"THE LOCAL GOVERNMENT ORDINANCE, NO. 11 OF 1920."

BY-LAWS made by the Kalutara Urban District Council under sections 164 and 168 (2) (a) of "The Local Government Ordinance, No. 11 of 1920," and approved by the Local Government Board, and confirmed

by the Governor by virtue of the powers vested in him by section 164 and by Article 93 of the Ceylon (State Council) Order in Council, 1931.

CHAS. BATUWANTUDAWE,
Minister for Local Administration.

Colombo, January 17, 1933.

BY-LAWS REFERRED TO.

1. No pension, gratuity, or long service allowance shall be granted to any officer of the Kalutara Urban District Council without the authority of the Governor, in order to obtain which a certificate of good conduct from the Chairman setting out the length of service, age, and ground of retirement must be forwarded, together with the application for pension, gratuity, or retiring allowance, and the computation thereof, through the Commissioner of Local Government to the Controller of Establishments.

2. Subject to the provisions of by-law 1 and the following by-laws, every officer of the Kalutara Urban District Council on the fixed establishment drawing a salary of Rs. 360 per annum and upwards who shall have had service of ten years or more including any service which may be reckoned under the proviso to by-law 7 may be awarded a pension as follows:—

For the first one hundred and twenty months of such service a pension equal to 120/720ths of his annual salary and for each additional completed month of service an additional 1/720th of such salary, but no officer shall be entitled to draw more than 480/720ths of his final salary as pension.

3. The above-mentioned rates shall only be granted in cases of faithful and meritorious service, but when the testimony as to fidelity, diligence, and merit is in any respect defective, a deduction from such rates may be made. Where there has been obvious negligence, irregularity, or misconduct, the grant of a pension may be altogether withheld.

Where service of peculiar and extraordinary merit has been rendered by an officer distinctly outside the duties in respect of which his salary is paid, a special rate of pension may be recommended for sanction, but in ordinary cases the maximum pension or retiring allowance grantable to an officer under these by-laws, or to an officer entitled to pension also in respect of service not under the Council from all services combined, shall not exceed two-thirds of the highest salary drawn by such officer at any time in the course of his service.

4. In the case of officers on the fixed establishment of the Council drawing a salary of Rs. 360 per annum and upwards retiring on account of illness or age before completing one hundred and twenty months' gross service a gratuity may be granted calculated at the rate of one-twelfth of a month's pay of the permanent office or offices held at the time of retirement, for each completed month of service.

5. Officers of the Kalutara Urban District Council shall have no absolute right to any pension, gratuity, or long service allowance under these by-laws, and the Kalutara Urban District Council retains power and authority to dismiss any such officer without any compensation.

6. No pension, gratuity, or long service allowance shall be granted to any officer of the Kalutara Urban District Council who shall be under fifty-five years of age, except upon a certificate from the Chairman and two medical practitioners that he is incapable from infirmity of mind or body of discharging the duties of his office, nor unless he shall have discharged such duties theretofore with diligence and fidelity to the satisfaction of the Council.

7. The claim of an officer of the Kalutara Urban District Council to pension, gratuity, or long service allowance shall be considered to have commenced from the date of his first permanent appointment to the fixed establishment of the Council after January 1, 1923, or its predecessor the Kalutara Local Board.

Provided that an officer transferred from the provisional and temporary establishment to the fixed establishment may be allowed to count his provisional and temporary service when it has been continuous with his subsequent permanent service.

Service under sixteen years of age however will not count for pension.

8. The service in respect of which pensions, gratuities, or long service allowances are granted under these by-laws must in all cases be continuous, unless interrupted by abolition of office or other temporary suspension of employment not arising from misconduct or voluntary resignation of the officer.

The pension or gratuity shall be computed upon the salary of the permanent office held by the officer of the Council at the time of his retirement provided he shall

have held such appointment for at least three years : otherwise the pension shall be calculated upon the average of salaries attached to the permanent office held by such person during the three years next preceding the commencement of such pension.

