"The Masters Attendant's Ordinance, 1865."

S 114/30

BY HIS EXCELLENCY THE OFFICER ADMINISTERING THE GOVERNMENT.

A PROCLAMATION.

B. H. BOURDILLON.

KNOW Ye that in exercise of the powers vested in the Governor in Council by section 6 of "The Masters Attendant's Ordinance, 1865," I, the Officer Administering the Government in Council, do hereby frame and establish for the Port of Colombo the rules set out in the schedule hereto as from and after September 15, 1930.

Colombo, August 6, 1930.

By His Excellency's command,

F. G. TYRRELL,
Acting Colonial Secretary

GOD SAVE THE KING.

SCHEDULE.

1. *Section I., Rule 12.*—All vessels, before entering the harbour during day light, shall hoist such special flag signal as may be required by the pilot to indicate by which entrance, and to which berth, vessels will proceed.

2. *Section I., Rule 13.*—During the north-east monsoon vessels berthed in any of the berths stated below will be supplied with additional stern moorings by the Master Attendant. These additional moorings are to be returned to the Pilot Station on the departure of the vessel:—Berths numbers 29, 30, 31, 32, 33, and 34.

3. *Section I., Rule 14.*—No sailing vessel shall warp herself to her anchorage within the limits of the port. If unable to sail to her intended position she shall anchor immediately and send for a tug and shall be towed to her intended position with as little delay as possible.

The same shall apply to any sailing vessel leaving her anchorage and proceeding to sea.

No sailing vessel shall shift her berth without the assistance of a tug except by permission of the Master Attendant.

4. *Section III., Rule 7A.*—For the purpose of these rules, the word "tindal" shall signify the person responsible for orders to (or manipulation of) rudder and source of propulsion.

5. *Section IV., Rule 14.*—Vessels within the port requiring the assistance of a Ceylon Government tug may make the following signal by steam whistle or syren:—

By day or night . . . One long blast followed by four short blasts.

The tug will answer with one long blast in her syren. This signal is only to be made in cases of emergency or when the immediate assistance of the tug is necessary for the safety of the vessel.

6. *Section VI., Rule 19.*—No person shall lay or maintain any buoy or any mark whatever within the limits of the port without the permission of the Master Attendant.

7. *Section VI., Rule 20.*—The master of any vessel arriving at the port of Colombo with explosives, dangerous petroleum, or carbide of calcium on board as cargo shall give immediate notice thereof to the pilot boarding the vessel.

8. *Section VI., Rule 21.*—The agents of any vessel expected to arrive within the port having explosives, dangerous petroleum, or carbide of calcium on board as cargo, shall give notice of the fact of such explosives, dangerous petroleum, or carbide of calcium being on board such vessel to the Principal Collector of Customs and to the Master Attendant not less than 48 hours before the arrival of such vessel.

9. *Section VI., Rule 22.*—No explosives, dangerous petroleum, or carbide of calcium shall be shipped to or discharged from any vessel within the port unless special permission so to do has been previously obtained from the Principal Collector of Customs and the Master Attendant.

10. *Section VI., Rule 23.*—In the case of vessels working cargo consisting of explosives or dangerous substances, no craft shall during such working approach within such limits as may from time to time be prescribed by the Master Attendant.

11. *Section VI., Rule 24.*—In the event of any fire occurring on board a vessel within the limits of the port, the master or owner or agents shall give immediate notice thereof to the Master Attendant, stating whether or no assistance of the Port Authorities is required.

12. *Section VII., Rule 4A.*—Any boat so beached shall be removed if and when directed by the Master Attendant.

13. *Section VII., Rule 10A.*—All licensed tindals shall produce their licence on request at any time from the Master Attendant or from a Police Officer not below the rank of Sergeant.

14. *Section VII., Rule 14A.*—Cargo boats shall not lie alongside the walls of the Lake to Harbour Canal Basin in tiers of more than four abreast on the East Wall and two abreast on the West Wall, and shall at all times leave a clear access channel to the two centre spans of the Railway bridge, Main street.

In the canal itself cargo boats shall not lie more than two abreast alongside either wall, and shall allow clear access through the two centre spans of all bridges.

Barges and boats shall not lie in the Canal or Canal Basin for the purpose of repairs.

15. *Section VII., Rule 28A.*—No boat or launch shall proceed at a greater speed than 12 knots an hour when within the harbour.

16. *Section VII., Rule 29A.*—No water boats shall be licensed which do not comply with the specification approved by the Government of Ceylon Examining Engineer (hereinafter called the Government Surveyor).

Special signal to indicate entrance by which, and berth to which, a vessel will proceed.

Supply of additional stern moorings by the Master Attendant during north-east monsoon.

Sailing vessels unable to sail to engage a tug.

Definition of "Tindal."

Signals to be made by vessels requiring assistance of Government tug.

Buoys not to be laid without permission.

Vessel having explosives to notify pilot.

Agents of vessel expected to arrive with explosives to notify the Principal Collector and the Master Attendant.

Explosives not to be shipped or discharged without permission from the Principal Collector and the Master Attendant. No craft to approach vessels working cargo of explosives.

Masters of vessels to notify the Master Attendant of any fire occurring on board.

Boats beached for repairs or cleaning to be removed when directed by the Master Attendant.

Tindals to produce licences on request of Master Attendant or Police.

Cargo boats in the Canal Basin and Canal.

Speed of boat or launch not to exceed 12 knots.

Licensing of water boats.

Definition of the words "Passenger Jetty" and "Jetty."

17. *Section VIII., Rule 6.*—For the purpose of rules 1 to 5 in *Section VIII.*, the words "Passenger Jetty" and "Jetty" include both decks of the Passenger Jetty, the Port Commission bridge from York street to the Baggage Office, the verandah of the Baggage Office adjoining the bridge, and the Examination Halls in the Baggage Office.

Inspection of licensed vessels in harbour.

18. *Section IX., Rule 7.*—All licensed vessels afloat in the harbour shall be inspected by Government Surveyor annually between December 1 and the end of March in each year.

Tindal, driver, and owner of any mechanically propelled vessel to give every facility to the Government Surveyor to inspect such vessel.

19. *Section IX., Rule 8.*—The tindal, driver, and owner of any licensed mechanically propelled vessel shall at all times give every facility to the Government Surveyor to inspect such vessel, and the owner shall, if so required by the Government Surveyor, cause such vessel to be removed from the water for the inspection of the under water fittings.

Steam boilers to be removed for inspection if required by Government Surveyor.

20. *Section IX., Rule 9.*—The owner of any steam launch or tug within the limits of the port shall cause the steam boilers of such launch or tug to be removed from the launch or tug for the purpose of inspection if required so to do at any time by the Government Surveyor.

Definition of "motor launch."

21. *Section IX., Rule 10.*—For the purpose of these rules the term "motor launch" shall be deemed to mean any craft propelled by mechanical power other than steam.

Motor launch to be constructed in accordance with the requirements of the Government Surveyor.

22. *Section IX., Rule 11.*—No launch or other craft propelled by mechanical power other than steam shall ply for the conveyance of passengers or coolies within the limits of the port unless it is licensed as constructed in accordance with the requirements of the Government Surveyor published by the Colombo Port Commission.

Petrol tanks on launches not to be manipulated when under weigh.

23. *Section IX., Rule 12.*—When a motor launch within the limits of the port is under weigh or has passengers on board no person shall open or manipulate the fuel tank or open any receptacle in it containing petrol.

Petrol in excess of that contained in fuel tanks not to be carried.

24. *Section IX., Rule 13.*—No petrol other than that contained in the fuel tank shall be carried in any motor launch within the limits of the port.

Fire extinguishers to be carried when plying for hire.

25. *Section IX., Rule 14.*—Every motor launch for the conveyance of passengers or goods within the limits of the port shall when plying for hire carry chemical fire extinguishers of an efficient pattern approved by the Government Surveyor, and shall when not plying for hire carry an ample supply of sand conveniently available. A suitable motor horn or syren in good order, of a type approved by the Government Surveyor, shall be carried on every motor launch.

Definition of "Petrol."

26. *Section IX., Rule 15.*—For the purpose of these rules "Petrol" shall be deemed to mean any liquid fuel having a flash point of 73° F or lower and shall include the following:—

Petroleum spirit,	Naptha,
Benzine,	Alcohol,
Benzol,	

and also any mixture of one or more of these aforementioned fuels.

Life buoys to be carried on launches.

27. *Section IX., Rule 16.*—All launches plying for conveyance of passengers or goods within the limits of the port shall carry at least one life buoy for each ten (or portion of ten) persons which they have been licensed to carry, and such life buoys shall at all times be carried in the position and manner laid down by the Government Surveyor.

These life buoys shall be so fixed as to be easily detachable and at all times ready for immediate use, and shall have the name or number of the launch to which they belong painted on them conspicuously in letters or numbers at least 2½ inches high and ½ inch in thickness.

Notice of warning to occupants.

28. *Section IX., Rule 17.*—A notice must be placed on every launch in a conspicuous position warning the occupants of the danger which might arise from smoking, striking matches, or carrying a naked light in the engine room or near the petrol when the tank is being replenished.

