7. Tenderers should satisfy themselves by inspection before tendering, as to the acreage and contents of the demarcated coupes referred to in the annexed schedule, as the figures given therein are estimated only, and their correctness is in no way guaranteed. The boundaries of each coupe will be pointed out by the Range Forest Officer, Muthur.

8. The successful tenderer will be required to execute a purchase agreement in respect of each coupe. A copy of this agreement can be seen at the Office of the Divisional Forest Officer, Eastern Division (North), Trincomalee.

9. Before execution of the agreement, the purchaser will be required to pay the full purchase amount, and to deposit as security for efficient and punctual fulfilment of the agreement, 5 per cent. of the full purchase amount tendered by him.

10. After payment of the purchase amount, deposit of the security, and execution of the agreement, the purchaser will be entitled on application to the refund of Rs. 20 deposited by him for tender form.

11. Tenderers should make separate offers, written both in words and figures, for the timber and firewood contained in each coupe described in the annexed schedule.

13. The special rules for felling, conversion, and removal, which the agreement will require to be observed, are specified in the special conditions advertised below. 14. Should any tender be accepted, and should the successful tenderer, after due notification, decline or fail to pay any sum or sums stipulated for and to enter into the necessary agreement within 14 days of receiving notice, in writing from the Divisional Forest Officer, Eastern Division (North), Trincomalee, or in reasonable time, the tenderer will be held pecuniarily liable for any resultant loss to Government, and his tender form deposit forfeited to the Crown. Special Conditions.

(1) On payment of the full purchase amount the purchaser shall be entitled to fell and remove on or before September 30, 1930; in the manner specified below, all the enumerated timber and firewood contained in the purchased coupe or coupes. Any timber and firewood not removed by the date of expiry of agreement shall revert to the Crown.

(2) Should the purchaser fell or remove trees or firewood from any area of the coupe he has not paid for, or from any area of forest outside the demarcated boundaries of his coupe, nothing in the agreement shall exempt him from liability to punishment for illicit felling and removal under the provisions of the Forest Ordinance, No. 16 of 1907, and of the rules framed thereunder. For the purpose of special condition it shall be presumed that the purchaser has, previous to entering into the agreement, satisfied himself as to the position of the lines demarcating his coupe, and that the purchaser has further agreed that he shall not, in the event of any dispute, put forward a plea of ignorance of the limits or extent of his coupe.

(3) The purchaser or his agent or any of his employees shall not block up the boundaries by depositing any brushwood or branches. Should the lines become blocked due to unavoidable circumstances, such lines should be at once cleared by the purchaser.

(4) The purchaser shall, not for the purpose of removing timber or firewood from his own coupe enter into any other area of forest not paid for by him, except with the permission of the Range Forest Officer, and along paths permitted by him.

(5) The purchaser or his agent or any of his employees shall not prevent any other purchaser of timber and firewood in the adjoining coupes from entering into the coupe paid for by the former, either in person or by his agent, or

by his employees or from bringing in any animal for purpose effecting easy removal of timber and firewood, provided such entry is made with the permission of the Range Forest Officer, Muthur, in writing.

(6) Cart notes for removal of timber and firewood must be obtained from the Forest Officer in charge of timber exploitation, in respect of all forest produce before removal of any such produce to depôts outside the area of the coupe, and any removal of any forest-produce without the authority of such cart notes will be considered an infringement of this rule and punished as provided hereunder. All such cart notes must be retained to be produced before the Range Forest Officer, Muthur, before removal permits can be issued for removal of such produce from such depôt to any final destination. For the purpose of this clause the purchaser shall select for his purpose, with the approval of the Range Forest Officer, Muthur, a plot of ground outside the limits of the coupe for a depôt. The site of such depôt shall not be changed without permission.

(7) The purchaser shall agree that for each and every infringement of the above conditions he shall become liable to a fine of an amount not exceeding Rs. 100, to be imposed in writing by and at the discretion of the Divisional Forest Officer, Trincomalee, and this fine will be recovered from the tenderer's security deposit.

(8) The purchaser shall also agree that, in the event of security money having become exhausted, it shall be within the discretion of the Divisional Forest Officer, either (a) to accept a further security deposit amounting to 5 per cent. of the full purchase price, or (b) to cancel the agreement and to refund the purchaser such balance of the paid purchase money, if any, as remains after deducting the value of all timber and firewood removed by the purchaser of the date of such cancellation. For the purpose of this clause the value of each cubic foot of timber and cubic yard of firewood removed shall be fixed at full royalty rates.

