DRAFT ORDINANCES.

U 157/30

MINUTE.

The following Draft of a proposed Ordinance is published for general information :—

No. 6 of 1910.
III. 18.

An Ordinance to amend the Municipal Councils
Ordinance, 1910

BE it enacted by the Governor of Ceylon, by and with the advice and consent of the Legislative Council thereof, as follows :—

Short title.

1 This Ordinance may be cited as the Municipal Councils Amendment Ordinance, 1930.

Amendment of section 110 of the principal Ordinance.

2 Section 110 of the principal Ordinance is amended by the addition of the following new sub-section (21) at the end :—

(21) The regulation of the terms and conditions on which the assistance of the fire brigade may be obtained and the charging and recovering of fees for such assistance.

Insertion of new section 235A in the principal Ordinance.

3 The principal Ordinance is amended by the insertion of the following new section 235A between section 235 and section 236 :—

Powers and liability when extinguishing a fire.

235A (1) For the purpose of extinguishing a fire within a Municipal Town the Superintendent or other officer in charge of the fire brigade maintained by the town under the provisions of this Ordinance may, subject to such orders as the Chairman may from time to time issue, take command of the firemen of such brigade and of any other persons who voluntarily place their services at his disposal and by himself or through those so under his command—

- (a) remove any persons who interfere by their presence with the operations of the brigade ;
- (b) break into or through or take possession of or pull down any premises doing as little damage as possible ;
- (c) shut off the water from the mains and pipes of any district and utilize the water of any well or tank ; and
- (d) generally do all things and take all measures that appear expedient for the protection of life and property.

(2) Any damage occasioned in the due exercise of the powers under sub-section (1) shall be deemed to be damage by fire within the meaning of any policy of insurance against fire, and in respect of such damage neither the Council nor the Chairman nor the Superintendent or officers of the fire brigade nor the persons acting under the command of such Superintendent or officers shall in any manner whatsoever be liable in law.

By His Excellency's command,

Colonial Secretary's Office,
Colombo, November 10, 1930.

B. H. BOURDILLON,
Colonial Secretary.

Objects and Reasons.

The " maintenance of a fire brigade and the protection of life and property from fire " is a matter for which the principal Ordinance permits the expenditure of Municipal Funds, and in pursuance of this power Municipalities have provided the men and machinery necessary for this purpose. But though a fire of any seriousness can seldom be extinguished without causing damage of some sort to property and other forms of interference with common law rights, the principal Ordinance does not authorize those who are employed by the Municipalities to put out fires to do anything that might produce such results. Clause 3 of this Bill introduces a new section providing the officer in charge of the fire brigade with the powers essential for the effective protection of life and property from fire, and absolving the Council, its Chairman, and its fire officers and those working under their command from all legal liability for any damage that they may cause in such endeavour.

2. Clause 2 of the Bill is designed to authorize Municipalities to prescribe the conditions on which the services of their fire brigades may be obtained and to charge fees for such services.

Colombo, August 8, 1930.

Attorney-General.

MINUTE.

The following Draft of a proposed Ordinance is published for general information :—

An Ordinance to amend The Betting on Horse-racing (Taxation) Ordinance, 1930. No. 9 of 1930.

BE it enacted by the Governor of Ceylon, by and with the advice and consent of the Legislative Council thereof, as follows :—

1 This Ordinance may be cited as the Betting on Horse-racing (Taxation) Amendment Ordinance, 1930. Short title.

2 The proviso to sub-section (2) of section 5 of the principal Ordinance is amended by substituting the figure "12" for the figure "13" in line 2. Amendment of section 5 of the principal Ordinance.

By His Excellency's command,

Colonial Secretary's Office,
Colombo, October 27, 1930.

B. H. BOURDILLON,
Colonial Secretary.

Objects and Reasons.

The object of this Bill is to correct the result of an omission which occurred during the third reading of the Ordinance to be amended.

2. In consequence of the deletion at that stage of a clause in the Bill as presented to the Council it became necessary that the reference to clause 13 in clause 5 should be altered to refer to clause 12. By an oversight this alteration was not made before the Bill was passed.

Attorney-General's Chambers, E. ST. J. JACKSON,
Colombo, September 30, 1930. Attorney-General.

MINUTE.

The following Draft of a proposed Ordinance is published for general information :—

An Ordinance to amend the Municipal Councils Ordinance, 1910. No. 6 of 1910, III. 18.

BE it enacted by the Governor of Ceylon, by and with the advice and consent of the Legislative Council thereof, as follows :—

1 This Ordinance may be cited as the Municipal Councils Amendment Ordinance, 1930. Short title.

2 Section 115 (1) of the principal Ordinance is amended by inserting the words "provided that all houses, buildings, lands or tenements which are situated within an area not benefited by the conservancy service provided by the Council shall be exempt from any portion of such rate or rates that is declared by a resolution of the Council to be levied for the purpose of providing such service;" between the word "rates" at the end of line 16 and the word "and" at the beginning of line 17. Amendment of section 115 of the principal Ordinance.

By His Excellency's command,

Colonial Secretary's Office,
Colombo, November 14, 1930.

B. H. BOURDILLON,
Colonial Secretary.

Objects and Reasons.

Though the amount that a Municipal Council imposes as rates under section 115 of The Municipal Councils Ordinance, 1910, is largely dependent on the nature and variety of the public utility services that it undertakes, the extent to which any particular area within its boundaries is actually benefited by such services cannot at present be taken into account in recovering such rates. This Bill is designed therefore to enable a Council to exempt from the portion of its rates that it has imposed specially to meet the cost of its conservancy service those parts of a Municipal town's area as are not benefited by the service that it provides for this purpose.

Attorney-General's Chambers,
Colombo, October 2, 1930.

Attorney-General.
