RULES under section 11 of the Irrigation Ordinance, No. 45 of 1917, made by the prescribed majority of the proprietors within the irrigation district of Puneryn in the Jaffna District, at a meeting duly held on the Twenty-third day of February, 1932, and approved by the Governor by virtue of the powers vested in him by section 19 of the said Ordinance and by Article 93 of the Ceylon (State Council) Order in Council, 1931.

D. S. SENANAYAKE,  
Minister for Agriculture and Lands.

Ministry of Agriculture and Lands,  
Colombo, January 19, 1933.

## RULES.

1. (1) In respect of such ordinary works of maintenance or construction, as may be considered necessary by the Government Agent after due inquiry, whenever twenty days' notice of the commencement of such works and of the number of days of labour required shall have been given by beat of tom-tom or otherwise by the officer duly authorized in that behalf, it shall be the duty of each proprietor to contribute labour proportionate to his holding.

(2) The contribution due from each proprietor for the purpose of this rule shall be calculated at the rate of six days' labour for the first unit of cultivation or part thereof, and one day's labour for each additional unit or part thereof owned or cultivated by him, the unit of cultivation being defined as the extent of land on which one bushel of paddy is ordinarily sown: Provided, however, that in any area where a sluice has been supplied by the Government free of cost, such contribution shall be at the rate of ten days' labour for the first unit and two days' labour for each additional unit of cultivation.

(3) Any proprietor may commute the labour due from him, if within ten days of the publication of the notice as aforesaid, he communicates to the Irrigation Headman his intention so to do, and if before the date fixed for the commencement of the work he pays to the Government Agent or to the officer duly authorized by him in that behalf the full equivalent of such labour in money calculated at the rate of 50 cents for each day's labour due from him.

(4) Every proprietor who elects to contribute labour shall attend at the appointed place and work from 6 A.M. to 11 A.M. and from 1 P.M. to 5 P.M. on each of the days specified in the afore-mentioned notice, and shall carefully carry out such portion of work as may be assigned to him by the officer in charge thereof.

2. In any case of emergency, or whenever the Government Agent or other duly authorized officer deems it imperative that any urgent work of repair, or of prevention of impending damage, should be performed, and gives reasonable notice of the need of labour for such purpose, it shall be the duty of each proprietor to attend and to contribute uncommutable labour, either in person or by substitute, and to continue such labour daily until the completion of the work.

3. (1) The construction or improvement of water-courses and channels inside the fields shall be considered to belong to the description of work provided for by rule 1.

(2) The ordinary maintenance, however, of water-courses and channels inside the fields shall be the duty of the proprietors of the shares through which they lead, whether any such share be cultivated or not.

4. (1) The water allowed to each proprietor from the tank shall be in proportion to the extent cultivated by him, and shall not be used for any other purpose except with the special consent of all proprietors.

(2) Water shall be taken from the tank only at such intervals as may be determined by the majority at the meeting of proprietors held before each season, and only under the direction and superintendence of the Irrigation Headmen if such a headman is appointed.

(3) Water shall be taken first to the higher lands and then to those lower.

5. (1) At the commencement of the sowing season it shall be decided by a majority of the proprietors of any tank and fields, whether or not the tank or any portion of it shall be cultivated; and if it be decided to cultivate any portion of it, each proprietor shall be entitled to a share of the extent it is proposed to cultivate, in proportion to his share of the fields; and no proprietor shall be allowed to cultivate any portion of the tank if it be decided by a majority of the proprietors not to carry on any cultivation in the bed of the tank.

(2) An appeal from a decision in any such case may be made to the Government Agent, whose decision shall be final.

6. Before the commencement of the sowing season the proprietors of each tract of field intending to cultivate for the season shall decide the kind of paddy that shall be sown for that season; and any proprietor sowing any kind of paddy other than that agreed on by the majority shall do so on his own responsibility and risk, and shall continue to watch, fence, and perform all the duties as hereinafter mentioned until all the paddy in the field is reaped.

7. (1) If, after the rains, it be found that the supply of water is insufficient for all the fields sown during the kalapokam season, a majority of the proprietors of the fields sown for the season shall decide what fields shall be abandoned.

(2) In the event of the proprietors not coming to a decision, it shall be open to the Government Agent to decide what fields shall be abandoned; and in the event of a proprietor being aggrieved by the decision of the majority, it shall be open to him to appeal to the Government Agent whose decision shall be final.

8. (1) If a proprietor absents himself at the sowing season, or neglects to cultivate his share, it may be cultivated by the other proprietors or by any one of them, as the majority may decide, free of rent for that season, all the duties, save those prescribed under rules 1 and 2, required of the owner being performed by the person cultivating for that season.

(2) In the event of the share of an absentee not being cultivated by the other shareholders, such absentee himself shall perform all the duties required of a proprietor.

(3) The Government Agent may, if he thinks fit so to do, remit the commutation for service due for that year under the foregoing rule 1 from proprietors unable to cultivate their shares for any year from ill-health or some unavoidable cause.

9. (1) A proprietor, if unable to attend personally, may provide by substitute or "varakkudi" for the cultivation of his share and the performance of the duties required.

(2) No proprietor shall employ any substitute or "varakkudi" who is in the service of another proprietor as "varakkudi" without the consent of such other proprietor.

10. Each proprietor shall erect a proper watch-hut in his share, and shall keep watch over his share until all the paddy in the field is reaped although his own paddy may have been reaped earlier.

11. (1) Each proprietor shall assist in fencing the field in proportion to his share in the field.

(2) The fence shall be made sufficiently strong to keep out cattle, and all cultivators shall put up their fences before commencing to cultivate.

(3) Each proprietor shall see that his portion of the fence is kept in proper order throughout the kalapokam season until the crop is finally reaped, whether he cultivates his share or not, unless his share be cultivated by some other proprietor under rule 8.

12. (1) Each proprietor shall be allowed a share in one of the threshing-floors for the purpose of stacking his paddy till it is threshed.

(2) Each of the proprietors so sharing a threshing-floor shall put up a strong stake fence round it and keep up the fence till all the paddy is threshed.

(3) Each proprietor shall keep watch over the threshing-floor until all the paddy of all the shareholders is threshed or for a period of 14 days after his own paddy is threshed, whichever is the shorter period.

13. (1) When the sowing season for idaipokam or sirupokam cultivation arrives, a majority of the proprietors of each field shall determine the extent and the portion of field to be cultivated.

(2) All such proprietors as are desirous of sowing for the idaipokam or sirupokam shall have a share in such extent in proportion to their shares in the field.

