**Convention between His Majesty and the President of the German Reich regarding Legal Proceedings in Civil and Commercial Matters.**

*London, March 20, 1928.*

[Ratifications exchanged at Berlin, February 15, 1929.]

His Majesty the King of Great Britain, Ireland and the British Dominions beyond the Seas, Emperor of India, and the President of the German Reich, being desirous to facilitate the conduct of legal proceedings between persons resident in their respective territories, have resolved to conclude a Convention for this purpose and have appointed as their Plenipotentiaries:

His Majesty the King of Great Britain, Ireland and the British Dominions beyond the Seas, Emperor of India:

For Great Britain and Northern Ireland, all British Colonies and Protectorates and territories under His suzerainty and all mandated areas administered by His Government in Great Britain:

The Right Honourable Sir Austen Chamberlain, K.G., M.P., His Majesty's Principal Secretary of State for Foreign Affairs;

The President of the German Reich:

His Excellency Dr. Friedrich Sthamer, Ambassador Extraordinary and Plenipotentiary of the German Reich in London;

who, having communicated their full powers, found in good and due form, have agreed as follows:—

I.—Preliminary.

ARTICLE 1.

This Convention applies only to civil and commercial matters including non-contentious matters.

II.—Service of Judicial and Extra-Judicial Documents.

ARTICLE 2.

When judicial or extra-judicial documents drawn up in the territory (to which this Convention applies) of one of the Contracting Parties are to be served on persons, partnerships, corporations or companies in the territory (to which this Convention applies) of the other, such documents may, without prejudice to the provisions of Articles 6 and 7 hereof, be served on the recipient in either of the ways provided in Articles 3 and 5.

ARTICLE 3.

(a) The request for service shall be transmitted:

In England by a German diplomatic or consular officer to the Senior Master of the Supreme Court of Judicature in England.

In Germany by a British consular officer to the President of the German "Landgericht."

(b) The request, containing the name of the authority from whom the document transmitted emanates, the names and descriptions of the parties, the address of the recipient and the nature of the document in question shall be drawn up in the language of the country in which the documents are to be served. If in a particular case the judicial authority applied to shall express a desire to that effect to the diplomatic or consular officer by whom the request is transmitted, such officer shall furnish a translation of the document to be served.

(c) Service shall be effected by the competent authority of the country applied to. Such authority, except in the cases provided for in paragraph (d) of this article, may limit his action to effecting service by the transmission of the document to the recipient if he is willing to accept it.

(d) If the document to be served is drawn up in the language of the country applied to, or is accompanied by a translation in that language, the authority applied to (should a wish to that effect be expressed in the request) shall serve the document in the manner prescribed by the law of his own country for the service of similar documents or in a special form which is not incompatible with such law.

(e) The translation provided for in this article shall be certified as correct by a diplomatic or consular officer of the Contracting Party making the request or by an official or sworn translator of one of the two countries concerned.

(f) The execution of the request for service can only be refused if the Contracting Party in whose territory it is to be effected considers it such as to compromise his sovereignty or safety.

(g) The authority who receives the request shall send to the diplomatic or consular officer by whom it was transmitted the document proving the service or explaining the reason which has prevented such service. Proof of service shall be furnished by a certificate from the authority of the country applied to setting forth the fact, the manner and date of such service. If any document to be served is transmitted in duplicate, the certificate of service shall be placed on one of the duplicates or attached thereto.

ARTICLE 4.

No fees of any description shall be payable by one Contracting Party to the other in respect of the service.

Nevertheless, in the cases provided for in Article 3, the Contracting Party making the request must pay to the other Contracting Party any charges and expenses which are payable under the local law to the persons employed to effect service and any charges and expenses incurred in effecting service in a special manner. These charges and expenses shall be such as are usually allowed in such cases in the Courts of the Contracting Party applied to. Repayment of these charges and expenses shall be claimed by the judicial authority by whom the service has been effected when sending the certificate provided for in Article 3 (g) to the diplomatic or consular officer by whom the request was transmitted.

ARTICLE 5.

The document to be served may also be served on the recipient, unless he is a subject or citizen of the Contracting Party in whose territory the document is to be served, without the intervention of the authorities of the country in which service is to be effected:—

(a) By a diplomatic or consular officer of the Contracting Party from whose territory the document emanates; or

(b) By an agent appointed, either generally or in any particular case, by a tribunal of the country from which the document emanates, or by the party on whose application the document was issued, provided that the validity of any service effected by any such agent shall, in the courts of the country where such service is effected, be determined by the law of that country.

ARTICLE 6.

Documents may also be transmitted by post in cases where this method of transmission is permitted by the law of the country from which the document emanates.

## ARTICLE 7.

The provisions of Articles 2, 3, 4, 5, and 6 do not prevent the persons concerned from effecting service directly through the competent officials or officers of the country in which the document is to be served.

III.—*Taking of Evidence.*

## ARTICLE 8.

When a Court in any territory (to which the Convention applies) of one of the Contracting Parties orders that evidence should be taken in any territory (to which this Convention applies) of the other Contracting Party, this may be done in any one of the ways prescribed in Articles 9, 11, and 12.

