IT is hereby notified that Regulations 68 and 69 of the Public Service Regulations published by Notification dated June 30, 1931, in the *Government Gazette Extraordinary* No. 7,865 of June 30, 1931, are deleted and the following regulations substituted therefor:—

68. (i.) Under section 16 of the Pension Minute as amended by the notification of February 1, 1932, retired public officers in receipt of a pension or a retiring allowance may be re-employed either on pensionable or *quasi*-pensionable terms, in which case the original pension or retiring allowance is cancelled during the period of re-employment, or on terms of a definitely non-pensionable character, in which case they draw their pension or retiring allowance in full during the period of re-employment but receive on their final retirement no additional annuity under the Pension Minute in respect of their re-employed service. Any case in which a person in receipt of a pension or retiring allowance is in the employment of Government on February 1, 1932, should be referred to the Treasury (Establishments Division).

(ii.) When it is proposed to re-employ a retired Government Officer in receipt of a pension or a retiring allowance, the Head of the department must report his proposal for sanction to the Establishments Division of the Treasury, stating whether it is recommended that the re-employment should be on a pensionable or *quasi*-pensionable basis with loss of pension or retiring allowance, or on a completely non-pensionable basis with retention of pension or retiring allowance, in which case the amount of the re-employed salary will require to be specially fixed. Heads of departments are responsible for ascertaining whether a person whom they propose to employ is in receipt of a Government pension or retiring allowance.

Note.—In both parts of this regulation, "retiring allowance" means an allowance granted or grantable under section 27 of the Pension Minute and re-employment on *quasi*-pensionable terms means re-employment which may qualify an officer on his final retirement for the grant of a retiring allowance under section 27 in respect of his period of re-employment.

EXAMINATIONS FOR THE INDIAN CIVIL SERVICE.
Regulations for admission to the Indian Civil Service.

December, 1931.

*** The following Regulations, made by the Secretary of State for India in Council, are liable to alteration from year to year.*

1. An Examination for admission to the Indian Civil Service, open to all qualified persons, will be held in London in July and August of each year for such number of appointments to that Service as the Secretary of State may on each occasion determine. The date of the Examination will be announced beforehand by the Civil Service Commissioners.

2. A Candidate must be a male and either :—

- (a) a British subject whose father (if alive) is a British subject or a subject of a State in India, or (if dead) was at the time of his death either a British subject or a subject of a State in India or a person in the permanent service of the Crown or a person who had retired from that service ; or
- (b) a ruler or a subject of a State in India in respect of whom the Governor General in Council has made a declaration under Section 96A of the Government of India Act.

Provided that in the case of a male British subject the requirements of this rule may be waived by the Secretary of State in Council if he is satisfied that their observance would occasion exceptional hardship and the Candidate is so closely connected by ancestry or upbringing with His Majesty's dominions as to justify special treatment.

3. A Candidate must have attained the age of twenty-one, and must not have attained the age of twenty-four on the first day of August of the year in which the Examination is held.

4. A Candidate who is a Native of India must obtain a certificate of age and nationality issued in accordance with such instructions as the Governor-General in Council may, from time to time, prescribe,* and signed, should he be a resident in British India, by the Secretary to Government of the Province, or the Commissioner of the Division within which his family resides, or should he reside in a Native State, by the highest Political Officer accredited to the State in which his family resides.

5. A Candidate must be free from disease, constitutional affection, or bodily infirmity, unfitting him, or likely to unfit him, for the Indian Civil Service.†

6. A Candidate shall satisfy the Civil Service Commissioners that his character is such as to qualify him for employment in the Indian Civil Service.

7. No person who, in a previous year, accepted the offer of a nomination as a Selected Candidate for the Indian Civil Service and subsequently resigned his position as a Selected Candidate, will be admitted to the Examination.

* Candidates should be careful to see that the wording of this certificate is strictly in accordance with the appropriate form laid down in the instructions published in the Government of India Home Department Notification No. F. 266/30 Ests, dated the 21st February, 1931, but certificates issued under Government of India Home Department Notification No. 1114, dated the 12th September, 1919, will normally be accepted in the case of candidates who have attended the competition in London in a previous year.

† The Civil Service Commissioners will regard no person as constitutionally fitted for appointment to the Indian Civil Service who has not been satisfactorily vaccinated within the last seven years.