"The Masters Attendant's Ordinance, 1865."

S 114/30

BY HIS EXCELLENCY THE OFFICER ADMINISTERING THE GOVERNMENT.

A PROCLAMATION.

B. H. BOURDILLON.

KNOW Ye that in exercise of the powers vested in the Governor in Council by section 6 of "The Masters Attendant's Ordinance, 1865," I, the Officer Administering the Government in Council, do hereby frame and establish for the Port of Colombo the rules set out in the schedule hereto as from and after September 15, 1930.

Colombo, August 6, 1930.

By His Excellency's command,

F. G. TYRBELL,
Acting Colonial Secretary.

GOD SAVE THE KING.

SCHEDULE.

1. Rule 1 of section I. of the rules dated June 15, 1900 (*Gazette* No. 5,697 of June 15, 1900), is repealed and the following is substituted therefor:—

Vessels arriving to be reported at Custom House, Master Attendant's Office, and Harbour Police.

Section I., Rule 1.—Masters of all vessels arriving, or their agents, shall fill in and return to the pilot the Arrival Report Form which the pilot will supply on boarding the vessels, and shall report their vessels within 24 hours at the Custom House, and shall furnish the Harbour Police with a list of all passengers embarking or disembarking, and twelve hours before sailing hoist the Blue Peter at the foremast head.

2. Rule 3 of section I. of the rules dated June 15, 1900 (*Gazette No. 5,697 of June 15, 1900*), is repealed and the following is substituted therefor:—

Vessels to take up the berths appointed for them.

Section I., Rule 3.—All vessels within the port shall take up the berth appointed for them by the Master Attendant or his representative and shall change their berth or move whenever the Master Attendant requires them so to do.

3. Rule 4 of section I. of the rules dated June 15, 1900 (*Gazette No. 5,697 of June 15, 1900*), is repealed and the following is substituted therefor:—

Vessels not to change berth without permission.

Section I., Rule 4.—No vessel within the port shall change her berth or move without permission from the Master Attendant except in case of emergency, which is to be reported immediately by the master, or agents, to the Master Attendant.

4. Rule 5 of section I. of the rules dated June 15, 1900 (*Gazette No. 5,697 of June 15, 1900*), is repealed and the following is substituted therefor:—

Vessels to be moored head and stern.

Section I., Rule 5.—All vessels within the Harbour shall lie to their own anchors and shall be moored head and stern to buoys. When this is not practicable, vessels are to be moored head and stern as directed by the Master Attendant, Deputy Master Attendant, or Pilot. All vessels are to remain so moored until they are ready to sail, unless otherwise directed by the Master Attendant, Deputy Master Attendant, or Pilot.

5. Rule 7 of section I. of the rules dated June 15, 1900 (*Gazette No. 5,697 of June 15, 1900*), is repealed and the following is substituted therefor:—

Vessels and boats not to anchor in the channels.

Section I., Rule 7.—No vessel or boat shall without permission of the Master Attendant, anchor in or near the entrances to the harbour in such a manner as to obstruct the free passage of the entrances or in the channels leading to, or from any of the mooring buoys within, the harbour.

6. Rule 8 of section I. of the rules dated June 15, 1900 (*Gazette No. 5,697 of June 15, 1900*), is repealed and the following is substituted therefor:—

Wharves and jetties to be kept clear.

Section I., Rule 8.—Free passages shall be kept to all piers, jetties, wharves, or landing places, and all vessels or boats shall move when required by the Master Attendant or his representative, to clear such passages.

7. Rule 11 of section I. of the rules dated November 16, 1905 (*Gazette No. 6,088 of November 17, 1905*), is repealed and the following is substituted therefor:—

Vessels to tend their own ropes and run out extra mooring ropes when required.

Section I., Rule 11.—All vessels arriving within the port shall, after having been moored to the satisfaction of the Master Attendant, or his representative, tend their own ropes.

If in the opinion of the Master Attendant additional precautions are necessary for the safety of shipping, a red ball will be hoisted at the mastheads of the Flagstaffs at the Master Attendant's Office and Pilot Station during the day and a red light at night, and all vessels shall on such signal being made run out extra mooring ropes to the buoys and prepare a second anchor for letting go.

While these signals are hoisted no vessel shall enter or leave the port except with special permission from the Master Attendant.

8. Rule 3 of section II. of the rules dated June 15, 1900 (*Gazette No. 5,697 of June 15, 1900*), is repealed and the following is substituted therefor:—

Vessels having dead body on board to communicate with Port Surgeon.

Section II., Rule 3.—If any person die on board any vessel within the port, or if any vessel arrive within the port having on board the body of any person who has died on board since her last port of call, or having on board a dead body picked up at sea, the master of such vessel shall at once communicate the fact to the Port Surgeon, and shall carry out such instructions as may be issued by the Port Surgeon as to the disposal of the body.

9. Rule 4 of section III. of the rules dated March 13, 1919 (*Gazette No. 7,001 of March 14, 1919*), is repealed and the following are substituted therefor:—

Coal, ballast, ashes, &c., not to be thrown into the Harbour.

(a) *Section III., Rule 4.*—No coal, ballast, ashes, rubbish, or any object or material likely to cause damage to the port or damage or obstruction to shipping shall be thrown overboard or allowed to fall from any vessel or boat into the harbour or into any part of the port where the depth of the water is less than 12 fathoms and, in case of any contravention of this rule, the Master of such vessel or boat shall be deemed to be responsible.

No oils, paints, or oily water shall be discharged or allowed to flow from any vessel or boat in any part of the port, and in case of any contravention of this rule, the Master of such vessel or boat shall be deemed to be responsible.

No coal, ballast, ashes, rubbish, or any object or material likely to cause damage to the port or damage or obstruction to shipping shall be cast or thrown, or shall be caused to be cast or thrown by any person into the harbour or into or on any place on the shore whence such material is liable to be washed into the harbour.

No oils, paints, or oily water shall be discharged or allowed to flow by any person into the harbour or into or on any place on the shore whence such material is liable to flow or be washed into the harbour.

Vessels dropping articles overboard should report to the Master Attendant.

(b) *Section III., Rule 4A.*—The master of, or agents for, any vessel within the harbour from which any article likely to cause damage or an obstruction shall have dropped overboard or sunk, or the owner of or agents for, any boat, barge, or lighter which has sunk in the harbour shall report the same immediately to the Master Attendant by telephone and shall confirm the same in writing stating the nature of the article, boat, barge, or lighter, and the position of the same, and shall take the necessary steps for the immediate recovery of the article, boat, barge, or lighter, and shall report the recovery of the same to the Master Attendant in writing. In default of action being taken as above, such master, owner, or agents may be punishable with a fine not exceeding Rs. 200. If not recovered by the master, owner, or agents, steps may be taken by the Master Attendant for the recovery of the article, boat, barge, or lighter, and all expenses so incurred shall be defrayed by the master, owner, or agents whether the article, boat, barge, or lighter be recovered or not.

The tindal or person in charge of any boat receiving or discharging cargo alongside any vessel shall also report to the Master Attendant as soon as possible after the occurrence all instances of cargo dropping overboard from the vessel's slings in the act of being lowered into or hoisted out of his boat, or from his boat.

The above also applies to tindals of boats, &c., which have sunk in the harbour.

10. Rule 6 of section III. of the rules dated June 15, 1900 (*Gazette* No. 5,697 of June 15, 1900), is repealed and the following is substituted therefor :—

Boats receiving coal or ballast to have special temporary bulwarks.

Section III., Rule 6.—Any boat or lighter not having a combing and surrounding deck shall not be allowed to receive loose coal or ballast from shoots from vessels within the harbour without having a temporary bulwark of planks or sheet iron 2 feet high by 12 feet long, shipped on the gunwale of the boat or lighter on the offside whilst being loaded, so as to prevent any coal or ballast from going overboard from the boat or lighter ; and no boat or lighter shall be loaded with loose coal or ballast heaped up above the gunwales.

11. Rules 10 and 11 of section III. of the rules dated September 24, 1921 (*Gazette* No. 7,214 of September 30, 1921), are repealed and the following are substituted therefor :—

Live stock not to be landed from a ship or landed into a ship except in a stage boat or pontoon fitted with a flat deck.

(a) *Section III., Rule 10.*—Live stock shall not be landed from a ship or loaded into a ship except in a stage boat or pontoon fitted with a flat deck of ample strength, intact, unbroken, free from holes, and fitted with cross bars on the floor, spaced at intervals to prevent animals from slipping. The deck shall be fitted with a fence all round not less than 3 feet 6 inches high, and a gate or other approved appliance shall be provided for the purpose of loading and unloading animals from the ship and landing them ashore and for embarking animals from the shore and loading them into the ship.

Canvas sling used for transferring live stock.

(b) *Section III., Rule 11.*—When it is not possible to use a gangway on board the ship, the canvas sling used for transferring live stock to and from the vessel shall not be less than 2 feet 6 inches in width.

Live stock loaded or unloaded in crates or boxes.

Provided, however, that Rules (10) and (11) of section III. shall not apply to live stock loaded or unloaded in crates or boxes.