## ARTICLE 9.

(a) The Court may, in accordance with the provisions of its own law, address itself by means of "Letters of Request" to the competent authority of the other Contracting Party, requesting it to take the evidence within its jurisdiction.

(b) The "Letters of Request" shall be drawn up in the language of the authority to whom they are addressed, or be accompanied by a translation in such language certified as correct by a diplomatic or consular officer of the Contracting Party making the request, or by an official or sworn translator of one of the two countries concerned.

(c) The "Letters of Request" shall be transmitted:—

In England by a German diplomatic or consular officer to the Senior Master of the Supreme Court of Judicature in England;

In Germany by a British consular officer to the President of the German Landgericht.

(d) It shall be incumbent upon the judicial authority to whom the "Letters of Request" are addressed to give effect thereto by the use of the same compulsory measures as are employed in the execution of a commission or order emanating from the authorities of his own country.

(e) The diplomatic or consular officer by whom the "Letters of Request" are transmitted shall, if he so desires, be informed of the date and place where the proceedings will take place, in order that the interested party or parties may be able to be present, or to be represented.

(f) The execution of the "Letters of Request" can only be refused:

(1) If the authenticity of the "Letters of Request" is not established;

(2) If in the country where the evidence is to be taken, the execution of the "Letters of Request" in question does not fall within the functions of the judiciary;

(3) If the Contracting Party applied to considers that his sovereignty or safety would be compromised thereby.

(g) In case the authority to whom they are addressed is without jurisdiction, the "Letters of Request" shall be forwarded without any further request to the competent authority of the same country in accordance with the rules laid down by its law.

(h) In every instance where the "Letters of Request" are not executed by the authority to whom they are addressed, the latter will at once inform the diplomatic or consular officer by whom the "Letters of Request" were transmitted, stating the grounds on which the execution of the "Letters of Request" has been refused, or the judicial authority to whom they have been forwarded.

(i) The authority which executes the "Letters of Request" will apply, so far as the procedure to be followed is concerned, the law of his own country.

Nevertheless, an application by the authority making the request that some special procedure may be followed shall be acceded to, provided that such procedure is not incompatible with the law of the country applied to.

## ARTICLE 10.

No fees of any description shall be payable by one Contracting Party to the other in respect of the execution of any "Letters of Request."

Nevertheless, the Contracting Party making the request shall repay to the other Contracting Party any charges and expenses payable to witnesses, experts, interpreters, or

translators, the costs of obtaining the attendance of witnesses who have not appeared voluntarily, and the charges and expenses payable to any person whom the competent judicial authority may have deputed to act in cases where his municipal law permits this to be done, and any charges and expenses incurred by reason of a special procedure being requested and followed.

The repayment of these charges and expenses may be claimed by the judicial authority by whom the "Letters of Request" have been executed, when sending to him the documents establishing their execution, from the diplomatic or consular officer by whom they were transmitted. These charges and expenses shall be such as are usually allowed in such case in the courts of the country where the "Letters of Request" have been executed.

## ARTICLE 11.

(a) The evidence may also be taken without the intervention of the authorities of the country in which it is to be taken, by a diplomatic or consular officer of the Contracting Party before whose Courts the evidence is to be used:

Provided that this Article shall not apply to the taking of evidence of subjects or citizens of the Contracting Party in whose territory it is to be taken unless and until the German Government, at any time, by a notification\* given through their Ambassador in London, signify their consent to the Article being so applied, in which case this Article shall, as from the date of such notification, apply to such subjects or citizens if they consent to their evidence being so taken.

(b) The diplomatic or consular officer appointed to take the evidence may request named individuals to appear as witnesses or to produce any document, and shall have power to administer an oath, but he shall have no compulsory powers.

(c) The evidence may be taken in accordance with the procedure laid down by the law of the country in which the evidence is to be used, and the parties shall have the right to be present and to be represented by counsel or solicitors of that country, or by any person competent to appear before the tribunals of either country.

## ARTICLE 12.

(a) The competent court of the Contracting Party applied to may also be requested to cause the evidence to be taken by a diplomatic or consular officer of the Contracting Party making the request.

The court applied to shall, in the case of subjects or citizens of the Contracting Party making the request, take the necessary steps to secure the attendance of and the giving of evidence by witnesses and other persons to be examined, and the production of documents, making use, if necessary, of its compulsory powers.

(b) The person thus nominated shall have power to administer an oath. The evidence shall be taken in accordance with the law of the country in which it is to be used, and the parties shall have the right to be present in person or represented by counsel or solicitors of that country or by any persons who are competent to act before the courts of either country.

## ARTICLE 13.

The fact that an attempt to take evidence by the method laid down in article 11 has failed owing to the refusal of any witnesses to appear or to give evidence, or to produce documents does not preclude an application being subsequently made in accordance with Articles 9 or 12.

## ARTICLE 14.

The subjects or citizens of one Contracting Party shall enjoy in the territories (to which the Convention applies) of the other Contracting Party a perfect equality of treatment as regards free judicial assistance for poor persons and imprisonment for debt, and, provided that they are resident in any such territory, shall not be compelled to give security for costs in any case where a subject or citizen of such other Contracting Party would not be so compelled.

\* This notification was made by the German Ambassador on February 15, 1929.