8. Should the evidence upon the above points be *prima facie* satisfactory to the Civil Service Commissioners, the Candidate, on payment of the prescribed fee, will be admitted to the Examination. The Commissioners may, however, in their discretion, at any time prior to the grant of their Certificate of Qualification institute such further inquiries as they may deem necessary; and if the result of such inquiries in the case of any Candidate should be unsatisfactory to them in any of the above respects he will be ineligible for admission to the Indian Civil Service, and, if already selected, will be removed from the position of a Probationer.

Subject to the instructions at the head of Section B of this rule an extra numerum subject may be offered carrying 100 marks, and chosen from the following:—

General Anthropology.

An auxiliary language.

10. The auxiliary language in Section A or Section C will be tested by means of translation from the language. The following languages may be offered:—French, German, Italian, Spanish, Portuguese, Dutch, Norwegian, Swedish, Danish, Russian, Latin, Ancient Greek.

No candidate may offer any language or General Anthropology or Special Anthropology twice in the examination.

No candidate may offer in Sections A and C together two languages of the group Italian, Spanish, Portuguese, or two of the group Norwegian, Swedish, Danish.

Only a candidate who takes two modern languages in Section B may offer Latin or Ancient Greek as an auxiliary language.

Instead of an auxiliary language a candidate whose mother tongue is an Indian language or who up to the stage of University training has been educated exclusively in India may offer as subject 5 either General Anthropology or Special Anthropology.

11. In subjects 50 to 67 the civilization subject associated with a language can only be taken by candidates who offer the language itself for examination.†

12. A candidate desiring to offer subject 24 or any of the subjects 31 to 43 must produce evidence satisfactory to the Commissioners of laboratory training in an institution of university rank. For Astronomy (29), Geography (44), the Physical Anthropology branch of Special Anthropology (46), and Agriculture (47), other equivalent training will be required. 13. From the marks assigned to candidates in each subject such deduction will be made as the Civil Service Commissioners may deem necessary in order to secure that no credit be allowed for merely superficial knowledge.

14. Moreover, if a candidate's handwriting is not easily legible a further deduction will, on that account, be made from the total marks otherwise accruing to him.*

15. A list of the competitors shall be made out in order of their proficiency as disclosed by the aggregate marks finally awarded to each competitor, and in that order so many competitors, up to the determined number of appointments, as are found by the Civil Service Commissioners to be qualified by examination, shall be designated to be selected candidates for the Indian Civil Service, provided that they appear to be duly qualified in other respects.

Should any Selected candidate become disqualified, the Secretary of State for India will determine whether the vacancy thus created shall be filled or not. In the former case the candidate next in order of merit, and in other respects duly qualified, shall be deemed to be a selected candidate.

16. Application for permission to attend an examination must be made in the handwriting of the candidate, at such time and in such manner as may be fixed by the Civil Service Commissioners.

Each candidate will offer for examination the vernacular shown in column 2 against his province in the following table unless he is already familiar with it or with a language closely allied to it. A probationer assigned to Madras who is familiar with one only of the vernaculars named will offer the other.

Sub-section 2. A candidate who is not required by sub-section (1) to offer a vernacular named in column 2 will offer the vernacular named in column 3 against his province if any such vernacular is named unless he is already familiar with the vernacular there named or with a closely allied one.

Sub-section 3. A candidate who is not required under the preceding sub-sections to offer a vernacular will offer history instead. A one-year probationer will offer British history; a two-year probationer will offer British history for the intermediate examination and European history for the final examination.

Any question as to the interpretation and application of this regulation will be decided by the Civil Service Commissioners.

* It is notified for general information that the number of marks deducted for bad handwriting may be considerable.

(8) The ordinary session of the Final Examination for the testing of riding will take place in advance of the rest of the Final Examination, and a special session will when necessary be held at a later date for the benefit of any candidate who may have failed at the ordinary session.

Candidates who at the ordinary session satisfy the Commissioners that they are sufficiently at home in the saddle for the efficient performance of all duties required of members of the Indian Civil Service will be awarded marks ranging between 101 and 200 according to the degree of proficiency displayed.

