(3) If the purchaser desires to pay by instalments payment of a first instalment of 40 per cent. of the full purchase price tendered shall entitle him to fell and remove one-third of the trees in the coupe. Payment of 70 per cent. of the full purchase price by means of a second instalment of 30 per cent. shall entitle the purchaser to fell and remove not more than two-thirds of the total number of trees.

(7) The purchaser shall either exercise such personal supervision as will ensure the conditions of this agreement being efficiently executed or employ an efficient supervisor.

(10) The purchaser shall agree that, in the event of security money having become exhausted, it shall be within the discretion of the Divisional Forest Officer either (a) to accept a further security deposit amounting to 10 per cent. of the full tendered purchase price, or (b) to cancel the agreement and to refund to the purchaser such balance of the paid up purchase money, if any, as remains after deducting the value of firewood removed by the purchaser on the date of such cancellation. For the purpose of this clause the value of each removed cubic yard of firewood shall be reckoned at full royalty rates.

(11) The purchaser shall have the right of appeal to the Conservator of Forests in the event of the enforcement of any of the penalties specified in the conditions, and the purchaser shall agree to accept the Conservator's decision as final and binding.

(12) In the case of services "A" and "D" the purchaser shall be required to cut all materials in the coupes in the coppice system by four distinct operations as follows:—

#### Operation 1.

All herbacious and undergrowth other than tree growth shall be cut out. This operation shall commence along the full length of one boundary of each coupe and proceed in a straight line to the opposite boundary of that coupe. The whole area of each coupe must thus be covered including those portions, if any, which contain no tree growth.

#### Operation 2.

All tree seedlings and saplings which are under one inch diameter shall be coppiced out within two inches of the ground by means of sharp cutties or any other instrument authorized by the Divisional Forest Officer. This operation shall commence from and proceed to the same boundaries and in the same alignments as operation 1. Not less than three days shall have elapsed between the execution of operation 1 and the commencement of operation 2 in any portion of the area, and there shall be an interval on the ground of not less than one chain between operations 1 and 2 except where the terminating boundary is reached.

#### Operation 3.

All saplings which are over one inch in diameter and not exceeding eight inches diameter shall be felled within twelve inches of the ground, and on the day of felling the stools shall be coppiced by means of sharp adzes cleanly and flush with the ground. This operation shall proceed from and to the same boundaries and with the same intervals in relation to operation 2, as the latter is required to proceed with in relation to operation 1.

#### Operation 4.

All trees over eight inches in diameter shall be felled within two inches of the ground, and within three days of felling all the stools which are between eight inches and fifteen inches diameter shall be coppiced cleanly and to within one inch of the ground. This operation shall proceed from and to the same boundaries and with the same intervals in relation to operation 1.

Separate working parties shall be assigned to these four separate operations, and separate workmen shall be detailed to keep the coppicing tools invariably sharp. The purchaser shall either exercise such personal supervision as will ensure this work being executed efficiently, or employ an efficient supervisor.

(13) In services "A" and "E" if coppicing at any stage of the operations, after the work has commenced is not carried out rigidly as indicated above and is considered unsatisfactory by the Divisional Forest Officer he shall discontinue the issue of permits for removal of timber and firewood until the work is satisfactory: if the work continues to be unsatisfactory after two warnings the Divisional Forest Officer may at his sole discretion stop all felling and removal, cancel the agreement, and confiscate the security and all instalments paid up-to-date.

41. *Failing such Registration, Shares may be sold by the Company.*—If any person who shall become entitled to be registered in respect of any share under Article 40, shall not, from any cause whatever, within 12 calendar months after the event on the happening of which his title shall accrue, be registered in respect of such share, or if, in the case of the death of any Shareholder, no person shall, within twelve calendar months after such death, be registered as a Shareholder in respect of the shares of such deceased Shareholder, the Company may sell the same either by public auction or private contract, and give a receipt for the purchase money; and the purchaser shall be entitled to be registered in respect of such share, and shall not be bound to inquire whether the events have happened which entitled the Company to sell the same; the net proceeds of such sale, after deducting all expenses and all moneys in respect of which the Company is entitled to a lien on the shares so sold shall be paid to the person entitled thereto.

42. *Curator of Minor, &c., when not entitled to vote.*—The curator of a minor Shareholder, the committee or other legal guardian of any lunatic Shareholder, the husband of any female Shareholder not entitled to her shares as separate estate, and the executor or administrator or heir of any deceased Shareholder, shall not be entitled to receive notice of or to attend or vote at meetings of the Company or save as aforesaid, and save as regards the receipt of such dividends as the board shall not elect to retain, to exercise any of the rights and privileges of a Shareholder, unless and until he shall have been registered as the holder of the shares.