(9) The purchaser shall have the right of appeal to the Conservator of Forests in the event of enforcement of any of the penalties specified in these conditions, and the purchaser shall agree to accept the Conservator of Forests' decision as final and binding.

19. *Liability of Joint-holders.*—The joint-holders of a share shall be severally as well as jointly liable for the payment of all instalments and calls due in respect of such share.

43. *Directors may accept Surrender of Shares.*—The Directors may accept, in the name and for the benefit of the Company, and upon such terms and conditions as may be agreed upon a surrender of the shares of Shareholders who may be desirous of retiring from the Company.

44. *If Call or Instalment not paid, Notice to be given to Shareholder.*—If any Shareholder fails to pay any call or instalment on or before the day appointed for the payment of the same, the Directors may at any time thereafter, during such time as the call or instalment remains unpaid, serve a notice on such Shareholder requiring him to pay the same, together with any interest that may have accrued, at the rate of 9 per cent. per annum, and all expenses that may have been incurred by the Company by reason of such non-payment.

45. *Terms of Notice.*—The notice shall name a day (not being less than one month from the date of the notice) on and a place or places at which such call or instalment and such interest and expenses as aforesaid are to be paid; the notice shall also state that, in the event of non-payment at or before the time and at the place appointed, the shares in respect of which the call was made or instalment is payable will be liable to be forfeited.

46. *In default of Payment, Shares to be forfeited.*—If the requisition of such notice as aforesaid be not complied with, every or any share or shares in respect of which such notice has been given may at any time thereafter, before payment of calls or instalments, with interest, and expenses due in respect thereof, be declared forfeited by a resolution of the Board to that effect.

47. *Shareholder still liable to pay Money owing at time of Forfeiture.*—Any shareholder whose shares have been so declared forfeited shall, notwithstanding, be liable to pay and shall forthwith pay to the Company all calls, instalments, interest, and expenses owing upon or in respect of such shares at the time of forfeiture, together with interest thereon at 9 per cent. per annum, from the time of forfeiture until payment and the Directors may enforce the payment thereof if they think fit.

48. *Surrendered or forfeited Shares to be the Property of the Company and may be sold, &c.*—Every share surrendered or so declared forfeited shall be deemed to be the property of the Company, and may be sold, re-allotted, or otherwise disposed of upon such terms and in such manner as the Board shall think fit.

49. *Effect of Surrender or Forfeiture.*—The surrender or forfeiture of a share shall involve the extinction of all interest in, and also of all claims and demands against the Company in respect of the share and the proceeds thereof, and all other rights incident to the share, except only such of those rights (if any) as by these presents are expressly saved.

50. *Certificates of Surrender or Forfeiture.*—A certificate in writing under the hands of two of the Directors and of the Agents, or Secretaries that a share has been duly surrendered or forfeited, stating the time when it was surrendered or forfeited shall be conclusive evidence of the facts therein stated as against all persons who would have been entitled to the share but for such surrender or forfeiture; such certificate and the receipt of the Company for the price of such share shall constitute a good title to such share, and a certificate of proprietorship shall be delivered to any person who may purchase the same from the Company; such purchaser thereupon shall be deemed the holder of such share, discharged from all calls due prior to such purchase, and he shall not be bound to see to the application of the purchase money nor shall his title to such share be affected by any irregularity in the proceedings in reference to such forfeiture or sale.

51. *Forfeiture may be remitted.*—The Directors may in their discretion remit or annul the forfeiture of any share within six months from the date thereof upon the payment of all moneys due to the Company from the late holder or holders of such share or shares, and all expenses incurred in relation to such forfeiture, together with such further sum of money by way of redemption money for the deficit, as they shall think fit, not being less than 9 per cent. per annum on the amount of the sums wherein default in payment had been made, but no share *bona fide* sold or re-allotted, or otherwise disposed of under Article 48 hereof, shall be redeemable after sale or disposal.

52. *Company's Lien on Shares.*—The Company shall have a first and paramount lien upon all the shares registered in the name of each Shareholder (whether solely or jointly with others) and upon the proceeds of sale thereof for his debts, liabilities and engagements, solely or jointly with any other person to or with the Company, whether the period for the payment, fulfilment or discharge thereof shall have actually arrived or not, and no equitable interest, in any share shall be created except upon the footing and condition that Article 20 hereof is to have full effect, and such lien shall extend to all dividends from time to time declared in respect of such shares and to all moneys paid in advance of calls thereon. Unless otherwise agreed, the registration of a transfer of shares shall operate as a waiver of the Company's lien (if any) on such shares.

