The directors shall have power to add to such new shares such an amount of premium as they may consider proper.

23. *How carried into effect.*—Subject to any direction to the contrary that may be given by the special resolution creating the increase of capital, all new shares shall be offered to the Shareholders, in accordance with their rights and subject in the case of preference shares or shares of any particular class to any limitations as to participating in any issue of shares which may attach to such preference shares or shares of such particular class as nearly as possible in proportion to the existing shares held by them. Such offer shall be made by notice specifying the number of shares to which the Shareholder is entitled, and limiting a time within which the offer, if not accepted, will be deemed to be declined, and after the expiration of such time, or on the receipt of an intimation from the Shareholder to whom such notice is given that he declines to accept the shares offered, the same shall be disposed of in such manner as the directors may determine. Provided that the directors may at their discretion, allot such new shares or any portion of them in payment for any estates or lands or other property purchased or acquired by the Company, or for services rendered or to be rendered to the Company, without first offering such shares to the registered Shareholders for the time being of the Company.

24. *Same as Original Capital.*—Except so far as otherwise provided by the conditions of issue or by these presents, any capital raised by the creation of new shares shall be considered part of the original capital, and shall be subject to the provisions herein contained with reference to the payments of calls and instalments, transfer, transmission, forfeiture, lien, surrender, and otherwise.

27. *Certificates to be under Seal of Company.*—The certificates of shares shall be issued under the seal of the Company.

28. *Renewal of Certificate.*—If any certificate be worn out or defaced, then upon production thereof to the Directors they may order the same to be cancelled and may issue a new certificate in lieu thereof; and if any certificate be lost or destroyed, then upon proof thereof to the satisfaction of the Directors, and on such indemnity as the Directors deem adequate being given a new certificate in lieu thereof shall be given to the person entitled to such lost or destroyed certificate. 35. *Registration of Transfer.*—Every instrument of transfer must be left at the office of the Company to be registered accompanied by such evidence as the Directors may reasonably require to prove the title of the transferor, and a fee of Rs. 2-50, or such other sum as the Directors shall from time to time determine, must be paid: and thereupon the Directors, subject to the powers vested in them by Articles 33, 34, and 36, shall register the transferee as a Shareholder and retain the instrument of transfer.

36. *Directors may authorize Registration of Transferees.*—The Directors may, by such means as they shall deem expedient, authorize the registration of transferees as Shareholders, without the necessity of any meeting of the Directors for that purpose.

37. *Directors not bound to inquire as to Validity of Transfer.*—In no case shall the Directors be bound to inquire into the validity, legal effect, or genuineness of any instrument of transfer produced by a person claiming a transfer of any share in accordance with these Articles; and whether they abstain from so inquiring, or do so inquire and are misled, the transferor shall have no claim whatsoever upon the Company in respect of the share, except for the dividends previously declared in respect thereof, but, if at all, upon the transferee only.

41. *Failing such Registration, Shares may be sold by the Company.*—If any person who shall become entitled to be registered in respect of any share under Article 40, shall not, from any cause whatever, within 12 calendar months after the event on the happening of which his title shall accrue, be registered in respect of such share, or if, in the case of the death of any Shareholder, no person shall, within twelve calendar months after such death, be registered as a Shareholder in respect of the shares of such deceased Shareholder, the Company may sell the same either by public auction or private contract, and give a receipt for the purchase money; and the purchaser shall be entitled to be registered in respect of such share, and shall not be bound to inquire whether the events have happened which entitled the Company to sell the same; the nett proceeds of such sale, after deducting all expenses and all moneys in respect of which the Company is entitled to a lien on the shares so sold shall be paid to the person entitled thereto.

42. *Curator of Minor, &c., when not entitled to vote.*—The curator of a minor Shareholder, the committee or other legal guardian of any lunatic Shareholder, the husband of any female Shareholder not entitled to her shares as separate estate, and the executor or administrator or heir of any deceased Shareholder, shall not be entitled to receive notice of or to attend or vote at meetings of the Company or save as aforesaid, and save as regards the receipt of such dividends as the board shall not elect to retain, to exercise any of the rights and privileges of a Shareholder, unless and until he shall have been registered as the holder of the shares.

43. *Directors may accept Surrender of Shares.*—The Directors may accept, in the name and for the benefit of the Company, and upon such terms and conditions as may be agreed upon a surrender of the shares of Shareholders who may be desirous of retiring from the Company.

