BY HIS EXCELLENCY THE GOVERNOR.

## A PROCLAMATION.

GRAEME THOMSON.

KNOW Ye that We the Governor by virtue of the powers vested in Us by Article 93 of the Ceylon (State Council) Order-in-Council, 1931, do hereby under section 6 of "The Cattle Ordinance, 1898," proclaim the regulations, in the schedule hereto, which have been

made by Us by virtue of and in exercise of the powers under sections 4 and 5 of the said Ordinance for the revenue district of Trincomalee in the Eastern Province.

By His Excellency's command,

C. C. WOOLLEY,

Secretary to the Governor.

Queen's House,  
Colombo, September 17, 1931.

GOD SAVE THE KING.

SCHEDULE.

Regulations.

*Regulations framed under Sections 4 and 5 of Ordinance No. 10 of 1898 regarding the Sale or Transfer of Cattle.*

1. It shall not be lawful to transfer any head of cattle except upon a certificate in the Form A in the schedule annexed to Ordinance No. 10 of 1898, issued and signed by an officer authorized by the Government Agent to issue such certificates for the district in which the animal is transferred.

2. It shall not be lawful to acquire a head of cattle from any person in any way, except by inheritance, unless the recipient receives with the animal the certificate alluded to in clause 1.

3. The Government Agent shall appoint certain officers authorized to issue certificates subject to the regulations hereinafter laid down. Books of certificates in the authorized form shall be issued to all such officers. Such books to be in duplicate, the duplicate to be kept and returned to the Kachcheri when the book is finished, or on demand by the Government Agent; the original to be given to the purchaser or donee.

4. It shall be lawful for the Government Agent to appoint also a limited number of special officers, not lower in rank than a Vidane Arachchi, Korala, or Udaiyar, to issue certificates, and to relieve them from the necessity of complying with such of the regulations with reference to the issue of certificates as may appear to the Government Agent to be desirable.

5. No person who has not been duly authorized by these rules shall issue a certificate, or alter, add to, deface, destroy, or in any way tamper with a certificate.

6. If a head of cattle acquired on a certificate dies, is lost, or disappears, it shall be the duty of the owner to return the certificate either to an officer appointed to issue certificates for the district or to the Kachcheri, such return to be made within ten days of the animal's death or one month of its loss or disappearance. When cattle are slaughtered within the limits of a Municipality or Local Board, the certificates must be given to the slaughterhousekeeper; if without such limits, to such person as may be nominated by the Government Agent.

7. It shall be the duty of all headmen to seize all stray cattle, those with altered or defaced brandmarks, and cattle (other than those born in the owner's possession or obtained by inheritance) that may reasonably be supposed to have been acquired without a proper certificate, and to produce them before the President of the Gansabhawa, if there is one having jurisdiction over the district, or before the Chief Headman, if there is no Gansabhawa. Such President or Chief Headman shall inquire into the title of anyone who claims the animal, and shall issue a certificate to such claimants as have substantiated their claim; and if not so satisfied shall direct that the animal be sold by auction and the proceeds paid to the Communal or Local Board funds, if a Gansabhawa or Local Board has jurisdiction over the district where the animal has been kept, or to the credit of Government if there is no Gansabhawa or Local Board. Provided that before issuing such certificate such President or Chief Headman may direct the claimant to pay such sum as to such President or Chief Headman seems reasonable as expenses for the seizure, detention, and branding of such animal, and for the issue of such certificate; and if such sum is not paid within such period as may be directed by him, may order that the animal be sold, and the proceeds dealt with as laid down above.

8. When an animal is sold as directed in the foregoing regulations by the President of a Village Tribunal or a Chief Headman, a special brand selected by the Government Agent shall be put on the animal, and a certificate signed by the President or a Chief Headman, as the Government Agent may direct, shall be issued to the purchaser.

9. When cattle are imported it shall be the duty of the importer to obtain from an officer appointed by the Government Agent a certificate for each animal imported. Such certificate shall be issued on payment of a fee of 25 cents, and shall be in the Form A annexed to Ordinance No. 10 of 1898. In filling in the certificates the words "imported

animal" should be entered under column 2 instead of the name and residence of the seller or donor. Under column 9, instead of the signature of the seller or donor the date of landing and the port where landed should be entered.

10. Duplicates of certificates certified to be correct by the Government Agent or his Assistant shall have the validity of the certificates themselves, and shall be issued only to the persons to whom the originals were issued, or their representatives, on proving satisfactorily that the originals were lost or stolen.

*Permits of Removal.*

11. It shall not be lawful for any one to remove an acquired animal (that is, an animal not born in the owner's possession or obtained by inheritance) to any place beyond the jurisdiction of the officer appointed by the Government Agent to issue certificates for the district in which the animal is kept, unless the person so removing has with him the certificate issued to the owner of the animal. If the animal does not belong to the person so removing, he must have in addition a written pass signed by the owner, stating where the animal is going to and for what purpose it is being removed.

12. If the animal be a pinfold one (that is, born in the owner's possession or obtained by inheritance) the person removing the animal shall have with him a permit for removal in the form prescribed in rule 14.