12. Rule 12 of section III. of the rules dated January 18, 1917 (*Gazette* No. 6,848 of January 19, 1917), is repealed and the following is substituted therefor :—

Ship's tackle.

Section III., Rule 12.—Masters of vessels in the harbour or, in their absence, the officers in charge and contractors or their agents or servants engaged in shipping or discharging cargo, coal, or other articles shall not use or suffer or permit to be used any ropes, tackle, or other gear that may be worn, frail, or otherwise unsuitable from any cause whatever for the purpose of heaving or lowering such cargo, coal, or other articles, nor shall they permit any one of unsound mind or afflicted with deficient eyesight or hearing, or any one under the age of 16 years to drive or in any way control any steam winch or other machine used for heaving or lowering such cargo, coal, or other articles.

The Master Attendant, his representative, or any Police Officer not below the rank of sergeant may at all times inspect and examine such ropes, tackle, other gear and persons controlling winches and prohibit their use or employment if deemed unsuitable.

13. Rule 1 of section IV. of the rules dated June 15, 1900 (*Gazette* No. 5,697 of June 15, 1900), is repealed and the following is substituted therefor :—

All vessels and craft to carry lights.

Section IV., Rule 1.—All vessels and craft within the port, unless specially exempted by the Master Attendant, shall carry such lights as are laid down for them in the "Regulations for Preventing Collisions at Sea."

14. Rule 2 of section IV. of the rules dated April 27, 1901 (*Gazette* No. 5,778 of May 2, 1901), is repealed and the following is substituted therefor :—

Signals.

Section IV., Rule 2.—Except as provided in rule 3 of section IV., no vessel within the port shall fire guns or rockets or burn blue lights, excepting vessels in distress, which may make any of the Board of Trade distress signals.

This rule does not apply to men-of-war firing salutes.

15. Rule 3 of section IV. of rules dated October 22, 1902, and March 28, 1911 (*Gazettes* Nos. 5,884 of October 24, 1902, and 6,433 of March 31, 1911), is repealed and the following is substituted therefor :—

Pilot signals.

Section IV., Rule 3.—Vessels inward bound requiring a pilot should display the Board of Trade pilot signal, and vessels outward bound or any other vessel requiring a pilot should hoist the jack at the fore by day, and by night two red lights 6 feet apart hoisted well up where best seen. The following signals will be made from the Pilot Station in answer to vessels' signals for a pilot at night time :—

- (a) A light showing red and white flashes alternately in quick succession for a period of one minute indicates that a pilot will proceed immediately to the vessel making the signal for a pilot.
- (b) A fixed red light for the same period indicates that all pilots on duty are engaged, but that a pilot will proceed to the vessel making signal as soon as he becomes disengaged.
- (c) A succession of long white flashes signifies that the vessel should anchor well clear of either entrance to the Harbour or remain under weigh until daylight.
- (d) The above signals shall not be used within the limits of the port for any other purpose than that laid down in these rules.

Vessels desiring to communicate with the Port Signal Station—

- (e) By International Code should hoist the "Code" or "Answering" Pennant in some conspicuous place.
- (f) By Semaphore or Morse Code should hoist the Pennant "F" under the "Code" Pennant.
- (g) At night should make short flashes continuously from a Morse single lamp or other lamp until the Reply Signal "T" is made from the Signal Station.

16. Rules 4, 5, and 6 of section IV. of rules dated June 15, 1900 (*Gazette* No. 5,697 of June 15, 1900), are repealed and the following are substituted therefor :—

Steam whistle or syren not to be sounded by vessels.

(a) *Section IV., Rule 4.*—No vessel within the port shall sound any kind of steam whistle or syren for any purpose whatever except those defined in Articles 28 and 31 of the "Regulations for Preventing Collisions at Sea" or for the purpose of summoning the immediate assistance of one of the Ceylon Government tugs.

Vessels requiring assistance to apply to the Master Attendant or signal for pilot.

(b) *Section IV., Rule 5.*—If any vessel within the port at any time requires assistance from the Master Attendant's Department the master of, or agents for, the vessel should make application to the Master Attendant, or in urgent cases make the signal for a pilot.

All launches, tugs, steam, and water boats, and all mechanically propelled oil barges and small craft, when under weigh between sunset and sunrise to carry a bright white light.

(c) *Section IV., Rule 6.*—All launches, tugs, steam, and motor water boats, and all mechanically propelled oil barges and small craft shall, when under weigh between sunset and sunrise, carry in the fore part of the vessel, or in front of the funnel, where it can best be seen, a bright white light so constructed as to show the light from right ahead to 2 points abaft the beam on each side, and shall also carry the regulation side lights, green on the starboard side and red on the port, or a combined lantern showing a green light and a red light from right ahead to 2 points abaft the beam on their respective sides. Such lantern shall be carried below the line of the bright light. Between sunset, and sunrise launches shall proceed at a moderate speed. Any such craft when towing shall carry a similar additional bright light in a vertical line one above the other 6 feet apart.

NOTE.—For the purpose of these rules a launch is deemed to be a craft propelled by steam or motor power.

17. Rules 7 and 8 of section IV. of rules dated November 26, 1913 (*Gazette No. 6,594 of November 28, 1913*), are repealed and the following are substituted therefor:—

All lighters and coal boats, when under weigh between sunset and sunrise to carry a combined green and red light.

(a) *Section IV., Rule 7.*—All lighters and coal boats, other than those mechanically propelled shall when under weigh between sunset and sunrise carry in the fore part on a short pole or stand to ensure the light being visible well clear over the gunwales, a lantern with a green glass on one side and red on the other so fitted that the green light shall not be seen on the port side nor the red light on the starboard side.

All boats other than those provided for in the two preceding rules to exhibit a white light and to carry a second lantern for use as occasion requires.

(b) *Section IV., Rule 8.*—All boats other than those provided for in the two preceding rules shall, when under weigh between sunset and sunrise exhibit on the forward awning stanchion a white light of a pattern approved by the Master Attendant. A second lantern shall be carried in the stern sheets for use as occasion requires.

18. Rule 11 of section IV. of rules dated June 15, 1900 (*Gazette No. 5,697 of June 15, 1900*), is repealed and the following is substituted therefor:—

Vessels not to display arc lights which are not shaded.

Section IV., Rule 11.—No vessel within the port shall display at night any arc light unless such light be so shaded as to throw the light on the vessel's deck only.

19. Rule 12 of section IV. of rules dated March 28, 1911 (*Gazette No. 6,433 of March 31, 1911*), is repealed and the following is substituted therefor:—

Signals to be used by vessels requiring attendance of the Port Surgeon.

Section IV., Rule 12.—A vessel requiring the attendance of the Port Surgeon shall hoist where best seen—

By day .. International Code Signal "K"

By night .. Two red lights with a white light between them 6 feet apart hoisted well up where best seen.

20. Rule 1 of section V. of rules dated September 30, 1922 (*Gazette No. 7,285 of September 30, 1922*), is repealed and the following is substituted therefor:—

Pilotage charges.

Rates of Pilotage.

Section V., Rule 1.—All vessels shall pay pilotage at the following rates which shall cover them both inwards and outwards:—

	Rs.	c.		Rs.	c.
Native craft under 200 tons register not employing a pilot ..	Nil		Vessels from 6,500 to 6,999 tons gross ..	100	00

and so on, adding an extra charge of Rs. 6-25 for every additional 500 tons or portion thereof.

The above rate will also be charged when a vessel is moved from one berth to another, or from one berth to another and back from the latter berth to her original or another berth. Provided that no extra charge shall be made for vessels moved to and from the Oil Bunkering Jetties or Graving Dock Guide Pier for the receipt of oil, or to and from the Graving Dock Guide Pier or Oil Discharge Jetty for the discharge of oil.

A further charge of half the above sanctioned rates will be levied in respect of any vessel seeking to proceed out of the harbour or to change her berth which calls a pilot before she is ready to proceed and thereby causes any delay whatever to the pilot.

The certificate for this charge is to be signed and handed to the pilot by the master of the vessel before the vessel leaves her berth.

Provided that—

Vessels which, while in harbour, carry out none but the following operations:—

- (a) Coaling;
- (b) Taking in water;
- (c) Taking in provisions;
- (d) Awaiting or receiving orders;
- (e) Taking in or discharging mails;
- (f) Discharging sick persons, their attendants, and families;
- (g) Discharging or taking in crews;
- (h) Going into dock;
- (i) Repairs; and
- (j) Discharging or shipping overcarried cargo.

shall be charged a special consolidated rate of Rs. 200 only to cover pilotage, entering dues, use of tugs, and bill of health granted by day.

21. Rule 2 of section V. of the rules dated June 15, 1900 (*Gazette* No. 5,697 of June 15, 1900), is repealed and the following is substituted therefor:—

Vessels except Ceylonese, Indian, or Maldivian Sailing Vessels not to enter, leave, or move within the harbour without a Government pilot on board.

Section V., Rule 2.—No vessel other than Ceylonese, Indian, or Maldivian Sailing Vessels shall enter, leave, or move within the harbour without having a pilot on board unless clear permission to do so has been given by the Master Attendant or some Officer empowered by him to give such permission.

