PART II.

Amendments of the Indian Labour Ordinance, No. 27 of 1927.

21 Sections 2, 22 and 26 of the principal Ordinance are amended by the substitution of the words "Controller of Labour" for the words "Controller of Indian Immigrant Labour"; wherever the latter words occur in each of the said sections.

Amendment of section 15 of the principal Ordinance.

Amendment of section 19 of the principal Ordinance.

Amendment of section 23 of the principal Ordinance.

Governor may make rules.

Insertion of schedule to the principal Ordinance.

Amendment of sections 2, 22 and 26 of the principal Ordinance.

22 Sections 5, 8 and 9 of the principal Ordinance are amended by the deletion of the word "Immigrant" wherever that word occurs in each of the said sections.

Amendment of sections 5, 8 and 9 of the principal Ordinance.

Objects and Reasons.

1. The "Immigration Fund" which was established under the Labour Ordinance No. 1 of 1923, to meet the cost of recruiting and introducing Indian immigrant labour into Ceylon is almost entirely replenished by fees assessed and recovered (under section 14) from estates employing Indian immigrant labourers. But the fees which are at present recovered press heavily on estates employing less than the normal Indian immigrant labour force because they are generally assessed on an acreage basis. To assess these fees according to the number of Indian immigrant labourers that each estate employs would however ensure that the contributions are in proportion to the benefits derived from the Immigration Fund. But the introduction of a system of assessment on a per capita basis would be impracticable so long as fees are due only in respect of Indian immigrant labourers, because the difficulty of discriminating between labourers who are immigrants and labourers who are not would enable both classes to derive benefit from the Immigration Fund while only in respect of the former could fees be recovered. Therefore application of the principal Ordinance is extended to all Indian labourers so as to enable the introduction of per capita assessment of the fees under section 14.

2. The Bill further places the Indian Immigrant Labour Controller's Department (to be known hereafter as the Department of Labour), in charge of all Indian estate labour, immigrant and otherwise, and alters the title of the Controller of Indian Immigrant Labour to that of Controller of Labour, and the designation of the Board of Indian Immigrant Labour to that of Indian Labour.

3. Certain amendments are made to place beyond doubt the legality of the respective payments made from general revenue and from the Immigration Fund. These amendments ratify existing practice, while the amendment of section 13 (1) (g) of the Labour Ordinance No. 1 of 1923 enables superannuation allowances to be given to officers paid out of the Immigration Fund in case it is decided to introduce a pension or provident scheme for such officers.

4. The fees and other expenses that an employer of Indian labourers may be called upon to pay, the method of their assessment and manner of their recovery where such payments are not duly made can all be provided for by rules made under section 14 in its new amended form.

5. The power of the Governor to make regulations under section 23 has been altered to a power to make rules, so as to clearly indicate the authority which is entitled to prescribe the many matters which are left by the Ordinance to be provided for by subordinate legislation.

PERI SUNDARAM,

Minister of Labour, Industry and Commerce.
Colombo, October 15, 1931.

MINUTE.

The following Draft of a proposed Ordinance is published for general information :—

An Ordinance to amend the Ceylon Railways Ordinance, 1902.

BE it enacted by the Governor of Ceylon, with the advice and consent of the State Council thereof, as follows :—

1 This Ordinance may be cited as The Ceylon Railways (Amendment) Ordinance, 1931.

Short title.

2 Section 33 of the Ceylon Railways Ordinance, 1902, is amended by adding at the end of the proviso thereof the following further proviso :—

Amendment section 33 of the principal Ordinance.

" Provided further that it shall be lawful for the Governor in any case to order that instead of being so kept closed either across the railway or across the road the gates shall be kept closed across the road only when engines or vehicles passing along the railway shall have occasion to cross the road, and in such case also the gates shall be erected, maintained and closed accordingly."

Objects and Reasons.

Where the railway crosses a public carriage road on a level at a place not declared under section 34 or section 35 of the Ceylon Railways Ordinance, 1902, as a "minor crossing" or an "occupation crossing", section 33 of that Ordinance requires the General Manager of the Railways to provide at the spot good and efficient gates which he must keep closed either across the road or across the railway except when for the passing of traffic along the road or the railway respectively the gates have to be opened. There are some such crossings where the requirements of this section cannot be strictly complied with, because on the one hand the breadth of the railway (arising out of the multiplicity of the lines) at the spot makes it difficult to contrive suitable gates to close across the railway line, while on the other hand if gates which are normally to be kept closed across the road are erected there, by reason of the nature and volume of traffic at the spot, serious inconvenience would be caused to the public. What is essential at crossings after all is that traffic both along the railway and along the road should be impossible at a time when a train is about to cross the road, and for this purpose gates which can be closed across the road when the occasion arises will suffice. The new proviso which this Bill proposes to add to section 33, therefore, empowers the Governor to modify in suitable cases the ordinary requirements in respect of the nature of the gates to be erected at places where the railway crosses a public carriage road so that it may be possible hereafter to regulate traffic at these crossings in a manner that is convenient to all concerned.

MOHD. MACAN MARKAR,
Minister for Communications and Works.

Colombo, September, 1931.

MINUTE.

The following Draft of a proposed Ordinance is published for general information :—

An Ordinance to amend Ordinance No. 13 of 1889 intitled "An Ordinance amending the Law relating to Indian Coolies employed on Ceylon Estates."

BE it enacted by the Governor of Ceylon, with the advice and consent of the State Council thereof, as follows :—

Short title.

1 This Ordinance may be cited as The Indian Labourers' Ordinance, 1931.

Amendment of section 9 of the principal Ordinance.

2 Section 9 of Ordinance No. 13 of 1889 (hereinafter referred to as "the principal Ordinance") is amended by substituting for the words "twenty rupees" in line 4 the words "forty rupees".

Amendment of section 10 of the principal Ordinance.

3 Section 10 of the principal Ordinance is amended by adding at the end of the words "and it shall be lawful for the Controller of Labour also or for any other person authorized by him in writing for the purpose to institute in like manner on behalf of one or more labourers employed on an estate a similar suit to recover any wages which may be due to them."

Objects and Reasons.

The right of a first charge on an estate that is created by section 9 of Ordinance No. 13 of 1889 in favour of the labourers employed thereon in respect of the wages due to them is sometimes rendered nugatory because those who are under section 10 entitled to enforce this right are unable to sue the estate with the promptness that is often essential. And the necessity for this quick action that is required to preserve for the labourers their legal right to be paid before all others has recently become glaringly apparent when estates have unexpectedly closed down owing to a sudden collapse in the arrangements for financing their maintenance. Clause 3 of this Bill, therefore, vests the Controller of Labour with a concurrent right to sue for unpaid wages, because he can be depended upon to move with the requisite swiftness that cannot always be expected from labourers. Further, having regard to the increase in a labourer's present earning capacity the maximum limit of the sum in respect of which the first charge is available is raised by the amendment in clause 2 from Rs. 20 to Rs. 40.