## IV.—General Provisions.

## ARTICLE 15.

Any difficulties which may arise in connection with the operation of this Convention shall be settled through the diplomatic channel.

## ARTICLE 16.

The present Convention, of which the English and German texts are equally authentic, shall be subject to ratification. Ratifications shall be exchanged at Berlin and the Convention shall come into force one month after the date on which ratifications are exchanged, and shall remain in force for three years after the date of its coming into force. In case neither of the Contracting Parties shall have given notice to the other six months before the expiration of the said period of three years of his intention to terminate the Convention, it shall remain in force until the expiration of six months from the day on which either of the Contracting Parties shall have given such notice.

## ARTICLE 17.

(a) The present Convention shall not apply *ipso facto* to Scotland or Northern Ireland, nor to any of His Britannic Majesty's Colonies or Protectorates nor to any territories under his suzerainty, nor to any mandated areas administered by his Government in Great Britain, but His Britannic Majesty may at any time, by a notification given through His Majesty's Ambassador at Berlin, extend the operation of this Convention to any of the above-mentioned territories.

(b) Such notification shall state the date on which such extension shall come into force, the authorities in the territory concerned to whom judicial and extra-judicial documents and "Letters of Request" are to be transmitted, and the language in which communications to such authorities and translations should be made. The date of the coming into force of any such extension shall not be less than one month from the date of such notification.

(c) Either of the Contracting Parties may, at any time after the expiry of three years from the coming into force of the extension of this Convention to any of the territories referred to in paragraph (a) of this Article, terminate such extension on giving six month's previous notice.

## ARTICLE 18.

(a) His Britannic Majesty may at any time, by a notification given through his Ambassador at Berlin, accede to the present Convention in respect of any of his self-governing Dominions or India. The provisions of Article 17 (b) shall be applicable to any such notification. Any such accession shall take effect one month after the date of its notification.

(b) After the expiry of a period of three years from the date of the coming into force of any accession under paragraph (a) of this Article, either of the Contracting Parties may, by giving six months' notice, terminate the application of the Convention to any country in respect of which such notification of accession has been given. In the absence of such notice, the termination of the Convention under Article 16 shall not affect its application to any such country.

(c) Any notification made under paragraph (a) of this Article may include any dependency or mandated area administered by the Government of the country in respect of which the notification of accession is given; and any notice of termination given under paragraph (b) shall apply to any such dependency or mandated area which was included in such notification of accession.

No further shares shall be issued without the authority of the Company in General Meeting. Subject to any direction to the contrary which may be given by the meeting which authorizes the issue of further shares, the further shares to be issued shall be offered to the members in proportion to the existing shares held by them and such offer shall be made by notice specifying the number of shares to which the member is entitled and limiting the time within which the offer, if not accepted, will be deemed to be declined, and after the expiration of such time or on the receipt of an intimation from the member to whom such notice is given that he declines to accept the shares offered, the Directors may allot or otherwise dispose of the same to such persons and upon such terms as they think fit. The Directors may make arrangements on an issue of shares for a difference between the holders of such shares in the amount of calls to be paid and the time of payment of such calls.

6. If by the conditions of allotment of any share the amount of issue price thereof shall be payable by instalments every such instalment shall, when due, be paid to the Company by the person who for the time being shall be the registered holder of the share.

7. Every person taking any share in the Company shall testify his acceptance thereof by writing under his hand in such form as the Company from time to time directs.

8. Payments for shares shall be made in such manner as the Directors shall from time to time determine and direct.

9. Shares may be registered in the name of a firm, and any partner of the firm or agent duly authorized to sign the name of the firm shall be entitled to vote and to give proxies but not more than one partner may vote at a time.

10. Shares may be registered in the names of two or more persons not in partnership.

11. Any one of the joint-holders of a share, other than a firm, may give effectual receipts for any dividends payable in respect of such shares, but only one of such joint-Shareholders shall be entitled to the right of voting and of giving proxies and exercising the other rights and powers conferred on a sole Shareholder, and if the joint-holders cannot arrange amongst themselves as to who shall vote or give proxies and exercise the other rights and powers conferred on a sole Shareholder and if the joint-holders cannot arrange amongst themselves as to who shall vote or give proxies and exercise such other rights and powers conferred on a Shareholder the Shareholder whose name stands first in the register of shares shall vote or give proxies and exercise those rights and powers, provided however that in the event of such first registered Shareholder being absent from the Island, the first registered Shareholder then resident in Ceylon shall vote or give proxies and exercise all such rights and powers as aforesaid.

12. In case of the death of any one or more of the joint-holders, other than a firm, of any shares the survivor or survivors shall be the only person or persons recognized by the Company as having any title to, or interest in, such shares.

13. The joint-holders of a share shall be severally as well as jointly liable for the payment of all instalments and calls due in respect of such shares.

14. The Company shall not be bound to recognize (even though having notice of) any contingent, future, partial, or equitable interest in the nature of a trust or otherwise in any share or any other right in respect of any share, except any absolute right thereto in the person from time to time registered as the holder thereof and except, also the right of any person under clause 37 to become a Shareholder in respect of any share.