22. Rule 3 of section VI. of rules dated June 2, 1925 (*Gazette* No. 7,467 of June 5, 1925), is repealed and the following is substituted therefor:—

Vessels with more than 5 cwt. of explosives on board not to enter harbour.

Section VI., Rule 3.—(1) No vessel (except those belonging to His Majesty or a Foreign Government) having on board more than five hundredweight of gunpowder or any other explosive substance, other than the substances specified in part (2) of this rule, shall enter the harbour unless such gunpowder or other explosive substance is stored securely in a ship's magazine properly constructed or the same shall have been discharged from the vessel.

(2) No magazine need be provided for the stowage of the following explosives, viz.:—

Percussion caps.
Safety cartridges.
Capped empty cases.
Safety fuse.
Cordeau bickford.
Electric fuses.
Fog signals.
Fuses for shell.
Filled gages.
Slow match.
Quick match.
Port fires.
Electrical and shrapnel primers.
Tubes for firing explosives.
Mines and counter mines not containing their own means of ignition.
Filled shell, plugged, or fused but not incendiary chemical and smoke shells.
Wet guncotton.
Depth charges filled T. N. T. amatol or wet guncotton.
Sweeping charges.
Warheads for torpedoes.
Hand grenades packed with igniters, but not assembled.

These articles may be stowed along with other explosives in a ship's magazine properly constructed, or with "Special Ammunition Stowage," *i.e.*, a compartment in which there are no matches, inflammable liquids, or other dangerous goods.

Note.—For the purpose of this rule a "magazine properly constructed" means a compartment fitted with flooding valves, light boxes, ventilators, similar in every respect to the magazine fitted in vessels of the Royal Navy and Royal Indian Marine according to Admiralty specification and surveyed by a Government Surveyor in England.

23. Rule 8 of section VI. of rules dated October 25, 1921 (*Gazette* No. 7,222 of October 28, 1921), is repealed and the following is substituted therefor:—

Parties of foreign soldiers or sailors not to be landed without the permission of the Governor.

Section IV., Rule 8.—No armed parties of soldiers or sailors, except those of His Majesty's Services, shall be landed from any ship of war, transport, or other vessel, without the permission of the Governor to be obtained through the Consular Office of the country to which the troops belong, or, if such country be not represented by a Consul, to be obtained by application by the Senior Officer in charge of such troops.

Power is reserved to the Governor to limit the number of men to be landed, and to forbid the landing of unarmed parties except on such conditions as he may from time to time prescribe.

In the event of foreign ships of war or transports intending to land more than 250 men, a form which will be handed to the master by the Visiting Police Officer shall be filled in and returned to the latter officer.

Should the vessel carrying troops be neither a ship of war nor a transport, the form shall be filled in and signed by the Senior Officer in charge of such troops.

The form referred to is as follows:—

Statement of Foreign Troops to be landed (to be used only when more than 250 men are to be landed).

- (1) Nationality:—
- (2) Name of ship:—
- (3) Number of men to be landed:—
- (4) Date and approximate hour of landing:—
- (5) Approximate time when due back on board:—
- (6) Whether an unarmed picket is to be sent on shore or not:—
- (7) If so, where to be stationed:—

(Signed) _____,
Commanding Officer.

24. Rule 10 of section VI. of the rules dated April 27, 1901 (*Gazette* No. 5,778 of May 2, 1901), is repealed and the following is substituted therefor:—

Accommodation ladders.

Section VI., Rule 10.—Every vessel conveying passengers and arriving in the Harbour, unless she be placed in quarantine, shall as soon as possible put down one, or if conveying 100 or more passengers, at least two accommodation ladders, provided with horizontal landing platform of adequate size and suitable height above the water. If the vessel be placed in quarantine, the ladders shall be put down as soon as she is released from quarantine, but not before.

25. Rule 11 of section VI. of rules dated March 10, 1908 (*Gazette* No. 6,233 of March 13, 1908), is repealed and the following is substituted therefor :—

Fishing with nets prohibited.

Section VI., Rule 11.—Fishing with nets inside the Breakwater, that is, within the enclosed harbour, and in the lake to Harbour Canal, Lock Basin, and Locks is prohibited.

26. Rule 12 of section VI. of rules dated November 4, 1908, and September 22, 1910 (*Gazettes* Nos. 6,272 of November 6, 1908, and 6,404 of September 30, 1910), is repealed and the following is substituted therefor :—

Fishing craft and fishing nets.

Section VI., Rule 12.—Save and except steam trawlers used for fishing, all boats, canoes, kattumarans, and craft of any description kept or used for fishing shall when unemployed be anchored, moored, or hauled up in that part of the port known as the Fishery Harbour, and specially set apart for the use of fishing craft.

(b) No such fishing craft shall be brought within that portion of the port known as the "Harbour" and enclosed within the Breakwaters, except with the written permission of the Master Attendant.

(c) No such fishing craft shall anchor, fish, or loiter near either of the entrances to the harbour in such a manner as to obstruct the free passage of the entrances.

(d) No fishing nets shall be spread or placed on any portion of the beach, ramp, foreshore, or reclamation grounds within the limits of the said enclosed harbour.

(e) No canoe or kattumaran, except such as have been licensed thereto by the Master Attendant, shall be beached between the western side of the rubble protection mole of the Fishery Harbour and the reef of rocks on the north-west angle of the Modera house property. The Master Attendant is empowered to issue, refuse, cancel, or suspend such licences at his discretion.

(f) No craft of any kind shall be beached nor shall nets be spread on that portion of the shore between the North-east Breakwater and the rubble protection mole of the Fishery Harbour.

(g) No fish shall be landed or sold within the limits referred to in rules (e) and (f) except from fishing craft so licensed.

(h) Fishing craft not so licensed should be beached, and the fish from them landed, outside the eastern limit and towards Mutwal.

(i) The licences under rule (e) shall be issued in serial order, and be free of charge.

(j) The licensee shall paint, or cause to be painted, the serial number of his licence and the letters "F.H." in letters and numbers 6 inches high and 1 inch in width in black on a white background on each side of each fishing craft, or as the Master Attendant may direct.

(k) The owner or person in charge of, or other person having any interest in, any fishing net or craft or the employer of the persons using such nets or craft shall be liable for any breaches of these rules.

27. Rule 13 of section VI. of rules dated February 24, 1920 (*Gazette* No. 7,088 of February 27, 1920), is repealed and the following is substituted therefor :—

**Notification under Land Sale and Lease Regulations
Nos. 58 and 59.**

NOTICE is hereby given under the provisions of Land Sale and Lease Regulations Nos. 58 and 59 that application has been made by Mr. Fleeney Walker Stephens of Kandy for the lease to him of an allotment of Crown land called Welikandawatta, in extent 1 rood and 28.75 perches, situated at Uda Mahaiyawa, within the Municipal limits of Kandy, and more particularly described as lot 1 in preliminary plan No. 8,674.

2. The above-mentioned allotment of land forms part of a block declared Crown by Final Order dated October 27, 1922, but Mr. Stephens, in ignorance of this order in favour of the Crown, bought it from a third party, planted it and erected some buildings thereon about seven years ago.

3. The land in question will therefore be leased to Mr. Fleeney Walker Stephens of Kandy, without competition, for a period of fifty years and at a rental of Rs. 18 per annum, unless valid reasons to the contrary are adduced to the satisfaction of the undersigned within six weeks from the date hereof.

By His Excellency's command,

Colonial Secretary's Office, F. G. TYRRELL,
Colombo, August 1, 1930. Acting Colonial Secretary.

By His Excellency's command,

Colonial Secretary's Office, F. G. TYRRELL,
Colombo, July 23, 1930. Acting Colonial Secretary.

K 446/30

"THE GAME PROTECTION ORDINANCE, 1909."

IT is hereby notified that His Excellency the Officer Administering the Government in Executive Council, in exercise of the powers vested in him by section 27 (1) of the above Ordinance, has been pleased to make the following regulations for the protection of fish in the territorial waters off Fort Frederick in the Trincomalee District. The regulations dated February 4, 1916, published in *Government Gazette* No. 6,775 of February 4, 1916, are hereby repealed.

By His Excellency's command,

Colonial Secretary's Office, F. G. TYRRELL,
Colombo, July 30, 1930. Acting Colonial Secretary.

REGULATIONS.

1. The portion of Back Bay, Trincomalee, defined in the schedule attached to these rules shall be known for purposes of these rules as the Sally Port fishing area.

2. Within the Sally Port fishing area as defined in the schedule no fishing shall take place between April 1 and September 30 except by means of hand lines of hand nets, thrown in either case from the rocks or the seashore.

3. Between October 1 and March 31, no fishing shall take place within the Sally Port fishing area except by means of hand lines or hand nets thrown in either case from the rocks or seashore; or by means of the nets called "adasavalai," subject, however, in the case of "adasavalai" nets to the rules following.

4. Such "adasavalai" nets as are approved by the Assistant Government Agent of Trincomalee only may be used within the area aforesaid, and on such days of the week as may be appointed by the Assistant Government Agent from time to time.

5. Applications for the approval of "adasavalai" nets to be used for fishing in the Sally Port fishing area shall be made to the Assistant Government Agent between August 15 and September 1 of each year in writing.