## SURRENDER AND FORFEITURE OF SHARES.

43. *Directors may accept Surrender of Shares.*—The Directors may accept, in the name and for the benefit of the Company, and upon such terms and conditions as may be agreed upon a surrender of the shares of Shareholders who may be desirous of retiring from the Company.

44. *If Call or Instalment not paid, Notice to be given to Shareholder.*—If any Shareholder fails to pay any call or instalment on or before the day appointed for the payment of the same, the Directors may at any time thereafter, during such time as the call or instalment remains unpaid, serve a notice on such Shareholder requiring him to pay the same, together with any interest that may have accrued, at the rate of 9 per cent. per annum, and all expenses that may have been incurred by the Company by reason of such non-payment.

45. *Terms of Notice.*—The notice shall name a day (not being less than one month from the date of the notice) on and a place or places at which such call or instalment and such interest and expenses as aforesaid are to be paid; the notice shall also state that, in the event of non-payment at or before the time and at the place appointed, the shares in respect of which the call was made or instalment is payable will be liable to be forfeited.

46. *In default of Payment, Shares to be forfeited.*—If the requisition of such notice as aforesaid be not complied with, every or any share or shares in respect of which such notice has been given may at any time thereafter, before payment of calls or instalments, with interest, and expenses due in respect thereof, be declared forfeited by a resolution of the Board to that effect.

47. *Shareholder still liable to pay Money owing at time of Forfeiture.*—Any shareholder whose shares have been so declared forfeited shall, notwithstanding, be liable to pay and shall forthwith pay to the Company all calls, instalments, interest, and expenses owing upon or in respect of such shares at the time of forfeiture, together with interest thereon at 9 per cent. per annum, from the time of forfeiture until payment and the Directors may enforce the payment thereof if they think fit.

48. *Surrendered or forfeited Shares to be the Property of the Company and may be sold, &c.*—Every share surrendered or so declared forfeited shall be deemed to be the property of the Company, and may be sold, re-allotted, or otherwise disposed of upon such terms and in such manner as the Board shall think fit.

49. *Effect of Surrender or Forfeiture.*—The surrender or forfeiture of a share shall involve the extinction of all interest in, and also of all claims and demands against the Company in respect of the share and the proceeds thereof, and all other rights incident to the share, except only such of those rights (if any) as by these presents are expressly saved.

50. *Certificates of Surrender or Forfeiture.*—A certificate in writing under the hands of two of the Directors and of the Agents or Secretaries that a share has been duly surrendered or forfeited, stating the time when it was surrendered or forfeited shall be conclusive evidence of the facts therein stated as against all persons who would have been entitled to the share but for such surrender or forfeiture; such certificate and the receipt of the Company for the price of such share shall constitute a good title to such share, and a certificate of proprietorship shall be delivered to any person who may purchase the same from the Company; such purchaser thereupon shall be deemed the holder of such share, discharged from all calls due prior to such purchase, and he shall not be bound to see to the application of the purchase money nor shall his title to such share be affected by any irregularity in the proceedings in reference to such forfeiture or sale.

51. *Forfeiture may be remitted.*—The Directors may in their discretion remit or annul the forfeiture of any share within six months from the date thereof upon the payment of all moneys due to the Company from the late holder or holders of such share or shares, and all expenses incurred in relation to such forfeiture, together with such further sum of money by way of redemption money for the deficit, as they shall think fit, not being less than 9 per cent. per annum on the amount of the sums wherein default in payment had been made, but no share *bona fide* sold or re-allotted, or otherwise disposed of under Article 48 hereof, shall be redeemable after sale or disposal.

52. *Company's Lien on Shares.*—The Company shall have a first and paramount lien upon all the shares registered in the name of each Shareholder (whether solely or jointly with others) and upon the proceeds of sale thereof for his debts, liabilities and engagements, solely or jointly with any other person to or with the Company, whether the period for the payment, fulfilment or discharge thereof shall have actually arrived or not, and no equitable interest, in any share shall be created except upon the footing and condition that Article 20 hereof is to have full effect, and such lien shall extend to all dividends from time to time declared in respect of such shares and to all moneys paid in advance of calls thereon. Unless otherwise agreed, the registration of a transfer of shares shall operate as a waiver of the Company's lien (if any) on such shares.