Candidates who at the ordinary session fall short of this adequate proficiency but show such minimum proficiency as is evidence that with a moderate amount of practice they can attain full proficiency, will receive marks ranging between 1 and 100; they will be allowed to proceed to India and will on their arrival there be subjected to such further tests in riding as may be prescribed by their Local Government.*

If a candidate is absent from or fails to show minimum proficiency at the ordinary session he will be given a further opportunity of examination at a special session. If he then attains adequate proficiency he will not be subjected to further tests in India. If he attains minimum proficiency he will be allowed to proceed to India under the same condition as if he had attained minimum proficiency at the ordinary session. No credit in marks will be given for any performance at a special session.

Probationers may also be examined in riding at such time or times as the Commissioners may appoint during the course of the probationary period.

(9) Such deductions as the Civil Service Commissioners may consider necessary will be made from the marks assigned to candidates at the Intermediate and Final Examinations in order to secure that no credit is allowed for merely superficial knowledge.

(10) The Civil Service Commissioners will prepare lists of the candidates in order of merit; the order for the one-year probationers being based on the sum of the marks obtained by the candidates at the Open Competitive and Final Examinations, the order for the two-year probationers being based on the sum of the marks obtained by the candidates at the Intermediate and Final Examinations.

(11) The selected candidates whose performance in the compulsory subjects† of the Final Examination is such as to satisfy the Civil Service Commissioners, and who have also satisfied the Commissioners of their eligibility in respect of nationality, age, health, character, and conduct during the period of probation, shall be certified by the Commissioners to be entitled to be appointed to the Indian Civil Service, provided that they shall comply with the regulations in force, at the time, for that Service.

(12) If any candidate is prevented by sickness or any other adequate cause from attending the Final Examination, the Commissioners may, with the concurrence of the Secretary of State for India in Council, allow him to appear at the Final Examination to be held in the following year, or at a special examination. A selected candidate absent for such adequate cause from the Intermediate Examination may, under similar conditions, be allowed to appear at the Intermediate Examination a year later or at a special examination, or may be excused the Intermediate Examination and allowed to appear for the Final Examination in regular course.

Any candidate who at the Intermediate Examination shall appear to have wilfully neglected his studies, or to be physically incapacitated for pursuing the prescribed course of training, will be liable to have his name removed from the list of selected candidates.

(13) A selected candidate who wishes to pursue, in addition to the course prescribed above, an extra course of study, such as reading for a degree or for the examination for admission to the Bar, must first obtain the permission of the High Commissioner for India. If permission is accorded, it will be subject to review at any time.

Announcements made by the Civil Service Commissioners with the authority of the Secretary of State for India in Council:—

(i.) Selected candidates will be allotted to the various provinces upon a consideration of all the circumstances, including their own wishes; but the requirements of the Public Service will rank before every other consideration.

(ii.) A selected candidate who wishes to pursue an extra course of study, in addition to the prescribed probationary course, must submit an application, stating precisely the extra course of study which it is desired to pursue, to the Secretary to the High Commissioner for India, Education Department, India House, Aldwych, London, W.C. 2, through the appropriate authority at the University or College at which he is pursuing his probationary course. The appropriate authorities are:—

Oxford	The Indian Civil Service Delegacy.
Cambridge	The Board of Indian Civil Service Studies.
London	The Director of the School of Oriental Studies.
Trinity College, Dublin	The Registrar of the Indian and Home Civil Service School.

(iii.) An allowance of £300 a year, or, in the case of Selected Candidates possessing an Indian domicile, an allowance of £350 a year will be given to any candidate who passes his probation at one of the Universities or other Institutions that have been approved for the purpose by the Secretary of State for India in Council.

In the case of Selected Candidates on probation for one year, the allowance will be payable in five instalments, the first (£100 in the case of Probationers of Indian domicile and £90 in the case of other Probationers) after the agreement prescribed in Announcement (iv.) has been executed, and the remainder in four approximately equal instalments; the second, third, and fourth on December 24th, March 25th, and June 25th, respectively, and the fifth after signature of the Covenant on appointment to the Service.

In the case of Selected Candidates on probation for two years, the allowance will be payable in nine instalments; the first (£100) on September 29th or as soon thereafter as the agreement has been executed, the remainder in eight equal instalments; the second on December 24th, the third to the eighth at quarterly intervals from that date (provided that the fifth instalment will not be payable until after the result of the Intermediate Examination has been published) and the ninth after signature of the Covenant on appointment to the Service.

