EASTERN CADETSHIPS IN THE COLONIAL SERVICE.
Open Competitive Examination, July and August, 1930.

The Civil Service Commissioners are now authorized by the Colonial Office to announce that there will be one vacancy for a Cadetship in Ceylon to be filled on the result of the examination to be held in London in July and August, 1930.

Civil Service Commission,
March 21, 1930.

EASTERN CADETSHIPS IN THE COLONIAL SERVICE.
Open Competition of 1930.

An Open Competitive Examination under the enclosed regulations will be held in London in 1930. The *viva voce* test (Subject 6) will take place in July, the written examination in Section B subjects will begin on the 25th July, and that in Section A subjects on the 1st August.

The number of vacancies to be filled on the result of this competition cannot yet be stated. It is understood that no vacancy in Ceylon can be foreseen at present; and candidates of Ceylonese descent, who are eligible for Ceylon Cadetships only, will enter the forthcoming competition for Eastern Cadetships entirely at their own risk.

When vacancies in different Colonies are offered for competition the successful candidates are allowed to indicate the Colony or Dependency to which they would prefer to be assigned, but the final allotment is decided by the Secretary of State for the Colonies upon a consideration of all the circumstances, including the wishes of the candidates, and the requirements of the public service will rank before every other consideration.

No person will be admitted to compete from whom the Secretary, Civil Service Commission, has not received, on or before the 8th May, 1930, an application in the candidate's own handwriting on the prescribed form, a copy of which is sent herewith. No allegation that an Application Form or a letter respecting such Form has been lost or delayed in the post will be considered by the Commissioners unless the person making such allegation produces a Post Office Certificate of Posting. Candidates who delay their applications until the last days will do so at their own risk.

Acknowledgments of such Application Forms are sent, and any candidate who has filled up and returned the printed Application Form but has not received an acknowledgment of it within four complete days should at once write to the Secretary, Civil Service Commission, Burlington Gardens, London, W. 1. Failure to comply with this provision will deprive the candidate of any claim to consideration.

*Candidates will be notified in June of the date and place fixed for their *viva voce* test and of the manner in which the fee (£8) is to be paid. The Time Table of the written part of the examination will probably be posted early in July to the address given on the Form of Application, and will contain instructions as to the time and place at which candidates are to attend.*

NOTE.

If Open Competitive Examinations for the following services, viz. :—

- Indian Civil Service ;
- Junior Grade of the Administrative Class in the Home Civil Service ;

should be held in 1930 concurrently with the Open Competitive Examination for Eastern Cadetships in the Colonial Service, candidates duly eligible in respect of age, &c., will be admitted to compete for any two or all three of these Services, subject to the following conditions :—

(1) Every successful candidate who may have been admitted to compete for either the Indian or the Colonial Service (or both), as well as for the Home Service, will be called upon to declare, immediately after the announcement of the result of the competitions, whether he prefers his name to remain on the list of candidates for the Indian or Colonial Service or on the list of candidates for the Home Service.

The name of any candidate who fails to declare his choice when called upon to do so will be removed from the list of candidates for the Home Service.

(2) Every successful candidate who may have been admitted to compete for both the Indian and Colonial Services will be called upon to declare, immediately after the announcement of the result of the competitions, whether he prefers his name to remain on the list of candidates for the Indian Service or on the list of candidates for the Colonial Service.

The name of any candidate who fails to declare his choice when called upon to do so will be removed from the list of candidates for the Colonial Service.

(3) All declarations of choice are irrevocable.

(4) Candidates for all three or any two of the above-mentioned services will be required to pay a consolidated fee of £8.

Procedure.

Immediately the results of the examination are known, all successful candidates will be summoned to attend at the Civil Service Commission to be medically examined and to state their choice among the services open to them and among the various Departments, Provinces, or Colonies. That statement of choice is irrevocable.

Evidence of Age.

A candidate born in the United Kingdom must not send in a birth certificate with this form, but must be prepared to produce it when required.

A European or Anglo-Indian who was born in India must be prepared to produce when required a certificate of baptism from the district in which he was baptized. If this does not also mention the date of birth it must be accompanied by a statutory declaration by one of the candidate's parents, stating the date and place of birth.

An Indian born in India must send in with this form a certificate under Government of India Notification No. 1114 of 12th September, 1918. If the candidate's family is resident in British India the certificate must be signed by the Secretary to the Government of their province or by the Commissioner of their division. If they reside in an Indian State it must be signed by the highest political officer accredited to that State.