53. *Lien how made available and Proceeds how applied.*—For the purpose of enforcing such lien the Board may sell the shares subject thereto in such manner as they think fit, but no sale shall be made until such time as the moneys are presently payable, and notice in writing stating the amount due, and giving notice of intention to sell in default shall have been served on such Shareholder or the person (if any) entitled by transmission to the shares and default shall have been

made for seven clear days after such notice. The net proceeds of any such sale shall be applied in or towards satisfaction of the debts, liabilities and engagements aforesaid, and the residue (if any) shall be paid to the Shareholder or the person (if any) entitled by transmission to the shares or who would be so entitled but for such sale. Should the Shareholder over whose share the lien exists be in England or elsewhere abroad, sixty days' notice shall be allowed him.

54. *Certificate of Sale.*—A certificate in writing under the hands of two of the Directors and of the Agents and/or Secretaries that the power of sale given by Article 53 has arisen, and is exercisable by the Company under these presents shall be conclusive evidence of the facts therein stated.

55. *Transfer on Sale how executed.*—Upon any such sale two of the Directors may execute a transfer of such share to the purchaser thereof, and such transfer, with the certificate last aforesaid, shall confer on the purchaser a complete title to such share.

#### PREFERENCE SHARES.

56. *Preference and Deferred Shares.*—Any shares from time to time to be issued or created may from time to time be issued with any such right of preference, whether in respect of dividend or of payment of capital, or both, or any such other special privilege or advantage over any shares previously issued or then about to be issued (other than shares issued with a preference), or with such deferred rights as compared with any shares previously issued or then about to be issued, or subject to any such conditions or provisions, and with any such right or without any right of voting, and generally on such terms as the Company may, from time to time, by special resolution, determine.

57. *Modification of Rights and Consent thereto.*—If at any time by the issue of preference shares or otherwise the capital is divided into shares of different classes—

- (1) The holders of any class of shares by an extraordinary resolution passed at a meeting of such holders may consent, on behalf of all the holders of shares of the class, to the issue or creation of any shares ranking equally therewith, or having any priority thereto, or the abandonment of any preference or priority, or of any accrued dividend, or the reduction for any time or permanently of the dividends payable thereon or to any scheme for the reduction of the Company's capital affecting the class of shares.
- (2) All or any of the rights, privileges and conditions attached to each class may be commuted, abrogated, abandoned, added to or otherwise modified by a special resolution of the Company in General Meeting, provided the holders of any class of shares, affected by any such commutation, abrogation, abandonment, addition or other modification of such rights, privileges and conditions, consent thereto on behalf of all the holders of shares of the class, by an extraordinary resolution passed at a meeting of such holders.

Any extraordinary resolution passed under the provisions of this Article shall be binding upon all the holders of shares of the class, provided that this article shall not be read as implying the necessity for such consent as aforesaid in any case in which but for this article the object of the resolution could have been effected without it.

58. *Meeting affecting a particular Class of Shares.*—Any meeting for the purpose of the last preceding article shall be convened and conducted in all respects as nearly as possible in the same way as an Extraordinary General Meeting of the Company; provided that no Shareholder, not being a Director, shall be entitled to notice thereof or to attend thereat, unless he be a holder of shares of the class intended to be affected by the resolution, and that no vote shall be given except in respect of a share of that class, and that any such meeting a poll may be demanded by the Chairman or in writing by any Shareholder personally present and entitled to vote at the meeting. A Director although not a holder of shares of the class affected may act as proxy at any such meeting.

#### CALLS.

59. *Directors may make Calls.*—The Directors may from time to time make such calls as they think fit upon the registered holders of shares, in respect of moneys unpaid thereon, and not by the conditions of allotment made payable at fixed times; and each Shareholder shall pay the amount of every call so made on him to the persons and at the times and places appointed by the Directors, provided that two months' notice at least shall be given to the Shareholders of the time and place appointed for payment of each call.

60. *Calls, Time when made.*—A call shall be deemed to have been made at the time when the resolution authorizing the call was passed at a Board meeting of the Directors or was signed in terms of Article 130.

61. *Extension of Time for Payment of Call.*—The Directors shall have power in their absolute discretion to give time to any one or more Shareholder or Shareholders, exclusive of the others, for payment of any call or part thereof on such terms as the Directors may determine. But no Shareholder shall be entitled to any such extension except as a matter of grace or favour.