44. *If Call or Instalment not paid, Notice to be given to Shareholder.*—If any Shareholder fails to pay any call or instalment on or before the day appointed for the payment of the same, the Directors may at any time thereafter, during such time as the call or instalment remains unpaid, serve a notice on such Shareholder requiring him to pay the same, together with any interest that may have accrued, at the rate of 9 per cent. per annum, and all expenses that may have been incurred by the Company by reason of such non-payment.

45. *Terms of Notice.*—The notice shall name a day (not being less than one month from the date of the notice) on and a place or places at which such call or instalment and such interest and expenses as aforesaid are to be paid; the notice shall also state that, in the event of non-payment at or before the time and at the place appointed, the shares in respect of which the call was made or instalment is payable will be liable to be forfeited.

46. *In default of Payment, Shares to be forfeited.*—If the requisition of such notice as aforesaid be not complied with, every or any share or shares in respect of which such notice has been given may at any time thereafter, before payment of calls or instalments, with interest, and expenses due in respect thereof, be declared forfeited by a resolution of the Board to that effect.

47. *Shareholder still liable to pay Money owing at time of Forfeiture.*—Any shareholder whose shares have been so declared forfeited shall, notwithstanding, be liable to pay and shall forthwith pay to the Company all calls, instalments, interest, and expenses owing upon or in respect of such shares at the time of forfeiture, together with interest thereon at 9 per cent. per annum, from the time of forfeiture until payment and the Directors may enforce the payment thereof if they think fit.

48. *Surrendered or forfeited Shares to be the Property of the Company and may be sold, &c.*—Every share surrendered or so declared forfeited shall be deemed to be the property of the Company, and may be sold, re-allotted, or otherwise disposed of upon such terms and in such manner as the Board shall think fit.

49. *Effect of Surrender or Forfeiture.*—The surrender or forfeiture of a share shall involve the extinction of all interest in, and also of all claims and demands against the Company in respect of the share and the proceeds thereof; and all other rights incident to the share, except only such of those rights (if any) as by these presents are expressly saved.

50. *Certificates of Surrender or Forfeiture.*—A certificate in writing under the hands of two of the Directors and of the Agents or Secretaries that a share has been duly surrendered or forfeited, stating the time when it was surrendered or forfeited shall be conclusive evidence of the facts therein stated as against all persons who would have been entitled to the share but for such surrender or forfeiture; such certificate and the receipt of the Company for the price of such share shall constitute a good title to such share, and a certificate of proprietorship shall be delivered to any person who may purchase the same from the Company; such purchaser thereupon shall be deemed the holder of such share, discharged from all calls due prior to such purchase, and he shall not be bound to see to the application of the purchase money nor shall his title to such share be affected by any irregularity in the proceedings in reference to such forfeiture or sale.

51. *Forfeiture may be remitted.*—The Directors may in their discretion remit or annul the forfeiture of any share within six months from the date thereof upon the payment of all moneys due to the Company from the late holder or holders of such share or shares, and all expenses incurred in relation to such forfeiture, together with such further sum of money by way of redemption money for the deficit, as they shall think fit, not being less than 9 per cent. per annum on the amount of the sums wherein default in payment had been made, but no share *bona fide* sold or re-allotted, or otherwise disposed of under Article 48 hereof, shall be redeemable after sale or disposal.

52. *Company's Lien on Shares.*—The Company shall have a first and paramount lien upon all the shares registered in the name of each Shareholder (whether solely or jointly with others) and upon the proceeds of sale thereof for his debts, liabilities and engagements, solely or jointly with any other person to or with the Company, whether the period for the payment, fulfilment or discharge thereof shall have actually arrived or not, and no equitable interest, in any share shall be created except upon the footing and condition that Article 20 hereof is to have full effect, and such lien shall extend to all dividends from time to time declared in respect of such shares and to all moneys paid in advance of calls thereon. Unless otherwise agreed, the registration of a transfer of shares shall operate as a waiver of the Company's lien (if any) on such shares.

53. *Lien how made available and Proceeds how applied.*—For the purpose of enforcing such lien the Board may sell the shares subject thereto in such manner as they think fit, but no sale shall be made until such time as the moneys are presently payable, and notice in writing stating the amount due, and giving notice of intention to sell in default shall have been served on such Shareholder or the person (if any) entitled by transmission to the shares and default shall have been

made for seven clear days after such notice. The net proceeds of any such sale shall be applied in or towards satisfaction of the debts, liabilities and engagements aforesaid, and the residue (if any) shall be paid to the Shareholder or the person (if any) entitled by transmission to the shares or who would be so entitled but for such sale. Should the Shareholder over whose share the lien exists be in England or elsewhere abroad, sixty days' notice shall be allowed him.

