LAND DEVELOPMENT NOTICES.

No. 44, Badulla District—Ambadanegama Village.

NOTICE is hereby given that an extent of about 375 acres of Crown land shown in the annexed sketch is available for development in economic products. The land is believed to be suitable for tea.

It is situated in close proximity to Ampitigoda Group. The approximate value of land in block A, is Rs. 200 per acre, in block B Rs. 100 per acre, in the northern portion of block C Rs. 125 per acre, in the southern portion of block C Rs. 75 per acre, in block D Rs. 175 per acre, and in block E Rs. 200 per acre.

Government is prepared to consider applications for the whole or portions of this land upon the ordinary 99 years' agricultural lease (Form G. A.—C 27A). A scheme of survey into blocks of suitable sizes will be decided on after the applications have been received. The usual reservations will be left for streams, roads, &c. Applicants should state the number of acres they desire to take on lease. A deposit at the rate of Rs. 3 per acre should accompany each application. This deposit will be refunded if a lease is not offered to an applicant or will be taken as part of the premium if he purchases a lease.

It is proposed to restrict competition in the first instance to persons who have applied and deposited fees under this notice. Government does not, however, bind itself to accept any application and reserves the right at the sale of the leases to restrict bidding for lots under a certain size to certain classes of persons and to decide the number of lots or extent of land that may be taken up by any one applicant.

Applications for land under this notice should be addressed to the Government Agent, Uva, and will be received up to December 15, 1930.

Further information regarding this land may be obtained on application at the Badulla Kachcheri, where a plan of the land may be inspected.

Plans of the land on the 16-chain scale may be purchased from the Surveyor-General for Re. 1 each.