53. *Lien how made available and Proceeds how applied.*—For the purpose of enforcing such lien the Board may sell the shares subject thereto in such manner as they think fit, but no sale shall be made until such time as the moneys are presently payable, and notice in writing stating the amount due, and giving notice of intention to sell in default shall have been served on such Shareholder or the person (if any) entitled by transmission to the shares and default shall have been

made for seven clear days after such notice. The net proceeds of any such sale shall be applied in or towards satisfaction of the debts, liabilities and engagements aforesaid, and the residue (if any) shall be paid to the Shareholder or the person (if any) entitled by transmission to the shares or who would be so entitled but for such sale. Should the Shareholder over whose share the lien exists be in England or elsewhere abroad, sixty days' notice shall be allowed him.

54. *Certificate of Sale.*—A certificate in writing under the hands of two of the Directors and of the Agents and/or Secretaries that the power of sale given by Article 53 has arisen, and is exercisable by the Company under these presents shall be conclusive evidence of the facts therein stated.

55. *Transfer on Sale how executed.*—Upon any such sale two of the Directors may execute a transfer of such share to the purchaser thereof, and such transfer, with the certificate last aforesaid, shall confer on the purchaser a complete title to such share.

PREFERENCE SHARES.

56. *Preference and Deferred Shares.*—Any shares from time to time to be issued or created may from time to time be issued with any such right of preference, whether in respect of dividend or of payment of capital, or both, or any such other special privilege or advantage over any shares previously issued or then about to be issued (other than shares issued with a preference), or with such deferred rights as compared with any shares previously issued or then about to be issued, or subject to any such conditions or provisions, and with any such right or without any right of voting, and generally on such terms as the Company may, from time to time, by special resolution, determine.

57. *Modification of Rights and Consent thereto.*—If at any time by the issue of preference shares or otherwise the capital is divided into shares of different classes—

- (1) The holders of any class of shares by an extraordinary resolution passed at a meeting of such holders may consent, on behalf of all the holders of shares of the class, to the issue or creation of any shares ranking equally therewith, or having any priority thereto, or the abandonment of any preference or priority, or of any accrued dividend, or the reduction for any time or permanently of the dividends payable thereon or to any scheme for the reduction of the Company's capital affecting the class of shares.
- (2) All or any of the rights, privileges and conditions attached to each class may be commuted, abrogated, abandoned, added to or otherwise modified by a special resolution of the Company in General Meeting, provided the holders of any class of shares, affected by any such commutation, abrogation, abandonment, addition or other modification of such rights, privileges and conditions, consent thereto on behalf of all the holders of shares of the class, by an extraordinary resolution passed at a meeting of such holders.

Any extraordinary resolution passed under the provisions of this Article shall be binding upon all the holders of shares of the class, provided that this article shall not be read as implying the necessity for such consent as aforesaid in any case in which but for this article the object of the resolution could have been effected without it.

58. *Meeting affecting a particular Class of Shares.*—Any meeting for the purpose of the last preceding article shall be convened and conducted in all respects as nearly as possible in the same way as an Extraordinary General Meeting of the Company; provided that no Shareholder, not being a Director, shall be entitled to notice thereof or to attend thereat, unless he be a holder of shares of the class intended to be affected by the resolution, and that no vote shall be given except in respect of a share of that class, and that any such meeting a poll may be demanded by the Chairman or in writing by any Shareholder personally present and entitled to vote at the meeting. A Director although not a holder of shares of the class affected may act as proxy at any such meeting.

CALLS.

59. *Directors may make Calls.*—The Directors may from time to time make such calls as they think fit upon the registered holders of shares, in respect of moneys unpaid thereon, and not by the conditions of allotment made payable at fixed times; and each Shareholder shall pay the amount of every call so made on him to the persons and at the times and places appointed by the Directors, provided that two months' notice at least shall be given to the Shareholders of the time and place appointed for payment of each call.

60. *Calls, Time when made.*—A call shall be deemed to have been made at the time when the resolution authorizing the call was passed at a Board meeting of the Directors or was signed in terms of Article 130.

61. *Extension of Time for Payment of Call.*—The Directors shall have power in their absolute discretion to give time to any one or more Shareholder or Shareholders, exclusive of the others, for payment of any call or part thereof on such terms as the Directors may determine. But no Shareholder shall be entitled to any such extension except as a matter of grace or favour.