54. *Certificate of Sale.*—A certificate in writing under the hands of two of the Directors and of the Agents and/or Secretaries that the power of sale given by Article 53 has arisen, and is exercisable by the Company under these presents shall be conclusive evidence of the facts therein stated.

55. *Transfer on Sale how executed.*—Upon any such sale two of the Directors may execute a transfer of such share to the purchaser thereof, and such transfer, with the certificate last aforesaid, shall confer on the purchaser a complete title to such share.

PREFERENCE SHARES.

56. *Preference and Deferred Shares.*—Any shares from time to time to be issued or created may from time to time be issued with any such right of preference, whether in respect of dividend or of payment of capital, or both, or any such other special privilege or advantage over any shares previously issued or then about to be issued (other than shares issued with a preference), or with such deferred rights as compared with any shares previously issued or then about to be issued, or subject to any such conditions or provisions, and with any such right or without any right of voting, and generally on such terms as the Company may, from time to time, by special resolution, determine.

57. *Modification of Rights and Consent thereto.*—If at any time by the issue of preference shares or otherwise the capital is divided into shares of different classes—

- (1) The holders of any class of shares by an extraordinary resolution passed at a meeting of such holders may consent, on behalf of all the holders of shares of the class, to the issue or creation of any shares ranking equally therewith, or having any priority thereto, or the abandonment of any preference or priority, or of any accrued dividend, or the reduction for any time or permanently of the dividends payable thereon or to any scheme for the reduction of the Company's capital affecting the class of shares.
- (2) All or any of the rights, privileges and conditions attached to each class may be commuted, abrogated, abandoned, added to or otherwise modified by a special resolution of the Company in General Meeting, provided the holders of any class of shares, affected by any such commutation, abrogation, abandonment, addition or other modification of such rights, privileges and conditions, consent thereto on behalf of all the holders of shares of the class, by an extraordinary resolution passed at a meeting of such holders.

Any extraordinary resolution passed under the provisions of this Article shall be binding upon all the holders of shares of the class, provided that this article shall not be read as implying the necessity for such consent as aforesaid in any case in which but for this article the object of the resolution could have been effected without it.

58. *Meeting affecting a particular Class of Shares.*—Any meeting for the purpose of the last preceding article shall be convened and conducted in all respects as nearly as possible in the same way as an Extraordinary General Meeting of the Company; provided that no Shareholder, not being a Director, shall be entitled to notice thereof or to attend thereat, unless he be a holder of shares of the class intended to be affected by the resolution, and that no vote shall be given except in respect of a share of that class, and that any such meeting a poll may be demanded by the Chairman or in writing by any Shareholder personally present and entitled to vote at the meeting. A Director although not a holder of shares of the class affected may act as proxy at any such meeting.

CALLS.

59. *Directors may make Calls.*—The Directors may from time to time make such calls as they think fit upon the registered holders of shares, in respect of moneys unpaid thereon, and not by the conditions of allotment made payable at fixed times; and each Shareholder shall pay the amount of every call so made on him to the persons and at the times and places appointed by the Directors, provided that two months' notice at least shall be given to the Shareholders of the time and place appointed for payment of each call.

60. *Calls, Time when made.*—A call shall be deemed to have been made at the time when the resolution authorizing the call was passed at a Board meeting of the Directors or was signed in terms of Article 130.

61. *Extension of Time for Payment of Call.*—The Directors shall have power in their absolute discretion to give time to any one or more Shareholder or Shareholders, exclusive of the others, for payment of any call or part thereof on such terms as the Directors may determine. But no Shareholder shall be entitled to any such extension except as a matter of grace or favour.

62. *Interest on Unpaid Call.*—If the sum payable in respect of any call or instalment is not paid on or before the day appointed for the payment thereof, the holder for the time being of the share in respect of which the call shall have been made, or the instalment shall have been due, shall pay interest for the same at the rate of 9 per centum per annum from the day appointed for the payment thereof to the time of the actual payment, but the Directors may, when they think fit, remit altogether or in part any sum becoming payable for interest under this Article. Any sum whether payable on account of the amount of the share or by way of premium which by the terms of allotment of a share is made payable upon allotment or at any fixed date, and any instalment of a call or premium shall, for all purposes of these presents, be deemed to be a call duly made and payable on the date fixed for payment, and in case of non-payment the provisions of these presents as to payment of interest and expenses, forfeiture, lien, and the like, and all other relevant provisions of these presents, shall apply as if such sum, premium, or instalment were a call duly made and notified as hereby provided.