(3) No shareholder shall be bound to cultivate for idaipokam or sirupokam; and all the duties of watching and fencing for idaipokam or sirupokam shall be performed by those proprietors alone who have undertaken to cultivate during such season; and any shareholder sowing for the idaipokam or sirupokam shall perform all such duties until the whole of the harvest is reaped, whether or not the cultivation of his own share is successful.

14. All buffaloes shall be driven to a reasonable distance from the field during the cultivation season, and shall have wooden bells attached to their necks; and every known fence-breaker or dangerous buffalo shall always be yoked with another buffalo.

15. All cattle, goats, and sheep shall be herded during the day and folded during the night outside the fields;

and when in any village a place has been selected, after due inquiry by the Government Agent as the place in which buffaloes, cattle, goats, and sheep shall be folded during the cultivation season, no proprietor shall fold his buffaloes, cattle, goats, or sheep in any place nearer to the tank, field, or village than that so selected.

Proprietors of buffaloes, cattle, goats, and sheep shall not permit such animals to trespass on the cultivation of any neighbouring village, nor shall they fold their cattle or drive them to pasture near the cultivation of, or within the limits, of any neighbouring village.

16. (1) No person within this district shall possess or tend cattle brought for purposes of pasture from other districts or areas, unless he has obtained a licence in that behalf from the Government Agent.

(2) Every such licence shall specify—

(a) the number, description, and landmarks of the cattle;

(b) the name of the person possessing and tending such cattle;

(c) the name and address of the owner of such cattle; and

(d) the period for which the licence is to be in force.

(3) All persons so licensed, whether they are proprietors or not, shall be subject to these rules and be liable to the penalties prescribed for any breach of rules.

17. The shareholders shall not cut the bund nor block up the spill of their tank without the permission of the Government Agent, the Chief Irrigation Inspector, or his Assistant, nor shall they carry out any work upon the bund, spill, or channels, contrary to the orders of any of these officers.

Provided that, in cases in which such action is necessary to prevent otherwise inevitable damage to the tank, and it is impossible to communicate with any of the above-mentioned officers in time, the said permission may be dispensed with, but the burden of proving such special circumstances shall lie upon the shareholders.

18. (1) It shall not be lawful for any one to issue the water of one tank for the cultivation of lands under any other tank, nor for the shareholders of lands cultivated under one tank to utilize for their cultivation the water of any other tank, without first obtaining the sanction of the Government Agent.

(2) The shareholders of lands cultivated under one tank who require for their cultivation a supply of water from another tank, shall make their application to the Government Agent, who after due inquiry may grant permission therefor if the shareholders of the latter tank are not actually in need of such water, and may at his discretion call upon the shareholders who are in need of the water to deposit a reasonable amount to the credit of the tank from which the water is to be issued as value of the water drawn off.

(4) Every proprietor who elects to contribute labour shall attend at the appointed place and work from 6 A.M. to 11 A.M. and from 1 P.M. to 5 P.M. on each of the days specified in the afore-mentioned notice, and shall carefully carry out such portion of work as may be assigned to him by the officer in charge thereof.

2. In any case of emergency, or whenever the Assistant Government Agent or other duly authorized officer deems it imperative that any urgent work of repair, or of prevention of impending damage, should be performed, and gives reasonable notice of the need of labour for such purpose, it shall be the duty of each proprietor to attend and to contribute uncommutable labour, either in person or by substitute, and to continue such labour daily until the completion of the work.

3. (1) The construction or improvement of water-courses and channels inside the fields shall be considered to belong to the description of work provided for by rule 1.

(2) The ordinary maintenance, however, of water-courses and channels inside the fields shall be the duty of the proprietors of the shares through which they lead, whether any such share be cultivated or not.

4. (1) The water allowed to each proprietor from the tank shall be in proportion to the extent cultivated by him, and shall not be used for any other purpose except with the special consent of all proprietors.

(2) Water shall be taken from the tank only at such intervals as may be determined by the majority at the meeting of proprietors held before each season, and only under the direction and superintendence of the Irrigation Headmen if such a headman is appointed.

(3) Water shall be taken first to the higher lands and then to those lower.

5. (1) At the commencement of the sowing season it shall be decided by a majority of the proprietors of any tank and fields, whether or not the tank or any portion of it shall be cultivated; and if it be decided to cultivate any portion of it, each proprietor shall be entitled to a share of the extent it is proposed to cultivate, in proportion to his share of the fields; and no proprietor shall be allowed to cultivate any portion of the tank if it be decided by a majority of the proprietors not to carry on any cultivation in the bed of the tank.

(2) An appeal from a decision in any such case may be made to the Assistant Government Agent, whose decision shall be final.

6. Before the commencement of the sowing season the proprietors of each tract of field intending to cultivate for the season shall decide the kind of paddy that shall be sown for that season; and any proprietor sowing any kind of paddy other than that agreed on by the majority shall do so on his own responsibility and risk, and shall continue to watch, fence, and perform all the duties as hereinafter mentioned until all the paddy in the field is reaped.

7. (1) If, after the rains, it be found that the supply of water is insufficient for all the fields sown during the kalapokam season, a majority of the proprietors of the fields sown for the season shall decide what fields shall be abandoned.

(2) In the event of the proprietors not coming to a decision, it shall be open to the Assistant Government Agent to decide what fields shall be abandoned; and in the event of a proprietor being aggrieved by the decision of the majority, it shall be open to him to appeal to the Assistant Government Agent whose decision shall be final.

8. (1) If a proprietor absents himself at the sowing season, or neglects to cultivate his share, it may be cultivated by the other proprietors or by any one of them, as the majority may decide, free of rent for that season, all the duties, save those prescribed under rules 1 and 2, required of the owner being performed by the person cultivating for that season.

(2) In the event of the share of an absentee not being cultivated by the other shareholders, such absentee himself shall perform all the duties required of a proprietor.

(3) The Assistant Government Agent may, if he thinks fit so to do, remit the commutation for service due for that year under the foregoing rule 1 from proprietors unable to cultivate their shares for any year from ill-health or some unavoidable cause.

9. (1) A proprietor, if unable to attend personally, may provide by substitute or "varakkudi" for the cultivation of his share and the performance of the duties required.

(2) No proprietor shall employ any substitute or "varakkudi" who is in the service of another proprietor as "varakkudi" without the consent of such other proprietor.

10. Each proprietor shall erect a proper watch-hut in his share, and shall keep watch over his share until all the paddy in the field is reaped although his own paddy may have been reaped earlier.

11. (1) Each proprietor shall assist in fencing the field in proportion to his share in the field.

(2) The fence shall be made sufficiently strong to keep out cattle, and all cultivators shall put up their fences before commencing to cultivate.

(3) Each proprietor shall see that his portion of the fence is kept in proper order throughout the kalapokam season until the crop is finally reaped, whether he cultivates his share or not, unless his share be cultivated by some other proprietor under rule 8.