6. The Assistant Government Agent may grant such approval after inspection of the nets on a day to be fixed by him, notice of which shall be given by beat of tom-tom not less than 14 days before the date so fixed.

SCHEDULE.

The Sally Port Fishing Area.

The area is bounded on the south-east by the rocky shore of Fort Frederick and the Sally Port, on the south-west by the Back Bay seabeach, on the north-east by an imaginary line drawn from the seaward extremity of Fort Frederick (Flagstaff Point) to Elizabeth Point, on the north-west by the extension in a north-easterly direction of a line drawn between two painted wooden posts set in the Back Bay seabeach at a distance of 200 yards from the Sally Port.

This line runs parallel to the rocky shore of Fort Frederick and not more than 200 yards distance from it at any point.

NOTICES CALLING FOR TENDERS.

TENDERS are hereby invited for printing and supplying rail motor tickets required by the Ceylon Government Railway during the period from October 1, 1930, to September 30, 1931.

Tenders are due at the Office of the Government Printer not later than 4.30 P.M. on August 21, 1930.

All other necessary information can be obtained on application to the Government Printer, Colombo.

Government Printer's Office,
Colombo, August 5, 1930.

H. ROSS COTTLE,
Government Printer.

SCHEDULES of rates are hereby invited for strengthening and improving ten bridges on Naula-Elahera road.

2. The whole of the work to be undertaken on an agreement to be entered into by the District Engineer, Nalanda, and the contractor on the basis of his accepted tendered schedule of rates, and finally subject to the approval of the Provincial Engineer, Central Province (North), Kandy.

3. The plans, specifications, bill of quantities, and form of agreement can be seen, and all other information obtained from the Office of the District Engineer, Nalanda, any week day between the hours 9 A.M. and 4 P.M. (Saturdays, 9 A.M. and 1.30 P.M.).

4. Schedules of rates must be submitted on forms to be obtained from the Office of the District Engineer, Nalanda, in duplicate, duly signed and dated, and forwarded in securely sealed envelopes, the original addressed to the Provincial Engineer, Central Province (North), Kandy, and the duplicate addressed to the District Engineer, Nalanda, endorsed on the outside "Schedule of Rates for strengthening and improving Ten Bridges on Naula-Elahera Road," so as to reach the offices of the foregoing officers on or before 12 noon on Tuesday, August 19, 1930.

All imported articles stated in the specification will be supplied free of charge to the contractor by the department, and the rates submitted should be exclusive of the cost of these materials for the items which necessitate their use.

5. In the event of the contractor failing to provide materials necessary for the execution of the works within the periods named by the Engineer as he may from time to time direct, Government reserves to itself the right to supply such materials at the cost as indicated in the Government Stores Price List, plus 25 per cent., and also Customs duty, transport, &c. In the case of timber supplied through the Forest Department, royalty and freight will similarly be charged.

6. The successful tenderer may be called upon to deposit security for the due fulfilment of the contract in the Ceylon Savings Bank in the name of the Hon. the Colonial Treasurer.

7. Any alterations made in the quotations should bear the initials of the tenderer.

8. No contract shall be entered into with any person whose name is on the list of Crown defaulting contractors, either individually or jointly with any other person, nor shall the contractor employ any person whose name is on the list of Crown defaulting contractors, nor will forms of tender be issued to any person to whom the Provincial Engineer, Central Province (North), Kandy, for reasons which appear to him sufficient, objects after giving due notice of his objection in writing.

9. Government does not bind itself to accept the lowest or any of the schedules of rates submitted, nor to give all the work included in the whole scheme or in any one item to any one contractor.

8. A deposit of Rs. 50 will be required to be made either at the Treasury or Kachcheri, and a receipt produced for the same before any form of tender is issued. Should any person decline to enter into the contract and bond, or fail to furnish approved security within ten days of receiving notice in writing from the Provincial Engineer, Province of Uva, Badulla, that his tender has been accepted, such deposit will be forfeited to the Crown. All other deposits will be returned upon signature of a contract.

9. Further information may be obtained on application at the Office of the Provincial Engineer, Province of Uva, Badulla.

10. Before any tender is accepted the contractor will be required to sign a contract to make due delivery in accordance with the description and the quantity of rice tendered by him and as per approved samples submitted. In order to secure the due and punctual performance of the contract, the successful tenderer will be required to deposit a sum of Rs. 100 in the Ceylon Savings Bank in the name of the Colonial Treasurer in respect of the particular contract entered into by him.

11. A Government contractor must not issue a power of attorney to a person whose name is on the defaulting contractors' list authorizing him to carry on the contract.

12. No tender will be considered unless in respect of it all the conditions above laid down have been strictly fulfilled.

13. No contract shall be entered into with any person whose name is on the list of Crown defaulting contractors, either individually or jointly with any other person, nor

shall the contractor employ any person whose name is on the list of Crown defaulting contractors, nor will forms of tender be issued to any person to whom the Provincial Engineer, Province of Uva, for reasons which appear to him sufficient, objects after giving notice of his objection in writing.

14. Tenderers, who have not previously held Government contracts, when applying for tender forms, should furnish the officer issuing the forms with a written statement giving their full names and permanent addresses, stating in which districts or district they own landed property or other interests. The extent of landed property and the nature and extent of other interests should also be given.

In the case of persons who have carried out contracts with the Public Works Department, but not in the division or district concerned in the notice calling for tenders, they should state in which division or district or divisions or districts they held contracts.

In the case of persons who have carried out Government contracts with departments other than the Public Works Department, the name of such department and the district in which the service was rendered should be stated.

15. Contracts may not be assigned or sublet without the authority of the Tender Board.

16. Tenders for imported rice will be accepted only on the condition that the tenderer shall give the Government the benefit of any decrease in the Customs duties made after the signing of the tender and up to the expiry of the contract entered into hereafter, and the Government likewise undertakes to pay over and above the tendered rate such sum as shall adequately compensate the tenderer for any increase in the Customs duties during the period aforesaid.

17. The Government does not bind itself to accept the lowest or any tender, and reserves to itself the right of accepting any portion of a tender.

S. J. KIRBY,
for Director of Public Works.

Public Works Office,
Colombo, August 6, 1930.

TENDERS are invited for the purchase of timber in the area referred to in the annexed schedule.

2. Tenders should be in duplicate on the recognized form which can be obtained from the Divisional Forest Officer, North-Western Division, Kurunegala, on application. No tender will be accepted if not made on the proper form.

3. Tenders should be posted under sealed and registered cover or be deposited in the tender box at the Office of the Conservator of Forests, Kandy, and should reach him not later than midday on Tuesday, September 9, 1930, the envelope being marked on the left hand top corner "Tenders for the Purchase of Timber in the North-Western Division," and signed by the tenderer. Alterations should be initialled, otherwise the tender may be treated as informal and be rejected.

4. A deposit of Rs. 50 will be required to be made either at the Treasury or Kachcheri, and a receipt produced for the same before any form of tender is issued.

5. Tenderers should before tendering satisfy themselves by inspection as to the trees in the area referred to in the schedule. The Forest Ranger of the Puttalam Range will point out the area and furnish all available information regarding its contents. Map showing the position of the area may be studied at the Forest Office, Kurunegala.

6. The successful tenderer will be required to execute a purchase agreement, and all tenderers should read and initial a copy of the agreement at the Office of the Divisional Forest Officer, North-Western Division, Kurunegala, at the time of obtaining tender forms.

7. Before execution of the agreement the purchaser will be required to deposit a cash security of Rs. 500 within two weeks' notice of the acceptance of the tender.

8. Should the successful tenderer fail to carry out the requirements of clauses 6 and 7 of this notice within 14 days of receiving notice in writing from the Divisional Forest Officer that his tender has been accepted, the sum of Rs. 50 deposited by him will be forfeited to the Crown. Unsuccessful tenderers will be entitled to a refund of the amount deposited by them on application to the Divisional Forest Officer, Kurunegala.

9. After execution of the agreement the purchaser may commence the felling of trees and concentration of logs to a wayside depôt which will be selected and pointed out by the Range Forest Officer in charge of the operations. The logs so collected will be numbered at this depôt. Permits on the prescribed form for their final removal from this depôt can only be issued on payment being made for them at tendered rates.

10. The material found in the area will, for purposes of payment, be divided into two classes, of which class I will consist of ebony, satinwood, halmilla, milla, palu, wewarana, and margosa, and class II. will consist of trees of any other species including firewood which the purchaser desires to remove. Offers should be made at an inclusive rate per cubic foot for the timber in each class, and per cubic yard of firewood.

11. No tender will be considered unless the procedure laid down above has been strictly complied with. The Conservator of Forests reserves to himself the right, without question, of rejecting any or all tenders, and of accepting any portion of a tender.

12. Special rules for felling, conversion, and removal which the agreement will require to be observed are more fully specified in the special conditions advertised below and in clause 9 above. Nothing in these special conditions shall render the purchaser in any way exempt from liability under the Forest Ordinance of 1907, should he be responsible for the commission of a forest offence.

Special Conditions.

1. Where natural boundaries do not exist the purchaser will be required to demarcate with 3 ft. lines the area leased to him according to the instructions of the Divisional Forest Officer, and, if required to divide it into compartments of not less than half a square mile.

