(ii) In the case of the Alampil toddy tavern in the Mullaitivu District of the Northern Province, the privilege shall be granted for the period from March 1, 1934, to September 30, 1934, or for any shorter period within these seven months on application as aforesaid.

1. (b) The privilege may be granted for the local area of an individual tavern, or for the area of a group of taverns as the Government Agent may decide.
2. No tender will be accepted from any person—

 - (c) who is a registered criminal within the meaning of the Prevention of Crimes Ordinance, No. 2 of 1926, or who has been convicted of any crime or of any Excise offence; or
 - (d) who at any time held a licence which has been cancelled under section 26 of the Excise Ordinance, No. 8 of 1912.
3. Every tender shall be made on the prescribed form which may be obtained from the Treasury or any Kachcheri.
4. (i.) Every tender or bid shall be made by the tenderer or bidder in his own name. No tender or bid will be accepted if made through an agent.
 - (ii.) No person shall send in more than one tender for any one tavern, or group of taverns.
5. (i.) The Government Agent may, if he considers it necessary, require the deposit of a sum not exceeding Rupees Five hundred (Rs. 500) by the tenderer in respect of each tender.
 - (ii.) Every tender shall be accompanied by a Treasury or Kachcheri receipt acknowledging the deposit of the sum required by the Government Agent under the foregoing condition 5 (i.), and the number and date of the receipt shall be entered on the face of the tender form.

 - (ii.) At such auction only those persons shall be allowed to bid from whom tenders have been received, or who produce a Treasury or Kachcheri receipt acknowledging the deposit of such sum as the Government Agent may have required under the foregoing condition 5 (i.) in respect of each exclusive privilege for which they desire to bid.

If any tenderer or bidder, on being declared to be the purchaser of the privilege, declines or fails to sign these conditions of sale or fails to furnish the required security when called upon to do so, the deposit made under the foregoing condition 5 (i.) will be declared forfeited, and the defaulter will render himself liable to have his name entered in the list of defaulters in respect of all arrack or toddy rents. Subject to this exception the deposits of all tenderers or bidders will be returned after the conditions of sale have been signed by the successful tenderer or bidder.
9. (i.) (a) The grantee shall, immediately on being granted the privilege, sign these conditions and pay to the Government Agent as a security deposit a sum equivalent to two months' rent of the privilege.
 - (b) The grantee shall also within fourteen days of the sale of the privilege enter into a bond with the Government Agent for the full amount for which he has purchased it and he shall specially hypothecate by such bond the said security deposit.
 - (c) The said security deposit shall be liable to be confiscated by the Government Agent for breach of any of these conditions or for non-payment of instalments, and such confiscation shall be in addition to any other penalty prescribed by these conditions for such breach.
 - (i.) Security money so paid will be deposited in bank only on the grantee's application and only at his risk, and when such deposit is made no withdrawal will be allowed till the date of maturity.
 - (ii.) The grantee shall at the time of the execution of the bond as aforesaid execute, if so required by the Government Agent, a power of attorney in the form sanctioned by law, to confess judgment in any action which may be instituted against him for the recovery of any moneys due in respect of this privilege, and shall also furnish to the Government Agent within fifteen days of the date of the execution of such power of attorney a duly certified copy thereof to be filed in the District Court under section 32 of the Civil Procedure Code.
 - (iii.) The grantee shall, on signing these conditions, elect and signify under his hand a Post Office or postal address to which all notices and processes whatever in connection with the privilege may be addressed under registered cover; and all such notices or processes so addressed to such post office or to such postal address, and posted in due course, shall be deemed to have been duly served and as effectual for all purposes as if they had been served upon the grantee in person upon the day on which any such notice or process was so posted.
10. (i.) The grantee shall pay the purchase money or rent to the Government Agent in twelve equal monthly instalments.
 - (ii.) The first instalment of the rent shall be deemed to be due and payable on ——— and succeeding instalments shall be deemed to be severally due and payable on the last day of each succeeding month.
 - (iii.) Interest at the rate of 9 per centum per annum shall be payable in respect of all arrears.
11. (i.) (a) If any instalment or part of any instalment of the purchase money or rent, or any duty, fee, or other sum due to the Crown from the grantee remains unpaid after the same shall have become due and payable, the Government Agent shall have power, after fifteen days' notice to the grantee of his intention to do so, without further process of law, to cancel the licence or licences issued to the grantee, and to resell the privilege at the risk of the grantee.
 - (b) Such notice may be served personally on the grantee, or addressed to the post office elected under the foregoing condition 9 (4), as the Government Agent thinks fit.
 - (c) In the event of the cancellation of a licence, the Government Agent shall have power to grant the privilege to any person approved by him for any period intervening between such cancellation and the re-sale of the privilege, and for this purpose may issue to such approved person a temporary licence upon such terms as he may think fit.
 - (ii.) No remission of the rent payable in respect of the privilege will be granted on any plea of the grantee's having overestimated the value of any tavern or on any other ground.
 - (iii.) The grantee shall not have, or make, any claim to any reduction or to the remission, of any sum due and owing by him to the Crown by reason of any loss alleged to have been sustained by him, whether on account of any closing of the tavern or taverns during the passage of troops or during the encampment of troops in the vicinity of the tavern or taverns or during the holding of any poll, or through any other cause whatsoever.
12. (i.) No payment of any sum due by the grantee to the Crown shall be deemed to have been duly made, unless the grantee shall produce a Kachcheri receipt in respect thereof.
 - (ii.) No money which, for his own convenience, the grantee may think fit to leave in the hands of any Shroff or any other officer of any Kachcheri shall be deemed to be money paid under this contract.
13. (i.) The grantee shall, at least twenty-one days before the date on which the privilege commences to run, furnish to the Superintendent or Assistant Superintendent of Excise an application on the prescribed form showing the numbers and the situation of the trees which he proposes to tap for the supply of fermented toddy for sale at each tavern, and the situation and numbers of the collecting stations for toddy which he proposes to establish; and no trees shall be tapped or toddy drawn in pursuance of this privilege otherwise than under cover of a licence setting forth the numbers and the situation of such trees, the name of the drawer, the name of the owner or possessor of such trees, and the tavern for which the fermented toddy is intended.
 - (ii.) Any application to tap additional trees for any tavern shall be made to the Superintendent or Assistant Superintendent of Excise three weeks before the grantee intends to commence to tap such trees.