Each selected candidate should intimate to the Secretary to the High Commissioner for India, Education Department, the address to which it is desired that the first instalment should be sent.

The payment of the various instalments of the allowance except the first instalment and the final instalment, and, in the case of the two-year probationers, the instalment payable at the end of the first year of probation, will be conditional on the receipt by the High Commissioner for India, through the authorities of the approved institution, of a certificate that the candidate had fulfilled up to date the requirements of the authorities and shown satisfactory progress.

If an Indian Government Scholar becomes a selected candidate for the Indian Civil Service, his scholarship stipend shall cease to be paid with effect from the 1st October of the year in which he becomes a selected candidate.

The whole probation must ordinarily be passed at the same Institution. Migration will not be permitted except for special reasons approved by the Secretary of State.

N.B.—The Secretary of State for India gives notice that the amount of the allowances will be reconsidered in 1932, with a view to a possible reduction with effect from the first instalment payable to candidates selected in that year.

(iv.) Each Candidate will be required before receiving the first instalment of his allowance to execute an agreement binding himself and one surety jointly and severally to refund all moneys he may have received from the Secretary of State for India in the event of:—

- (1) his failure to pass the Final Examination within the time prescribed by the Regulations, and to satisfy the Civil Service Commissioners of his fitness for admission to the Indian Civil Service, or
- (2) his subsequent failure to execute the usual covenant, and to proceed to India, as and when he shall be directed by the Secretary of State for India.

* Such candidates will receive no increase to their initial pay until they have passed the further tests in question to the satisfaction of their Local Government.

† The compulsory subjects include riding, and a candidate who fails at the end of the period of probation to satisfy the Civil Service Commissioners that he has reached the minimum standard of proficiency in riding will be liable to have his name removed from the list of selected candidates.

(v.) All candidates obtaining Certificates will be also required to enter into covenants, by which, amongst other things, they will bind themselves to make such payments as under the rules and regulations for the time being in force they may be required to make for the pensions of their families. The stamps payable on these covenants amount to £1.

(vi.) A First Class passage to India will be engaged for Selected Candidates with a view to their proceeding to India after they have signed their covenants. A candidate who fails to satisfy the Civil Service Commissioners at the Final Examination held in any year will be definitely rejected unless the Secretary of State in Council shall, after reference to the Civil Service Commissioners, allow him to sit for re-examination in the subject or subjects in which he failed. In general a candidate who is allowed re-examination will be required to forfeit the whole or part of the final instalment of his allowance, but if it appears to the Secretary of State in Council, after reference to the Civil Service Commissioners, that his failure to pass the examination was due to circumstances wholly exceptional and beyond his control, such forfeit of his allowance will not be required.

Procedure.

Immediately the results of the examination are known, all successful candidates will be summoned to attend at the Civil Service Commission to be medically examined and to state their choice among the services open to them and among the various Departments, Provinces, or Colonies. That statement of choice is irrevocable.

Evidence of Age.

A candidate born in the United Kingdom must not send in a birth certificate with this form but must be prepared to produce it when required.

A European or Anglo-Indian who was born in India must be prepared to produce when required a certificate of baptism from the district in which he was baptized. If this does not also mention the date of birth it must be accompanied by a statutory declaration by one of the candidate's parents, stating the date and place of birth.

An Indian born in India must send in with this form a certificate as required by Clause 4 of the regulations for the Indian Civil Service. If the candidate's family is resident in British India the Certificate must be signed by the Secretary to the Government of their province or by the Commissioner of their division. If they reside in an Indian State it must be signed by the highest political officer accredited to that State.

A candidate for a Ceylon Cadetship who is not of pure European descent on both sides should send in with this form a written nomination as required by Clause 4 of the Regulations for Eastern Cadetships.

Candidates are warned, however, that if the necessary certificate is not likely to be available until after the 9th May they should not on that account delay sending in this form, as no application received after the 9th May could be accepted. An application received in due time without the necessary certificate would normally be accepted provisionally pending the receipt of the certificate.

Fee.

Fees are *not* to be forwarded by candidates. Instructions respecting the manner of payment of the fee prescribed (£8), and respecting the time and place of the examination, will be sent to candidates before the examination.

