MINUTE.

The following Draft of a proposed Ordinance is published for general information :—

III. 544. **An Ordinance to amend the Irrigation Ordinance,
No. 45 of 1917.**

BE it enacted by the Governor of Ceylon, by and with the advice and consent of the Legislative Council thereof, as follows :—

Short title.

1 This Ordinance may be cited as the Irrigation Amendment Ordinance, 1930.

Amendment of sections 3, 4, and 78 of the principal Ordinance.

2 Sections 3, 4, and 78 of the principal Ordinance are hereby amended by the substitution of the word "occupier" for the word "occupant" wherever the latter word occurs in each of the said sections.

Amendment of section 76 of the principal Ordinance.

3 Section 76 of the principal Ordinance is hereby amended as follows :—

(1) by the repeal of sub-section (1) thereof and the substitution of the following sub-section therefor :—

"(1) Whenever the owner or occupier of any land or premises, by the clearance or drainage of the said land or premises or by any other act or omission, whether of the same nature or not, in any way affecting any channel, water-course or *ela* used for irrigation purposes, or any other irrigation work—

(a) causes any such channel, water-course, *ela* or other irrigation work to be blocked up, obstructed or damaged, so that any lands deriving benefit therefrom are deprived of that benefit; or

(b) causes injury of any other nature to any lands in the neighbourhood of any such channel, water-course, *ela* or other irrigation work, any person aggrieved by the act or omission of the said owner or occupier may make a complaint to the Government Agent."

(2) by the substitution of the word "occupier" for the word "occupant", and of the word "lands" for the word "fields", in the third and in the fourth lines respectively of sub-section (2) thereof, and by the insertion of the words "or if any of the parties to any such agreement fails to take or to assume, within a reasonable time, any of the steps or obligations which he has thereby agreed to take or assume," immediately after the word "injury" in the ninth line of the said sub-section;

(3) by the substitution of the word "lands" for the word "fields" in the third line of sub-section (6) and in the fifth line of sub-section (8) thereof; and

(4) by the substitution of the word "occupier" for the word "occupant" in the fifth line of sub-section (7) thereof.

By His Excellency's command,

Colonial Secretary's Office,
Colombo, April 30, 1930.

F. G. TYRRELL,
Acting Colonial Secretary.

Objects and Reasons.

Section 76 of the Irrigation Ordinance, No. 45 of 1917, makes provision for the settlement by arbitration of questions relating to injuries to fields below or adjacent to an irrigation work, which are caused by the clearing or draining of land situated above the irrigation work. Cases, however, arise where lands are injured as a result of the alteration of an anicut situated at a lower level, and as it is desirable that the arbitration procedure provided should be applicable in all cases where injuries are caused to lands in the neighbourhood of an irrigation work or deriving benefit from it, by the owners of land in the vicinity, the existing sub-section (1) of section 76 has in clause 3 (1) of this Bill been replaced by a new sub-section which will make arbitration possible in all such cases.

2. Section 76 (2) authorizes arbitration where no agreement can be reached between the parties concerned, but not in other circumstances. It happens in some cases that an agreement is reached, but the parties do not carry it out; the result is a deadlock, since arbitration is not then possible and there is no provision for enforcing the agreement. The Bill therefore in clause 3 (2) amends section 76 (2) so as to authorize arbitration in cases where an agreement is not carried out.

3. The remainder of the amendments contained in the Bill are consequential upon the alterations effected in section 76 (1), and are as follows:—

- (a) The word "occupier" has been substituted for the word "occupant" where the latter word occurs in the Ordinance (in one place side by side with "occupier", viz.:—s. 78); and
- (b) The word "lands" has been substituted for the word "fields" in section 76, as it seems undesirable to confine the benefit of this section to the cultivators of fields only.
