**DRAFT ORDINANCE.****MINUTE.**

The following draft of a proposed Ordinance is published for general information :—

**An Ordinance to enable a temporary levy to be imposed on the salaries and wages of persons employed in the public service.**

Short title.

1 This Ordinance may be cited as the Temporary Levy on Salaries of Public Servants (Enabling) Ordinance, 1931.

Authority to impose temporary levy on salaries and wages of public servants.

2 (1) Whenever the Governor considers that, for the purpose of assisting in the maintenance of the financial stability of the Island, it is expedient to impose, for the benefit of the public revenue, a temporary levy on the salaries and wages of persons employed in the public service, he may, by Order issued with the prior approval of the Secretary of State, authorize the deduction from the salaries and wages payable to such of the persons aforesaid as the Order shall specify a sum calculated in such manner as the Order shall prescribe.

The first Order may be retrospective.

(2) The first Order issued under this section may declare that it shall be deemed to have come into operation on a date prior to the date on which it is issued, provided that such Order shall not come into operation, or be deemed to have come into operation, on a date prior to the first day of February, 1932.

Period of operation to be stated in Order.

(3) An Order issued under this section shall state the period for which it is to remain in operation unless previously revoked, provided that nothing in this sub-section shall prejudice the amendment of any Order during the period of its operation or the issue of any new Order to take effect on or at any time after the expiration of any preceding Order.

Deductions to be credited to revenue.

3 All deductions from salaries or wages made under any Order authorized by the preceding section shall be credited to the general revenue, or to the revenue of the service to which such salaries or wages are primarily chargeable, in such manner as the Order shall prescribe.

Deductions not to affect pensions or gratuities or contributions required by Ordinance No. 1 of 1898.

4 No deduction from salaries or wages made under any Order authorized by section 2 shall be taken into account in the calculation of any pension or gratuity based on salaries or wages, or in the calculation of any abatement of salary required by the Widows' and Orphans' Pension Fund Ordinance, 1898, or by any Ordinance amending or substituted for that Ordinance.

*Objects and Reasons.*

The object of this Bill is to enable the Governor, with the prior approval of the Secretary of State, to impose a temporary levy on the salaries and wages of public servants whenever he shall consider it expedient to do so for the maintenance of the financial stability of the Island.

2. The method of calculating the levy, and consequently its amount, as well as the classes of public servants from whose salaries or wages it will be deducted, will be prescribed by the Governor with the prior approval of the Secretary of State.

3. An Order imposing a levy may be retrospective to a date not anterior to the 1st February, 1932, the date on which it is intended that the levy shall take effect. This provision is necessary to meet the possibility that the Secretary of State's approval of the details of the levy may not be obtained before that date.

4. Every Order must state the period for which it is to remain in force, but an Order may be amended at any time or renewed at any time with or without amendment.

5. The levy will not affect pensions or gratuities based on salaries or wages, or payments, based on salary, required by the Ordinances relating to the Widows and Orphans Pensions Fund or Scheme. For the purpose of calculating those payments, salaries and wages will be taken at the rate at which they would have been payable if the levy had not been imposed. To enable a deduction to be made from salaries or wages which for certain purposes remain at a higher figure than is actually paid, legislative authority is necessary.

6. The amount of the levy will be credited either to the general revenue, or to the revenue of the Railway or of the Colombo Electricity Supply, according to whether the salary or wages from which the levy is deducted is primarily chargeable to one or other of those sources.

Colombo, December 16, 1931.

W. W. WOODS,  
Financial Secretary.
