed to both amendments, the motion was put to the meeting and carried *nem. con.*

(2) That the Superintendent of Works be requested to submit a sketch showing necessary improvements to Steele road, especially by the removal of the awkward angle behind the mosque, with an estimate of the probable cost. Mr. C. L. Wickremasinghe seconded.—Carried.

The Chairman stated that the 12-in. main had been connected to the reservoir, and asked Council to approve of the estimate of Rs. 500 per mile for scraping the 8-in. main. The Council agreed that the scraping should be done by the contractor and approved of the estimate of Rs. 500 per mile.