12. (1) Each proprietor shall be allowed a share in one of the threshing-floors for the purpose of stacking his paddy till it is threshed.

(2) Each of the proprietors so sharing a threshing-floor shall put up a strong stake fence round it and keep up the fence till all the paddy is threshed.

(3) Each proprietor shall keep watch over the threshing-floor until all the paddy of all the shareholders is threshed or for a period of 14 days after his own paddy is threshed, whichever is the shorter period.

13. (1) When the sowing season for idaipokam or sirupokam cultivation arrives, a majority of the proprietors of each field shall determine the extent and the portion of field to be cultivated.

(2) All such proprietors as are desirous of sowing for the idaipokam or sirupokam shall have a share in such extent in proportion to their shares in the field.

(3) No shareholder shall be bound to cultivate for idaipokam or sirupokam; and all the duties of watching and fencing for idaipokam or sirupokam shall be performed by those proprietors alone who have undertaken to cultivate during such season; and any shareholder sowing for the idaipokam or sirupokam shall perform all such duties until the whole of the harvest is reaped, whether or not the cultivation of his own share is successful.

14. All buffaloes shall be driven to a reasonable distance from the field during the cultivation season, and shall have wooden bells attached to their necks; and every known fence-breaker or dangerous buffalo shall always be yoked with another buffalo.

15. All cattle, goats, and sheep shall be herded during the day and folded during the night outside the fields, and when in any village a place has been selected, after due inquiry by the Assistant Government Agent as the place in which buffaloes, cattle, goats, and sheep shall be folded during the cultivation season, no proprietor shall fold his buffaloes, cattle, goats, or sheep in any place nearer to the tank, field, or village than that so selected.

Proprietors of buffaloes, cattle, goats, and sheep shall not permit such animals to trespass on the cultivation of any neighbouring village, nor shall they fold their cattle or drive them to pasture near the cultivation of, or within the limits, of any neighbouring village.

16. (1) No person within this district shall possess or tend cattle brought for purposes of pasture from other districts or areas, unless he has obtained a licence in that behalf from the Assistant Government Agent.

(2) Every such licence shall specify—

(a) the number, description, and brandmarks of the cattle;

(b) the name of the person possessing and tending such cattle;

(c) the name and address of the owner of such cattle; and

(d) the period for which the licence is to be in force.

(3) All persons so licensed, whether they are proprietors or not, shall be subject to these rules and be liable to the penalties prescribed for any breach of rules.

17. The shareholders shall not cut the bund nor block up the spill of their tank without the permission of the Assistant Government Agent, the Chief Irrigation Inspector, or his Assistant, nor shall they carry out any work upon the bund, spill, or channels, contrary to the orders of any of these officers.

Provided that, in cases in which such action is necessary to prevent otherwise inevitable damage to the tank, and it is impossible to communicate with any of the above-mentioned officers in time, the said permission may be dispensed with, but the burden of proving such special circumstances shall lie upon the shareholders.

The Board may, at their own absolute and uncontrolled discretion, decline to register any transfer of share or shares by a Shareholder who is indebted to the Company, or upon whose shares the Company have a lien or otherwise; or in case of shares not fully paid up, to any person not approved of by them; and in no case shall a Shareholder or proposed transferee be entitled to require the Directors to state their reason of their refusal to register, but their declinature shall be absolute.

30. Every instrument of transfer must be left at the office of the Company to be registered, accompanied by the certificate for the shares to be transferred and by such evidence as the Directors may reasonably require to prove the title of the transferor, and a fee of two rupees and fifty cents or such other sum as the Directors shall from time to time determine, must be paid to the Company for the registration of every transfer; upon payment thereof the Directors, subject to the powers vested in them by Article 29, shall register the transferee as a Shareholder and retain the instrument of transfer.

31. The Directors may, by such means as they shall deem expedient, authorize the registration of transferees as Shareholders, without the necessity of any meeting of the Directors for that purpose.

32. In no case shall the Directors be bound to inquire into the validity, legal effect, or genuineness of any instrument of transfer produced by a person claiming a transfer of any share in accordance with these Articles; and whether they abstain from so inquiring, or do so inquire and are misled, the transferor shall have no claim whatsoever upon the Company in respect of the share, except for the dividends previously declared in respect thereof, but only if at all, upon the transferee.

33. The Register of Transfers may be closed at such times and for such periods as the Directors may from time to time determine, provided always that it shall not be closed for more than twenty-one days in any year.

#### TRANSMISSION OF SHARES.

34. The executors, or administrators, or the heirs of a deceased Shareholder (not being one of several joint-holders) shall be the only persons recognized by the Company, as having any title to the shares of such Shareholder.

35. Any guardian of any infant Shareholder, or any committee of a lunatic Shareholder or any person becoming entitled to shares in consequence of the death, bankruptcy, or liquidation of any Shareholder, or in any other way than by transfer, shall, upon producing such evidence that he sustains the character in respect of which he proposes to act under this clause, or of his title, as the Directors think sufficient, be forthwith entitled, subject to the provisions herein contained, to be registered as a Shareholder in respect of such shares; or may, subject to the regulations as to transfers hereinbefore contained, transfer the same to some other person.

36. If any person who shall become entitled to be registered in respect of any share under clause 35, shall not, from any cause whatever, within twelve calendar months after the event of the happening of which his title shall accrue, be registered in respect of such share, or if in the case of the death of any Shareholder, no person shall within twelve calendar months after such death, be registered as a Shareholder in respect of the shares of such deceased Shareholder, the Company may sell such shares, either by public auction or private contract, and give a receipt for the purchase money; and the purchaser shall be entitled to be

registered in respect of such shares, and shall not be bound to inquire whether the events have happened which entitled the Company to sell the same, and the nett proceeds of such sale, after deducting all expenses and all moneys in respect of which the Company is entitled to a lien on the shares so sold, shall be paid to the person entitled thereto.

#### SURRENDER AND FORFEITURE OF SHARES.

37. The Directors may accept, in the name and for the benefit of the Company, and upon such terms and conditions as may be agreed, a surrender of the shares of Shareholder who may be desirous of retiring from the Company provided such acceptance is properly legalized.

38. If any Shareholder fails to pay any call or instalment on or before the day appointed for the payment of the same, the Directors may at any time thereafter, during such time as the call or instalment remains unpaid, serve a notice on such Shareholder requiring him to pay the same together with any interest that may have been incurred by the Company by reason of such non-payment.

The notice shall name a day (not being less than one month from the date of the notice) on, and a place or places at, which such call or instalment and such interest and expenses as aforesaid are to be paid. The notice shall also state that, in the event of non-payment at or before the time and at the place appointed, the shares in respect of which the call was made or instalment is payable will be liable to be forfeited.