63. *Payment in anticipation of Calls.*—The Directors may at their discretion receive from any Shareholder willing to advance the same, and upon such terms as they think fit, all or any part of the amount due upon the shares held by him beyond the sum actually called up.

BORROWING POWERS.

64. (a) *Power to borrow.*—The Directors shall have power to procure from time to time, in the usual course of business, such temporary advances on the produce in hand, or in the future to be obtained, from the Company's estates, as they may find necessary or expedient for the purpose of defraying the expenses of working the Company's estates, or of erecting, maintaining, improving, or extending buildings, machinery, or plantations, or otherwise. Also from time to time at their discretion to borrow or raise from the Directors or other persons any sum or sums of money for the purposes of the Company, at such rate of interest and on such terms as the Directors think fit, but so that the amount at any one time owing in respect of principal monies so borrowed or raised shall not, without the sanction of a General Meeting exceed the sum of One hundred thousand Rupees (Rs. 100,000). The Directors shall, with the sanction of a General Meeting, be entitled to borrow or raise such further sum or sums, and at such rate of interest as such meeting shall determine. The Directors may, for the purpose of securing the re-payment of any such principal sum or sums of money so borrowed or raised, as aforesaid and interest, create and issue any mortgages, debentures, mortgage debentures, debenture stock, bonds, or obligations of the Company, charged upon all or any part of the undertaking, revenue, property, and rights or assets of the Company (both present and future), including uncalled capital or unpaid calls, or give, accept, or endorse

on behalf of the Company any promissory notes or bills of exchange. Provided that before the Directors execute any mortgage, issue any debentures or create any debenture stock they shall obtain the sanction thereto of the Company in General Meeting whether ordinary or extraordinary, notice of the intention to obtain such sanction at such meeting having been duly given. Any such securities may be issued either at par or at a premium or discount, and may from time to time be cancelled or discharged, varied, or exchanged as the Directors may think fit, and may contain any special privileges as to redemption, surrender, drawings, allotment of shares, or otherwise. Every debenture or other instrument issued by the Company for securing the payment of money may be so framed that the moneys thereby secured shall be assignable free from any equities between the Company and the person to whom the same may be issued. A declaration under the Company's seal contained in or endorsed upon any of the documents mentioned in this Article and subscribed by two or more of the Directors, or by one Director and the agents and/or secretaries, to the effect that the Directors have power to borrow the amount which such document may represent, shall be conclusive evidence thereof in all questions between the Company and its creditors, and no such document containing such declaration shall, as regards the creditor, be void on the ground of its being granted in excess of the aforesaid borrowing power, unless it shall be proved that such creditor was aware that it was so granted.

64. (b) *Immediate Debenture Issue.*—Without prejudice to any of the powers and provisions of Article 64 (a) hereof and without the necessity of obtaining the sanction of the Company in General Meeting therefor the Directors shall have the power to raise and borrow immediately a sum not exceeding One hundred and Fifty thousand Rupees (Rs. 150,000) by the creation and issue of 1,500 redeemable debentures of One hundred Rupees (Rs. 100) each carrying interest at seven (7) per centum per annum and to secure the same by a primary mortgage over the Company's Craigforest estate and to execute all necessary mortgage bonds, trust deeds, debentures, and other documents.

MEETINGS.

65. *First General Meeting.*—The First General Meeting of the Company shall be held at such time, not being more than twelve months after the registration of the Company, and at such place as the Directors may determine.

66. *Subsequent General Meetings.*—Subsequent General Meetings shall be held once in every year at such time and place as may be prescribed by the Company in General Meeting and, if no time or place is prescribed, at such time and place as may be determined by the Directors.

67. *Ordinary and Extraordinary General Meetings.*—The General Meetings mentioned in the two last preceding Articles shall be called Ordinary General Meetings; all other meetings of the Company shall be called Extraordinary General Meetings.

68. *When Extraordinary General Meeting to be called.*—The Directors may, whenever they think fit, call an Extraordinary General Meeting, and the Directors shall upon a requisition made in writing by not less than one-seventh of the number of Shareholders holding not less than one-seventh of the issued capital and entitled to vote, forthwith proceed to convene an Extraordinary General Meeting of the Company and in case of such requisition the following provisions shall have effect:—

- (1) Any requisition so made shall express the object of the meeting proposed to be called, shall be addressed to the Directors, and deposited at the office and may consist of several documents in like form each signed by one or more of the requisitionists. Upon the receipt of such requisition the Directors shall forthwith proceed to convene an Extraordinary General Meeting to be held at such time and place as they shall determine. If they do not proceed to convene the same within seven days from the date of the deposit of the requisition, the requisitionists may themselves convene an Extraordinary General Meeting, to be held at such place and at such time as the requisitionists convening the meeting may themselves fix, but any meeting so convened shall not be held after 3 months from the date of such deposit.
- (2) If at any such meeting a resolution requiring confirmation at another meeting is passed, the Board shall forthwith convene a further Extraordinary General Meeting for the purpose of considering the resolution, and, if thought fit, of confirming it as a special resolution: and if the Board do not convene the meeting within seven days from the date of the passing of the first resolution, the requisitionists, or a majority of them in value, may themselves convene the meeting.