2. The Range Forest Officer, will periodically measure up all timber which has been collected at the wayside depôt, and payment for such timber will be required within seven days. On receipt of payment removal permits will be issued by the Range Forest Officer to the lessee according to his requirements, or to persons duly authorized by him, after it has been stamped with a special stamp by or in the presence of the Range Forest Officer. Timber may be removed in the log or as sawn timber.

3. The lessee shall, if called upon to do so by the Divisional Forest Officer deposit a sum or sums of money as fixed by the Divisional Forest Officer from which the amounts due from time to time may be credited to revenue in the event of default by the lessee to make payment when due for extracted material.

4. The Conservator of Forests may remit or reduce the purchase rate on timber, which in the opinion of the Divisional Forest Officer is felling waste, defective, or of inferior quality.

5. The lessee is at liberty to make arrangements to supply Government Departments with timber either in the log or sawn and the Forest Department is prepared to act as a medium between the Government Departments and the lessee.

6. On the occurrence of serious irregularities the lessee will be liable to have his security forfeited and his agreement cancelled while he will be liable to be fined for smaller irregularities.

7. The lessee will be required to cut and remove sound timber of all species enumerated in Clause 10, above under Class I. having a girth measurement of 3 ft. and over at 4 ft. height from ground, without confining himself to any particular species. On failure to observe this condition the Divisional Forest Officer shall have the power to cancel and close down the agreement with forfeiture of security and with such other penalties as the Divisional Forest Officer may deem fit in the circumstances.

8. The purchaser will be allowed time till March 31, 1931, commencing from the date of signing of the agreement to fell and remove the timber from the area and any extensions beyond that date can only be allowed with the approval of the Assistant Government Agent, Puttalam, and on payment of Rs. 100 per calendar month or part of a calendar month. The Divisional Forest Officer is at liberty to refuse any extensions.

9. Any material left on the land after the termination of the agreement will lapse to the Crown and may be disposed of in any way which to the Crown appears expedient.

10. The lessee shall have the right to appeal to the Conservator of Forests in the event of enforcement of any of the penalties specified in these conditions and that purchaser shall agree to accept the Conservator's decision as final and binding.

11. The lessee will be allowed a reasonable quantity of timber of inferior species free of payment for *bona fide* use directly and solely in connection with the operations under the agreement. The previous approval of the Divisional Forest Officer should however be obtained in writing for the use of such timber.

Schedule.

The area to be exploited is known as tract No. 4, under the Tabbowa Irrigation Scheme, about 660 acres in extent, and situated about 3 miles by road west of the 8th milepost on the Puttalam-Anuradhapura road. The distance of forest transport is 2 to 3 miles to Puttalam-Anuradhapura road and the distance of transport to Puttalam Railway Station is about 13 miles. The area contains ebony, satin, halmilla, milla, palu, wewarana, margosa, and other species.

W. E. WAIT,

Acting Conservator of Forests.

Office of the Conservator of Forests,
Kandy, August 2, 1930.

TENDERS are hereby invited for the under-mentioned supply of firewood to the Railway Department from the Central Division. The work to commence within one week of the intimation of the acceptance of tender and to continue till the end of September, 1931. All tenders should be in duplicate and should be sealed under one cover, and addressed to the Chairman of the Tender Board, Office of the Controller of Revenue, Colombo.

2. Tenders should either be deposited in the tender box in the Office of the Controller of Revenue, or be sent through the post.

3. Tenders should be marked "Tender for the Railway Firewood Supply, Central Division, 1930-31," in the left hand top corner of the envelope, and should reach the Office of the Controller of Revenue not later than midday on Tuesday, September 9, 1930.

4. The tenders are to be made upon forms obtainable on application from the Divisional Forest Office, Nuwara Eliya. No tender will be considered unless it is on the recognized form. Alterations must be initialled, otherwise the tenders may be treated as informal and rejected.

5. A deposit of Rs. 20 will be required to be made either at the Treasury or any Kachcheri, and a receipt produced before any form of tender is issued. Should any person decline or fail to enter into the contract and bond after he has tendered, or to furnish approved security within ten days of receiving notice in writing from the Head of the Department, or his duly authorized representative, that his tender has been accepted, such deposit will be forfeited to the Crown, and the defaulter will render himself liable to be included in the list of defaulting contractors precluded from having any concern in a Government contract. All other deposits will be returned upon signature of a contract.

6. Contract may not be assigned or sublet without the authority of the Tender Board being previously obtained.

7. The contractor must not issue a power of attorney to a person whose name is on the list of defaulting contractors authorizing him to carry on his contract.

8. Each tender must be accompanied by a letter signed by two persons, whose addresses must be given, engaging to become security for the due fulfilment of the contract.

9. Sufficient sureties will be required to join in a bond for the fulfilment of the contract. The amount of the bond and all other information can be obtained upon application at the office referred to in section 4. A further security in cash of 5 per cent. of the value of the contract will be required of the contractor when entering into the bond.

10. Tenderers are required to initial a draft copy of the contract in the Divisional Forest Office, Nuwara Eliya, before tendering, and to state in writing that they have inspected the demarcated area to be felled.

11. Tenderers, who have not previously held Government contracts, when applying for tender forms, should furnish the officer issuing forms with a written statement giving their full names and permanent addresses, stating in which district or districts they own landed property or other interests. The extent of landed property and the nature and extent of other interests should be also given.

In the case of persons who have carried out contracts with the Forest Department, but not in the division or district concerned in the notice calling for tenders, they should state in which division or district they held contracts. In the case of persons who have carried out Government contracts with departments other than the Forest Department, the name of such department and the district in which the service was rendered should be stated.

12. A penalty of 25 cents per cubic yard of firewood not felled or stacked or delivered at the monthly rate specified in the schedule below will be exacted from the contractor.

13. No tender will be considered unless in respect of it all the conditions above laid down have been strictly fulfilled.

14. Government reserves to itself the right, without question, of rejecting any or all tenders.

15. A rate per cubic yard of firewood delivered should be quoted both in words and figures for the services specified in the schedule below.

Schedule.

(a) To clear, fell all trees standing in a demarcated 50-acre jungle block adjoining the 1928-29 block, situated near the 133rd milepost, Nanu-oya.

(b) All felled trees in the above area to be split and converted into firewood so as to yield 12,000 cubic yards, more or less. Each piece of wood to be 3 feet in length, 2 inches in minimum diameter. Billets over 9 inches in diameter should be spilt. All wood over 12 inches in girth to be converted into billets of the required length by hand-saw or cross-cut saw only.

(c) All firewood immediately after conversion to be stacked alongside the Railway line at 133rd milepost, Nanu-oya, at the minimum rate of 1,000 cubic yards per month. The distance of transport is $1\frac{1}{4}$ miles.

(d) The contractor shall cut all thorn, scrub, nellu, bamboo, and other noxious growth in the said area and spread the same evenly over the felled area, together with inconvertible branchwood and wood refuse. Spreading of the above material should be done periodically and should not be postponed until the felling of the whole area is complete.

(e) The contractor shall fire a portion of the said area on or before May 10, 1931, and the rest of the area on or before August 10, 1931. Should any portions of the area remain unburnt he shall immediately root out and completely clear any green growth on such patches so as to leave the area in a fit state for planting. The area to be felled will be pointed out on application to the Range Forest Officer, Nuwara Eliya.

(f) The contractor shall pay Re. 1.50 for each plant which may be damaged by falling fuel along the course of the wire shoot, and also shall replace such plants at his cost.

(g) The successful tenderer will possibly be given the option of a year's extension of contract if the Railway Department requires fuel in 1931-32, but no guarantee can be made.

(h) The successful tenderer will also be required to supply a further quantity of 50 per cent. of the quantity stipulated in clause (b), more or less, if firewood is required by estates surrounding Nanu-oya, but no guarantee can be made.

(i.) The contractor shall also supply 1,000 posts, more or less, 8 feet in length and 18 inches in girth, at the rate of 11 per chain of fencing required, and stack them outside the area as may be directed.

W. E. WAIT,

Acting Conservator of Forests.

Office of the Conservator of Forests,
Kandy, July 30, 1930.

TENDERS are hereby invited for the under-mentioned supply of firewood to the Railway Department from Northern Division. Details of work and the area of exploitation are given in the schedule below.

2. All tenders should be in duplicate and sealed under one cover, and should be addressed to the Chairman of the Tender Board, Office of the Controller of Revenue, Colombo.

3. Tenders should either be deposited in the tender box of the Office of the Controller of Revenue, or be sent through the post.

4. Tenders should be marked "Tender for Supply of Firewood to Railway, Northern Division, 1930-31," in the left hand top corner of the envelope, and should reach the Office of the Controller of Revenue not later than midday on Tuesday, September 9, 1930.

5. The tenders are to be made upon forms which will be supplied upon application at the Forest Office, Jaffna, which forms can be applied for by post or personal application. No tender will be considered unless it is on the recognized form. Alterations must be initialled, otherwise the tender may be treated as informal and rejected.