If the requisition of such notice as aforesaid be not complied with, every or any share or shares in respect of which such notice has been given may at any time thereafter, before payment of calls or instalments, with interest and expenses due in respect thereof, be declared forfeited by a resolution of the Board to that effect.

39. Any Shareholder whose shares have been so declared forfeited shall, notwithstanding, be liable to pay and shall forthwith pay to the Company all calls, instalments, premia, interests, and expenses owing upon or in respect of such shares at the time of the forfeiture, together with interest thereon from the time of forfeiture until payment at nine per centum per annum, and the Directors may enforce the payment thereof if they think fit.

40. Every share surrendered or so declared forfeited shall be deemed to be the property of the Company, and may be sold, reallocated, or otherwise disposed of upon such terms and in such manner as the Board shall think fit.

41. The surrender or forfeiture of a share shall involve the extinction of all interest in, and also of all claims and demands against, the Company in respect of the share and the proceeds thereof, and all other rights incident to the share, except only such of these rights (if any) as by these presents are expressly saved.

42. A certificate in writing under the hands of one of the Directors and of the Secretary or Secretaries that a share has been duly surrendered or forfeited, shall be conclusive evidence of the facts therein stated as against all persons who would have been entitled to the share, but for such surrender or forfeiture, and such certificate and the receipt of the Company for the price of such share shall constitute a good title to such share, and a certificate of proprietorship shall be delivered to any person who may purchase the same from the Company; and thereupon such purchaser shall be deemed the holder of such share, discharged from all calls due prior to such purchase, and he shall not be bound to see to the application of the purchase money, nor shall his title to such share be affected by any irregularity in the proceedings in reference to such forfeiture or sale.

43. The Directors may in their discretion remit or annul the forfeiture of any share within six months from the date thereof upon the payment of all moneys due to the Company from the late holder or holders of such share, or shares, and all expenses incurred in relation to such forfeiture, together with such further sum of money by way of redemption money for the deficit, as they shall think fit, not being less than nine per centum per annum on the amount of the sums within default in payment has been made, but no share *bona fide* sold or reallocated, or otherwise disposed of under Article 40 hereof, shall be redeemable after sale or disposal.

44. The Company shall have a first charge or paramount lien upon all the shares of any holder or joint-holders for all moneys for the time being due to the Company by such holder or by all or any of such joint-holders respectively, either in respect of such shares or of other shares held by such holder or joint-holders or in respect of any other debt, liability or engagement whatsoever and whether due from any such holder individually or jointly with others, including all calls which the Directors shall have resolved to make, although the times appointed for the payment thereof shall not have arrived; and where any share is held by more persons than one, the Company

shall be entitled to the said charge or lien in respect of any money due to the Company from any of such persons. And the Directors may decline to register any transfer of shares subject to such charge or lien.

45. Such charge or lien may be made available by a sale of all or any of the shares subject to it, provided that no such sale shall be made except under the resolution of the Directors, and until notice in writing shall have been given to the indebted Shareholder or his executors or administrators, or the assignee or trustee in his bankruptcy, requiring him or them to pay the amount for the time being due to the Company, and default shall have been made for twenty-eight days from such notice in paying the sum thereby required to be paid. Should the Shareholder over whose share the lien exists be in England or elsewhere abroad, sixty days' notice shall be allowed him.

46. The nett proceeds of any such sale shall be applied in or towards satisfaction of such debts, liabilities, or engagements, and the residue (if any) paid to such Shareholder or his representatives.

47. A certificate in writing under the hands of one of the Directors and of the Secretary that the power of the sale given by clause 45 has arisen, and is exercisable by the Company under those presents, shall be conclusive evidence of the facts therein stated.

48. Upon any such sale two of the Directors may execute a transfer of such share to the purchaser thereof and such transfer, with the certificate last aforesaid, shall confer on the purchaser a complete title to such share.

#### PREFERENCE SHARES.

49. Any shares from time to time to be issued or created may from time to time be issued with any such right or preference whether in respect of dividend or of repayment of capital or both, or any such other special privilege or advantage over any shares previously issued or then about to be issued (other than shares issued with a preference), or at such premium, or with such deferred rights as compared with any shares previously issued or then about to be issued or subject to any such conditions or provisions, and with any such right or without any right of voting, and generally on such terms as the Company may from time to time by special resolution determine.

50. If at any time by the issue of preference shares or otherwise the capital is divided into shares of different classes, then the holders of any class of shares may by an extraordinary resolution passed at a meeting of such holders, consent, on behalf of all the holders of shares of the class, to the issue or creation of any shares ranking equally therewith, or having any priority thereto, or to the abandonment of any preference or priority, or of any accrued dividend, or the reduction for any time or permanently of the dividends payable thereon, or to any scheme for the reduction of the Company's capital affecting the class of shares; and such resolution shall be binding upon all the holders of shares of the class, provided that this Article shall not be read as implying the necessity for such consent in any case in which but for this Article the object of the resolutions could have been affected without it.

51. Any meeting for the purpose of the last preceding clause shall be convened and conducted in all respects as nearly as possible in the same way as an Extraordinary General Meeting of the Company, provided that no member not being a Director, shall be entitled to notice thereof or to attend thereat, unless he be a holder of shares of the class intended to be affected by the resolution, and that no vote shall be given except in respect of a share of that class, and that at any such meeting a poll may be demanded in writing by any members personally present and entitled to vote at the meeting.

#### BORROWING POWERS.

52. The Directors shall have power to procure from time to time, in the usual course of business, such temporary advances on the produce in hand, or in the future to be obtained from the Company's estates, as they may find necessary or expedient for the purposes of defraying the expenses of working the Company's estates, or of erecting, maintaining, improving, or extending buildings, machinery, or plantations or otherwise. Also from time to time to borrow or raise from the Directors or other persons any sum or sums of money for the purposes of the Company, provided that the money so borrowed or raised and owing at any one time shall not, without the sanction of a General Meeting, exceed Ten thousand Rupees (Rs. 10,000).

53. With the sanction of a General Meeting, the Board shall be entitled to borrow such further sum, or sums and at such rate of interest as such meeting shall determine. A certificate under the hands of one Director and the Secretary, or of two Directors, to the effect that in taking any loan the Directors are not exceeding their borrowing powers, shall be sufficient and binding on the

Company and all concerned, and shall be conclusive evidence thereof in all questions between the Company and its creditors.