69. Any General Meeting (whether ordinary or extraordinary) convened by the Directors unless the time thereof shall have been fixed by the Company in General Meeting, or unless such General Meeting be convened in pursuance of such requisition as is in Article 68 hereof mentioned may be postponed by the Directors by notice in writing, and the meeting shall subject to any further postponement or adjournment, be held at the postponed date for the purpose of transacting the business covered by the original notice.

70. *Notice of Resolution.*—Any Shareholder may, on giving not less than ten days' previous notice of any resolution, submit the same to a meeting. Such notice shall be given by depositing a copy of the resolution at the office.

71. *Seven Days' Notice of Meeting to be given.*—Seven days' notice at least of every General Meeting, ordinary or extraordinary, and by whomsoever convened, specifying the place, date, hour of meeting, and the objects and business of the meeting, shall be given either by advertisement in the *Ceylon Government Gazette* or by notice sent by post, or otherwise served as hereinafter provided, but an accidental omission to give such notice to any Shareholder shall not invalidate the proceedings at any General Meeting; provided however that holders of preference shares or shares of any particular class shall not be entitled to notice of any meeting at which by the conditions or provisions attached to such preference shares or shares of such particular class they shall not be entitled to attend or vote.

72. *Two Meetings convened by One Notice.*—Where it is proposed to pass a special resolution the two meetings may be convened by one and the same notice, and it is to be no objection to such notice that it only convenes the second meeting contingently on the resolution being passed by the requisite majority at the first meeting.

73. *Business requiring and not requiring Notification.*—Every Ordinary General Meeting shall be competent, without special notice having been given of the purposes for which it is convened, or of the business to be transacted thereat, to receive and consider the profit and loss account (if any), the balance sheet of the Company, the reports of the Directors and Auditors, to elect Directors, Auditors and other officers in place of those retiring, to fix the remuneration of the Directors and Auditors, to sanction and declare dividends and to transact any business which under these presents ought to be transacted at an Ordinary General Meeting and shall also be competent to enter upon, discuss and transact any business whatever of which special mention shall have been made in the notice upon which the meeting was convened.

74. *Notice of other Business to be given.*—With the exceptions mentioned in the foregoing articles as to the business which may be transacted at Ordinary General Meetings without notice, no General Meeting, ordinary or extraordinary, shall be competent to enter upon, discuss, or transact any business which has not been specially mentioned in the notice upon which it was convened.

75. *Quorum to be present.*—No business shall be transacted at a General Meeting, unless there shall be present in person at the commencement of the business two or more persons, being Shareholders entitled to vote, or persons being proxies or attorneys of Shareholders entitled to vote.

76. *If Quorum not present, Meeting to be dissolved or adjourned; adjourned Meeting to transact Business.*—If at the expiration of half an hour from the time appointed for the meeting the required number of persons shall not be present at the meeting, the meeting, if convened by or upon the requisition of Shareholders, shall be dissolved, but in any other case it shall stand adjourned to the same day in the next week at the same time and place; and no notice of such adjournment need be given.

77. *Chairman of Directors or a Director to be Chairman of General Meeting; in case of their absence or refusal, a Shareholder may act.*—The Chairman (if any) of the Directors shall be entitled to take the Chair at every General Meeting, whether ordinary or extraordinary; but if there be no Chairman, or if at any meeting he shall not be present within 15 minutes after the time appointed for holding such meeting, or if he shall refuse to take the Chair, the Shareholders shall choose another Director as Chairman; and if no Directors be present, or if all the Directors present, decline to take the Chair, then the Shareholders present shall choose one of their number to be Chairman.

78. *Business confined to Election of Chairman while Chair vacant.*—No business shall be discussed at any General Meeting except the election of a Chairman whilst the Chair is vacant.

79. *Chairman with Consent may adjourn Meeting.*—The Chairman with the consent of the meeting, may adjourn any meeting from time to time and from place to place, but no business shall be transacted at any adjourned meeting other than the business left unfinished at the meeting from which the adjournment took place, unless due notice shall be given.