## INCREASE OF CAPITAL.

15. The Company in General Meeting may, by special resolution from time to time increase the capital by creation of new shares of such amount per share and in the aggregate, and with such special, preferential, deferred, qualified, or other rights, privileges, or conditions attached thereto as such resolution shall direct.

16. The new shares shall be issued upon such terms and conditions and with such preferential, deferred, qualified, special, or other rights, privileges, or conditions attached thereto as the General Meeting resolving on the creation thereof or any other General Meeting of the Company shall direct, and in particular such shares may be issued with a preferential or qualified right to the dividends and in the distribution of assets of the Company and with a special or without any right of voting. The Directors shall have power to add to such new shares such an amount of premium as they may consider proper.

17. Subject to any direction to the contrary that may be given by the meeting that sanctions the increase of capital, all new shares shall be offered to the holders of ordinary shares in proportion to the existing shares held by them. Such offer shall be made by notice specifying the number of shares to which the Shareholder is entitled, and limiting a time within which the offer, if not accepted, will be deemed to be declined, and after expiration of such time, or on the receipt of an intimation from the Shareholder to whom such notice is given that he declines to accept the shares offered the same shall be disposed of in such manner as the Directors may determine. Provided that the Directors may, at their discretion, allot such new shares or any portion of them in payment for any estates or lands or other property purchased or acquired by the Company, without first offering such shares to the registered Shareholders for the time being of the Company.

18. Except so far as otherwise provided by the conditions of issue or by these presents any capital raised by the creation of new shares be considered part of the original capital, and shall be subject to the provisions herein contained with reference to the payments of calls and instalments, transfer, transmission, forfeiture, lien, surrender, and otherwise.

## REDUCTION OF CAPITAL AND SUBDIVISION OR CONSOLIDATION OF SHARES.

19. The Company in General Meeting may by special resolution reduce the capital in such manner as such special resolution shall direct, and may by special resolution subdivide or consolidate the shares of the Company or any of them.

## SHARE CERTIFICATES.

20. Every Shareholder shall be entitled to one certificate for all the shares registered in his name, or to several certificates each for one or more of such shares. Every certificate shall specify the number of the share in respect of which it is issued.

21. The certificate of shares shall be issued under the Seal of the Company.

22. If any certificate be worn out or defaced, then, upon production thereof to the Directors, they may order the same to be cancelled, and may issue a new certificate in lieu thereof; and if any certificate be lost or destroyed, then, upon proof thereof to the satisfaction of the Directors, and on such indemnity as the Directors may deem adequate being given, new certificate in lieu thereof shall be given to the person entitled to such lost or destroyed certificate. A sum of fifty cents shall be payable for such new certificate.

23. The certificate of shares registered in the names of two or more persons not a firm shall be delivered to the person first-named in the register.

## TRANSFER OF SHARES.

24. Shares in the Company may be transferred by transfer in the usual common form. The instrument of transfer shall be signed by both the transferor and the transferee, and shall contain the name, address, and occupation of the transferee, and the transferor shall be deemed to remain the holder of the shares until the name of the transferee is entered in the register in respect thereof.

25. Every instrument of transfer shall be left at the office or such other place as the Board may prescribe, with the certificate of every share to be thereby transferred, and such other evidence as the Board may reasonably require to prove the title of the transferor or his right to transfer the shares, and the instrument of transfer and certificate shall remain in the custody of the Board, but shall be at all reasonable times produced at the request and expense of the transferor or transferee and their respective representatives or any of them. A new certificate shall be delivered to the transferee after the transfer is completed and registered on his application for the same, and when necessary a balance certificate shall be delivered to the transferor. A fee not exceeding One Rupee may be charged for each transfer.

26. The person proposing to transfer any share (hereinafter called "the proposing transferor") shall give notice in writing (hereinafter called "the transfer notice") to the Company that he desires to transfer the same. Such notice shall specify the sum he fixes as the fair value and shall constitute the Company his agent for the sale of the share at the price so fixed, or, at the option of the purchaser, at the fair value to be fixed by the Auditors in accordance with these articles. The transfer notice may include several shares, and in such case shall operate as if it were a separate notice in respect of each. The transfer notice shall not be revocable except with the sanction of the Directors.

27. The Company in General Meeting may make and from time to time vary rules as to the mode in which any share specified in any transfer notice given to the Company as aforesaid shall be offered to the members, and as to their rights in regard to the purchase thereof, and in particular may give any member or class of members a preferential right to purchase the same. Until otherwise determined by extraordinary resolution of the Company the share specified in the transfer notice given to the Company as aforesaid shall be offered by the Company in the first place to the Directors of the Company for the time being and such offer shall be made to them collectively and individually, but so that in the case of competition they shall rank for acceptance *pari pas u* in proportion to the shares held by them respectively, and so that if any shares cannot be so apportioned such shares shall be offered to them in order determined by lot, and each of the said Directors shall cause lots to be drawn accordingly. Any shares not taken up by the Directors within 90 days shall be offered by the Company to any person selected by the Directors whom they may deem it desirable in the interest of the Company to admit to membership. Subject as aforesaid the shares shall be offered by the Company to the members other than the proposing transferor, as nearly as may be in proportion to the existing shares held by them respectively. The offer whether to a person selected as aforesaid or to a member shall in each case, limit the time (not exceeding 90 days) within which the same, if not accepted, will be deemed to be declined, and may notify to the members that any member who desires an allotment of shares in excess of his proportion, should in his reply state how many excess shares he desires to have, and if all members do not claim their proportions the unclaimed shares shall be used for satisfying the claims in excess. If any shares shall not be capable, without fractions of being offered to the members in proportion to their existing holdings, the same shall be offered to the members or some of them, in such proportions or in such manner as may be determined by lots to be drawn under the direction of the Directors.