54. For the purpose of securing the repayment of any such money as borrowed or raised, or for any other purposes, the Directors may grant, create, execute, and issue any mortgages, cash credits, debentures, debenture stock, bonus, or obligations of the Company, charged upon all or any part of the undertaking, revenue, lands, property, rights, and assets of the Company both present and future, including uncalled capital or unpaid calls, or may make, accept or endorse on behalf of the Company any promissory notes or bills of exchange.

55. Any such securities may be issued either at par or premium or discount, and may from time to time be cancelled, discharged, varied, or exchanged as the Directors may think fit, and may contain special privileges as to redemption, surrender, drawings, allotment of shares, or otherwise.

56. Every debenture or other instrument issued by the Company for securing the payment of money may be so framed that the moneys thereby secured shall be assignable free from any equities between the Company and the person to whom the same may be issued.

#### GENERAL MEETINGS.

57. The first General Meeting shall be held at such time not being more than twelve months after the incorporation of the Company and at such place as the Directors may determine.

Where it is proposed to pass a special resolution the two meetings may be convened by one and the same notice and it is to be no objection to such notice that it only convenes the second meeting contingently upon the resolution being passed by the requisite majority at the first meeting.

64 (A). The accidental omission to give notice of any meeting to or the non-receipt of any such notice by any of the Shareholders shall not invalidate any resolution passed at any such meeting.

65. 110. It shall be lawful for the Directors, if authorized so to do by an extraordinary resolution of the Shareholders of the Company in General Meeting, to arrange terms for the amalgamation of the Company with any other company or companies, or individual or individuals, or for the sale or disposal of the business, estates and effects of the Company, or any part or parts, share or shares thereof, respectively, to any company or companies, or person or persons, upon such terms and in such manner as the Directors shall think fit, and the Directors shall have power to do all such things as may be necessary for carrying such amalgamation, sale, or other disposition into effect so far as a resolution or special resolution of the Company is set by law necessary for such purpose; and in case any terms so arranged by the Directors include or make necessary the dissolution of the Company, the Company shall be dissolved to that end.

111. Furtherance and not in limitation of, and without prejudice to, the general powers conferred or implied in the last preceding clause, and of the other powers conferred by these presents, it is hereby expressly declared that the Directors shall have the powers following (that is to say) :—

- (a) To institute, conduct, defend, compromise, settle, or abandon any action, suit, prosecution, or other legal proceedings on behalf of the Company, and also to compound and allow time for payment or satisfaction of any debts due to or from the Company and any claims or demands made by or against the Company.

- (f) To delegate to any one or more of the Directors of the Company for the time being, or any other person or company for the time being residing or carrying on business in Ceylon, or elsewhere, all or any of the powers or functions given to or exercisable by the Directors; and to confer such powers for such time and to be exercised for such objects and purposes, and upon such terms and conditions and with such restrictions as the Directors may think expedient, and to confer such powers either collaterally with or to the exclusion of, and in substitution for, all or any of the powers of the Directors in that behalf, and from time to time to revoke, withdraw, alter, or vary all or any of such powers. The Directors may allow to any person

114. The Board may elect a Chairman of their meetings and determine the period for which he is to hold office, and all meetings of the Directors shall be presided over by the Chairman, if one has been elected and if present, but if there be a vacancy in the office of Chairman, or if at any meeting of Directors the Chairman be not present at the time appointed for holding the same, then and in that case the Directors present shall choose one of their number to be Chairman of such meeting.

115. Any question which shall arise at any meeting of the Directors shall be decided by a majority of votes, and in case of an equality of votes the Chairman thereat shall have a casting vote in addition to his vote as a Director.

116. The Board may delegate any of their powers to committees consisting of such member or members of their body as the Board think fit, and they may from time to time revoke and discharge any such committee, either wholly or in part and either as to persons or purposes, but every committee so formed shall, in exercise of the powers delegated to it, conform to all such regulations as may be prescribed by the Board. All acts done by any such committee, in conformity with such regulations and in the fulfilment of the purposes of their appointment, but not otherwise, shall have the like force and effect as if done by the Board.

117. The meetings and proceedings of such committee shall be governed by the provisions herein contained for regulating the meetings and proceedings of Directors, so far as the same are applicable thereto, and are not superseded by the express terms of the appointment of such committee respectively, or any regulations imposed by the Board.

118. The acts of the Board or of any committees appointed by the Board shall, notwithstanding any vacancy in the Board or committee, or defect in the appointment or qualification of any Director or of any member of the committee, be as valid as if no such vacancy or defect had existed, and as if such person had been duly appointed or qualified, provided the same be done before the discovery of the vacancy or defect.

119. A resolution in writing signed by all the Directors for the time being in Ceylon shall be as valid and effectual as if it had been passed at a meeting of the Directors duly called and constituted.

120. The Directors shall cause minutes to be made in a book or books to be provided for the purpose :—

- (1) Of all appointments of (a) officers and (b) committees made by the Directors.

121. All such minutes shall be signed by the person who shall have presided as Chairman at the General Meeting, the Board Meeting, or Committee Meeting at which the business minuted shall have been transacted, or by the person who shall preside as Chairman at the next ensuing General Meeting, Board Meeting, or Committee Meeting, as the case may be; and all minutes purporting to have been signed by any Chairman of any General Meeting, Board Meeting, or Committee Meeting, respectively, shall, for all purposes whatsoever, be *prima facie* evidence of the actual and regular passing of the resolutions, and the actual and regular transaction or occurrence of the proceedings and other matters purporting to be so recorded, and of the regularity of the meeting at which the same shall appear to have taken place, and of the Chairmanship and signature of the person appearing to have signed as Chairman, and of the date on which such meeting was held.

The accounts shall be kept in such books and in such manner at the registered office of the Company, as the Directors think fit.

123. The Directors shall from time to time determine whether, and to what extent, and what times and places, and under what conditions or regulations, the accounts and books of the Company or any of them shall be open to the inspection of the Shareholders, and no Shareholder shall have any right of inspecting any account or book or document of the Company except as conferred by Ordinance or authorized by the Directors or by a resolution of the Company in General Meeting.

124. At the Ordinary General Meeting in every year the Directors shall lay before the Company a statement of the income and expenditure of the Company for the previous financial year, and a balance sheet containing a summary of the property and liabilities of the Company made up to the end of the same period.

125. The statement so made shall show, arranged under the most convenient heads, the amount of gross income, distinguishing the several sources from which it has been derived and the amount of gross expenditure, distinguishing the expense of the establishment, salaries, and other heads of expenditure. Every item of expenditure fairly chargeable against the year's income shall be brought into account, so that a just balance of profit and loss may be laid before the meeting, and in cases where any item of expenditure which may in fairness be distributed over several years has been incurred in any one year the whole amount of such item shall be stated with the addition of the reasons why only a portion of such expenditure is charged against the income of the year.