80. *Minutes of General Meeting.*—Minutes of the proceedings of every General Meeting, whether ordinary or extraordinary, shall be entered in a book to be kept for that purpose, and shall when so entered be signed as soon as practicable by the Chairman of the same meeting, or by the Chairman of the succeeding meeting, and the same when so entered and signed shall be evidence of all such proceedings and of the proper election of the Chairman.

VOTING AT MEETINGS.

81. *Votes.*—At any meeting every resolution shall in the first instance be decided by a show of hands. In case there shall be an equality of votes, the Chairman at such meeting shall be entitled to give a casting vote in addition to the votes to which he may be entitled as a Shareholder and unless a poll be immediately demanded by the Chairman or in writing by some Shareholder present at the meeting and entitled to vote, a declaration by the Chairman that a resolution has been carried, and an entry to that effect in the minute book of the Company, shall be sufficient evidence of the fact without proof of the number of votes recorded in favour of or against such resolution.

82. *Poll.*—If a poll be duly demanded, the same shall be taken in such manner, and at such time and place as the Chairman shall direct, and the result of the poll shall be deemed to be the resolution of the meeting at which the poll was demanded. The demand for a poll shall not prevent the continuance of a meeting for the transaction of any business other than the question on which a poll has been demanded. The demand for a poll may be withdrawn.

83. *Poll how taken.*—If at any meeting a poll be demanded by the Chairman or by a notice in writing signed by some Shareholder present at the meeting and entitled to vote, which notice shall be delivered during the meeting to the Chairman the meeting shall, if necessary, be adjourned, and the poll shall be taken at such time and in such manner as the Chairman shall direct, and in such case every Shareholder shall have the number of votes to which he may be entitled as hereinafter provided, and in case at any such poll there shall be an equality of votes, the Chairman of the meeting at which such poll shall have been taken shall be entitled to a casting vote in addition to any votes to which he may be entitled as a Shareholder and proxy and attorney, and the result of such poll shall be deemed to be the resolution of the Company in such meeting.

84. *No poll on Election of Chairman or on Question of Adjournment.*—No poll shall be demanded on the election of a Chairman of the meeting or on any question of adjournment.

85. *Voting in Person or by Proxy or Attorney.*—Votes may be given either personally or by proxy or by attorney duly authorized.

86. *Number of Votes to which Shareholder entitled.*—On a show of hands every Shareholder present in person or by attorney duly authorized shall have one vote only. In case of a poll every Shareholder present in person or by proxy or attorney shall have one vote for every share held by him.

87. *Non-Shareholder not to be appointed Proxy; but Attorney though not Shareholder may vote.*—No person shall be appointed a proxy who is not a Shareholder of the Company, but the attorney of a Shareholder, even though not himself a Shareholder of the Company, may represent and vote for his principal at any meeting of the Company, or of any class of Shareholders of the Company.

MUNICIPAL COUNCIL NOTICES.

MUNICIPALITY OF COLOMBO.

Minutes of Proceedings of a General Meeting of the Municipal Council of Colombo held at the Town Hall on Wednesday, April 2, 1930, at 3 p.m.

The Council met this day at 3 p.m., pursuant to notice, dated March 26, 1930.

Present :—Mr. H. E. Newnham, V.D., M.A., C.C.S., Chairman; the Hon. Mr. N. H. M. Abdul Cader, M.L.C.; Dr. E. V. Ratnam; the Hon. Mr. C. H. Z. Fernando, M.L.C.; Mr. W. E. V. de Rooy; Dr. E. A. Coorey; Mr. T. G. Jayewardene, V.D., J.P.; Mr. N. R. Blande; Mr. A. H. G. Dawson; Mr. M. L. M. Royal; Dr. S. Muttiah; Mr. S. W. R. Dias Bandaranaike; Mr. T. C. Dyball; Dr. V. van Langenberg, V.D.; Mr. F. Dadabhoy, J.P.; Mr. H. L. Crocock; and Mr. E. G. Eastman, O.B.E.

1. The Minutes of the General Meeting of March 5, 1930, having been previously printed, and copies thereof having been sent to each Member of Council, were taken as read.

Resolved that the Minutes of the General Meeting of March 5, 1930, be confirmed.

2. Pursuant to notice, Dr. E. A. Coorey presented four petitions :—(1) From Rev. Father P. M. Gueguen regarding his being refused to build on premises No. 58, Laurie's road, and asked that it be referred to the Standing Committees on Law, Works, and Finance, with the Ward Member; (2) From Mr. C. E. Rodrigo about his being refused to build on premises No. 28, Vajira road, and asked that it be referred to the Special Committee regarding Housing and Town Improvement; (3) From hawkers of fish in Wellawatta, and asked that it be referred to the Sanitation Committee; (4) From the residents of Frances road, Wellawatta, regarding the proposed House of Detention for women and girls at No. 7, Frances road, and asked that it be referred to the Law Committee with the Ward Member.—It was agreed to refer the petitions to the Committees named.

