NOTICE is hereby given that an extent of about 745 acres of Crown land shown in the annexed sketch is available for development in economic products. The land is believed to be suitable for tea cultivation.

It is situated between the 15th and 18th mileposts on the Badulla-Batticaloa road and in close proximity to Passara and Hopton Groups.

Government is prepared to consider applications for the whole or portions of this land upon the ordinary 99 years' agricultural lease (Form G.A.—C 27A). A scheme of survey into blocks of suitable sizes will be decided on after the applications have been received. The usual reservations will be left for streams, roads, &c. Applicants should state the number of acres they desire to take on lease. A deposit at the rate of Rs. 3 per acre should accompany each application. This deposit will be refunded if a lease is not offered to an applicant or will be taken as part of the premium if he purchase a lease.

It is proposed to restrict competition in the first instance to persons who have applied and deposited fees under this notice. Government does not, however, bind itself to accept any applications, and reserves the right at the sale of the leases to restrict bidding for lots under a certain size to certain classes of persons and to decide the number of lots or extent of land that may be taken up by any one applicant.

Applications for land under this notice should be addressed to the Government Agent, Province of Uva, and will be received up to May 31, 1930.

Further information regarding this land may be obtained on application at the Badulla Kacheheri, where a plan of the land may be inspected.