(3) If he withdraws his membership, he shall be entitled to be paid the amount standing to his credit in the books of the corporation at the time of his transfer, after deducting any sums which he is liable to pay to the corporation, and, if he has contributed regularly under these rules for a period of not less than ten years, he shall be entitled to receive in addition half the donation which he would have received under rule 9 if he had retired instead of being transferred.

(5) No application for a loan shall be considered if the applicant is in arrears with the payment of any instalment of, or any interest on, any sum previously borrowed by him from the corporation.

(6) Every such loan shall be repaid by regular monthly instalments, not being less than one-twentieth of the amount of the loan; but nothing herein contained shall prevent the earlier repayment of any such loan.

Advances to members. 18. (4) Such advance may be granted irrespective of any loans granted under rule 17, but shall not exceed three-quarters of the monthly salary of the member to whom it is granted.

(5) Every such advance shall be repaid by such monthly instalments as the committee of management may decide; but nothing herein contained shall prevent the earlier repayment of any such advance.

Advances for funeral expenses. 19. On satisfactory proof of the death of any member being furnished to the three *ex officio* members of the committee of management, it shall be competent for them to grant an advance from the funds of the corporation to the nominee or next of kin of the deceased, upon application, not exceeding Rs. 150 without interest to meet funeral and other expenses and any advance so granted shall be deducted from the amount payable under rule 8.

Interest on loans and advances. 20. (1) Interest on loans and advances under rules 17 and 18 shall be paid monthly at the rate of 6 per cent. per annum on the amount outstanding at the end of each month.

(2) In the calculation of interest, a fraction of a month exceeding or not exceeding 15 days shall be reckoned as a full month, or half a month, respectively.

Extra-ordinary loans on immovable property.

21. Extraordinary loans to members of the corporation on the security of immovable property may be made from the funds of the corporation by the committee of management in accordance with the following provisions:—

(1) Any member desirous of obtaining such a loan shall apply by letter to the Secretary and Treasurer stating the amount required and the nature of the security which he proposes to offer.

(2) The applicant shall forward with his application the title deeds of the property offered as security, the fee for legal opinion as to the validity of the deeds, and the appraisers' fee, calculated in the first instance at the rate of $\frac{1}{2}$ per cent. of the amount applied for.

(3) The Secretary and Treasurer shall enter the application in the Register of Applications in the order in which it was received, and shall submit the application to the committee of management together with the legal opinion and the report of the appraisers, for the decision of the committee.

(4) The committee may grant, or refuse to grant, the whole or any part of the amount applied for, without assigning reasons for so doing.

(5) The necessary mortgage bond shall be prepared and attested by a notary appointed by the committee, and all expenses attending the legal completion of the loan shall be borne by the borrower.

(6) No such loan shall in any case exceed half the appraised value of the property offered as security or shall be granted on any security other than immovable property situated within eight miles of the Municipal limits of the town of Colombo.

(7) Two appraisers shall be appointed by the committee of management from among the members of the corporation, for the purpose of valuing properties offered as security. One of the appraisers shall be, and the other shall not be, a member of the committee of management. The valuation of the appraisers shall in each case be affirmed or sworn to.

(8) The appraisers' fee shall be $\frac{1}{2}$ per cent. of the actual amount of the loan, and any excess paid as appraisers' fee by the borrower in the first instance shall be refunded to him.

(9) Every such loan shall be repaid by twenty equal annual payments, each of which shall be made by such monthly or quarterly instalments, and in such manner, as the committee may approve: Provided that the first of such annual payments shall be completed by the end of three years after the date on which the loan was granted.

(10) Interest on such loans shall be payable monthly at the rate of 6 per cent. per annum on the amount outstanding at the end of each month, and no notice of the interest due shall be given. In no case shall arrears of more than 3 months' interest be allowed to accumulate.

(11) One per cent. of the interest so recovered shall be transferred to a Reserve Fund for covering any losses, but it shall be lawful for the members of the corporation, by resolution at any general meeting, when the amount standing to the credit of the Reserve Fund exceeds one-tenth of the amount outstanding on loans, to authorize the transfer of any portion of such excess to Profit and Loss Account.