3. Pursuant to notice, Mr. T. G. Jayewardene asked the following questions which the Chairman answered :—

(1) Q.—Will the Chairman be pleased to state what the situation is in regard to the failure of the water supply to the Hulftsdorp area of New Bazaar Ward?

A.—There has been no complete failure of the water supply in this area, but the service was intermittent during the hours of maximum draw-off, due to the low water level in Elie House Reservoir and the increased draw-off from the mains in the surrounding lower areas. The supply should improve somewhat, now that the dry spell has broken and the duplication of the supply main already sanctioned should ensure an uninterrupted supply in future.

(2) Q.—*Re D. C., Colombo, No. 1,654, premises No. 30, Mary's road, Bambalapitiya, will the Chairman be pleased to say, why he took upon himself to contest this action without first consulting the Council's Lawyers, or seeking the advice of any of the Committees of this Council. Under the circumstances does he not think that the expenses in connection with the litigation should not be charged to the Council?*

A.—The policy at issue in this case was considered and recommended by a Special Committee consisting of the Law, Works, and Finance Committees, and two other Members on July 30, 1928, and adopted by Council on August 8, 1928. Effect was given to this policy by the Works Committee on November 21, 1928, and October 23, 1929, and by Council on December 5, 1928, and November 6, 1929. The policy was reconsidered and specially reaffirmed by the above Special Committee on March 25, 1929, and by the four Standing Committees on April 5, 1929. Its implications were debated in Council on June 12, 1929, and then referred to the Housing and Town Improvement Committee which considered them at 3 meetings, and on the basis of the original decision, made a recommendation which the Council adopted on November 6, 1929. When notice of action was received contesting the policy so frequently considered and decided on by the Committees and the Council, it was the executive duty of the Chairman to instruct the Council's Lawyers to defend the Council's action and to consult those Lawyers, as he did, in the process of that defence. Similarly, it is the duty of the Council to meet the expense of defending its own policy. The Chairman's action has been confirmed by the resolution of the Law Committee that appeals should be filed.

(3) Q.—With reference to the following question asked at the meeting of Council last July, by the Member for Kotahena :—“ In view of the serious state of affairs disclosed in the Chairman's reply to the question by the Member for New Bazaar at the last meeting of Council, where it was stated that the Chairman finds it impossible to prevent the recurrence of such lapses as recently occurred in the Veterinary Department, will the Chairman prepare a memorandum on the subject and place it before the four Standing Committees for consideration at their next meeting.” Will the Chairman be pleased to state why the request has not yet been complied with, when his answer to this question was, that he “ will be very glad to do so ”?

A.—Because pressure of current and routine work of a more urgent nature has as yet precluded his preparing this memorandum. If and when this pressure is relaxed he will still be very glad to comply with the request.

Arising out of the last question, Mr. T. G. Jayewardene asked whether the memorandum was ever likely to see the light of day.

The Chairman replied that that depended on whether the pressure of other work relaxed or not.

4. Pursuant to notice, Dr. S. Muttiah asked the following questions which the Chairman answered :—

(1) Q.—Is the Torrington avenue approach to the Jawatta Burial Ground considered a private or public road?

A.—There is a lane from Buller's road to the Jawatta Burial Ground which has been in existence for many years and over which the public presumably have a right of way. It has not been regarded as a public road and has not been maintained by the Council.

(2) Q.—If it is regarded as a private road, will the Chairman be pleased to answer the connection of the All-Ceylon Malay Association that this is a public road “ as the road leads to a public cemetery and is daily used by large numbers of the general public ”?

A.—The Jawatta Burial Ground is not maintained by the Council and therefore can hardly be described as a “ Public Cemetery.” In so far as the public have a right of way over this lane it is possible to hold that it is a public street, and this applies to a very large number of streets, lanes, and tracks over which the public have a right of way, but which the Council does not at present maintain.

(3) Q.—Will the Chairman get an estimate of the annual expenditure required to keep the Torrington avenue approach in good order?

A.—This lane can be put into good order as far as the cemetery for Rs. 1,250, and thereafter maintained at very small cost.