(iii.) Subject to appeal to the Excise Commissioner, whose decision shall be final, the Assistant Superintendent of Excise shall have power to refuse any application to tap trees for any tavern, and to cancel any licence, the continuance of which appears to him to be unnecessary or open to objection.

14. (i.) If toddy is to be transported in pursuance of this privilege by lorry, cart, or railway, the grantee shall establish collecting stations on the main road in places approved by the Circle Officer.

16. (i.) If the grantee wishes to make vinegar from toddy, he shall obtain a vinegar licence from the Government Agent.

(ii.) The Government Agent hereby reserves to himself the right to issue a licence to any person for making vinegar within the area to which this privilege relates on such terms and subject to such conditions as the Governor may approve.

(iii.) If a licence to make vinegar from toddy has been issued to the grantee, he shall store such vinegar in premises approved by the Government Agent, and shall keep a true account in the form prescribed by the Excise Commissioner of all toddy converted into vinegar and of all sales of vinegar.

(iv.) The grantee shall cause such vinegar store to be opened for inspection at the request of any Excise Officer not below the rank of Inspector, and shall produce the accounts therein maintained whenever called upon to do so.

17. The grantee shall have no concern or interest, direct or indirect, in the sale of arrack, or in the purchase of any privilege for the sale of arrack, within the area of his rent.

18. (i.) (a) The grantee shall open the tavern or taverns on the day on which the privilege commences to run.

(b) The Government Agent shall not be bound to find a site for any tavern in the event of the grantee not being able to procure a site.

(c) The grantee shall not open a tavern on any site otherwise than with the approval of the Government Agent, such approval being obtained from the Government Agent at least 14 days before the privilege commences to run.

Improvements in or relating to the manufacture of plantation rubber products.

Abstract.—A process for the manufacture of a substitute for "reclaimed rubber" is described. This substitute referred to as "plantation rubber product" is prepared from plantation rubber by treating with vegetable and/or mineral oils with the addition of another ingredient or other ingredients such as carbon black, iron oxide or zinc oxide to bring it to conditions of plasticity, softness and other qualities of reclaimed rubber articles. Emulsions, greases, waxes, natural or artificial resins, saponified oils or soaps can be used in place of oils.

There are seven claims and no drawings.