28. If the Company shall within the time limited as aforesaid or within 180 days after being served with the transfer notice find a member or person selected as aforesaid willing to purchase the share (hereinafter called "the purchasing member") and shall give notice thereof to the proposing transferor, he shall be bound upon payment of the fair value to transfer the share to the purchasing member.

29. In case any difference arises between the proposing transferor and the purchasing member as to the fair value of a share, the Auditors shall, on the application of either party, certify in writing the sum which, in their opinion, is the fair value, and such sum shall be deemed to be the fair value, and in so certifying the Auditors shall be considered as acting as experts and not as arbitrators.

30. If in any case the proposing transferor, after having become bound as aforesaid makes default in transferring the share, the Company may receive the purchase money, and shall thereupon cause the name of the purchasing member to be entered in the register as the holder of the share, and shall hold the purchase money in trust for the proposing transferor. The receipt of the Company for the purchase money shall be a good discharge to the purchasing member, and after his name has been entered in the register in purported exercise of the aforesaid power, the validity of the proceedings shall not be questioned by any person.

31. If the Company shall not, within the time limited as aforesaid or within 180 days after being served with the transfer notice, find a member willing to purchase the shares, and give notice in manner aforesaid, the proposing transferor shall at any time within 90 days afterwards be at liberty to sell and transfer the shares (or those not placed) to any person and at any price.

32. The Directors may refuse to register any transfer of shares (a) where the Company has a lien on the shares, or (b) where the Directors are not of an opinion that it is desirable to admit the proposed transferee to membership. But paragraph (b) of this article shall not apply where the proposed transferee is already a member.

33. The holders for the time being of nine-tenths of the issued capital may at any time serve the Company with a requisition to enforce the transfer of any particular shares not held by the requisitionists. The Company shall forthwith give to the holder of such shares notice in writing of the requisition (with a copy of this article subjoined), and unless within 14 days afterwards the holder shall give to the Company a transfer notice in respect of his shares in accordance with Article 26 hereof he shall be deemed at the expiration of that period to have actually given such notice, and to have specified therein the amount of capital paid upon the shares as the sum he fixes as the fair value for the purposes of this article, any person entitled under Article 37 or otherwise to transfer shall be deemed the holder of such share.

34. The Company shall provide a register of transfers, which shall be kept by the Secretary or Secretaries under the control of the Board, and in which shall be entered the particulars of every transfer or transmission of every share.

35. No transfers shall be made to a minor or person of unsound mind.

36. The register may be closed during such time as the Board think fit not exceeding the whole 21 days in any one year.

#### TRANSMISSION OF SHARES.

37. On the death of any member (not being one of several joint-holders of a share) the executors or administrators of such deceased member shall be the only persons recognized by the Company as having any title to such share.

38. Any person becoming entitled to shares in consequence of the death, bankruptcy, or insolvency of any member, upon producing such evidence that he sustains the character in respect of which he proposes to act under this clause, or of his title, as the Directors think sufficient, may, with the consent of the Directors (which they shall not be under any obligation to give), be registered as a member in respect of such shares, or may, subject to the regulations as to transfer hereinbefore contained, transfer such shares.

39. A person becoming entitled to a share by reason of the death, bankruptcy, or insolvency of the holder shall be entitled to the same dividends and other advantages to which he would be entitled if he were the registered holder of the share except that he shall not, before being registered a member in respect of the share, be entitled in respect of it to exercise any right conferred by membership in relation to meetings of the Company.

#### SURRENDER AND FORFEITURE OF SHARES.

40. The Directors may accept, in the name and for the benefit of the Company, and upon such terms and conditions as may be agreed upon, a surrender of the shares of Shareholders who may be desirous of retiring from the Company—

(a) If the Shareholder fails to pay any call or instalment on or before the day appointed for the payment of the same, the Directors may at any time thereafter, during such time as the call or instalment remains unpaid, serve a notice on such Shareholder or his executors or administrators, or the trustee or assignee in his bankruptcy, requiring him to pay the same, together with any interest that may have accrued, at the rate of 9 per cent. per annum, and all expenses that may have been incurred by the Company, by reason of such non-payment.

(b) The notice shall name a day (not being less than one month from the date of the notice) on, and a place or places at which such call or instalment and such interest and expenses aforesaid are to be paid, the notice shall also state that, in the event of non-payment at or before the time and at the place appointed the shares in respect of which the call was made or instalment is payable will be liable to be forfeited.

(c) If the requisition of such notice as aforesaid be not complied with, every or any share or shares in respect of which such notice has been given may, at any time thereafter, before payment of calls or instalments with interest and expenses due in respect thereof, be declared forfeited by a resolution of the Board to that effect.