(4) Q.—Is there any other approach road to the same cemetery which is a public road? If so, will the Chairman be pleased to get an estimate from the Municipal Engineer—(1) for the annual maintenance of this road in good condition, (2) for widening this road so that it is, at least, thirty feet wide?

A.—The only other known approaches to the cemetery are a footpath from Thimbirigasyaya road, partly through swamp, and partly on a very steep gradient; and a road through the Council's Livoementu cemetery. It is impracticable to widen the former on its present trace. It would hardly be advisable to widen the latter and make it into a regular approach to the Jawatta cemetery through the Council's cemetery.

Arising out of these questions, Dr. E. A. Coorey asked whether the Chairman was aware of the fact that, in forwarding a letter from the All-Ceylon Malay Association on March 14 last, he requested that the Works Engineer should be instructed to visit the place with him (Dr. Coorey).

The Chairman stated that speaking from memory he could not recall the fact.

5. Pursuant to notice, Dr. E. A. Coorey asked the following questions which the Chairman answered:—With reference to the resolution of Law Committee that the Council should appeal to the Privy Council from the decision of the Supreme Court in regard to the private street line question, will the Chairman be pleased to state:—

(1) Q.—What the probable expenditure in such an appeal will be?

(2) Q.—What the approximate costs the Council will have to pay in case the appeal fails and costs ordered?

A.—(1) and (2). The Council's Lawyers have been asked to give an estimate of the approximate costs.

(3) Q.—In view of the probable heavy expenditure of ratepayers money involved and in view of the fact that such an appeal against the decisions of the District Court and the Supreme Court, and with doubtful results, is likely to cause delay in building operations in the city, whether the Chairman will consult the Council as to the desirability or otherwise of appealing to Privy Council before taking such a step?

A.—The Chairman will explain to the Special Committee, which originally recommended the policy now contested, the grave financial liability which the ratepayers will incur if the present decision of the Supreme Court remains final, and will ask them whether they would recommend to Council that the appeal should be further pursued.

(4) Q.—How many bakeries were licensed for 1929 and how many for 1930? A.—54 for 1929 and 1 so far for 1930.

(5) Q.—How many licensed eating-houses as defined by the old by-laws existed in the city in 1929? A.—568.

(6) Q.—How many tea boutiques and hopper boutiques existed in the city in 1929, which had not to be licensed according to the old by-laws, and how many such boutiques are there in 1930? A.—There is no record of these numbers.

(7) Q.—Of the 127 prosecutions entered against premises not licensed for 1929 or 1930, but used as eating-houses or tea boutiques without a licence, how many were tea boutiques where only tea or coffee is sold as a beverage, and are, therefore, eating-houses, according to the new by-laws, and how many were hopper boutiques which are also eating-houses according to the new by-laws?

(8) Q.—If prosecutions were not entered against these two classes of boutiques mentioned in (7), in view of the fact that tea boutiques, where only tea or coffee is sold as a beverage, and hopper boutiques, were not licensed in 1929 or 1930, and yet have been used as eating-houses or tea boutiques, without a licence, whether the Chairman will explain how he says in his answers to my question at the last meeting "The distinction made has been that premises licensed for 1929 have been allowed to carry on without a licence for 1930 without prosecution"?

(9) Q.—Whether premises against which prosecutions are entered for using them as eating-houses without a licence for 1930 have not obtained the licence owing to their inability to conform to the new by-laws?

A.—(7), (8), and (9). There has not been time to collect the information desired.

(10) Q.—Whether the Chairman has availed himself of the opportunity given him by resolution of Council at its meeting in February, to obtain a report of the Special Committee appointed by Council for the purpose of reconsidering the new by-laws which, judging from the large number of prosecutions entered, appear to be inflicting great hardship on the poorer ratepayers who run "eating-houses" as defined by the new by-laws? A.—No: because the information necessary for the Committee was being collected and was not ready.

(11) Q.—Whether the Chairman, who has thought it right not to summon for nearly two months a single meeting of the Special Committee appointed to reconsider the new by-laws and to report thereon to the Council, proposes to ignore this resolution of Council and continue to enforce the new by-laws? A.—No.

(12) Q.—Whether the Chairman will at an early date summon a meeting of the Special Committee so that the new by-laws may be amended and the objectionable and impracticable clauses removed, thereby sparing the ratepayers concerned unnecessary hardship and worry by prosecutions? A.—The Chairman, before the receipt of these questions and as soon as sufficient information was collected, called a meeting for April 4.

The Hon. Mr. N. H. M. Abdul Cader moved that the Council do go into Committee to consider items Nos. 6 to 9 (inclusive) on the Agenda. Dr. E. V. Ratnam seconded.—Carried.