Fee.

Fees are *not* to be forwarded by candidates. Instructions respecting the manner of payment of the fee prescribed (£8), and respecting the time and place of the examination, will be sent to candidates before the examination.

E. CadetsO.C.**Regulations for Examinations for Eastern Cadetships, viz., for Cadetships in the Civil Services of Ceylon, Hong Kong, and Malaya.**

1. The Cadets are selected by open competitive examination held by the Civil Service Commissioners, to whom all inquiries on the subject should be addressed.

Any such examination is open, under such general restrictions as may be laid down, to all natural-born, but not naturalized, British subjects, being of the requisite age, health, and character.

2. Candidates for Ceylon Cadetships must be natural-born British subjects either of pure European or Ceylonese descent on both sides or of mixed European and Ceylonese descent. Candidates for Hong Kong or Malayan Cadetships must be natural-born British subjects of pure European descent on both sides.

3. Candidates successful in the competition who may be assigned to any of these Cadetships may be called upon to satisfy the Secretary of State for the Colonies that they fulfil the above requirements as regards descent. To avoid delay candidates claiming to be of Ceylonese or mixed descent would do well to provide themselves in advance with a form of certificate by application to the Colonial Secretary's Office, Colombo.

4. The examinations for these appointments will, as a rule, be held in the months of July and August of those years in which vacancies have occurred in any of the above Services; and the successful Candidates will be allotted, as and when opportunity offers, to the various Colonies or States in which vacancies may exist upon a consideration of all the circumstances, including their own wishes; but the requirements of the Public Service will rank before every other consideration, and the Secretary of State retains full discretion to allot as he thinks fit.

5. Candidates for Cadetships in Ceylon and Hong Kong must have attained the age of 22 and must not have attained the age of 24 on the first day of August in the year in which the Examination is held. Candidates for Cadetships in Malaya must have attained the age of 21 and must not have attained the age of 24 on the first day of August in the year in which the Examination is held. All candidates must satisfy the Civil Service Commissioners that they are duly qualified in respect of health and character; they must be of sound constitution, possessed of good sight, and physically qualified for service in tropical climates, and they will be called upon to undergo a strict medical examination to test these points.

6. Candidates for Malayan Cadetships must be unmarried at the time of their appointment, and if they marry before taking up their duties in Malaya they will forfeit their appointments.

A married candidate will not be eligible for appointment to a Ceylon Cadetship without the special consent of the Governor of Ceylon.

7. The examination will include the following subjects.* The numerical value is shown against each subject.

No candidate may offer any language or General Anthropology or Special Anthropology twice in the examination.

No candidate may offer in Sections A and C together two languages of the group Italian, Spanish, Portuguese, or two of the group Norwegian, Swedish, Danish.

Only a candidate who takes two modern languages in Section B may offer Latin or Ancient Greek as an auxiliary language.

Instead of an auxiliary language a candidate whose mother tongue is a Ceylonese language may offer as subject 5 either General Anthropology or Special Anthropology.

10. A candidate desiring to offer subject 24 or any of the subjects 31 to 43 must produce evidence satisfactory to the Commissioners of laboratory training in an institution of university rank. For Astronomy (29), Geography (44), the Physical Anthropology branch of Special Anthropology (46), and Agriculture (47), other equivalent training will be required. There will be no laboratory test as a part of the examination.

11. From the marks assigned to candidates in each subject such deduction will be made as the Civil Service Commissioners may deem necessary in order to secure that no credit be allowed for merely superficial knowledge.

12. Moreover, if a candidate's handwriting is not easily legible, a further deduction will, on that account, be made from the total marks otherwise accruing to him.*

13. Application for permission to attend one of these examinations must be made in the handwriting of the candidate, at such times and in such manner as may be fixed by the Commissioners.

14. A fee of £8 will be required from every candidate attending an examination.†

Civil Service Commission,
March, 1930.

ANNOUNCEMENT

made by the Civil Service Commissioners with the authority of the Colonial Office :—

Successful candidates who are allotted to Cadetships in Malaya will be required, before embarkation, to take a course in the Malay language at the School of Oriental Studies, to be followed by an examination conducted by the authorities of the School. The order of seniority of candidates in the Malayan service will be determined by a combination of the marks gained in the general competitive examination and of those obtained in the examination in the Malay language; but any candidate failing altogether in the latter will be relegated automatically to the bottom of the list.

An allowance at the rate of £20 a month will be given to candidates from the date of selection to the date on which they are required to embark for Malaya.