(d) Any Shareholder whose shares have been declared forfeited under any of the provisions hereinbefore contained shall, notwithstanding, be liable to pay, and shall forthwith pay to the Company, all calls, instalments, interests, and expenses owing upon or in respect of shares at the time of the forfeiture, together with interest thereon from the time of forfeiture until payment at 9 per cent. per annum and the Directors may enforce the payment thereof if they think fit.

41. Every share surrendered or declared forfeited under any of the provisions hereinbefore contained shall be deemed to be the property of the Company, and may be sold, reallocated, or otherwise disposed of upon such terms and in such manner as the Board shall think fit.

42. The surrender and forfeiture of a share shall involve the extinction of all interest in, and also of all claims and demands against, the Company in respect of the share and the proceeds thereof, and all other rights incident to the share, except only such of those rights (if any) as by these presents are expressly saved.

43. A certificate in writing under the hands of two of the Directors and of the Secretary or Secretaries that a share has been duly surrendered or forfeited, stating the time when it was surrendered or forfeited, shall be conclusive evidence of the facts herein stated as against all persons who would have been entitled to the share but for such surrender or forfeiture, such certificate and the receipt of the Company for the price of such share shall constitute a good title to such share, and a certificate of proprietorship shall be delivered to any person who may purchase the same from the Company, such purchaser thereupon shall be deemed the holder of such share, discharged from all calls due prior to such purchase; and he shall not be bound to see to the application of the purchase money, nor shall his title to such share be affected by any irregularity in the proceedings in reference to such forfeiture or sale.

44. The Directors may in their discretion remit or annul the forfeiture of any share within six months from the date thereof upon the payment of moneys due to the Company from late holder or holders of such share or shares, and all expenses incurred in relation to such forfeiture, together with such further some of money, by way of redemption money

for the deficit as they shall think fit, not being less than 9 per cent. per annum on the amount of sums wherein default in payment had been made, but no share *bona fide* sold, reallocated, or otherwise disposed of under Article 41 thereof, shall be redeemable after sale or disposal.

45. The Company shall have a first charge or paramount lien upon all the shares of any holder or joint-holder for all moneys for the time being due to the Company by such holder, or by all or any of such joint-holders respectively, either in respect of such shares or of other shares held by such holder or joint-holder or otherwise, and whether due from any such holder individually or jointly with others including all calls, resolutions for which shall have been passed by the Directors, although the time appointed for the payment thereof shall not have arrived, and where any share is held by more persons than one, the Company shall be entitled to the said charge or lien in respect of any money due to the Company from any of such persons. The Directors may decline to register any transfer of shares subject to such charge or lien.

46. Such charge or lien may be made available by a sale of all or any of the shares subject to it, provided that no such sale shall be made except under a resolution of the Directors, and until notice in writing shall have been given to the indebted Shareholder or his executors or administrators, or the assignee or trustee in his bankruptcy, requiring him or them to pay the amount for the time being due to the Company, and default shall have been made for twenty-eight days from such notice in paying the sum thereby required to be paid. Should the Shareholder over whose share the lien exists be in England or elsewhere abroad, sixty days' notice shall be allowed to him.

47. The nett proceeds of any such sale as aforesaid under the provisions of Articles 41 and 46 hereof shall be applied in or towards the satisfaction of such debts, liabilities, or engagements, and the residue (if any) shall be paid to such Shareholder or his representatives.

A certificate in writing under the hands of two of the Directors and of the Secretary or Secretaries that the power of sale given by clause 46 has arisen, and is exercisable by the Company under these presents, shall be conclusive evidence of facts therein stated.

48. Upon any sale after forfeiture or for enforcing a lien in purported exercise of the powers herein given, the Board may cause the purchaser's name to be entered in the register in respect of the shares sold, and the purchaser shall not be bound to see to the regularity of the proceedings, or to the application of the purchase money, and after his name has been entered in the register in respect of such shares, the validity of the sale shall not be impeached by any person, and the remedy of any person aggrieved by the sale shall in damages only and against the Company exclusively.

#### PREFERENCE SHARES.

49. Any shares from time to time to be issued or created may from time to time be issued with any such right of preference, whether in respect of dividend or of payment of capital or both, or any such other special privilege or advantage over any shares previously issued, or then about to be issued (other than shares issued with a preference), or with such deferred rights as compared with any shares previously issued or then about to be issued, or subject to any such conditions or provisions, and with any such right or without any right of voting, and generally on such terms as the Company may, from time to time by special resolution, determine.

50. If at any time by the issue of preference shares or otherwise the capital is divided into shares of different classes—

- (1) The holders of any class of shares by an extraordinary resolution passed at a meeting of such holders may consent, on behalf of all the holders of shares of the class, to the issue or creation of any shares ranking equally therewith, or having any priority thereto, or to the abandonment of any preference or priority or any accrued dividend, or the reduction for any time or permanently of the dividends payable thereon, or to any scheme for the reduction of the Company's capital affecting the class of shares.
- (2) All or any of the rights, privileges, and conditions attached to each class may be commuted, abrogated, abandoned, added to, or otherwise modified by a special resolution of the Company in General Meeting, provided the holders of any class of shares, affected by any such commutation, abrogation, abandonment, addition, or other modifications of such rights, privileges, and conditions, consent thereto, on behalf of all the holders of shares of the class, by an extraordinary resolution passed at a meeting of such holders.

