DRAFT ORDINANCE.

MINUTE.

The following Draft of a proposed Ordinance is published for general information:—

No. 6 of 1910,
III. 18.

An Ordinance to amend the Municipal Councils Ordinance, 1910.

BE it enacted by the Governor of Ceylon, by and with the advice and consent of the Legislative Council thereof, as follows:—

Short title.

1 This Ordinance may be cited as the Municipal Councils Amendment Ordinance, 1930.

Amendment of section 115 of the principal Ordinance.

2 Section 115 (1) of the principal Ordinance is amended by inserting the words " provided that all houses, buildings, lands or tenements which are situated within an area not benefited by the conservancy service provided by the Council shall be exempt from any portion of such rate or rates that is declared by a resolution of the Council to be levied for the purpose of providing such service;" between the word " rates " at the end of line 16 and the word " and " at the beginning of line 17.

By His Excellency's command,

Colonial Secretary's Office,
Colombo, November 14, 1930.

B. H. BOURDILLON,
Colonial Secretary.

Objects and Reasons.

Though the amount that a Municipal Council imposes as rates under section 115 of The Municipal Councils Ordinance, 1910, is largely dependent on the nature and variety of the public utility services that it undertakes, the extent to which any particular area within its boundaries is actually benefited by such services cannot at present be taken into account in recovering such rates. This Bill is designed therefore to enable a Council to exempt from the portion of its rates that it has imposed specially to meet the cost of its conservancy service those parts of a Municipal town's area as are not benefited by the service that it provides for this purpose.

Colombo, October 2, 1930.

Attorney-General.

Amendment of section 41 of the principal Ordinance.

(4) If in the exercise of the powers conferred upon him by clause (b) of sub-section (1) the Commissioner of Stamps requires the payment of any amount by way of duty or penalty for the reason that in his opinion any stamp upon an instrument is not genuine or has been previously used, the person required to pay such amount may within ten days after such requirement has been made known to him, apply by petition to the District Court having jurisdiction in the district in which such person resides, or in which the instrument was executed, authenticated or attested, to determine the question whether such stamp is or is not genuine, or whether it has or has not been previously used, as the case may be.

(5) Every such application shall be stamped as if it were a petition of appeal in Class I, and due notice thereof shall be given by the applicant to the Commissioner of Stamps and to the Attorney-General, both of whom may appear or be represented at the hearing of the application.

(6) Upon the hearing of such application, the District Court shall decide the question for the determination of which the application was made, and shall have power to confirm, cancel or vary the requirement of the Commissioner of Stamps and to make any such order consequential upon its decision, including an order as to costs, as it shall deem just.

5 The following sections are hereby inserted in the principal Ordinance immediately after section 50 thereof as a part of Chapter IV thereof :—

(3) When the duty and penalty, if any, payable in respect of any instrument have been recovered by the Commissioner of Stamps from any person specified in sub-sections (1) and (2), and by agreement or otherwise some other person was bound to bear the expense of providing the proper stamp for such instrument, such first-mentioned person shall be entitled to recover from such other person the amount of the duty and penalty, if any, so recovered.

50B (1) Every person who, having received any sum of money as for payment of stamp duty on any instrument executed, authenticated or attested by him, does not apply the money to the due payment of duty and improperly withholds or detains the same or any part thereof, shall be accountable for the payment of any stamp duty so improperly applied, withheld or detained, and the same shall be a debt owing from him to His Majesty the King, and recoverable as provided in sub-section (2).

Misapplication of money paid for stamp duty.

(2) If any amount shall be owing to His Majesty under sub-section (1), the Commissioner of Stamps may apply by petition to the District Court having jurisdiction in the district in which the person accountable under sub-section (1) may be resident for the time being, or in which the

(3) If cause is shown, the court shall make such order as it may deem just.