10. In case of abolition of office, if the officer has completed 120 months' gross service, he may be granted a pension of 1/720th of his salary for each month of his service counting for pension with an addition to such service of one month for each completed period of two months' service, the addition in no case exceeding 60 months.

If the officer has not completed 120 months' gross service he may be granted a gratuity of 1/12th of a month's salary for each month of service counting for pension, plus an addition of 50 per cent. thereon. In no case shall the number of months to be added to the actual service exceed that which, if added to the age of the retiring officer, would make that age up to sixty.

11. If any person being in receipt of any pension or long service allowance from the Kalutara Urban District Council shall be convicted of any offence in any Court of Justice in the Island for which he shall be sentenced to death or to any terms of imprisonment with hard labour exceeding six months such pension or long service allowance shall forthwith determine and cease to be payable, unless such person shall, within three months after his conviction, receive free pardon or unless the Council shall otherwise order.

12. Officers on the fixed establishment of the Kalutara Urban District Council may be required to retire on or after attaining the age of fifty-five, upon the receipt of twelve months' notice to that effect, but they may continue in office till sixty years of age with the consent of the Council.

13. (1) Every officer who is transferred to or from the service of the Council from or to any other public service and whose aggregate service would have entitled him, had it been wholly under the Council, to a pension under these rules, shall on his ultimate retirement from service, if he has served for a period of at least 12 months under the Council, be entitled to a pension which shall bear the same proportion to that to which he would have been entitled had the whole of his service been under the Council as the *aggregate amount of the salary which he has drawn from the Council bears to the total sum made up of such aggregate amount and the aggregate of the amounts received by him in the course of his public service elsewhere than under the Council.

Provided however, that in the case of an officer who is transferred to the service of the Council after other public service in which the rules regulating pensions do not offer the same privileges to an officer transferred from the Council to such public service as are accorded under these rules to an officer transferred from such public service to the Council and whose aggregate public service under the Council and elsewhere would have entitled him, had it been wholly under the Council, to a pension under these rules, such officer may with the sanction of the Council on his ultimate retirement from public service (provided such retirement takes place from the Council and that he has served for a period of at least five years under the Council) be entitled to receive from the Council, in lieu of a pension calculated in the manner prescribed in the preceding paragraph, a pension representing the difference between the pension or pensions earned by such officer in respect of his public service elsewhere and a pension calculated as if his public service had been wholly under the Council.

(2) For the purposes of this section, the expression "public service" includes employment under the Crown or any Local Government public body or bodies.

14. Should an officer who retires on pension find after such retirement an employment under the Council or under the Government or under another semi-official body on a salary equal to or higher than that which he drew from the Council at the time of his retirement, his pension shall be suspended so long as such employment continues. If he draws a less salary he shall be entitled to only so much of his pension as when added to the salary of the new appointment will make his total emoluments equal to the salary last drawn by him previous to his retirement.

15. Employees on the fixed establishment of the Kalutara Urban District Council drawing salaries of less than Rs. 360 per annum and retiring on account of age or infirmity after serving continuously for a period of fifteen years and upwards may, if the Council be satisfied that they are unfit, owing to age or infirmity of body or mind, further to discharge efficiently the duties of their offices, be granted such long service allowances not exceeding Rs. 7.50 per

mensem in each case as the Council may award. Persons in receipt of daily pay, who have completed a period of fifteen years of continuous service, retiring under similar circumstances may be awarded gratuities calculated at the rate of one-eighteenth of a month's pay drawn at the time of retirement for each completed month's service.

16. If any case not covered by these by-laws shall arise which in the opinion of the Council merits the award of a pension, retiring allowance or gratuity, the circumstances of such case should be reported together with the recommendation of the Council to the Commissioner of Local Government for transmission to the General Treasury (Establishments Division) for submission to the Governor, who will decide whether any and, if so, what award shall be granted.
