NOTICE is hereby given that an extent of about 295 acres of Crown land shown roughly in the annexed sketch is available for paddy cultivation under the left bank eastern branch channel of the Unnichai tank in the Batticaloa District. Access to the land is from the 87th milepost on the Badulla-Batticaloa road, about 3 miles along the agricultural road to Ayittiyamalai, from whence it is 2 miles. The new agricultural road from Ayittiyamalai to Mahilavaddavan passes through the land.

Government is prepared to consider applications for the lease of portions of this land not exceeding 50 acres in extent upon the following terms. The lease will be for five years or for such period up to which it may be extended by the Government Agent. The upset premium will be a sum made up by adding together the following amounts: (a) 12 per centum of the total made up by adding the unimproved value of the land as assessed by the Government Agent, Eastern Province, to the survey fees Rs. 10 per acre, and (b) the *in situ* market value of any standing timber on the land.

The annual rent will be six per centum of the total of the unimproved value of the land as assessed by the Government Agent, Eastern Province, and the survey fees Rs. 10 per acre.

At the termination of the lease the lessee, if he shall have fully asweddumized and cultivated the land to the satisfaction of the Government Agent, Eastern Province, shall be entitled to an outright grant of the land upon payment calculated at 60 per centum of a sum made up of the unimproved value of the land as already assessed as aforesaid and the survey fees Rs. 10 per acre.

A scheme of survey into blocks of suitable sizes will be decided on after the applications have been received. The usual reservations will be left for streams, roads, &c. Applicants should state the number of acres not exceeding 50 they desire to take on lease. A deposit at the rate of Rs. 3 per acre should accompany each application. This deposit will be refunded if a lease is not offered to an applicant or will be taken as part of the premium if he purchases a lease.

It is proposed to restrict competition in the first instance to persons who have applied and deposited fees under this notice. Government does not, however, bind itself to accept any application and reserves the right at the sale of the leases to restrict bidding for lots under a certain size to certain classes of persons and to decide the number of lots or the extent of land that may be taken up by any one applicant.

Applications for land under this notice should be addressed to the Government Agent, Eastern Province, and will be received up to November 29, 1930.