(12) At least once in every financial year, all mortgage bonds shall be reconsidered by the committee of management with reference to the state and value of the property then mortgaged to the corporation, and the committee may thereupon depute one or more of its members to inspect and report on the said property. The expenses, if any, of such inspection and report shall form part of the working expenses of the corporation, and shall be paid out of its funds.

Payment by members of contributions, loans and advances, and interest thereon.

22. (1) All amounts due as monthly contributions under rule 7, or as instalments on account of loans or advances under rules 17 and 18, or as interest payable thereon, shall be deducted from the salaries of members in the monthly pay-sheets, and handed over to the Secretary and Treasurer, who shall credit the same to the funds of the corporation but

the responsibility of seeing that such amounts are duly deducted and handed over shall nevertheless rest on the members themselves.

(2) If any such amount is not properly deducted and handed over as aforesaid, or is not remitted to the Secretary and Treasurer by the member liable to pay the same, within 15 days after the date on which it falls due, such member shall for every such default pay a fine to the funds of the corporation of such amount, not exceeding one-quarter of his monthly contribution, as the committee of management may determine.

(3) If the default continues, or if the member neglects to pay any such fine for a period of three months, he shall *ipso facto* cease to be a member of the corporation and shall forfeit all benefits of membership and all claim to the whole amount standing to his credit in the books of the corporation, which shall thereupon merge into the funds of the corporation, but he shall nevertheless remain liable to the corporation for the payment of all loans or advances granted to him which have not been repaid, and which are not covered by the amount standing to his credit in the books of the corporation:

Provided that in the case of monthly contributions or instalments on account of loans or advances or interest thereon, payable by a member of the corporation who is absent on leave from Ceylon, such member shall be allowed to retain his membership during his absence on leave without payment of the same, for a period of not more than one year, if all arrears are paid within one month after his return.

Division of profits. 23. The profits accruing to the funds of the corporation as declared by the dividend decided upon at the annual general meeting shall be placed annually to the credit of the members in the books of the corporation in proportion to the amount standing to the credit of each member.

Voting. 24. (1) The voting at any general meeting of the corporation to elect the President and the members of the committee of management shall be by secret ballot to be conducted in such manner as the retiring committee of management shall determine.

(2) No member of the corporation who is in arrears with his monthly contributions under rule 7 shall be entitled to vote at any general meeting of the corporation, or if he is a member of the committee of management, at any meeting of that body.

Pass books. 25. (1) Every member of the corporation shall be supplied with a pass book by the Secretary and Treasurer at the time of his admission.

(2) A member shall ordinarily retain possession of his pass book, but shall forward it twice yearly at the end of the months of June and December to the Secretary and Treasurer, who shall make therein all entries necessary to show the amount standing to the credit of the member in the books of the corporation at the conclusion of the half-year, and shall return the pass book to the member as soon as possible.

(3) The Secretary and Treasurer may also, whenever necessary, require any member to forward to him the pass book supplied to such member, and such requirement shall be complied with by the member and the pass book shall be returned to him as soon as possible.

(4) No member shall make any entry in any pass book supplied to him.

Quorum for general meetings. 26. The quorum of members required to constitute any general meeting shall be twenty.

Books to be kept. 27. A Cash Book, a Journal, a Ledger, a Minute Book, a Register of Applications (for loans and advances) and all other books that may be necessary shall be kept by the Secretary and Treasurer for carrying on the work of the corporation.

Powers of ex officio members of committee. 28. Where the three *ex officio* members of the committee of management are by these rules empowered to grant any loan or advance, any such loan or advance may be granted by any two of such members in the absence of the third, if they think fit to do so.

Winding-up of corporation. 29. (1) The corporation shall not be wound up without the consent of at least half the total number of the members of the corporation, present and voting at a general meeting.

(2) If the corporation is wound up, the funds of the corporation shall, after payment of all claims, be divided among the members in proportion to the amount standing to the credit of each member in the books of the corporation.

Matters not provided for. 30. Any matter relating to the management of affairs of the corporation or the accomplishment of its objects which is not specially provided for in these rules may be dealt with by the committee of management by a resolution which shall, if the committee think it necessary, be referred to a general meeting of the corporation for confirmation.

Repeal of previous rules. 31. The rules made by "The Ceylon Railway Benefit Association" under section 14 of the said Ordinance, dated October 26, 1908, and published in *Government Gazette* No. 6,320 of July 23, 1909, are hereby repealed.

