The Chairman may, whenever he deems such a course to be necessary, cause notice to be given in writing to the owner or lessee or occupant of any compound, in which there is a well used for drinking or domestic purposes, to bale out the water and clean the well and execute such repairs as the Chairman may consider necessary, and if such notice is not complied with within 14 days, such person shall be guilty of an offence.

24. Whenever it shall be decided by a resolution of the Board that such a course is expedient in the interests of health, the Chairman may give notice in writing to the owner, lessee, or occupant of any land either to fill up or to disinfect any well on such land, and the owner, lessee, or occupier shall thereupon be bound to comply with such order within 8 days. Should such owner, lessee, or occupier fail within such time to comply with such order, such person shall be guilty of an offence.

25. It shall be lawful for the Inspector of the Board or other person empowered in writing by the Chairman to inspect wells or enter upon any land or premises for the purposes of inspecting proposed sites for wells or existing wells and their surroundings.

26. If circumstances warrant such a course, the Chairman of the Board may at his discretion exempt any person from the strict application of any or all of the above regulations numbered 2, 13, 14, 15, 16, 17, 18, 20 or 21 or from any part thereof.