62. *Interest on Unpaid Call.*—If the sum payable in respect of any call or instalment is not paid on or before the day appointed for the payment thereof, the holder for the time being of the share in respect of which the call shall have been made, or the instalment shall have been due, shall pay interest for the same at the rate of 9 per centum per annum from the day appointed for the payment thereof to the time of the actual payment, but the Directors may, when they think fit, remit altogether or in part any sum becoming payable for interest under this Article. Any sum whether payable on account of the amount of the share or by way of premium which by the terms of allotment of a share is made payable upon allotment or at any fixed date, and any instalment of a call or premium shall, for all purposes of these presents, be deemed to be a call duly made and payable on the date fixed for payment, and in case of non-payment the provisions of these presents as to payment of interest and expenses, forfeiture, lien, and the like, and all other relevant provisions of these presents, shall apply as if such sum, premium, or instalment were a call duly made and notified as hereby provided.

63. *Payment in anticipation of Calls.*—The Directors may at their discretion receive from any Shareholder willing to advance the same, and upon such terms as they think fit, all or any part of the amount due upon the shares held by him beyond the sum actually called up.

BORROWING POWERS.

64. (a) *Power to borrow.*—The Directors shall have power to procure from time to time, in the usual course of business, such temporary advances on the produce in hand, or in the future to be obtained, from the Company's estates, as they may find necessary or expedient for the purpose of defraying the expenses of working the Company's estates, or of erecting, maintaining, improving, or extending buildings, machinery, or plantations, or otherwise. Also from time to time at their discretion to borrow or raise from the Directors or other persons any sum or sums of money for the purposes of the Company, at such rate of interest and on such terms as the Directors think fit, but so that the amount at any one time owing in respect of principal monies so borrowed or raised shall not, without the sanction of a General Meeting exceed the sum of One hundred thousand Rupees (Rs. 100,000). The Directors shall, with the sanction of a General Meeting, be entitled to borrow or raise such further sum or sums, and at such rate of interest as such meeting shall determine. The Directors may, for the purpose of securing the re-payment of any such principal sum or sums of money so borrowed or raised, as aforesaid and interest, create and issue any mortgages, debentures, mortgage debentures, debenture stock, bonds, or obligations of the Company, charged upon all or any part of the undertaking, revenue, property, and rights or assets of the Company (both present and future), including uncalled capital or unpaid calls, or give, accept, or endorse

on behalf of the Company any promissory notes or bills of exchange. Provided that before the Directors execute any mortgage, issue any debentures or create any debenture stock they shall obtain the sanction thereto of the Company in General Meeting whether ordinary or extraordinary, notice of the intention to obtain such sanction at such meeting having been duly given. Any such securities may be issued either at par, or at a premium or discount, and may from time to time be cancelled or discharged, varied, or exchanged as the Directors may think fit, and may contain any special privileges as to redemption, surrender, drawings, allotment of shares, or otherwise. Every debenture or other instrument issued by the Company for securing the payment of money may be so framed that the moneys thereby secured shall be assignable free from any equities between the Company and the person to whom the same may be issued. A declaration under the Company's seal contained in or endorsed upon any of the documents mentioned in this Article and subscribed by two or more of the Directors, or by one Director and the agents and/or secretaries, to the effect that the Directors have power to borrow the amount which such document may represent, shall be conclusive evidence thereof in all questions between the Company and its creditors, and no such document containing such declaration shall, as regards the creditor, be void on the ground of its being granted in excess of the aforesaid borrowing power, unless it shall be proved that such creditor was aware that it was so granted.

64. (b) *Immediate Debenture Issue.*—Without prejudice to any of the powers and provisions of Article 64 (a) hereof and without the necessity of obtaining the sanction of the Company in General Meeting therefor the Directors shall have the power to raise and borrow immediately a sum not exceeding One hundred and Fifty thousand Rupees (Rs. 150,000) by the creation and issue of 1,500 redeemable debentures of One hundred Rupees (Rs. 100) each carrying interest at seven (7) per centum per annum and to secure the same by a primary mortgage over the Company's Craigforest estate and to execute all necessary mortgage bonds, trust deeds, debentures, and other documents.

MEETINGS.

65. *First General Meeting.*—The First General Meeting of the Company shall be held at such time, not being more than twelve months after the registration of the Company, and at such place as the Directors may determine.