62. *Interest on Unpaid Call.*—If the sum payable in respect of any call or instalment is not paid on or before the day appointed for the payment thereof, the holder for the time being of the share in respect of which the call shall have been made, or the instalment shall have been due, shall pay interest for the same at the rate of 9 per centum per annum from the day appointed for the payment thereof to the time of the actual payment, but the Directors may, when they think fit, remit altogether or in part any sum becoming payable for interest under this Article. Any sum whether payable on account of the amount of the share or by way of premium which by the terms of allotment of a share is made payable upon allotment or at any fixed date, and any instalment of a call or premium shall, for all purposes of these presents, be deemed to be a call duly made and payable on the date fixed for payment, and in case of non-payment the provisions of these presents as to payment of interest and expenses, forfeiture, lien, and the like, and all other relevant provisions of these presents, shall apply as if such sum, premium, or instalment were a call duly made and notified as hereby provided.

63. *Payment in anticipation of Calls.*—The Directors may at their discretion receive from any Shareholder willing to advance the same, and upon such terms as they think fit, all or any part of the amount due upon the shares held by him beyond the sum actually called up.

#### BORROWING POWERS.

64. (a) *Power to borrow.*—The Directors shall have power to procure from time to time, in the usual course of business, such temporary advances on the produce in hand, or in the future to be obtained, from the Company's estates, as they may find necessary or expedient for the purpose of defraying the expenses of working the Company's estates, or of erecting, maintaining, improving, or extending buildings, machinery, or plantations, or otherwise. Also from time to time at their discretion to borrow or raise from the Directors or other persons any sum or sums of money for the purposes of the Company, at such rate of interest and on such terms as the Directors think fit, but so that the amount at any one time owing in respect of principal monies so borrowed or raised shall not, without the sanction of a General Meeting exceed the sum of One hundred thousand Rupees (Rs. 100,000). The Directors shall, with the sanction of a General Meeting, be entitled to borrow or raise such further sum or sums, and at such rate of interest as such meeting shall determine. The Directors may, for the purpose of securing the re-payment of any such principal sum or sums of money so borrowed or raised, as aforesaid and interest, create and issue any mortgages, debentures, mortgage debentures, debenture stock, bonds, or obligations of the Company, charged upon all or any part of the undertaking, revenue, property, and rights or assets of the Company (both present and future), including uncalled capital or unpaid calls, or give, accept, or endorse

on behalf of the Company any promissory notes or bills of exchange. Provided that before the Directors execute any mortgage, issue any debentures or create any debenture stock they shall obtain the sanction thereto of the Company in General Meeting whether ordinary or extraordinary, notice of the intention to obtain such sanction at such meeting having been duly given. Any such securities may be issued either at par or at a premium or discount, and may from time to time be cancelled or discharged, varied, or exchanged as the Directors may think fit, and may contain any special privileges as to redemption, surrender, drawings, allotment of shares, or otherwise. Every debenture or other instrument issued by the Company for securing the payment of money may be so framed that the moneys thereby secured shall be assignable free from any equities between the Company and the person to whom the same may be issued. A declaration under the Company's seal contained in or endorsed upon any of the documents mentioned in this Article and subscribed by two or more of the Directors, or by one Director and the agents and/or secretaries, to the effect that the Directors have power to borrow the amount which such document may represent, shall be conclusive evidence thereof in all questions between the Company and its creditors, and no such document containing such declaration shall, as regards the creditor, be void on the ground of its being granted in excess of the aforesaid borrowing power, unless it shall be proved that such creditor was aware that it was so granted.

64. (b) *Immediate Debenture Issue.*—Without prejudice to any of the powers and provisions of Article 64 (a) hereof and without the necessity of obtaining the sanction of the Company in General Meeting therefor the Directors shall have the power to raise and borrow immediately a sum not exceeding One hundred and Fifty thousand Rupees (Rs. 150,000) by the creation and issue of 1,500 redeemable debentures of One hundred Rupees (Rs. 100) each carrying interest at seven (7) per centum per annum and to secure the same by a primary mortgage over the Company's Craigforest estate and to execute all necessary mortgage bonds, trust deeds, debentures, and other documents.