* It is notified for general information that the number of marks deducted for bad handwriting may be considerable.

† When an Open Competitive Examination for Eastern Cadetships in the Colonial Service is held concurrently with an Open Competitive Examination for the Indian, or the Home Civil Service, Candidates admitted to compete for any two or all of these Services will be required to pay only one consolidated fee of £8.

- (e) The reservoir readings for January, 1930.

Resolved that the statement (a), together with the Minutes of Proceedings of this Meeting, as required by section 83 of the Municipal Councils Ordinance, No. 6 of 1910, be forwarded to the Colonial Secretary for publication in the *Government Gazette*.

3. The following papers were laid on the table:—Reports by the several Inspectors on laundries, bakeries, dairies, standpipes, and house service taps inspected during January, 1930.

4. Petitions:—Mr. Wijayatilake presented petitions from—(1) The residents complaining of the inconvenience that would result from the removal of the firewood depôts to distant parts of the town. (2) Mr. S. Zainudeen of 331, Peradeniya road, complaining of the damage done to his building by an underground drain and asking for permission to build his house over the said drain. (3) Cader Meera Saibo, asking that the licence of temporary boutique No. 8, market grounds be transferred in his favour.

The Chairman undertook to look into the several matters referred to in the petitions.

5. Correspondence:—(1) Letter of January 17, 1930, from Mr. A. V. Perera, late Member for Ward No. 4, thanking the Council for their vote of appreciation of his services.—Read.

(2) Letter No. W. 278/29 of January 18, 1930, from the Hon. the Colonial Secretary regarding the question of responsibility for payment of compensation where buildings are re-erected on street lines laid down upon roads maintained by the Public Works Department.—Read.

(3) Letter No. W. 368/29 of January 30, 1930, from the Hon. the Colonial Secretary intimating that Dr. E. W. Scharenguivel, Provincial Surgeon, Central Province, has been nominated to be a Member of the Municipal Council, Kandy, for the period ending December 31, 1932, *vice* Dr. F. Keyt.—Read.

(4) Letter of February 11, 1930, from the President, Kandy Municipal Co-operative Saving Society, intimating that the staff of the Kandy Municipal Council have formed a Co-operative Saving Society and asking for sanction to deduct the monthly contributions on the pay sheet.—Resolved that sanction be allowed accordingly.

6. Pursuant to notice Mr. Soysa asked:—(1) Owing to the bad condition of the pavements lying on either sides of Brownrigg street between King street and Ward street junctions, will the Chairman be pleased to give instructions to the Superintendent of Works to have them paved as done in Ward street and other streets? (2) Considering the bad and unsightly state of the Esplanade, the principal open space in the town, will the Chairman be pleased to communicate with the Director of the Botanical Gardens with a view to having the plot round the South African Memorial re-laid as an ornamental and floral area and having seats provided, and the re-edging of the larger green facing the Maligawa, as well as re-laying and planting the small park behind the Kandy Art Museum on payment, if necessary, of an annual sum for their upkeep.

The Chairman replied as follows:—(1) I will certainly request the Municipal Engineer to prepare an estimate for this work. I am well aware of the desirability of pavements not only here but in portions of Castle Hill street.—The estimate will be laid before the Council in due course, but whether the Municipal Engineer will be able to undertake the work this year I am at present unable to say.

(2) The Works Committee at its January meetings resolved to request the Municipal Engineer to prepare an estimate for an ornamental railing round both portions of the Esplanade. In my opinion an unscalable and impenetrable fence or railing is an indispensable preliminary to the improvement of the Esplanade and to the growth of a good live fence or hedge. Such a railing will be very costly, and I suggest that we consider the estimate which the Municipal Engineer has been asked to prepare before proceeding further. I will communicate with the Director of the Royal Botanical Gardens regarding the small park near the Museum, as the honourable Member suggests.

7. Tenders for—(1) Building an additional stall near the Mahaiyawa beef stall. (2) Building six dhobies' store rooms at Deyannawela.

Resolved that the tenders of D. J. Ponweera for Rs. 904·12 for (1) and Rs. 1,284·62 for (2) be accepted.

8. To add the following to Leave By-law 12 (1):—Provided that vacation leave may be accumulated for three years for purposes of leave out of the Island, other than leave preparatory to retirement.

Resolved that the by-law be amended accordingly.

8. To elect a member to serve on the Standing Committee on Markets and Sanitation, *vice* Dr. F. Keyt.—Dr. E. W. Scharenguivel was elected.