51. Any extraordinary resolution passed under the provisions of this article shall be binding upon all the holders of shares of the class, provided that this article shall not be read as implying the necessity for such consent as aforesaid in any case in which but for this article the object of the resolutions could have been affected without it.

52. Any meeting for the purpose of the last preceding clause shall be convened and conducted in all respects as nearly as possible in the same way as an Extraordinary General Meeting of the Company, provided that no Shareholder, not being a Director, shall be entitled to notice thereof or to attend thereat, unless he be a holder of shares of the class intended to be affected by the resolution, and that no vote shall be given except in respect of a share, of that class, and that at any such meeting a poll may be demanded in writing by any Shareholder personally present and entitled to vote at a meeting.

#### CALLS.

53. (a) The Directors may from time to time make such calls as they think fit upon the registered holders of shares, in respect of moneys unpaid thereon, and not by the conditions of allotment made payable at fixed times, and each Shareholder shall pay the amount of every call so made on him to the persons and at the times and places appointed by the Directors, provided that two months' notice at least shall be given to the Shareholders of the time and place appointed for payment of such call.

(b) A call shall be deemed to have been made at the time when the resolution authorizing the call was passed at a Board Meeting of Directors or by resolution in writing in terms of Article 119.

(c) The Directors shall have power in their absolute discretion to give time to any one or more Shareholder or Shareholders, exclusive of the others, for payment of any call or part thereof on such terms as the Directors may determine. But no Shareholder shall be entitled to any such extension except as a matter of grace or favour.

54. Any sum or premium which by the terms of allotment of a share is made payable upon allotment or at any fixed date, and any instalment of a call or premium shall, for all purpose of these presents, be deemed to be a call duly made and payable on the date fixed for payment, and in case of non-payment the provisions of these presents as to payment of interest and expenses, forfeiture, and the like, and all other relevant provisions of these presents shall apply as if such sum, premium, or instalment were a call duly made and notified as hereto provided.

55. If the sum payable in respect of any call or instalment is not paid on or before the day appointed for the payment thereof, the holder for the time being of the share in respect of which the call shall have been made, or the instalment shall have been due, shall pay interest for the same at the rate of 9 per cent. per annum from the day appointed for the payment thereof to the time of actual payment but the Directors may, when they think fit, remit altogether or in part any sum becoming payable for interest under this clause.

56. The Directors may at their discretion receive from any Shareholder willing to advance the same, and upon such terms as they think fit, all or any part of the amount of his shares beyond the sum actually called up.