126. The balance sheet shall contain a summary of the property and liabilities of the Company arranged under the heads appearing in the form annexed to the table referred to in Schedule C to "The Joint Stock Companies' Ordinance, 1861," or as near thereto as circumstances admit.

127. Every such statement shall be accompanied by a report as to the state and condition of the Company, and as to the amount which the Directors recommend should be paid out of the profits by way of dividend or bonus to the Shareholders.

128. A printed copy of such balance sheet shall, at least seven days previous to such meeting, be delivered at, or posted to, the registered address of every Shareholder.

129. The accounts of the Company shall, from time to time be examined, and the correctness of the balance sheet ascertained, by one or more Auditor or Auditors.

## AUDIT.

130. No person shall be eligible as an Auditor who is interested otherwise than as a Shareholder in any transaction of the Company, but it shall not be a necessary qualification for an Auditor that he is a Shareholder of the Company and no Director or officer of the Company shall, during the continuance in office, be eligible as an Auditor.

131. The Directors shall appoint the first Auditor or Auditors of the Company and fix his or their remuneration. He or they shall hold office till the first General Meeting of the Company. All subsequent appointments shall, except as is hereinafter mentioned, be made at the Ordinary General Meeting of the Company in each year by the Shareholders present thereat, and the Auditor or Auditors appointed at such Meeting shall hold office only until the first Ordinary General Meeting after his or their appointment, until otherwise ordered by a General Meeting.

132. The remuneration of the Auditors other than the first shall be fixed by the Company in General Meeting, and this remuneration may from time to time be varied by a General Meeting.

133. Retiring Auditors shall be eligible for re-election.

134. If any vacancy that may occur in the office of Auditor is not supplied at the Ordinary General Meeting, or if any casual vacancy shall occur in the office of Auditor, the Directors shall fill up the vacancy by the appointment of a person or persons, who shall hold office until the next Ordinary General Meeting after his or their appointment.

135. Every Auditor shall be supplied with a copy of the balance sheet intended to be laid before the next Ordinary General Meeting, after his appointment, and it shall be his duty to examine the same with the accounts and vouchers relating thereto, and to report thereon to the meeting generally, or specially, as he may think fit.

136. The Auditor or Auditors for the time being shall have a list delivered to him or them of all the books kept by the Company, and he or they shall at all reasonable hours in the day time have access to all accounts, books, and documents whatsoever of the Company for the purposes of audit.

## DIVIDENDS, BONUS, AND RESERVE FUND.

137. The Directors may, with the sanction of the Company in General Meeting, from time to time, declare a dividend to be paid and (or) pay a bonus to the Shareholders in proportion to the amount paid on their shares, but no dividend or bonus shall be payable except out of nett profits.

138. The Directors may, if they think fit, determine on and declare an interim dividend to be paid, or pay a bonus to the Shareholders, on account, and in anticipation of the dividend for the current year, provided the Directors are satisfied that the nett profits of the Company will be sufficient to justify such interim dividend or bonus.

139. The Directors may, before recommending any dividend or bonus, set aside out of the profits of the Company such a sum as they think proper as a reserve fund and may invest the same in such securities as they may select, or place the same on fixed deposit in any bank or banks, and may from time to time deal with and vary such investment and apply such reserve fund or such portion thereof as they think fit, to meet contingencies or for special dividends or for equalizing dividends, or for working the business of the Company, or for repairing, maintaining or extending the buildings and premises of the Company, or for the repair or renewal or extension of the property of the Company or any part thereof, or for any other purposes connected with the interest of the Company that they may from time to time deem expedient without being bound to keep the same separate from the other assets.

140. Any General Meeting declaring a dividend or bonus may resolve that such dividend or bonus be paid wholly or in part by means of drafts or cheques on London or by the distribution of specific assets, and in particular of paid-up shares, debentures or debenture stock of the Company, or paid-up shares, debentures, or debenture stock of any other Company, or in any one or more of such ways; any General Meeting may resolve that any moneys investments or other assets forming part of the undivided profits of the Company standing to the credit of the reserve fund or in the hands of the Company and available for dividend (or representing premiums received on the issue of shares and standing to the credit of the share premium account) be capitalized and distributed amongst the Shareholders in accordance with their rights on the footing that they become entitled thereto as capital and that all or any part of such capitalized fund be applied on behalf of the Shareholders in paying up in full any unissued shares of the Company and that such unissued shares so fully paid be distributed accordingly amongst the Shareholders in the proportion in which they are entitled to receive dividends and shall be accepted by them in full satisfaction of their interest in the said capitalized sum. For the purpose of giving effect to any resolution under this or the last preceding article the Directors may settle any difficulty which may arise in regard to the distribution as they think expedient, and in particular may issue fractional certificates, and may fix the value for distribution of any specific assets, and may determine that cash payments shall be made to any of the members upon the footing of the value so fixed or that fractions of less value than Rs. 10, may be disregarded in order to adjust the rights of all parties, and may vest any such cash or specific assets in trustees upon such trusts for the persons entitled to the dividend or capitalized fund as may seem expedient to the Directors.

141. No unpaid dividend or bonus shall ever bear interest against the Company.

142. No Shareholder shall be entitled to receive payment of any dividend or bonus in respect of his share or shares whilst any moneys may be due or owing from him (whether alone or jointly with any other person) to the Company in respect of such share or shares, or otherwise howsoever.

143. The Directors may deduct from the dividend or bonus payable to any Shareholder all such sums of money as may be due from him (whether alone or jointly with any other person) to the Company, and notwithstanding the fact that such sums or any of them are not payable until after the date when such dividend or bonus is payable.

144. Notice of any dividend that has been declared, or of any bonus to be paid, shall be given to each Shareholder, entitled thereto and any dividend or bonus unclaimed by any Shareholder for three years after notice thereof is given may be forfeited by the Directors for the benefit of the Company, and, if the Directors think fit, may be applied in augmentation of the Reserve Fund.

145. Every dividend or bonus payable in respect of any share held by a firm may be paid to, and an effectual receipt given by, any partner of such firm or agent duly authorized to sign the name of the firm.

146. Every dividend or bonus payable in respect of any share held by several persons jointly, other than a firm, may be paid to, and an effectual receipt given by, any one of such persons.

#### NOTICES.

147. Notices from the Company may be authenticated by the signature (printed or written) of the agent or secretary, agents or secretaries, or persons appointed by the Board to authenticate the same.

148. Every Shareholder shall give an address in Ceylon which shall be deemed to be his place of abode, and shall be registered as such in the books of the Company.

