The following Draft of a proposed Ordinance is published for general information :—

No. 1 of 1909,
II. 873.

An Ordinance to amend the Game Protection Ordinance, 1909.

BE it enacted by the Governor of Ceylon, by and with the advice and consent of the Legislative Council thereof, as follows :—

Short title.

1 This Ordinance may be cited as the Game Protection Amendment Ordinance, 1930.

Amendment of section 6 of the principal Ordinance.

2 Section 6 of the principal Ordinance is hereby amended as follows :—

(1) by the repeal of the following words and figures at the end of sub-section (1) thereof :—

	Rs.
For residents	100
For non-residents	300 ” ;

(2) by the repeal of the following words at the end of sub-section (2) thereof :—

“A stamp duty of five hundred rupees shall be payable on the issue of a license to capture a tusker, and a stamp duty of two hundred rupees on the issue of a license to capture an elephant.” ;

(3) by the repeal of the following words and figures at the end of sub-section (3) thereof :—

“The following stamp duty shall be payable on the issue of each such license :

	Rs.
For residents	20
For non-residents	75 ” ;

(4) by the repeal of the following words at the end of sub-section (4) thereof :—

(5) by the repeal of the following words and figures at the end of sub-section (5) thereof :—

“, and the following stamp duty shall be payable on the issue thereof :

	Rs.
For residents	5
For non-residents	45 ” ; and

(6) by the addition of the following sub-section at the end thereof :—

“(6) The stamp duties payable on the several licenses referred to in this section shall be prescribed from time to time by regulations which the Governor in Executive Council is hereby empowered to make.”

Amendment of section 7A of the principal Ordinance.

3 Section 7A of the principal Ordinance, as enacted by section 2 of the Game Protection (Amendment) Ordinance, No. 13 of 1912, is hereby amended by the insertion of the words “ or buffaloes ” immediately after the word “ tuskers ” wherever that word appears in the said section 7A.

By His Excellency's command,
Colonial Secretary's Office, Colombo, February 10, 1930. B. H. BOURDILLON,
Colonial Secretary.

Objects and Reasons.

It has been observed that the number of wild buffaloes in the Game Reserve at the present time is excessive, and is also rapidly increasing. The buffalo in large numbers is a serious menace to other kinds of game owing, firstly, to the quantity of food which it requires, secondly, to its habit of wallowing, which converts all but the largest waterholes into liquid mud, and thirdly, to its peculiar liability to rinderpest, hoof and mouth disease and other epizootics.

2. The fee for a licence to shoot a buffalo, which was fixed at a time when buffaloes were scarce owing to an epidemic, is Rs. 20 for residents and Rs. 75 for non-residents (Game Protection Ordinance, 1909, section 6). At this high rate, few licences are issued, and few animals shot. It has been found also that capture by noosing, for which the licence fee is Rs. 2, has not been successful in reducing the numbers.

3. The object of this Bill is to enable the situation to be met, either by the exercise of powers similar to those given in regard to elephants by section 7 of the principal Ordinance, or by the issue of licences to shoot buffaloes at a reduced fee. As the law stands the fee for this licence, as well as for others, can only be varied by Ordinance, but it is proposed that in future the fees for all licences under the Ordinance shall be fixed by regulation in order that they may be varied with less formality as circumstances may require.

By His Excellency's command,

Colonial Secretary's Office,
Colombo, February 18, 1930.

B. H. BOURDILLON,
Colonial Secretary.

Objects and Reasons.

By His Excellency's command,

Colonial Secretary's Office,
Colombo, February 27, 1930.

B. H. BOURDILLON,
Colonial Secretary.

Objects and Reasons.

A Public Trustee Ordinance was passed in Ceylon in 1922, but has not yet been proclaimed. In 1926, a committee was appointed to consider the advisability of bringing the Ordinance into operation and of assigning to the Public Trustee duties in addition to those which are assigned to him by the Ordinance.

2. This committee in its report (Sessional Paper No. XXX. of 1927) made a number of recommendations for the amendment of the Ordinance with the object of enlarging the scope of the Public Trustee's activities, and it has now been decided that the Ordinance should be brought into operation at an early date after being amended so as to carry out certain of those recommendations, the remainder being left over for the present until the Public Trustee's Department is paying its way from more remunerative sources.

3. This bill, therefore, deals primarily with those recommendations of the committee which are considered practicable at the present stage, and carries them into effect in the following manner :—

- (a) The Court is empowered to appoint the Public Trustee—
 - (i) Curator or Manager of the property of minors, lunatics and convicts (clauses 4, 7 and 8—new section 15B).
 - (ii) Administrator of intestate estates in preference to all other claimants (clauses 12 and 15).
 - (iii) Trustee (including executor or administrator) in place of an existing trustee who has been guilty of misconduct or mismanagement (clause 19—new section 32B).
 - (iv) Auditor of the accounts of private trustees (clause 19—new section 32E).
- (b) The Public Trustee is in addition authorized—
 - (i) to act as attorney for the receipt and payment of money for persons out of Ceylon (clause 4—new section 6 (1) (f)).
 - (ii) to undertake the administration of trusts for religious and charitable purposes so long as no personal liability to perform religious duties is involved (clause 6).
 - (iii) to apply for administration of estates over Rs. 2,500 in value, where there is delay on the part of those entitled to claim administration (clauses 13 and 14).
- (c) Living persons are permitted to deposit their wills with the Public Trustee, and any person who intends to die intestate is enabled effectively to nominate the Public Trustee as the administrator of his estate (clause 19—new sections 32C and D).

