W. E. WAIT,

Acting Conservator of Forests.

Office of the Conservator of Forests,
Kandy, February 9, 1931.

AN auction sale of the under-mentioned ebony will be held at the Central Timber Depot, Kew road, Slave Island, Colombo, on Saturday, March 21, 1931, at 10 A.M., subject to the following conditions:—

1. The timber will be put up in lots to suit buyers at a rate per lot, and no advance of less than Re. 1 per lot will be accepted.

2. The highest bid will be accepted, subject to the approval or disapproval of the Conservator of Forests. The highest bidder will be required by the officer conducting the sale to sign the sale book kept for the purpose directly a lot has been knocked down to him.

3. The Officer conducting the sale may, at his discretion, require any bidder to deposit such sum of money as he considers necessary as security for completion of purchase and such bidder, if and when called upon to do so, shall immediately comply with this requirement. On failure to do so, his bid though it may be the highest is liable to be rejected.

4. Buyers will be allowed to have the logs weighed at the depot premises, if so required, the cost of reweighing to be borne by such buyers. If any difference is found between the depot weight and the weight ascertained after reweighing, a certificate will be issued by this department showing the actual weight at the time of reweighing, provided the buyers require such certificate for export purposes. But no allowance will be made for any shortage when making payment, the logs being sold by auction at a rate per lot and not per ton.

5. No timber shall be removed before payment of the full price bid, and all timber sold must be removed from the depot within ten days of date of notification of acceptance by the Conservator of Forests of such bid, and will be at the risk of the purchaser until removed. If any logs are not removed by the purchasers within the above specified period, a ground rent of cents 25 per log per diem will be payable and removal of such logs will not be permitted until such dues have been paid.

6. Should any person to whom a lot is knocked down refuse to take it over at the full price bid, or refuse or fail to sign the sale book and to pay such sum of money as required by the Officer conducting the sale by way of security or refuse or fail duly to complete the purchase and also to pay any ground rent due and remove the timber as provided for in clause 5 above, the lot will again be put up for auction, and the original purchaser or bidder will be held liable for any loss to Government owing to a lower price being realized at the resale, while if an enhanced price is realized at such resale, he shall, however have no claim to the profit, which shall accrue to Government.

7. Agents bidding for others will be required to produce a written authority from the firm or persons for whom they bid. Such authority will be retained by the Assistant Conservator of Forests, and will hold good only at the particular sale at which it is produced.

8. The description of the logs appearing in the remarks column of the following list is entered merely for the guidance of the intending purchasers, who, as usual, should satisfy themselves as to its correctness before purchasing the logs.