149. A notice may be served by the Company upon any Shareholder, either personally or by being sent through the post in a prepaid letter addressed to such Shareholder at his registered address or place of abode, and any notice served shall be deemed to be well served notwithstanding that the Shareholder to whom such notice is addressed be dead, unless his executors, or administrators shall have given to the Directors, or to the agent or secretary or agents or secretaries of the Company, their own or some other address in Ceylon to which notice may be sent.

150. All notices directed to be given to Shareholders shall, with respect to any share to which persons are jointly entitled, other than a firm, be given to whichever of such persons is named first in the Register of Shareholders, and notice so given shall be sufficient notice to all holders of such shares.

151. Any notice, if served by post shall be deemed to have been served on the day on which the letter containing the same would in ordinary course of post have been delivered at its address, and in proving such service it shall be sufficient to prove that the letter containing the notice was properly addressed and put into a post office or post box, and the entry in the Company's books of the leaving or sending by post of any notice at or to such address shall be sufficient evidence thereof, and no further evidence shall be necessary.

152. Any Shareholder who fails to give and register an address in Ceylon as provided in Article No. 148, shall not be entitled to be given any notice.

All notices required to be given by advertisement shall be published in the *Ceylon Government Gazette*.

#### EVIDENCE.

153. On the trial or hearing of any action or suit brought or instituted by the Company against any Shareholder or his representatives to recover any debt or money claimed to be due to the Company in respect of his shares, it shall be sufficient to prove that the name of the defendant is or was, when the claim arose, on the Register of Shareholders of the Company as a holder of the number of shares in respect of which such claim is made, and that the amount claimed is not entered as paid in the books of the Company; and it shall not be necessary to prove the registration of the Company, nor the appointment of the Directors who made any call, nor that a quorum of Directors was present at the Board at which any call was made, nor that the meeting at which any call was made was duly convened or constituted, nor any other matter whatsoever, but the proof aforesaid shall be conclusive evidence of the debt.

#### PROVISIONS RELATIVE TO WINDING UP OR DISSOLUTION OF THE COMPANY.

154. Any Shareholder, whether a Director or not, and whether alone or jointly with any other Shareholder or Director, and any person not a Shareholder, may become the purchaser of the property of the Company or any part thereof in the event of a winding up or a dissolution, or at any other time when a sale of the Company's property or effects or any part thereof shall be made by the Directors under the powers hereby or under the Ordinance conferred upon them.

155. If the Company shall be wound up whether voluntarily or otherwise the liquidator or liquidators may with the sanction of a special resolution of the Company divide among the contributories in specie any part of the assets of the Company, and may with the like sanction vest any part of the assets of the Company in trustees upon such trusts for the

benefit of the contributories as the liquidator or liquidators with the like sanction shall think fit and if thought expedient any such division may be otherwise than in accordance with the legal rights of the members of the Company, and in particular any class may be given preferential or special rights or may be excluded altogether or in part and the liquidator or liquidators shall be entitled to sell all or any of the assets of the Company in consideration of or in exchange for shares, ordinary, fully paid, part paid, or preference, in the purchasing company but in case any division otherwise than in accordance with the legal rights of the contributories shall be determined on or any sale made of any or all of the assets of the Company in exchange for shares in the purchasing company either ordinary, fully paid or part paid, or preference, any contributory who would be prejudiced thereby, shall have a right to dissent as if such determination were a special resolution passed pursuant to the section 192 of the Companies (Consolidation) Act of 1908 in England but for the purposes of an arbitration as in the sub-section (6) of the said section provided the provisions of the Ceylon Arbitration Ordinance, 1866, and of the Ceylon Ordinance No. 2 of 1889 shall apply in place of the English and Scotch Acts referred to in the said sub-section (6) of section 192 of the aforewritten Companies (Consolidation) Act and the said section 192 save as herein excepted, shall be deemed to be part and parcel of these present Articles.

## MUNICIPAL COUNCIL NOTICES.

THE Council met this day at 3 P.M., pursuant to notice, dated November 30, 1932.

Hutchings ; Dr. S. T. Gunasekera ; Mr. G. K. Thornhill ; and Mr. H. K. de Kretser.

1. The Minutes of the General Meeting of November 2, 1932, having been previously printed and copies thereof having been sent to each Member of Council, were taken as read.

Resolved that the Minutes of the General Meeting of November 2, 1932, be confirmed.

2. Pursuant to notice, Mr. A. R. A. Razik asked the following questions which the Chairman answered :—

Will the Chairman be pleased to state at the next General Meeting of the Council :—

(1) Q.—Whether the successful contractor of the tender, dated July 11, 1932, for supply of halmilla logs has fulfilled the terms of contract to the satisfaction of the Council? A.—Yes, but several consignments of this timber had to be rejected, before acceptable material was supplied.

(2) Q.—From which zone did the contractor supply the halmilla logs—dry or wet? A.—According to the Mechanical Engineer to all appearances the timber did not come from the dry zone. It is, however, not possible for him to be positive on this point.

(3) Q.—Will the Chairman be pleased to call for a report from the Municipal Engineer as to the relative merits of halmilla logs from the dry and wet zone? A.—A report has been obtained and it is laid on the table.

3. Pursuant to notice, Mr. A. R. A. Razik, asked the following question which the Chairman answered :—

Q.—“ Will the Chairman now be pleased to furnish me with replies to my questions raised at the General Meeting on September 7, 1932, with regard to the conversion of gas street-lighting to electricity ? ” A.—The matter is still under correspondence with the Department of Electrical Undertakings who are drawing up a scheme with a view to making a definite offer.

4. Pursuant to notice, Mr. M. L. M. Reyal, asked the following questions which the Chairman answered :—

(1) Q.—In view of the fact that the petty hawkers of Pettah supply the essential needs of the poor classes, will the Chairman inform the Police that the prosecution of these unfortunate people serves no useful purpose? A.—As at present advised the Chairman is not prepared to comply with the suggestion.

(2) Q.—If the Chairman is not disposed to take such action in the matter, will he place the question before the Four Standing Committees of the Council for consideration as to whether the by-law relating to the subject should not be repealed? A.—Yes.

5. Pursuant to notice, Dr. E. A. Coorey, asked the following questions which the Chairman answered :—

Will the Chairman be pleased to state—

(1) Q.—Whether the Chairman is aware that when Mr. Reid was Chairman instructions had been issued to see that tenders for contract are deposited in a sealed box by the tenderers and that the tenders be opened immediately after closing time for receiving tenders, in the presence of the tenderers? A.—Mr. Reid's instructions contained no requirement that tenders should be deposited in a sealed box they required *inter alia* that tenders should be opened immediately on the expiry of the time fixed for receiving them and that tenderers should be informed that they might be present if they wished when tenders were being opened.