## MEETINGS.

57. The First General Meeting of the Company shall be held at such time, not being more than twelve months after the registration of the Company, and at such place as the Directors may determine.
58. Subsequent General Meetings shall be held once in every year at such time and place as may be prescribed by the Company in General Meeting and if no time or place is prescribed, at such time and place as may be determined by the Directors.
59. The General Meetings mentioned in the two last preceding clauses shall be called Ordinary General Meetings, all other meetings of the Company shall be called Extraordinary General Meetings.
60. Any General Meeting convened by the Board, unless the time thereof shall have been fixed by General Meeting, or unless such General Meeting be convened in pursuance of such requisition as is hereinafter mentioned, may be postponed by the Board by notice in writing, and the meeting shall, subject to any further postponement or adjournment, be held at the postponed date for the purpose of transacting the business convened by the original notice.
61. The Directors may, whenever they think fit, call an Extraordinary General Meeting, and the Directors shall do so upon a requisition made in writing by not less than one-seventh of the number of Shareholders holding not less than one-seventh of the issued capital and entitled to vote.
62. Any requisition so made shall express the object of the meeting proposed to be called, shall be addressed to the Directors and shall be sent to the registered office of the Company, and may consist of several documents in like form, each signed by one or more of the requisitionists. Upon the receipt of such requisition the Directors shall forthwith proceed to convene an Extraordinary General Meeting, to be held at such time and place as they shall determine. If they do not proceed to convene the same within twenty-one days from the delivery of the requisition, the requisitionists may themselves convene an Extraordinary General Meeting to be held at such place and at such time as the Shareholders convening the Meeting may themselves fix.
63. If at any such meeting a resolution requiring confirmation at another meeting is passed, the Board shall forthwith convene a further Extraordinary General Meeting for the purpose of considering the resolution, and if thought fit of confirming it as a special resolution, and if the Board do not convene the meeting within seven days from the date of passing of the first resolution, the requisitionists or a majority of them in value may themselves convene the meeting.
64. Any meeting convened by requisitionists as aforesaid shall be convened in the same manner, as nearly as possible, as that in which meetings are convened by the Board.
65. Any holder of an ordinary share may, on giving not less than ten days' previous notice of any resolution, submit the same to a meeting. Such notice shall be given by leaving a copy of the resolution at the registered office of the Company.
66. Seven days' notice specifying the time and place of a meeting, and specifying also in the case of any special business, the general nature of the business to be transacted thereat, shall be given by the Secretary, or other officer of the Company or any other person appointed by the Board to do so, to such members as are entitled to receive notices from the Company, provided that with the consent in writing of all the holders of ordinary shares a meeting may be convened by a shorter notice and in any manner they think fit. Where it is proposed to pass a special resolution the two meetings may be convened by one and the same notice, and it is to be no objection to such notice that it only convenes the second meeting contingently on the resolution being passed by the requisite majority at the first meeting.
67. The accidental omission to give notice of any meeting to, or the non-receipt of such notice by, any member shall not invalidate any resolution passed or proceeding had at any such meeting.
68. Every Ordinary General Meeting shall be competent, without special notice having been given of the purposes for which it is convened, or of the business to be transacted thereat to receive and discuss any report and any accounts presented thereto by the Directors and to pass resolutions in approval or disapproval thereof, and to declare dividends, and to elect Directors and Auditors retiring in rotation, and to fix the remuneration of the Auditors, and shall also be competent to enter upon, discuss, and transact any business whatever, of which special mention shall have been made in the notice or notices upon which the meeting was convened.
69. With the exceptions mentioned in the foregoing articles as to the business which may be transacted at Ordinary General Meetings without notice, no General Meeting, Ordinary or Extraordinary, shall be competent to enter upon, discuss, or transact any business which has not been especially mentioned in the notice or notices upon which it was convened.
70. No business shall be transacted at any General Meeting except the declaration of a dividend recommended by a report of the Directors of the election of a Chairman, unless there shall be present in person at the commencement of the business two or more persons being Shareholders entitled to vote or persons holding proxies or powers of attorney from Shareholders entitled to vote.
71. If at the expiration of half an hour from the time appointed for the meeting the required number of persons shall not be present at the meeting, the meeting, if convened by or upon the requisition of Shareholders, shall be dissolved, but in any other case it shall stand adjourned to the same day in the next week at the same time and place, and if at such adjourned meeting a quorum is not present, those Shareholders who are present, shall be a quorum, and may transact the business for which the meeting was called.
72. The Chairman (if any) of the Directors shall be entitled to take the chair at every General Meeting, whether Ordinary or Extraordinary, but if there be no Chairman, or if at any meeting he shall not be present within 15 minutes after the time appointed for holding such meeting, or if he shall refuse to take the chair, or shall retire from the chair, the Shareholders shall choose another Director as Chairman, and if no Directors be present, or if all the Directors present decline to take the chair then the Shareholders present shall choose one of their number to be Chairman.
73. No business shall be discussed at any General Meeting except the election of a Chairman whilst the chair is vacant.
74. The Chairman, with the consent of the meeting, may adjourn any meeting from time to time and from place to place, but no business shall be transacted at any adjourned meeting other than the business left unfinished at the meeting from which the adjournment took place, unless due notice shall be given.
75. Minutes of the proceedings of every General Meeting, whether Ordinary or Extraordinary, shall be entered in a book to be kept for that purpose, and shall when so entered be signed as soon as practicable by the Chairman of the same meeting, or by the Chairman of the succeeding meeting, and the same when so entered and signed shall be evidence of all such proceedings and of the proper election of the Chairman.

## VOTING AT MEETINGS.

76. At any meeting every resolution shall be decided by the votes of the Shareholders present. In case there shall be an equality of votes, the Chairman at such meeting shall be entitled to give a casting vote in addition to the votes which he may be entitled as a Shareholder and proxy and attorney, and unless a poll be immediately demanded in writing by some Shareholders present at the meeting and entitled to vote, a declaration by the Chairman that a resolution had been carried, and an entry to that effect in the minute book of the Company, shall be sufficient evidence of the fact without proof of the number of votes recorded in favour of or against such resolution.

77. If a poll be duly demanded the same shall be taken in such manner and at such time and place as the Chairman shall direct, and the result of the poll shall be deemed to be the resolution of the meeting at which the poll was demanded. The demand of a poll shall not prevent the continuance of a meeting for the transaction of any business other than the question on which a poll has been demanded.

78. If at any meeting a poll be demanded by notice in writing signed by some Shareholder present at the meeting and entitled to vote, which notice shall be delivered during the meeting to the Chairman, the meeting shall if necessary be adjourned, and the poll shall be taken at such time and in such manner the Chairman shall direct, and in such case every Shareholder shall have the number of votes to which he may be entitled as hereinafter provided and in case at any such poll there shall be an equality of votes, the Chairman of the meeting at which such poll shall have been demanded shall be entitled to a casting vote in addition to any votes to which he may be entitled as a Shareholder and proxy and attorney, and the result of such poll be deemed to be the resolution of the Company in such meeting.

79. No poll shall be demanded on the election of a Chairman of the meeting or on any question of adjournment.

80. On a show of hands every holder of an ordinary share or ordinary shares present in person shall have one vote only. In case of a poll every holder of an Ordinary share or ordinary shares present in person or by proxy or attorney shall have one vote for every ordinary share held by him. Preference Shareholders shall not be entitled to be present at or to vote at any meeting of the Company. When voting on a resolution involving the winding-up of the Company every Shareholder shall have one vote for every share held by him, but no such resolution shall be deemed to be carried unless passed by three-fourths in number and value of such Shareholders of the Company for the time being entitled to vote as may be present in person or by proxy or by attorney at any meeting, of which notice specifying the intention to propose such resolution has been duly given.