66. *Subsequent General Meetings.*—Subsequent General Meetings shall be held once in every year at such time and place as may be prescribed by the Company in General Meeting and, if no time or place is prescribed, at such time and place as may be determined by the Directors:

67. *Ordinary and Extraordinary General Meetings.*—The General Meetings mentioned in the two last preceding Articles shall be called Ordinary General Meetings; all other meetings of the Company shall be called Extraordinary General Meetings.

68. *When Extraordinary General Meeting to be called.*—The Directors may, whenever they think fit, call an Extraordinary General Meeting, and the Directors shall upon a requisition made in writing by not less than one-seventh of the number of Shareholders holding not less than one-seventh of the issued capital and entitled to vote, forthwith proceed to convene an Extraordinary General Meeting of the Company and in case of such requisition the following provisions shall have effect:—

- (1) Any requisition so made shall express the object of the meeting proposed to be called, shall be addressed to the Directors, and deposited at the office and may consist of several documents in like form each signed by one or more of the requisitionists. Upon the receipt of such requisition the Directors shall forthwith proceed to convene an Extraordinary General Meeting to be held at such time and place as they shall determine. If they do not proceed to convene the same within seven days from the deposit of the requisition, the requisitionists may themselves convene an Extraordinary General Meeting, to be held at such place and at such time as the requisitionists convening the meeting may themselves fix, but any meeting so convened shall not be held after 3 months from the date of such deposit.
- (2) If at any such meeting a resolution requiring confirmation at another meeting is passed, the Board shall forthwith convene a further Extraordinary General Meeting for the purpose of considering the resolution, and, if thought fit, of confirming it as a special resolution; and if the Board do not convene the meeting within seven days from the date of the passing of the first resolution, the requisitionists, or a majority of them in value, may themselves convene the meeting.

69. Any General Meeting (whether ordinary or extraordinary) convened by the Directors unless the time thereof shall have been fixed by the Company in General Meeting, or unless such General Meeting be convened in pursuance of such requisition as is in Article 68 hereof mentioned may be postponed by the Directors by notice in writing, and the meeting shall subject to any further postponement or adjournment, be held at the postponed date for the purpose of transacting the business covered by the original notice.

70. *Notice of Resolution.*—Any Shareholder may, on giving not less than ten days' previous notice of any resolution, submit the same to a meeting. Such notice shall be given by depositing a copy of the resolution at the office.

71. *Seven Days' Notice of Meeting to be given.*—Seven days' notice at least of every General Meeting, ordinary or extraordinary, and by whomsoever convened, specifying the place, date, hour of meeting, and the objects and business of the meeting, shall be given either by advertisement in the *Ceylon Government Gazette* or by notice sent by post, or otherwise served as hereinafter provided, but an accidental omission to give such notice to any Shareholder shall not invalidate the proceedings at any General Meeting; provided however that holders of preference shares or shares of any particular class shall not be entitled to notice of any meeting at which by the conditions or provisions attached to such preference shares or shares of such particular class they shall not be entitled to attend or vote.

72. *Two Meetings convened by One Notice.*—Where it is proposed to pass a special resolution the two meetings may be convened by one and the same notice, and it is to be no objection to such notice that it only convenes the second meeting contingently on the resolution being passed by the requisite majority at the first meeting.

73. *Business requiring and not requiring Notification.*—Every Ordinary General Meeting shall be competent, without special notice having been given of the purposes for which it is convened, or of the business to be transacted thereat, to receive and consider the profit and loss account (if any), the balance sheet of the Company, the reports of the Directors and Auditors, to elect Directors, Auditors and other officers in place of those retiring, to fix the remuneration of the Directors and Auditors, to sanction and declare dividends and to transact any business which under these presents ought to be transacted at an Ordinary General Meeting and shall also be competent to enter upon, discuss and transact any business whatever of which special mention shall have been made in the notice upon which the meeting was convened.

74. *Notice of other Business to be given.*—With the exceptions mentioned in the foregoing articles as to the business which may be transacted at Ordinary General Meetings without notice, no General Meeting, ordinary or extraordinary, shall be competent to enter upon, discuss, or transact any business which has not been specially mentioned in the notice upon which it was convened.

75. *Quorum to be present.*—No business shall be transacted at a General Meeting, unless there shall be present in person at the commencement of the business two or more persons, being Shareholders entitled to vote, or persons being proxies or attorneys of Shareholders entitled to vote.