(2) Q.—If so, whether these instructions are still strictly carried out, and if not, since when they have been discontinued? A.—Yes, save as amended by Council's resolution of December 1, 1926, which rescinded the instruction that permitted tenderers to be present when tenders were being opened.

(3) Q.—What is the procedure adopted now for receiving and opening of tenders? A.—A statement of the procedure followed is tabled.

(4) Q.—Is it correct to say that this year tenders were not put into a sealed box, but handed over to the officer receiving them and that the tenders were opened the day after? A.—Tenders were handed over to the officer receiving them and were opened at the time and date specified in the advertisement.

(5) Q.—Whether the Chairman is aware that the Contractor Mr. H. D. Fernando's tenders have been recommended for acceptance for 1933, for supplying screened gravel, river sand, standard bricks, uniforms to Municipal Council Officers and peons, boots and shoes and repairing them, and grass to Slaughter-house, and that his quotation for grass is only one cent less than the next tenderer? A.—Yes.

(6) Q.—Whether Mr. H. D. Fernando was the contractor for supply of grass to Slaughter-house for 1930? A.—Yes.

(7) Q.—Is it correct that his tender was not the lowest and yet his was recommend by the Municipal Veterinary Surgeon and accepted? A.—His tender was not the lowest ; it was recommended by the Acting Municipal Veterinary Surgeon, Mr. Crawford, at that time, and the Council accepted it.

(8) Q.—Is it correct that for 1931 too his tender was recommended by the Municipal Veterinary Surgeon though it was not the lowest, but the Committees and the Council refused to accept his recommendation? A.—The tender was recommended by the Municipal Veterinary Surgeon, Mr. Crawford, but the Committees and the Council decided to accept the lowest.

(9) Q.—Is it correct that on June 26, 1930, the Contractor, Mr. H. D. Fernando, was warned about the quality of grass he was supplying? A.—Yes.

(10) Q.—Is it correct to state that in reply to this warning the contractor made no reference to any difficulty of procuring Mauritius grass owing to the floods or that Attora grass had to be supplied owing to the floods? A.—The contractor referred to the difficulty of procuring grass (presumably of any kind) owing to the floods. He did not state in his letter that Attora grass had to be supplied for this reason.

(11) Q.—Whether the contractor also stated in his reply that he shall keep on supplying, as asked by the Municipal Veterinary Surgeon *and as was always done*, a fair portion of water grass also? A.—Yes.

(12) Q.—If (10) and (11) are answered in the affirmative whether the Chairman will state on what authority the contractor always supplied Attora grass with a fair portion of water grass also? A.—I, understand, that Attora grass was usually accepted whenever there was a shortage of water grass owing to floods, and apparently this is what was meant by the statement “ as was always done,” and not that Attora grass was accepted at all times whether there was a shortage of water grass or not. There is no record of any authority to supply Attora grass at ordinary times.

(13) Q.—Whether the authority to supply Attora grass in equal quantities was only granted by the Municipal Veterinary Surgeon on July 1, 1930? A.—Yes, by the Acting Municipal Veterinary Surgeon.

(14) Q.—Whether this authority by the Municipal Veterinary Surgeon granted on July 1, 1930, does not imply that only water grass was to be supplied until this date? A.—Yes.

(15) Q.—If the Municipal Veterinary Surgeon was of opinion that Attora grass also was required in equal quantities why was the Treasurer not so informed so that the contract be accordingly entered into? A.—See answer to 12.

(16) Q.—Whether the other tenderers were informed that Attora grass was required in equal quantities so that their rates may be proportionately reduced? A.—See answer to 12.

(17) Q.—Whether the Chairman is aware, or if he is not, whether he tried to ascertain that Attora grass is an inferior grass much cheaper than Mauritius grass and only eaten by buffaloes? A.—Yes.

(18) Q.—Whether the Superintendent, Slaughter-house, on July 2, 1930, reported that the contractor was still supplying Attora grass in large quantities and not in equal quantities as authorised by the Municipal Veterinary Surgeon? A.—Yes.

(19) If so, whether any action was taken by the Municipal Veterinary Surgeon on this report, if so, what action taken, and if no action taken, why not? A.—There is no record of any action having been taken on this report by the then Acting Municipal Veterinary Surgeon, Mr. Crawford, and as Mr. Crawford is now in England it is impossible to answer the question.

(20) Q.—In view of the fact that the contractor, Mr. H. D. Fernando, on his own admission, was supplying Attora grass in fair quantities throughout the period of his contract in 1930, whether the Chairman can say what sum of money would have been saved to the Council, if it was brought to the proper authority by the Municipal Veterinary Surgeon that cheap Attora grass is required in equal quantities so that separate tenders may have been called for Attora grass and Mauritius grass or a reasonable sum be deducted from the contractor for supplying cheap inferior grass? A.—It is not clear that such an admission was in fact been made, but even assuming it to be the case, it is impossible to say what saving might have been effected.

(21) Q.—Whether these facts were brought to the notice of the proper authority by the Municipal Veterinary Surgeon, if not, why not? A.—No such facts were reported by the Acting Municipal Veterinary Surgeon presumably because the facts were not as suggested in the previous question.

(22) Q.—Whether at the Committee meeting considering tenders for grass for 1933, did the Municipal Veterinary Surgeon state that Attora grass is still supplied and is required for the Slaughter-house? A.—Yes.

(23) Q.—Subsequent to the meeting when a member brought to the notice of the Chairman that the counterfoils of orders for grass which the Municipal Veterinary Surgeon was asked to produce did not show that Attora grass is ordered or supplied, whether the Municipal Veterinary Surgeon admitted to the Chairman that he made a mistake and that Attora grass is not required or accepted for the Slaughter-house? A.—Yes.

(24) Q.—Whether the Chairman can give any reason as to how the contractor Mr. H. D. Fernando's tenders came to be recommended by the Municipal Veterinary Surgeon for acceptance during four successive years, beginning from 1929, whether his tender was the lowest or not especially after the incidents connected with the supply of Attora grass in 1930? A.—The Acting Municipal Veterinary Surgeon no doubt considered Mr. H. D. Fernando's the best tender. Mr. Fernando's tender was recommended by the Municipal Veterinary Surgeon (Mr. Rylands) for acceptance for 1933, (a) because it is the lowest and (b) because according to the Acting Municipal Veterinary Surgeon, Mr. Crawford, the tenderer had given satisfaction in his previous contracts.

6. Pursuant to notice, the Chairman moved—(1) "That this Council desires to place on record its appreciation of the services rendered to the citizens of Colombo by the late Hon. Mr. Justice E. W. Jayewardene, K.C., who was a Member of this Council from November, 1920, to July, 1925, and to record its deep regret at his death."