6. A deposit of Rs. 20 for the service will be required to be made either at the Treasury or Kachcheri, and a receipt forwarded or produced before any form of tender is issued. Should any person decline or fail to enter into the contract and bond after he has tendered, or to furnish approved security within ten days of receiving notice from the Head of the Department, or his duly authorized representative, that his tender has been accepted, such deposit will be forfeited to the Crown, and the defaulter will render himself liable to be included in the list of defaulting contractors precluded from having any concern in a Government contract. All other deposits will be returned upon signature of a contract.

7. Each tender must be accompanied by a letter signed by two responsible persons, whose addresses must be given, engaging to become security for the due fulfilment of the contract.

8. Sufficient sureties will be required to join in a bond for the due fulfilment of the contract. The amount of the bond and all other information can be ascertained on application to the office referred to in section 5. A further security in cash of 5 to 10 per cent. of the total value of the contract with a minimum of Rs. 500 will or may be required of the contractor when entering into the bond.

9. A rate per cubic yard of firewood must be quoted, both in words and figures.

10. No tender will be considered unless in respect of it all the conditions above laid down have been strictly fulfilled.

11. The Government reserves to itself the right, without question, of rejecting any or all the tenders, and of accepting any portion of a tender, not necessarily the lowest tender.

12. The contractors' obligations and rights under this contract shall not be assigned or otherwise transferred or sublet without the consent and authority of the Tender Board previously obtained.

13. No contract shall be entered into with any person whose name is on the list of Crown defaulting contractors, either individually or jointly with any other person, nor shall the contractor employ any person whose name is on the list of Crown defaulting contractors, or any other person to whom the Conservator of Forests, for reasons which appear to him sufficient, objects after giving due notice of his objection in writing.

14. Tenderers before tendering should inspect the area of operation as shown in the schedule.

15. For further information and for inspection of the draft contract, application should be made to the Divisional Forest Officer, Northern Division, Jaffna.

16. Tenderers, who have not previously held Government contracts, when applying for tender forms, should furnish the officer issuing the forms with a written statement giving their full names and permanent addresses, stating in which district or districts they own landed property or other interests. The extent of landed property and the nature and extent of other interests should also be given.

In the case of persons who have carried out contracts with the Forest Department, but not in the division or district concerned in the notice calling for tenders, they should state in which division or district or divisions or districts they held contracts.

In the case of persons who have carried out Government contracts with departments other than the Forest Department, the name of such department and the district in which the service was rendered should be stated.

GENERAL CONDITIONS.

(1) To fell all trees (except scheduled and marked trees), 12 inches in girth and over. Trees and shrubs under 12 inches in girth are to be left growing in the area and are under no circumstances to be cut.

(2) All trees from 12 inches to 36 inches in girth must be cut within 6 inches from the ground.

(3) The area is subdivided into compartments. Work shall not proceed in more than five compartments at a time and all work shall be completed in compartment No. 1 before compartment No. 6 is entered, &c.

(4) The firewood shall be in lengths of 3 feet, and not less than 2 inches in diameter. All billets over 9 inches in diameter shall be split.

(5) The contractor shall not enter a fresh block or compartment without the written permission of the Range Forest Officer. The compartment lines shall be widened by the contractor sufficiently for the stacking of firewood and for its subsequent transport to the delivery depôt.

Firewood cut in the compartments should be removed by head-loads and stacked along the compartment lines prior to removal by carts; carts shall under no circumstances be taken inside the felling area except along these compartment lines.

(6) Any tree marked by a Forest Officer as one to be felled and converted, shall without question be felled and converted, and any tree marked by a Forest Officer as tree not to be felled, shall not be either felled or injured.

(7) The contractor shall cut all brushwood, thorns, and woody undergrowth before the firewood is cut, and distribute them together with all inconvertible branchwood and wood refuse evenly and lightly over the area 10 feet away from seed bearers of scheduled species and standards of inferior species immediately after the removal of firewood. He shall further cut all climbers found on stems retained as standards.

(8) Stacks on railway line must be in rows convenient for loading the firewood into railway trucks. To economize ground space and to allow of space between the stacks for inspection, stacks shall be either 3 feet, 4½ feet, or 6 feet in height, as the Forest Officer in Charge, may from time to time direct.

(9) The contractor will be responsible for the safety of the firewood when stacked in the forest or on railway line, and in transit.

(10) The contractor may be required at times to increase the supplies should the railway requirements necessitate, and at times also to decrease supplies, but the average output shall be as described in schedule.

(11) It must be clearly understood that for failure to have full monthly supplies ready as required, a penalty of 25 cents for every cubic yard shall be levied.

(12) Nothing in this contract shall preclude the Divisional Forest Officer from taking action in accordance with the provisions of the Forest Ordinance (No. 16 of 1907) against the contractor for felling or allowing his coolies to fell any tree within or outside his area of contract which would not to be felled in accordance with the conditions of the said contract or without the necessary permit prescribed by the said Ordinance.

(13) Failure on the part of the contractor to carry out the work efficiently and maintain regular deliveries shall render him liable to have his contract closed and to be fined a sum which will not exceed the sum deposited by him as security.

Schedule.

Vannivilankulam Reserve.

(a) To fell every tree above 12 inches in girth (excepting scheduled trees and those marked by a Forest Officer as trees not to be felled) standing in demarcated blocks containing about 240 acres in strips Nos. 13 and 14 of the Vannivilankulam Reserve; and bounded on the north by Mankulam-Kankesanturai road, south, east, and west by 10 feet wide demarcation lines.

(b) To cut and split into firewood every tree so felled, and every fallen tree whatsoever in the area, so as to yield

6,000 cubic yards of firewood, more or less, with the least amount of wastage. All firewood immediately after conversion to be delivered stacked along the Mankulam Railway Station, wood stages at an average rate of 500 cubic yards per month commencing from October 1, 1930. Final delivery should, however, be made on or before September 30, 1931.

Distance of transport to Mankulam Railway Station is about a mile by jungle track and about 2 miles by District Road Committee road.

W. E. WAIT,
Acting Conservator of Forests.

Office of the Conservator of Forests,
Kandy, July 30, 1930.

TENDERS are hereby invited for the service mentioned in the schedule annexed hereto.

2. All tenders should be in duplicate and sealed under one cover, and should be addressed to the Chairman of the Tender Board, Office of the Controller of Revenue, Colombo.

3. Tenders should either be deposited in the Tender box in the Office of the Controller of Revenue, or be sent through the post.

4. Tenders should be marked "Tender for Railway Firewood, Eastern Division (North), 1930-31," in the left hand top corner of the envelope, and should reach the Office of the Controller of Revenue not later than midday on Tuesday, September 9, 1930.

5. Tenders should be made upon forms which will be supplied upon application at the Forest Office, Trincomalee. No tender will be considered unless it is on the recognized form. Alterations must be initialled, otherwise the tender may be treated as informal and rejected.

6. A deposit of Rs. 20 will be required to be made either at the Treasury or Kachcheri, and receipt produced for the same before any form of tender is issued. Should any person decline or fail to enter into the contract and bond after he has tendered, or to furnish approved security within ten days of receiving notice in writing from the Head of the Department or his authorized representative that his tender has been accepted, such deposit will be forfeited to the Crown, and the defaulter will render himself liable to be included in the list of defaulting contractors precluded from having any concern in a Government contract. All other deposits will be returned upon signature of a contract.

7. Contract may not be assigned or sublet without the authority of the Tender Board previously obtained.

8. The contractor must not issue a power of attorney to any person, whose name is on the list of defaulting contractors authorizing him to carry on the contract.

9. No contract shall be entered into with any person whose name is on the list of Crown defaulting contractors, either individually or jointly with any other person, nor shall the contractor employ any person whose name is on the list of Crown defaulting contractors, or any other person to whom the Conservator of Forests, for reasons which appear to him sufficient, objects after giving due notice of his objection in writing.

10. Each tender must be accompanied by a letter signed by two responsible persons, whose addresses must be given, engaging to become security for the due fulfilment of the contract.

11. Sufficient sureties will be required to join in a bond for the due fulfilment of the contract. The amount of the bond and all other necessary information can be obtained upon application at the office referred to in section 5. A further security of 5 per cent. of the value of the contract will be required of the contractor when entering into the contract.

12. A penalty of 25 cents for every cubic yard of firewood not stacked or delivered at the monthly rate specified in the schedule below will be exacted from the contractor.

13. No tender will be considered unless in respect of it all the conditions above laid down have been strictly fulfilled.

14. The Government reserves to itself the right, without question, of rejecting any or all tenders, and of accepting any portion of a tender.

15. A rate per cubic yard delivered must be quoted, written both in words and figures.

16. Any further information and for inspection of draft contract, application should be made to the Divisional Forest Officer, Eastern Division (North), Trincomalee.

17. Tenderers, who have not previously held Government contracts, when applying for tender forms, should furnish the officer issuing the forms with a written statement giving their full names and permanent addresses, stating in which district or districts they own landed property or other interests. The extent of landed property and the nature and extent of other interests should also be given. In the case of persons who have carried out contracts with the Forest Department, but not in the division or district concerned in the notice calling for tenders, they should state in which division or district or divisions or districts they held contracts. In the case of persons who have carried out Government contracts with departments other than the Forest Department, the names of such departments and the district in which the service was rendered should be stated.