76. *If Quorum not present, Meeting to be dissolved or adjourned; adjourned Meeting to transact Business.*—If at the expiration of half an hour from the time appointed for the meeting the required number of persons shall not be present at the meeting, the meeting, if convened by or upon the requisition of Shareholders, shall be dissolved, but in any other case it shall stand adjourned to the same day in the next week at the same time and place; and no notice of such adjournment need be given.

77. *Chairman of Directors or a Director to be Chairman of General Meeting; in case of their absence or refusal, a Shareholder may act.*—The Chairman (if any) of the Directors shall be entitled to take the Chair at every General Meeting, whether ordinary or extraordinary; but if there be no Chairman, or if at any meeting he shall not be present within 15 minutes after the time appointed for holding such meeting, or if he shall refuse to take the Chair, the Shareholders shall choose another Director as Chairman; and if no Directors be present, or if all the Directors present, decline to take the Chair, then the Shareholders present shall choose one of their number to be Chairman.

78. *Business confined to Election of Chairman while Chair vacant.*—No business shall be discussed at any General Meeting except the election of a Chairman whilst the Chair is vacant.

79. *Chairman with Consent may adjourn Meeting.*—The Chairman with the consent of the meeting, may adjourn any meeting from time to time and from place to place, but no business shall be transacted at any adjourned meeting other than the business left unfinished at the meeting from which the adjournment took place, unless due notice shall be given.

80. *Minutes of General Meeting.*—Minutes of the proceedings of every General Meeting, whether ordinary or extraordinary, shall be entered in a book to be kept for that purpose, and shall when so entered be signed as soon as practicable by the Chairman of the same meeting, or by the Chairman of the succeeding meeting, and the same when so entered and signed shall be evidence of all such proceedings and of the proper election of the Chairman.

VOTING AT MEETINGS.

81. *Votes.*—At any meeting every resolution shall in the first instance be decided by a show of hands. In case there shall be an equality of votes, the Chairman at such meeting shall be entitled to give a casting vote in addition to the votes to which he may be entitled as a Shareholder and unless a poll be immediately demanded by the Chairman or in writing by some Shareholder present at the meeting and entitled to vote, a declaration by the Chairman that a resolution has been carried, and an entry to that effect in the minute book of the Company, shall be sufficient evidence of the fact without proof of the number of votes recorded in favour of or against such resolution.

82. *Poll.*—If a poll be duly demanded, the same shall be taken in such manner, and at such time and place as the Chairman shall direct, and the result of the poll shall be deemed to be the resolution of the meeting at which the poll was demanded. No dividend shall be payable out of the capital of the Company and the declaration of the board as to the amount available for dividend shall be conclusive. No dividend shall exceed the amount recommended from time to time by the board but the Company in General Meeting may declare a smaller dividend.

142. *Payment of Dividend in Specie, &c.*—Any General Meeting may direct payment of any dividend declared at such meeting or of any interim dividend, which may subsequently be declared by the Directors, wholly or in part in sterling by means of drafts or cheques on London, or by the distribution of specific assets and in particular of paid-up shares, debenture or debenture stock of the Company, or of any other company, or in any other form of specie, or in any one or more of such ways and the Directors shall give effect to such direction; and where any difficulty arises in regard to the distribution, they may settle the same as they think expedient and in particular may issue fractional certificates, and may fix the value for distribution of such specific assets, or any part thereof, and may determine that cash payments shall be made to any Shareholder upon the footing of the value so fixed, in order to adjust the rights of all parties and may vest any such specific assets in trustees upon such trusts for the persons entitled to the dividend as may seem expedient to the board.

143. *Interim Dividend.*—The Directors may, also if they think fit, from time to time and at any time, without the sanction of a General Meeting, determine on and declare an interim dividend to be paid, and (or) pay a bonus to the Shareholders on account and in anticipation of the dividend for the then current year.

144. *Reserve Fund.*—Previously to the Directors paying or recommending any dividend on preference or ordinary shares, they may set aside out of the profits of the Company, such sum as they think proper as a reserve fund, and may invest the same in such securities as they shall think fit (subject to the provisions of Article 3 hereof) or place the same on fixed deposit in any bank or banks, and may from time to time deal with, vary or realize such securities and dispose of all or any part thereof for the benefit of the Company. The Directors may divide the reserve fund into such special funds as they think fit, with full power to employ the assets constituting the reserve fund in the business of the Company, and that without being bound to keep the same separate from the other assets, and the Directors may also carry forward any profits which they may deem it not prudent to divide.

