The following Draft of a proposed Ordinance is published for general information :—

**An Ordinance relating to Benjamin Talbot's
Patent No. 2,137 of 1923.**

Preamble.

WHEREAS by a grant of exclusive privilege or Certificate of Registration (in this Ordinance called " Benjamin Talbot's Patent ") under the Public Seal of the Island of Ceylon, bearing date July 31, 1923, and numbered 2,137, the Governor in Executive Council did grant to Benjamin Talbot, of County Bank Chambers, Middlesborough, in the County of Yorks, England, his heirs, executors, administrators, and assigns, the exclusive privilege of making, selling, and using, and of authorizing others so to do in Ceylon, for the term of fourteen years, in terms of and subject to the provisions of " The Patent Ordinance, 1906 ", a certain invention for " Improved Lining for Pipes and Method of applying same " :

And whereas under the provisions of " The Patents Ordinance, 1906 ", it is provided that an exclusive privilege shall cease if the inventor fails to pay within the time limited in that behalf by the third schedule any fee prescribed in that schedule in respect of the continuance of the privilege :

And whereas the said third schedule provides that a fee of fifty rupees shall be paid before the expiration of the fourth year from the date of the patent, that a further fee of fifty rupees be paid after the expiration of the fourth year and before the expiration of the fifth year, and that a further fee of fifty rupees be paid after the expiration of the fifth year and before the expiration of the sixth year from the said date in order to secure the continuance of the exclusive privilege :

And whereas a renewal fee on the said patent amounting to fifty rupees became due on or before July 31, 1927, a further fee of fifty rupees became due on or before July 31, 1928, and a further fee of fifty rupees became due on or before July 31, 1929 :

And whereas the said renewal fees were not paid within the time appointed for the payment thereof :

And whereas the time prescribed by section 22, sub-section (4) (a) of " The Patents Ordinance, 1906 ", during which the Registrar of Patents is empowered to enlarge the time for the payment of the renewal fees so due has now expired :

And whereas instructions to pay the prescribed renewal fees were given by the said Benjamin Talbot to his agents in London, Messrs. Abel and Imray, some time prior to the respective dates on which they became due and payable in accordance with the custom usually observed between the said Benjamin Talbot and his said agents :

And whereas the said Messrs. Abel and Imray duly forwarded the aforesaid instructions to their agents in Colombo, but owing to either some error or inadvertance on the part of one of the servants or clerks of Messrs. Abel and Imray or to the failure of the Postal authorities to deliver the letter containing the said instructions to the agents in Colombo the said fees failed to be paid within the time prescribed by law and the said Benjamin Talbot being under the impression that the said fees had been duly paid failed to apply for an enlargement of time for payment of the said renewal fees to the Registrar of Patents :

And whereas the said Benjamin Talbot will be deprived of all advantage to accrue to him under the said patent unless the said privilege is revived by this Ordinance :

And whereas the said prescribed renewal fees have now been paid and deposited in the proper department :

And whereas the present difficulty and threatened loss arise from inadvertance and accident and not from a wilful neglect or disobedience of the law; and it is therefore expedient that the said Certificate of Registration should be rendered valid in the manner hereinafter mentioned.

Be it therefore enacted by the Governor of Ceylon, by and with the advice and consent of the Legislative Council thereof, as follows :—

1 This Ordinance may be cited as the Benjamin Talbot's Patent Ordinance, 1930.

Short title.

2 Upon the commencement of this Ordinance the said grant of exclusive privilege or Certificate of Registration (a true copy of which is set forth in the schedule to this Ordinance annexed) shall be considered, deemed, and taken to be and to have been as good, valid, and effectual to all intents and purposes as if all the payments prescribed by the Patent Ordinance, 1906, to be made in respect of the said Certificate of Registration before the passing of this Ordinance had been duly made and satisfied.

Validation of patent.

3 No action or other proceeding shall be commenced or prosecuted nor any damage recovered—

Prohibitions of actions in respect of infringements, &c., taking place between date when patent became void and commencement of Ordinance.