2. Offers should be made by letter, under sealed and registered cover, addressed to the Divisional Forest Officer, North-Western Division, Kurunegala, and posted to reach the Office of the Divisional Forest Officer, Kurunegala, not later than midday on Tuesday, March 1, 1932, the envelope being marked on the left hand top corner "Offer for the Purchase of Timber, North-Western Division," and signed by tenderer. Alterations must be initialled, otherwise the offers may be treated as informal and rejected.

3. A deposit of Rs. 20 is required, and should be forwarded with the offer by a money order in favour of the Divisional Forest Officer, Kurunegala.

4. (a) Tenderers should satisfy themselves by inspection before tendering about the contents of the material in the annexed schedule, as the figures given therein are estimated only and their correctness is in no way guaranteed. The material in the areas will be pointed out by the local Forest Ranger.

(b) The estimated *in situ* value of the timber is Rs. 575 and the Conservator of Forests reserves to himself the right, without question, of rejecting any or all other offers, and of accepting any portion of an offer.

5. The successful tenderer will be required to execute a purchase agreement in respect of the lots. A copy of this agreement can be seen at the Office of the Divisional Forest Officer, Kurunegala.

6. Before execution of the agreement the purchaser will be required to pay the full purchase amount.

7. After payment of the purchase amount, deposit of the security, and execution of the agreement, the purchaser will be entitled on application to refund of his tender deposit. Should the successful tenderer fail to carry out the requirements of clauses 5 and 6 of this notice, within fourteen days of receiving notice in writing from the Divisional Forest Officer that his tender has been accepted, the Rs. 20 deposited will be forfeited to the Crown.

8. Tenderers should make offers, written both in words and figures, for the material contained in the lots.

9. No offer will be considered unless the procedure laid down above has strictly been complied with.

10. The special rules for felling, conversion, and removal which the agreement will require to be observed are specified in the special conditions advertised below. Nothing of these special conditions shall render the purchaser in any way exempt from liability under the Forest Ordinance of 1907, should he be responsible for the commission of a Forest offence.

11. The security to be deposited is between Rs. 50 and Rs. 200 according to the discretion of the Divisional Forest Officer.

12. Should any offer be accepted and should the successful tenderer after due notification decline or fail to pay any sum or sums stipulated for and to enter into the necessary contract within the time allowed; or in reasonable time, he will be held pecuniarily liable for any resultant loss to Government. Offers are made and received on this distinct understanding. The Conservator of Forests reserves the discretionary power to waive the terms of this clause in any decree as he may consider the circumstances justify.

13. For any further information application should be made to the Divisional Forest Officer, Kurunegala.

Special Conditions.

(1) On payment of the full purchase amount the purchaser will be entitled to fell and remove before July 31, 1932, in the manner specified below, all the materials enumerated in the annexed schedule. Any material not removed by the expiry date, shall *ipso facto* revert to the Crown.

(2) Should the purchaser fell and remove any material in excess of the quantity specified, nothing in the agreement shall exempt him from being liable for illicit felling and removal under the Forest Ordinance, No. 16 of 1907.

(3) The purchaser shall either exercise such personal supervision as will ensure the conditions of this agreement being efficiently executed or employ an efficient supervisor.

(4) The purchaser or his agent or workmen shall not damage any boundary pillars or block up the boundaries by depositing any brushwood or branches. All lines so blocked must be re-cleared by the purchaser.

(5) Removal permits will be issued by the Range Forest Officer authorizing the purchaser to remove the material.

(6) The purchaser shall agree that for each and every infringement of the above conditions, he shall become liable to a fine not exceeding Rs. 100 to be imposed by the Divisional Forest Officer in writing at his discretion, and to be recovered from the purchaser's security money.

(7) The purchaser shall agree that, in the event of security money having become exhausted it shall be within discretion of the Divisional Forest Officer either (a) to accept a further security deposit amounting to 10 per cent. of the full purchase amount or (b) to cancel the agreement and to refund the purchaser such balance of the paid up purchase amount, if any, as remains after deducting the value of the timber removed by the purchaser on the date of such cancellation. For the purpose of this clause the value of each removed cubic foot of timber shall be reckoned at full royalty rate.