145. *Application thereof.*—The Directors may from time to time apply such portions as they think fit of the reserve fund to meet contingencies, or for the payment of accumulated dividends due on preference shares or for equalizing dividends, or for special dividends, or for working the business of the Company or for repairing or maintaining or extending the buildings and premises or for the repair or renewal or extension of the property or plant connected with the business of the Company or any part thereof, or for any other purpose of the Company which they may from time to time deem expedient.

146. *Capitalization of Reserve.*—The Company in General Meeting may at any time and from time to time pass a resolution that any sum not required for the payment or provision of any fixed preferential dividend and (a) for the time being standing to the credit of any reserve fund or reserve account of the Company including premiums received on the issue of any shares or debentures of the Company or any sum arising from any operation creating an excess of assets on capital account or (b) being undivided net profits in the hands of the Company, be capitalized, and that such sum be set free for distribution and be appropriated as capital to and amongst the Shareholders or amongst the members of any class of Shareholders in accordance with their rights and in the shares and proportions in which they would have been entitled thereto if the same had been distributed by way of dividend on the shares and in such manner as the resolution may direct and such resolution shall be effective provided that such powers shall not be exercised unless recommended by the Board, and the Directors shall in accordance with such resolution, apply such sum in paying up in full (or, with the consent of the Shareholders, aforesaid in part) any unissued shares or debentures or other obligations of the Company on behalf of the Shareholders aforesaid, and appropriate such shares or debentures or other obligations and distribute the same credited as fully paid up (or, as the case may be, partly paid up) amongst the Shareholders aforesaid in the proportions aforesaid in satisfaction of their shares and interests in the said capitalized sum, or shall apply such sum or any part thereof on behalf of the Shareholders aforesaid in paying up the whole or part of any uncalled balance which shall for the time being be unpaid in respect of any issued shares held by the Shareholders aforesaid or otherwise deal with such sum as directed by such resolution. Where any difficulty arises in respect of any such distribution the Directors may settle the same as they think expedient, and in particular they may issue fractional certificates, fix the value for distribution of any shares or debentures, debenture stock or other obligations, make cash payments to any Shareholders on the footing of the value so fixed in order to adjust rights, and vest any such shares or debentures or other obligations in trustees upon such trusts for the persons entitled to share in the appropriation and distribution as may seem just and expedient to the Directors.

147. *Unpaid Interest or Dividend not to bear Interest.*—No unpaid interest or dividend shall ever bear interest against the Company.

148. *No Shareholder to receive Dividend while Debt due to Company.*—No Shareholder shall be entitled to receive payment of any dividend or bonus in respect of his share or shares whilst any moneys may be due or owing from him (whether alone or jointly with any other person) to the Company in respect of such share or shares, or otherwise howsoever.

149. *Directors may deduct Debt from the Dividends.*—The Directors may deduct from the dividend payable to any Shareholder all sums of money due from him (whether alone or jointly with any other person) to the Company, and notwithstanding such sums shall not be payable until after the date when such dividend is payable.

150. *Dividends may be paid by Cheque or Warrant and sent through the Post.*—Unless otherwise directed any dividend may be paid by cheque or warrant sent through the post to the registered address of the Shareholder entitled, or, in the case of joint-holders, to the registered address of that one whose name stands first on the register in respect of the joint-holding; but the Company shall not be liable or responsible for the loss of any such cheque or dividend warrant sent through the post.

151. *Notice of Dividend; Forfeiture of Unclaimed Dividend.*—Notice of all dividends to become payable shall be given to each Shareholder entitled thereto; and all dividends unclaimed by any Shareholder for three years after notice thereof is given may be forfeited by a resolution of the Board of Directors for the benefit of the Company, and, if the Directors think fit, may be applied in augmentation of the reserve fund. For the purposes of this article any cheques or warrants which may be issued for dividends and may not be presented at the Company's bankers for payment within 3 years shall rank as unclaimed dividends.

152. *Shares held by a firm.*—Every dividend payable in respect of any share held by a firm may be paid to, and an effectual receipt given by, any partner of such firm or agent duly authorized to sign the name of the firm.

153. *Joint-holders other than a Firm.*—Every dividend, payable in respect of any share held by several persons jointly, other than a firm may be paid to, and an effectual receipt given by, any one of such persons.

MUNICIPALITY OF GALLE.

Minutes of Proceedings of a General Meeting of the Municipal Council of Galle held in the Municipal Office on Saturday, April 12, 1930, at 9 a.m., pursuant to Notice dated April 7, 1930.