68. *When Extraordinary General Meeting to be called.*—The Directors may, whenever they think fit, call an Extraordinary General Meeting, and the Directors shall upon a requisition made in writing by not less than one-seventh of the number of Shareholders holding not less than one-seventh of the issued capital and entitled to vote, forthwith proceed to convene an Extraordinary General Meeting of the Company and in case of such requisition the following provisions shall have effect:—

- (1) Any requisition so made shall express the object of the meeting proposed to be called, shall be addressed to the Directors, and deposited at the office and may consist of several documents in like form each signed by one or more of the requisitionists. Upon the receipt of such requisition the Directors shall forthwith proceed to convene an Extraordinary General Meeting to be held at such time and place as they shall determine. If they do not proceed to convene the same within seven days from the deposit of the requisition, the requisitionists may themselves convene an Extraordinary General Meeting, to be held at such place and at such time as the requisitionists convening the meeting may themselves fix, but any meeting so convened shall not be held after 3 months from the date of such deposit.
- (2) If at any such meeting a resolution requiring confirmation at another meeting is passed, the Board shall forthwith convene a further Extraordinary General Meeting for the purpose of considering the resolution, and, if thought fit, of confirming it as a special resolution: and if the Board do not convene the meeting within seven days from the date of the passing of the first resolution, the requisitionists, or a majority of them in value, may themselves convene the meeting.

69. Any General Meeting (whether ordinary or extraordinary) convened by the Directors unless the time thereof shall have been fixed by the Company in General Meeting, or unless such General Meeting be convened in pursuance of such requisition as is in Article 68 hereof mentioned may be postponed by the Directors by notice in writing, and the meeting shall subject to any further postponement or adjournment, be held at the postponed date for the purpose of transacting the business covered by the original notice.

72. *Two Meetings convened by One Notice.*—Where it is proposed to pass a special resolution the two meetings may be convened by one and the same notice, and it is to be no objection to such notice that it only convenes the second meeting contingently on the resolution being passed by the requisite majority at the first meeting.

73. *Business requiring and not requiring Notification.*—Every Ordinary General Meeting shall be competent, without special notice having been given of the purposes for which it is convened, or of the business to be transacted thereat, to receive and consider the profit and loss account (if any), the balance sheet of the Company, the reports of the Directors and Auditors, to elect Directors, Auditors and other officers in place of those retiring, to fix the remuneration of the Directors and Auditors, to sanction and declare dividends and to transact any business which under these presents ought to be transacted at an Ordinary General Meeting and shall also be competent to enter upon, discuss and transact any business whatever of which special mention shall have been made in the notice upon which the meeting was convened.

82. *Poll.*—If a poll be duly demanded, the same shall be taken in such manner, and at such time and place as the Chairman shall direct, and the result of the poll shall be deemed to be the resolution of the meeting at which the poll was demanded. The demand for a poll shall not prevent the continuance of a meeting for the transaction of any business other than the question on which a poll has been demanded. The demand for a poll may be withdrawn.

83. *Poll how taken.*—If at any meeting a poll be demanded by the Chairman or by a notice in writing signed by some Shareholder present at the meeting and entitled to vote, which notice shall be delivered during the meeting to the Chairman the meeting shall, if necessary, be adjourned, and the poll shall be taken at such time and in such manner as the Chairman shall direct, and in such case every Shareholder shall have the number of votes to which he may be entitled as hereinafter provided, and in case at any such poll there shall be an equality of votes, the Chairman of the meeting at which such poll shall have been taken shall be entitled to a casting vote in addition to any votes to which he may be entitled as a Shareholder and proxy and attorney, and the result of such poll shall be deemed to be the resolution of the Company in such meeting.

## SPECIFICATIONS UNDER "THE IRRIGATION ORDINANCE."

## SPECIFICATION.—Irrigation Works, Central Province.

SPECIFICATION showing lands found to be capable of Irrigation by Audella Ihala Amuna, the names of Proprietors, and the contributions payable in respect of each land. Lands liable to a construction rate of Re. 1.60 per acre per annum for 10 years from 1930 and to maintenance rate of Re. 1 per acre per annum for 5 years from 1930 to 1934, inclusive. The latter rate must be reassessed in 1935. The combined rate is, however, reduced to Rs. 2 per acre per annum, to cover the maintenance rate and a portion of the construction rate. Government having accepted the recommendation contained in paragraph 5 of the Report of the Irrigation Rates Committee (Sessional Paper XXV. of 1926) that the maximum irrigation rate for lands in the Dry Zone be reduced to Rs. 2 per acre per annum for 10 years, *vide* the Hon. the Colonial Secretary's letter No. 1-13-26 of April 22, 1927, to the Hon. the Controller of Revenue. The reduced rate will be charged until the end of 1937.