18. Tenderers should state that they have seen the block they are to work.

SCHEDULE.

To supply 2,400 cubic yards (more or less) of firewood at the minimum rate of 300 cubic yards per month from a demarcated block (in extent 50 acres) in Kanthalai Crown Forest. The firewood is to be delivered and stacked at the Kanthalai Railway Station near the railway line, average distance of transport is about 3 miles.

General Conditions.

(1) To fell all trees, except those trees of scheduled species and inferior species marked by a Forest Officer, to be retained as standards (about 30 per acre), and convert into firewood of which each piece is to be 3 feet in length and not less than 6 inches nor more than 36 inches in girth. Billets over 36 inches in girth must be split.

(2) If scheduled species are required to be felled for conversion into firewood, they will be marked for the purpose by a responsible Forest Officer. They will include only unsound or crooked stems of valuable species, such as satin, palu, ranai, milla, halmilla, ebony, and other superior species, which are not suitable to be retained for timber production or as seed bearers.

(3) No trees may be felled within 2 chains of main road, nor within one chain of the grass land bordering the tanks.

(4) Contractor will be required to level and clear adequate stacking grounds at the places of delivery. The wood should be stacked in rows leaving sufficient space between the stacks for inspecting officers to walk round each stack.

(5) Work should commence within two weeks of intimation of acceptance of tender, and the first supply should be ready within one month of date of commencement of work, and should be completed before May 31, 1931.

(6) The last two weeks of the contract will be occupied, felling having been completed, in spreading the brushwood evenly over the area as directed by the Divisional Forest Officer.

(7) Carting will be done only on such lines or roads as are permitted by the Divisional Forest Officer.

W. E. WAIT,
Acting Conservator of Forests.

Office of the Conservator of Forests,
Kandy, August 5, 1930.

TENDERS are hereby invited for the service described in the schedule and general conditions annexed.

2. All tenders should be in duplicate and sealed under one cover, and should be addressed to the Chairman of the Tender Board, Office of the Controller of Revenue, Colombo.

9. A rate per cubic foot of timber in the log should be quoted, written both in words and figures.

10. No tender will be considered unless in respect of it all the conditions above laid down have been strictly fulfilled.

11. The Government reserves to itself the right, without question, of rejecting any or all tenders, and of accepting any portion of a tender, not necessarily the lowest tender.

12. The contractor's obligations and rights under this contract shall not be assigned or otherwise transferred or sublet without the consent and authority of the Conservator of Forests previously obtained in writing.

13. No contract shall be entered into with any person whose name is on the list of Crown defaulting contractors, either individually or jointly with any other person, nor shall the contractor employ any person whose name is on the list of Crown defaulting contractors, or any other person to whom the Conservator of Forests, for reasons which appear to him sufficient, objects after giving due notice of his objection in writing.

14. For further information and for inspection of the draft contracts, application should be made to the Divisional Forest Officer, Northern Division, Jaffna.

15. Tenders before tendering should inspect the area of operation as shown in the schedule and forward a statement to that effect to the Divisional Forest Officer, Northern Division, Jaffna, when applying for tender forms.

16. Tenderers, who have not previously held Government contracts, when applying for tender forms, should furnish the officer issuing the forms with a written statement giving their full names and permanent addresses, stating in which district or districts they own landed property or other interests. The extent of landed property and the nature and extent of other interests should also be given.

In the case of persons who have carried out contracts with the Forest Department, but not in the division or district concerned in the notice calling for tenders, they should state in which division or district or divisions or districts they held contracts.

In the case of persons who have carried out Government contracts with departments other than the Forest Department, the name of such department and the district in which the service was rendered should be stated.

GENERAL CONDITIONS.

Logs have to be transported to the nearest cut line and from thence along the cut line to the road, the cut lines being sufficiently widened by the contractor for the purpose.

(2) Transport of logs in one block should be completed before the contractor can commence transport in the next block.

(3) For every log which is left behind in the forest the contractor is liable to a fine not exceeding the royalty value of the log.

(4) The transport of the logs should be completed within nine months from the date of signing the contract. The average number of logs transported during a month should not however fall below 80 palu and 16 satin logs.

(5) Nothing in this contract shall preclude the Divisional Forest Officer from taking action in accordance with the provisions of the Forest Ordinance (No. 16 of 1907) against the contractor for felling or allowing his coolies to fell any tree within or outside his area of contract which should not be felled in accordance with the conditions of the said contractor without the necessary permit prescribed by the said Ordinance.

Schedule.

To transport 708 palu, 144 satin, 6 feet and over in length felled and lying in blocks Nos. 17, 18, 19, 20, 7, 5, and 8 of Terravil forest which will be pointed out by the Range Forest Officer, Mullaittivu, and deliver the logs neatly stacked under shade at Mankulam Depot as may be directed by the Range Forest Officer. The logs are lying in the blocks as follows :—

Office of the Conservator of Forests,
Kandy, August 1, 1930.

TENDERS are hereby invited for supplying gunny bags for the Salt Department at Hambantota for twelve months ending September 30, 1931.

2. All tenders should be in duplicate and sealed under separate covers. The original should be addressed to the Assistant Government Agent, Hambantota.

3. The duplicate of tender should be posted by the tenderer to the Hon. the Controller of Revenue at the same time as he forwards the original to the Assistant Government Agent.

4. Tenders should be marked "Tenders for supplying Gunny Bags for the Salt Department at Hambantota" on the left hand top corner of the envelope, and should reach the Office of the Assistant Government Agent not later than midday on September 10, 1930.

5. The tenders are to be made upon forms which will be supplied upon application at the Hambantota Kachcheri, and no tender will be considered unless it is on the recognized form.

6. A deposit of Rs. 20 will be required to be made either at the Treasury Office, Tangalla, or any Kachcheri, and a receipt produced for the same before any form of tender is issued. Should any person decline to enter into the contract and bond, or fail to furnish approved security within 10 days of receiving notice in writing from the Assistant Government Agent, or his duly authorized representative, that his tender has been accepted such deposit will be forfeited to the Crown. All other deposits will be returned upon signature of a contract.

7. Each tender must be accompanied by a letter signed by two responsible persons, whose addresses must be given, engaging to become security for the due fulfilment of the contract.

8. The tenderer must submit sample bags to the Assistant Government Agent, Hambantota, and the Hon. the Controller of Revenue, together with his tender. The sample bag will not be returned.

9. It will be made a condition of the contract that no bags previously used for storing salt will be accepted.

10. The tenderer will be required to deliver at the Salt Stores, Hambantota, quantities up to 10,000 within 14 days, and over that quantity and not exceeding 30,000 within one month.

VITAL STATISTICS.

11. Sufficient sureties will be required to join in a bond for the due fulfilment of each contract. The amount of security required will be Rs. 1,000. All other necessary information can be ascertained upon application at the office referred to in section 5.

12. No tender will be considered unless in respect of it all the conditions above laid down have been strictly fulfilled.

13. The Government reserves itself the right, without question, of rejecting any or all tenders, and the right of accepting any portion of a tender.

14. No contract shall be entered into with any person whose name is on the list of Crown defaulting contractors, either individually or jointly with any other person, nor shall the contractor employ any person whose name is on the list of Crown defaulting contractors, or any other person to whom the Assistant Government Agent, Hambantota, for reasons which appear to him sufficient, objects after giving due notice of his objection in writing.

Sale of Lease.

NOTICE is hereby given that the Government Agent of the Western Province will sell by auction on Friday, August 22, 1930, at 1 p.m. at the Colombo Kachcheri the lease of lots U. X. W. X. Y. Z/343, and A 344 in preliminary plan No. 3,385, situated at Bambalapitiya, for a period of one year from September 1, 1930, an approach road to the landing place has been constructed and is open for traffic.

Conditions.

1. The purchase amount shall be paid in full by the purchaser on the day of sale.

2. The purchaser will be entitled to use lots Z 343 and A 344 for the purpose of unloading materials from boats, rafts, &c., in the Kirillapone canal, and charge from each such boat or raft a sum not exceeding Re. 1, and to take the produce of the remaining lots.

3. The purchaser shall not encroach on or allow any kind of cart traffic on the adjoining tow path, and he shall not interfere with any existing fence or boundary on the leased premises.

4. The purchaser shall be bound to fence the land leased to him, if called on by the Government Agent to do so.

5. The purchaser shall not damage the land, but keep it in good order, pay all rates and taxes, and comply with Municipal regulations.

6. The Government Agent, or any one acting under his authority, will be entitled to re-enter into occupation at any time on giving a month's notice to the lessee.

7. The purchaser shall not assign, transfer, or sublet the premises without the written permission of the Government Agent, Western Province, so to do.

8. If the whole or any portion of the land is required by Government before the expiry of the lease, such whole or portion thereof shall be surrendered on a month's notice being given; in which case a proportionate refund or reduction in the rental will be made for the unexpired period for which rent has been paid.

9. In the event of any breach of the foregoing conditions, the Government Agent shall have the power to resume possession of the premises, and eject the purchaser and his workmen therefrom without compensation.

10. The Government Agent reserves the right to reject any or all bids.