Present :—Mr. M. M. Wedderburn, Chairman ; Mr. D. W. Subasinghe ; the Hon. Mr. C. E. de Vos, M.L.C. ; Mr. J. E. Perera ; Mr. D. I. Durham ; Mr. C. L. Wickremasinghe ; Mr. T. Amarasuriya ; and Dr. S. P. Joseph.

1. The Minutes of the General Meeting of March 8, 1930, a copy thereof having been furnished to each member, were taken as read and confirmed.

2. Pursuant to notice, Mr. D. W. Subasinghe asked—What steps, if any, are being taken to give effect to the report and recommendations of the Special Committee on the Infectious Diseases Hospital and Segregation Camp ?

The Chairman replied—Plans and estimates are being prepared, and will be submitted next month.

3. Pursuant to notice, Mr. D. I. Durham asked—In view of the bad state of repair of the Hirimbura road, from near the Steele road junction to the Baddegama junction, and to inconvenience caused to traffic by metal piled along this road, will the Chairman please say when work on this stretch of road is likely to commence ?

The Chairman replied—It is intended to postpone the work on this road until the south-west monsoon rains set in.

The Chairman having explained the reason for postponing the work, asked the opinion of Council. Council's opinion was that the work should not be postponed until the rains set in ; and the Chairman said he would make order accordingly.

4. Pursuant to notice, Mr. T. Amarasuriya moved—That no security be asked from successful tenderers for Municipal works, as such security is unnecessary and hampers competition. The Hon. Mr. C. E. de Vos seconded.

Mr. D. W. Subasinghe suggested that the question of security be left to the discretion of the Chairman, and that the words " unless in exceptional circumstances " be inserted after the words " Municipal Works."

Mr. J. E. Perera spoke to the motion, and the Chairman explained why security was required.

The mover and seconder accepted the amendment, and the motion as amended was carried.

5. Pursuant to notice, Mr. D. W. Subasinghe moved—(i.) That the attention of the General Manager of Railways be again drawn to the great inconvenience caused to the public by railway gates being closed against motor buses ; and that he be requested to instruct drivers of these buses to halt them on the incoming side of the railway gates, and not across them, and also to order that gates be closed to traffic only after the buses have so come to a halt, and not earlier. The Hon. Mr. C. E. de Vos seconded.

The Chairman suggested that the second part of the motion be amended as follows :—“ And that he be requested to instruct drivers of these buses to halt them either on the incoming side of the railway gates, or beyond the railway gates, not across them ; and also to order that gates be not closed to traffic until the buses have come to a halt before approaching the crossing.

The mover and seconder accepted the amendment, and the motion as amended was put to the meeting and carried.

(ii.) That the second electric standard on Elliot road be shifted from its present position, as it is dangerous to traffic, and fixed nearer the edge of the road.

The Chairman asked the mover to withdraw the motion until he can go into the matter.

The mover agreed to do so, and withdrew the motion.

6. Pursuant to notice, Mr. D. I. Durham moved—That an estimate be called for, to be considered by the Council, for lighting the Town clock on the Ramparts at night. Mr. J. E. Perera seconded.—Carried.

7. Pursuant to notice, Mr. J. E. Perera moved—(i.) That a further section of the drainage scheme of the Talapitiya road area be completed, and that the drainage Committee be requested to deal with the matter. The Hon. Mr. C. E. de Vos seconded.

Mr. C. L. Wickremasinghe suggested that the words "taken up" be substituted for the word "completed."

The Chairman suggested that the words "and report to Council" be added at the end of the motion.

The mover accepted both suggestions, and the motion as amended was put to the meeting and carried.

(ii.) That the drains in the bazaar on either side of the Matara road be flushed and cleaned twice a day. Mr. T. Amarasuriya seconded.

The Chairman asked the mover to amend the motion as follows:—That the Chairman be asked to report on the extra cost of flushing and cleaning the drains in the bazaar twice a day.

The mover and seconder accepted the amendment, which was put to the meeting and carried.

(iii.) That the Police be requested to send a patrol every morning and evening along the seabeach, from the bazaar up to Cloisenberg, to prevent the pollution of the beach, till the nuisance abates. Mr. C. L. Wickremasinghe seconded.—Carried.

8. Letter No. F. 215 of March 19, 1930, from the Hon. the Colonial Secretary, approving the payment of a pension of Rs. 900 per annum, with effect from May 1, 1930, to Inspector Nallawangsa.—Submitted.