4. The remaining clauses of the Bill are designed mainly for the correction of errors in the Ordinance, and for the purpose of increasing the usefulness of the Public Trustee's office and simplifying its work.

5. Clause 2 corrects an error in the definition of " letters of administration ", and adds a definition of " assets ", taken from the Indian Act No. III of 1913, section 2.

6. The amendment in clause 3 is made in order to permit the use of the title " Public Trustee of Ceylon " on the official seal which will be required to appear on documents to be used outside the country.

7. Clause 5 adds a new sub-section and corrects an error in section 7 of the principal Ordinance. The sub-section is taken from the Indian Act No. III of 1913, section 56, and is inserted in order to remedy a defect in the section, viz. that it does not indicate the effect of an order of the court. By giving an order of court the effect of a decree, it becomes subject to the ordinary procedure of appeal and is binding on the parties.

8. By the new section 15A, enacted by clause 8, the court is allowed to transfer to the Public Trustee for investment the proceeds of sales under section 4 of the Entail and Settlement Ordinance, 1876. Cases occur where lands subject to a *fidei commissum* are sold under this section and the proceeds deposited in court pending a fresh purchase. It is thought that the investment of such funds and the distribution of the income to the beneficiaries can with advantage be left to the Public Trustee.

9. Clause 9 and the new section 32A inserted by clause 19 will have the effect of relieving the Public Trustee from certain formalities in respect of applications for letters of administration made by him.

10. Clauses 10, 16, 17, 18, 20 and 21 either correct errors in the principal Ordinance or effect verbal improvements where the meaning is not clearly expressed.

11. Clause 11 introduces a new section into the principal Ordinance whereby the Public Trustee will be permitted to transfer a trust to other trustees if it becomes desirable to do so. This section is based on section 29 of the Indian Act No. II of 1913.

12. Clause 22 extends section 36 of the principal Ordinance, which at present applies only to money, so as to apply to trust property of all kinds, and permits the Public Trustee, when such property has been in his hands for more than twelve years without his being able to trace the beneficiary, to realize it in accordance with rules, and credit the proceeds to the public revenue.

THE object of the Bill is to authorize the raising of a loan amounting to Rs. 17,125,000 for the completion of the Hydro-Electric Scheme B, Stage 1, and for the provision of the capital required for the necessary development of the Government's Electrical Undertakings.

2. The sum included in the Schedule for the completion of the Hydro-Electric Scheme B, Stage 1, is the sum of Rs. 14,663,033 shown in Sessional Paper V.—1930 as required to complete the works, less the sum of Rs. 1,191,163 already provided in the Public Works Loan Ordinance, 1929 (No. 26 of 1929) for Extensions of the Colombo Electricity Supply to adjacent areas. Of the other items, a beginning must be made not later than October, 1930, with the installation of the additional generating set at the Stanley Steam Station, Kolonnawa, and the additional sub-station equipment; and further capital for the extension of the low tension distribution system and for consumers' connections in the Colombo Electricity Supply area is urgently required. The sum included for extra high tension cables is not required for immediate expenditure, but will ultimately be required in the not distant future for the replacement of overhead mains by underground cables. In the sum of Rs. 1,381,130 reserved for other works of development are included provision for an office and store, which is urgently required and is estimated to cost Rs. 250,000; a further Rs. 20,000 for completion of testing equipment and another Rs. 75,000 for extension of the hiring branch; Rs. 350,000 for renewal of underground cables, Rs. 485,000 for overhead mains in the Colombo area, and Rs. 200,000 for extensions for industrial purposes. It will be observed, however, that no expenditure may be incurred upon works included in this general item without the prior approval of the Legislative Council and of the Secretary of State.

3. Provision is included in clause 7 for the repayment to the general revenue of the Colony of sums expended from revenue on these purposes after October 1, 1929; this provision is necessitated by the inclusion under Head 67, Loan Works, in the Estimates of the current financial year of three sums of (i) Rs. 87,500 for the maintenance of the Hydro-Electric Works pending resumption of construction, (ii) Rs. 10,000 for testing equipment and (iii) Rs. 25,000 for starting a hiring branch.

4. The Bill provides for the transfer of funds from one purpose to another, subject to the approval of the Secretary of State and the Legislative Council.

5. It is provided in clause 4 that the loan may be raised either in accordance with existing rules regulating the issue of loans in the form of stock or debentures issued in Ceylon or in England or by any other method approved by the Secretary of State and the Legislative Council. This last provision has been included to meet the possibility that it may be found desirable to issue part of the loan in the form of Bonds or Promissory Notes of a short currency.

6. Provision is also made for anticipating the issue of the whole or a part of the loan by the issue of Colonial Treasury Bills either in Ceylon or in England.
