Provided that he shall not be liable to any abatement under the Widows' and Orphans' Pension Fund Ordinance, 1898, in respect of the period prior to the date of the commencement of this Ordinance, unless within three months of the said date, by written notice to the Directors appointed under section 6 of the said Ordinance, he elects to be so liable.

By His Excellency's command,

Colonial Secretary's Office,
Colombo, March 20, 1930.

B. H. BOURDILLON,
Colonial Secretary.

Objects and Reasons.

The object of this Bill is to amend the Municipal Councils Ordinance, 1910, with reference to the appointment, status, salary, &c., of Municipal Magistrates. Section 54 of the Ordinance now provides that in every Municipal town there shall be a Municipal Magistrate, who, unless the Governor otherwise appoints, shall be the Police Magistrate having jurisdiction in the town. Section 56 provides that a Municipal Magistrate may receive such "allowance" from the Municipal fund as shall be fixed by the Governor. This reference to an "allowance", when read with section 54, seems to cover only cases where under section 54 the Police Magistrate is also the Municipal Magistrate, and receives an "allowance" for performing the extra duties in addition to his own.

2. In the case of the Colombo Municipal Council, the Municipal Magistrate is distinct from the Police Magistrate, but can still only receive an "allowance" under section 56 as remuneration for his services. As a result, he has not even the pensionable status which is enjoyed by the officers of the Municipality.

3. It is therefore proposed in this Bill to revise the whole position, and to provide for cases—

(a) where the Police Magistrate is also the Municipal Magistrate, and also

(b) where the two are separate and distinct officers.

4. Clause 2 amends section 54 by providing *firstly* that the Municipal Magistrate shall be appointed by the Governor, and that the Governor may appoint the Police Magistrate to be Municipal Magistrate in addition, and *secondly* that a Municipal Magistrate who is appointed separately from the Police Magistrate may also be appointed Additional Police Magistrate, the latter amendment being made in order to permit the Municipal Magistrate to take cases for the Police Magistrate when necessary.

5. Clause 3 recasts the whole of section 56, drawing a clear distinction between the three types of Municipal Magistrate :—

- (a) a Police Magistrate who is appointed to be Municipal Magistrate in addition to his own duties ;
- (b) a Municipal Magistrate permanently appointed as a separate officer from the Police Magistrate ; and
- (c) an officer appointed to act as Municipal Magistrate during the absence of a permanent and separate Municipal Magistrate of type (b).

6. Type (a) will in future receive an allowance for his services as Municipal Magistrate.

Type (b) will in future be regarded as an officer of the Government, and the Municipal Council will refund to the Government the salary, allowances, &c., paid to him, and will be liable for his pension during his appointment as Municipal Magistrate.

Type (c) will be appointed by the Governor, and paid as the Governor directs, and his salary and allowances (but not his pension) will be refunded to the Government by the Municipal Council ; but the Council will not be called on to pay in this respect a greater sum than it has to pay for the permanent officer (exclusive of pension).

7. Clause 4 of the Bill declares that the present holder of the appointment of Municipal Magistrate, Colombo, shall fall within type (b) above, and that his post may be made pensionable as from the date on which he was first appointed, but he will not be liable to contribute to the Widows' and Orphans' Pension Fund from that date unless he gives notice of his intention to do so.