- (1) In respect of any infringement of the said Certificate of Registration which shall have taken place after July 31, 1927, and before the commencement of this Ordinance.
- (2) In respect of the use or employment at any time hereafter of any structure, process, or operation actually made or carried on within the Island of Ceylon, or of the use or sale of any article manufactured or made in infringement of the said Certificate of Registration after the said date and before the commencement of this Ordinance. Provided that such use, sale, or employment is by the person or corporation by or for whom such article was *bona fide* manufactured or made or such structure, process, or operation was *bona fide* made or carried on by his or their executors, administrators, successors, or vendees or his or their assigns, respectively.
- (3) In respect of the use or employment at any time hereafter (by the person or corporation entitled for the time being under the preceding sub-section to use or employ any structure, process, or operation) of any improved, extended, or developed structure, process, or operation, or of the use or sale of any article thereby manufactured or made in infringement of the said grant or patent. Provided that the use or employment of such improved, extended, or developed structure, process, or operation shall be limited to the buildings, works, or premises or the person or corporation by or for whom such structure, process, or operation was made or carried on, within the meaning of the preceding sub-section, his or their executors, administrators, successors or assigns.

4 If any person shall within one year after the passing of this Ordinance make an application to the Governor in Executive Council for compensation in respect of money, time, or labour expended by the applicant upon the subject-matter of the said Certificate of Registration in the *bona fide* belief that such grant or patent had become and continued to be void, it shall be lawful for the said Governor in Executive Council, after hearing the parties concerned or their agents, to assess the amount of such compensation if in his opinion the application ought to be granted, and to specify the party by whom and the day on which such compensation shall be paid; and if default shall be made in payment of the sum awarded, then the said Certificate of Registration shall by virtue of this Ordinance become void, but the sum awarded shall not in that case be recoverable as a debt or damages.

Compensation for money, &c., expended in *bona fide* belief that patent was void.

Saving clause.

5 Nothing in this Ordinance shall prejudice or affect the rights of His Majesty the King, His Heirs, and Successors or any body politic or corporate or any other person or persons except such as are mentioned in this Ordinance and those claiming by, for, through, or under them.

By His Excellency Sir HUGH CLIFFORD, Knight Grand Cross of the Most Distinguished Order of Saint Michael and Saint George, Knight Grand Cross of the Most Excellent Order of the British Empire, Governor and Commander-in-Chief in and over the Island of Ceylon, with the Dependencies thereof.

To all to whom these Presents shall come.

Greeting:

Whereas Benjamin Talbot, of County Bank Chambers, Middlesborough, in the County of Yorks, England, Metallurgical Engineer represented to Us that he is the holder of a Patent No. 220, 156 for "Improved lining for pipes and method of applying same" granted in Great Britain and dated July 31, 1923.

And whereas the said Benjamin Talbot as the holder of the said Patent hath humbly prayed that We would be pleased to grant unto him a Certificate of Registration for the sole use and advantage of the said invention within the Island of Ceylon in terms of section 48 of "The Patents Ordinance, 1906".

Acting Colonial Secretary.

Objects and Reasons.

This Bill is being introduced into the Legislative Council of Ceylon to reinstate "Benjamin Talbot's Patent" No. 2,137 dated July 31, 1923, for improved lining for pipes and method of applying same.

This patent was registered in most countries of the world and it was in the hands of a Patent Agent in London: The Patent Agent sent out on April 21, 1927, the necessary instructions to renew the Patent in Colombo but owing to some error or accident the letter containing the instructions to the proper authorities in Ceylon did not reach its destination and the patent lapsed, that is to say the patent was not renewed on or before the due date.

Since then the Patentee has complied with the Patents Ordinance by paying for the renewal of the Patent, but it is necessary that this Ordinance should be introduced for that purpose.

November 11, 1929.

TOM VILLIERS,
Mover of the Bill.
