ANNEXURE A.

Report of the Special Committee on Salaries of the Municipal Staff.

This Committee was appointed on March 8, 1930, to consider the applications of Municipal Officers for increase of salary, and report to Council.

The present Salaries Scheme was passed by the Council in June, 1927, and is of too recent a date to appear to need revision. But the scheme was not popular, for it did not come up to expectation and the present expression of discontent is probably the result of the publication of the Government Salaries Recommendations, for practically every officer has memorialized the Council for increase of salary. After careful consideration we are of opinion that in some grades of the service the existing rates of pay need revision, while the pay of individual officers is, in many cases, less than it should be; and we make the following recommendations with regard to (1) the rate of pay to be attached to the several posts, (2) the immediate rise to individual officers.

(1) *Accountant*.—The salary was Rs. 1,800—90—2,400 up to June, 1928, when it was increased by Rs. 600 for additional work in connection with the accounts of the Electricity Department, the increase being payable by that Department.

We recommend that (1) the maximum be raised to Rs. 3,600 by 20 annual increments of Rs. 90; (2) the present holder of the post, who has served the Council for 22 years and is now 44 years of age, be given an immediate rise of Rs. 120 to bring his salary up to Rs. 2,880.

(2) *Shroff*.—The salary was increased in 1928 by Rs. 300 payable by the Electricity Department. His present maximum is therefore Rs. 2,100 which we consider adequate. The future salary may be considered, when the post falls vacant.

The Shroff has asked for an assistant, owing to the increase of work in his Department; and we recommend the appointment of an Assistant Shroff on Rs. 30 per month, for whom the Shroff must be responsible. The present allowance of Rs. 120, to enable the Shroff to provide a substitute when he is on leave, should be discontinued if the Assistant Shroff is appointed.

The payment to the Accountant, Shroff, and Secretary on Electricity Account, although treated as "allowance", was voted as increase of salary and is pensionable. The salaries of these officers are therefore treated accordingly.

(3) *Clerical Service*.—We recommend that Grade II. should be discontinued on the retirement of the Second Clerk and all officers in the Clerical Service put on the same footing. The maximum may be increased from Rs. 1,200 to Rs. 1,500 by 12 annual increments of Rs. 60 and 4 of Rs. 75 with a halt of three years at Rs. 1,200.

The officers are recommended for immediate rises in the statement annexed to this report.

(4) *Inspectors*.—No recommendation is made regarding an increase of pay; but we recommend that the Inspectors be allowed full pay leave not exceeding 6 months, to enable them to be trained, so as to entitle them to the emoluments of trained Inspectors. Leave to be granted on such conditions as the Council may determine.

(5) *Manager, Health Department*.—The maximum to be raised from Rs. 960 to Rs. 1,200 by 8 annual increments of Rs. 48 and 4 of Rs. 60, with a halt of three years at Rs. 960. Bicycle allowance as at present.

(6) *Inspector of Works*.—We recommend a salary of Rs. 840 to Rs. 1,800 by 7 annual increments of Rs. 60 and 6 of Rs. 90, with a halt of three years at Rs. 1,260. Motor bicycle allowance as at present.

Peons, Conservancy Kangaries, Cart Shed Overseer, and Criers of the Fish Auction Shed.—The maximum to be increased from Rs. 420 to Rs. 450 by 16 annual increments of Rs. 12 and 1 of Rs. 18.

(8) *Park-keeper*.—To receive annual increments of Rs. 30 instead of biennial increments of Rs. 60.

(9) *Waterworks Town Overseer*.—Maximum to be raised to Rs. 1,200 by 9 annual instalments of Rs. 24, 6 of Rs. 48, and 2 of Rs. 60.

(10) *Turncocks and Patrols*.—To receive 14 annual increments of Rs. 12 and 4 of Rs. 18 instead of 20 increments of Rs. 12.

(11) *Market Master and Slaughterhouse-keeper*.—The maximum to be increased from Rs. 648 to Rs. 720 by 6 annual increments of Rs. 24 and 6 of Rs. 36.

(12) *Superintendent of Works*.—We recommend that from January, 1932, Mr. Toussaint's annual increments be Rs. 300 instead of Rs. 250.

(13) *Superintendent of Electricity Department*.—While recognizing Mr. Jansen's good services the Committee are not prepared to recommend an increase until he has served at least 5 years.

(14) The Officers of the Clerical Service have asked that in case of illness the cost of treatment in a paying ward of the hospital may be defrayed by the Council. The Committee are divided on the question of allowing this concession. If allowed, it should be to the officers themselves, not to members of their families.

We recommend that the officers mentioned in the annexed statement should be given an immediate rise. It will involve an increase under the head Personal Emoluments of Rs. 1,062 for the 6 months, July to December, 1930. The aggregate of the difference between the existing and the proposed rates of annual increments to the officers will be Rs. 222.

Daily-paid Employees of the Electricity Department.—The daily rates of pay of the following employees may be increased as shown:—

Assistant Engine Drivers Elaris and Ekanayaka from Rs. 2 15 to Rs. 2 30.

Assistant Engine Driver Albert from Re. 1 50 to Re. 1 65. Switchboard Attendant Jayawardena from Rs. 2 to Rs. 2 15.

Wireman G. S. de Silva from Rs. 2 35 to Rs. 2 50.

Wireman W. de Silva from Rs. 2 to Rs. 2 15.

Fitter James Appu from Re. 1 90 to Rs. 2.

Store Cooly Francis from 75 cents to 85 cents.

All other coolies an increase of 5 cents each.

The question was discussed of putting the higher paid employees on a monthly wage. We think that this may be considered at a later date as a reward for good work.

Scavenging Coolies.—Considering the unusual conditions under which both scavenging and conservancy coolies work, e.g., that a considerable number work both as scavenging and conservancy coolies and are also allowed to accept fees for private work, we recommend that no rise should be given under the present system as they are sufficiently paid for the work they do.

We recommend that the proposed increases should take effect from July 1, 1930.
