Statement of Objects and Reasons.

It has been felt for some time past that The Ceylon Chamber of Commerce Ordinance of 1895 requires modification in several respects if it is to be brought into line with modern conditions, the expansion and development of trade and commerce in Ceylon, and the Chamber's present and future activities. Just as in the case of limited Companies, the objects thereof and the powers of Directors have within recent years been considerably enlarged, it is felt that, though the Ordinance of 1895 doubtless was sufficient to meet conditions as they existed at the time, the objects and powers of the Chamber should be similarly enlarged. This bill is intended to supply the required modifications.

Section 2 of the principal Ordinance defined the general objects of the Chamber. It is desired that these objects should be more clearly defined and extended so as to be consistent with the activities of the Chamber under modern conditions. The suggested amendments in section 3 of the amending Ordinance have, in part, been adopted from the recognized objects of similar institutions (*vide* Butterworth's

Encyclopaedia of Forms & Precedents, 1908 Ed., Vol. XIV. p. 425); while other suggested amendments will enable the Chamber to act as trustee, for example, of its Provident Fund or of a general Provident Fund for the benefit of members of the mercantile community or the staffs of mercantile firms, or otherwise as trustee.

The activities of the Chamber are of such diversity that a division of labour in Committee-work has been found necessary, while it is also thought that the imposition of a maximum on the number of Committee members creates difficulties in practice. Section 4 of the amending Ordinance, while making a verbal alteration in re-naming the "Board of Directors" as the "Committee" (which is felt to be more practical), proceeds to empower the distribution of work among sub-Committees, without creating a maximum number of Committee members.

Section 5 of the principal Ordinance authorizes the Chamber to make its own Rules for certain specified purposes, but it does not appear to authorize the Chamber to remunerate its officers or representatives or otherwise to dispose of its funds. While this power is one that may perhaps be implied, section 6 of the amending Ordinance is intended to formally supply the omission, while the opportunity is taken to make certain minor verbal amendments in section 5 of the principal Ordinance.

Consequent upon the Chamber being empowered to act as a trustee, formal amendments become necessary to sections 8 and 11 of the principal Ordinance.

The suggested amendments in section 8 of the amending Ordinance are purely formal.

Colombo, September 23, 1931.

M. J. CARY,
Mover of the Bill.

MINUTE.

The following Draft of a proposed Ordinance is published for general information :—

An Ordinance to amend the Civil Procedure Code, 1889.

BE it enacted by the Governor of Ceylon, with the advice and consent of the State Council thereof, as follows :—

1 This Ordinance may be cited as The Civil Procedure Code (Amendment) Ordinance, 1931.

Short title.

2 Section 286 of the Civil Procedure Code, 1889, is amended by substituting for the words commencing "and the Fiscal" in line 19 and ending "Governor shall direct" in line 29 the following :—

Amendment of section 286 of the principal Ordinance.

"and the Fiscal or Deputy Fiscal shall be entitled to recover for such conveyance when the amount of purchase of all lands to be included in a conveyance shall be one hundred rupees or under, a fee of two rupees; when it shall exceed one hundred rupees a fee of three rupees; when it shall exceed two hundred rupees a fee of four rupees; when it shall exceed three hundred rupees a fee of five rupees; when it shall exceed four hundred rupees a fee of seven rupees and fifty cents; when it shall exceed five hundred rupees a fee of ten rupees; and when it shall exceed one thousand rupees a fee of fifteen rupees and no more; and such fee shall be brought to account and appropriated in such manner as the Governor shall direct".

Objects and Reasons.

Section 286 of the Civil Procedure Code, 1889, prescribes, among other things, the fees which the Fiscal is entitled to recover for the execution of conveyances made to give effect to a sale in execution of immovable property, and as contemplated by that section the Governor has directed (General Order 134A) that such fees may be drawn by the officers who prepare the conveyances if the work is done out of office hours.

2. The conveyance is the unit in respect of which the fees referred to are fixed, and till recently it was usual to prepare a distinct conveyance for each land sold. In 1927, however, Government directed that where several lands are sold to one purchaser at an execution sale, and they are all included in one order of Court confirming the sale, the transfer of all the lands should be effected in a single conveyance.

3. As the schedules containing the description of the lands are the longest portions of the conveyances, the change introduced in 1927, while it has not reduced substantially the volume of work involved in the preparation of the conveyances has to a great extent lessened the fees that those who prepare the conveyances are entitled to draw, because the present scale of fees was fixed on the basis of a separate conveyance being necessary for every distinct piece of land that is sold.

4. The purpose of the present amendment is to alter the scale of fees and the basis for their calculation so that those responsible for the preparation of the conveyances will be fairly remunerated for their labour in the light of what they would have received under the existing scale had a separate conveyance still been necessary in respect of each distinct piece of land conveyed.

Attorney-General.
